

## Discord May Delay Work On W. P. A. Ordinance Project

How soon work on a W.P.A. project to classify all local ordinances is begun, will depend on how soon differences between local politicians can be ironed out.

Last August the project was put forward and sanction for the work has been received, but now the question of patronage is the drawback that prevents the appointment of those who will do the work. The regulations covering this type of work provide that it be conducted under the proctorship of a local attorney and four assistants are permitted.

The job is the only "white collar" project that has been approved for local men and in consequence the various members of the council and political leaders have been besieged by applicants. The jobs are considered to be of considerable value to the recipients and to the politicians as well as more than the usual energy in endeavoring to have men of their selection appointed has been manifested.

Several days ago one of the council members and a political leader entered into a bitter discussion over the appointments that served to widen the rift the prospective appointments have caused and while all concerned are anxious to have the appointments made as soon as possible, it is not likely this action will take place at the Tuesday night council meeting.

## Committees For Dohaney Testimonial Are Appointed

Cornelius Ryan General Chairman; Postmaster Downs Toastmaster

At a meeting held on Sunday, further plans for the testimonial dinner to be given under direction of Fourth Ward Democrats to Municipal Chairman Thomas Dohaney were discussed and committees were appointed.

The dinner will be staged at Brennan's Grill on Tuesday evening, November 23rd, and among the speakers will be a number of prominent Democrats of the state and county.

Cornelius J. Ryan has been chosen general chairman of the committee and Postmaster Thomas E. Downs will be the toastmaster.

Members of the speakers' committee are Cornelius Ryan, and John Stolte; entertainment, George Gelsion and Edward Powers; tickets, Mrs. Ann Gleason, Mrs. Nellie O'Connell, Mrs. Deal Christianson.

The following have been named members of the general committee, Thomas Lyons, Jos. A. Smith, Albert Jerome, Timothy Sullivan, Patrick Dwyer, George Sullivan, Joseph McKeon, Dr. Frank Farrell, Laurence Watter, Nick Howley, John Hensberger, Richard Malone, William Pearce, Robert Kerr, James Minnick, Frank Gordon, Raymond Fleming, Stephen Connors, Anton Press, Charles Hess, John Connors, Jr., Richard Dowling, William McKeon, Henry Kurtz, Joseph Letts, Frank Stolte, Francis, Turner, James Cleary, Andrew Kurtz, Thomas Grimsley, Sr., John Hanaway, Raymond Downs, Edward J. O'Connor, John Mullane, John Triggs, John McGuire, Patrick Connors, Jay Dwyer, John Conlogue, Howard Reese, Jay Kenny, William Lyons, Alfred Kerr, John McCarthy, Simon Skow, Julius Kubisiak, John Vail, Harold Munk, Ben Kubisiak, Luke Lenahan, Ted Farrell, Charles Birneman, Harry Christianson, Rube Forington, Frank McCarthy, John Sharo, Tony Kozioski, Charles Walczak, Edward Klegman, and Simon Skow.

## Rotary Club Enjoys Motion Pictures At Meeting on Tuesday

Several Members Attend Dinner at Newark Tuesday Night

Motion pictures of the trip of the club's representative, Robert P. Mason, to the Rotary International Convention at Nice, France, made recently, were shown to members of the South Amboy Rotary Club at the regular meeting held in Wilhelm's Hall, Tuesday noon. The pictures proved interesting and included the Parade of the Flowers at Nice; views of Maderia, Italy, and Paris were included. The attendance at the meeting was the largest thus far this year.

Visiting Rotarians at the meeting included Rev. Thomas Campbell of North Plainfield; George Bowen, of South River; Irving Denegast, of Perth Amboy; Guy Weaver of Woodbridge, and Charles Davis, of Perth Amboy.

Several members of the club attended the dinner at the Robert Treat Hotel in Newark, Tuesday night, at which time the president of Rotary International was the principal speaker.

## Mrs. S. Abbatiello Elected President of Lions Club Auxiliary

New Organization Makes Plans For Club Card Party

With a great deal of enthusiasm manifested, members of the recently formed Ladies' Auxiliary to the South Amboy Lions Club completed their program plans and elected officers at a meeting held at the home of Mr. and Mrs. Oliver Lockhart on First street, Friday evening.

Mrs. Salvatore Abbatiello was elected president; Mrs. O. L. Lockhart, vice-president; Mrs. Howard Leary, secretary, and Mrs. Otto Douha, treasurer.

The opening social event of the program arranged will be a club card party to be held at the Lockhart home in the near future.

## Red Cross Cared For Many Disaster Victims Past Year

Local Chairman Dillon Urges Co-operation of Local Residents in Roll Call

As an agency of the American people, the American Red Cross last year cared for the largest number of disaster victims in the organization's peacetime history. It was revealed yesterday by Howard W. Dillon, chairman of the South Amboy Red Cross Chapter.

"During the recent Ohio-Mississippi Valley flood, the Red Cross gave assistance to 322,300 families," Mr. Dillon said. "This represents 1,450,000 individuals and far exceeded the number we were forced to care for during the previous all time high water in 1927."

To carry out this great relief task Mr. Dillon pointed out, American people generously contributed more than \$25,000,000 to be administered by the Red Cross.

Disasters struck 36 states, Alaska and the District of Columbia, and 384 counties. The American Red Cross also assisted victims in the Philippine Islands and in three foreign countries in answer to calls from Red Cross societies there for assistance.

"It would be impossible," Mr. Dillon said, "to tell by statistics what renewed hope and brightened outlooks on life were made possible by this Red Cross assistance. It is hard to visualize the plight of flood victims last spring had it not been for the assistance in rebuilding and re-establishing means of livelihood for victims that the Red Cross gave, in addition to the emergency assistance in the form of food, medical aid, clothing and shelter while the waters were raging."

The year round maintenance of the Red Cross Disaster Service, Mr. Dillon pointed out, is made possible by the annual Red Cross Roll Call, to be held November 11 to 25, when citizens will be asked to renew their membership or to join this great movement for the relief of those in distress.

## Thirty-Five Turkeys To Be Awarded At St. Mary's Social

Thanksgiving Day Express To Be Wednesday Feature

The Thanksgiving Day express will arrive early at St. Mary's game social this year. Next Wednesday it will steam into town bearing orders for thirty five turkeys which will be distributed to some fortunate persons. The orders in local stores will be given as awards for the regular games. In case of two or three or more players tying for a game, each one will receive a turkey. If the thirty five orders are not all given away at the end of the games, those that are left will be awarded as door prizes. Last year nine hundred and two people jammed the hall at the All Turkey Game Social. This year another record breaking crowd is expected.

Last Wednesday the winners of some of the displays were Mr. John Chivira who received a console radio, J. Leonard, Jr., who received a double barrel shot gun, and John John Connors, Jr., who was awarded a beautiful lounge chair. The Prosperity Prize went unclaimed and next week will soar to \$50.00.

Patrons are urged to save their door stubs. For five of them for five different nights, a gold certificate can be obtained entitling the holder to play in the championship game at the end of the series for the grand prize of \$100.00 cash or \$150.00 worth of furniture.

Range Burners \$9.98, at Mougan's, Stevens avenue and David St. High quality, worth much more and installed by expert mechanics. Tel. 253.

### PROCLAMATION

In accordance with the request of the President of the United States, the Post Office Department is making preparations for a nation-wide census of the unemployed, which will begin next week.

It is imperative that the Post Office Department be given every assistance in order that this census may be made complete and accurate and it is the duty of every citizen to aid.

Therefore, I, Thomas F. Gleason, Mayor of the City of South Amboy, New Jersey, call upon every citizen to co-operate in this important work and lend every assistance possible to furnishing the information which will be requested.

THOMAS F. GLEASON, Mayor.

## Special Services At Christ Church To Mark Anniversary

Reception to Bishop Gardner Will Be Held Sunday Evening

Christ Episcopal Church will celebrate its eighty-fifth anniversary on Sunday with special services to which all members are invited.

The series of services will open with a Corporate Communion of the congregation at 7:30. This will be followed by a service for the Church School and congregation at 10:45.

At 6 P. M., Sunday evening there will be a reception and buffet supper in the Parish House for the Rt. Rev. Wallace J. Gardner, D. D., Bishop of the Diocese of New Jersey. At 7:30 P. M., there will be a Festival Evensong and sermon by Bishop Gardner.

The service will be sung by the Rev. Father Rector; the lessons will be read by the Rev. T. A. Conover, rector of St. Bernard's Church, Bernardsville, N. J., whose family were instrumental in organizing Christ Church and in building the present church edifice and the Bishop will be the preacher.

