

COUNCIL ADOPTS RESOLUTION DESIGNATING SPEED ZONES

A resolution was adopted by the mayor and council Tuesday devising a number of speed zones along Pine Ave., according to recommendations made by the Middlesex County Traffic Safety Coordinator and the Chief of the Traffic Safety Service of the Division of Motor Vehicles in Trenton. From Parker Ave. to a point 875 feet north of Manor St. in Morgan, the speed limit for both directions will be 40 miles per hour. It will be 35 m.p.h. from Manor St. to Borden-town Ave. Regulatory signs and diamond-shaped warning signs will be posted. All other traffic signs in conflict with these will be removed.

South Pine Ave. is a county road which has been resurfaced less than a year ago. It has always been used by some motorists as a speedway, particularly since the repaving. Many residents living on Pine Ave. have complained of these conditions.

Speeding continues to be a menace on many South Amboy streets. Councilman Eugene S. Szeszko, who was absent at the council meeting because of illness, nevertheless requested Council President Fred Henry to bring up the subject of speeding on Cedar St. Szeszko also complained, through Henry, about traffic conditions on Welsh St. Sunday mornings.

Welsh St., a narrow street connecting Washington Ave. with Main St., is heavily used by church-goers Sunday with the result that traffic jam-ups occur. A year or so ago signs were placed designating it a one-way through street during church hours, but this practice was discontinued.

Residents

Inquire About Easement

The road-linking controversy in Amshore Gardens was brought to the fore once again by spectators at the meeting who are opposed to the road connecting Pupek Rd. and Fourth St. extension. They inquired of Mayor Richard J. Schultz what action the governing body will take when the right-of-way is presented to it for acceptance.

Joseph Medeiros, the spokesman, stated that the issue was not taken up by the Board of Public Works at their meeting a week ago as they had expected. The board announced then that they are awaiting word of the disposition of the easement by the mayor and council.

The mayor, in response, said that he had expected the resolution passed by the Planning Board, favoring the road, to be sent to the Board of Public Works for their action at their last meeting September 28 and was surprised when it was not. He said that the council, which advocates the road link by a three-to-two majority, would act on the easement first.

Schultz, the only dissenter to the road at the Planning

Board meeting September 23, reiterated that the project developers and not the city had sought the easement. The city entered the picture when the developers experienced a delay in obtaining the right-of-way and, by council vote, took up a request from the builders to expedite the matter.

Councilman John Connors, a proponent of the road, drew enthusiastic applause when he declared that he will not vote for the acceptance of the easement until the developers complete the things they promised to do "at least 15 times." When the response from the spectators became over-enthusiastic, Henry rapped the gavel for order, halting the flow of comments from the residents.

Land Fill

Use Questioned

Mayor Schultz was asked by a woman spectator what the city intends to do with the land fill. Earlier, the mayor had asked the Industrial Commission to arrange a joint meeting with Sayreville officials to discuss mutual development of the 66-acre tract.

It was noted that the Board of Public Works recently awarded a contract to lay a 10-inch pipeline to the landfill, to be capped until its use is required. This brought up the question of utilizing part of the 66 acres, about 25-30 acres in all, for school construction purposes. The question asked was how the city planned to use the land for both school and industrial purposes simultaneously.

To this Mayor Schultz retorted that the conference with Sayreville will be in the exploratory stage, probing ways in which the best advantages could be mutually arrived at. He said that he has been waiting eight months from the Board of Education for word on their school expansion plans and that the Recreation Commission also petitioned part of the land fill for its purposes.

It is possible, he said, that some of the land could be diverted to industrial use in joint collaboration with Sayreville which owns a similar share of the land deposit. South Amboy purchased the land from the state outright for approximately \$35,000. Sayreville exercised its option of acquiring the land for a much lower sum, about \$7,000, with the stipulation that it be used exclusively for recreation. But it was the opinion of all that Sayreville would experience no problems purchasing the land outright if it so desires.

Spiral Metal Company, the mayor said, originally requested the pipe line installation. He revealed that the firm has expanded its facilities at the foot of Broadway and expects to expand even more. He added that with expansion, the company needed more water and pressure which the city will provide. An administration building there has greatly improved the appearance of the area, he remarked.

Schultz also mentioned that he would like to see industry locate on part of the landfill. He said that at a recent conference with state officials, a good study had been made particularly in regard to the feasibility of using the land for high-rise apartment buildings.

SAFAS Observers At International Conference

TEAMWORK—Members of the South Amboy First Aid Squad observe the workings of the Ladies Auxiliary of the Fire Dept. of Sandy Springs, Maryland during the International Rescue and First Aid Association Conference held in Atlantic City last week.

Pictured above are, kneeling, contest judge Fred Ellis of the Absecon Ambulance Corps; F. M. Nagle, Les Batchelor, M. J. Szraga, Harold McLaughlin, and Capt. John Mulvey, all of the South Amboy Squad. Mr. Szraga was also a contest judge at the conference.

Rush Refutes School Statement

Council candidate P. Joseph Rush, seeking reelection in the 4th Ward on the GOP ticket, in a statement issued today, refuted the statements made last week by his opponent, William McKeon, concerning the School Board of Estimate.

In his answer, he said, "Last week in the paper my opponent William McKeon made quite a few misstatements about the Board of School Estimate of which I am a member. First of all Mr. McKeon, the school budget was not 'cut' this year. The amount of money to be raised by taxation was reduced by \$18,000, which is quite a difference from your statement. The Board of Education this year requested \$329,808.00 and that is just what they received. There was \$311,808.00 raised by taxes and \$18,000.00 taken from a surplus account of over \$30,000.00. So you see Mr. McKeon, the budget was not 'cut', but the majority of the Board of School Estimate gave the Board of Education what they requested and still we showed some reduction to the taxpayer, which is a sound way of doing business.

"Now in regards to your other statement about classroom space, first of all additional classrooms can only be added by a bond issue and not in the yearly budget, because it is more sensible to spread the cost over a period of time, and the mayor and council are the only ones that can pass such a bond issue, not the Board of School Estimate, and for the four years I have been on the council, I have never heard the mayor or council refuse a request for more classrooms by the Board of Education. In January 1962 Hoffman High School still had 85 students from Madison.

GUEST OF HONOR AT K of C DINNER

Alvin DeLort

Alvin DeLort, immediate past grand knight of South Amboy Council #426, Knights of Columbus, will be the guest of honor at the annual Past Grand Knight's Dinner-Dance to be held at Columbian Hall this Saturday evening. A large turnout is expected to attend this annual affair according to Arnold Koch, fraternal activity chairman.

Reservations may be made with chairman Koch or any member of the committee up through this evening. Dinner will be served at 8 p.m. and dancing from 9 p.m. until 1 a.m.

Fred Beaudry, president of the Building Association, has announced that a "Painting Party" will be held at the council home on Saturday, October 16, at 10:30 a.m. Available members are asked to be present at this time to complete the paint work on the exterior of the building which was started approximately one month ago.

Grand Knight James Hagerman has announced that plans are completed for the Old Timers' Nite Social to be held in conjunction with the October 21 meeting of the council. Honorary and Honorary Life members will be the guests of honor at the occasion.

Another up-coming activity of the council is the annual Barn Dance to be held at Columbian Hall, with Joseph Keenan chairman of arrangements.

McKeon Strikes At Estimate Board

William McKeon, Democratic candidate for councilman in the 4th Ward, in a statement made public today, has again accused the School Board of Estimate of inaction concerning the physical needs of the South Amboy public school.

His statement follows: "On Sept. 13, 1961 the music program in Hoffman High School was abolished because of a lack of school space. Was the school's curriculum affected because of lack of classrooms? Did the Board of Education take action to correct this unpleasant situation? Yes, they did, but my opponent didn't."

