SOUTH AMBOY, N. J., FRIDAY, FEBRUARY 9, 1934

Price Four Cents

MAYOR'S LETTER TO COUNCIL EXPLAINS HIS BUDGET VETO

Says Salaries and Fees Item Unnecessarily Large Because of City Collector and Police Justice Salaries.

The only excitement at Tuesday night's council meeting was a short and friendly tilt between Council President Manion and an out of town attorney representing Frank Batterson, who maintains a garage on Main street just beyond the city line. Batterson's attorney was trying to find out when the city would pay the bill submitted through the Supreme Court against Rose Kennedy and Ruben Forstman, amounting approximately \$35.00, in connection with the case of Batterson vs. Officer Kvist some months ago.

Manion explained that the budget had not been passed, that the city was without funds, that he didn't know when the matter would be cleared up so that the bill could be given attention. The lawyer was dissatisfied and threatened a writ of execution. Manion replied for him to go ahead but he didn't know who could be "executed" for it around here. With that the matter was dropped.

As was expected the Mayor vetoed the resolution of approval on the new budget as prepared by the council at the last meeting. In his letter the Mayor said that the item for salaries and fees was unnecessarily excessive by reason of the salaries of the city collector and the police justice, the streets and garbage item could be cut \$3200 by setting out the street commissioner and other economies; the auditing appropriation could be cut from \$1,250 to \$1,000.

On motion of Councilman Agan, supported by Councilman Inman, the council voted 3 to 2 to sustain the veto—not enough to carry the motion, nor to override the veto. The budget died with the failure of the body to take decisive action.

On the ordinance appointing J. A. Carroll as Harbor Master, the vote was 3-2 again, this time Manion voting with the two Republicans. The Mayor approved the ordinance before he left the hall.

A communication from the State Board of Health seeking information on the city's efforts to secure funds from the national government for the sewage disposal plant advocated by the state body, was referred to the council as a whole with the solicitor and engineer.

The council unanimously adopted a resolution submitted by Councilman Triggs providing for renewal of temporary notes for about \$3,500 for the First, Second and Stockton street improvements.

The certificate of the Board of School Estimate showing \$60,532.42 as the amount to be raised by taxation via the local 1934 budget bore the endorsement of four members of that body and the dissenting remarks of Mayor Mason. Messrs. Kvist, Inman, Reese and Kurtz were the approvers. Mayor Mason's dissent stated that bearing in mind the taxes owing by the citizens, the notes owing the banks by the city, and the measures being taken by the city government to curtail expenses, it would be inconsistent to approve this budget and thus impose additional burdens on the taxpayers.

Councilman Agan offered a motion to sustain the Mayor's veto, but all four other members of the council voted against the motion. Councilman Kurtz arose to inquire of Council President Manion who was responsible for the side-walks leading from the Hole-in-the-Wall to Fourth street. When he was informed that it was railroad property and that the railroad was the responsible party, Councilman Kurtz offered a motion to have the clerk write the railroad officials demanding that the sidewalk be cleared whenever necessary. He remarked that the sidewalk needed clearing badly right now. The motion was unanimously carried.

City Clerk Disbrow reported receipt from the City Treasurer of the usual Annual Debt Statement.

Permanent licenses were granted, by due resolution, to all the holders of temporary permits for the dispensing of alcoholic liquors. The action of the State Legislature in extending the temporary permits to March 10, which action was taken Monday night and approved by Governor Moore on Tuesday, was intended to help out the municipalities which had not completed the investigations, as well as the holders of temporary permits who had not complied with the regulations relative to advertising, etc. The local action was not affected as the investigations had been made, the requirements met, and no objections filed with the issuing body here.

MASONIC ORDER TO HOLD CARD PARTY

Monday evening, the Masonic Temple will be the scene of what promises to be one of the largest card parties conducted by the order in some time.

A large number of attractive prizes will be offered and the committee in charge consists of W. Harper Lewis, Christy Dufford and Robert Wortley.

TO OBSERVE WORLD DAY OF PRAYER IN CITY NEXT FRIDAY

Next Friday at the First Baptist Church on Second street, a special service will be held in celebration of the World Day of Prayer. The observance is being arranged by the local Federation of Church Women.

The service will begin at 2:30 in the afternoon with the pastors of the Methodist Protestant, Methodist Episcopal, Presbyterian and Baptist church taking part.

An invitation has been extended to all women of the city to attend this meeting.

PIERSON REVEALS PLANS FOR LOCAL LEGION MINSTRELS

Many Outside Organization Have Volunteered Assistance.

Monday night at the rehearsal, Director William Pierson revealed to the cast members, his plans for the coming American Legion show in their entirety and they were enthusiastically received.

Pierson and his co-director Howard Reese have planned a portrayal of a minstrel show as given on a Mississippi River showboat fifty years ago. Many features never before presented in a minstrel here have been incorporated in the plans and comedy skits on "Uncle Tom's Cabin" and many other thrillers of long ago are certain to meet with hearty approval.

Pierson and Reese have arranged a show replete with jokes, specialty numbers, dances, jazz and sentimental numbers that are certain to go over big and the statement made by the Legionnaires that they will put on the best minstrel performance in the history of the Post seems to be borne out by the fact that an unusual show has been planned and all members of the cast have shown up unusually well in rehearsal. One feature is that every member will have an individual part, there will be no chorus or choruses as are commonly known in minstrel shows.

Not only the members of the Post, but the general public as well has expressed enthusiasm for the coming event and some of the best singers, comedians and gag men in the city have offered their services to the Post and are taking part in the twice a week rehearsals.

Joseph Claffey, Leo Coakley, Art Scully, Don Dayton, Harry Macholl and Harris Covell are the end-men, who will keep things moving with a host of jokes, novelties, jazz numbers and general jollification. G. Frank Disbrow will be interlocutor.

There will be a number of quartette numbers and sentimental songs rendered by Robert P. Mason, Robert Waterman, Murray Borlund, William Pierson, Howard Reese, Francis Brennan, Jim McMahon and Frank Johnson, Dick Pritchard and James Cantion.

Joseph McGowan has been made stage manager; Michael F. Nagle is business manager; and William Grover has been named property man.

No definite date for the production has been set for this city owing to the fact that a number of posts in the county have requested that it be presented in their communities and the Post is anxious that the first showing take place in South Amboy.

Annual Financial

Statement of St. Mary's Church Published Today

Excellent Progress Indicated Despite Depressing Conditions.

Published in the Citizen this week is a detailed statement of the financial condition of St. Mary's Church for the year 1933, showing the excellent progress made by the church despite what was considered one of the most devastating years of the depression.

The report indicates that no worthy undertaking was sacrificed for the sake of economy, and both the parishioners and the students in the school system were not forced to forego any necessary advantages because of financial difficulties. The report was epitomized at all masses on Sunday by the Rt. Rev. Msgr. E. C. Griffin, pastor of St. Mary's, with praise for those who aided the church during 1933.

Monsignor Griffin lauded the efficiency of the schools, reporting that approximately 1,000 pupils in the primary, grammar and high school departments were the recipients of training from a staff of thirty-one teachers. Monsignor Griffin reminded the members of the parish that contributions to the parish represented a true saving, stating that if the parochial schools were closed the added costs of educating the pupils in the public schools system would be staggering.

Next week the Citizen will publish the individual collection lists as has been the custom for many years.

Thickly Populated Island One of the world's most thickly populated small islands, Malta, houses more than 200,000 people. Strangely, it is an island without lake or stream. The soil and porous sandstone absorb the rainfall like blotting paper.

Ridiculous to the Sublime

NEWS STORY BRINGS TO LIGHT COPY OF OLD 'MESEREAU MAP'

Duplicate Owned by Thomas Capner Shows Property Owners of Long Ago.