The church choir of men and boys and St. Cecilia Choir will sing, assisted by violin, under the direction of Paul Zuydhoek, organist and choirmaster.

The order of service is as follows: Prelude—Violin and organ.

Hymn on chimes.

Practical—"March of the Priest"—Menrelsson.

Hymn—"I Love Thy Kingdom, Lord."

Evansong.

Anthem After Third Collect.

Prayers.

Solo—Violin and organ.

Sermon Hymn—"O God, Our Help in Ages Past."

Sermon.

Offertory Anthem.

Prayers and Blessing.

Vesper Hymn—St. Cecilia Choir.

Recessional Hymn—"Ancient of Days."

Postlude—Violin and organ.

All members, former members and friends of whatever church affiliation are cordially invited to attend all of these services.

EDWARD O'CONNOR GETS BIG VOTE

Members of both local political parties are still spending considerable time analyzing the vote cast at the last election and one of the points of the election that is frequently mentioned is the large vote for Justice of the Peace received by Edward J. O'Connor.

Mr. O'Connor, running in the Second Ward received a total of 428 receiving 178 votes in the first district and 250 in the second district.

## BUSKEY ASSOCIATION TO HAVE BANQUET

This week tickets were placed on sale for the banquet to be held under the auspices of the J. J. Buskey Association on Thursday, Nov. 18, at Ronnie's Tavern, Route 35, Morgan Heights.

### PROCLAMATION

The annual roll call for the South Amboy Chapter of the American Red Cross began yesterday, November 11, and will end on Thanksgiving Day.

There is little need for me to remind citizens of our community how vital the Red Cross is in the life of our country. During the past year, both from actual observation and from the accounts of work done which were carried in newspapers, we have seen just how important it is that we have an active agency of the American people to administer assistance when the need arises.

The frequency with which this need does arise has been demonstrated during the past twelve months when we recall the floods and tornadoes, the hurricanes, and the epidemics that have been suffered in various parts of this great country, and the work that the Red Cross has done to relieve distress and actual suffering as a result of these catastrophes. Other but less spectacular work carried on by the Red Cross has been just as important.

The Red Cross comes to us now with another appeal for membership dues that will finance the work during the year ahead. Our Red Cross asks little from the community, yet contributes much to the general welfare of our people.

For this reason, I sincerely urge those who are asked to participate in this great program by paying the relatively small membership, to respond in a spirit of good neighborliness. I hope all will take part in the work of becoming members of the Society.

It gives me great pleasure, therefore, as Mayor of the City of South Amboy, to hereby set aside the designated period as the time when all past members will be asked to renew their membership and for those who have not enrolled before to add their names to the ranks of Red Cross members in our community.

THOMAS GLEASON, Mayor.

## Local Firemen Will Elect New Chief On December 6th

Joseph Triggs Will Succeed Jay Buskey As Head of the Department

The big event in the life of a local fireman will take place on Monday night, December 6, when members of the various companies in the South Amboy Fire Department assemble to pick a new chief.

According to the usual custom, the only contest will be for the office of Second Assistant Chief, since other offices will be filled by the automatic advancement of present officers. To date Edward Moran of the Enterprise Hook and Ladder Company is the only candidate for the post of Second Assistant. At a meeting held recently he was endorsed for this office by members of the company. The usual rumors that a "dark horse" will be entered in the race at the last minute are being circulated, but apparently they have little foundation.

Present Chief Jay Buskey will retire from office on January 1st and Joseph Triggs, of Protection, present First Assistant Chief will automatically become head of the department, while Charles Conroy of Independence Engine and Hose, second assistant chief will be advanced to First Assistant.

Enterprise Hook and Ladder will hold its annual election at the monthly meeting on Thursday, December 2. The candidates nominated at a recent meeting are Frank Brennan, captain; William J. Kennedy, first lieutenant; Leo Ryan, second lieutenant; Jay Buskey, president; Charles Moran, vice president; Michael F. Nagle, treasurer; James A. Minnick, secretary; Arthur Segar, janitor; Steve O'Connor, Thomas Conroy and Thomas Maher, trustees; Edward Moran, delegate to the Firemen's Relief Association for three years; Leo Ryan, J. Raymond Downs, Joseph Timmins, Edward Moran, Michael Sherry, Thomas Buskey, Thomas Maher and Jay Buskey, drivers.

## Promotion Awards For Boy Scouts At Court Of Honor

Members of Troops 91 and 91 Received Merit Badges on Monday Evening

Members of Troop 91 of this city and Troop 94 of Morgan were the recipients of awards for progress in scouting, presented at a Boy Scout court of honor held Monday evening at Hoffman High School auditorium.

The court opened with an investiture ceremony conducted by Assistant Scoutmaster Andrew Peterson. The new scouts are George Kelly, Frank Barkalow, Joe Barkalow, Harold T. Fliskow and William Munk. Mulford Bunting assisted in the investiture ceremony.

Second class certificates were presented by Marshall E. Magee, chairman of the troop committee to Albert Read, Frank Bors, Jr., William Hawes, Thomas Gleason, John Rander and Harold Munk.

First class pins and certificates were presented by Ralph Ellams, president of the Old Timers Association to Carl Dowling and Sidney Wedeen. Merit badges were presented by Carl Skow assistant scoutmaster of Troop 91 to the following: Carl Dowling, personal health, pathfinding, pioneering swimming, rowing; Robert Dowling, pathfinding, rowing, personal health, civics, cycling; Neil Johnson, marksmanship, Berton Lewis, rowing, pathfinding, personal health, signaling, physical development, marksmanship, civics, cycling; Leonard Maxfield, physical development, rowing, William Maxfield, pathfinding, rowing, physical development; Robert Maxfield, rowing, pathfinding, physical development, camping, life saving; Russell Newcomb, pathfinding, physical development, rowing, personal health, civics, swimming, Ernest Smalley, pathfinding; Sydney Wedeen, personal health, physical development, pathfinding, swimming, civics.

Troop 94: Aldrich Guscott, rowing, pathfinding, personal health; Raymond Lawrence, marksmanship, rowing; Jack Lindson, personal health, rowing, pathfinding, marksmanship, physical development; George Mershon, pathfinding, rowing; William Morgan, personal health, pathfinding.

Having attained five merit badges, the following were presented with star scout certificates by Scoutmaster Dill: Russell Newcomb, Sydney Wedeen and Robert Hawes.

Assistant scoutmaster cards were presented by Carl Skow to the following: Clifford Brower, John Dobrynski, Ralph Steiner, Charles Johnson, Raymond Mortensen and Everett Sheppard. Junior assistants presented with certificates were Mulford Bunting and Neil Johnson.

A "Kelly says" game was led by Raymond Mortensen, district commissioner; knot tying relay conducted by Andrew Peterson and a signaling exhibition was given by Burton Lewis and Sidney Wedeen.

## Police Will Help Aid Squad To Check Ambulance Chasers

Work of Organization is Hampered By Curious Motorists

Another instance where ambulance chasers interfered with the work of the First Aid and Safety Squad took place recently.

The members of the squad have detailed members of the organization to take the license numbers of cars driven by the ambulance chasers and these will be turned over to the police.

The practice of ambulance chasing, members of the Squad point out, not only interferes with their work but is hazardous, endangering the lives not only of Squad members but of the ambulance chasers as well.

## Joel Parker Wins Attendance Honors At County Ladies' Night

Past Councilors' Association Organized By Local Members is 25 Years Old

At the Ladies' Night Affair held recently in Plainsboro by the Middlesex County Past Councilors Association, Joel Parker won banners for having the most members of the association present, most friends and visitors present, and if there had been a prize for the most chartered members of the association present, Joel Parker would have won that also.

With over 500 members and their friends of the Middlesex County Past Councilors Association at the annual affair just about one fifth were either members or friends of Joel Parker, Joel Parker having sold more than 100 tickets.

The History of the Middlesex County Past Councilors Association started back 25 years ago, when a member of Joel Parker Council conceived the idea of a County association, explained the idea and on January 9, 1912 the first meeting was held at Charles L. Walters Council 178, Milltown, the originator of the plan having the distinction of being the first county past councilor. This meeting brought out 8 councils including Joel Parker.

In 1914 the awarding of a banner to the council having the most members present at the monthly meetings was started the first in June, 1922 and Joel Parker won it and donated it back to the association to be awarded to that council having the most members at each subsequent meeting. Joel Parker has since won this banner 81 times and at the annual dinners has won it six out of 25 times.

