## 737 PUPILS IN PUBLIC SCHOOLS

**Child Reported Ill From Lack of Nourishment—E. C. Aken Resigns as Janitor—Repairs to School No. 1 About Complete—Other Business at Education Board Meeting.**

In order to illustrate to the Board of Education why exceptions were some times granted to pupils of the schools in the matter of vaccination Dr. J. C. Albright spoke, at the meeting Wednesday evening, of some cases that had come under his observation in his capacity as medical inspector. One of the cases was in a family named Lounsbury living in Mechanicsville. The mother had brought her two sons to him for examination and he had found both unfit subjects. One was on account of some valvular trouble with the heart and the other because he was literally starving to death for lack of proper nourishment. Dr. Albright said that the boy kept repeating that he wished he would die. The father, he said, was reported to be intemperate in his habits and ran a bakery for a livelihood. Upon motion of Mr. Littell the case and that of a family named Dugan was referred to the overseer of the poor for investigation. Dugan has just recently finished a jail sentence and is now supposed to be working somewhere.

The meeting was attended by the full board and the session was a lengthy one. The minutes were corrected on two items. One is mentioned elsewhere in this issue. The other had to do with the definition of the salary of the custodian in that it should read by the month instead of so much per year. With the exceptions noted the minutes were approved as read.

The resignation of Mr. E. C. Aken as janitor of School No. 1 was read and upon motion of Mr. Grace accepted. The resignation takes effect on October 16th. Applications for the vacancy were received from George Storer, R. W. Parisen, Sidney Bloodgood, and S. T. Bastedo. They were received and referred to the committee on buildings and grounds. A letter was read from Miss Mary E. Hickey thanking the Board for the use of the typewriter loaned her during the summer vacation.

The following bills were read and ordered paid: N. Y. Telephone Co., \$14.56; Harvey MacDowell, \$115.31; Nelson Barkalow, \$3.75; South Amboy Printing Co., \$9.75; South Amboy Lumber and Supply Co., \$16.91; E. A. Wright Bank Note Co., \$22.50; Henry Ely, \$5.62; Thomas Kilcommons, \$30.00; Richard Dowling, \$8.61; John Sutliff, \$7.47; Consumers Oil Co., \$117.54; C. I. Bergen, \$24.55; William H. Ward, \$178.50; Edward McDonough, \$2.25; Thomas Downs, \$54.80; Remington Typewriter Co., \$20.00; Samuel Locker, \$2.50.

Mr. Grace asked if it wasn't necessary that the bills be accompanied by affidavits, also remarking that there were only a few of the bills ordered paid that had the necessary affidavits attached. Mr. Littell stated that he understood that the secretary always prepared affidavits for each and every bill amounting to five dollars or more which he had executed before paying the bill. The secretary affirmed this statement. More discussion was indulged in and it was decided that printed forms of bills with the affidavit form on the back of same would be procured and furnished with all orders given out. Bills must henceforth be upon the regular blanks and the affidavit on the back executed according to the ruling adopted.

The finance committee reported a balance of \$5,807.30 on hand not including the bills just ordered paid. Included in the report of this committee was a report from the custodian of school moneys. It was the first of its kind ever received by the present board. The report stated that the balance of \$3,185.85 had been received from the former custodian and that the first installment of the state railroad tax had been received. The amount was \$2,886.33. The report then went on to state that the current expenses up to date amounted to \$717.91 and repairs to \$47.00. Up-

## BOY RUN DOWN BY AUTOMOBILE

Nine year old Stani Krevewski, son of John Krevewski, was quite badly injured Tuesday morning by being struck by an automobile. It seems that the youngster was looking over the railing of the Main street bridge at an approaching Raritan River railroad train. As the train passed under the bridge the boy started to run across the roadway to the opposite railing. The noise of the engine evidently drowned the sound of the approaching automobile and he was struck and knocked unconscious. The machine was a big Packard driven by a man named Thompson from Asbury Park. There were two ladies and a man in the car in addition to the driver. The party was enroute to New York City.

Dr. Moacham was summoned and removed the boy to his home at Burt's Creek. The youngster was struck by the headlight of the automobile and was badly cut about the head and face and other parts of his body were also cut and bruised. At first it was feared that the skull was fractured as the injured lad was unconscious until late Tuesday night. Later this fear was proved groundless.

The headlight of the machine was demolished. The driver tried to avoid hitting the child by swinging his machine sharply to the right and stopped just in time to keep from going through the railing and down the embankment. The autoists did all they could for the injured lad who, from last reports, will recover within a short time.

## Mrs. Marie Dangler Is Called To Rest

Mrs. Marie Dangler, wife of Philip Dangler, passed away at her home on Broadway about six o'clock on Saturday morning, September 18. She had been in poor health for some months, but the end came rather suddenly. She was in the fifty-third year of her age.

The funeral services were held from her late residence at two o'clock on Tuesday afternoon. The Rev. H. M. P. Pearce, of Elizabeth, formerly rector of Christ Church, and the Rev. C. S. Lewis, present rector, officiated at the services, which were attended by a host of friends. Undertaker J. J. Scully was in charge and interment was made in Christ Church cemetery under his direction. There were some seventy-five floral tributes from friends in loving remembrance of the deceased.

Mrs. Dangler is survived by her husband, who conducts a tailoring establishment in South River, and two children, a son and a daughter. They are Miss Elizabeth Dangler and Edward Dangler both of this city.

The pall bearers were Messrs. Frederick Diebert, Richard Neiltopp, J. W. Mahoney, Charles Kamps, Patrick Kenah and Edwin Jaques.