The account of what is believed to have been the first map of South Amboy, the "Mesereau Map", in the possession of City Engineer A. T. McMichael has brought to light the fact that another South Amboyian is in possession of a similar map.

After reading the account, Thomas Capner, the possessor of a number of valuable documents and photographs associated with the early history of South Amboy, produced a hand drawn reproduction of the Mesereau Map drawn many years ago by his father, Joseph Capner. The map Mr. Capner has in his possession was carefully drawn in pencil and then inked in and despite the number of years which have elapsed it is in comparatively good condition.

The map Mr. Capner has in his possession indicates the owners of the properties in town and many of the names recall South Amboyans prominent in the life of the community years ago.

With the old map before him, Mr. Capner recalled the days when he was a boy here and he gave some interesting information regarding South Amboy as a village.

County Republican

Women Met Wednesday At Woodbridge

Local Party Workers Among Those Present at Interesting Meeting.

Republicanism of South Amboy was well represented at one of the most interesting and enjoyable meetings ever held by the United Republican Women's Club of Middlesex County held Wednesday afternoon at the Craftsmen's Club in Woodbridge.

Mrs. F. Barvis was the hostess and the business session was presided over by Mrs. Ethel Isele, president of the organization.

An interesting and instructive address was given by Dr. Carl Galloway, Supervisor of Schools of Metuchen, on the State School Survey. Mrs. Elizabeth Oliver admonished those present to give their best efforts for the election of the Republican candidates at the coming election and Mrs. Vera Holzworth, county vice chairman praised the Republican women of Middlesex County for their work and urged equal representation of both sexes on the election boards of the County.

A social hour followed the business session when violin solos were rendered by Mrs. Elsie Wood, accompanied by Mrs. A. F. Randolph; solos by Mrs. William Baker accompanied by Mrs. William Kruff; a piano solo by Miss Irma Buffon and a patriotic and musical selection by Miss Thelma Stratton of this city. Samuel Good of Jamesburg, prominent member of the party, also gave a short talk.

ADDRESS ON CHURCH WORK IN ALASKA

Dr. J. W. Chapman will address the regular monthly meeting of the Woman's Auxiliary of Christ Church in the Parish House, Tuesday morning, February 13th at 10:30. Dr. Chapman for many years was stationed in Alaska. He will speak on the work the church is doing in the far north.

MAYOR APPROVES ACTION OF COUNCIL MAJORITY ON BUDGET

Declares He Has Plan to Meet Reduced Police Appropriation.

When asked what he had to say about the action of the majority of the council in further reducing the police appropriation to less than \$23,000, the Mayor said he thought it was the thing to do. He expressed his entire satisfaction with the proposed reduction. He said it was encouraging to see that the majority side of the council were becoming interested in the economy question and now that they had taken such a positive stand with the Police Department appropriation, it was hoped that they would go along with the elimination of unnecessary positions such as Street Commissioner and Police Justice.

When asked whether he would be able to make the reduced appropriation do, the Mayor replied: "Most certainly. I don't believe in exceeding appropriations and none will be exceeded this year if I can prevent it."

He was asked if he had worked out a program to meet this reduced appropriation and his reply was that he had submitted such a program to the Chief of Police last December. It called for a seven man Police Department with an appropriation of about \$23,000. He explained that it would be necessary to reduce the police force by two additional men, and this he had taken steps to put in effect not later than March 1st. The men to be laid off would be determined from the standpoint of efficiency.

Asked as to the probable reaction of such drastic action, the Mayor said he supposed it "would cause a little flurry for a short time," but the fact that the majority of the council were back of the move, he thought would make it possible to put it thru with a minimum of trouble.

Juniors Plan for Attendance at Past Councilor's Session

Special Lincoln's Day Exercises Will Take Place at Meeting Monday.

To the monthly meeting of the Middlesex County Past Councilors' Association Monday night Joel Parker Council of this city plans to send one of the largest delegations that has represented it at a county meeting in recent years.

The meeting will take place in Woodbridge with the council of that place as host and a number of special features have been arranged in celebration of Lincoln's Birthday. There will be several patriotic speakers of prominence present and the members of the Woodbridge Council have provided a number of surprises for those who attend.

The transportation committee of the local council has made arrangements to carry all members of the council to the session and cars will leave from the Junior Order Hall at 8 o'clock sharp.

JUNIOR WOMAN'S CLUB TO ENTERTAIN ELDERS

A distinct innovation will be evidenced at the regular meeting of the South Amboy Woman's Club next Thursday when the members of the club will be entertained by the Junior Woman's Club.

The nature of the entertainment has not as yet been divulged, but it is confidently believed that under the guidance of the Juniors, the elders will miss a delightful afternoon by not attending. The hostesses, under whose direction the entire meeting will proceed are the Misses Eleanor Dawson and Florence Harris.

GLEASON AND RYAN GRANTED PENSIONS HERE LAST EVENING

Commission Granted Retirement Requests to Become Effective Next Thursday.

Chief Thomas J. Gleason, Sr., and Sergeant Patrick Ryan will cease to be active members of the South Amboy police force after next Wednesday.

Meeting in the city hall last night the members of the Police Pension Fund Commission took formal action on the applications of the two men for pensioning. Chief Gleason on Feb. 1st forwarded to the Mayor his application for retirement. The request of Sergeant Ryan for pensioning was announced early this week.

The applications of the two officers followed action by the Commission last month regarding their retirement.

Until the council confirms the appointment of a chief of police, the nomination to be made by the Mayor, a member of the force will be picked to serve as acting chief. The Mayor steadfastly refuses to divulge who his choice will be, but it is the general opinion that Sergeant David Quinn, oldest member of the force in point of service, will be picked to head the department. It is expected that his appointment will meet with the approval of the council members.

Chief Gleason was born in this city on September 13, 1898 and received his early education in the local public schools. At an early age he became a messenger boy for the Susquehanna Coal Company. From 1893 to 1903 he was employed at the local coal piers as brakeman on the Pennsylvania Railroad. On Sept. 14, 1903, he became a member of the police force under the late William Minnick, Chief of Police at that time. Prior to his appointment as a member of the force, Gleason served as constable for six years.

He received the commendation of police authorities all over the state when in 1908 he captured Tony Zieklina, as the latter was boarding a train at the local station. Zieklina was held as material witness to the murder of Mike Knutts, keeper of the Laurence Harbor club house. Knutts was shot and killed by Joseph Giorgini on March 8, 1903. Zieklina at the time of his arrest, carried a loaded revolver and other weapons.

During the World War in the latter part of 1917, Gleason by clever detective work discovered that acids and chemicals were being made into explosives in a small building on First street.

Gleason became chief of the local police department on October 14, 1923, following the death of Chief James J. McDonnell.

Sergeant Ryan is also one of the old guard of the police force who became a member in the early days when the force was much smaller than it is now. In 1905 he was appointed to the force and was elevated to sergeant on January 19, 1916.

High School Senior Class Members Making Good Showing at Rehearsals

March 16th Set as Date—Director Higgins is Pleased With Results.

Friday evening, March 16th has been set as the date for the High School Senior Class minstrel which will be presented in the school auditorium. Vincent Higgins, director of the show reports that the young minstrel men are showing unusual aptitude and are displaying all the skill of veterans.

The end men, who are showing up unusually well in rehearsals and promise to put their part of the show over in great style are George Ebert, Emmett Ford, Francis Lonseth, Snovell Hawes, Benjamin Troyana and Joseph Klegmna. Raymond Bultitz is the interactor.

Miss Josephine Horman is the musical director and she has arranged a number of pleasing musical numbers which will be presented by the various members of the cast.

A number of specialty acts are also being prepared to lend variety to the entertainment and there will be dancing following the show with a popular orchestra furnishing the music.

NEW BUDGET CUTS, BUT ON JOB CUTS COUNCIL BALKS

Special Meeting Called For Last Night Fails to Bring Results Expected. Filing Deadline Today.

