## MEN'S CLUB ORGANIZED

**Starts Out With Large Membership and Promises of Increase—Its Aim is Social in Purposes—Much Enthusiasm Manifested at First Meeting—H. J. Berrien President**

The Rev. C. S. Lewis, rector of Christ Church, has been working for some time with a view to establishing a Men's Club in the parish. In accordance with his plans a meeting was held in the Parish House last Tuesday evening for organization purposes. Not a little surprise was caused by the number of men who responded to the notice. There were, all told, forty-seven present and adding to this number those who had signified their intention of signing the charter but who had not attended, would bring the present membership of the newly organized club up to fifty-four.

Mr. Lewis acted as chairman and called the meeting to order. Then, disclaiming any desire to make a speech, he proceeded to explain the objects of the club. Its aim was for social purposes, he said, and was not religious or secretarian, as might be the common impression. Neither was its membership necessarily confined to the communicants of the church, for anyone within the limits of the parish were eligible.

In order to facilitate the organization of affairs Mr. Lewis stated that he had prepared a rough draft of a constitution and set of by-laws. These he read with explanatory remarks as he went along. Those present discussed at some length some of the articles of the draft and finally decided to ratify and accept the draft prepared by Mr. Lewis with certain exceptions. Then the exceptions were taken up one at a time and changed according to the ideas of the majority and accepted. Considerable amusement was caused by the quick changes of mind evinced by one or two of the members.

The changes made in the constitution and by-laws as proposed by the rector dealt with the payment of dues, payment of bills, reinstatement of delinquents and the establishment of a quorum. These points being decided a nominating committee was appointed to make nominations for filling the different offices. This committee retired and during their absence the rector entertained the gathering with selections on a talking machine. Rapt attention was manifested during the playing of the records. "Casey at the Bat" and the reply thereto received especially close attention.

The nominating committee submitted the following names for the offices designated: President, H. J. Berrien; First vice-president, D. W. Reed, Second vice-president, A. L. Grace; Third vice-president, R. M. Kerr; secretary, George H. Mack; assistant, J. E. Coogan; treasurer, William A. Chapman; directors, C. H. Mulheide, Joseph Wilson, A. M. Gordon, C. R. Rose, H. D. Littell.

Mr. Berrien signified his wish that some one else be selected to head the club and stated that he felt that he could be of more service from the side lines than in the limelight. The members wouldn't have it that way and finally Mr. Berrien was persuaded to at least consider the matter until the next meeting before handing in a final decision. The recommendations of the nominating committee were ratified as a whole.

The rector announced that at the next meeting of the club he had arranged for the Rev. W. Northley Jones to address them. The address will probably be illustrated with stereopticon views and may be on the subject of travel. Mr. Jones is the rector in Perth Amboy. It is the intention to have a renowned speaker address the club at their meetings from time to time.

The second Tuesday night of each month during the fall and winter months was selected as the regular meeting. Meetings will not be held during March, on account of the Lenten season, nor during the summer months. In all probability some provision will later be made for more than one meeting per month. With the sessions so far apart it seemed to be doubtful, if interest could be maintained to the highest degree of efficiency.

The changes made in the constitution and by-laws seemed to be well raised. In the payment of bills, for instance, the power of ordering their cancellation was entirely in the hands of the executive committee. This was changed to a majority vote of approval on the part of the quorum present. The power to reinstate delinquents was also entirely in the hands of the executive committee. This too was changed and left to the quorum. The number of members constituting a quorum was also changed. According to the draft a quorum was to consist of ten members, six of whom were to be officers. This was altered to fifteen members regardless of their official capacity. The payment of dues question the writer didn't get. It's a dollar a year in advance and payable on or before the first of January. There was considerable discussion indulged in but the gist was lost.

The members are to be notified by mail with respect to all regular and special meetings. There is a mailing list of about three hundred and seventy names. The provision of an assistant would seem to be a wise move when the size of the mailing list is considered.

Expectations run to a membership of at least two hundred. If these expectations are realized, and there is no reason why they shouldn't be, it seems reasonable to suppose that the scope of the Men's Club of Christ Church Parish will be extended. The necessity of just such an organization has been paramount for a long time. Its welcome was demonstrated by the heartiness of its accord.

## CELEBRATION OF CRYSTAL WEDDING

An event long to be remembered in the lives of Mr. and Mrs. Frank Stratton was the celebration of their crystal wedding at their home on First street on Wednesday evening last. A large number of friends gathered to join in the festivities of the occasion and to extend congratulations to Mr. and Mrs. Stratton upon reaching fifteen years of happy married life, and wishing that they may be spared to enjoy many more anniversaries. The home presented a charming appearance, the decorations being white and wisteria. The large company joined heartily in the merriment of the occasion, and the result was an evening of unalloyed pleasure. Refreshments consisting of the delicacies of the season were served. At a late hour the guests departed for their homes, with pleasant remembrances of a happy time. Many beautiful gifts were received.

Among those present were Rev. and Mrs. J. E. Shaw, Councilman and Mrs. Collin Stratton, Mr. and Mrs. Joseph Compton, Mr. and Mrs. R. C. Stephenson, Miss Bertha Fulton, Mr. and Mrs. Elias S. Mason, Mr. and Mrs. J. Arthur Applegate, Mrs. James E. Nichols, Mr. and Mrs. John Perkins, Mr. and Mrs. R. P. Mason, Mr. and Mrs. Elias Stratton, Mr. and Mrs. A. R. Mitchell, Mr. J. Alfred Johnson, Mr. and Mrs. V. N. James, Mr. and Mrs. A. H. Thompson, Mr. and Mrs. Robert Van Dusen, Mr. and Mrs. Wm. M. Emmons, Mrs. C. S. Buckelow, Mrs. John Gallagher, Mr. and Mrs. Joseph Hubbard, Mrs. Charles Youmans, Mr. and Mrs. G. G. Oliver, Miss Elizabeth Dayton, Mr. and Mrs. J. K. Stults, Mr. and Mrs. W. J. Woodward, Mrs. and Mrs. G. Manville Applegate, Mrs. Harry E. Stratton, Mr. and Mrs. Frank Stidole, Frederick Stidole, Mr. and Mrs. E. E. Clayton, Mr. and Mrs. L. E. Dill, Mrs. Howard Shinn, Mrs. S. B. Shinn, Mr. and Mrs. W. S. Ingraham, Mrs. Frank Compton, Miss Mary Grover, Miss Ruth Stratton, Miss Thelma Stratton, and Master Harold Stratton, of this city; and Mr. and Mrs. William Parson and Master Harold Parson, of Perth Amboy.

### CHARLES STOCKTON INJURED.

Charles S. Stockton, foreman of construction work on the Raritan River Railroad, was seriously injured about noon on Friday. He was on a motor car which was being propelled at great speed, and when at the bridge over Main street, the car took an open switch, and Mr. Stockton was thrown heavily against the concrete abutment. He was badly cut about the head. Dr. Eulner was summoned and attended to the injuries.

## \$20,000 FOR RARITAN BAY

**New Jersey Allotted \$619,000 For Harbors, Including Money For Staten Island Sound Improvement—Woodbridge Creek Gets \$6,000, and Shrewsbury \$10,000.**

New Jersey will receive virtually \$619,000 for river and harbor improvements out of the \$20,000,000 appropriated by Congress for the country at large. This is \$61,900 less than was provided in the revised rivers and harbors bill that was prevented from being passed by the filibuster in the Senate.

There is one New Jersey item in the allotment that was not present in the revised bill—\$25,000 for the deepening of Absecon Inlet in Atlantic County. The items eliminated in the allotment were \$20,000 for improving Newark Bay and cut-out; \$5,000 for Cooper River; \$8,000 for Raccoon Creek; \$10,000 for Salem River; \$3,000 for Alloway Creek; \$30,000 for Maurice River, and \$10,000 for Toms River.

The New Jersey allotments including one for New York and New Jersey jointly, as announced by Secretary of War Garrison, are as follows: Newark Bay and Passaic River. . . . . \$150,000

Staten Island Sound, New York and New Jersey. . . . . 400,000  
Raritan Bay. . . . . 20,000  
Woodbridge Creek. . . . . 6,000

Keyport Harbor, Matawan Creek, Raritan, South and Elizabeth Rivers, Shoal Harbor and Compton and Cheesapeake Creeks. . . . . 8,000  
Shrewsbury River. . . . . 10,000  
Absecon Inlet. . . . . 25,000

Another item in which New Jersey is interested is \$1,000,000 for the Delaware River below Philadelphia.

All of these appropriations are for the continuance of "going" work or for maintenance, and the sums were allotted by the army engineers, to whom Congress entrusted the division of the money.

Of the \$20,000,000 appropriated, the engineers have received \$995,220 for contingencies.

Although the ink of President Wilson's signature hardly is dry on the bill, a large element of Congress already is preparing for a comprehensive waterway measure, as they describe it, to be introduced in the session opening December 7. The "lump sum" bill, says chairman Sparkman of the committee on rivers and harbors, was accepted in belief that no other bill could be passed at this time, and with the intention of preparing and introducing "an adequate measure" at the earliest opportunity.

