### ADOPTION OF SCHOOL BUDGET DESERVES ATTENTION

Next Wednesday evening at 8 p.m. in City Hall, the Board of School Estimate will hold a public hearing at which time they will review the South Amboy public school budget for 1967-68. The estimated amount to be fulfilled from local tax levy is \$431,217, an outright increase of \$68,854.51 over last year's budget of \$351,362.49. The increase includes \$11,000 for a mandatory fire detection system, dictated by state law, which must be included in this year's budget. This is a capital outlay item that, although included in the school budget, could be financed by a bond issue. The simple arithmetic involved in figuring the increase might indicate to the taxpayer only that an increase in his personal taxes is forthcoming.

But is this all? We think not; we think that the increase in the school budget is justified and we offer the following facts for the taxpayer's consideration:

In December 1966 the South Amboy Education Association accepted a salary schedule in which the new starting salary for a bachelor of arts degree is \$5,800 with a maximum of \$9,400. With minor reservations, the teachers felt the increase was a fair one. Their decision was agreed on following negotiation meetings with the Board of Education that were conducted with cooperation and mutual respect.

Last month a progressive educational concept was advocated by these same teachers when they requested the board to implement curriculum changes in the high school. The proposed changes would be more flexible in a student's choice of study courses and takes into consideration the student who is undecided on whether or not he will continue further education.

We mention these facts in light of the wide-range publicity received in recent weeks by school districts within surrounding areas. Woodbridge Township teachers returned to classes this week following a walkout that lasted 2 weeks. It was an ugly time for that community that found teacher pitted against teacher and it became a situation that finally involved the presence of labor mediator Theodore Kheel. Negotiating teachers in Matawan accused their school board of "bargaining in poor faith." Last week in Linden, 65 percent of the city's teachers called in "sick" protesting conditions there.

Last week also, mediation was sought in Edison as teachers and board members reached a standstill in their contract negotiations.

In view of what has and can happen in other school districts, we think what happened in South Amboy is commendable. Contract negotiations were conducted with dignity and honor. We also think the fact that the teachers' curriculum committee worked on their own time and without pay is commendable and it is a strong indication that while teachers are interested in their salaries, they are also interested in their students.

The budget to be reviewed next week does not allow for implementation of new programs; it is a "bare-bone" budget reflecting rising costs in student education and transportation in addition to salary increases. It is a minimal budget. We feel it should be adopted.

## Letters To The Editor

TO THE EDITOR:

Most people are usually too quick to criticize events or happenings of the day, but are not too eager to take the time to offer a good word to anyone who does a good thing. I am very happy at this time to take these few minutes by contributing my good feelings to our local board of education and our local teachers of South Amboy on the way they conducted themselves by reaching an agreement on their salary guide without having a public demonstration such as we've been seeing and hearing about in our immediate area.

If more people would say a good word about a good thing to the deserving, rather than sit back and just wait to criticize what they feel is a bad thing, we would all live in a more peaceful world.

**COUNTRY AWARD** - Mrs. Elizabeth Marczak, county president, and president of the Sacred Heart Post 578 Ladies Auxiliary, presented the COUNTRY AWARD to Mr. Francis Barbieri of 320 Parker Ave., South Amboy, for his bravery in action while serving in Vietnam for which he was awarded the Bronze Star and Purple Heart.

The presentation took place at the 21st convention of the Catholic War Veterans held at Sacred Heart Church, Sunday, January 29, 1967.

Looking on is Edward Kaboski, general chairman.

### Civic Interests 'Old Hat' For Realtor Harrigan

When James J. Harrigan was welcomed to a 5-year term by the Board of Education at their re-organization meeting last night, he donned a familiar hat as far as civic interests and work are concerned.

The popular head of a real estate agency, bearing his name, on Route 9 has long devoted much time to interests directly connected

to an outstanding student. He has also done work in real estate and insurance at Seton Hall and Rutgers Universities and holds an M.T.L. degree from New York University.