"On Oct. 18, 1961 the Board of Education engaged the services of a local architect to draw up plans for school expansional needs. In turn these plans were submitted to the State Dept. of Education. On Mar. 28, 1962, while my opponent was serving as a member of the city council and a Board of School Estimate member, a letter was received by the Board of Education from the State Dept. of Education approving the plans and specifications for four additional classrooms. But what has been done since this time? Has my opponent ever acted upon these plans?"

"On June 27, 1962 a motion was made and carried that all minutes of the Board of Education be forwarded to all Board of School Estimate members, therefore, my opponent was aware and is aware of all the needs of our schools. During the Oct. 16, 1962 council meeting the subject of school expansion was a matter of discussion and it was mentioned that the School Administration probably still retains plans for school expansion. This was continued with a meet-

COUNCIL AWAITS TRAFFIC REPORT

What for many years was known for granted by motorists using city traffic control lights has turned out to be a very complicated matter for city officials during the past year. For more than two decades the traffic lights have been functioning without legal entanglements, and they would have continued this way had not an astute lawyer probed into the legality of the lights.

This incident set off a chain reaction in the courts where several motorists used the ruling of the state that the local traffic lights are being operated illegally to defend themselves against penalties for motor vehicle violations. The court has had no other alternative but to dismiss such cases. Meanwhile, the status of the traffic lights has been a source of embarrassment for city officials.

This week Mayor Richard J. Schultz, who has been in contact with county and state authorities to see about rectifying the situation, has been asked for a progress report on obtaining sanction for the six traffic lights located in the municipality. In the preceding months many perplexing (and frustrating) steps had to be taken before the city could even hope to get the lights approved.

Tuesday, the mayor stated publicly that a report on the lights will be given soon by the city engineer who collaborated with state officials to see what had to be done to legalize the lights. A principal outcome of these conferences and several traffic surveys conducted by the state is that taxpayers will have to finance the erection of modern control fixtures, each of which will cost the city about \$4,000.

Three of the fixtures, at the intersections of Main St. and Stevens Ave., Main St. and Broadway, and Borden-town and Pine Ave., will be replaced. The three others have been placed on flashing red and amber signals, but can be worked manually during periods when traffic volume is heavy.

One of the latter three, the light at Washington Ave. and Walnut St., is the only modern unit now in operation. The other two are sub-standard and are located at Stevens Ave. and John St. and at Borden-town Ave. and Broadway. All of the six lights are situated on county roads.

New-Style Cab Leads

'66 Chevrolet Truck Line Features

New in Chevrolet's 1966 truck line is this short cab for many heavy-duty models. Aerodynamically styled for low air-resistance, its short length gives improved load-weight distribution, yet retains adequate driver room and comfort. Many panels are easily removable for access to

the chassis or for damage replacement. Other features of the 1966 line include a new three-ton series with payloads up to 17 tons, six new engines, a three-speed automatic transmission, and several safety items as standard equipment. The line has been expanded to 366 models.

ing with the Board of Education and the city council on Oct. 31, 1962, whereupon, by the Mayor's request, school enrollment and school expansion was the subject of the night.

"My opponent stated publicly that when recommendations are made known, he will act upon these recommendations. Wasn't Mr. Rush a member of the city council in 1962 when these plans and specifications and these meetings were held to discuss school expansion? What do we call the Superintendent's monthly reports? Aren't these recommendations?"

"If my opponent is really interested in the children attending schools in South Amboy then why didn't he appear at the June 26, 1963 meeting of the Board of Education where the Superintendent revealed the plans for school expansion which included four additional classrooms, plus provisions for a second story addition if one was needed at a later date. Didn't my opponent promise that he would attend? The record shows only the press and several residents were present.

"I want the people of the 4th ward and the people of South Amboy to know that these facts and dates so mentioned are not illusions of my mind. Every date and fact so mentioned came from the minutes of the City Council and Board of Education meetings and from articles appearing in the South Amboy Citizen."

CALENDAR OF EVENTS

A meeting of the South Amboy Community Blood Bank will be held this evening, October 7, at 8 p.m. in the Doctor's Lounge of the South Amboy Memorial Hospital to plan for the visit of the Red Cross Bloodmobile on November 29 at the Knights of Columbus Home on Fourth St.

All local civic and social groups are requested to send a representative to this meeting.

The Ladies Aid Society of the First Presbyterian Church is holding a Fall Bazaar today in the church hall. Festivities will continue until 10 p.m. and there will be many booths with handmade articles and food goods for sale.

The South Amboy Fire Department 75th Anniversary communion breakfast will be held Sunday, October 10, following the 8 a.m. Mass at Sacred Heart Church. All firemen who will participate are requested to meet at the Protection Firehouse at 7 a.m.

The executive board of the South Amboy Public Schools PTA will meet on Wednesday, October 13, at 8 p.m. in the domestic science room of the Harold G. Hoffman High School. Plans will be made for the December 2nd bazaar.

The regular PTA meeting will be held on Wednesday, October 20, when the program will be an explanation of the new elementary grade school report cards.

St. Mary's Grammar School PTA will hold its first regular meeting on Thursday, October 14, at 7 p.m. in the cafeteria.

The Twin Mothers Club of Raritan Bay Area will meet on Tuesday, October 26, at 8:15 p.m. at the Christ Church Parish Hall.

Miss Ann Brennan will present a cosmetics demonstration at the meeting, and program chairman Mrs. Frank Novak will outline events for the coming year.

RUSH

Continued from page 1

son Township, and the Board of Education wanted to see what effect this would have on classroom space by June of 1963 when these students would leave. They made a report to the mayor and council in October of 1963 that they felt they would need from four to six more classrooms. They were told to draw up a formal request of their needs and present it to the mayor and council. In early 1964 the Board of Education said they would like to run a survey and try to protect their needs for the next ten years before they made their request for more space. They have done this and are now in the process of holding meetings in order to make this report to the mayor and council. So you see Mr. McKeon, I have followed the problem more closely than you stated, and I will be one of the first to vote for more classrooms if requested by the Board of Education. All I can say Mr. McKeon is to be sure you get your facts straight before you speak out. All of the above figures are from official records, of which I have access to."

Safe and Solvent
Yes, our vacation was delightful.

OBITUARY

MRS. JAMES J. REA, SR.
Mrs. James J. Rea, Sr., 311 Henry St., died September 24 at the Columbia Presbyterian Hospital, New York City.

The daughter of the late Mr. and Mrs. John F. Kerr, she was a communicant of St. Mary's Church and a member of the Rosary Society.

Survivors include her husband, James J., Sr., two sons, John F., Belmar and James J. Jr., Perth Amboy; a sister, Mrs. Elizabeth Burns, Perth Amboy; and two brothers, John Kerr, Woodbridge and Joseph Kerr, Perth Amboy.

Funeral services were held September 28 with a solemn high Mass at St. Mary's Church. Interment was held in the church cemetery. Arrangements were handled by The Gundry Service Home for Funerals, Bordentown Ave.

WILLIAM WARE

William Ware, Old Spy Rd., Morgan, died October 1 at the Perth Amboy General Hospital after a long illness.

Born in South Amboy, he was the son of the late William and Mame Applegate Ware.

Mr. Ware had received a disability retirement 5 years ago from the Seaboard Coal Dock Co., So. Amboy, after 35 years of service. He was a member of Christ Church.

Survivors include a sister, Mrs. Elizabeth Johnson, Pompano Beach, Fla. and a niece, Mrs. Joyce Szeesko, South Amboy.

Funeral services were held Tuesday at The Gundry Service Home for Funerals, 237 Bordentown Ave., with the Rev. Edward R. Cook, rector of Christ Church, officiating. Interment was held in the church cemetery.

FRIEDA C. LAUER

Mrs. Frieda C. Lauer, 946 Grove Ave., Laurence Harbor, died suddenly on October 2.

Born in Newark, she was the daughter of the late Mr. and Mrs. Carl Boffinger. Mrs. Lauer was a resident of Laurence Harbor for 40 years, having formerly lived in East Orange.

