

JERSEYCLICKS for students - Dowdell Library of South Amboy

Available online @ the library! From home, use your 8-digit library card number!

Novelist Plus K-8

Focuses on nonfiction reading materials that support the school curriculum, as well as the recreational reading interests of children and students from preschool through middle school.

Primary Search

Primary Search contains full text for more than 60 popular, elementary school magazines. All full text articles are assigned a reading level indicator (Lexiles)

MiddleSearch Plus

Middle Search Plus contains full text for more than 150 popular, middle school magazines. In addition to the full text, this database offers indexing and abstracts for nearly 200 magazines. All full text articles are assigned a reading level indicator (Lexiles). Full text is also available for thousands of biographies, historical essays and student pamphlets.

MAS Ultra School Edition

MAS Ultra School Edition is a comprehensive full text general reference database designed for high school and junior college libraries. This database includes: searchable full text of articles, reports and special issues from nearly 200 of the most wanted K-12 magazines.

Points of View Reference Center

Points of View Reference Center is a full-text database designed to provide students with a series of essays that present multiple sides of a current issue. The database provides 200 topics, each with an overview (objective background/description), point (argument) and counterpoint (opposing argument).

Biography Collection Complete

Biography Collection Complete features more than 177,000 full-text biographies from many different sources.

History Reference Center

History Reference Center is the world's most comprehensive full text history reference database designed for secondary schools, public libraries, junior/community colleges, and undergraduate research.

Contemporary Authors

Contemporary Authors helps researchers discover biographical details on approximately 116,000 20th century novelists, poets, playwrights, nonfiction writers, journalists and scriptwriters from around the world.

Science Reference Center

Science Reference Center is a comprehensive research database that provides easy access to a multitude of full text science-oriented content.

Newspaper Source Plus

Newspaper Source Plus includes more than 700 full-text newspapers, and provides more than 31 million full-text articles. In addition, the database includes nearly 700,000 television and radio transcripts.

Academic Search Premier

Academic Search Premier contains indexing for 8,025 publications.