Among his first jobs was a stint as an oil bottle washer at the Shell Oil Co. in Seward, as at that time there was a lack of jobs requiring his particular background. Shortly afterwards he became associated with insurance agencies in Perth Amboy before becoming an assistant to the chief evaluator for the Federal Housing Administration at the Newark office. He worked then as

### EXEMPT FIREMEN TO MEET

The Exempt Firemen's Association will meet at the Protection Firehouse on Monday, February 6, at 8 p.m. New officers for the year will be installed at this meeting.

The officers for the year 1967 are: Henry Kurtz, president; Joseph Quinlan, vice president; John Leonard, secretary; and Al Sorrentino, treasurer.

Committees for the year for the Firemen's Relief Association and the Firemen's State Exempt Association will be appointed at this time.

All members are urged to attend.

Following the meeting, a social will be held.

### FRED REESE HEADS BOARD OF EDUCATION

At a brief re-organization meeting of the Board of Education held last evening, Frederic Reese was elected president, replacing Mrs. Howard Ervin who had held the post for the past year but who still continues as a board member. Chester Zamorski was named vice-president and James J. Harrigan was welcomed to a 5-year term. He was appointed by Mayor Richard J. Schultz and replaces Leslie Batchelor.

A native of South Amboy, Mr. Reese attended local schools and received a degree from Rutgers University. His education also includes summer sessions in vocational education at Cornell University. He began his teaching career at Hoffman High School and then taught in Bound Brook and at the New Brunswick Vocational and Technical High School. He is currently the assistant principal of the Perth Amboy Vocational and Technical High School.

Mr. Reese has served as a member and past president of the Library Board, served one term as a councilman in the 4th Ward, and is currently a member of the South Amboy Economic Opportunity Committee.

In his service with the Board of Education, Mr. Reese is the third generation of his family to serve on this board. His grandfather, William Woodward, was a member in 1926 and his father, Irvin L. Reese, was the president of the board in 1935.

Married to the former Lousita Connor, art instructor at Hoffman High School, the couple are the parents of 2 daughters: Mary Lou, a teacher in the Edison Township system and Peggy, a secretary in the Graduate School of Psychology at Rutgers University and a student at Newark State College.

**APPOINTMENTS MADE**  
During their meeting, the board designated the Amboy-Madison National Bank and the South Amboy Trust Co. as official depositories for school funds; the CITIZEN as official newspaper; and will continue to hold their regular meetings on the 4th Wednesday of each month.

The new president re-named himself and Joseph Herrmann to serve on the Board of School Estimate and carried over other committee appointments to a future meeting.

The Board of School Estimate will hold a public hearing next Wednesday, February 8, at 8 p.m. in City Hall on the 1967-68 school budget.

Due to a legal holiday, Washington's Birthday, the board's February meeting will be held on Thursday, February 23.

### BRENNAN HEADS SHADE TREE COMMISSION

Mr. William Brennan of Bordentown Ave. was unanimously elected president of the South Amboy Shade Tree Commission at the regular monthly meeting held last Monday night in the City Hall.

Mr. Harold McLaughlin was elected treasurer, also unanimously, and Mrs. Edward Lagoda was re-named as secretary of the board.

The board discussed plans for the spring planting, which will soon get under way. The public is advised to watch for the notice that will be printed in the CITIZEN.

Trees, that had been planted last year and failed to survive, will be replaced free of cost.

It was announced that flowering cherry trees, mountain ash and Norway maples will again be offered to the people of South Amboy at cost.

Purchasers of trees in previous years are again reminded, by the commission, to water their trees at least once a week. One pail of water will suffice.

The commissioners also remind the owners of the flowering cherry trees, that, any growth below the grafting bud, which is about 5 feet from the ground, is common cherry stock growth and should be removed. The purpose of this tree is to grow from 5 feet on up so that motor vehicles will not be the cause of any injury to the tree.

## Letters To The Editor

DEAR EDITOR AND DEAR "A",

This is a response to your reader who signed themselves "A".

I am shocked to read of an individual who is offended or so concerned that certain Service Boys pictures were not in the paper. I should think if this was so important, that certain "A", would have made it his or her duty to see that there is something in the paper about these boys, as I presume they knew where the CITIZEN office is located.