During the existence of the Past Councilors Association three awards have been made: 1. for most members at the monthly meeting; won by Joel Parker 81 times; 2. A banner for the most visitors from any council attending the monthly meeting; Joel Parker has won this 30 times; 3. A horn to the council having the smallest representation present at the monthly meeting; Joel Parker had to take this but 8 times, and only twice during the past 12 years.

That Joel Parker is one of the wide awake fraternal organizations in Middlesex county and the state, is shown by the fact that it still maintains a membership in the 500 class, this mark having been maintained all during the depression; and now with initiation being held on the last Friday of every month, and the County Class Initiation being held in Joel Parker Council on Dec. 17, Joel Parker will try to maintain its superiority in bringing in new members to the association.

## Party Rebuilding Is Discussed By Local G.O.P. Club

Covered Dish Luncheon At Hoffman Club Meeting December 9th

Undaunted by their defeat at the recent elections members of the Hoffman Republican Club held a well attended meeting Wednesday evening when plans for the rebuilding of the party were discussed.

At the next meeting on Thursday evening, December 9th, a covered dish luncheon will be served. Mrs. Tillie Rush heads the committee, assisted by Mrs. Anna Perkins, Mrs. Furman Stratton, Mrs. Clara Buckalew, Mrs. Ada Bloodgood, Charles Bloom, Charles Watson, Dorothy Imman, John Larkin, Huns Miller, Lee Morgan and Eugene Bright.

John E. Mullane, appointed by Mayor Gleason as chairman of the local unemployment survey, this week announced the appointment of the committee which will assist in the survey here.

Postmaster Thomas E. Downs has announced everything in readiness, so far as the post office forces are concerned, and distribution of the survey blanks will be begun by mail carriers on Tuesday.

The purpose of the survey, explained Chairman Mullane, is to gain an exact check of the number of unemployed and their previous occupations, as well as other information that might be helpful in cutting down the number of unemployed.

The work of the members of the general committee, will in the main be to explain to members of various local organizations, the purpose of the survey, and the necessity of including every person, as well as to aid in any way possible to complete the local survey in the shortest time possible.

The members of the general committee are: Anton Walczak, Mgr. E. C. Griffin, D.D., Benjamin Kass, Dr. Frank Farrell, M. C. Bloodgood, R. v. Urbanik, Rev. Harry Weyrich, Rev. Charles Van Horn, Rev. Walter W. Mininger, Rev. John S. Hultzer, Rev. George E. Taylor, Thomas E. Downs, William Bulman, Sr., Elwood H. Brown, Thomas Dohaney, Harry Christiansen, Max Weiss, O. O. Barr, Ray Ketchell, Mrs. Thomas Armstrong, Mrs. E. Robert Owen, Mrs. Thomas Gleason, Lawrence Kenny, Carter Bloodgood, Paul Milburn, John L. Applegate, Mrs. Kathryn Everett, Jay Buskey, Peter Dobrynski, James McGuire, Albert Jerome, John Sharo, John Leonard Andrew Kvist, Simon Skow, Mrs. L. Lusig, Joseph A. Smith, and Councilmen John Zdanewicz, Frank Stanton, Eugene Kress, Harold Fliskov, and Charles Watson.

A meeting of the general committee has been called for this evening at the City Hall by Chairman Mullane.

## Young Women's Club Host At Federation Meeting on Monday

Representatives of Third District Units and Senior Women's Club Guests

Outstanding among the social events held in the city during the past week was the Federation Meeting of Young Women's Clubs of the Third District, with the local as host. The affair took place in the Parish House, Monday evening.

The visitors were greeted by Miss Mary McKeon, president of the club and Mrs. Anna Perkins, club councilor. Other speakers were Mrs. E. Robert Owen, president of the senior Woman's Club and Mrs. William Spencer, Third District music chairman who rendered several piano solos. The Misses Norma and Lilian Johnson rendered a number of vocal and instrumental numbers and Miss Ann Monaghan presented a comic dialogue. This portion of the program was augmented by semi-classical selections rendered by a string orchestra under the direction of Walter Covaletski.

Visiting senior club members were Mrs. F. B. Holman of Matawan, Mrs. Barbara Woods, Mrs. H. T. Edgcomb, Miss Edna Agan, Mrs. B. T. Lambertson, Mrs. James Van Felt, Mrs. Herman Euler, Mrs. P. Miller and Mrs. P. B. Bird.

Representatives of junior clubs of the Third District present were Miss Virginia Chasey and Miss R. C. Bixler of Red Bank, Miss Madeline Egan, Miss Joan Lafave, Miss Claire Lafave and Miss Madeline Caddo of Matawan.

The entertainment portion of the program was in charge of Miss Doris Euler, entertainment chairman and delicious refreshments were served by the refreshment committee under the direction of Mrs. Robert Ahrens.

## Special Catchet For Air Mail Sent From Local Office

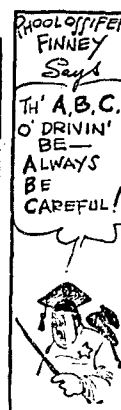

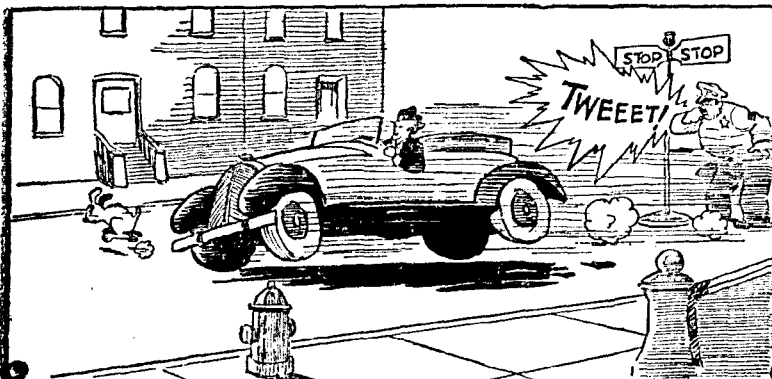

During Air Mail Week From November 16 to 20

Postmaster Downs has announced that the Air Mail Week declared by the Post Office Department from November 16 to November 20, will be of special interest to all local stamp collectors.

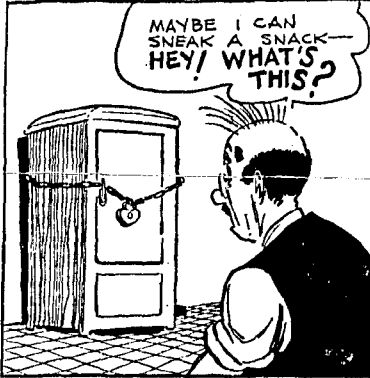

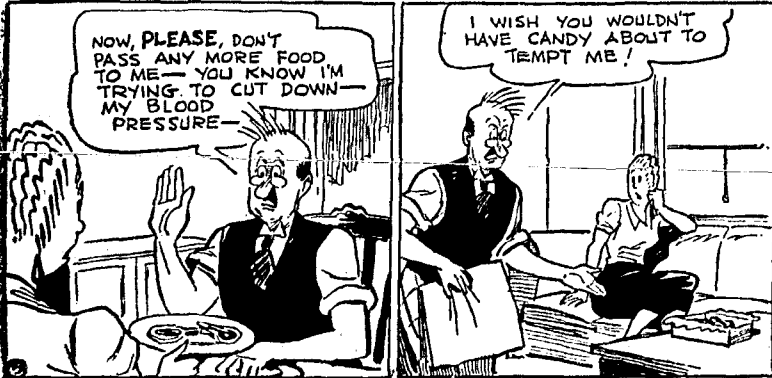

Mail sent from this office will be stamped with a special catchet at Newark on the opening day of the special period. The mail will be picked up here, taken to New Brunswick, then to Haledy field for the Newark office.

The purpose of this special arrangement is to promote the use of air mail by demonstrating its speed. Postmaster Downs has declared all mail so designated must be in the local office Monday night in order that the special catchet be affixed.

The Empire A. C. held their usual weekly dance in the club room last Saturday evening. There was a large attendance which enjoyed the dancing to the music furnished by Burnell's band.

The club is rapidly growing in membership and is gradually branching out into the field of sport. Their football team is already creating a reputation for itself and is becoming the strongest team in this vicinity.

George S. Applegate of South Amboy, one of the Republican candidates for the assembly reported elected the day after election, has been defeated by Richard Galvin, Democrat, according to figures compiled by the county board of canvassers. Mr. Applegate will now ask for recount in the Second district of Woodbridge, where an error of 30 votes in the returns was made, and also the second poll in South Amboy where twenty votes were thrown out.

