## Our Gallery's Beginning

Thanks to a generous donation from the Davidoff Family of South Amboy, we are pleased to present interesting cultural, historical and entertaining exhibitions.

All exhibitors will be recognized at the Holiday Open House December 2017

## About this display

Drawing is a form of visual art in which a person uses various drawing instruments to mark paper or other mediums. If you are interested in drawing, the library has books on drawing and sketching.

## About the Artist

Ariana White is a student at Sayreville Middle School who loves to sketch and that is evident in her creative designs.

Ariana started sketching and designing at the age of three. Her first medium was her wall. She progressed to furniture then clothing before she started drawing and sketching on paper.

**Exhibition April 3 - April 30**