She was the widow of William E. Lauer and is survived by two daughters, Mrs. Frank Evaldi, Morgan and Mrs. Joseph Foerbach, Newark; three sons, William A., Arnold E. and F. Carl, all of Laurence Harbor; a sister, Mrs. Emma Gaschke, Bloomfield; 20 grandchildren and 1 great grandchild.

Funeral services were held on Tuesday at The Gundry Service Home for Funerals, 237 Bordentown Ave., with the Rev. James H. Silver, pastor of the Laurence Harbor Community Church, officiating. Interment was held in Christ Church Cemetery.

ORDINANCE #748

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED "AN ORDINANCE OF THE CITY OF SOUTH AMBOY, IN THE COUNTY OF MIDDLESEX, NEW JERSEY, RELATING TO PERSONS CONVICTED OF CRIMES WHO SHALL COME INTO THE CITY OF SOUTH AMBOY, TO REGISTER IN THE OFFICE OF THE CHIEF OF POLICE OF SAID CITY, AND FIXING PENALTIES FOR THE VIOLATION OF THE SAID ORDINANCE."

Whereas, the City of South Amboy is cognizant of the amount of crime that is presently being committed in the large neighboring cities, and that there is an influx of people from our large neighboring cities into the City of South Amboy, and

Whereas, undesirable persons come into our city along with such other residents and have proven a menace to the welfare and reputation of our city and the life and property of the inhabitants thereof; and

Whereas, it is deemed necessary, order and protection of persons and property, and for the preservation of the public health, safety and welfare of the city and its inhabitants, that the police authorities of the municipality be informed of the presence in the city of such undesirable persons hereinafter referred to; and

Whereas, it is declared to be the purpose of this ordinance to enable the law enforcement authorities to keep a surveillance and record of such persons whose past conduct has proven them to be a threat to the safety of the inhabitants and property of this municipality;

Now, therefore be it ordained by the Council of the City of South Amboy, in the County of Middlesex and State of New Jersey, as follows:

Section 1. Every person who is a non-resident of this city and who is not present in the city at the time this ordinance takes effect, and who has been convicted in any court of this State, or any other State, or of the United States, or of any foreign Nation, of any crime, and who comes into the City of South Amboy within ten (10) years from the date of his conviction of any such crime, from any point outside of said city, or who is a resident of or present in the city at the time of the effective date of this ordinance and who has been convicted of a crime in any of the aforesaid courts within ten years prior to the effective date of this ordinance, shall report to the Chief of Police in the City of South Amboy, or to such other person or persons as the Chief of Police or the Chairman of the Police Committee shall designate immediately after his arrival within the boundaries of the City at the time of the effective date of this ordinance, immediately on the effective date of this ordinance, and shall furnish to such Chief of Police in a written statement signed by such person and sworn to by him before an officer authorized to administer oaths

under the laws of the State of New Jersey, his true name and each other name or alias by which he is or has been known; a full and complete description of himself, stating the date and place of his birth and permanent residence and last place of abode before entering the City of South Amboy; whether he is an alien or citizen, and if a naturalized citizen, the date and place of his naturalization; the name or designation of the crime or crimes for which he was convicted in any of the above named courts; together with the name of the place where each of such crime or crimes was or were committed, the name under which he was convicted, and the date of the conviction thereof; and the sentence or sentences imposed, the name, if any, and the location of each prison, reformatory or other penal institution in which he had been confined as punishment therefor together with the location or address of his residence, stopping place, or living quarters when so convicted, and each one thereof, if any; and the address or location of his residence intended residence, stopping place or living quarters in the City, and each one thereof, with a description of the character of each such place, whether an apartment house, dwelling house or otherwise, giving the street number thereof, if any, or such description of the address or location thereof as will identify the same as to make it possible of location, and the length of time for which he expects or intends to reside within the territorial boundaries of this city.

At the time of furnishing such information, said person shall be photographed and fingerprinted by said Chief of Police, and said photograph and fingerprints shall be made a part of the permanent record of the police department herein provided for.

Section 2. This ordinance shall take effect immediately upon its final passage and publication.

NOTICE

Take notice that the foregoing ordinance was introduced at a meeting of the City Council of the City of South Amboy, County of Middlesex, New Jersey held on the 5th day of October, 1965, and will be considered for second and final reading of October 19, 1965 at 8:00 p.m. at which time all persons having objections thereto are hereby notified to be present and to present same.

JOHN J. TRIGGS
City Clerk

South Amboy Citizen
Issue October 7, 1965

"SHIP OF FOOLS," and "EVERYTHING'S DUCKY" is now playing at LOEW'S "35" DRIVE-IN THEATRE. "SHIP OF FOOLS" brings together Vivian Leigh, Simone Signoret, Jose Ferrer, Lee Marvin, Oskar Werner, Elizabeth Ashley, George Segal, Jose Greco, and many others on a German passenger freighter moving between Mexico and Bremerhaven in 1933, portraying characters who bring aboard their troubles and frustrations, desires and desperations in a veritable Noah's Ark of human follies.

In "EVERYTHING'S DUCKY" Mickey Rooney and Buddy Hackett play sailors at a Naval rocket base who become hilariously involved with the talking duck, "Stutlebutt" which is the sole possessor of a top secret rocket fuel formula.

State Police Tests
On October 11

Colonel D. B. Kelly, superintendent, today announced that the State Police written examination will be held at 7 p.m. on MONDAY, October 11, in Hammonton, Trenton, Sayreville, Morristown, Clifton, Newark and Sea Girt.

In making the announcement, Colonel Kelly emphasized the fact that "applicants need not be State of New Jersey residents at the time of the examination." Those desiring to take the exam should simply report to the nearest examining point at the announced time.

While NO PRIOR APPLICATION IS REQUIRED, attention is directed to the following basic qualifications:

Citizen of the United States; not less than 21 nor more than 34 years of age (as of April 24, 1966); at least 5 feet 8 inches in height; weight not less than 150 pounds; vision not less than 20/30 (without glasses); normal hearing in both ears; body free from all physical defects. The applicant must have a valid driver's license.

Successful applicants appointed to the academy for the twelve-week training period will receive \$168 biweekly salary plus meals and quarters. Upon graduation, the salary advances to \$5,499 plus \$1,416 maintenance allowance per annum. Yearly increments of \$275 are granted until the maximum of \$7,149 plus \$1,416 maintenance is attained (total \$8,565).

The Sayreville test center will be at the Sayreville War Memorial High School, Washington and Erntson Rds. The exam will be held again at the same locations on Wednesday, November 3.

Eagle Echo

by Charlene McNamara

On Tuesday, September 21st, Mr. Thomas Otto, Driver Education instructor and William Beyer, Mark Sciora and Wayne Mezaros, Driver Ed. Club representatives, attended a New Jersey Conference on Highway Safety.

On the following day Sister Mary Madeline, Principal, attended the State Guidance Counselors and College Admissions Officers Association Meeting at the Princeton University Campus.

St. Mary's has been notified by the National Merit Scholarship Corporation that senior, Dana McGuinness has received a letter of Commendation for high performance on the National Merit Scholarship Qualifying Test.

Today, Thursday, October 7, a Student Council Assembly was held. Honored at this assembly was Sister Mary Madeline, Principal. Sister is celebrating her 25th Anniversary as a Sister of Mercy. During the entire 25 years, Sister Madeline has been a teacher here in South Amboy.

WOMEN'S CLUB OPENS SEASON

Freeholder George Otowski was the guest speaker at the opening meeting of the Woman's Club of South Amboy held on Tuesday at the Masonic Temple.

Also a guest at this meeting was Miss Christine Baranowski, Hoffman High School student, who was the club's delegate to the Citizenship Institute held at Douglas College.

Club president Mrs. Ernest Alazzone introduced two club members who are 5th district officers. They are Mrs. Edna Chase, 5th district vice president and Mrs. F. Disbrow, 5th district publicity chairman. In turn, Mrs. Alazzone was introduced as the 5th district secretary.