With today the deadline for filing the municipal budgets with the State Commissioner of Accounts, the members of the Common Council, Mayor Mason, City Solicitor Coan and City Treasurer Kress gathered last night at the City Hall with the intention of holding a special meeting and adopt a budget. Before calling the meeting, the members decided to hold a caucus and discuss ways and means of meeting the objections of the Mayor in his message vetoing the minutes of the Council session at which the budget was adopted on first reading.

After an hour or so devoted to meeting the objections of the Mayor with counter objections and counter proposals, it became evident that the evening's efforts were practically certain to end in an equivalent of the temperature out-door, which was hovering around zero. And that was the way it turned out hours later, with almost nothing accomplished.

City Solicitor Coan summarized the developments to date on behalf of Mayor Mason. It was recalled that on the grounds of economy it had been first urged that the firemen be curtailed, and the positions of city electrician, city collector, street commissioner and police justice. Because of objections on the part of councilmen the Mayor had backed up in the demands until there was left only the combining of the street commissioner's job with the city engineer, abolishing the police justice, and cutting down the auditing appropriation \$350. Quizzed by Councilman Triggs, Mayor Mason declined to forego these demands.

Councilman Triggs had figured up the police payroll and incidental expenses and had a strong argument in the way of figures which showed that the same results in the way of economy could be reached by cutting the police appropriation from \$25,000 to \$21,500. This was possible because of the retirement of two members of the police force and thus there would be no necessity for abolishing any jobs.

When it seemed evident that a majority of the council favored cutting the budget in some other way than abolishing jobs, because they couldn't see any real saving in the Mayor's suggestions, Mayor Mason and Councilman Agan drifted away from the meeting, later leaving the hall. Councilman Inman took his leave some time later but not until the Triggs suggestion had been figured and refigured several times. And when it was evident there was no compromise in sight the City Solicitor left also.

The remaining councilmen and Mr. Kress did a lot of more figuring and finally it was tacitly agreed to introduce a new budget at the next council session. The new budget will, unless the plans are changed, show a cut of \$3,000 in the police and \$250 in the auditing appropriations.

With these reductions the total money to be raised by the taxpayers will be something over \$6,000 less this year than last. And the reduction is exclusive of a \$5,700 cut in state money received from the gasoline tax source, and is despite, an item of \$15,000 put in the budget to offset notes now covering certain taxes now recognized as uncollectable.

As a matter of fact, the new budget will provide for actual operation of the city on approximately \$26,000 less money this year than last. And some, at least, of the councilmen and other city officials are more than a little skeptical of their ability to do it.

Some \$27,000 has already been collected for 1934 taxes, and so far this year some \$78,000 has come in to the Collector. These tax moneys can be used for payroll purposes, etc. and the City has a substantial cash balance, according to City Treasurer Kress.

A bill now before the legislature provides that where a budget is not adopted expenditures up to 85 percent of last year's appropriations can be used as the limit for this year's expenditures. Hence, local officials aren't worrying much about the status of the budget here, for under that law there would be plenty of latitude for them to work with.

P.T.A. FOUNDERS NIGHT MEETING ON THURSDAY

Plans have been completed for the annual Founder's Night meeting of the South Amboy P.T.A. to take place Thursday night in the High School Auditorium, beginning at 8 p.m.

Commissioner H. G. Hoffman will be the speaker; Mrs. C. L. Cox will render a number of songs with Mrs. A. C. Parlsen as accompanist. Mrs. H. G. Hoffman, Mrs. F. Hawes and Mrs. H. D. Little will be the hostesses. All mothers and fathers of children attending the school have been invited to be present.

Wheel Suspensions Discarded in Europe

Ford Claims More Efficient and Reliable Easy-Riding Springs

European car makers have experimented with various types of independent front wheel suspension for a number of years on and off, but few, if any of them are using this method today.

The coil spring type of independent front wheel suspension in use on a number of American cars this year is decidedly new and highly experimental. The variety of types and awkwardness of form are hardly suggestive of permanency.

The easy riding qualities claimed for this suspension is mostly a matter of opinion. The real reason for its adoption is to eliminate shimmy and hard steering, which has worried car makers for so many years.

Ford transverse springs and three point suspension give the desired result. Competition, however, would rather use the indirect method employed in a Rube Goldberg cartoon, than admit Ford is right.

SUBSTANTIAL OUT IN TAX RATE FOR NEXT YEAR IS INDICATED

(Continued from page one)

Recent years have been such as to direct specific attention to such an item, just as the economic conditions have tended to increase the size of the item. The custom has been to discount tax notes to offset the slow collection items, which such slow collections too often turned into uncollectibles. While not exactly mandatory, the inclusion of the \$15,000 item in the budget appropriations is good business and is expected to materially aid in maintaining the city credit with the financial authorities. It is customary to include such an item in the budgets of municipalities throughout the state. Incidentally in many cases the inclusion of the item is because of a demand from the bankers who hold the municipal obligations and frequently represents a much larger percentage of the budget than is the case here. Here the item is entirely voluntary, it is understood, and is more or less directly the result of Mayor Mason's urging for the city to get on a "pay as you go" plan.

Besides the gasoline tax refund loss, the anticipated revenues show expected reductions of \$1,000 from interest; \$4,300 from gross receipts taxes; \$3,730 from salary refunds; \$250 from poll taxes; and \$2,500 from water surplus. Increase of \$1,100 in franchise tax; and \$1,200 from surplus revenue are set up.

In the appropriations increases are shown in the accounts named as follows: police pension, \$308; bond redemption, \$400; emergency note, \$708; new appropriations in the budget are: First Aid Squad, \$350; traffic light, \$300.

Eliminated from the 1934 budget are items of \$150 for the Kiddie Keep Well Camp, \$100; Shade Tree Commission, \$100; and \$500 for advertising. Reductions in appropriations are: salaries, \$1,250; police, \$5,250; streets, \$200; buildings, \$500; Library, \$100; sewers, \$1,000; sinking fund, \$42.32; interest on bonds, \$2,065; unfunded capital expenditures, \$2,232; deficit miscellaneous revenue, \$463. The foregoing indicates that the unpopular salary reductions of 1933 are not to be continued during 1934.

The total amount to be raised by taxation for 1934 is given as \$84,426.47 as compared to \$87,809.54 for last year. Total budget appropriations for 1934 appear to be \$187,306.47 as compared to \$177,947.44 for the year 1933. Miscellaneous revenues anticipated thus remain as \$82,940 for 1934 as compared with \$90,643.90 for the year before.

The budget appears to be a long way from the 25 percent mentioned by Mayor Mason in urging strict economy on the council. The figures do not, of course, include the funds for operating the Public Schools which funds last year accounted for 123 points in the tax rate. The city tax rate last year amounted to 184 point of the total of 500. A reduction of a point or so in the county rate of 141 points is expected also.

All of the foregoing estimates are based upon the presumption that there is no appreciable drop in the amount of tax valuations. The tax valuations summary will not be available for some time yet.

What will happen to the tax rate if the State adopts a sales tax as a substitute for State School tax (48 points last year), soldiers bonus (2 points) and for real estate relief, is, of course, problematical. The provisions of the bill for the purpose now before the legislative bodies at Trenton are still more or less undetermined. The indications are, however, that there will be additional relief for the taxpayer on top of the local reductions.

The ordinance was passed on second and final reading by the council Tuesday night, and last night the Mayor signed his approval. By the terms of the act, Mrs. Anna Dugan is made Matron of the Poor House for a term of three years at an annual salary of \$420 payable in monthly installments.

Mayor Gives O. K. To Ordinance Naming Poor House Matron

Mrs. Anna Dugan Gets Job For Term of Three Years.