### SENT TO COUNTY JAIL.

Kate Davis, of the boat Blue Flower, was sent to the County jail for sixty days by Police Justice Birmingham last Saturday. The charge was for being drunk and disorderly. She was forty-five years old and was familiar with our city, having been here several times before. She, it is said, created quite a disturbance near the coal yards behind the Rippowam House and the arrest was made on Friday by the Chief of Police.

### DISCHARGED WITH REPRIMAND.

A man by the name of George Cosh got rather boisterous last Sunday night and thereby fell into the clutches of the local police. He spent the night in the City Hall and was given a hearing the next morning. It seemed that he had been attending a christening in Sayreville and had partaken of a little too much of the cup that cheers. He had been very sick for a long time and was still weak from his illness. Under the circumstances he was discharged with a reprimand.

Cosh was on his way to his home in Melrose when his bubbles burst into song and offended Officer Gleason's ideas of propriety.

### YACHT CLUB NEWS.

Regular meeting of South Amboy Yacht Club on Monday, October 12, at 8 p. m. The names of two applicants for membership will be acted upon.

The following high scores on the alleys were made during this week: R. C. Stephenson, 223; L. Becker, 216.

## John J. O'Neil In Automobile Collision

John J. O'Neil, of Raritan street, had a close call from a serious accident while returning from Perth Amboy to this city last Friday night in his automobile. With him were his two daughters and Paul Kregger, an experienced chauffeur.

The machine was proceeding up Smith street at a slow rate of speed when a car driven at a high speed came down Madison avenue to cross Smith street. The chauffeur seeing that a collision was likely steered his machine around to parallel the approaching one and stopped, but the driver of the other car turned short and struck Mr. O'Neil's car, damaging the guard and steering gear, and destroying a new tire. After causing the damage, the occupant was insolent and refused to give his name. Mr. O'Neil secured the license number of the car, which was No. 4048, and has written to the inspector for the name of the owner, and will bring suit for damages unless the owner comes forth and settles the damage.

## Jorgenson-Jones.

A very pleasant and agreeable event took place on Tuesday, October 6, as a fitting climax to Rev. F. F. Craig's labors of the past year, when about 9:30 a. m., immediately prior to his departure for the seat of the Methodist Protestant Conference, a limousine from Perth Amboy wheeled up to the parsonage and from it alighted Mr. Peter Jorgenson, the conference delegate of the church, and Miss Ellen Jones of this city as bride and groom. They were accompanied by Mr. Louis Clayton and Miss Mabel Dill, as bridesmaid and groomsmen respectively, all popular young people of the Methodist Protestant Church of this city. There were also present to witness the nuptials, Mr. and Mrs. Charles Jones, Mrs. Christopher Jones, and Mrs. Lizzie English. The hymeneal knot was tied by Rev. Craig, the beautiful and impressive ring ceremony being used.

Both the groom and bride were charmingly attired, and presented a beautiful appearance as they stood under the colonade of the new parsonage and were united as husband and wife.

Shortly after the congratulations, Mr. and Mrs. Jorgenson, with the Rev. and Mrs. Craig, entered the limousine and were conveyed to the P. R. station where they took the train for Philadelphia and from thence to Atlantic City, where Mr. Jorgenson will perform the duties as delegate and at the same time enjoy a brief honeymoon in the city by the sea. After conference they will return and occupy their newly furnished apartments on Ward avenue.

Mr. Jorgenson is a faithful and trusted clerk in the office of the Lehigh Valley Railroad at Perth Amboy. He is also secretary of the Board of Trustees of the M. P. Church, and secretary of the Ushers' Union. Mrs. Jorgenson is also one of the workers in the church, a member of the choir, assistant teacher and assistant organist, and a Home Class visitor of the Sunday School.

### TROLLEY CARS IN COLLISION.

The dense fog last Saturday morning came very near being the principal cause of a fatal accident on the trolley road between this city and Perth Amboy. A Jersey Central car was going toward Perth and when near the Bridge street switch it ran into a work car belonging to the Public Service. The work car contained only a few workmen but the other car was comfortably filled with passengers. The front of the Jersey Central car was caved in considerably and the windows of the car were almost shattered by the shock. The work car was so badly smashed up that it couldn't be moved at all for several hours and passengers had to be transferred by it. That there were no fatalities is a wonder for the cars were traveling at a fair rate of speed when the collision occurred. The fog was so dense that the motor-man didn't even suspect that another car was near until only a few feet separated the carriers.

## NIGHT SCHOOL NOW OPEN

**Has at Present Seventy-two Pupils Enrolled—Melville S. Wilding of Perth Amboy the Principal—Three Teachers in Charge—An Opportunity to Improve Self.**

With an enrollment of seventy-two pupils the night school opened in this city last Monday night. The sessions are being held in School No. 2, and three teachers are required. Mr. Melville S. Wilding, Perth Amboy, is the principal of the night school. He teaches English, Geography, Reading and Spelling. Mr. Holmes Oliver, of this city, teaches Arithmetic and Spelling. Miss Elizabeth Kerchner, also of this city, has charge of the business course department. There are about twenty pupils in the shorthand and typewriting classes. Miss Kerchner is also the commercial teacher in the day school.

Several requests have been made by the pupils for other subjects but unless more teachers are provided it will be impossible to grant these requests. Of course the enrollment would have to increase greatly before more teachers would be provided.

Unless the attendance is much more regular than it was last year the nightly sessions may be discontinued. Last year over one-third of the pupils enrolled attended the sessions only about twenty days. It will cost the Board of Education, and of course the city, over six hundred dollars to run the night schools. Pupils should bear this in mind and help to make the returns sufficiently large to warrant the continuance of the nightly sessions.

### MANDUKA TRUANT OFFICER.

The Board of Education has appointed Theodore Manduka to the position of truant officer. Mr. Manduka acted in this same capacity a year or two ago and was at that time the efficient occupant of the position that the schools had ever had. He was forced to resign the position on account of the remuneration being sufficient to recompense him for his time and trouble and the consequent results of neglect to his other business interests. Now that the salary has been rendered more attractive he has again accepted the offer of the board. As he says himself he is now in a position that he likes for he likes to see the children go to school. Mr. Manduka commenced his duties on Monday last and already the beneficial results are becoming apparent.

### A SURPRISE TO MISS PROCTOR.

Miss Elizabeth Proctor was pleasantly surprised on her seventeenth birthday last Saturday by about forty of her young friends assembling at her home on Raritan street. A delightful evening was spent by all present in playing games, singing and dancing. Many beautiful selections were rendered on the organ, and a phonograph furnished some pleasing records. About midnight refreshments were served, after which the guests left for their homes, declaring Miss Elizabeth a most clever hostess, and wishing her many happy returns of the day.

Guests were present from Hightstown, New Brunswick, Keyport, Sayreville, Tottenville, Perth Amboy and this city. Miss Proctor received many handsome gifts.

### DELIGHTFULLY ENTERTAINED.

Miss Mary Keegan gave a party and lunch to thirty-two of her friends last Saturday evening at her home, Ridgwood, East Sayreville. The young people were "right in it," and helped their young hostess to make the evening enjoyable. Music, dancing and playing games formed the principal pastimes. Beautiful selections were rendered on the piano by Miss Tansy Keegan, and on the violin by Prof. S. J. Witkowski.

The young ladies were beautifully attired in evening dress, their escorts not being any behind them in this respect. The guests left in the "wee sma' hours" of the morning with many expressions of an enjoyable time.

## Two Young Men Held for Grand Jury

One of the most sensational trials that this city has had for a long time took place in the City Hall last Monday evening. The court chamber was well crowded with curiosity seekers who had heard of the affair under investigation.

From the evidence brought out at the hearing it would seem that it was the outcome of a scrap or disturbance of some kind on Broadway near Bordentown avenue last Saturday night.

The evidence submitted by the complainant told the following story: William Chasey and his intended wife were walking along Broadway immediately preceded by Mrs. Mary Chasey, his mother, and his sister, Miss Edith Chasey. They had all turned the corner from Bordentown avenue, and had passed just beyond Menzer's store. Some one in the party of four young men who were standing on the far corner of Broadway and Bordentown avenue called out an insult that could be heard some distance. Chasey turned and asked who made the remark. Then one of the young men, subsequently identified as Frederick Ruffner, ran toward Chasey and struck him in the face. Chasey retaliated in kind and clinched with Ruffner. They fell to the ground close to the fence and Ruffner was underneath. Mrs. Chasey attempted to interfere and drag her son off Ruffner when one of the other young men mixed up in the melee. Mrs. Chasey was struck in the left eye, in the breast and kicked in sundry other portions of her person. She is troubled with an affection of the heart and as a result of the blows and excitement she had an attack and lost consciousness. Later she was removed to her home.

The fall of Mrs. Chasey was probably the signal for the cessation of the disturbance and the principals disappeared before an officer arrived on the scene. A crowd of considerable proportions had collected in the meantime.

William Chasey made complaint before the Police Justice against Frederick Ruffner and Edward Goant on a charge of assault and battery. The hearing was held before the Police Justice on Monday night. After listening to the evidence as submitted by Chasey and his counsel, Police Justice Birmingham held the two youths in two hundred dollars bail to appear before the grand jury. Bail was furnished.