A number of Italian workmen engaged in the construction of the new road: below Morgan struck at noon on Thursday. There were some twenty men employed by the contractor H. Riddle, of New Brunswick, about half of which were Italians.

On Thursday next, November 18, at 8 p. m. South Amboy Council K. of C. will hold their next regular meeting at which time District Deputy Havill and staff of Red Bank will be present to install the recently elected officers. The lecturer and committee are arranging a social time for all. The entire membership is expected to be present to witness this interesting ceremony after which the District Deputy will deliver an address followed by the usual good time arranged for by committee.

On Tuesday evening a number of young friends tendered a surprise to Master Edward Conover, at the home of his parents, Mr. and Mrs. William Conover of Broadway in honor of his thirteenth birthday. Various pastimes were enjoyed after which refreshments were served. A pleasing feature of the evening was several violin selections by Master Lawrence Barich which were greatly appreciated. At a seasonable hour the little folks left for their homes, wishing Edward many happy returns of the day.

The M. E. Social Club will hold a social in the church basement on Friday evening, Nov. 19. Every woman must wear a calico dress and apron and every man must wear his old clothes and flannel shirt. No man with a boiled shirt or dude collar will be admitted.

Considerable activity in social and civic matters is evidenced by the Woman's Club. Thursday afternoon the members will be entertained by Paul M. Pierson. Mr. Pierson is professor of literature and public speaking at Swarthmore College and has become well known to the public at large through the Chautauqua Association.

"Plantation Days in Song and Story" will be the chief number of the program next Thursday afternoon. It is said to be a treat to hear him in any of his lectures, recitations, etc., but the program for the next meeting is rare indeed.

The Mother's Congress convenes at Trenton today and tomorrow. The club will be represented by Miss Martha Buchanan, Mrs. Alfred J. Miller as delegates, and Mrs. O. O. Barr as alternate.

Some improvements were noticed in Hoffman's Smoke Shop the fore part of this week. A new gas heater has been installed. A new light was put in the dome and the chandeliers renovated.

Frank Hackett, son of Councilman-elect James Hackett of Fourth ward, was brought home from St. Peter's Hospital in New Brunswick on Thursday of this week. Master Hackett was removed to the hospital some days ago for an operation for appendicitis, which was successfully performed.

One of those "gentlemen of the road" called on the Police Justice the other evening with a request for some old newspapers. When asked what he intended to do with the papers the tramp replied that he was going to the City Hall to ask for accommodations for the night and in view of the fact that he had partaken of the hospitality of that place before, he knew what their accommodations consisted of and was therefore preparing himself beforehand. He got the papers and a lecture on the advantages of being something other than one to whom the old adage of "a rolling stone" might well be applied.

State Medical Society  
Warns Hunters Of  
Animal DiseaseJularemia May Be Contracted  
From Rabbits and Squirrels

New Brunswick: With the opening of the rabbit and squirrel hunting season in New Jersey on Wednesday, the reporting of cases of tularemia, a disease of rabbits and

squirrels, may be expected.

The Medical Society of New Jersey, an organization of physicians of the State, offers hunters four suggestions to avoid contracting the disease. These suggestions are: wear rubber gloves when handling or cleaning these animals after shooting them; be suspicious of rabbits and squirrels which are lacking in the natural pep characteristic of them; don't handle rabbits or squirrels found dead; be sure the meat is thoroughly cooked preferably boiled, before eating it.

Tularemia is an infectious, highly communicable disease of squirrels, rabbits, and rodents which can be transmitted to man through any abrasion in the skin when direct contact is made with an infected animal, or by eating infected meat which has not been thoroughly cooked. Thorough cooking destroys the causative organism.

The disease gets its name from the fact that the first cases were reported in Tulare County, California, in 1911. Cases of the disease have been reported in nearly every State in the Union.

The disease renders the patient very uncomfortable, is usually accompanied by glandular swelling, causes a general systematic disturbance, and is occasionally fatal.

## St. Mary's School News

Last Monday, the first meeting of the Royal Greggites, the business club of St. Mary's High School, was held, with Miss Eileen Coakley acting as temporary chairman and Miss Lena Musolino as temporary secretary until the following officers were elected:

President, Eileen Coakley  
Vice President, June Reitz  
Secretary, Anges Coan  
Asst. Secretary, Rita Andros  
Treasurer, Dorothy Schussler

The purpose of the club is to promote interest in the commercial subjects. Committees are being formed to provide a program for the next meeting to be held in November.

American Education Week was getting observed in all classes this week. At a special Assembly held on Friday, the Seniors entertained with a very instructive and enjoyable forum. Those taking part were:

Chairman, Paul Masur. Speakers: John Lyons, Raymond Hoffman, William Hollywood, Francis Nagle, John Mallon.

The Freshmen have been delegated to entertain during Book Week. They have selected a play entitled "The Making of the Dictionary" for which rehearsals are now in progress.

At the annual Halloween Party which rolled along with its usual success in good fun and merry making, prizes for fancy costumes were awarded to the following:

The Most Original: Mary McKeon  
The Prettiest: Joan Farrell, Robert Haourhan, Loretta Astarita.  
The Funniest: Aedan McCoy.

Several members of the faculty took advantage of the holiday on Nov. 1 and spent the day observing in schools in Perth Amboy and Bayonne.

The Sophomores were made happy and wiser last week with the distribution of the latest revised edition of Tressler's "English in Action." "Good English in Action and Poor English Out of Action" is their slogan for the month.

Much interest has been manifested in the thirty new pictures lately hung in the corridors of the school. The pictures show the exterior and interior of many famous cathedrals and edifices abroad. The Tenth Year Latin class spent an enjoyable period inspecting the pictures and listening to an explanation by their teacher who had visited in person most of the places.

### "SPIRITUAL LIGHTS"

I believe in God, the Father Almighty. This first article of the Apostle's Creed expresses our belief in a Supreme Being. The existence of such a Being can be inferred from the visible world around us, by our reason. As St. Paul says in his first epistle to the Romans: "For the invisible things of Him, from the creation of the world, are clearly seen, being understood by the things that are made." The Psalmist also tells us: "Only the fool hath said in his heart: 'There is no God.'" Even the pagan, Cicero admitted there was a Supreme Being, for he said, "When we contemplate the heavens, we arrive at the conviction that they are all guided by a Being of supreme skill."

The wonderful order and harmony of the Universe also portrays this fact. If a ship sails on its way and arrives safely at its destination, we conclude it has a clever pilot. To say that the stars of the heavens of themselves it would be to say that the ship had started from New York, sailed around the

world, and returned safely without anyone to guide it. Moreover, universal consent is a work of truth. We see among all nations then, even the most degraded, an invariable worship of some kind of deity. They might not have walls around their towns. They might not have rulers. They might be without laws, but never without some sort of temple, some form of worship. Even further we find in all human beings, a conscience, which approves their good actions and rebukes their wrong doings and makes them fear punishment for secret sins. This fact also points to the existence of an invisible Law Giver, to Whom man is responsible.

However, the ultimate proof of the existence of a Supreme Being is derived from God's own Revelation to man. St. John says in the first Chapter of his gospel, "No man hath seen God at any time; the Only-begotten Son who is in the bosom of the Father, He hath declared Him." All through the Holy Scripture God is named and His works extolled. "In the beginning God created Heaven and earth." Genesis. On Mount Sinai, He said to Moses, "I am the Lord your God, Thou shalt not have false gods beside Me."

Yet our knowledge of God with all of His manifestations, cannot give us a complete understanding of the nature of God, because God is infinite and we are finite. At best we can only give an imperfect and incomplete explanation. It remains for us to adore Him as our King and Lord and obey Him as our best of Fathers.

## Daniel Salmon, Sr., Funeral Services Held on Wednesday

Daniel Salmon, Sr., retired Pennsylvania Railroad tugboat captain, a former resident of this city, died at his home, 179 Baldwin street, New Brunswick, Sunday.

Funeral services were held on Wednesday morning at 9:45 from the residence and at 10:15 at Sacred Heart church, New Brunswick. Interment was in St. Peter's Cemetery, New Brunswick.

After residing here a number of years, Captain Salmon moved to Cliffwood following a fire which destroyed his home at the corner of Stevens avenue and Main street. Six months ago the family moved to New Brunswick.

For forty-four years, the deceased was a tugboat captain and two years ago retired from active service.