I also am sure, that the parents of these boys, were not so concerned about write-ups or pictures, all they want is their boys to come back safely. As for the parents, this is a heartbreak that the boys are there. When the boys come home, they will put it in the paper so every one will rejoice with them, as I will do the same, as my boy is there also and so are many others, whose pictures weren't in the paper.

Thank You  
(Signed) "B"

assistant vice president of the Jersey Mortgage Co. Elizabeth, until he started his own building business, which, over a 2-year period, built over 400 houses in the Monmouth County area.

In 1956, the J. J. Harrigan Agency, specializing in development work and sales, mortgages and insurance, was opened. This same year saw his appointment to the housing authority followed by a 3-year term as chairman of the planning board. The city's first zoning ordinance, including a master plan of city development, were formulated during this period. Then followed a term as president of the city council after which he declined to seek re-election due to the pressure of his business.

There are many facets to Mr. Harrigan's interests and he is a man who finds time to devote to his church and its activities, real estate activities, as well as his civic work. A parishioner of St. Mary's Church, he is a member of Council 426, Knights of Columbus, serving as grand knight from 1942 to 1946. He is also active with the Holy Name Society and has served as secretary of the County Federation. Currently he teaches Confraternity classes at St. Mary's Church.

In 1962 Mr. Harrigan was the president of the Middlesex County Board of Realtors and among the titles he holds are National Chairman of the Education for the Bankers Assn., State of New Jersey; Chairman of the Epics and Grievance Committee of the Middlesex County Board of Realtors and the Multiple Listing System; and vice president of Chapter I of the N. J. Certified Property Managers of the National Association of Real Estate Boards.

He is now the president of the South Amboy Rotary Club, a director of the Perth Amboy Savings Institution, and a member of the South Amboy Memorial Hospital Board of Directors.

One of the founders of the Frog Hollow Swim and Tennis Club, he was that organization's first president and on completing his second term in this office was honored at a surprise testimonial. He was also one of the organizers of the Boy Scout troop of St. Mary's Church and served on the Raritan Bay Council of the Boy Scouts of America. Mr. Harrigan currently teaches real estate classes in the Extension Division of Rutgers University.

Married to the former Rita Keane, the Harrigans are the parents of 4 children: Tom, Joe, Jimmy and Marjorie and are residents of David St.

## MIDDLESEX COUNTY POST AND AUXILIARY HOLD 21st. ANNUAL CONVENTION

**GUESTS OF HONOR** - Among the dignitaries present at the Middlesex County Chapter, Catholic War Veterans and Ladies Auxiliary, convention held Sunday at Sacred Heart Church are the guests shown above at the head table.

From left to right: Mayor Richard J. Schultz; Bruce Hall, Middlesex County commander; Aldo Di-

Chaira, State Commander; Congressman Edward Patten; the Rt. Rev. Msgr. (Col.) Joseph Chmielewski; Edward Kaboski, breakfast chairman; Attorney Edwin Kolodziej, toastmaster; the Rev. Myron Gayda; Freeholder George Orlowski; Josephine Cervasio, State President; and Mrs. Elizabeth Marczak, county president and president of the Sacred Heart Auxiliary.

On Sunday, January 29, 1967, the annual Middlesex County C.W.V. convention was held at Sacred Heart Parish, South Amboy, hosted by Sacred Heart Post 578 and Auxiliary. The convention opened with the 9 a.m. Mass. The Rt. Rev. Msgr. Joseph Chmielewski, a Colonel and former chief of Army Chaplains, at present Staff Chaplain for the Surgeon General, U.S. Army, Pentagon, Washington, D.C., was celebrant, assisted by Rev. Myron Gayda.

Breakfast followed in the school cafeteria for members and the public. The National Anthem was sung by Mr. Francis Norek, Mayor Richard J. Schultz, welcomed the group.