The two youths were represented by Francis P. Coan and Mr. Chasey by Leo Coakley. Mr. Chasey is not a resident of this city but visits his relatives here from time to time. He comes here from Morganville. His mother has resided for several years just beyond Christ Church cemetery and has only recently moved down into the city where she took a house on Bordentown avenue.

Chasey remarked while on the stand that he could neither read nor write, but he certainly could talk. In the opinion of many who were present he was hardly what could be termed the ideal of a "satisfactory witness" by the opposition.

In holding the two youths for the grand jury the Police Justice remarked that that corner seemed to be rather notorious for the sort of thing with which they were charged and it was to be regretted that a person, especially a stranger, could not walk down town without running the risk of being hooded at and insulted.

The R. West Company, of Keyport, have a very large ad., on seventh page which should be read by all who need house furnishings. This firm is selling their high-grade stock at very low prices, as will be seen by looking over the various items.

### ANNUAL SHOWING.

I wish to remind the ladies that I am making a showing of Flower Pots, Pie Dishes, Tea Pots, Pudding Pans and Bowls—rockingham and yellow ware—the most beautiful vessels to draw tea and bake pies. Sizes in flower pots run from the smallest infant to the largest adult. At the only store on the block on Broadway, between George street and Bordentown avenue.

The Young People's Auxillary of the Presbytery of Monmouth will be held in the Presbyterian Church, Freehold, on Saturday, October 10, 1914. A fine program has been prepared.

## NEW YORK AMUSEMENTS.

## The Playhouse.

There is an actor in Mr. Joseph Brooks' company, which is now presenting the novel play, "My Lady's Dress" at the Playhouse, 48th street, New York, who is scoring the greatest success of his brilliant career. He is Leon Quartermaine, an Englishman, who has won fame in his own country for creating great stage characterizations. Mr. Quartermaine comes of a family of actors. His brother made a great impression in New York two seasons ago by his fine acting in "The Butterfly on the Wheel."

It seldom falls to the lot of an actor to fill so many different roles as it does to Mr. Quartermaine in "My Lady's Dress," and seldom still that actors make so fine an impression in portraying so many widely dissimilar characters as he has. In this brilliant play by Edward Knoblauch, author of "Milestones" and "Kismet," Mr. Quartermaine assumes no less than six distinctive characters, which form a theatrical feat of great importance. The theme of "My Lady's Dress" is the extravagance of women in dress. In the opening scene Mr. Quartermaine takes the part of John, whose wife is Anne. She is a great lover of fashionable clothes, and orders a dress beyond her means. The husband reproves her. Then she takes a drug and has a dream. The succeeding six scenes or periods are supposed to depict what Anne dreamed, and show the great amount of suffering and misery that is entailed upon the working who create the various materials that go into the making of a woman's modern gown of fashion.

In the first episode of the dream Mr. Quartermaine assumes the character of Gloann, an Italian peddler, who loves Nina. Nina is very pretty. She does not return Gloann's affection, for she has given her heart to Peter. Then for spite Gloann opens the windows in the room where the silk cocoons are working, which kills them.

Quartermaine then appears as Joanny, a good-hearted and convivial silk-weaver in Lyons. There is an invalid weaver whose imperfect work has been rejected by the inspector. Joanny substitutes his own perfect work, and saves the invalid and his wife from hunger.

It is a radical contrast between the character of the silk-weaver and Johnker, the wealthy fop, who buys fine lace of Antje, the Holland lace-maker, and then falls in love with her. As Johnker, Mr. Quartermaine is an elegant, polished dandy of the period, which is supposed to be in the year 1650.

The next shifting of the scene shows Mr. Quartermaine as Ivan, a fur-trapper in Siberia. Ivan is a man of breeding and an anarchist. He marries a peasant woman who betrays his love. She confesses, and the trapper leaves forever his wife and child to his false friend, and returns to civilization.

Then as Jack, a costermonger, and friend to Annie, the crippled artificial flower-maker in the Whitechapel, his act is very finished.

One of Mr. Quartermaine's most difficult roles in "My Lady's Dress" is that of Jacqueline, head of a fashionable London atelier. In this part he is an exquisite of exquisites, unscrupulous and hard. Finally he drives one of his pretty girl mannequins too far in a dishonorable bargain, and she kills him with a pair of shears.

## Grand Opera House.

Virginia and Washington, D. C., have at all times been most prolific fields for authors and playwrights, not only because of the unusual variety of off and interesting characters, but for the historic and picturesque scenic points of interest. The scenes of J. Leubrie Hill's three act musical comedy, "My Friend From Kentucky," which the Darktown Follies of 1914 will present at the Grand Opera House, one week starting Monday, November 9; matinee Wednesday and Saturday, are laid in Virginia and Washington and an abundance of appropriate and massive settings are essential to a complete production. The comedy is not only of the unctious and sparkling kind, but it is clean and wholesome appealing particularly to lady audiences. The musical numbers and the novel dance oddities are skillfully interwoven so that they do not detract from the interest of the plot. The performance will be given identically as seen during the year's run of the play at the Lafayette Theatre, New York City, which is a record never before enjoyed by a colored aggregation of celebrities. Unusual care has been displayed in the casting as well as

## Y. M. C. A. DEFEAT BRUNSWICKS.

Last Friday night the local Y. M. C. A. first team defeated the Brunswick bowling team from Keyport on the local team's alleys. There were only two games bowled as the match was to go to the winner of the best out of three games. The games were very interesting throughout. The local team won the first game in a walk-away but the second game was won by the extremely narrow margin of three pins. To Stephenson belongs the credit for winning the second game. His strike in the last frame and his whirlwind finish after that just pulled his team's score up enough to end the match. The Brunswicks are, or were, last year's champions of Monmouth county on the bowling alleys and the local players were quite elated over their victory.

The scores of Friday night's game follow:

## MARINES ANXIOUS FOR GAMES.

The Marines are now without a home court upon which to stage their home games in the basketball field. The Neptunes have taken over the court that the Marines at first used and the latter team will therefore have to arrange to play any games they may schedule away from home. Manager Carl Larson has expressed his intention of booking traveling games for his crew. The Marines are a very fast junior team and have already established quite a reputation for themselves. Most of the players used to play with the Neptune Juniors and Midgets. It was at first thought that the Marines would be absorbed by the Neptunes, but this now seems not to be the true state of affairs.

## SPORTING NOTES.

Eddie Reagan, the Riversides right forward, beat the Michellin team single handed at Keyport last Saturday night. At least he scored more points himself than the whole bunch of the other team.

South Amboy wasn't represented on the All County Five in the game at Fishers Hall last Monday night.

the costuming of the production which is one of the most important assets. In the cast are Harper & Gilman, Gaines & Brown, Sallie Byrd Dillen, Byron Robinson, Ada Guy, Abbie Mitchell, Toots Davis, Julius Glenn, Ethel Williams, Mae Brown, Johnnie Peters, Will Brown and others. One of the swiftest and classiest choruses of singing and dancing types is a most pleasing feature. The company numbers some sixty people. The production is complete in every detail.

## REPORT ON NEW JERSEY CROPS.

Washington, D. C., Nov. 5.—The Crop Reporting Board of the United States Department of Agriculture has just completed its estimate of the acre yield of the principal farm crops of New Jersey for this year. The estimates are based on crop conditions during the early part of October. The final figures will be given out within a short time, but it is reported that they will not differ to any great extent with the preliminary estimates. According to the figures the yield per acre of the principal crops of this State in 1914 will be as follows: Corn 44.2 bushels; Buckwheat 27 bushels; Irish Potatoes 132 bushels and Sweet Potatoes 155 bushels.

The kicker should consider the bull-frog, how he croaks; he has been croaking now for several thousand years, but nobody yet has ever taken him seriously.

## SEASIDE A. C. ORGANIZES.

Although the football season is supposed to be well under way a new team crops up every once in a while. Another local team has been organized and is desirous of arranging games. The average weight of the Seaside A. C. is about 140 pounds and this organization is looking for other teams of about this same weight. Manager T. J. Carroll, of Augusta street, is the one selected to lead the new team.

Many of the players have done good work in the pigskin game in past seasons. The team lineup is about as follows: E. O'Connor, left halfback, S. Press, fullback, E. J. Carroll, right halfback, J. Leary, left guard, Ed. Covell, left tackle, G. Gregg, left end, R. Kress, right tackle, F. Thompson, right guard, J. Moran, right end, J. O'Leary and J. Triggs, utility, W. Lyons, quarterback.

Manager Carroll is anxious to book games with Metuchen, Woodbridge, or Staten Island Royals, and teams of similar weight and ability.

## Y. M. C. A. AGAIN DEFEAT

## BRUNSWICKS OF KEYPORT

For the first time this season the Brunswicks, of Keyport, were beaten at bowling on their own alleys last Monday night. The local Y. M. C. A. first team were the boys that turned the trick. Ingraham, the captain of the local team, rolled up the highest score of the game for his side and Moore was the high score man for the Keyport team. Stephenson was also prominent in the high scoring. Dixon ran up 178 points in the second game of the match.

This match went the three games, and the local team lost the first game and won the remaining two. The match was to go to the winner of the best out of three games.