Just as abruptly as he had created another complication in the appointment muddle by refusing to sign checks authorized by the present Board of Works, Mayor Mason last night cleared up one phase of the situation by the signing of the Poor House Matron ordinance.

The ordinance was passed on second and final reading by the council Tuesday night, and last night the Mayor signed his approval. By the terms of the act, Mrs. Anna Dugan is made Matron of the Poor House for a term of three years at an annual salary of \$420 payable in monthly installments.

Have Parts in Legion Show Now in Rehearsals

Sketches Written by Director Pierson Will Also Be Presented

Two of the busiest men in town these days are William Pierson and Howard Reese, who are in charge of the minstrel show to be put on by Luke A. Lovely Post, American Legion.

Five end men, who have appeared in a number of minstrels in this section and are guaranteed to provoke a million laughs have been selected and the sixth man will be picked shortly. The blackface fun makers who will sit on the end of the circle in the coming show are Harry Maccholi, Leo Coskey, Arthur Scully and Joseph Clafey. G. Frank Disbrow will be the interlocutor.

Seated in the circle will be a group of local residents who are well known for their ability to put over jazz and sentimental quartette numbers. Soloists already rehearsing are Robert Mason, Robert Waterman, William Pierson, Howard Reese, Murray Borlund, Frank Johnson, Frank Brennan, Jim McMahon, John Crozier, and Harry Covell.

The sketch "Beyond the Wire" written by Pierson for the first show ever given by the Legion will be produced again as will the "By Heck" sketch which produced many laughs. Robert Edwards is musical director of the production.

Rehearsals are being held every Monday and Thursday evening and the show is rapidly developing into what promises to be something exceedingly unusual in the line of a minstrel show.

While no definite date for the showing in this city has been set, the production likely will be put on some time after Easter.

Stanley Steiner Notified He Passed State Examination

Appointed as Registered Pharmacist by Governor Moore.

Stanley Steiner, son of Mr. and Mrs. Adolph Steiner of Church st., was yesterday informed by Governor A. Harry Moore that he had successfully passed the recent state examinations and was now a full fledged registered pharmacist.

Mr. Steiner is a graduate of the South Amboy High School Class of 1930. Upon his graduation from the local school he entered Rutgers School of Pharmacy from which he graduated last June, being awarded two prizes, one of them the Erbacher prize for Dispensing Pharmacy.

Last October and December, Mr. Steiner took the state examinations and was one of the forty-five applicants in a class of 155 who succeeded in passing. He is now employed at Peterson's Pharmacy in this city.

TEACHERS TO BE SWITCHED FOR SCHOOL ECONOMY

(Continued from page one)

a final report showing 87 visits, 888 examinations. Defects among the students were tabulated as follows: heart, 12; hearing, 34; vision, 134; teeth, 161; tonsils, 32; feet, 2; speech, 2; cores, 8.

The attendance officer had a report showing 72 cases of absenteeism investigated. Among them there were only 3 cases of truancy, although he dragged 80 of the offending students back to the schools.

Messrs. O. W. Welsh and H. Dillon were absent from the meeting. A postal card from Mr. Welsh dated last Friday and postmarked Los Angeles, Calif. was passed around.

The financial report by Mr. Kryst indicated bookkeeping overdrafts in some accounts but an actual cash balance on hand in the banks. With approximately half the year gone just about half the appropriations are used up.

It developed through the report of the buildings and grounds committee that the shut down of the schools during the holiday cold spell was expensive economy. A freeze-up in one school happened to catch a weak pipe-radiator at a bad time and the whole thing had to be replaced. The total cost, including some minor replacements ran to around \$175. The boiler in the No. 2 school was also mentioned. It's old, probably weak, but like Dobbin and the old one-horse shay, it's a o. k. so long as nothing goes bad. But if anything ever happens—

Adjournment was taken to go in to executive session to discuss budget details. It is customary for the Board at the January meeting to whip the budget into good shape for consideration of the board at the organization meeting on Feb. 1st, when the new member, Linwood Cleef in this case, takes his seat.

PATRICK KENAH FUNERAL TOMORROW

(Continued from page one)

Amboy Trust Company and also a director of the Star Building and Loan Association. He was a member of the Loyal Order of Moose, Ancient Order of Hibernians, Exempt Firemen, Catholic Benevolent Legion and the Ex-Chief's Association.

Husband of the late Mary A. (nee Campbell) he is survived by a cousin John F. Kenah, ex-mayor of Elizabeth, and three nephews, Paul, Thomas and Arthur Hackett, of Philadelphia.

Paul beavers at the funeral tomorrow will be Thomas McKean, John Coyne, Patrick Monaghan, D. W. Mahoney, Pierre Malloy, Timothy Sullivan, George A. Kress and William S. Day.

To Hold Third Annual Dinner on February 10

Christie Dufford, Chairman, Has Arranged Busy Evening

Sharpshooters with sharp appetites will demonstrate what they can do with the knives and forks on Saturday evening, February 10th, when the Bayview Rod and Gun Club holds its third annual dinner at the Old Dutch Tavern, in Keypoint.

The boys who spend much of their time kneeling at the ranges will sit down to the table at 8 p. m. and Christie Dufford, chairman of the dinner committee has guaranteed that there will be plenty to keep them occupied for several hours thereafter.

Several prominent authorities on fish and game will give short speeches.

Annual Dinner Plans Are Discussed By Madison G.O.P. Club

School Board Candidates, Miller and Gaub Talked at Last Meeting.

In the absence of Judge Maxwell Mayer, vacationing in Florida, the regular meeting of the Madison Township Republican Club Tuesday night was presided over by V. J. Lanning.

Plans for the annual dinner on April 6th, were discussed and tickets distributed to the members. A committee composed of V. J. Lanning, Leonard Masson and Smith Kagen is in charge of arrangements.

The entertainment committee made an interesting report which promises an active year along this line and it was announced and plans for a card party to take place in the near future are under way.

Mr. Miller and Mr. Gaub, candidates for the school board were present at the meeting and spoke on the budget for the ensuing year.

JOINT CARD PARTY

A joint card party under the auspices of the Sons and Daughters of Liberty and the Junior Order will be held on Tuesday, Feb. 15, at the Junior Order home.

Serrill Newman is chairman of the Junior Order Committee and Mrs. Catherine Ward is chairman of the Liberty's committee.

MAYOR REFUSES TO SIGN CHECKS FOR BOARD OF PUBLIC WORKS

(Continued from Page One)

This action by the Mayor and his refusal to approve the budget in its present form, ties up the paychecks of a large number of city employees and practically makes it impossible for the city to take action that involves the payment or borrowing of any money.

The attendance officer had a report showing 72 cases of absenteeism investigated. Among them there were only 3 cases of truancy, although he dragged 80 of the offending students back to the schools.

Rotary Informal Visit Reports Increase in District Membership Throughout This Territory

District Governor Newton Brien of the thirty-sixth district, Rotary International, paid an informal visit to the local club at its meeting in Wilhelm's Hall, Tuesday noon.

Following the luncheon, he made a short address in which he urged a better attendance at the meetings of the local club during the coming months. He spoke of the increase in membership of the district since he assumed the governorship last July. At that time, the district membership totaled 2,541 and by the end of the year, it had increased to 2,672, a very fine showing considering 1933 was one of the worst years in American business history. He also stated that Rotary was growing very satisfactorily throughout the world.

He said he hoped the members of the local club would cooperate with him in maintaining the fine attendance record of the district, which has had a very high standing among the districts of the country.

The meeting was in charge of Vice President D. W. Reed. Ernest Christopherson, the club's piano player, rendered a number of selections on the accordion.

MAYOR MASON DECLARES BUT ONE COURSE OPEN ON ENGINEER LAW

(Continued from page one)

office of Street Commissioner, I am willing to consider an ordinance naming a combined engineer and street commissioner," said the Mayor.