The principal speaker was Rt. Rev. Msgr. (Colonel) Joseph Chmielewski. Other distinguished guests included: Congressman Edward Patten; Freeholder George Orlowski; Rev. Myron Gayda of Sacred Heart Parish; State Commander Mr. Aldo DiChiara and State President Miss Josephine Cervasio. The Toastmaster of the affair was Mr. Edwin Kolodziej, attorney and Judge Advocate of the Sacred Heart Post 578.

Commander Bruce Hall also spoke and called upon the bowling chairman Mr. Alex Fazekas to present the bowling awards. Mr. Edward Susan, State 3rd Vice Commander, presented a \$25.00 bond to the Poster contest winner, Miss Lou Ann Tomczak of St. Joseph's School, Carteret, N. J. An award was also given to the St. Joseph School. The poster winner was sponsored by the St. Elias Post and Aux. 797.

Remarks and presentation of the God, Country and Home awards were given by the County President, Mrs. Elizabeth Marczak. The God award was presented to Rt. Rev. Msgr. Walter Urbanik, pastor of Sacred Heart Parish, for his 46 fruitful years in the priesthood and his many achievements as pastor of Sacred Heart Parish. Accepting the award for Msgr. Urbanik was Rev. Myron Gayda, assistant pastor of Sacred Heart Church.

The Country Award was presented to Mr. Francis Barbieri, 320 Parker Ave., South Amboy, N. J. for his bravery in action while serving in Vietnam for

which he was awarded the Bronze Star and Purple Heart. The Home award was awarded to Mr. Joseph Adams, 1945 Oak Tree Road, Metuchen, N. J., who for 15 years visited the sick and handicapped, giving of his time and money for the purpose of bringing cheer and gifts to the bedridden. Mr. Adams, being in the hospital, was unable to personally accept the award. Two personal awards were also presented by the president to her two children.

Mr. Edward Kaboski, chairman of the affair, thanked the members for making the convention so successful. The Officer of the Day recited "Our Dead", closing the morning session.

After the closed session, the members were treated to a buffet, under the supervision of Mr. Bernard Soden, who handled the catering of the breakfast also. Newly elected officers of the County were introduced:

Commander: Mr. George Lasko, Ave Maria Post #790; 1st Vice Cmdr.: Mr. Joseph Catalano; 2nd Vice Cmdr.: Mr. Otto Felgar; 3rd Vice Cmdr.: Mr. Bernard Soden; Welfare Officer: Mr. Louis Carlucci; Judge Advocate: Mr. John Papp; Medical Officer: Dr. L. R. Panigrosso, K.M.; Officer of the Day: Joseph Polkowski; Treasurer: Alex Fazekas; Historian: Chester Kowalski; Trustees: 1 yr. Joseph Cantanese; 2 yr. Edward Susan; 3 yr. Bruce Hall.

The C.W.V. Ladies Auxiliary of the Middlesex County Chapter presented the following awards:

## Berkeley School To Honor Outstanding Business Students

The Berkeley School of 22 Prospect St., East Orange, will honor outstanding business students from 62 northern New Jersey high schools at a 2 p.m. program Saturday, Feb. 4.

Seniors at St. Mary's High School, South Amboy, receiving awards will be Miss Veronica Eamello, 78 West Concourse, Keyport, achievement; Miss Theresa McGuigan, Jamesburg, effort and perseverance.

Following a tour of the school, the students and their teachers will convene in the Brick Church across the street for a short program. Two students from each school have been selected by their business teachers to receive certificates. One student in each school will receive an award in recognition of outstanding achievement in high school business education; a second student will be honored in recognition of outstanding perseverance, application and effort in high school business education.

The group, representing 11 northern New Jersey counties, will hear a talk by Dr. Gilbert Kahn, professor of business education at Montclair State College. Dr. Kahn is author and co-author of textbooks in the areas of bookkeeping, filing, clerical practice, office machines, and data processing. He has contributed articles to numerous professional magazines and yearbooks and has appeared before many business education organizations and professional groups.

Dr. Kahn holds B.C.S., B.S., M.A., and Ed. degrees. He majored in accounting in college, trained for shorthand and court reporting, and is a high-speed typist. He has 30 years of teaching experience on all levels and has taught at the graduate schools of Penn State, Northwestern University, Catholic University (Washington, D.C.), New Mexico Highlands University, Virginia Polytechnic Institute, Stanford University, and New York University. Dr. Kahn was also

chairman of business education at East Side High School (Newark, N. J.).