## AUTO BREAKS DOWN ON THE "BUMPS ROAD."

Tuesday evening an automobile broke off a front wheel on the "bumps road" while nearing this city. It was a White touring car bound for Asbury Park. The machine was occupied by the owner and his wife. Although both were considerably shaken up when the axle fell and stopped the car with a sudden lurch, neither were injured sufficiently to merit medical assistance.

The party make their home in Vineland and were returning from the Berkshires. Coming along the "bumps road" the driver got into the trolley tracks in trying to avoid hitting some of the highest spots. In trying to climb the rail the right front spindle broke and let that side of the machine down. The axle hit a tie and the jolt nearly sent the occupants through the windshield.

A gang from Delaney's garage managed to get the crippled machine to Sexton's Garage. There it was stored while a new spindle was being put on by Delaney's men.

The machine bore a license number 15996 N. J. The occupants continued on to Asbury Park by the late train Tuesday evening.

After the big barn dance this Friday evening, the Morgan Pavilion will close for the season.

## COUNTY BONDS SELL READILY

**Freeholders Find Plenty of Bidders on South River Bridge Bonds and Get Good Premium—Contract Given Out For Paving Road From This City to Morgan.**

On Monday the Board of Freeholders of this county accepted the bid of Farson, Son & Co., for the purchase of \$69,000 worth of convertible bridge bonds, the proceeds of which will be used to pay for the construction of the new bridge over South river, between Sayreville and the Borough of South River. The bid was \$101.38. There were seven other bidders as follows: Outwater & Wells, \$100.87; R. M. Grant & Co., \$100.78; J. D. Everett & Co., \$100.67; Koutz Bros. & Co., \$100.582; J. S. Riple, \$100.601; Gibbons & Co., \$100.40; First National Bank of South River, \$100.26.

The contract for paving the first section of the South Amboy-Keyport road from the South Amboy city line to the New York and Long Branch Railroad crossing at Morgan Station was awarded to Abraham Jelin of New Brunswick, for \$41,121.38. The lowest bidder, T. H. Riddle of New Brunswick, Freeholder A. J. Gebhardt stated, could not secure the brick upon which he bid. The next bidders, Meagher & Smith of Perth Amboy, had not filed a certificate of equipment as required.

The contract for the construction of a bridge over the Millstone River near Kingston, was awarded to John W. Erickson and James Marrell for \$1,985.50. Plans for the improvement of Amboy avenue, Perth Amboy, from Spa Springs to Myrtle avenue, and of New Brunswick avenue, Perth Amboy, from the Florida Gove road to Mitchell street, were approved and bids will be advertised for.

Freeholder A. T. Kerr had a resolution adopted providing for the lighting by the Middlesex & Monmouth Electric Light, Heat & Power Co. of the "hole-in-the-wall" at South Amboy.

Resolutions were adopted expressing sympathy for Freeholder Theodore Cohn, whose father died at Newark Sunday.

The Inter-Ocean Oil Company was given permission to lay tracks and pipe across Woodbridge avenue near Roosevelt. Objection was made to this by the Wheeler Condenser Company, which will carry the matter to the Public Utility Commission.

### ELECTION OFFICERS.

## SCULLY WILL LOOK AFTER G. A. R. BOYS

Congressman Thomas J. Scully has made arrangements to look after the wants of the members and friends of the G. A. R. during the coming encampment at Washington, D. C. The Congressman's Secretary, John J.

HON. THOMAS J. SCULLY.

O'Brien, is now at the National Capital at the Congressman's office, Room 232, House Office Building, and will have several assistants to assist the Congressman.

The National Capital is now in full regalia for what will be the greatest gathering since the Civil War. Many visitors are now there and the old warriors now on the ground are enjoying themselves. Mr. Scully has provided writing material and a nice place for the visitors to rest during their spare moments.

## County Committee Endorses Florance

The Middlesex County Democratic Committee met in Elks' Hall, New Brunswick, on Wednesday night, and unanimously endorsed Prosecutor W. Edwin Florance of New Brunswick for State Senator, William D. Casey, Theodore Cohn, Andrew Ely, Anthony J. Gebhardt and Alfred T. Kerr for freeholders; Charles Anderson, Richard J. Galvin and E. Leon Lobein for the assembly; and William J. McDede for coroner.

At a meeting of the committee held in August at which Assemblyman Arthur A. Quinn, the opponent of Prosecutor Florance was present, it was decided not to endorse any candidates and let the Democrats make their choice at the primary next Tuesday. Developments in the campaign since that time led the committee to decide to place itself on record.

Two letters were read at the meeting Wednesday night which had considerable to do with the committee taking the action it did. One was sent out from Newark to the liquor dealers of Middlesex county stating that Assemblyman Quinn had voted against local option at last winter's session of the legislature and urging them to work for his candidacy. The other letter was to the laboring men of the county and told of the interest Mr. Quinn had taken in bills effecting them. This also urged the laboring men to support Quinn at the primary. The Federation of Labor is strongly backing Quinn's candidacy.

It was argued that these letters gave Mr. Quinn an advantage over Mr. Florance because of the fact that Mr. Florance not having had an opportunity to vote upon the measures referred to in the letters was not on record one way or the other upon these questions, and no one knew what attitude he would have taken had he been in the legislature. It was also claimed that the letters were a breach of the agreement to submit the choice of candidates to the voters without any endorsement of either one.

County Chairman Hagerty presided at the meeting, but Assemblyman Quinn was not present.

After society discards a woman she wonders how she ever managed to tolerate it at all.