After winning this game from the Brunswicks the local team are of the opinion that they have reputation enough to merit and entitle them to a match with the local Yacht Club. It is understood that the Y. M. C. A. wanted to play this team some time earlier in the season, but were told to go and get a "rep." Now they have defeated the champions of Monmouth County twice hand running they are preparing to scalp the Yacht Club. Just who will issue the challenge is doubtful.

The score of Monday night's match was as follows:

Y. M. C. A.		
Ingraham	168	211

## A Favor She Won't Ask.

"Aunt Clara," said four-year-old Flossie, "I want to ask a favor of you." "Well, what is it, dear?" asked her aunt. "When I grow up," continued the little miss, "will you lend me one of your long skirts until I can have mine let down?"—Chicago News.

## How to Tell.

"How can you tell when a woman is only shopping?" "When they intend to buy they ask to see something cheaper. When they're shopping they ask if you haven't something more expensive in stock."—Louisville Courier-Journal.

## Its Moral Advantage.

"Aviation is usually conducive to the control of one's temper."

"How so?" "It would never do when several hundred feet up in the air for one to get put out, would it?"—Baltimore American.

## TRY THIS FOR YOUR COUGH.

Thousands of people keep coughing because unable to get the right remedy. Coughs are caused by inflammation of Throat and Bronchial Tubes. What you need is to soothe this inflammation. Take Dr. King's New Discovery. It penetrates the delicate mucous lining, raises the phlegm and quickly relieves the congested membranes. Get a 50c. bottle from your druggist. "Dr. King's New Discovery quickly and completely stopped my cough" writes J. R. Watts, Floydale, Texas. Money back if not satisfied, but it nearly always helps.

## SOME JOTTINGS COLLECTED BY OUR REPORTER WHILE GUNNING ABOUT THE CITY.

Evidently some people don't believe the County Clerk's office can be run more economically.

That Mayor Dey got some votes in this city there can be no doubt.

That "Alderman-at-Large" seems to be a new title for our city officials.

We don't know much about guns, but when a man can't hit a target six feet wide and ten feet high at twenty feet distant with a shotgun, we are inclined to think he needs practice.

As usual, the girls masquerading as boys on Halloween betrayed their real sex by carrying a club to conceal their identity.

## RURAL TELEPHONES.

The telephone is one of the most profitable business agencies that the farmer can employ. It affords him facilities for keeping in constant communication with the markets, provides a sitting room for the community where the families can assemble and discuss the events of the day without the inconvenience of travel or loss of time, and in sickness and emergencies, it renders a divine service. New Jersey farmers should encourage the building of telephone lines. Local co-operative companies can be formed and country lines built at small expense.

A town isn't all main street; new porches are as important as new pavements.

## Placing the Minor Planets.

The discovery of minor planets still goes on apace. During the year ended June 30, 1913, sixty-seven of these bodies were given provisional numbers, though five of these subsequently proved to be old members of the asteroid family. Of the remainder, nineteen were discovered at Heidelberg, seven at Johannesburg, nine at Vichatel, eleven at Simeis, three at Vienna and thirteen at Winchester. All minor planets from No. 1 to 727 have now been named.

POTATOES and APPLES

At Wholesale and Retail, Direct from the Farm to the People of South Amboy.

Having peddled in this city for five years and finding my success growing to such extent that I could not cart it by wagon, I have decided to open a store and have it shipped by car load, where I will have produce on hand at all times. At present I have 200 bushels of enormous potatoes, which are very fine cookers and winter keepers. I also have some fine eating and cooking apples—50 barrels at present and another cargo soon.

My vegetables are strictly fresh from the farm and will be sold at peddler's prices. Satisfaction or money refunded. All goods delivered free of charge. Good service with all orders. Please give me a call.

## CARD OF THANKS.

The undersigned wishes to express their sincere gratitude to all who assisted during the illness and at the burial of their son; and also to those who sent flowers.

MR. AND MRS. MICHAEL LEONARD and family

A town is like a girl; it's a wonder what a little fixing up will do for it.

## ODDS AND ENDS

Election is over. Are you happy?

This city felt some of that Republican landslide on Tuesday.

No session was held in the local night school on election night.

A number of people lost their vote on Tuesday by forgetting to register.

Automobiles were brought into use on Tuesday to rush voters to the polls.

The new fire plug was put in position near the corner of John street and Broadway last Wednesday.

Mr. C. M. Himmelberger has moved into his new home on the corner of Stevens and Bordentown avenues.

Capt. William Parison has given a contract to Fred Wheeler for building a bungalow at Henry and Rosewell streets.

South Amboy Council No. 428, K. of C., will hold their fifteenth annual reception in St. Mary's Hall, on December 31.

The Ladies' Auxiliary of the M. P. Church are already planning for their annual chicken supper to be held in February.

While loading ice in the ice house at Gushue's last Saturday morning, Michael Scully dropped a cake on his foot and bruised it rather badly.

Tonight (Friday) the Y. M. C. A. Jr. bowling team will journey to Keyport and try for victory over a team called the All Stars of that place.

In the year and a half that the Rev. J. E. Shaw has been pastor of the Methodist Episcopal Church in this city he has performed twenty-one wedding ceremonies.

John B. Edwards, Jr., who recently underwent an operation at the Perth Amboy Hospital, is still confined to the hospital, and is getting along as well as can be expected.

After some alterations are made to the house on Stevens avenue just vacated by Mr. Himmelberger, Howard D. Littell and his new bride will make their home therein.

Fred Wheeler has purchased of the New York and Long Branch Railroad the brick house on the westerly corner of First street and the railroad. He will tear it down, and remove the material.

William Lamberton, of George street, has resigned his position in Gordon's store and accepted an opening in the local offices of the Public Service Gas Company. He commenced his new duties on Monday last.

The Ushers' Union of the M. P. Church will hold an oyster social in the basement of the church Friday evening, November 13. Anyone wishing to have their supper can come and be served at 5 p. m. or later.

Prof. Wm. A. Coyle, Jr., of Yonkers, N. Y., is in this city making arrangements for the opening of a class in modern dancing. Prof. Coyle is a well known authority of the Terpsichorean art and expects that he will be able to hold a class sometime this month.

Miss Helen Glick, daughter of Mr. and Mrs. George Glick, of Pine avenue, was taken to the Perth Amboy City Hospital last week for an operation for appendicitis. The operation was performed the day following Miss Glick's admittance, and she is now recovering rapidly.

The Ladies' Aid of the M. P. Church will hold a social and business meeting on Wednesday afternoon at the home of Mrs. Frank Petty on Second street. All members and those not members are cordially invited to attend as business of importance is to be attended to.

The Ladies' Aid Society of the M. P. Church have decided to indefinitely postpone the Dime Social that was planned. Instead of having the social each member of the sect will be asked to give a dime toward getting a kitchen shower for the kitchen in the basement of the church.

A clam chowder sale was held in the M. P. Church on Thursday morning and was an agreeable success not having enough to fill orders. The ladies have the reputation for chowder and therefore have no trouble to make sales. They also quilted a quilt on the same day. They are

SATURDAY, NOVEMBER 7, 1914.

We are pleased that Hon. Thomas J. Scully has again been elected to congress, and believe that the people of the district have made no mistake. For a man who has done so much for his district and has under way such vast projects of vital importance to this section it would have been almost suicidal not to return him. The best thinking voters, regardless of party, who have been following his work in congress closely, knew this and gave him their support.

The trustee officer necessarily meets with some opposition on the part of the parents of children in the performance of his duties. This opposition is something that should not exist at all. The State law requires each school district to have an attendance officer whose duties are, in the main, to uphold the laws obliging all children within the statutory limits to attend a school, or otherwise receive educational instructions equivalent thereto, unless some satisfactory reason interferes. The performance of these duties is not always pleasant as our local attendance officer recently found. For anyone to vilify a man, as he was, for performing the community a real service is unjust. However, he should find some consolation in the fact that his acts have the approval of the best people in and about the city and as to the rest he need not care. There are always a few who act upon a perverted point of view and say things without due consideration which they afterwards regret. Mr. Manduka will undoubtedly feel amply justified in prosecuting the case we have in mind still further, if the child is not sent to school. His leniency so far is not duly appreciated.

## BOYS SEVERELY REPRIMANDED.

James McCarthy, Leo McCarthy, Phillip McGuire, William Disbrow, Latimer Penny and Brinton Penny were arraigned before the Police Justice last Friday evening on a charge of defacing and destroying the property of the South Amboy Yacht Club on Sunday, October 18. Witnesses were produced by the trustees of the Yacht Club whose evidence tended to show that the boys were at the least guilty of trespassing if not of the graver charge. Although the boys pleaded not guilty to the charges entered against them the Recorder was convinced of their guilt. There had been some window panes broken of the banisters and still another of the banisters and still another of the too odious to mention.

After considering the time Judge Birmingham and one of the most severe he has probably ever. While not wishing to mar prospects for the future by sending them to the reform school, the young lads that were they would go if a complaint ever again entered against any of them. With this reprimand and a promise exacted that they would henceforth stay away from this property the boys were discharged. The parents of several of the boys were present at the hearing and some of them afterward thanked Mr. Birmingham for his clemency and expressed the opinion that the rebuke administered would be more beneficial to them than any punishment they themselves could devise. The trustees of the Yacht Club at first intended to be very severe, but when they saw the extreme youth of the offenders they relented a little although still being desirous of teaching them a lesson that they would not soon forget.