Dr. Kahn is past president of the New Jersey Business Education Association and of the Gregg Shorthand Teachers Association of New York City and vicinity. Also, an officer and member of many other organizations, he was selected "Business Teacher of the Year" in 1958 by the National Office Management Association.

The group will also hear a talk by Howard L. Newhouse, president of the Berkeley Schools.

\$1,639

What's the catch?  
There isn't any.

\$1,639 is the suggested retail price at the port of entry for the VW sedan.

The price includes Federal excise tax and import duty.

It also includes the built-in heater/defroster, windshield washer, electric windshield wipers, front seat belts, and sideview mirror.

It's the price of the real thing, not a stripped-down economy model.

What else do you have to pay?

The charge for transporting the car from the port of entry. The dealer delivery charge. And local sales tax.

There is one optional that makes a lot of sense, the matching leatherette upholstery, for \$30.00 extra. (Nearly everyone orders it because it eliminates the need for slip covers.) And that's it.

Unless, of course, you count the cost of gas and oil it takes you to get here in your present car.

## The Color Picture Of Spring 1967

Color in fashion bursts forth with vigor this spring. Color is young. Color is wild. Color is anything you desire, says Florence G. Minifie, extension clothing specialist at the Rutgers College of Agriculture and Environmental Science.

An influential family in the color picture is the orange-yellow-red group. In this group, tiger lily, sun gold, and real red will highlight exciting spring fashions.

If you don't wish to color your wardrobe red, consider some of the other hues, Mrs. Minifie suggests. Perhaps the pink-purple colors will add the softened, feminine touch you want.

The military look in fashions is most authoritative in navy. The younger set may prefer to sport cornflower or morning glory blue.

The yellow and subtly blue greens cut a precise line in fashion.

Once again, the pale neutrals of last spring find a distinctive position in this year's apparel along with cool, refreshing pastels.

Black and white will strongly support other colors. They may unite to dramatize a geometric design or split to enhance a single color, according to the specialist.

FASHION SHOW  
PLANNED BY  
HOSPITAL AUXILIARY

The annual fashion show sponsored by the Sayre Woods Chapter of the South Amboy Memorial Hospital Woman's Auxiliary will be held on Saturday afternoon, March 18, 1967 at the Shackamaxon Golf and Country Club, Scotch Plains, N.J. The theme of the show this year will be a "Touch of Paris". There will also be a raffle drawing for a Portable Color TV. Chairman of the affair is Mrs. Joseph Valentino.

Tickets may be obtained from the ticket chairman, Mrs. Lynn Paul, 96 Albert Dr., Parlin, 721-8053, or from her committee, Mrs. Charles Michenfelder, Mrs. Edward Grant, Mrs. Jules Corage or Mrs. John Albert.

NATIONAL LEAD  
NET EARNINGS UP

Net earnings of National Lead Company and its consolidated subsidiaries for the year 1966 were \$58,790,438 or \$5.03 per share, according to a preliminary report issued today. In 1965 net earnings were \$58,689,280 or \$5.01 per share. Sales in 1966 were \$778,146,236 as compared with \$758,321,939 reported in 1965.

In the fourth quarter of 1966 net earnings were \$15,200,507 or \$1.30 per share, compared to the same quarter of 1965 of \$15,451,755 or \$1.32 per share. Sales for the fourth quarter were \$193,128,547 as compared with \$196,710,714 in 1965.

Although third and fourth quarter earnings reflected the general slowdown of the economy, curtailed automotive production and start up costs of new titanium pigment installations at home and abroad, sales and earnings for 1966 established a new high.

All major divisions and subsidiaries operated profitably in 1966, and a majority showed substantial increases in sales and earnings. Among the unconsolidated subsidiaries, Titanium Metals Corporation of America reported net income in 1966 of \$4,978,766. Titanium Metals Corporation of America, jointly owned by National Lead Company and Allegheny Ludlum Steel Corporation, paid dividends totalling \$1,500,000 in 1966.