The lantern-jawed man isn't necessarily a brilliant conversationalist.

## TEACHER DEFIES SCHOOL BOARD

**Miss Everitt Says She Was Not Notified of Suspension by Board of Education and Reported Daily—Not Present at School Opening is Charge Against Her.**

The Board of Education held a regular meeting in School No. 2 on Wednesday evening. Chief among the topics of interest that came before the Board was the suspension of Miss Almedia Everitt at a previous meeting. The climax to an exceedingly long and elaborate discussion of the case came in a motion offered by Mr. Littell "that the absence of Miss Everitt from the opening of the school term for 1915-16 and her continued absence for two weeks be referred to the teachers' committee for investigation and report to this board." The motion was unanimously carried and it was arranged that the committee in question should meet in the office of the superintendent of schools on next Monday evening for the investigation.

Miss Everitt was not present at the meeting at which this action was taken. President Fulton stated that he had been advised by Professor Barr on Monday morning that Miss Everitt had reported to school and that he had notified her of action of the Board in suspending her, but that she had refused to recognize his notification as being proper, maintaining that the secretary had not notified her of any such action on the part of the board.

Mr. Fulton stated that he understood that Miss Everitt continued to remain in the school building and was also there on the following day. In view of the action of the board and to circumvent any probable delinquency on the part of the secretary in giving Miss Everitt due notification he had exercised his prerogative as president and addressed to her the following letter:

South Amboy, N. J., Sept. 21, 1915.  
Miss Almedia Everitt.

Dear Miss Everitt:  
Mr. O. O. Barr, city superintendent of schools, notified me that you came to school yesterday morning and that he informed you of the action of the Board of Education in suspending you from teaching. It appears that you refused to acknowledge his authority as head of the schools and persisted in remaining in school during yesterday's and to-day's sessions although you had no duties to perform.

With your experience in school work you must be cognizant of the fact that this is a breach of discipline and that your action only tends to bring into disrepute the discipline of the schools and would weaken the authority of the superintendent of schools who is carrying out the decisions of the Board of Education. And I hope that you will so conduct yourself so as not to be further subjected to a more severe action of the Board of Education.

If you feel that you have not been justly treated, I assure you that you will have an opportunity to present your case to the Board of Education, if you desire to do so. The Board of Education will be in regular session on Wednesday night, Sept. 22, at 8.00 o'clock. This is for your information and is not to be considered an invitation nor a summons to be present and if it is your desire to be heard and request the opportunity to present your case, I am satisfied the members of the Board of Education will give you a respectful hearing.

Yours truly,  
J. F. FULTON.  
(Signed)  
The consensus of opinion seemed to heartily approve of the action by Mr. Fulton in thus taking the initiative and a motion was passed endorsing the communication and ordering it spread upon the minutes.

During the reading of the minutes of the last meeting it developed that the secretary had not included in his minutes all of the motion suspending Miss Everitt. The motion carried with it the provision that the secretary notify her of the action of the Board. In explanation the secretary stated that it had been his intention to notify Miss Everitt as soon as she returned, but that he had not learned of her return until Wednesday evening. He claimed not to have heard that part of the motion instructing him to notify Miss Everitt of her suspension. The minutes were corrected to include these instructions before being approved.

## CITY TAX RATE LOWER THIS YEAR

The County Board of Taxation met in New Brunswick on Wednesday and fixed the rate of taxation for the various municipalities of the county. According to their figuring the rate in this city will be \$2.29 on a hundred, while last year it was \$2.42.

New Brunswick rate is 29 points lower than last year, which speaks well for the commission form of government.

Perth Amboy has a rate 12 points in advance of last year, its rate for 1915 being \$2.19, as compared with a rate of \$2.07 in 1914.

The following table shows the rate for 1915 and 1914 in each municipality:

	1915	1914
Cranbury township.....	\$1.51	\$1.57
Dunellen borough.....	2.75	2.48
East Brunswick township.....	1.68	1.82
Helmetta borough.....	1.29	1.23
Highland Park.....	2.36	2.28
Jamesburg.....	2.12	2.23
Madison township.....	1.28	1.48
Metuchen.....	2.14	2.11
Middlesex borough.....	1.87	1.68
Milltown.....	2.06	2.16
Monroe township.....	1.72	1.78
New Brunswick.....	2.80	2.59
North Brunswick Twp.....	1.24	1.42
Perth Amboy.....	2.19	2.07
Piscataway township.....	1.41	1.48
Raritan township.....	2.20	2.07
Rosevelt.....	2.01	2.12
Sayreville township.....	1.31	1.45
South Amboy.....	2.29	2.42
South Brunswick Twp.....	1.52	1.61
South River.....	2.13	2.25
Spotswood.....	1.59	1.60
Woodbridge township.....	2.40	2.52

The highest tax rate in the county this year is that of Dunellen, where the rate is \$2.75 on each \$100 of assessed valuation.

The county tax rate for this year was fixed at .4591 on each \$100 of assessed valuation, as compared to a county rate of .534 last year.

## Many at Obsequies Of Miss Delaney

The funeral of Miss Beatrice Delaney was held from St. Mary's R. C. Church at 10 o'clock last Monday morning, and was attended by a large throng of people, the Young Ladies of the Sodality, of which deceased was a member, being present in a body.

During Sunday hundreds of people visited her late home, and took leave of the departed one. It fully evinced her great popularity in the community, and on Monday morning previous to the funeral others showed their respect and love.