Wide-Awake Merchants Are Advertising. WHY miss your opportunity to increase your business.

Club Entertained Ladies Tuesday Night

Club Will Sponsor Supper on Washington's Birthday.

The Men's Club of the Methodist Protestant Church entertained the ladies of the Church Tuesday evening, at which time there was a large attendance present. Those who assisted in the entertainment program were O. Hawes, Rev. S. R. Wilhelm and Charles Sprague. Community singing and games also helped to enliven the evening. Members of the club took charge of the serving of tasty refreshments during the evening.

An important business meeting of the Men's Club will be held on Tuesday evening, Feb. 6th, at which time all members are requested to be present.

The club will sponsor a hot roast chicken supper on Thursday, March 1st. Tickets will soon be placed on sale and the menu will be announced later.

Woman Burned As She Rescues Mother From Burning Home

Overheated Chimney Believed Cause of Fire Wednesday Afternoon.

In endeavoring to remove her mother, Mrs. John Culver from their burning home Wednesday afternoon, Mrs. Harry Johnson of 136 George street was painfully burned about the hands.

The fire which started in the second story in a storeroom, was evidently caused by an overheated chimney. Firemen, when they reached the building were confronted by a stubborn fire which had made great headway, creeping between the walls and under the roof and it was some time before they were able to get it under control. The building and contents were considerably damaged by fire and water.

Mrs. Culver, who was seriously ill at the time the fire broke out, was carried from the building and later taken to the home of Mrs. Charles Bennett in the ambulance of the First Aid and Safety Squad.

ROAMERS MEET

The weekly meeting of the Roamer's Social Club was held Monday night at the home of Miss Marie Nelson. Plans for the fall activities were made and the event committee for the month of February were chosen. They were: Eva Ellison, Maybelle Batchelor and Harold Bloodgood.

After the business period, a social hour was enjoyed and refreshments served. The next meeting will be held next Monday night at the home of the president, Harold Bloodgood.

HYMN SING

At the John Street Methodist Episcopal Church Sunday evening at 8:45, a hymn sing will be held with singing by the congregation and solos, as well as quartet and duet selections of the familiar hymns.

Mrs. O. L. Carr will be in charge of the service.

The Big Advantage is under the hood

A V-8 Engine

IF YOU want 8-cylinder performance, but I not at the usual 8-cylinder cost—step into the new Ford V-8 for 1934!

Here is a car that will do better than 80 miles an hour. At 50 to 60 miles per hour it is actually running at ease. This reserve power means acceleration unequalled by practically any other make of American automobile, regardless of price.

The Ford V-8 for 1934 offers you many other advantages. 20 miles per gallon at 45 miles per hour, in exhaustive test runs. More actual body room than in many more expensive cars. Riding comfort—with free action for all four wheels plus the proved safety of a front axle.

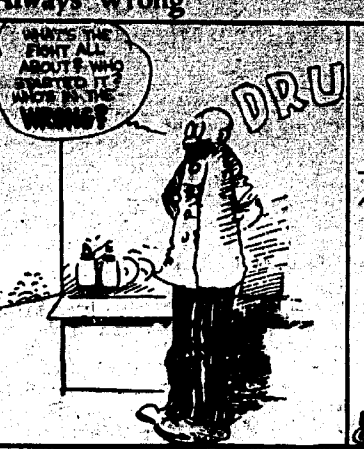

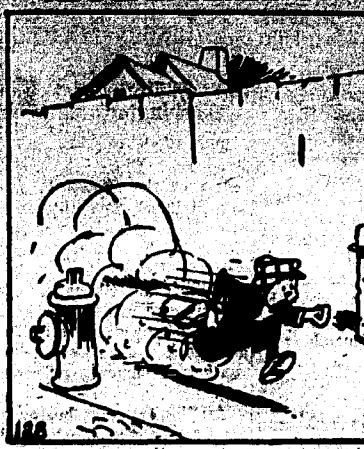

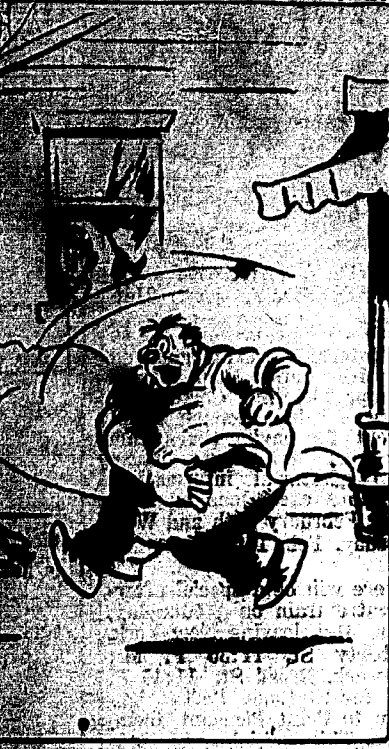

Before you buy any car at any price, drive the new Ford V-8 for 1934.

FABLES IN SLANG

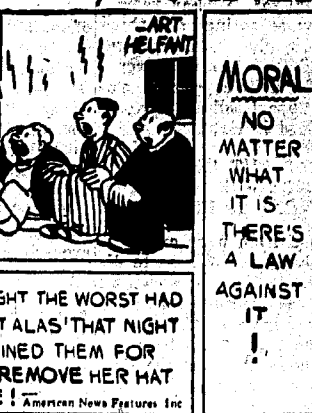

By GEORGE ADE

By GEORGE ADE

By GEORGE ADE

Our architecture would change and we would find for instance a cottage built in the accepted French style standing beside a building of the type common in Japan. All over the land we would find the windmill typical of Holland and many other things that we in America look upon as part of one country or one race of people.

The people on the street would even present a different picture than they do today. It would be a common thing to see an African with the minimum of raiment walking beside an Esquimo covered to the neck with furs. Women dressed in the accepted Turkish custom with even their faces covered would walk beside hula dancers from Hawaii, wearing only a brief grass skirt.

Before long our language would become something we no longer recognized as "American." In contact with many other languages, it would change rapidly and become a mixture of English and every other known language with the result that to any person who did not keep up with the change it would seem like the sounds that came forth from the Tower of Babel.

There would be a lot of people who now have soft jobs who would lose them quickly if this thing came to pass. Any foreign dictator coming into the country would regard Congress as an unnecessary expense and a lot of dignified Senators would have to go to work. Many state and county jobs would also quickly be abolished.

So after taking all these things into consideration, be thankful that Hitler and Mussolini are having their troubles over on the other side. As long as they are kept busy in their own countries we can concentrate on our own national problems without having them solved by a European titled dictator.

CAR HITS ABUTMENT; DRIVER IS INJURED

Augustine W. Devaney, of 1055 Summit Avenue, the Bronx, was injured Friday evening when the car he was driving crashed into an abutment near the railroad bridge on route 4.

Police reported that Devaney was going north on the highway when he ran into the abutment. He was rushed to the city hospital by Lieutenant C. B. Vahle, where it was found he suffered abrasions of the forehead. He was discharged after treatment. The car was considerably damaged.

America's Coal Production

America produces 600,000,000 tons of coal annually.

ORDINANCE NO. 325

AN ORDINANCE OF THE CITY OF SOUTH AMBOY PRESCRIBING AND DEFINING THE DUTIES OF THE HARBOR MASTER, APPOINTING A HARBOR MASTER, AND FIXING HIS TERM OF OFFICE.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF SOUTH AMBOY:

Section 1. That the Harbor Master and Port Warden shall have general supervision and control of the port of the City of South Amboy, and the mooring and docking of boats and barges, that it be his duty to keep the port and harbor free for navigation, and to prevent congestion and pollution, and that he perform such other duties as may be placed upon him by the laws of the State of New Jersey or the United States of America, and the ordinances of the City of South Amboy in relation to the conduct and management of shipping interests.