## UNCLAIMED LETTERS.

List of letters remaining unclaimed for the week ending November 7, 1914:

William Applegate, Edward Chapel, Louis Dunstrie, (2); Randolph Green, Housekeeper, 85 Catherine St. These letters will be sent to the Dead Letter Office in 30 days. When calling for the above please say "Advertised."

Have Monaghan put some of his patent Frost Proof Covering on your water pipes. Avoid the trouble and expense of freezing and bursting this winter, it's cheaper; do it now. 3w

The revival services in the M. E. church this week are evidently a success.

## Supreme Court Reviews Fitch Case

The action of the Board of Education of South Amboy in removing Russell M. Fitch from his position as supervising principal of schools, after 18 years of service, was reviewed on appeal before Part II. of the Supreme Court Wednesday. His removal was sustained by the commissioner of education and the State Board of Education, to which appeals had been taken.

Mr. Fitch based his appeal upon the ground that he was protected by the tenure of office act of 1903. The charges on which he was tried by a committee of the local Board of Education were preferred against him by E. E. Haines. One of the allegations was inefficiency. It was contended for Mr. Fitch that the action of the local board in referring the case to a committee deprived him of a legal hearing. Others defects in the proceedings, including lack of definiteness in the charges, were also alleged.

## CHYRSANTHEMUM SUNDAY

## ENJOYED AT M. E. CHURCH

The Chrysanthemum and Memorial Sunday services celebrated in the Methodist Episcopal Church last Sunday will undoubtedly be long remembered by those of the congregation who attended. The Sunday School room with its profuse decorations of flowers made a very impressive appearance. There were at least a hundred bouquets of flowers that had been donated by various members for the decoration of the graves of the departed members of the congregation. These were placed upon a table placed for the purpose in front of the organ and were also placed at various other points throughout the room. After the session of the Sunday School the pastor, teachers and scholars marched to Christ Church cemetery and laid the flowers upon the graves of the departed dear ones. Upon the whole the occasion made a very decided impression upon all concerned therein.

In the morning an appropriate sermon was delivered by the pastor and an unusually large number were present to hear it.

In the evening the pastor spoke upon the "Three Judgments" as presented by St. Paul in the fourth chapter of Acts. The church was completely filled at this service. At both the morning and evening services the church was richly and handsomely decorated with chrysanthemums. As stated before the services were a grand success from every point of view and the revival services which began with these services received a most encouraging and enthusiastic sendoff.

During the balance of the week the revival services continued to draw large attendance. On Monday evening the pastor, Rev. J. E. Shaw, conducted the services but on Tuesday evening he was assisted by the Rev. H. C. White, pastor of the Presbyterian church, of this city who preached the sermon. Wednesday evening the Rev. Z. T. Dugan, pastor of the Methodist Episcopal church in South River, preached the evening sermon. On Thursday evening the Rev. L. L. Hand, of the Milltown M. E. Church, preached the sermon. Tonight (Friday) the Rev. E. R. Tilton, of the Baptist church in this city, will preach a sermon that will doubtless be well worth listening to. At the services on Tuesday night Miss Helen Gluck, of South River, sang a beautiful solo which was very much appreciated by the congregation. Miss Gluck sings in the choir in the church at South River. The other services of the week were equally interesting and the attendance was very large.

While the arrangements for next week have not yet been completed it is confidently expected that the Rev. Addison Mason, of Buffalo, N. Y., will be the one to deliver the sermon at the services on Wednesday night. These services will continue throughout next week and it is hoped that they will be well appreciated and attended.

CAR AND BRIDGE DAMAGED  
BY GAS MAIN EXPLOSION

Forty men and women passengers were thrown into a panic and Motor-man Charles Hultz was badly cut and otherwise injured, when a trolley car of the Monmouth Traction Company was partly wrecked and the Throckmorton bridge, in East Front street, Red Bank, torn up and badly damaged Wednesday by the explosion of the gas main.

The report was heard for miles around and many houses near and far were shaken as if by an earthquake. Some of the natives thought the world had come to an end, while others less superstitious imagined it was a celebration over the big Republican victory in Red Bank.

## PAST COUNCILLORS

## TO HAVE BIG PARADE

The Past Councillors' Association are making elaborate preparations for the big Junior Mechanics Parade that will be held in Perth Amboy on next Wednesday evening, November 11, in conjunction with their regular monthly meeting. The Past Councillors' Association have a different point for each meeting of the year and one meeting is held each month. This makes twelve towns and cities that are thus honored at least once a year. At each of the meetings some important question is taken up and discussed at length. Questions such as these are: "The Public School," "The Bible," "The Immigration Questions," etc. This month the subject is that of "The Uniformed Guards" and the meeting will therefore be known as "Guard's Night."

The Jamesburg concert band and the New Market cornet brass band will furnish the music for the parade, which will be in three divisions. In the first division will march the uniformed guards of every Junior Council that can be present. The second division will consist of members in civilian attire from every council in the county each carrying an American flag. In the third division there will be a number of decorated automobiles and floats. It is expected that the floats will portray the principles for which the Order stands, i. e. "The Bible," "The Flag," etc.

A silver loving cup has been donated by one of the prominent members of the association and this cup will be given to the uniform guard making the best appearance in line. The judges will be Mr. Edgar T. Humphrey, of Nutley, adjutant general of the uniform rank and two other prominent men of the uniform rank. These gentlemen will also be speaker at the meeting following the parade.

Mr. A. R. Chatten, of Joel Parker Council, of this city, is to be marshal of this grand parade. Mr. Chatten is the father of the Past Councillors Association and is its first Junior Past County Councillor. In consideration of this honor Joel Parker Council will be expected to turn out in great shape for this parade. The members of the local Council will meet at their rooms in the K. of P. Hall next Wednesday evening not later than a quarter after seven o'clock. Then they will go in a body to our sister city across the Raritan. A special committee has been appointed by the local Council to personally invite every member of the Order in or about this city. If they should miss anyone they desire that the members come anyhow for if they do not see everyone it will be because it is, for one reason or another, absolutely impossible.

## BIRTHDAY PARTY.

By way of a celebration little Miss Cecelia Medinets was given a party by her parents, Mr. and Mrs. Samuel Medinets, Thursday afternoon of last week. The occasion for the celebration was to mark the passing of the fourth birthday since little Miss Cecelia came to bring joy and gladness to her parents hearts. There have been others since but he first one, after all, is the first one. There were a number of little guests at the party which began about half-past three in the afternoon. The time was passed in the laying of games in which huge delight is always taken by the little ones. Soon the time came for refreshments and these, too, contributed not a little to the joy of the occasion. When the hour of seven

drew near the little tots repaired to their homes after wishing, in their own way, Miss Cecelia felicitations of the day. Amongst those present were the following: August Blum, Elmer Eulner, George Wieman, Samuel Cohn, Elizabeth MacIntyre, Ruth Whitten, Tootsie Natchin, Ruth Samuelson, Ray Cohn, Thomas Press, Catherine Cohn, Helen Press, Helen Mullen, Sidney Cohn, Sophie Rosenthal, Oscar Reiner and Rose and Leon Seamer, of Perth Amboy. The rooms where the party was held were decorated in the most approved Hallowe'en manner with lanterns, etc.

## HIGH SCHOOL NOTES.

Last Friday evening a large delegation of the Alumni Association of the High School met at auditorium of the school to transact important business. Mr. Percy Locker acted as Chairman, and in his usual statesmanship manner conducted the proceedings to the satisfaction of all present. First in order was the election of officers for the ensuing year:—President, Percy Locker; Vice-president, Lee Larew; Secretary, Miss Applegate; Assistant Secretary, Miss James; Treasurer, Milton Rue. After some discussion, in which much eloquence was displayed, it was decided that one dollar a year be the dues, and that it be paid in two payments.

That all should feel assured the spirit of glad hand was on the tapis. It was unanimously decided that all the former graduates whether they came under the two, three or four years graduating course, were welcomed and urged to join the Alumni Association.

Banquets these days are necessities, and not to be up to the minute is to pull down the shade and knock, but this was not the spirit of the Alumni Association; so when the motion was made to have a banquet in the near future, why those present began to clear their throats, and one after another gave vent to their oratorical ability. Several dates were mentioned, but to select a time suitable and convenient so that a large delegation of high brows could be present, was perplexing. Finally the results of cogitation solved the problem, and amid hearty applause, Thanksgiving Eve was selected.

The High School Junior Basketball Team is commanding the respect due them. Last Wednesday evening they played with the Sea Sides. At the close of the contest which was played in Columbia Hall; the opposing team could see which side won. The Juniors won by a close score of 8 to 7. Following was the lineup of the Junior High:—C. Forgotson, Dey, guards; Fox, center; Scully, Wm. Forgotson, J. Thorpe, forwards. The Sea Sides' lineup was as follows:—Conway and Carroll, forwards; Otell, center; Trinley, Letts and Fitzpatrick, guards.