Solemn high mass of requiem was celebrated with Rev. E. P. Kennedy as celebrant; Rev. Father Cahill, of Jamesburg, as deacon; and Rev. Father Lane sub-deacon. At the close of the mass Monsignor Brady gave an excellent address in which he spoke highly of the deceased, who was always faithful to her church, and a devoted daughter and a true friend.

Interment was made in St. Mary's Cemetery, where a large number of friends was present to witness the body lowered into its last resting place. J. J. Scully was funeral director. The pall bearers were Philip Costello, James Stack and John Fitzpatrick, of Perth Amboy; and Raymond Fleming, John Conlogue and Charles Sutliff of this city. There were many beautiful floral pieces presented by relatives and friends as tributes of love.

### MRS. BERTHA LAUGHLIN.

Mrs. Bertha Laughlin, wife of Andrew Laughlin, of John street this city, passed away in the Perth Amboy Hospital Monday evening. The deceased was twenty-five years of age and is survived by a husband and three young children. She had been ill only a short time and had been in the institution only a few days. Stillwell & Mason having removed her from her home on Thursday of last week. Mr. Laughlin having secured employment at the Union Powder Works, removed here from Middletown a few weeks ago.

Stillwell & Mason brought the body to this city and prepared it for burial. The funeral services were held from her late residence on Wednesday afternoon at two o'clock. Rev. J. M. Shaw officiated and interment was made in Erston cemetery.

City Clerk.

Why a REGAL Trade-Marked Shoe Spells Economy to You

THE trade-mark on a shoe—just as on a garment or a canister of coffee—means that the reputation of the manufacturer stands behind the quality of the article.

And this, in a Regal, means that a quarter of a century's volume shoe-production and distribution to all parts of the world assures you that shoes trade-marked REGAL represent the utmost style and value that can be "built into" them at the price.

We are showing in our windows this week, an exceptional fine display of Men's Neckwear at twenty-five and fifty cents.

Seldom will you buy such large, generous shapes and exclusive patterns for so little money.

The Fifty cent grade has the "Easy Slide" feature at no additional cost. This allows you to adjust the tie in the collar without undue strain and pulling. Will save your Ties and temper.

## HIGH SCHOOL MENTIONINGS

We are glad to note that there is plenty of good material for a basketball team this year. Just watch us and see what happens.

We want to heartily thank Capt. Amos Bolton for the elegant set of books with which he has presented us. The Boys' Club have challenged the Girls' Club to a debate to be held in the near future.

Rumor has it that the team to represent our school in the Inter-Scholastic Debates this year will be chosen from the teams representing the Boys' and Girls' Clubs. This should encourage all who are interested to try for the Big Team.

The study hall has not been inaugurated yet this year.

The Freshmen are not taking the interest they should in athletics. What's the matter boys?

The Junior Class have ordered their class rings and pins from Dieges & Clust Co.

The officers of the Girls' Club this year are: President, Miss Newton; Vice-President, Miss Thom; Secretary, Miss Donnell; Treasurer, Miss Applegate; Miss Magee, chairman of the Inter-Class Committee, and Miss Perrine, chairman of the Social Committee.

At a meeting of the Girls' Club on Sept. 29, the challenge of the Boys' Club to a debate was accepted, and a social was planned for Friday, October 1.

The Boys' Club held an election of officers recently, the result was: R. Kerr, President; L. Furman, Vice-President; A. Watts, Treasurer; and M. Fox, Secretary.

In spite of the inclement weather on Friday evening last a goodly number of students, alumni and teachers were present. A good time was enjoyed by all.

### Electric Vulcanizer For Tires.

With an electric vulcanizer just brought out it is possible to vulcanize a patch or casing cut as well and as quickly, according to reports, as it can be done in a garage, says Popular Mechanics. The new vulcanizer is a light and compact device that operates on

AUTOMOBILE TIRE VULCANIZER.

six volts and takes its current from the storage battery of the car. It is equipped with six feet of cord and can be connected with any light socket on the car. A thermometer attached to the vulcanizer permits the heat to be regulated to any required degree.

### Black Varnish For Iron.

A good black varnish for cast iron and forgings can be made of half a pound of lampblack, half a pound of resin, one pound of asphaltum, one quart of turpentine spirits and a small quantity of linseed oil. The lampblack is first rubbed up with the linseed oil, no more oil being used than necessary for this purpose. The other ingredients are then mixed with it thoroughly. The varnish will be found to be durable. —Blacksmith and Wheelwright.

### When to Use Bronze Bearings.

For bearings that must stand heavy pressures some form of bronze or brass is used. A bronze or a phosphor bronze is best when the bearing must also stand high temperatures, such as the piston pin bearing of a gas engine where the piston is attached to the end of the connecting rod. Here the bushing must withstand the heavy pressure and high temperatures produced by the explosions within the engine cylinder.

### Cough That are Stopped.

Careful people see that they are stopped. Dr. King's New Discovery is a remedy of tried merit. It has held its own on the market for 46 years. Youth and old age testify to its soothing and healing qualities. Pneumonia and lung troubles are often caused by delay of treatment. Dr. King's New Discovery stops those hacking coughs and relieves in grippe tendencies. Money back if it fails. 50c. and \$1.00.

### THE MIDDLESEX COUNTY

#### BOWLING LEAGUE FORMED

At a meeting in the Y. M. C. A. Tuesday evening the Middlesex County Bowling League came into being. It is made up of teams representing South River, Sayreville, Roosevelt, Woodbridge, Metuchen, Perth and South Amboy and Keyport. Although out of the county Keyport was included on account of its convenience as well as for the strength of its team.

A great deal of enthusiasm in the project was shown by the representatives present Tuesday evening. They were from Sayreville, Metuchen, Roosevelt and Perth Amboy and the other towns had already manifested their willingness to come in on the scheme.