Section 2. That John A. Carroll be and he hereby is appointed Harbor Master and Port Warden to hold his office for the full term of three years from the first day of January 1934, and until his successor is in like manner appointed and qualified.

Section 3. This ordinance shall take effect immediately on its approval and publication in the manner prescribed by law.

NOTICE

The foregoing ordinance was introduced and passed on first reading at a meeting of the Common Council of the City of South Amboy held on the 23rd day of January, 1934. It will be considered for final passage at a meeting of the Common Council at the City Hall on February 6th, 1934, at 8 o'clock Standard Time, at which time all persons having objection thereto are hereby notified to be present and present same.

G. FRANK DISBROW, City Clerk.

LOOKING BACK 22 YEARS

Issue of January 27, 1918

Joseph Frickelbach, while skating on the ice last Sunday, broke his ankle.

Business is rushing at the plant of the South Amboy Terra Cotta Co.

On Saturday, Sunday and Monday there was excellent skating on the bay between this city and Keyport.

Miss Nellie Wilson underwent an operation for appendicitis at the Perth Amboy Hospital on Tuesday afternoon. From latest reports she is getting along nicely.

This Friday evening "Romeo and Juliette" will be presented in moving pictures at the Theatatorium. All will want to see this famous play. Admission five cents.

Next Tuesday evening a big double show will be given, at which the last of the films taken on the Raritan River Railroad will be shown. Go and see the local people in pictures. Admission ten cents.

During the high tide on Tuesday the ice broke away from the shore and moved out by the action of wind and tide. A point of a large ice flow drifted against the city dock, and broke the piling and bracing off for a length of about seventy-five feet. It was thought at one time that the whole dock would be carried away.

The breakwater at Whitehead's sand pier was crushed flat but the pier was not damaged and the piling supporting the outlet of the sewer was laid flat.

As the immense sheets of ice floated down the bay, they were watched by many people from the shore, who expected to see further damage done but in this they were disappointed.

On Tuesday evening the Neptune A. C. basketball team defeated the R. & H. of Perth Amboy by the score of 12 to 15. It was a fast game from start to finish and the first for the Neptunes on their new court in K. of P. Hall.

The Neptunes will play every Tuesday and Saturday evenings. This evening, Jan. 27, they will play the Sayreville A. A. of Sayreville, one of the County League teams. Dancing before and after the game. For this Saturday evening three pieces of music from Nelson's orchestra, of Perth Amboy, has been engaged, and they will play every Saturday. Game called at 9 o'clock.

The characters for "The Deacon's Second Wife," the three act comedy which will be presented by the Senior Class of the High School on the evening of January 21st are as follows: Malvind Fitz, Alice Capney; Deacon Bacharias Fitz, Lillie Moss; Mrs. Brown, Ruth Sprague; Kate Rollins, Eva Forgoon; John D. Bullock, Martin Baird; Mrs. Bullock, Bernice Bogart; Dorothy Bullock, Sarah Diebert; Harbely Bullock, Ralph Crane; Ernest Rench, Holmes Oliver; Philip Gamboge, Harold Orr.

Mrs. Nanna Scully entertained the "500 Club" at her home on Thursday evening.

Grandin Bucklew, son of Charles S. Bucklew, of Florence avenue, fell on the ice Saturday and badly cut his knee. It took several stitches to sew up the wound.

At the Tuesday council meeting, the report of the City Treasurer showed receipts and disbursements of city accounts for 1911 as follows: Bal on hand Jan 1, 119.85; Sanitary sewers overdrawn, 1,092.29; Receipts: A. T. Kerr, Col., 332,945.40; Petty licenses, etc., 886.00; Rent city dock, etc., 129.00; Liquor licenses, etc., 12,430.00; Notes discounted, 9,871.53; State R. R. tax, 11,930.15; Interest on deposits, 322.02; Jersey Cent. Trac. Co., 38.51; Disbursements, 808,552.31; 774,734.75.

Two little couplings took up considerable time of the Common Council last Tuesday night at the regular meeting. The couplings were presented by Second Assistant Chief of the fire department, Frank Gordon; to Councilman Stanton, chairman of the committee on Fire Department. Mr. Stanton introduced them with a view to ascertaining whether any guarantee came with them when purchased, and if so, to have the manufacturer furnish others. The fire department has condemned these as useless and Assistant Chief Gordon stated that the department was well equipped with others. Mr. O'Connor misunderstood the situation and considered it imperative that others be purchased at once as the searching up of the guarantee would take considerable time and thus an argument ensued between him and the chairman of the fire department that absorbed a great deal of time.

Pidyon Haben
Celebration Sunday
for Gerald Reiner

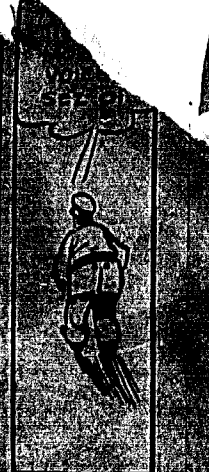

Rabbi Abraham Schwartz Presided Over Ceremonies.

At the home of Mr. and Mrs. Harry Reiner on Henry street, Sunday afternoon, a Pidyon Haben celebration in honor of Gerald, their month-old son was held.

Rabbi Abraham Schwartz presided over the ceremonies and was assisted by Cohen Cohen of Perth Amboy. Present at the ceremony were a large number of the members of the local Hebrew congregation and many friends of Mr. Reiner from this and other cities.

A supper was served at which Rabbi Hyman acted as toastmaster. Speeches were made by a number of the guests.

FINNEY OF THE FORCE

THE FEATHERHEADS

**NO DOWN PAYMENT
UNDER NEW METER-ICE PLAN**

**23¢
PER HOUR**

**new FRIGIDAIRE
IS YOURS**

Just like buying ice
...and a

Have the easiest way you ever heard of to get a Frigidaire. No down payment. No monthly budgeting. Just deposit 23¢ a day under the Meter-Ice Plan and the first thing you know your Frigidaire is paid for.

Simple as A. B. C.

Here's how the Meter-Ice Plan works:

A. Come in and say, "I want one of the new Frigidaires that uses less current than a lamp bulb."

B. We'll deliver it without any down payment. Then you deposit 23¢ a day in Meter-Ice which is attached. Our representative will call once a month.

C. When payments are completed we remove the Meter-Ice and you own the Frigidaire outright. It's all so simple and easy you'll never have missed the money.

New Frigidaires use less current than one ordinary lamp bulb.

Imagine an electric refrigerator that uses less current than one ordinary lamp bulb! That's the new Frigidaire. It's a marvel of convenience, too, with automatic defrosting—automatic ice tray releasing—gold storage space—14 more food space in smaller cabinets.

These terms apply to all models up to and including Model No. Super 83.

Jersey Central Power & Light Co.

COME IN AND SEE THE NEW FRIGIDAIRE — OR TELEPHONE US.

**YOU CAN TELL THE
BEST COAL...
by its blue color**

Genuine "blue coal" can't possibly be confused with ordinary black coal. Because it's trademarked... actually colored blue. We sell this superior home fuel. Add, let us inspect your heating system—free of charge.

church and in a body they will take
part in a Court of Honor at Parlin.

**JOSEPH JEROME HOST
AT SPAGHETTI SUPPER**

Joseph Jerome was host to about
one hundred of his friends at a
spaghetti supper and entertainment
on Wednesday evening. Music was
furnished by the Pep Boys of Mel-
rose, led by A. Stolte. Several violin
selections were rendered by "Rags"
Maliszewski; tap dance numbers by
Julius Nagy; and a novelty dance by
Joseph Jerome Jr. Vocal numbers
by A. Stolte brought forth rounds
of applause.