Mrs. Roberta Keenig, drama chairman, announced that a meeting of all 5th district drama chairmen will be held on October 14.

Also on that date, Mrs. Howard Ervin, American Home chairman, will hostess a tea at 1:30 p.m. when all present and prospective members of the department will talk over plans for the club year. The American Home Dept. will sponsor a Talent Festival on November 19 from 1 to 8 p.m. in the Masonic Temple.

The Literary Dept. will

STIMULATING KINDERGARTEN KIDS, who cannot yet read but who can recognize letters, to take an interest in grades, is the aim of the cartooned report card shown in part above, given pupils by the Kearny, N. J., Public Schools.

Know THE Weather

How does the height of small cumulus clouds on clear days give us a clue to the moisture content of the air?

The base of these small cumulus clouds tells us at what altitude the moisture in rising air is condensing into clouds.

If clouds are forming relatively low, or close to the surface, we know that there is quite a bit of moisture in the air. We can usually expect rain when this is observed in the summer, but not necessarily in the fall.

If these little clouds are forming very high in the sky we know there is relatively little moisture in the air and rain probably will not occur.

Student Commended For NMSQT Score

George Point from H. C. Hoffman High School has been honored with a Letter of Commendation for his high performance on the National Merit Scholarship Qualifying Test (NMSQT) given last spring. He is among 38,000 students across the nation recognized for scoring in the top two percent of students who will complete high school in 1966. The Commended students rank just below the 14,000 Semifinalists announced last month.

John M. Stalnaker, president of the National Merit Scholarship Corporation said: "These students are being recognized for their outstanding performance on the qualifying test. Theirs is a notable academic achievement."

"In a rigorous competition like the Merit Program, it is unavoidable that many fine students will miss being named Semifinalists by a narrow margin. Nevertheless, the student in this situation is very capable and deserves generous recognition for his distinguished effort."

"The Commended students have considerable ability, which should be developed through further education. They deserve every encouragement, and their promise is great. They represent an important intellectual resource which our nation needs."

Only the highest-scoring students in each state, the Semifinalists, remain eligible for further consideration in the competition for Merit Scholarships. Although students receiving Letters of Commendation advance no farther in the Merit Program, their names are reported to other scholarship-granting agencies and to the colleges they named at the time they took the NMSQT as their first and second choices. NMSC also reports home addresses, test scores, anticipated college majors and career intentions of the Commended students to the same colleges.

Read Labels!

Every year, NFPA records show, thousands of serious accidents and fires are caused by failure of the user to observe warnings printed on cans of flammable lacquers, finishes, paint removers, mastics, cleaners, and similar products.

Before using materials of this kind, read the label thoroughly. Products containing a flammable solvent carry a warning label. Heed that warning if you value your own safety.

Materials least hazardous to use are marked "Non-combustible" or "Non-flammable." Next in safety are materials marked "Caution! Combustible." If the label reads "Danger! Extremely Flammable" or "Warning! Flammable" or "Caution! Inflammable mixture," take care. These materials give off vapors which need only a touch of flame or spark to turn them into a dangerous flash of fire.

Whenever you must work with materials of any kind labelled "flammable" or "combustible," follow these rules and be fire safe:

- Work in a well-ventilated area, preferably outside.
- Shut off all pilots, stoves and other flame-producing devices in the area.
- Don't smoke.

Let Halloween Go To Your Head

Attention all costume contestants for this year's Halloween parties. If you're stumped over what to wear - or if you have the problem of outfitting several youngsters and hate to disappoint them with last year's Halloween hand-me-downs, here's a solution that promises lively entertainment for partygoers of all ages.

Really extraordinary costumes can be built around super strength aluminum foil head masks made by molding over an inflated balloon. When completed, these clever disguises slip over the head and rest on the shoulders. If the children choose to trick or treat at night, you can feel at ease about their safety since aluminum foil reflects the gleam from street lights and car headlights.

Making masks is great fun, and so easy that the children can do their own. Plan to get your Halloween costumes out of the way early this year by setting aside the next rainy day as Mask Making Day.

To create the mask above, all you need is a large balloon, a single roll of Alcoa Wrap aluminum foil and a few simple props. The balloons sell for 10¢ in most 5 & 10¢ stores.

Blow up the balloon to provide the needed size of mask. For medium and small children, this should be 10 to 12 inches in diameter. Place the inflated balloon neck up at the center of a stack of three-foot-long sheets of Alcoa Wrap aluminum foil. Have at least 10 or 12 foil sheets

1. Bring the first sheet up on either side of the balloon, turn the balloon and bring up the next sheet. (Foil should always overlap for easier hold, crush loosely.)
2. Continue turning until balloon is completely covered.
3. Crush two sheets of foil - one into shape of nose and the other to add to the top of the head to make it pointed. Fasten them into position with cellophane tape.
4. Then mold next sheet of foil over nose and rest of head to hold them in place. Now use rest of foil sheets. Tuck in edges at tip to form and secure opening. Be sure to leave it large enough to get your head through. Then let air out of balloon.
5. Cut slanted eye and mouth openings.
6. To create the hair, cut colored ribbon into loops and pin them to the mask. Ears, tail and paws are cut from double thicknesses of Alcoa Wrap. Ski pajamas or plain clothing completes this punchy rabbit costume.

Other animals, clowns, space men and comic strip characters are all easy to make. For a free booklet offering additional designs, write Halloween Masks, 692 Alcoa Building, Pittsburgh, Pa. 15219.

Public School Honor Attendance Record

Superintendent Eugene Dobrzynski has announced the honor roll attendance record for the public elementary school for the month of September.

Those children who did not miss a day of school for the month are:

Class 1A: Edward Clayton, Vincent DeFilippo, Keith Dubil, Patrick Eppinger, Donald Gross, Richard Johnson, William Kurtz, Daniel Morgan, David Newton, Guy Peters, John Quattrebaum, James Swartz, Lynne Billich, Nancy Bloodgood, Cindy Coughlin, Susan Digiambattista, Karen Kubinak, Christine Ludlow, Sandra Nagy, Maribeth Norrie, Mary Skrynka, and Melissa Tounignant.

Also Class 1B: Edgar Manuel, Michael Quattrebaum, Dennis Roger, Paul Richiusa, Wilbur Schmidt, William Sieke, John Stratton, Franklin Ward, Robert Wistuba, Camille Andrus, Doris Ann Burlew, Susan Kovach, Linda Maclead, Debra Medeiros, Christine Post, Patricia Reich, June Stolté, Linda Wall, Ann Williamson, and Barbara Yerkes.

Class 2A: Robert Bradley, Chester Dubil, Gale Gillis, Steven Kaboski, Peter Kirach, Michael Makar, Paul Prekop, Stephen Rossi, Nancy Abbatiello, Amy Allen, Susan Connors, Gail Deliman, Mary Ellen Donnelly, Bonnie Hansen, Mary Lou Sebol and Marianne Woznica.

Class 2B: Angelo Aceta, Bryan Applegate, Thomas Brown, Melvin Kaboski, Ronald Keegan, Raymond Litts, George Manuel, Charles Powell, Frank Richiusa, Jeffrey Wall, Kenneth Whisner, Christine Dill, Cathleen Post, Barbara Rager, Donna Marie Sekerak, Diane Zawacki.

Class 3A: Anne Marie De Palma, Anne Gay Erickson, Anne Mundy, Georgianna Pazalka, Bernadette Rufus, Margaret Skrynka, Lynn Travinsky, Holly Lee Van Wagenen, Robert Bernhardt, Richard Garsick, Kevin Lovely, Jeffrey Montgomery, Francis Moran, Joseph Moskwa, Salvatore Richiusa, Rico Scarfi, George Stader, Fermin Stratton, Shawn Switzer, Mark Vulleux, Edward Wurth, James Zambrowski, and Curt Zavodsky.