Surviving are his wife, Mary J.; a daughter, Molly Elizabeth; a son Daniel Knox Salmon; a brother, Patrick, of this city; two sisters, Mrs. Trinor Rouse of South River, and Mrs. Michael, of Trenton; also two grandchildren.

Funeral Rites For Ernest Spiecker Were Held Here Yesterday

Following a short illness, Ernest Spiecker, died at his home, 429 Wilmont street, Monday morning.

The funeral was held yesterday afternoon from his late home at 2 P. M. with the Rev. Charles Van Horn of the First Presbyterian Church officiating. Interment was in Christ Church cemetery.

Besides his wife, Mrs. Mary Spiecker, the deceased is survived by two daughters, Mrs. Augustus Mehrlander and Mrs. Bernard Ackerman of South River, two sons Charles and Theodore and 14 grand children.

FREDERICK DEIBERT ON HONOR ROLL AT PREP

Frederick Deibert, son of Mr. and Mrs. Henry L. Deibert of Catherine street, was listed on the Honor Roll for October of the Rutgers Preparatory School. Headmaster Stanley Shepard, Jr., announced today.

## ARMY WILL ENLIST FOR HAWAII SERVICE

Sergeant John S. Williams in charge of the local Army Recruiting Office in the Post Office Building Perth Amboy, has been notified that 400 enlistments are to be made for service in the Hawaiian Islands. Applicants enlisted for this service will be assigned to the Infantry, Field Artillery, Coast Artillery, Engineers, Quartermaster Corps, Air Corps, Chemical Warfare Service, and the Medical Department. In addition to the enlistments for Hawaii, a number are authorized for the Panama Canal Zone, and for the various Army Posts located in the Second Corps Area.

Those enlisted will be forwarded to the Overseas Recruit Depot, Fort Slocum, N. Y., where they will await sailing on Army Transports scheduled to leave New York for Hawaii on Nov. 27 and Dec. 28.

In the process of manufacture shoes go through 150 different operations.

## Monroe Township Will Commemorate Century Anniversary

### History Will Be Compiled With Federal Writers Co-Operation

The 100th anniversary of the incorporation of Monroe Township will be commemorated by the publication of a history of the locality, it was decided at a regular meeting of the Township Committee.

The township fathers, John D. Butcher, Walter Chamberlain and John H. Fortsch had been meeting with representatives of the Federal Writers' Project for some time, and after a complete discussion as to the contents, scope and style of the proposed book the committeemen voted to authorize the writing and publishing.

The Federal Writers' who have just completed a similar book for the borough of Dunellen, have already installed a staff in the township police headquarters. Research will be carried on in the township, at Rutgers University, and in Trenton in an effort to trace ownership of land from the first settlement of the township in the 17th century to the present. A complete picture of the agricultural, industrial and social life in the municipality will be depicted both in words and in photographs. Many photographs have already been taken by the staff photographer, and the committeemen voiced their approval of both subject matter and technique.

Inasmuch as the volume must be off the press by the celebration date, February 23, 1938, the Writers are planning to put a force of seven persons in the field. Others will work in New Brunswick and Trenton.

In a discussion of methods of getting information and photographs of the township in the past, it was suggested by the committeemen that many of the residents of the township might have information and illustrative material that would prove valuable in the compilation of the history. Mr. Butcher, chairman of the committee suggested that since the Writers would be working at the police headquarters, it would be easy for residents to offer their aid. He further added that he was sure that the citizens would be anxious and willing to do all in their power to make the book a success.

When asked by representatives of the Writers' Project whether the workers would need any identification when they called on the residents of the township, the committee said that in a community as closely knit as theirs, everybody would know of the book in a very short time and that the research workers would be welcomed.

## TELEPHONE DIRECTORY DELIVERY STARTED

Delivery started this week of more than 112,000 copies of the new telephone directory for Union, Morris, Somerset and Middlesex Counties, the New Jersey Bell Telephone Company reports. Nearly ten percent of the listings in the book are entirely new, and in all about 45,000 changes of one sort and another have been made. Exclusive of the yellow page classified business section, the new telephone directory is a 380,000 word volume, a few pages larger than the one which preceded it.

Noted Lake Geneva Landmark.  
 The late-Gothic church at St. Saphorin near Vevey is one of the most noteworthy historical landmarks on Upper Lake Geneva, Switzerland. This village rises directly above the lake border, and the Geneva highway, which proceeds this way toward the Rhone valley and the Simplon, has to practically force its way through the lines of ancient houses. The location, the archways of stone, and the cobblestone thoroughfares are reminiscent of Gandria near Lugano. The church has three naves with artistic late-Gothic ceilings.

Antipodeans Conserve Trees.  
 Three million acres of forest in the mountainous country of New Zealand form a reserve by an order issued at Wellington. Within this reserve no trees may be cut down. The action has been as a protection for native birds that can live only in the woods and also to prevent floods from becoming more of a menace than they are. Several large rivers flow from this rugged forest land.

Nile Dam 60 Feet High.  
 The great Gebel Aulia dam on the Nile south of Khartoum is four miles long, sixty feet high and affects the level of the White Nile for 300 miles.

## New License Plates Are Ready at Local Kurowsky Agency

Owners Urged to Secure 1938 Plates Early

Local Motor Vehicle Agent Frederick Kurowsky has announced license plates for the year 1938 are now on hand and may be secured by car owners.

Mr. Kurowsky has requested all those who can do so to secure license plates as early as possible before the usual end of the year rush takes place.

The local agent has made special arrangements to take care of this additional business and has announced that those who make application for license plates now will be put to no inconvenience and the long delays which it is impossible to avoid later, will not be encountered.

## LOCAL PEOPLE ARE PRIZE WINNERS AT CRAFTSMEN SOCIAL

Another in the series of parties will be conducted Monday night when again a number of beautiful prizes will be awarded as well as three big cash prizes.

## Eases Burned Woman's Pain While Summoning Physician

Helen Nelson, supervising operator at the Leonia, N. J., telephone exchange, has been officially cited by the New Jersey Bell Telephone Company for the timely aid she gave a telephone subscriber recently. When the woman, obviously in pain, called for the Englewood Hospital and said she had burned herself badly, Miss Nelson supervised the connection and when the conversation ended called the subscriber to see if further help could be given.

The woman said she wanted a doctor in Palisades Park, but couldn't remember her name. Miss Nelson named the doctor, promised to try to reach him, and meanwhile suggested that the woman use olive oil on the burns. Then she called the doctor's office, received assurance he would start immediately, and again called the subscriber, this time reaching a policeman sent to the house by the hospital. The doctor arrived shortly. Next day the woman called the exchange to thank Miss Nelson for her help.

The doctor arrived shortly. Next day the woman called the exchange to thank Miss Nelson for her help.

The woman said she wanted a doctor in Palisades Park, but couldn't remember her name. Miss Nelson named the doctor, promised to try to reach him, and meanwhile suggested that the woman use olive oil on the burns. Then she called the doctor's office, received assurance he would start immediately, and again called the subscriber, this time reaching a policeman sent to the house by the hospital. The doctor arrived shortly. Next day the woman called the exchange to thank Miss Nelson for her help.

## Progressive Fire Company Auxiliary Award Next Week

Mrs. William Inman was the blanket winner in the weekly award held this week under the auspices of the Progressive Fire Company Ladies Auxiliary blanket club.

Next Thursday the Auxiliary will hold the annual turkey award in connection with a card party to take place at the Progressive company's headquarters.

## LIONS PLAN FOR COMING GAME SOCIAL

Plans are rapidly nearing completion for the game social to be held by the South Amboy Lions Club at Burleys Restaurant at Laurence Harbor, on Saturday evening, December 4th.

Co-chairmen of the committee are Otto Doucha and Howard Leary and there will be twenty five games with twenty valuable prizes awarded.

## WOMAN'S CLUB MEMBERS WILL FORM GLEE CLUB

A meeting of all members of the South Amboy Woman's Club to discuss the formation of a glee club as an auxiliary to the Club, will be held at the home of Mrs. C. Leon Cozzens, on Main Street, Monday afternoon, November 15 at 2 P. M.

All members of the club interested in the formation of an organization of this character have been invited to attend.

Robert Stageman was taken to the South Amboy Memorial Hospital Tuesday afternoon, suffering from a cut forehead received while he was performing his duties at the American Agricultural and Chemical Company.