Other entertainment consisted of
sentimental vocal numbers by Amos
Jones; violin selections by Amos
Jones, Sr.; exhibition dance by Ace
Freeman, famous marathon dancer
and his partner; and vocal numbers
by Bennie Pawkowski Jr. and S.
Harris.

PIPE DREAMS

By Nick O'Toole

For years and years I've been
listening to the different lady kil-
lers about town who were telling me
how they were able to make femi-
nine hearts skip a beat but it seems
the champion I've never heard
about. In my opinion he's the man
who stepped on the bus at the cor-
ner of John street and Stevens ave-
nue Monday afternoon about four-
thirty and had a female city official
who is appointed for three years by
ordinance and handles a lot of
money, run out of the hall and jump
on the bus to get him before he got
away from her.

The boys in the Pine Avenue
Sport Club don't listen to the radio
anymore Sunday night. They have
their own Joe Pinner, who says "Is
that so?" until the boys have almost
lost their sweet dispositions.

One night this week there was
another exciting "boss" came up in
Mechanicsville. The boys were
quarrelling among themselves and
then the wife of one of the players
put in an appearance and broke up
the game and they all learned who
was "boss."

What's this we have now—police
girls in town. Yep, and they start
right in by directing traffic on the
busiest corner in town. Four of them
sat in the traffic booth at the corner
of Main street and Stevens avenue
the other morning playing police-
men.

The toastmaster at that Sunday
afternoon outing held south of the
city made a big hit, especially when
he, always considered an enthusias-
tic Democrat, gave a speech, the
theme of which was "I have always
been a loyal Republican." He came
home in a rumble seat and there was
no need of inquiring: "Was you dere
Sharlie?"

A portly railroad conductor learned
Friday night that when a paper
bag look like it contains a bottle you,
may be mistaken. A car came down
the hill at route 4 and crashed into
the abutment near the bridge right

around the curve. Along came the
conductor and seeing a paper bag in
the car that looked as though it might
contain a bottle of liquor grabbed it.
It contained eggs, however, and when
he quickly grabbed the bag he broke
the eggs and they went all over him.
Was his raiment eggined?

The Misses Mary and Lillian Carr
of Greentown, Brooklyn, were week
end guests of Miss Mary Stanwick
of Catherine street.

Miss Mary Stanwick of Catherine
street, and the Misses Mary and Lil-
lian Carr, of Greentown, Brooklyn,
were Sunday visitors at Asbury Park.

Have you noticed that agency man-
ager who travels up Fifth Street
every morning to test the springs on
his car. He goes several feet, then
puts on the brakes and looks back to
see if the company advertisement he
carries on the back of his car is still
there.

He's the same father who several
days ago decided he wanted to learn
how to play his son's saxophone and
was sick for several days after he
tried to get the darn thing to make
a noise.

The moral of this little story is
"never try to be the whole show when
you're out of your own section of
town." A Mechanicsville came down
town Saturday afternoon, dropped
into a Broadway place and immedi-
ately tried to become chairman of the
impromptu meeting taking place by
falling through the chair. The prop-
rietor spoke of the incident along the
following Lyons: "He came in here
and bought a quarter drink, then
broke a \$3 chair."

No one has ever doubted that the
boys in the Independence Engine
Company have a great fondness for
fruit juice, but it seems that they
prefer it nowadays in a different
form than is usually the case. Sev-
eral of them could be seen standing at
the window of the top floor Monday
afternoon as a farmer down in the
street, throw some up to them in its
original form—as fruit, not in liquid
distillate.

A local who evidently intended to
spend a night doing some light read-
ing stole the bulbs from the front of
the Union News stand next to the
station the other night.

Monday afternoon the Ancient and
Honorable Order of Paint Brush
Welders was organized in a First
street business place. A retired rail-
road employee was made General
Foreman. A truckman was made
Supervisor and Ladder Carrier be-
cause he owns the truck necessary to
transport the ladders. A popular
man about town who always wears his

rubber was made watchman because
the rubbers would muffle the foot-
steps and enable him to creep up on
suspicious persons. The proprietor of
the store as made the Royal Paint
Furnisher so the boys could continue
to warm themselves about his stove
for the remaining winter months.

The woman bar tender at a certain
Feltus street charging station seems
to be attracting considerable trade.
I don't doubt that we will see more
of them before long when the rest of
the boys observe the increased busi-
ness that has resulted.

A local man who lives next to a
cemetery is interested in his figure.
To prove it, this former football play-
er recently confided to several mem-
bers of the opposite sex in South
River, that he was reducing in order
to make a good appearance in a bas-
ketball uniform. Page Mae West.

A young man on upper Main st.,
spent some anxious moments recent-
ly when he found that a member of
his family had sent his trousers to
the cleaner with \$3 in the pockets.
He had been saving the money up to
buy a pair of boots.

One of the Handsome Harrys of
the suburbs was booked to attend a
funeral the other day, but he didn't
go, complaining that he was sick.
Shortly after he handed out the ex-
cuse, he sat at the window and saw
a pretty girl go by. He got out his
car and after her he went. He for-
got all about his other ailments when
he got the sudden attack of girl
trouble.

Frank, Mary and Helen are going
to have some photographs to remem-
ber "the good old days" by when they
grow old. They travelled out to Rose
Corner in the Nash Sunday, got out
and took some pictures of each other
in their Sunday clothes.

Tuesday must have been "insult
your fellow townsman" day in our
burg. I never heard so many people
insult so many other people in such a
short time. Why do you know that
one man said to another: "Oh, I
know—you used to be a breath smell-
er for the railroad." Inferring, of
course that the insulted one had been
a "gum shoe" man for the railroad.

The sheik of Cedar street has been
keeping company with a baker-shop
girl for some time, but it appears
they doubt not think as much of each
other as they used to. Sunday night
he wasn't with her and a car pulled
up to the corner of Main street and
Stevens avenue and took him out of
town (Letter K, first two numbers
2-1, last two 8-3). A Lottie cared
what happened to the girl.

One of the gentlemen who spends

much of his time pushing them across
the mahogany on Broadway received
a present from his girl Christmas
and he was disappointed. He wanted
a watch but she gave him handker-
chiefs. He told the girl he expected
her to give him the watch; so she did.
An electrician who examined the
timepiece claimed it had no jewels in
it. The girl no doubt figured he was
jewel enough and that no more were
necessary.

Another candidate has been pro-
posed as the next mayor of the city.
His manager, it is rumored, is a for-
mer City Clerk. Yes, the candidate
who works with the concern dredging
out the bay is ambitious to dig up
some dirt on land now. He intends
to Harris some of the boys now in
the political arena; I understand.

A local M. D. is one of the most
accommodating people you can im-
agine. One night this week he deliv-

CAN YOU IMAGINE!

CAN YOU IMAGINE—the cheerful grin of the Worces-
ter, Mass., tailor who, after suffering
from severe stomach trouble for
7 years, was instantly relieved
by a dose of BISMA-REX in a
Rexall Store, felt much better after
taking one bottle, got positive
relief after three more, and now
enjoys his meals, can do more
work than ever before, and has a
new lease on life!

EXPLANATION

Bisma-Rex is a new antacid treat-
ment that is bringing welcome re-
lief to thousands everywhere who
suffer the agonies of indigestion
and other acid stomach ailments.

Bisma-Rex acts four ways to give
lasting relief in three minutes. It
neutralizes excess acid; relieves the
stomach of gas; soothes the irritated
membranes; and aids digestion of
foods most likely to ferment. Bisma-
Rex is sold only at Rexall Drug
Stores. Get a jar today at Peter-
son's Drug Store, 192 North Broad-
way.

