

The 2021 Tax Season is here!

The **Sadie Pope Dowdell Library** is pleased to support financial stability in our community. Now more than ever, it's important to offer everyone, especially the most vulnerable, the tools and resources necessary to be better prepared for this tax season.

Free, contactless, tax return assistance is available for residents earning less than \$64,000 per year.

A **Drop Box** is stationed inside the building for residents to place an envelope with the **Intake** and **Consent Forms**.
You **MUST** bring an envelope to the Library to start the service!

To learn more about this special program or to pick up the required forms, please contact the **Dowdell Library** at **732.721.6060** or comments@dowdell.org.