Plant Eats Frog.  
 The usual diet of the Venus fly-trap consists of flies and other small insects which are caught and digested when they touch the sensitive "fingers" of the plant. But when it is really hungry this strange plant will even eat a frog. The fly-trap grows profusely in the region of Wilmington, N. C., and a florist searching the woods for some plants came upon a fly-trap which had seized a small frog in its "jaws." The frog was only a youngster, yet it is remarkable that the plant had sufficient strength to clutch it until the frog was dead.—Popular Mechanics Magazine.

## FARMERS WON'T JOIN LABOR

Anybody who surmises that there can ever be an effective Farmer-Labor Party in this country should ask a few farmers how they would feel if confronted with a union demand for higher wages in harvest time, on penalty of letting their crops rot. The Committee for Industrial Organization says it is going to organize farm workers on an industrial basis. The farmer may sometimes sympathize with labor, but not at the expense of his own pocketbook. Nobody in the world is quite so pocketbook-conscious in his civic reactions as the farmer.

There are some communities where farm labor conditions are oppressive, but this is hardly ever true except in certain share-cropping areas and in those places that have brief seasonal employment, largely in the picking of fruit and vegetables. By and large, farm labor is well treated, in comparison with the standard of living of the farmer himself. The hired man dresses as well as the farmer, maybe better, and eats as well. The farmer will bitterly resent any effort to make him pay more wages. If Mr. Lewis wants the continued subservience of Congress and of politicians generally, he had better avoid provoking the farmer by trying to unionize his labor.

## THOSE WHO CREATE

Without an economic system which offers rewards to those who work and create, America would not be setting the pace for the world.

That is the belief of Charles R. Hook, president of the American Rolling Mill Company. In an address before the American Life Insurance convention in Chicago, he said:

"When you look at your alarm clock you see only the hands and figures on the dial. You do not see that main spring, or that tiny motor, deep down inside.

"There is a main spring deep down inside America too. It is the incentive to work and create, to share in the profits of one's work.

"Without this incentive to the individual America would not have developed her natural resources; we would not have our great factories, our magnificent public institutions and our high standard of living."

As proof that the American incentive system has worked, he pointed out that the United States today has 71 per cent of the world's automobiles, 58 per cent of its telephone and telegraph facilities, 50 per cent of its radios and 38 per cent of its railroads.

## GOVERNMENT AND BUSINESS

There is no reason to believe that sober-minded business men are looking to the government now for an act of omnipotence or the performance of a feat of magic. What business really needs, as it attempts to check the recession which is now in progress, is not some new kind of unexpected intervention by the government, but rather a lifting of unnecessary handicaps which government has already imposed upon it.

Some of these handicaps are to be found in regulatory measures which have overshoot the mark of protecting the public interest and become essentially punitive in character. Others are to be found in the crushing weight of taxation under which business is now forced to work its way uphill.—New York Times.

## Rickshaw Invented in 1869

The rickshaw is not such an old conveyance as most people imagine. It was invented in 1869 by a certain Yosuke Izumi, who, with typical Japanese quickness to imitate a foreign product, modeled it after one of the first imported carriages. The early rickshaws were extremely noisy, clattering over cobblestones with iron-rimmed wheels. Later rubber tires were introduced. The rickshaw quickly gained popularity, ousting the palanquin, the former mode of conveyance, just as it has, in turn, been ousted by the modern taxi.

## The Cook Islands

The Cook islands are in the middle Pacific, 1,800 miles northeast of Wellington. The natives are so completely Christianized—so quiet, orderly, and gently mannered—that they have no attraction for visitors. Thirteen of the largest islands have a total population of approximately 10,000 intelligent, amiable, and hospitable Polynesians and about 250 non-natives, white, yellow, and black.

## Wedding Ring on Third Finger

The custom of wearing engagement and wedding rings on the third finger of the left hand originated in an ancient belief that a very delicate nerve runs directly from that finger to the heart.

## Across the Continent

## Advised Universal Sleep

Hawthorne once ironically prescribed a universal slumber as the only cure for the world's overstrained nerves: "This is the only method of getting rid of the old delusions and avoiding new ones—of regenerating the race so that it might, in due time, awake as an infant out of dewy slumber—of restoring the simple conception of what is right and the single-hearted desire to achieve it."

## PIPE DREAMS

By Nick-o-Time

Yesterday, as you know was Armistice Day, and veterans here, as they did in all parts of the country, celebrated the day most of them by recalling the days of '17 and '18 when they were members of the khaki clad army that helped win the big scrap. There are some stories that weren't told, however, because they were forgotten or for other obvious reasons.

A now well known business man of the outskirts, came over here from Poland a number of years before the war, and before settling in this section, had jobs in Long Island and Pennsylvania, always with Polish people as his fellow workers, with the result that he never got around to slinging English.

They took him in the army and while fighting Germans with the American army in France, this Polish lad learned to talk English.

Then there was the time, right after the boys started coming back home, when a local minister who was staging a social in his church, thought it would be a splendid idea to put a military flavor into the program and asked one of the veterans of his congregation to give a short talk about the war. He approached another vet, saying he had heard many of the returning boys talk about that famous song, "Hinky Dinky Parlez Vous" and suggested that he sing it as another feature of the entertainment.

The minister had naturally never heard the words of the song, he knew only that it was the theme song of the A.E.F. and couldn't understand why the former soldier, who was a good singer and always ready to answer a request to perform, continued to refuse to sing the song at a church social.

Shortly after the scrap ended "over there" the Legion held services at the various local cemeteries on Memorial Day and a well known Jewish veteran marched in the parade.

When they came to the cemetery, he dropped out of the parade, just as the band started playing. When someone asked him later why he did it, he explained that the band had started playing "Onward Christian Soldiers," but had made no mention of him.

There were lots of interesting things in connection with the last election. Probably the most interesting thing was the fact that a local automobile dealer was the self-appointed campaign manager of a candidate for Justice of the Peace, who didn't know he was running. Quite a few votes were cast for the candidate but the campaign was unsuccessful, since the manager did all his campaigning in a district in which the candidate is not a resident.

And that election was such a surprise that it set everything topsy-turvy. Why, do you know that on the following afternoon, things were so mixed up in town that a horse and wagon ran into an automobile at the corner of Broadway and David street.

We will all permanently lose our equilibrium if we have another election like that one.

There's a rumor which apparently has some foundation, that the local A. L. organization will be disbanded to be supplanted by Amazon Post No. 1, with the present members of the A. L. Post as an auxiliary.

"Love Me Forever," the gas house Romeo, represents to his steady that he's true and faithful and all the other things girls like to think about their boy friends.

However, besides spending much of his time in front of a Broadway thrashatorium, he goes places nights and does things. For instance, Monday morning at 1 o'clock he gave a demonstration of one-armed driving down Henry street, with a Perth Amboy girl in the car and he didn't stop, in fact, hardly slowed up at the Stevens avenue corner, he was that interested.

We're used to people raising a stink around election and don't pay much attention to it; but when a politician's auto raises a stink around election—that's news.

The car of a well known politician pulled out of the county garage on Stockton street, morning after election and if the engine had been noiseless and the gears likewise, you still would have known the car was running because of the odor.

For days the car was running around with a liberal chunk of limburger cheese fastened to the manifold.

South Amboy Citizen:

In the copy of last week's Citizen, the people of So. Amboy were led to believe that I got scolding for nothing, when the neglected hedge in the Fourth Ward was trimmed.

Now I hope to ease the minds of the concerned party when I tell them that the hedge was trimmed by the owner.

## More Than 90% Of Rutgers Students Are Jersey Residents

Largest Delegation, 326 Come From Middlesex County

Although 13 states and one foreign country are represented among the student body of Rutgers University, more than ninety per cent of the students are residents of New Jersey, it was revealed this week by enrollment figures made public by Luther H. Martin, registrar. Of the 1,545 registered students, 1,399 claim New Jersey as their home state.

Rutgers, the State University of New Jersey, draws students from every one of the 21 counties in the state, with the largest delegation, numbering 326, coming from Middlesex County in which the college is situated. Essex County has the second largest number with 201, and Union County is third with 180. Bergen County, with 118, and Hudson County, with 115, are the only other counties with more than 100 students at the University.

Of the out of state residents, 103 come from New York State and 14 from Pennsylvania. Other states represented in the student body are Connecticut, Delaware, Florida, Georgia, Illinois, Maryland, Massachusetts, New Hampshire, Ohio and South Dakota. Albania is the only foreign country represented.

Rutgers enrollment has increased almost ten per cent over last year, Mr. Martin announced. Last year there were 1,398 students registered on Nov. 1, 1936 less than this year's figure. The enrollment is the highest it has ever been at Rutgers with the freshman class of 541, the largest in history, being the chief reason for the increase, according to Mr. Martin.