Alarm clock purchased by the school. Why? To wake up the football team.

Some of the Seniors have twisted mouths, trying to write the life of Daniel Webster in shorthand.

"I wish I was a writer of Ancient History" said a Freshman recently. "Why?" replied the teacher. "Oh cause they have the advantage over us, they can lie and not get caught at it."

Last Monday Miss Buchanan resumed her school duties. Judging from the smiles and greetings she received, she was as welcome as the roses in June. During her illness she received a very attractive basket of fruit from the Seniors.

Muscular development as well as mental power is highly endorsed by Prof. Hendrickson. If you have your doubts, just size him up. On the strength of this the High School Athletic Committee hopes to secure the use of the Y. M. C. A. bowling alley. Prizes will be awarded, so just watch the indicator, as some bowling stunts of A. No. 1 skill will soon be forthcoming.

Hallowe'en night was not a quiet one for Miss Broat and Miss Kerchner, as a surprise party was given them by the Senior class and their escorts. They were all dressed up as spooks, and when they arrived at the boarding place of the popular teachers, the young ladies received a spookiey surprise. Games were played that created much merriment, after which refreshments were served. The following Seniors and their escorts were present:—Hazel Mason, Estelle Brisk, Hazel Compton, Anna Mundy, Ella Bennett, Claveria Larew, Mildred Learner, Kathryn Himmberger, Helen Agan, Frank Grace, Harold Stephenson, Robert Kerr, Harold Dayton, Henry Nelson, Everett Dill and Newell James.

## COLLINS WINS STAKES.

Great excitement was had on Henry street on election day, and the sports were out in large numbers. The cause was due to a dispute as to which of two horses was the speediest, Nicholas Kennedy would have it his way, and to show his good faith placed a large wager in the field. The famous horses that afforded the sport were owned by James Collins and John Kays respectively. Kennedy considered that Kay's horse was speedier than Collins', and in fact was certain of it. Collins, always a game sport, was willing to place his horse in contest and a race was arranged. Henry street was selected as a track, and the horses started. From the start Collins' horse showed his heels, and proved that Kay's horse was entirely outclassed. Collins then claimed the stakes, and after receiving same divided it with his opponent. And now Kennedy is wondering what he is to get out of it.

## HALLOWE'EN SOCIAL.

The Hallowe'en masquerade social held in the basement of the John street church last Saturday night was a huge and screaming success. There were some hundred and fifty tickets for admission given out. Several nice little gifts were given as remembrances for the best getups, funniest costume, etc. Even the "devil" himself went to church that night and enjoyed the good time. Various games were played and much amusement derived therefrom. The rooms were decorated in true Hallowe'en fashion and a most pleasing sight met the eye upon entering the door. The children present were very busy all the evening trying their skill at the different amusements provided and even many of their elders were persuaded to take a hand to the huge enjoyment of all the onlookers. It's too bad that Hallowe'en won't come again for another whole year.

## WOMAN'S CLUB LYCEUM COURSE

For Our Community This Season a  
Notable One—The Club Has Ar-  
ranged a Feast of Good Things in  
Entertainments That Will Not Only  
Entertain, but Instruct and Inspire.

A feast of good things in entertainments that will not only entertain, but instruct and inspire, has been arranged for our community this season. The Lyceum Course is becoming more and more a permanent institution in every town and city. Some communities which have had a Lyceum course for years boast of a larger per cent. of their young people in colleges than towns of similar size in the same localities which have not maintained a course. Many of our national problems, now considered paramount, were first presented in a forcible manner to the American people from the Lyceum and Chautauqua platforms. Much also has been done to elevate music and the entertainer's art from these platforms and to abolish or decrease the attendance upon mediocre and questionable shows.

The course of entertainments which are to appear here this season is booked through the Redpath Lyceum Bureau, the oldest and largest Lyceum in the world. The course will consist of the following attractions:

**THE HUSSAR QUARTET.**  
As the name Hussar indicates, the program of this company echoes the life, the vigor and the dash of the German soldier. The military uniforms

THE HUSSAR QUARTET.

are of the Hussar type and decidedly becoming and full of splendor.

In the program there is also an informal recital of some of the classics presented in evening dress, as well as a fifteen minute suggestion of American college life, given with the action and in the garb of the athletic field.

At times rollicking songs and stories are introduced. The members of this quartet are ambitious, manly and musical fellows, with all the enthusiasm necessary to present a program in which there are no tiresome waits.

In addition to vocal work they present instrumental selections on the cornet, piano, slide trombone, euphonium and mellaphone.

Will appear in K. of P. Hall, on Friday, November 13, under auspices of the Woman's Club. The entertainment will prove a great treat to all who attend.

### MISS MARJORY LACEY.

In presenting Miss Marjory Lacey in "Everywoman" the Redpath Bureau is introducing an attractive, competent and worthy young artist and also is providing a means by which the great masses of people may listen to an artistic and forceful interpretation of a

MISS MARJORY LACEY.

most wonderful play—a story that grips, that dispels the allurements of

the stage and high life and one that every young person especially should hear.

Miss Lacey on her tour last year under Redpath management made a great hit everywhere, and there have been many calls for return dates.

### THE MAURER SISTERS ORCHESTRA.

The Maurer Sisters Orchestra is about to enter its ninth year on the Lyceum and Chautauqua platforms. This organization had five years' experience before coming to the Redpath Bureau, beginning to play in public very young in years and making good from the very start. In fact, the Redpath Bureau has never had a company of young women of whom it has felt prouder and received better reports than the Maurer Sisters.

The first two years they were with the Bureau they were known as the Orchestral Entertainers.

For versatility on musical instruments the parallel of the Maurer Sisters is seldom found. In this respect they fill an important place in the Lyceum, for there is much demand for just such a combination. The only reason that there are comparatively

MAURER SISTERS ORCHESTRA.

few such companies is because versatility in music is so apt to be accompanied by mediocrity. Especially is there a demand for this kind of an organization where large door sales are a consideration to the committee. Pictures of numerous instruments and promises of a widely varied program attract young and old from far and near.

Some of the features of the Maurer Sisters' program are cornet solos with orchestral accompaniment, flute solos with piano accompaniment, violin solos with piano accompaniment, whistling solos, cello solos, violin and flute duet, humorous readings, orchestral numbers with piano, violin, flute and cornet; ensemble vocal numbers rendered in conjunction with orchestral music.

Characters in the Hinton-Verdi Co. to Appear Feb. 4, 1915.

### Germany's Uhlans.

The uhlan hussar was borrowed from the Polish military system. Uhlans means simply lance. Hussar is a word that comes from the language of the Hungarians, meaning twenty. It commemorates the time when every group of twenty men in the kingdom was required to furnish one cavalryman. So it means the representative of twenty men. The word dates from the time of Matthias Corvinus, when in national Hungarian levies every twenty men had to furnish one fully equipped horseman, who, in accordance with the fact, was called "hussar."—Brooklyn Eagle.

### Place Names in England.

England can boast that no other country possesses so many Scriptural place names as it does. The name of Jericho occurs six times on the ordinance maps, Paradise five times and Nineveh, Mount Zion, Mount Ararat and Mount Ephraim three times each. In Bedfordshire there is a Calvary wood and in Dorsetshire a Jordan hill.

### Young Skeptic.

"Oh, dear me, I told my little girl there wasn't any Santa Claus."

"Well?"

"And now she won't believe in Satan."—Louisville Courier-Journal.

A new book case was recently installed in the office of the city superintendent of schools. It is well filled with the various textbooks that are being used.

## CHRIST CHURCH CHRONICLES

The New Jersey State Sunday School Convention will meet in Newark Tuesday, Wednesday and Thursday, November 17, 18, and 19. Entertainment at \$1.00 per day (lodging and breakfast) may be had by sending in the entertainment blanks. The Rector has a few of such blanks and trusts that there may be a number of delegates from the Christ Church Sunday Schools.

The Girls' Friendly Society sent off a fine box for the World's Christmas Ship on last Tuesday.

Beautiful flowers for the Altar were provided on All Saints' Day by Miss Mary Campbell and Miss Morey Hillmann.

The teachers and officers of all the Sunday Schools of Christ Church Parish are hereby gently reminded that they are expected to attend the Monthly Council which meets tonight (Friday) at the home of Mr. and Mrs. William P. Nichols, 128 Henry street, in order that plans may be made for a Christmas entertainment.

The Woman's Guild of Doane Memorial Chapel met with Mrs. A. H. Behn on Tuesday afternoon. The Rector, being out of the city, was unable to attend, but a goodly attendance, a profitable business session and substantial refreshments are reported. These monthly meetings of the ladies of the D. M. C. are always pleasing, harmonious, and altogether delightful.

St. Martha's Guild will hold its regular monthly meeting in the Parish House on next Tuesday afternoon at 2.30 o'clock. We regret the probability that the President (Mrs. Joseph Wilson), who has been seriously ill for a week past, may not be in attendance, but it is her wish that the ladies go ahead with the meeting and finish their plans for the Rummage and Bakery Sale which is to be held on Friday and Saturday, November 19 and 20, in the Hubbard building on Broadway.

The Boy Scouts will meet in the Parish House on next Wednesday evening at 7.30. Those who have not yet paid the annual registration fee (25 cents) will please come prepared to do so at this meeting.

