### About the Artist

---

Julie Lang is a 2013 graduate from the Rochester Institute of Technology. She has a BFA in Professional Photographic Illustration - concentrated in Fine Art Photography.

Julie's work frequently addresses the idea of control (or lack thereof) to manipulate her audience's viewpoint and force them to take a closer look at the differences between reality and her created world.

Julie's work is held in private collections throughout New York and New Jersey and has been shown in galleries at The Rochester Institute of Technology, Image City Photography Gallery in Rochester, New York, and Alfa Art Gallery in New Brunswick New Jersey. Her images were printed in Image City's "Portfolio Showcase 2013" compilation book.

Julie is currently based in central New Jersey.

### Upcoming Shows

---

**February:** Julie's work will continue to be displayed throughout the library until the end of the month.

**March & April:** Casey Shaw, local photographer and skateboarder, will display his work.