## MORE STREET WORK IS NOW COMPLETED

Further work in the street improvement program was completed this week and improvement of several other streets was begun by the W.P.A. forces.

Oil treatment was placed on center street from Feltus to Cedar, grading of Elm Street was completed, curb and gutter laid on Cedar street between Washington and Center Street and curb was laid on Conover Street.

## Tigers Will Meet Perth Amboy Nomads Sunday Afternoon

Local Gridders Favored To Beat  
Cross River Eleven

This Sunday the Tiger A. C. football team will meet the Perth Amboy Nomads at the Waters Stadium in Perth Amboy. The game will start at 2:30 and will give local gridders fans their first opportunity to see the local team in action in this immediate vicinity.

The Tigers are favored to win the battle since they defeated Red Bank 6-0, while the same team secured a 12-6 win over the Nomads. The Tigers have been going well this season with victories already chalked up over Leonardo, Red Bank, Fort Monmouth and Fort Hancock. Last Sunday when they met and defeated the Fort Monmouth team 26-0, they showed a potential strength that it is believed will carry them to victory over the Perth Amboys.

## Warren Assures Licensed Hunters Unusual Season

Wardens Report Birds and Game  
In Excellent Condition

Trenton: President George C. Warren, Jr., of the New Jersey State Fish and Game Commission, has announced that licensed hunters may anticipate an unusually satisfactory season on rabbits, pheasants and quail as the upland game season opened Wednesday and continues until December 15.

Liberation of thousands of rabbits, quail and pheasants by the commission during the past year, and the ideal weather conditions during the summer which promote natural increases in the fields of our wild life, will provide sportsmen with many thrills and full game bags, Commissioner Warren declared.

Game wardens report that both birds and game are in excellent condition and plentiful throughout the State. Game management programs which are well underway on New Jersey's nine public hunting and fish grounds located in various sections of the State, have increased materially the game population of the State.

Thousands of sportsmen who are planning to take to the fields and woods on the opening day of the 1937 season were urged by Commissioner Warren to utilize the utmost caution to prevent hunting accidents, so that the excellent record of the State maintained in past years may be continued. Sportsmen were especially requested not to hunt within range of the various Federal work project camps throughout the State.

Licensed hunters were requested to comply with all game laws while in the field. Rabbits, hares, male ring-neck pheasants, ruffed grouse and squirrels will be in season throughout the State from November 10 to December 15 inclusive. The shooting of female pheasants is prohibited the same period, except in Warren, Passaic, Bergen, Sussex, Morris, Essex, Hudson, Union, Somerset and Hunterdon counties.

The daily bag limits include ten quail, six rabbits, six gray squirrels, three ruffed grouse, two male pheasants (30 in season). Each hunter must conspicuously display on his outer clothing the button bearing the same number as his license.

## DIAMOND DUST

By Joe Charnello

The Tigers have been performing brilliantly on the gridiron lately, but we noticed a flaw in their passing attack. When their passer tosses an aerial he always watches one man. In other words, they always have a "picked" man. No matter how closely guarded their "picked" receiver is, their backs always throw the ball to him. During the Fort Monmouth-Tiger game this corner noticed at various times that several players were in the clear, yet the passer disregarded them, simply because he had his eye on the intended receiver. If their backs took more time with their passes and watched the entire playing field, we believe better results could be attained.

We have seen some boners pulled but we have yet to see one compare with the one Barney Roberts pulled last Sunday at Fort Monmouth. Roberts was peering out of the corner of his eye, sneaking to the sidelines, hoping that no Soldier player would notice him. He was about to pull the old "sleeper" trick. He reached his destination but was awakened from his dream when he heard the bystanders laughing at him. To his surprise Fort Monmouth had possession of the ball. The Tigers had relinquished the ball on downs. It seems as though he tried to pull a sleeper play on the opposition, but they caught him asleep.

Notice that Arky's Pive scrimmaged against the Lewis A. last Sunday and report has it that Arky's men showed the Cozy Corner boys how basketball should be played. From the workout we noticed that Sid Englehart is a classy floor man, but he reminds you of a cowboy when he shoots the ball. A meeting of city basketball managers will be held at Dick Lewis' Cozy Corner on Sunday morning to discuss a possible city league. Tom Geant is on the comeback trail with Arky's Pive.

Who said the Tigers would lose every game they played if Harry Dieker was out of the lineup? A Fort Monmouth soldier told us that the reason the Tigers won the game so handsily was due to the fact that the Fort's regular team was in maneuvers in Texas. A poor excuse is better than none. The Nomad-Tiger game should be a thriller, providing George Stader is back in harness for the game. If he can be pried loose from that soda fountain, he'll play Sunday.

Because they played football when they were not to, Joe McCarthy, Bill Ryan, Bill O'Leary and Walu Kelly did not perform with the Blue and Gold court team this year. Business pertaining to the suspension of the above athletes was introduced to St. Mary's A. A. recently and the directors voted to suspend the boys until the beginning of the new year.

If this suspension is not lifted, the Saints will be lucky if they win a game.

Just imagine: Pete Pavich or Bully Budniak breaking a finger in a basketball game. The Tigers without Harry Dieker—Romcos without Ed Jankowski. The Lewis A. A. without their high scoring ace Frank Bulman. Pat Dugan without any feet at all.

This corner is of the opinion that Ruth Isley possesses all qualities of a perfect cheer leader. If she tries for a cheer leading berth, you can bet your last nickel that the Governor rosters will be more interested in the cheer leader than in the basketball performances.

## Rutgers With Hopes Of Championship Gone Prepares For Ohio

Scarlet Hopes To Swing Back In  
Win Column After Lafayette Defeat

With the Middle Three Championship now beyond their reach, Rutgers' gridmen turned to intensive preparations this week for Ohio University's invasion of Nelson Field, determined to swing back into winning stride after losing to undefeated Lafayette.

Overconfident when they took on the Leopards Saturday, the Rutgers men were jarred by a sustained Lafayette drive in the third quarter that led to shattering the undefeated record of the Leopards, the Scarlet had to be content with being the first team to score upon them this season as a result of the 13 to 6 defeat.

Ohio University's gridmen who will come as the second intersectional rival of the year for Rutgers, defeated Cincinnati decisively by 19 to 0, bringing their average up to .500. But the somewhat luckless Scarlet will start against the underdog in point of record, for Rutgers has won five games while losing only to Princeton and Lafayette.

Big Bill Tranavitch again was the main cog in the Rutgers machine as he led the Scarlet attack and played his usual strong game on the defense. He was responsible for the lone touchdown of the season against Lafayette when he intercepted a Marquis pass in the first five minutes of play and dashed 82 yards to score. Equally as brilliant in the Leopards attack was Tommy Kearns, punitive quarterback, who outpunted the Rutgers kickers all afternoon and matched the early Rutgers score by a 64 yard touchdown run late in the first period.

Lafayette's passes proved the nemesis for Rutgers in the third period and helped the Maroons down the field to the 23 yard line. Hal Simmons, Leopard end, then snared two successive passes and scored on the second one. Kearns accounted for the extra point, receiving a pass from George Lentz. Rutgers later drove down to the Lafayette six yard line but lacked the spark to push to the goal line.

## Tigers Trip Up Fort Monmouth By 26 to 0 Score

Butch Partridge Assumes "Red Grange" Role for Local Team

With Butch Partridge playing in the role of a Red Grange, the Tiger gridders rose to great heights in the Monmouth football conference last Sunday when they tripped the Fort Monmouth eleven by a 26-0 score. It was their third straight victory and their fourth win of the year.

Butch Partridge, former Blue and Gold halfback, was the outstanding player on the field. He thrilled the bystanders time and time again with his end runs. Bill Post was not as brilliant as Partridge, but his yeoman accomplishments could not be overlooked. The game was not more than five minutes old when he ran a punt back 35 yards for the Tigers first score. The try for the extra point was not made. Score 6-0.

In the second quarter, Partridge increased the Tiger score when he skirted his right end for eight yards and went over for the second score. Cassidy bucked the line for the extra point. Score 13-0. Near the ending of the first half, Partridge made his second touchdown of the period when he again hit the right side of the line and made the score 19-0. Post converted on a nifty drop kick. Score 20-0.

In the third period the Tigers scored their last touchdown when Cassidy tossed a pass in the end zone to Joe Scrittoro who made a catch and increased the score to 26-0. The try for the extra point was frustrated. In the final period neither team scored.

As has been the case in previous games, Harry Dieker stood out in the defense. He was in the Fort Monmouth backfield throughout the entire game.