Class 3B: Carolyn Baker, Debra Barry, Donna Gillis, Susan Hicks, Joan Keegan, Katherine Kulesar, Jackie Montgomery, Carolyn Nelson, Ruth Read, Kevin Covert, Joseph Deliman, Joseph Gonsalves, George Hubbs, Joseph LaVigne, Donald Munn, Timothy O'Leary, Kevin Ostrander, Theodore Peterson, and James Rowley.

Class 4B: Mark Billich, Edward Bradley, Richard Johnson, Charles Lange, John Ludlow, Michael Medvar, William Neuman, Joseph Pelican, Thomas Pillar, James Powell, Henry Wortley, Diane Abbatiello, Mary Lou Baker, Donna Barklow, Brenda Brown, Barbara Burlew, Frances Florino, Patricia Frier, Teresa Gross, Nancy Kaboski, Mailana Millick, Margaret Norrie, Christine Sabatini, Christy Turner.

Elise Wall, Joann Wall, and Dawn Weaver.

Class 4B: Angela Bednar, Linda Buccella, Janet Drost, Patricia Flynn, Wendy Molnar, Carmel Paduano, Marillyn Tounignant, Theresa Ziola, Steven Boychuk, Edward Bright, David Hisey, Bruce Mason, Stephen Peters, Michael Roger, Donald War, and Michael Wurth.

Class 5A: Wayne Applegate, James Buckalew, Michael Estelle, David Gillis, Robert Kokowitz, Charles Pilla, Phillip Rainone, Christopher Sabatini, John Scarfi, Andrew Thompson, Deborah Campbell, Linda Clayton, Anna Marie Edwards, Doris Kubinak, Karen Kulcsar, Margaret Mason, Laura Mundy, Melanie Smith, Mary Jane Szraga, Colleen Tarallo, Linda Tice, Anna Travinsky, Mary Vona, Bonita Wernett, Deborah White, and Gail Yerkes.

Class 5B: Brian Bulckewood, Eldred Bullard, William Burlew, Charles English, Eugene Gonsalves, Allen Strynka, Thomas Suau, Leonard Stockwell, Sarah Brown, Patricia Deliman, Jill Dennis, Karen Draggotta, Patricia Dubil, Robin Eppinger, Anita Gladis and Kathleen Wall.

Class 6A: Thomas Boychuk, David Brown, Michael Brown, James Keegan, Kenneth Kubinak, Britt Mason, Dennis McCarthy, Lawrence Parsons, Arthur Velleux, John Wurth, Joyce Bright, Eldrida Bullard, Patsy Florino, Gail Gavenus, Michele Kono-vich, Lois Maxfield, Margaret Mundy, Sherry Schwartz, Patricia Shalua, and Elaine Wall.

Also, Class 6B: Deborah Clayton, Juliette Suau, Deborah Whitcomb, Mark Abbatiello, Daniel Aceta, Ted Albanese, Barry Blaes, Douglas Buckalew, Michael Cuprzinski, Daniel Denarski, James Heath, Glenn Heath, Glenn Hisey, Robert Hoffman, Leonard Lutz, William Ward, and Merrill Yeager.

THE TOUCH OF THE MASTER'S HAND

By MYRA BROOK WELCH

(Copyright 1943 by the Brethren Press. Used by permission)

"Twas battered and scarred, and the auctioneer
Thought it scarcely worth his while
To spend much time on the old violin,
But he held it up with a smile.
"What am I hidden, good folk," he cried,
"Who'll start bidding for me?
A dollar, a dollar, now two: only two?
Two dollars, and who'll make it three?
Three dollars once, three dollars twice,
And going for three!" But no.
From the room, far back, a gray haired man
Came forward, and picked up the bow.
And, wiping the dust from the old violin,
And tightening up all the strings.
He played a melody pure and sweet,
As sweet as an angel sings.
The music ceased and the auctioneer
In a voice that was quiet and low, said,
"What am I bid for the old violin?"
And he held it up with the bow.
"A thousand dollars, now, who'll make it two?
Two thousand, who'll make it three?
Three thousand once, three thousand twice,
And going and gone," said he.
The people cheered, but some of them cried,
We do not quite understand
What changed its worth? The man replied,
"Twas the touch of the Master's hand."
And many a man with life out of tune,
And battered and torn with sin,
Is auctioned cheap to a thoughtless crowd
Much like the old violin.
A mess of pottage, a glass of wine,
A game, and he travels on.
He's going once, he's going twice,
He's going, almost gone.
But the Master comes. And the foolish crowd
Can never quite understand
The worth of a soul and the change that's wrought
By the touch of the Master's hand.

The Fashion Watches of Winter

By Gail Dugas CFN Women's Editor

NEW YORK (CFN)—The off-beat evening colors of winter take naturally and easily to the glittering, jeweled high fashion watches designed especially for five o'clock on.

Affre with emeralds, rubies and sapphires, these new and exciting watches for evening most often have jewel-studded lids ingeniously concealing the watch face. They are the perfect companions for, say, a crunchy theater suit in purple wool chenille ablaze with jewels and resembling the heart of rock quartz. Or for peridot green, fuchsia, and burnished metal colors: copper, green bronze and cut steel. The pale pastels have disappeared this year in the luminous coloring of rose and green brocades, excellent company for the blazing, beautiful evening watch.

This is a season in which velvet is marked like Russian broadtail, silks are flecked with Oriental gold, lace is woven with wool or silk ribbon, honeycomb tweed is set on net and giant chevron weaves appear in puffed metal cloth.

In short, it's a season when anything can happen. Your newest watch should keep pace with the times. Think in terms of fascinating bracelets, combining round, pear and marquise diamonds in one glittering ribbon of light.

The winter suit woven of wool and lace is not only exciting, it requires something very special in the way of a watch to point up a slim wrist. Why not the watch with the faceted crystal for added sparkle? The right touch for a unique suit fashion, in fact, the perfect jewelry accessory.

The jeweled and glittering evening clothes for holiday evenings have no trim. They are all line, very pure and beautifully simple. They resemble light flowing over the body and only that which is light and dazzling in a tiny, elegant watch is right with such fashion.

This elegant dazzle extends to the very watch bracelet, so that you may have watch and matching band or bracelet textured in such airy and brilliant patterns as checkerboard, diamond, polished and bark. The bracelet, like the watch, may be a dazzler with diamonds, ablaze with rubies or shining with the deep green of emeralds.

For a gray wool theater suit lightly beaded in cut steel and colored stones, choose a tiny watch with modest use of colored diamonds. Not too much, just absolutely right for a high fashion fall.

What to wear with a swishing pink poplin raincoat lined in sable? Why, a watch, of course, a tiny watch, round in shape, with hands in pink leather. Subtle but right there to tell you the time of day!

It's a big, beautiful, brilliant winter for watches! Just look around . . .

BIRTHS

The following births have been announced at the South Amboy Memorial Hospital:

Daughter to Mr. and Mrs. Frank Poullito, 465 Karlan Blvd., Cliffwood Beach. Son to Mr. and Mrs. John Lawrence, 45 Evelyn Terr., South Amboy.

Son to Mr. and Mrs. Stanley Jay, 6 Evelyn Terr., South Amboy.

Son to Mr. and Mrs. Thomas Lewis, Apt. 4 Sky-top Gardens, Parlin.

CHRIST CHURCH SERVICES TO BE HEARD ON WCTC

The Rev. Edward R. Cook, rector of Christ Episcopal Church, has announced that beginning with this Sunday's services, October 7, from 11:05 a.m. to noon, the worship service will be broadcast live over radio station WCTC in New Brunswick. During this week's service, the Holy Eucharist will be celebrated as it will be on October 17 and 31. On Sunday, October 24, the service will be the office of the morning prayer.

Monmouth Presbytery In Fund Campaign

Forty-seven churches of the Monmouth Presbyterian Presbytery will participate in the denomination's Fifty Million Fund for construction and equipment of new churches, colleges, seminaries, schools, hospitals, homes and other facilities in the United States and 27 other countries around the world.