Letters To The Editor

Editor South Amboy Citizen:
May I briefly call attention to your splendid paper to the efforts of Senator Hamilton P. Kean to have the Federal Government act to stamp out lynchings. There were five times as many in the last half of 1933 as in the same period in 1932. This is a frightful increase. All good Americans who believe in law and order and justice must agree that something should be done.
Especially timely is the Senator's assertion that the rising tide of mob violence is an obstacle to the return of prosperity, since "once life and property cease to be legally protected, capital will fly away."
"New Jersey has had little experience with this great evil, but surely its people have sufficient vision to perceive the menace and back up staunchly Senator Kean's admirable move to eliminate it forever."
"The general public of South Amboy is a fine class of people, friendly and liberal in every way and in reference to shopping at home in our own town, I believe the people of South Amboy are only too glad to buy at home, because after all, we all know that buying at home is the most profitable way of doing. We should

But suppose the business people should show from time to time appreciation of our buying at home by giving someone who has the proper taste a trip to Niagara Falls, or giving away an automobile or a refrigerator. To do that people must join together from both sides.
"The business men must join together to be able to furnish that great gift of appreciation and the people of South Amboy should tell those that do not know that the business people of South Amboy are also starting a "New Deal" and are giving people great appreciation for their patronage at home and real merchandise at real prices."
A Friend of the People.

Sacred Heart Society Hold Election of Officers

Miss Frances Nebus, Sodality President, Joseph Skurzynski, Heads St. Cecilia's Club.
At the annual meetings held recently the Children of Mary Sodality and St. Cecilia's club, organizations of Sacred Heart Church Parish, elected officers.
Miss Frances Nebus was elected president of the Sodality succeeding Miss Helen Lagoda, who for the past five years served as head of the organization. Other officers elected were: Miss Louise Ziobro, vice president; Miss Jane Flaga, secretary, and Miss Clara Spychala, treasurer. Joseph Skurzynski was re-elected

BURGLAR ALARM RANG BUT COPS FOUND NO ONE
Sunday night, when the burglar alarm at Schott Brothers' leather factory on Bordentown Avenue began to ring at 5:20 in the morning. Sergeant Quinlan and Officer O'Connor rushed to the factory.
The policemen found a window on the upper side of the building broken but an examination revealed that nothing had been disturbed in the building.

Plans for
\$ MANAGED MONEY
that really work

"I Keep Accounts"

A mother gives her plan as follows:
"I may be old-fashioned, but I want to know where the money goes. So I keep a regular account book—enter the income and payments on opposite pages—balance my accounts every month just like a business. It is a business to run a home economically. I can tell you!
"By keeping accounts I've cured myself of spending on the spur of the moment. The point of the whole thing is that by managing all the money I am able to save some of it."
In the best of well-regulated families an account book and a savings bank book often go hand in hand.

St. Mary's Loses Out to Perth Amboy High School Team

Big Lead Piled Up in Opening Period Too Much for Augusta Streeters

A big lead piled up in the opening period was too much for local St. Mary's to knock down Friday night when they met the cross river High School on their own court before a large crowd. The decision went to Perth Amboy courtmen 31 to 16. Perth Amboy had considerable of the edge on the locals in all departments, accurate shooting, passing and general floorwork giving them a big advantage. Neither team showed up well in the foul shooting however. While Perth Amboy was getting together 15 points in the first quarter, the local boys were held scoreless from the field and made only one foul try good.

In the second quarter, the Augusta street boys did a little better, coming through with seven points and holding their opponents to three. Apparently confident that victory was secure, Coach Rosen trotted in his second string men in this period.

In the third period, Perth came back to the part of top scorer, adding seven more points and permitting Eppinger's men but three. The last quarter was close, Perth gaining the advantage by a single point, scoring six, while the locals took five.

High School Wins Easy Victory Over Freehold High School

Friday Night Win for Locals Third in Past Week.

The third victory for the week came to the Purple and Gold gladiators Friday night when they took over Freehold high in an easy game 32 to 16.

Freehold never got in the lead, but in the third quarter they made a great effort to tie things up and rallied to bring the score to 17-15.

Taking the lead at the start of the game, the locals were in front with the score 17-12 at half time. Freehold's rally was stopped short when their score got to the danger point in the third and from then on they never caught up to the John Streeters.

Meinzer who contributed eight points was the leading local scorer and the Morgans together turned in 18 points. Urbis was top scorer for Freehold with eight.

Three Point Lead Spells Defeat For Local Saints Team

Spurt by Eppingermen in Last Quarter Almost Defeats Re-

In the last game before the annual layoff for mid-year exams, St. Marys was defeated Saturday night by Regis High School of New York City on the local court. Three points brought victory to the Knickerbocker City representatives, the score being 28-20.

The Saints put on a spurt in the last period that almost overturned the New Yorker's applanct, but it swung back on the wheels after tipping dangerously and they came through ahead.

Throughout the game, the visitors led although several times their paramount position was threatened by the hard fighting team Eppinger has assembled.

In the opening period, Regis ran up a seven point lead 11-4. In the second quarter they added another four points while the Saints put but one more on their score board. At half time the sun was shining on the Regis team with the score reading 15-5.

In the second half St. Mary's

fought desperately and their last period rally that almost went over was the high light in a fast and furious attack they put on.

Springsteen led St. Mary's in the scoring with ten points on three field goals and four fouls.

Year's Program Is Laid Out by Pine Ave. Sporting Club

Semi-Pro Baseball Team Will Be Placed in Field Next Sum-

The sports program and other activities which will occupy the attention of the members of the Pine Avenue Sport Club during the year 1934 have been outlined and it is expected that within a fortnight all details will be arranged.

Baseball is being stressed in the sports program and the club is going in for bigger and better baseball teams that have ever wore the organization colors. In addition to a representative team in the city twilight league, there will be a semi-professional team which will play

Sunday ball. Already a number of outstanding players have been signed up and the clubmen from the Avenue plan a team that will give real opposition to the leading teams in this section.

Chief among the social events planned is the seventh anniversary of the founding of the club which will take place at the headquarters on March 8th. In May there will be a dance under the sponsorship of the club at some nearby summer resort to be decided upon later. In July will come the annual outing to Point Pleasant and in August the club will run an excursion to Coney Island.

A membership drive is now being conducted with good results and at a recent meeting three new members: Frank Kabosky, Frank Zagrecki and Moe Schevelowitz, were admitted.

High Standard of Living
The people of New Zealand have, it is said, a general material standard of living higher than that of any country in the world.

Defeat by Ukranians Breaks 11 Game Win Streak of Band Boys

The winning streak of eleven that the Boys Band enjoyed was terminated Sunday night when they were defeated by the Ukranians of Perth Amboy on the latter's court by a 32 to 11 score.

Saturday they won against the Keyport Jrs. and the Meades of Perth Amboy on their own court.

First Passenger Railroad
The first passenger railroad in the United States (the Baltimore & Ohio, 14 miles long) was opened to the public May 24, 1830.

First Aid Party on February 3th

Robert Cassey Jr. is Chairman. Will Take Place at H. St. Auditorium.

A card party under the auspices of the South Amboy First Aid and Safety Squad will be held at the High School Auditorium on Thursday evening, Feb. 3th. Chairman of the committee is Robert Cassey Jr., assisted by George Kurth, John Grimes, John Conkley and Thomas Fisher.

The proceeds of the party will be used by the squad to make further equipment for their ambulance and other vehicles. Admission is free to the public. The event is open to all and is one of the most successful held in this city in years.

CHEVROLET

FOR 1934

So radically different
in the way it runs and
responds
we say

Drive it
only 5 miles

and you'll never
be satisfied with any
other low-priced car

It's here now, for the first time:
the car that all America has been
standing by to see and drive—Chevrolet for 1934!

And if you aren't among the first to attend the gala
introductory showing, you're going to miss one
of the biggest, most exciting events of the whole

motor car year. There never has been a new
Chevrolet model with so many basic and sweep-
ing advances as this one. It's different—totally
unlike anything you've seen or anything you will
see in motor cars for 1934!