Officers were chosen and committees appointed to formulate the schedule and also to draft a constitution from material suggested. It is proposed to bowl the league matches on Tuesday and Thursday nights. Each team is to bowl four matches with each other team, two at home and two on the other's alleys. It is planned to have about one home match for each team each week.

The board of governors which is made up of the managers of the several teams will be in practical charge of the league's affairs. Scores are to be kept in duplicate and a copy furnished to the Brunswick-Balke Company whose interest is to be enlisted. October 9, is the date set for the opening of the schedule.

P. J. Kreps, of Perth Amboy, was elected president of the League and S. M. Ingraham, of this city, was named as secretary and treasurer. The league owes its existence almost entirely to the untiring efforts of the secretary and treasurer who has been planning and working for the formation of a bowling league for a year or more.

The following prizes were decided upon as awards:

First Prize—Loving cup.  
High individual score—Gold medal.  
High team score—Banner.

High individual average—Bowling ball.

Second high individual average—Silver medal.

Third high individual average—Bronze medal.

Prize winners in the average individual contests must take part in at least seventy-five per cent. of the scheduled number of games.

### EMPIRES REFUSED TO PLAY.

Last Sunday afternoon a large number of baseball fans were disappointed at Conlogue's Field. The reason was the failure of the Empire A. C. to play the Sacred Heart A. C. in the deciding game of the city championship series.

It seems that the Sacred Heart club has been the sole beneficiary in the four games already played so far as a division of the collections are concerned and last Sunday the Empire lads wanted to make a ruling to the effect that the winner should take all of Sunday's collection. Evidently the ruling wasn't satisfactory so the dispute called off the game.

After being widely advertised the calling off of the game was a serious mistake. Of course a game with a pickup nine was played and turned out to be a pretty good game after all. Nevertheless it wasn't the looked-for attraction and as a consequence both teams fell several points in the estimation of the fans. The justice or injustice of the claim had no bearing on the situation.

With each team now the winner of two games of the series and the adherents of each team claiming superiority it is to be hoped that a final and deciding game will be arranged in the near future that will settle the championship question for this season, at least. Both the Empires and the Sacred Heart team, have been playing pretty good ball all summer and the final game should prove to be an interesting one. Lets have it soon.

### Deodorizing Lard Buckets.

Lard buckets are the most easily obtained and the most satisfactory of utensils in which to pack food or cook for a small picnic or camping party, but it is very difficult to remove the odor of the lard. This may be easily accomplished by boiling the grounds from the coffee pot in the bucket with about one pint of water.

### Care of the Varnish Brush.

Turpentine is used to keep the varnish brush in, because it not only imparts the spring or elasticity of the brush, but the turpentine gets into the varnish and causes it to dry.

### SACRED HEART A. C.

#### CLOSES SEASON

The Sacred Heart A. C. closed the 1915 baseball season, last Sunday afternoon, with a victory over the Morgans, who were secured to play in place of the Empires, as they cancelled their game with the Sacred Hearts Saturday. The score of Sunday's game was 8 to 7 and proved to be an interesting and close game as the score indicates.

"Diddy" Maxfield pitched for the Morgans and was relieved by Bob Manaker. Though "Diddy" was touched for fourteen hits, he managed to fan ten of the Sacred Heart batsmen.

F. Witczak started the game for the victors and was relieved by Maluski after the sixth inning, when two hits, two bases on balls, and two errors netted the Morgans four runs. Molly and Maluski starred at the bat, each securing four hits.

The season can be considered a successful one by the Sacred Hearts, as this was their first year out and they won fourteen and lost ten games.

### WHO WILL BE CHAMPION?

Again the South Shore Industrial League has run afoul of obstacles that menace its existence. Like last year a great deal of difficulty is being experienced in settling the question of the championship. At the present time the Michell Juniors, some times called the Colts, are the claimers of the title although several of the deciding games were awarded them by forfeit. This was because of the withdrawal of one team from the league for lack of men enough to make a team and the inability of one or two others to play some of the games on account of shortage of players. As a result some of the managers feel that the Colts are scarcely deserving of the honors.

The DuPont Powder works team, whose home diamond is located at Parlin, are close seconds in the championship race. They have already played two more games than the Michellins and have completed their schedule. The Colts with two more games to play lead the Parlin nine by a fractional percentage equal to a trifle less than two games. The result, of course, is that the Parlin manager wants to see the Colts play those two games on the long chance that they might loose and thus hand his players the championship title.

The problem doesn't seem to be much nearer a solution now than it was a month ago. The league heads have tried time and time again to hold a meeting and arrive at some conclusion but it seems almost impossible to get a quorum together. Meantime that handsome cup is awaiting an owner.

### SPORTING NOTES.

The Sacred Heart baseball team closed its season with last Sunday's game.

Since Rutgers lost to the Tigers last Saturday we have given up hope of ever seeing them win from Princeton. It can't be done, on the home grounds at least.

The Middlesex County Bowling League is now an actuality chiefly through the efforts of one of the enthusiasts of this city, S. M. Ingraham.

The Scholastics are to don the moleskins again this season. Games are now being arranged and the eleven is expected to be stronger than ever this year.

The Oakland Five basketball team was organized this week. It is composed of young lads of this city and will use the Columbia Hall court for its home games. Milton Bloodgood is the captain-manager of the new quintet. The lineup will consist mostly of former Neptune Junior stars.