This Sunday the Tigers will play the powerful Nomads of Perth Amboy at Waters Stadium. Stader may play Sunday, but Don Worden will not play again this year. He received a broken collar bone during Sunday's fracas.

## HI-Y MEMBERS HEAR TALK ON VOTING

Fred Reese, member of the Hoffman High School faculty addressed the members of the Hi-Y Club at their meeting held recently in the Y.M.C.A. parlors. Mr. Reese devoted his talk to the importance of voting and how to vote.

## Lewis A. A. Loses To P. Amboy YMHA Wednesday Night

The Lewis A. A. suffered the first defeat of the season Wednesday evening when they met the Perth Amboy Y. M. H. A. team on the latter court and were defeated 41-33.

The local quintet was in the lead at the half 20-17 but a scoring spree in the second half put their opponents at the front with a sufficient margin to annex the honors.

Fish, former captain of the Gettysburg College basketball team, made his first appearance with the local combine, but owing to the fact that he had been away from the game for some time was not up to his usual form. However he is expected to be a big asset to the team in future games.

Tomorrow evening the Lewis team will meet the Perth Amboy Pulaski Men's Club at Pulaski Hall in that city.

## NEW BOWLING LEAGUE FORMED AT Y. M. C. A.

A third bowling league has been organized at the YMCA here to be known as the "Community League" and composed of beginning bowlers, or those with a limited amount of experience.

Eight teams are entered: Brennan's Colts; Fitz' Smoke Shop; Penny Stores, Charles Komar's, Perfect Vest, Top Hats, Rotary Club No. 2 and C. & R. Trucking.

Frank Brennan is president of the new circuit and Alex Szabolksi is the secretary.

## WILL PLAN FOR CITY COURT LOOP

The formation of a city basketball league will be discussed at a meeting called for Sunday morning at the Lewis A. A. Headquarters, No. 169 Broadway.

All teams desiring to enter the proposed league are urged to have representatives at this meeting.

## EASTERN STAR HAS CARD PARTY TONIGHT

This evening at the Masonic Temple on Main street, Mrs. Sarah Clayton's Unit of the Order of the Eastern Star will conduct a public card party.

Refreshments will be served and a large number of prizes will be awarded.

## Tustin Club Boys Spectators at Little Army-Navy Game

Forty-Eight Boys Enjoy Trip  
Sponsored by Local Lions

Yesterday forty eight members of the Tustin Boys Club were the guests of the South Amboy Lions Club at the Little Army and Navy football game held in the Municipal Stadium at Philadelphia. The boys also visited Independence Hall. The trip was made by bus. The boys were in charge of James Tustin, founder of the club.

Members of the party were George Kelly, Sheldon Mundy, Marlin Mundy, Walter Wojciechowski, Kenneth Wojciechowski, John Scully, Harold Scully, Anthony Deluccia, Raymond Lauritson, Waldo Green-span, Raymond Septor, Andrew Dobrenski, Lindey Henry, Edward Buckalew, Robert Sprague, Russell Newcomb, Wallace Wood, Burton Lewis, Eugene Gatz, Charles Ham-mel, Clarence Bubaltz, Henry Orndorff, Verlyn Orndorff, Harold Murphy, Morton Goldschmidt, Edward Parisen, Elmer Parisen, Sheldon Newmann, Frank Montenero, Donald Richmond, George Point, Sigmund Springie, Milton Bloodgood, James Kelly, Alfred Mullin, Salvatore Montenero, Walter Szraga, Francis Seaman, William Lieke, Albert Sorrentino, Edward Morgan, Earl Marks, John Kelly, John Kvist, Arthur Spratford, James Broken, Harold Dennen.

## Rabbit Supper Will Be Held By One Thirty Club

George Cronce Named For  
President At Last  
Meeting

To celebrate the opening of the hunting season, members of the One Thirty Hunting Club will stage a rabbit supper at Brennan's Grill, Tuesday evening, the rabbits furnished by the members. Frank Minnick is chairman of the committee, assisted by Frank Ryan, Ray Stanton and John Keating.

At the last meeting of the club a large delegation of members of the Lynceoff Club of Red Bank were present as guests. The nomination of officers resulted in the naming of the following candidates: George Cronce, president; James Bloodgood, vice-president; Luke Lenahan, treasurer; and William Brennan, recording secretary.

The election of officers will take place Friday evening, Dec. 3.

Many Species of Monkeys  
There are about 250 species of monkeys. In parts of India monkeys are worshiped as gods. They are allowed to pull up farmers' plants, overrun temples and do whatever damage they desire, all without punishment. No native would dare lift his hand against these "gods." Monkeys differ from apes. The former have tails, the latter haven't.

Apple Chemistry  
As an apple ripens there is a loss of its starch and acidity and a gain in its sugar content. The original green color of the skin in many varieties develops a bluish, stripe or solid red color and the flesh grows softer as the apple matures.

Meaning of "Home"  
To the ancient Egyptians "home" had a threefold meaning: there was the home of the god, the home of the dead and the home of the living. The first and the second absorbed most of the people's interest and energy.

## The How and Why of the National Unemployment Census

A nation-wide census of all unemployed and partially unemployed persons in the United States will be taken between the dates of November 16 to 20, by act of Congress, and at the direction of President Roosevelt.

Here, in question-and-answer form, is the information you need to know about this plan.

1. WHAT IS PURPOSE OF THE UNEMPLOYMENT CENSUS?  
To get an accurate count of the unemployed and partly unemployed.
2. TO WHOM WILL CARDS BE SENT?  
To every family in the United States.
3. UNDER WHOSE AUSPICES IS THE CENSUS BEING TAKEN?  
Congress has decreed, and the President has directed, that it be taken.
4. IS THE CENSUS COMPULSORY?  
No. But every unemployed or partly unemployed person is urgently requested to cooperate.
5. HOW WILL THE CENSUS BE CONDUCTED?  
Through the facilities of the Post Office Department. Report Cards will be delivered to every family. Cards are to be returned by mail to Washington for tabulation and analysis.
6. WHEN WILL THE CENSUS BE TAKEN?  
Cards will be delivered on November 16 and must be returned by MID-NIGHT NOVEMBER 20. They are already addressed and no postage is required.
7. WHO SHOULD FILL AND RETURN CARDS?  
Every person who is unemployed or partly unemployed who is able to work and wants work.
8. WHAT AGE LIMITS APPLY?  
There are no age limits except existing State regulations concerning workers' ages.
9. SHOULD MORE THAN ONE UNEMPLOYED PERSON IN A FAMILY RETURN A CARD?  
Yes. Every unemployed member of a family should fill out and return a card, if able to work and seeking work.
10. WHERE MAY ADDITIONAL CARDS BE OBTAINED?  
At any post-office or from your postman.
11. WHERE CAN INFORMATION BE SECURED IN FILLING OUT CARDS?  
At your post office or from your postman.
12. IS THIS CENSUS CONFINED TO AMERICAN CITIZENS?  
No. All permanent residents of the United States are included.
13. IS THE INFORMATION GIVEN ON THE CARDS TO BE CONSIDERED CONFIDENTIAL?  
Yes. This information will be used for unemployment statistics only.
14. SHOULD EVERY QUESTION OF THE CENSUS CARD BE ANSWERED?  
Yes. To obtain the most accurate information possible, the President asks that each question be answered. Numbers 9 and 10 are particularly important. However, failure to answer some of the questions will not invalidate the card.
15. WHO IS AN "UNEMPLOYED" PERSON?  
A person of either sex or any color who is not working and is able to work and seeking work.
16. WHO IS A "PARTLY UNEMPLOYED" PERSON?  
A person of either sex or any color with part-time employment who is able to do more work and is looking for more work.
17. ARE PERSONS ON EMERGENCY WORK PROJECTS INCLUDED?  
Yes. They should register as unemployed. A specific question, Number 2c, is provided on the Report Card for all persons working on a W.P.A., N.Y.A., C.C.C., or other emergency work project which is supported by public funds.

## A MESSAGE FROM THE PRESIDENT OF THE UNITED STATES

The White House  
Washington

### TO EVERY WORKER:

If you are unemployed or partly unemployed and are able to work and are seeking work, please fill out this report card right away and mail it before midnight, Saturday, November 20, 1937. No postage stamp is needed.

The Congress directed me to take this census. It is important to the unemployed and to everyone in this land that the census be complete, honest, and accurate. If you give me the facts, I shall try to use them for the benefit of all who need and want work and do not now have it.

FRANKLIN D. ROOSEVELT