Flower Show  
Opens At  
Coliseum March 4

New York's annual harbinger of spring, THE INTERNATIONAL FLOWER SHOW, will celebrate its Golden Anniversary at the New York Coliseum, March 4-12, 1967. Nostalgia is the keyword for the '67 show with many of the exhibitors using "a stroll thru yesteryear," as the theme for their displays.

The largest and loveliest Flower Show in the world will be even larger, now, with an increase in floor space of 20%; the expansion from 2 exhibit floors to 3, more cut flower displays than ever before. Beautiful new restaurant facilities will be installed in this new third floor exhibit area.

Much of the appeal of THE INTERNATIONAL FLOWER SHOW comes from the fact that both the apartment dweller and the suburban home owner find grounds of interest - the flower arranging demonstrations and potted plant exhibits for the urbanite, and the landscaping suggestions for the suburbanite with only a small parcel of land available for gardening.

The delightful aroma from hundreds of thousands of the world's most beautiful flowers adds to the visitor's enjoyment - the brilliant colors are a photographer's delight.

Hours: Saturday and Sunday, March 4 and 5, 1 to 10 p.m.; Monday thru Saturday, March 6-11, 10 a.m. to 10 p.m.; Sunday, March 12, 1 to 7 p.m. Admission: adults - \$2.50, children \$1.00.

## Cupid Cherry Puffs

Would you like to serve something really special at your VALENTINE'S DAY party? Set your table graciously around this beautiful cream-filled and flaky puff—topped with lots of big, juicy red cherries. It's simple and easy-to-make too!

1/2 cup butter	1-1/2 cups milk
1 cup boiling water	1/2 cup heavy cream,
1 cup sifted enriched flour	whipped
1/4 teaspoon salt	1/8 teaspoon almond
4 eggs	flavoring
1 4 ounce package	1 No. 2 can Cherry Pie
vanilla pudding mix	Filling

Melt butter in boiling water. Add flour and salt, all at once, and stir vigorously. Cook, stirring constantly, until mixture forms a ball. Remove from heat; cool slightly. Add eggs, one at a time, beating vigorously after each addition. Drop by large tablespoonful onto a greased cookie sheet. Bake in a hot oven (400°) 45 to 60 minutes. Split puffs and allow to cool. Make pudding as directed on package, using only 1-1/2 cups of milk. Cool. Fold in whipped cream and flavoring. Spoon into puffs. Spoon Cherry Pie Filling over puffs and serve at once. Makes 8 large puffs.

FEDERATION OFFERS  
SLIDES FOR  
CITIZEN GROUPS

How many citizens understand how one of our biggest industries, the public schools, are run? The State Federation of District Boards of Education today announced completion of a new color slide set, "The School Board and You," which tries to help. Suitable for presentation to citizen groups or to students, this 63 frame, 20 minute presentation, outlines the school board member's job and responsibilities. The set also explains the structure, operation, and financing of the public schools and the board's relationship with the municipal government.

Robert R. Luse, the Federation's director of public relations and publications, says the slide set was designed to help fill the gaps in the average citizen's knowledge about the schools, as revealed in a recent Federation survey.

The slide set, which comes complete with illustrated scripts and with instructions for use, can be borrowed on a short-term loan basis, without charge, by citizen groups. It also may be purchased from the Federation office for \$25.00.

Girl Scouts Plan  
Spring Cookie Sale

Mrs. Frank J. Straulina of Iselin has been appointed Council Cookie Chairman by Mrs. Jack M. Brown, president of Crossroads Girl Scout Council.

Brownie and Senior Girl Scouts will participate in the Spring sale which begins on February 25. Orders will be taken through March 4.