The Altar Guild will hold its annual meeting for the election of officers in the Sacristy of the Parish Church tomorrow (Saturday) afternoon at 4 o'clock.

We heard once upon a time of a Rector who kept a list of church members which he called "The Crypt." The Crypt, be it known, is the recess or vault under a church where the dead are interred. But this Rector's "Crypt" included only the spiritually dead of the parish; the people on the church roll who count one but weigh nothing, who do not work, who do not give, who do not pray, who do not worship, whose only possible service is to swell the membership roll, which kind of service, by the way, is a mighty doubtful one. We are glad that Christ Church Parish can boast of a goodly and faithful band of soldiers of the Cross who are as strenuous and courageous and loyal as can be found anywhere. Nevertheless, it is to be feared that we have some material for "The Crypt." "Awake, thou that sleepest, and Christ shall give thee life!"

An event of considerable importance is the approaching meeting of the Men's Club on next Tuesday night at 8 o'clock. There will be a splendid program of entertainment, absolutely free for all the men of the Parish and community, whether or not they are members of the Club. The Rev. W. Northey Jones, the new Rector of St. Peter's Church, Perth Amboy, an interesting and attractive speaker, will give us his great lecture, illustrated with beautifully colored stereopticon slides, on "Westminster Abbey." The new Reflectoscope, which the Rector has ordered and which will be installed by that date, will be used for the first time. It is probable also that a New York expert will be present and demonstrate the apparatus, which not only projects slides but, equally well, post-cards in their colors, pictures from books and magazines, and any opaque object. The new machine represents an investment of nearly \$300 and will be available for use not only by the Men's Club but also for the Sunday School and, in fact, for any organization of the Parish. There should be a large attendance at this meeting Tuesday night. Every male member of the Parish is invited. Let the membership of the

Men's Club be swelled at once to 100 members. We believe that this organization is certain to become an influential factor socially and intellectually, in the life of the community.

### BAPTIST CHURCH NEWS.

The morning topic for Sunday, November 8th, will be "Our Ever-present Helper," and for the evening "Power with God."

The "Hallowe'en Social" held on last Saturday evening was a charming success. There was nothing in the character of the social to mar the feelings of any one. It was an evening of pure and chaste pleasure. Such a social is greatly to be desired.

The Pastor was greatly cheered by good congregations the entire day; the night service being the most largely attended since his coming to this field. How much all the Pastors would be helped and inspired to be and do their best if all the pews could be filled with auditors gathered together "to hear all that the Lord should speak to us." "Do not forsake the assembling of yourselves together as the manner of some is." The church needs you and you need the church, and the Lord hath need of us all.

When coming into the house of God be not anxious to see how quickly you can fill up the rear seats. All seats are at your disposal and free to your choice. Advance to the front and leave the rear pews to those coming in later. As has been well said, "We cannot wonder that common sinners should get beyond the range of gospel guns, where only spent bullets are likely to reach them; but surely it is not too much to expect that ordinarily intelligent christians should put themselves; when they go to church, well within the power zone of the preacher's personality."

On Monday evening a large number of the young people of the church came enmasqued into the parsonage. Quite a little pleasure was had in testing the ability of the pastor and family, in penetrating the masques and discovering just who the visitors were. A splendid social evening was spent, and cocoa, fruit and cake were dispensed. The "immediate cause" of the gathering was to honor Mr. Wm. R. Tilton, a son of the pastor, who was home on an "over-Sunday" visit, from his duties at the Jefferson Medical College in Philadelphia. The occasion was an enjoyable one, and we shall be glad to be visited often by our young people.

Rev. F. W. Overholser, pastor of the Baptist Church of Netcong, spent Monday night at the parsonage.

Now that the election is over may we not confidently expect some of our friends who have been so busy "campaigning" to spend a little time frequenting the churches and using their god-given energies for the sake of the Kingdom of God? Manly men are much needed for this paramount work; and the opportunities are great. A glad welcome will be extended at our church to all such.

Our Bible-School Classes are now in a spirited campaign to raise the last payment on our new piano. We bespeak for them the cordial support of all our friends.

We are glad to know that some in our midst are considering the matter of yielding themselves to the Lord. May the spirit of God come in mighty power to all of our children; and may the Kingdom of God be quickly formed in the citizens of our little City. Let every worker be alert to the call of God and the needs of men.

### Philosophy and Religion.

Philosophy, says a writer, is a bully that talks very loud, when the danger is at a distance; but the moment she is hard pressed by the enemy, she is not to be found at her post, but leaves the brunt of the battle to be borne by her humbler but steadier comrade, religion.

### It Really Does Relieve Rheumatism.

Everybody who is afflicted with Rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of pain, relieving the hot, tender, swollen feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

## HUB-MARK RUBBERS

### SCHOOL DAYS NEVER END

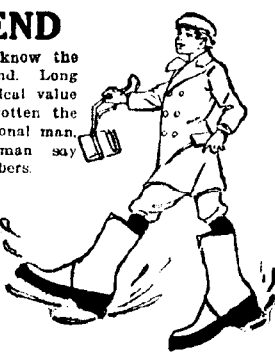

Thousands of people are yearly learning to know the difference between honest goods and the other kind. Long ago in life's school many learned the true economical value of Hub-Mark Rubbers and they have never forgotten the lesson. That's why the business man, the professional man, the policeman, the motorman and the postman say "Hub-Mark" to the storeman when they buy rubbers.

Mothers with a true sense of economy and a sense of health protection insist on Hub-Mark rubbers for their boys and girls. They cost no more than other standard, first quality rubbers.

Hub-Mark rubber footwear is made by a factory which is the largest and best equipped in the world, and one which has been satisfying the public foot waits for sixty years.

Order by name. Say "Hub-Mark." It's a wise foot note to your shopping list.

These rubbers are manufactured by the Boston Rubber Shoe Company, Malden, Mass.

## M. P. CHURCH NOTES.

Through uncontrollable circumstances Rev. W. Leaford could not be with us Sunday. He has accepted the call of the congregation of the church at South Amboy and will be with us next Sunday.

The choir and members of the Sunday School met at the home of Mr. Jacob Sprague to rehearse the Christmas carols Tuesday evening.

Mr. J. F. Fulton gave two very interesting addresses Sunday (morning and evening), and we appreciate his willing service and enjoy to hear him talk.

A donation for Christ Church Home will be given for Thanksgiving from the members of the Sabbath School, as the usual custom for some time back is to make the children an offering for the holiday, each one giving a little makes a barrel, if not more.

The C. E. Society will hold a special service Sunday evening at 6:45 at which time they will enter into their society new members. We are glad to see this society growing.

## WEEKLY LETTER TO FARMERS.

(By F. R. Stevens, Agriculturist, Lehigh Valley Railroad.)

The foot and mouth disease is still in a condition that causes a great deal of anxiety to the farming interests of the East. The shipment of some cattle cannot be entirely traced and fear of new outbreaks is constantly facing the Federal and State authorities having the matter in charge. For this reason the quarantine issued by them has been unusually severe and to the lay mind something without reason. It is the duty of everybody interested in Eastern agriculture, it seems to me, to uphold these authorities in times like this. It is causing considerable loss to many of us but the loss is nothing compared with what might occur in case the infection becomes more general. Strict adherence to the quarantines will help us clear the situation.

The authorities in charge are doing absolutely everything possible to facilitate the shipment of such farm produce as will not increase the danger of the spread of the infection. Representatives with power to act are on duty in our infected territory issuing permits for the shipment of such commodities at such times as are absolutely safe. Our railroad is making every effort on the one hand to uphold the authorities in charge and on the other hand to facilitate the shipment of material which is not likely to be dangerous. We have placed extra men in our stations in the infected areas who are constantly in touch with the authorities in charge, and anyone wishing to ship produce which requires a special permit need only to apply to his Lehigh Valley Station Agent and a message will be sent to our representative, describing the character of the shipment, shipper's name, destination, etc. Our representative then takes the matter up personally with the Deputy Commissioner and in case he approves such permit, a notice is wired to the shipper immediately. Thus no shipment allowed under the rules of the quarantine need be delayed longer than a few minutes.

Restrictions are unusually strong on hay, straw and grain, especially for interstate shipments. In order to make these shipments affidavits must be prepared covering the time when this hay was cut, how cut, and baled, and whether or not it has come in contact with animals between the time of cutting and shipping. Affidavits covering the requirements in this matter may be had on application at our stations or at least information as to how these affidavits must be prepared.

It is right for us to ship what we can under the rules and regulations of those in charge, but above all things let us uphold their authority in times like this.

## Board Declines to Order Trains to Stop at Morgan.

The Board of Public Utility Commissioners has dismissed a complaint preferred by residents of Morgan, asking that the Pennsylvania Railroad be compelled to stop two additional trains at that point.

The board held that, inasmuch as the two trains petitioned for were not intended to carry local traffic, it would not be warranted in ordering them to stop at Morgan. It was pointed out that to comply with the petition would be to discommode a considerable number of people living farther west and entitled to the express service which the railroad is now providing.