The Presbytery goal is \$500,000. The campaign is being held through next spring, when most churches are expected to hold congregational every-member canvasses. The New Jersey objective is \$5,386,250, including \$1,000,000 for Bloomfield College, \$50,000 for N. J. Synod Homes, and \$27,250 for New Jersey camps and conferences.

General Chairman in Monmouth Presbytery is Rev. David P. Muyskens, minister of First Church, Hightstown. Rev. John Slater of First Church, Asbury Park, is Vice Chairman, and Ross E. King of Red Bank is major gifts chairman.

Nationally, the campaign is headed by General Dwight D. Eisenhower, honorary chairman; Marion D. Folsom, former secretary of health, education and welfare, honorary treasurer; Dr. William H. Hudnut, Jr., national chairman; and Henry R. Luce, editorial chairman of Time-Life, Inc., major gifts chairman.

Fifty Million Fund projects within Monmouth Presbytery, which covers Monmouth and much of Ocean and Burlington counties, include relocation of the church at Lincroft.

William Kurtz, 512 Alpine St., South Amboy, is a member of the Presbytery Fifty Million Fund Committee.

AWARDS MADE BY MOOSE ORDER

At special ceremonies held by the Perth Amboy Moose #1360, Governor Edward Cross, Past Governor Peter Beni and George Walnum were cited and awarded the Fellowship Degree by Pilgrim John Howard.

Justus Nelson, who is a Past Governor, was awarded membership in the "25 Club" at Moosehead by membership chairman, Secretary Frank Sarnicki. Refreshments were served by the Women of the Moose, and dancing followed.

Good Weather Greeted Pulaski Day Marchers

MARCHERS - Students of Sacred Heart School and their teachers lineup prior to boarding busses for the trip to the Pulaski Day parade

held in New York last Sunday. Some of the girls are in Polish national costumes.

Comfortable temperatures and sunny skies helped make this year's Pulaski Day Parade on Fifth Ave. in New York City, the 29th successive year of its staging, a memorable one, especially for a large group of students at Sacred Heart School who participated.

More than 300,000 spectators watched as a total of 70 bands and 30 floats, part of an estimated 100,000 marchers, passed in review from the staging area beginning on 26th St. east along the avenue to the dispersal point at 52nd St. and Fifth Ave.

Originally scheduled to be televised on Channel 11 but deferred because of the Pope's pilgrimage from Rome, the parade was filmed and presented on WPIX later that evening. Radio stations also carried the parade proceedings. The spectacle began at 1 p.m. and continued to 6 p.m. when the last unit reached the terminal point.

Leading the large South Amboy delegation were the "Coppertones" supervised by C. J. Bowle, Adam Rzepka of 125 South Feltus St. was the local marshal. In the group were members of Boy Scout Troop 95 and

charter members of the Polish American Citizens Club who helped sponsor the parade.

Hundreds of banners, many of them carried by children dressed in colorful native Polish festival dress, depicted hostile sentiments toward Communism and the harassment of the Church in Poland. Clergymen, for the most part, accompanied contingents from four states--New Jersey, New York, Connecticut and Pennsylvania. There were also several units from Massachusetts.

In the reviewing stand at the public library at 41st St. were many dignitaries, including high-ranking military officers, Governor Nelson Rockefeller of New York and Governor Richard J. Hughes of New Jersey. Mayor Robert Wagner of New York City, U.S. Senators Robert Kennedy and Edward Kennedy and parade officials. Mayor Arthur J. Holland of Trenton was principal speaker at the Waldorf-Astoria Grand Ballroom where a banquet was held in the evening.

South Amboy

Open Friday Till 9 P.M.

was an American Revolutionary general and hero who fought gallantly at Brandywine and other great battles of the war as a cavalry officer. He was mortally wounded during the Battle of Savannah and died the next day aboard ship. A monument has been erected in Savannah in his memory and many cities and counties, as well as the Pulaski Skyway, bear his name.

JO-TOM'S TO HOLD SAFAS DAY

In celebration of their first anniversary in business in South Amboy, Jo-Tom's, 134 So. Pine Ave., will observe October 27 as South Amboy First Aid Squad Day. On that day half of the proceeds realized at Jo-Tom's will be donated to the First Aid Squad.

There will be gifts and prizes in three different age groups: 1 to 10; 11 to 18; and for adults.

JUNIOR WOMEN'S CLUB HOLDING RUMMAGE SALE

The South Amboy Junior Woman's Club will hold a rummage sale on Friday, October 8, at 67 Hillside Ave., Sayreville, from 10 a.m. to 4 p.m.

On Saturday, October 2, the State Fall Conference was held at the Robert Treat Hotel in Newark, with over 900 women from all parts of New Jersey attending. Representing the local club were Mrs. Robert Zera, President; Mrs. John Kuhn, Vice President; and Mrs. Russell Stratton, club advisor. Various workshops were held in the morning, and after the luncheon, Miss Dorothy Krievancik, Jr., State Chairman, presided over the business meeting.

The next regular meeting will be held on Monday, October 11, at 8:15 p.m. at the Protection Fire House.

ANTIQUES SHOW AT CHRIST CHURCH

Mrs. H. N. Kurowsky is chairman and Mrs. Edna Chase is co-chairman of the fourth South Amboy Antiques Show, sponsored by the Episcopal churchwomen of Christ Episcopal Church, to be held on October 13 and 14 at the church Memorial Hall, Fourth St.

The show, open to the public, will feature 20 dealers from several states who will exhibit many antique articles including furniture, silverware, china, glassware and jewelry. All merchandise displayed will be for sale.

Mrs. Marion Thomas of East Brunswick will serve as a consultant for the churchwomen.

Show hours on both days will be from 1 p.m. to 10 p.m., and a snack bar will be open until closing.

Tickets may be purchased at the door.

SAFAS ISSUES MONTHLY REPORT

A total of 122 calls were answered by the South Amboy First Aid Squad during September, according to a report issued by Captain John Mulvey.

Among them were 72 emergency calls; 37 transports; 3 fires and 10 miscellaneous calls with a total of 587 man hours consumed.

High men in hours for the month were Thomas Hoover, 43 calls; Phil Purcell, 39 calls; James Ryan 35 calls; Joe Gloffre, 34 calls; Richard Peterson, 34 calls and William Chapman, 34 calls.

BUY U.S. SAVINGS BONDS!

Spiral Metal Co. Announces Contest

College students are invited to participate in a contest being sponsored by Spiral Metal Company, Inc., South Amboy.

The company -- a major refiner and fabricator of precious metals -- will award United States Savings Bonds for the best papers submitted on: "The Potential Uses for Calcium Sheet and Foil."

Papers will be judged on the originality and feasibility of the ideas presented. Entries should be typed and must include the student's name, school and major.

First prize will be a \$200 bond; second, a \$100 bond, and third, a \$75 bond.

Any processes that may result from the student papers will be protected by a royalty agreement.

Entries must be submitted by December 17, 1965. Winners will be announced by February 15, 1966. No entries can be returned.

Send all papers to: Spiral Metal Company, Inc., Broadway, South Amboy, New Jersey 08879.

Mile Square Talk

There will be no court next Tuesday because of Columbus Day observance. The next session is scheduled for October 19.

Mrs. Tillie Rush of 344 George St., mother of Councilman Joseph P. Rush, has been a patient at the South Amboy Memorial Hospital since September 27. We wish her a speedy recovery.

Mayor Richard J. Schultz attended the "All American Council Rally" at the Woodbridge Armory last night in honor of Governor Richard J. Hughes. The governor is seeking re-election next month.

Leading the Manville Sacred Heart Parish group in Sunday's Pulaski Day Parade on Fifth Ave. in New York was Rev. Hyacinth Dombrowski, Capuchin Father, who shook hands with a number of local parade participants whom he spotted just across the street information on 27th St. Father Hyacinth was decorated with a parade marshal bandana. Manville had all three parish bands--the "Colonials," the "Crusaders" and the "Cavaliers"--in the parade.