### Proper Care of the Eyes.

It is undoubtedly true that we do not take sufficient care of our eyes. The eye is too delicate an organ, however, to be subjected to haphazard treatment. A sudden change from very bright light to darkness should be avoided, and if the eyes are weak the prevailing color in the room in which one spends most of the time should be some tint that is helpful to the eyesight.

Do not read while lying down, when rocking or when in a car. Do not use the eyes before breakfast, and do not read or sew in the sun, but let a good, strong light fall over your right shoulder. Hold whatever you read on a level with the eyes, and do not bend over your book or paper.

## SOME JOTTINGS COLLECTED BY OUR REPORTER WHILE GUNNING ABOUT THE CITY.

That drastic action was not necessary after all in order to get that telephone pole at Pine and Borden-town avenues taken out of the way.

Andy sure can chuck an awful bluff, can't he?

That the moving pictures are getting just a little bit jealous of the garages these days.

That there are lots of other men to envy more than we do Professor Barr at the present time.

That rubber must be getting awfully scarce when they don't put enough tread on a new tire to wear more than a month.

That Main street is getting worse and worse day by day. The bumps road hasn't got much on it for thrills now.

And by the way, is it so that some of the Board of Education are getting cold feet?

## SHORT COURSES IN AGRICULTURE

The Short Courses in Agriculture offered in connection with Rutgers College and the New Jersey State Agricultural College will open at New Brunswick this year on Monday, November 15th. Four courses of study are offered, embodying subject matter relating to agriculture and domestic science, and provision is made for the following special courses of study:—

Farming—  
Course I.—General Agriculture and Dairy.

Course II.—Fruit Growing and Market Gardening.

Course III.—Poultry Husbandry.

Course IV.—Home Economics.

The term continues for a period of twelve weeks, dating from November 15, 1915, to February 18, 1916, with ample provision for the holiday recess. The courses are outlined in each instance to provide for the wants of the student interested in agriculture or home making.

Course I. is recommended for such students as may enter without practical farm experience, and for the student undecided as to the particular line of agricultural endeavor which he wishes to pursue as a life work. Special problems in animal production and feeding are studied, with lecture or laboratory work in soils, fertilizers, agronomy, pomology, poultry husbandry, dairying, entomology and seed testing.

Course II. is designed to meet the wants of the student interested in fruit growing and garden farming. It includes lectures and laboratory exercises in practical orcharding, market gardening, floriculture and landscape gardening, and is supplemented by general courses in animal husbandry, poultry husbandry, entomology, and a study of plant diseases. Special attention is given to the study of problems relating to the marketing of produce as this is a very important item in horticultural activity.

Course III. is devoted to a study of poultry problems and possibilities. Students are given practical work in incubation and rearing of birds, and are assigned pens of birds to care for as well as all other responsibility relating to artificial means of incubation. A particularly strong course in poultry diseases is offered by the department, while such problems as feeding, breeding and management of the flock are thoroughly discussed.

Course IV. is scheduled exclusively for women. It is believed that training for home work is quite as essential as training for farm practices. Exercises in cooking, sewing and millinery are provided; problems in sanitation, personal hygiene, and emergencies are studied in their relation to home life, health and happiness. The students cut, fit and assemble garments, are given practical work in machine and hand sewing, and are thus enabled to do the necessary drafting and designing necessary for providing largely for their own wearing apparel.

Each one of the courses is designed to serve the individual student with useful and practical information that will enable him to realize the possibilities of agricultural activities, and to appreciate the opportunities for achieving success in farm operations. Entrance examinations are not required, and the course should appeal especially to the farm boy or the farm girl who cannot afford to spend four years pursuing a regular college course, but who could, to great advantage, enter the Short Courses and complete a term's work at a cost not to exceed \$100. The tuition is free to residents of the State. Those interested in a more complete schedule of the course should write to the Director of the Short Courses at New Brunswick, N. J., requesting a copy of the circular announcing the full schedule.

## New Tennis Champion.

Youth was served at the West Side Tennis club courts, at Forest Hills, N. Y., when William M. Johnston, the twenty-year-old California star, won the national tennis crown, defeating in the final round Maurice E. McLoughlin in a four set match. Johnston's victory keeps the championship bowl in competition for at least another year. Had McLoughlin carried off the honors he would have been entitled to permanent possession of the trophy, as he already had two victories to his credit, and three are required to win the cup outright.

## Clabby to Fight Les Darcey.

According to a man who is in a position to know, Jimmy Clabby, the Milwaukee middleweight, is to receive a guarantee of \$4,000 with a privilege of accepting 25 per cent of the gross receipts for his twenty round battle with Les Darcey, the champion of Australia, which is to be fought at Sydney, Australia, the middle of October.

## CHRIST CHURCH CHRONICLES

The attendance in the Church School on Rally Day was most gratifying. Out of a total enrollment of 150, 132 were present. Unfortunately, the chief feature of the program—the stereopticon pictures—had to be passed up, owing to the fact that one of the large window shades became obstreperous, thereby letting in a flood of light. The pictures, however, will be given next Sunday morning in connection with the regular instruction in classes. A vote was taken in the School as to the hour preferred for holding its sessions, and the expression was almost unanimous for the morning hour.

A large congregation greeted the Rector Emeritus, the Rev. H. M. P. Pearse at the Mid-day Communion last Sunday. Mr. Pearse preached a scholarly and forceful discourse from the text: "We would see Jesus." The sermon was thoroughly enjoyed by all.