The board approved the application of an agreement with the Western Union Telegraph Company and the Trenton and Mercer County Traction Company for the joint use of poles. It is provided, however, that the cost of changes to the Trenton and Mercer County Traction Company be charged to depreciation, and that the amounts received by the Delaware and Atlantic and Western Union, respectively, shall be credited to capital account.

## One Killed, and Others Hurt in Auto Accident.

Armin Fuchs, a private banker and steamship agent, of New Brunswick was killed early Monday morning in an automobile accident at Millville, two miles from that city, on the Metuchen road. Two other passengers, Imri Karacs, organist for the Hungarian Evangelical Reformed Church, and Mr. Fuch's son John, fifteen years old, were badly hurt and are in St. Peter's Hospital. Mr. Karacs is suffering from concussion of the brain. The boy's left arm was broken and he has numerous lacerations and bruises. The party was returning from Keasby, where Mr. Karacs had given an organ recital Sunday night at a Hungarian church. Mr. Fuchs was driving a new car, Mrs. Fuchs, Mrs. Karacs and her son, eight years old, were on the rear seat. One of the rear tires was punctured and the car skidded and upset. Mr. Fuchs was jammed between the steering wheel and dashboard. Mr. Karacs was rendered unconscious. The women and the boy on the rear seat escaped with a few bruises. They got the men out from under the car and telephoned for help.

## Elberon Hotel Will be Rebuilt.

Announcement has been made by the owner, former United States Senator James Smith Jr., of Newark, that the Elberon Hotel in Ocean avenue, which was destroyed by fire Saturday night, will be rebuilt. The loss, which is estimated at \$100,000, was covered by insurance.

Mystery surrounds the origin of the fire. The building was discovered to be on fire just a week ago, but this blaze was easily controlled. The flames had made such headway when discovered Saturday, however, that the volunteer fire department could do little toward saving the main hotel building, and were forced to confine their efforts to saving Franklin Cottage, where President Garfield died in 1881, and the Elberon Casino. Both buildings were threatened. The destroyed building was one of the best-known New Jersey seacoast hostleries. It was built more than forty years ago as a cottage and later enlarged by Charles E. Franklin.

## Stockholders to Inquire into Mail Order Concern.

Stockholders of the Linwood Haines Company, Ltd., at Camden, which does a mail order business, have decided to have a committee investigate the affairs of the concern. This action was taken at a meeting of 300 of the 1,500 stockholders, after Mr. Haines is said to have admitted he was unable to account for \$50,000 of the company's money. Mr. Haines had called the meeting, saying there were pressing liabilities that must be met. He asked each stockholder to get five customers each to purchase \$25 worth of goods, and also requested each stockholder to buy \$100 worth of goods to be delivered at some future time. It was upon questioning by former Senator J. Warren Davis, counsel for some of the stockholders, that the admission about the \$50,000 was made. It is said. Mr. Haines admitted he had absolute control of the company and also said he had not invested a cent in it. When asked about a rumor that the secretary of the company had disappeared, Mr.

Haines, it is declared, admitted there was foundation for the talk. It is said he asserted the company had not a dollar with which to continue business.

## Mother Superior Honored.

The celebration of high mass by Chaplain John Baldwin and the presentation of many gifts formed part of the program that was given at Mt. St. Mary's College, Plainfield, Saturday, the feast day of St. Cecilia, in honor of the mother superior, who took the name Sister Cecilia when she became a nun. The rest of the program consisted of vocal and instrumental selections rendered by the students of the college. More than fifty sisters of the Order of Mercy, of which the mother superior is a member, visited the college to offer their congratulations to her.

## Cost Congressman Scully \$1,763.

In a statement filed with the Secretary of State at Trenton on Monday, it is indicated that \$4,795 was expended in John D. Prince's campaign for Congress in the Sixth District. It is also shown that of this amount Mr. Prince contributed \$1,500, and O. H. Cutler, D. E. Pomerooy and C. H. Maskey \$500 each.

Thomas J. Scully, the successful Democratic candidate in the Third Congressional District, expended \$1,763.

## Two Negroes Sentenced to the Chair.

George Green, twenty-four years old, and Richard Sparks, seventeen, both colored, were sentenced by Justice Samuel Kallisch at Freehold, on Monday to pay the death penalty in the electric chair at Trenton the week of January 4 for the killing of Charles A. Ely, a fish dealer at Freehold, on September 9. The condemned men struck Mr. Ely on the head three times with a crow-bar while robbing him. Both signed a full confession on September 13. Their trial began November 13. Immediately after sentence was imposed officers started for Trenton with the men in an automobile.

## Pennsy Need Not Pay for Potatoes.

Judge Woodbridge filed a decision in the District Court at New Brunswick Monday morning in the suit of James J. W. Nash, of Perth Amboy, against the Pennsylvania Railroad Company, which was tried several weeks ago. The plaintiff brought suit to recover for a car load of potatoes which he claimed spoiled while coming from New York State to Perth Amboy. He claimed at the time that the potatoes were shipped in a heated car. The court gave judgment in favor of the railroad, which was represented at the trial by Senator Strong.

## Alderman Curran Made Revenue Tax Collector.

Alderman James H. Curran, of New Brunswick, has been appointed deputy revenue collector as assistant to John McNamara, of Elizabeth. He will assist in collecting the special war taxes. Under the act of October 22 the taxes imposed for the year ending June 30, 1915, are payable during the month of November, 1914.

## Middlesex Campaign Costs.

A statement filed Monday by County Collector Thomas H. Hagerty, as treasurer of the Middlesex County Democratic Committee, showed that during the recent campaign the committee spent \$3,872.23. The amount contributed was \$8,749.77. Most of the expenses were for advertising, printing and postage.

Among the contributions received were these:

Thomas J. Scully, \$1,763; County Clerk Bernard M. Gannon, \$1,375; Sheriff Edward F. Houghton, \$1,375; County Collector T. H. Hagerty, and County Engineer Alvin K. Fox, \$200 each; Surrogate D. W. Clayton, \$400; Prosecutor W. E. Florance, \$300; City Clerk E. J. McMurtry, \$200; Tax Collector George Weigel, \$3.46. Each of the Freeholders paid in \$100.

The statement of James A. Morrison, as campaign manager for the Middlesex Republican Executive Committee, shows that the Republicans spent \$1,794.11. Of this amount John H. Conger, who ran for County Clerk and was defeated, paid in \$950. Former Representative Benjamin F. Howell contributed \$100, as did Dr. E. I. Cronk. Robert Carson paid in \$128, and Former Senator Theodore Strong \$10.

The campaign expenses of Former Sheriff William H. Quackenboss, who ran as a petition-nominated Democrat for County Clerk, were \$684.

## Middlesex Contracts Awarded.

The Board of Freeholders of Middlesex County on Monday awarded the contract for placing new piling in the county bridge at Perth Amboy to the General Construction Company of New York, at a cost of \$8,242. The contract for the electric wiring of the remodeled court house was awarded to J. Mangin, of New Brunswick. George McKeng, of New Brunswick, got the contract for installing heating apparatus in this building at a cost of \$4,176.

## ESCAPE IN NIGHT CLOTHES AS HOME IS BURNING

(Crowded out of last week's issue.) Discovering their home on fire at 2 o'clock Thursday morning, Frank Samuel of Sayreville and his family had only time to escape in their nightclothes. J. Molinski, a boarder, awakened, smelled smoke, and found the lower floor of the house in flames. Arousing two other boarders and the three children of the Samuels sleeping on the second floor, Molinski jumped out the window, sustaining a badly sprained ankle.

He crawled to the rear of the house and aroused Mr. and Mrs. Samuel and two children sleeping on the first floor. The other boarders tossed the three children from the second floor into the arms of their parents and then jumped out after them. The house valued at \$3,000, was destroyed and part of the house of Jacob Bosong, across the street, burned.

## BECHTOLD GRAND MASTER OF ODD FELLOWS OF STATE

(Crowded out of last week's issue.) Officers of the New Jersey Grand Lodge of the Independent Order of Odd Fellows were elected Wednesday at the afternoon session of the eighty-first annual convention, which convened at Trenton in the morning. To succeed Grand Master James H. White of Paterson the lodge advanced Deputy Grand Master George W. Bechtold of Jersey City.

The principal speakers at a banquet Wednesday night were Grand Sire Robert T. Daniel of the Sovereign Grand Lodge, who is a judge in Georgia; B. C. Lippincott of Matawan and Grand Patriarch of New Jersey George M. Atkinson of Moorestown.

The four nominees selected Wednesday as candidates for directors were Grand Secretary Harry S. Pine, Past Grand Secretary Frank R. Jumell and District Deputy Grand Master Charles W. Riseley, all of Trenton, and William R. Biddle of Atlantic City.

After a contest for grand warden, in which two ballots were taken Charles A. McCrossan of Palmyra was chosen over John B. Stratton of Mt. Royal. Other results of the election were that Grand Warden F. Howard Lloyd of Matawan was advanced to deputy grand master, Grand Secretary Harry S. Pine of Trenton was re-elected, as also was Grand Treasurer Joseph R. Deacon of Bordentown. William T. Robbin of Hamilton Square was elected representative to the Sovereign Grand Lodge to take the place of C. Fleming Stanger, who retired after having held the position for twelve years.