Drawing much attention at Sunday's parade were the "Coppertones" whose precision marching is always an inspiring thing to watch. The Coppertones led the local contingent which consisted of approximately 150 persons. Among the spectators were Mrs. Viola Lewandowski of Second St., in the company of her mother, Mrs. Stanley Zlobro of Henry St., and Mr. and Mrs. Michael Paliko. Many others viewed the parade from the reviewing stand, among them Freeholder George Otowski.

Councilman John J. Howley reported to the governing body Tuesday that South Amboy's two new firetrucks being assembled by Mack Company of Allentown, Pa., are near completion and should be delivered within two weeks.

Fire Prevention Week is being observed nationally from this past Sunday to October 9. In issuing a proclamation, Mayor Richard Schultz appealed to residents to check their attics and cellars for accumulation of trash and other kindling which could start fires by spontaneous combustion. He cited a recent fire in New Jersey which took the lives of a mother and her four children.

In connection with the proclamation on Fire Prevention, it was noted that most drastic fires are started by adults leaving matches within reach of youngsters, careless smoking and overloaded electrical fixtures.

The mayor also announced his approval of the measures taken by Mayor Zirpolo of Woodbridge relating to air pollution. He said that in the past there have been local air pollution incidents.

Councilman Peter J. Rush wondered Tuesday why there are no school guards at the intersections of Bordentown Ave. and Stevens Ave. and at the five-corner Bordentown Ave.-Feltus St. intersection. He said that he had received many inquiries from his Fourth Ward constituents about this and asked the mayor to provide guards at these corners.

Mayor Richard Schultz said he is still awaiting a report on the traffic light situation in the city. It is anticipated that city engineer Edward C. Reilly will have such a report at the next council business meeting.

Councilman John J. Howley reminds senior citizens who qualify for tax rebates to file their tax exempt forms by deadline time November 1.

The mayor and council accepted with regret, the resignation from the Planning Board of John J. McCloud. In a letter to the governing body, McCloud wrote that the Planning Board is one of the more important branches of municipal government requiring that its memberships have the necessary time to do efficient work, planning for the future progress of the city. He said that he finds it most difficult to serve on the board with the continued illness of his wife. Mayor Schultz said he considered McCloud a competent member of the board.

Now that school has resumed and many youngsters travel to school by bicycle, Councilman Connors petitioned the mayor to re-institute a bicycle operation program for youths as was the practice in previous years. He said that the bicycle problem in the city has increased.

The mayor and city council introduced a revision of Ordinance 639 Tuesday requiring all persons convicted of crimes entering the city to register immediately with the Chief of Police. The old ordinance gave such persons 24 hours to register. J. Rush stated that in 24 hours much disturbance in the city can be caused by such "characters". The new Ordinance, numbered 748, will be continued on first reading and will come up for adoption October 19.

The first Anti-Poverty committee, composed of three local clergymen, a board of education member, the publisher of this newspaper and the director of the Housing Authority will be held at 8 p.m. today, the mayor disclosed. He asked Council President Fred Henry to attend.

At the next council meeting, Girl Scout Troop 501 will be guests, Mayor Schultz revealed.

CAR COATS take on fashion zip with giant industrial zippers. This one in water-repellent, laminated flannel. By Honeydew Jrs. in Pacific Mills flannel.

The unexpected cease-fire in the cold war of the Democratic chairman's contest has brought about an odd twist in the campaign -- after a week of campaigning, mud-slinging, etc., etc., the aspirants for the chairman's job are now in a quandary as to why all the excitement -- it's like trying to unscramble an egg.

Councilman Peter J. Rush made a progress report on the southbound railroad commuter shelter which has been pursuing astutely for more than a year. He said Tuesday that transcripts of the public hearing, held in Newark last month have been forwarded to the Public Utilities Commission for a decision. The railroad, he says, still has the right of appeal in the courts should they lose their case.

Something definite might be arrived at regarding the construction of a uniform sidewalk on Stevens Ave. between the hole-in-the-wall and Fourth St. A municipal decree is expected to be promulgated at the next council meeting.

City Collector, Mrs. Mary Wenzel, reported the sum of \$187,477.50 collected and deposited in local banks for the city during September.

A letter from subscriber Mrs. Bertha Jacobs in Bradley Beach informs us that her grandparents, Mr. and Mrs. George Slocum, Sr. of 491 So. Pine Ave. celebrated their 45th wedding anniversary on Sept. 30. Many happy returns Mrs. Jacobs and her father, George Slocum, Jr. were in town for the firemen's 75th anniversary celebration and she claims the 3-day festivities were most impressive. We agree!

SERVICE SLANTS

First Lieut. George F. Novey of Crestview No. 5, Parlin, has been promoted from the rank of second lieutenant. It was announced at the U.S. Army Signal School today. He is an instructor in the Signal School's Department of Command Communications.

The son of Mr. and Mrs. George C. Novey of 229 Utter Ave., Staten Island, N.Y., Lieut. Novey was graduated from the Brooklyn Technical High School in 1959 and took his degree at Pratt Institute in 1963. He now lives in Parlin with his wife, the former Miss Leonore Randy Harrison of 1308 Avenue X, Brooklyn.

Aerographer's Mate First Class Martin Bonk, USN, son of Mr. and Mrs. George Bonk of 416 Meacham Dr., a crew member of the guided missile light cruiser USS Springfield, flagship of the Sixth Fleet in the Mediterranean, during breaks in fleet operations, visited the ports of Valletta, Malta and Beirut, Lebanon.

While in Valletta, he witnessed the commemoration of two great events in Malta's history: the raising of the Great Siege of 1565 and the end of the more recent one in 1943.

In Beirut, he had the opportunity to tour the ruins of Baalbeck and view such historically famous sights as Jupiter's temple and the Temple of Bacchus.

Following the visit to Beirut, Springfield departed for Izmir, Turkey for a three-day visit after which she returned to Villefranche-sur-Mer, her home port on the French Riviera.

Donald Frier of Bayshore Drive reported a bicycle taken from his home Tuesday. It was a blue and white disc-type 20 inch model with no fenders. Another bicycle, a red and white Schwinn, 28-inch, was reported stolen from the Conlogue Ave. playground the same day. It was the property of the son of Mr. Karaffa of 720 Charles St.

In a brief Municipal Court session Tuesday, James O'Donnell of 185 Port Monmouth Rd., Port Monmouth, was found not guilty of throwing an object from his car on Route 35 July 24 but was assessed \$10 for contempt of court for not appearing August 3 as summoned. Robert J. McGaughie of 37 Main St., Matawan, pleaded guilty to leaving the scene of an accident July 25 on John St. and was fined \$50 and \$5 costs. Sgt. Raymond Mundy issued the summons.

Richard Trout of 152 Henry St. informed police Friday that his boat, moored to the rear of the Sun Oil Company, was missing.

During the night Friday a person was seen tampering with autos at Murphy's Service Station, Main St. and Washington Ave. The next day a battery from a car was found to be missing.

John Bucella suffered third degree burns on his hands Saturday at 3:40 p.m. when a fire broke out in the kitchen of his home at 110 Augusta St. Bucella was installing a formica covering when the paste he was applying ignited. He was taken to the Perth Amboy General Hospital.

There was a false alarm turned in Sunday at 6 p.m. from Box 41. Police disclose that young boys were seen fleeing the area at the time. The alarm went off again Monday at 1:21 p.m. from Box 24 for a brush fire in the vicinity of the city dumps.

In an accident Friday at 8:55 p.m. on Route 35 at the intersection of Catherine St., Richard Bandat of 2251 Homestead Ave., Brooklyn, suffered damage to his front teeth and lower lip when his car collided with one operated by Robert Hechathorne of 969 Roanoke Ave., Riverhead, New York.

Mrs. Lois Morris of 719 Charles St. informed police Tuesday that while visiting friends on Dayton St., someone took the hubcaps from her car.