The Rector had the pleasure of officiating last Sunday, at noon, at the wedding of William E. Lawrence and Anna Muller Greb, at the former's pretty home by the sea, near Morgan. The groom is a salesman for a New York firm and has made his home near Morgan for several years. The bride is a native of Essen, Germany, and is a charming young woman. The ceremony was a very quiet one, witnessed only by Mr. and Mrs. Charles Smith, friends of Mr. Lawrence, from Newark. We wish the newly-weds much joy in their beautiful cottage overlooking the gleaming waters of Raritan Bay.

Mrs. George Thomas, of upper Main street, left yesterday for St. Barnabas' Hospital, Newark, where she is to undergo a serious operation within the next twenty-four hours. Special prayer for her recovery will be offered at the early service next Sunday morning.

The Junior Auxiliary began its fall meetings with a very enjoyable social last Tuesday afternoon, which was attended by about 50 children. The usual refreshments were served, and the youngsters will all endorse the opinion that Miss Zepp is "the best ever," when it comes to managing a Junior Auxiliary. The missionary hamper will be ready for shipment in about two weeks. We hope to get one peep into said hamper before it starts on its way southward, that we may sing of its glories in the "Chronicles."

"He comes up smiling!" No, we are not going to write a dramatic criticism upon a recent popular play. We are speaking now of our young friend and parishioner, Mr. Wilfred Browning, who is wreathed in perpetual smiles. The cause: Two fine boys (choice stock, "Rhode Island Reds") took up their lodging at his cozy home on the one-time Ernst poultry farm, one day last week. Our heartiest congratulations to the fond "papa" and the "little mother" upon the double joy that has come to them.

Sermon subjects for next Sunday: "God's Requirement of Man" and "The Balcony View of Life."

The Middlesex County Sunday School Association will convene at St. Peter's Church, Perth Amboy, today (Saturday) at 2.30 p. m. It is hoped that several of our teachers will find it possible to be in attendance. At the risk of appearing to be ungracious, we opine that it would be worth while for the Executive Committee to consider another day of the week as being more suitable for these monthly meetings. Saturday is a well-nigh impossible day for the Clergy, and we fancy that the laity also do not find it altogether a convenient day for the meeting, by any means. The somewhat meager attendance is sufficient proof of our assertion.

Coming Diocesan meetings and dates are as follows:

October 26—Joint Meeting of the Two Convocations, in All Saints' Church, Trenton; for a Conference on Rural Mission Work.

October 28—Annual Meeting of the Local Assembly of the Daughters of the King, in St. Mary's Church, Jersey City.

November 3—Upper Division of the Woman's Auxiliary, in St. George's Church, Rumson.

November 19—Bishop Croes Anniversary Service, at Christ Church, New Brunswick.

The third Sunday in October (the 17th), has been set apart as a special

day of intercession and prayer for Religious Education. The Diocesan Board of Religious Education has asked our schools to contribute the sum of \$8 for the work being done by the General Board—\$4 for the Christ Church Sunday School; \$2 for the school at Doane Memorial Chapel and \$2 for the school at the Chapel of the Good Shepherd.

Our "Supplications for Motoring Males," which appeared in this column last week evoked so much unfavorable comment that we have decided to offer this week a few "Petitions for Phenemales."

Lead us not away from our church pew with this forty-four inch upholstery fake.

Keep us free from the perils of the self-starter of family quarrels. Assist us to forgive our husbands when they get the runabout habit.

Keep our husbands from looking under other women's bonnets. Instill into our hearts and minds the wisdom of sticking closely to the one-man-top and help us to cut out the nightly jiffy curtain lecture.

Three more families in the parish have recently joined in the "exodus." Prof. R. M. Fitch and family (now residing in Nutley), and the E. C. Aken and Carlton Voorhees families, who moved this week to Newark. We wish them all good luck in their new homes.

Clam chowder will be "on tap" at the Parish House at 4.30 p. m., next Tuesday. Chowder such as our women only can make, guaranteed to be "orthodox" and to contain "the thirty-nine articles." Come early with a large can. Line will please form to the left.

At a meeting of St. Martha's Guild on last Tuesday afternoon it was decided to canvass the entire parish for contributions to the approaching Alphabet Fair, and each street is to have a special canvasser. It is hoped and expected that every woman in the parish will give something toward the success of the enterprise. We bespeak for these ladies who have volunteered for this laborious work the courtesy and the hearty cooperation on the part of all visited.

The ladies of St. Martha's Guild even sleep with one eye open these busy days. Another meeting called for next Tuesday afternoon at 3 o'clock! It is asked that every woman in charge of a booth at the Alphabet Fair will be on hand to make a good report of the work accomplished by them.

The Vestry held a long and interesting session at the Rectory on Tuesday night. As a token of respect and reverence for the memory of the late lamented Joseph Wilson, it was voted that the vacancy in the Wardenship be left unfilled until the annual parish meeting in April. Mr. William P. Nichols was unanimously elected treasurer of the parish and of the cemeteries, a choice which will doubtless meet the hearty approval of all our people, who have long recognized him to be among our most faithful and capable men. The Vestry also gave favorable expression upon the Rector's proposition to hold a Mission December 5-12. The Rector suggestion that a stereopticon lecture be given one Sunday night of each month in the parish house also met with hearty endorsement.

Men of the parish: Don't forget that the Men's Club holds its first meeting for the fall on next Tuesday night. There will be a large kettle of clam chowder and, also, the "political pot" may boil, as the election of officers comes up at that time. Let us count upon your loyalty.

The first of the illustrated lectures referred to elsewhere will probably be given on Sunday evening, Oct. 18. Among the subjects are the following: Martin Luther, the Monk, Martin Luther, the Reformer, John Bunyan, The Pilgrim's Dream, The Bible in the Making, Last Journeys of Christ, The Passion Play at Ober Ammergau, The Mountains of the Holy Land, and others of a sacred character. Full announcement later.