Farrell Recalls Resignation

In an announcement today from Mrs. Mae Grimley, vice chairman of the South Amboy Democratic Organization, she revealed that she had received a telegram last night from Dr. Frank Farrell, who last week verbally resigned as municipal chairman, in which he said he would reconsider his resignation and discuss it next week upon his return to South Amboy from a vacation.

The local Dem party had been left in a quandary on Farrell's verbal resignation and it was expected that a leadership fight would develop between former mayor William O'Leary and Martin Dohaney, a member of the Industrial Commission. Mayor Richard J. Schultz had been generally favored by the committee as an interim leader. Farrell's telegram of reconsideration will now assure a leader to head the campaign for councilman seats in the 1st and 4th wards.

Police News

Henry Yurkonis of 278 Stevens Ave., Morgan, reported to police Monday that between 12:30 and 2:20 a.m. someone pilfered a car coat from his auto which was parked in front of the Jaguar Club on Route 35.

Reporting a theft also was Zenon Zadlock of 122 Henry St. He disclosed to police that during the night Friday a cellar window to his apartment had been removed and that a wrist watch valued at \$80 and a bottle of whiskey were taken.

When Mrs. Gillis of 305 Wilmont St. returned home just before 10 p.m. Monday, according to police, she discovered the glass panel from her back storm door removed. She walked around to the front entrance and closed the door behind her when she discovered a youth between 18 and 20 years old in her home. Upon detection, the youth fled out the back door, but by then Mrs. Gillis was too frightened to obtain a description of him. Investigating, she noted that about \$37 in assorted change and 7 silver dollars were missing from a bedroom table.

Someone also broke into the car owned by Joseph Nash of 316 Walnut St. during the night Monday taking a 35mm. camera. The car was in front of his home. While he was attending a bingo Tuesday, Mr. Stevens of 316 Prospect St., Laurence Harbor, had his car entered and his car registration taken from the glove compartment.

At 8:15 last night an automobile belonging to James English of 10 Maple Rd., Keyport, caught on fire on Route 35 at the Bordentown Ave. overpass. No damage was sustained.

SIMPLE SCARF GOES HIGH HAT

Back in Poland, grandma called it her babushka. Her daughter called it her hushka. What do we call it? The scarf. The scarf has come a long way from its humble European origin. Now it is strictly high fashion, especially when it is tied dramatically over a hat frame.

Not only is the scarf hat, as it is called, fun and attractive to wear, but it leaves lots of room for creativity. It can be tied high or low, wrapped, folded, draped or pinned. Almost any basic hat frame can be used. Check your size and dress store for a flattering one. Then, tie round your favorite scarf... a 30 to 44-inch square is most successful.

The makers of Rit dye have a further suggestion for making a really unique scarf hat. The suggestion... tie-dye your own scarf. It's as simple as this. Just start with a large square scarf. Tie it in knots or tie it Egyptian mummy style with a length of cord, string or wire. Then dip it into a bowlful of hot dye solution, untie and rinse in cold water. Lo... it's a high fashion pattern. The pattern will vary from a snowflake look in a muted shadings to a band of uneven stripes. It can be centered, cornered or all-over. This will depend on your tying technique. To add extra colors, just retie and redye. Wherever the scarf is knotted or covered, the fabric will not accept the dye.

Thoughts of Italy
As I grow older, one thing is sure
To have happened along with
the passing years:
Whenever I come thoughtfully
back
Was an age about ready to
cross the door.
The notion I now possess that
A man of style is just a hat

Clothing Fires Kill

One of the most dangerous
fires is the clothing fire. Each
year burns from clothing cause
hundreds of deaths, thousands
of serious, often disfiguring, in-
juries. Most frequent victims
are children and the elderly.

A helpful prevention measure
is care in clothing selection.
Heavy, smooth-surfaced fabrics
resist burning better than light-
weight, long-napped ones. De-
signs avoiding billowing folds of
material and long, loose sleeves
reduce chances of clothing catch-
ing fire.

Most important of all is to
appreciate that just about any
clothing can burn, that a flame,
spark or other intense heat may
start it burning, and the burn-
ing may be so dangerously rapid
that the wearer is enveloped in
flame.

Safety from clothing fires calls
for watchful care in all activities
around stoves, heaters, fire-
places and outdoor fires, and in
using matches and smoking
materials.

SABRES LOSE 18-0 AGAINST SAYREVILLE

About 700 avid Pop War-
ner football fans were on
hand Sunday at Sayreville
Memorial Field to watch
the Borough Leprechauns
square off against the South
Amboy Sabres who entered
the contest as the "under-
dogs." The out-manned and
out-weighted Sabres found
themselves in trouble early
in the game which ended in
an 18-0 triumph for the
opponents.

Bruce Buckiewicz hauled
in the opening kickoff and
returned it to the Sabre
48. A pass from Ray Downs
to Bruce netted 12 addition-
al yards, but thereafter the
Sayreville defense stiff-
ened and the Sabres were
compelled to punt. A bad
pass from center placed the
local eleven on the 32.
Ricky Popowski showed
Sayreville's intentions
early in the game by skirt-
ing right end for a TD, but
the play was called back
because of an offside. Tim
Rhatigan and Popowski then
combined talents to lug the
ball to the Sabre 3 where
Gary Unkel maneuvered
over right tackle for the
first score. Rhatigan's kick
for the extra point failed.

No sooner did the Sabres
get their offense rolling in
the second quarter with
small gains by Buckiewicz
and Neil O'Connor when the
advance stalled and a punt-
ing situation developed.
However, the Sabres elect-
ed to run. Another bad pass
from center to Gary Mauro
gave the Leprechauns po-
ssession deep in Sabre ter-
ritory.

Starting his own 15,
Popowski slashed forward
off right tackle for the
second Sayreville TD. Rha-
tigan's second point at-
tempt went astray. The
Sabres, changing tactics,
took to the air with Downs
firing a 20-yard pass to re-
ceiver Mauro who lugged
the pigskin 25 yards before
being grounded by Sayre-
ville's safetyman, foiling
the Sabre bid.

During most of the third
quarter, both teams played
even. Buckiewicz booted to
the Sayreville 45. Later in
the quarter Rhatigan
streaked 55 yards for
Sayreville's final tally.
Rhatigan's third kick also
failed to clear the goal
posts.

Popowski and Rhatigan
weaved about freely in the
final period until the Sabres
plugged up their line. The
Sabres developed a threat
by working the ball deep

into Sayreville territory
with a pass from Downs to
Willie Garcia on the Lepre-
chaun's 22, but there Gar-
cia fumbled the ball and the
game ended with Sayreville
in command 18-0.

The local PeeWees who
won handily against High-
land Park last week found
themselves on the short
end of a 6-0 loss in the
preliminary game. Joe
Graber punted to Sayre-
ville's 35 to open the game.
Henry Kugel of Sayreville
probed right flank to bring
the pigskin to the 24 where
the PeeWees took over.

A bad break gave Sayre-
ville the advantage as a
ball served from center
went sailing over Graber's
head for a Sayreville re-
covery. Kugel took the ball
from the 22 to the 9 where
the Sabres took a 5-yard
penalty for offside. On the
next play he plunged over
center for the initial score.
His point attempt was sty-
mied.

Taking to the air, the
PeeWees' plan was thwarted
when Kugel intercepted
Graber's pass on the 40
yard marker. But the half
ended without further pene-
tration.

Neither team was able to
work up a telling offense
in the third quarter. The
Sabres showed some of-
fensive spark in the fourth
stanza when Bob Skarzyn-
ski peeled off 12 yards off
tackle. He gained another
8 yards on an off tackle
slant and 2 more on a
center buck. Another in-
terception by Kugel on his
own 40 squelched the
PeeWee bid.

A final spearhead by
Sayreville late in the game
developed when Kugel faked
a kick and then romped
to the Sabre 12. The con-
test ended on the Sabre 7.

The Sabres confront the
Carteret Sportsmen at
Overholt Stadium Sunday
with kickoff time at 2 p.m.