A "Barn Party," in keeping with the harvest home idea, which at this season steals into our mind, will be given in the Parish House on Thursday evening October 21. The men are to come garbed as farmer boys and the ladies are to wear milkmaid costumes. It is proposed to fine anyone who may presume to come "in fine raiment." But more about this strange party in our next issue.

If you want to know anything about club life, hit the policeman.

## NEVER IDLE!

Advertisements in the SOUTH AMBOY CITIZEN Are Working Twenty-Four Hours a Day!

An advertisement placed in the CITIZEN has no time limit to its usefulness to the advertiser. It works 24 hours a day. If your ad is well written and interesting, it will be laid aside by the reader for future reference. Or, if your ad reaches the right prospect, it will make an impression on his memory which will last for days, weeks and even months.

Consider for a moment, can't you recall an advertisement which you read months ago which was so strongly impressed on your memory that you still remember the offer made?

The results of advertising may not be instantaneous. Don't expect that when you spend a dollar for advertising today that it will return to you ten-fold tomorrow.

Newspaper advertising is the very best medium for bringing to the attention of the buying public your business and your wares and gaining their confidence by impressing on them your personality and reputation for fair dealing.

### BIRTHDAY CELEBRATION.

On Saturday evening, October 2, the home of Mr. and Mrs. John Proctor on Alpine street was the scene of a merry gathering, the event being in honor of the eighteenth birthday of their daughter Elizabeth. After extending congratulations to the hostess the evening was spent playing games, singing, etc. The "Live-wire club," of Perth Amboy attended in a body and afforded much amusement to the guests with their lively fun-making games. Many beautiful piano solos were rendered by Messrs. John Salmon, of Main street, Chris. Olsen, of Broadway, Paul Lochs of Sayreville, and Miss Mamie O'Neill of Raritan street. At midnight refreshments were served and the guests left for their homes declaring that they had spent a most enjoyable evening and wishing Miss Elizabeth many happy returns of the day. Many beautiful and useful gifts were received among which was a beautiful gold clock from the "Live-wire club." Among those present were the following:

From South Amboy—The Misses Margaret Baker, May O'Toole, Nellie Stanton, Anna Olsen, Beattie Holton, Rose Hoover, Julia Kurtz, Pauline Miller, Lavina Skimmions, Gertrude Kierst, Helen Marick, Freda and Helen Neilltopp, Anna O'Neill, Mamie O'Neill, Nellie O'Neill, Elizabeth Render, Lucy Mulvey, May, Julia and Margaret Mulvey, Mamie Lucitt, Elizabeth O'Neill, Kathryn, Anna and Master Thomas Grimley, Elizabeth Proctor, Mr. and Mrs. J. Proctor, Mr. and Mrs. M. Lucitt, Mr. and Mrs. T. Grimley, Mr. and Mrs. T. Bloodgood, The Messrs. Wm. O'Toole, Wm. Pursell, John Salmon, Michael Hoover, Chris. Olsen, James Holton, Alfred Weber, L. Agan, Chas. Daly, and Thos. Render.

Perth Amboy—The Misses Jennie Smith, Marjorie Jackson, Irene Gerha, Agnes Huff, Mr. Herr; Messrs. John Gerha, John McBride, George Bulwinkle H. Johnson, Wm. Herr, Walter Kurowsky, Fred Kurowsky, Wm. Huff, C. Feddersen.

Sayreville—Messrs. Francis Keegan, Sidney Tuckerson, William and Edward Kreoger, Chas. Rush, Paul Lochs, Jos. Keegan, A. Doeler.

Milltown—Mr. C. Wissert, Miss Carrie Oachs,

Camden—Mrs. M. Sears and daughters, Lillian and Olive, and Mr. and Mrs. Walter Dixon.

### "Hohenzollern Luck."

"The Hohenzollern Luck" is a plain gold ring, with a black stone, in the possession of the kaiser. Frederick the Great received it from his father with a note, declaring that so long as it remained in the family the race would prosper.

### "Ten Pin Billiards."

Have you heard about it? "Ten Pin Billiards," it's a regular game. Willie Hoppe says it is certainly fine and he is the fellow that knows, Willie has a high score of 183. Then there is another fellow, "Punky" Stephenson, the motor boat, billiard and bowling enthusiast, you know him; he is in strong for the game. It is new, but Frank has a score of 141 to his credit.

### FIELD MEETING OF COUNTY

#### BOARD OF AGRICULTURE

Friday, October 15th, at 2 p. m., the Middlesex County Board of Agriculture will hold a field meeting at the farm of Mr. John Evans of New Market. Mr. Evans in co-operation with the office of Farm Demonstration has been growing nineteen samples of corn which were collected from various farms throughout Piscataway township. While other points will be taken up the meeting on October 15th will be mainly concerned with studying the results of this neighborhood test. All samples of corn will be weighed and a study made of the comparative weights and quality.

Corn will be judged by an expert and a talk on corn growing will be given by Mr. D. P. Witter of New York State.

The farmers of the county are earnestly requested to attend this meeting which should be of interest to all.

Excuse for Comic Songs. Asculaplus is reported to have written comic songs to promote digestion in his patients.

### To Cure Hiccoughs.

To cure hiccoughs, fill a glass with water, draw a deep breath through the mouth, take a mouthful of water, hold the glass before you above your head, raise your eyes so that they can see the bottom of the glass without throwing your head back, swallow the water and then breath out slowly through the mouth.