Named as Neighborhood Cookie Chairmen were: Mrs. Donald Gecek, South Amboy, Neighborhood #1; Mrs. Albert Brodzinski, Woodbridge, #2; Mrs. Richard A. Dare, Carteret, #3; Mrs. Neal Chodosh, Rahway, #4; Mrs. Arthur R. Milburn, Jr., Colonia, #5; Mrs. Sal Rappa, Metuchen, #6; Mrs. Michael Zelicakovich, Fords, #7; Mrs. E. J. McCormack, Edison, #8; and Mrs. Robert Rosa, Metuchen, #9. Mrs. Straulina explained: "A cookie sale is conducted to provide an opportunity for troops to earn money for program and special projects as well as supply Council income to support the camping program including the purchase of equipment."

Cookies will be delivered between April 6 and 15.

## NOTE TO THE 90TH CONGRESS

## TOO MUCH GOVERNMENT

The 90th session of Congress, now under way, will be faced with still more demands for increased spending even though the last Congress passed scores of new laws that add up to high budgets and bigger government.

Rep. George H. Mahon (D-Tex.) chairman, Appropriations Committee of the House of Representatives, stated, "We are suffering from some legislative indigestion; from too much government, from too much spending, and from too much inflation."

"We have made small down payments this year on some of the newly authorized programs. The costs of many of them will increase year by year," Rep. Mahon explained.

One of them is the Demonstration Cities program in which the Federal government assumes a major part in rebuilding blighted areas of cities. The original program covered only about 50 to 60 cities, or about one to each state. However, it is expected that city after city will try to get on the bandwagon and demand Federal funds. For example Mayor Lindsay of New York estimates that \$50 billion will be needed in 10 years for New York City alone.

In order for this and other Federal programs to keep within reasonable bounds, the public must demand rigid control of spending. It is up to grassroots America to urge the members of Congress to practice fiscal restraint and to cut Federal spending. This is one positive way to squelch the fires of inflation—and to make sure that each spending dollar goes further.

HOUSE CORNER

By Irv House

We have a lot to learn, and one thing that will have to be watched is the timing of our articles in this column.

We will have to learn to adapt the old business adage of "Buying straw hats in the winter and felt hats in the summer", if we wish to become a success in this business of writing a column. We will have to learn to write wintertime articles in the summer, and summertime items in the winter.

It may be a little early for the following information, but, perhaps some of it will be retained for your spring planting time, so, here goes.

Realizing that there are several people in South Amboy interested in wild birds, perhaps a few bits of knowledge will help you to attract more of your feathered friends to your yard.

Having pointed out, in a previous column, the desirability of having birds in the yard in order to cut down on the increase of destructive insects and rodents, the noxious weeds, by acting as a natural check, we should do something for these indispensable helpers in the lean, cold days of winter.

Knowing that many of you have created artificial bird baths, feeders, houses, perches and the like, we will try to present a natural method of attracting the birds to your grounds by plantings that will serve the various needs of wild life.

Not only will these plants be used by the birds for feeding, nesting, courting, hiding, singing and so forth, but you will get a good landscaping job with the same stroke.

Trees and shrubs that are pleasing to the songsters are usually pleasing to the human eye also. Birds' appetites are sated by berries and their favorite berries are usually bright and ornamental. Their wants for shelter and food are furnished by shrubs and hedges that not only produce berries, but also fit very nicely in the backyard landscaping picture.

Trees that are used for nesting and singing, by the birds, also provide shade and comfort to the householder. The small pool built beneath the tree will be used for bathing and the tree will be a ready sanctuary for our birds in case a marauding rodent or cat should happen by.

Birds like variety and you must keep this in mind when you do your planting. Use numerous species, sizes and shapes of plants in varied patterns. Let them have a wide choice from tall trees to the seed-heads of grass.

AUTUMN OLIVE is a shrub that grows to about 15' and has a silvery-green foliage with small, fragrant yellow flowers and red fruit. It will grow in most soils.

HONEYSUCKLE will attract most birds. It has pink flowers and red fruits. This shrub grows to about 12' and can be used as a hedge.

MOUNTAIN ASH is a small tree that the Shade Tree Commission of South Amboy introduced last year. The orange-red berries appear in the summer and provide winter food for the birds.

Thirty species of birds will feed from the fruit of the DOGWOODS.

RED CEDAR will provide winter color to your yard and 68 species of birds are known to feed from its berries. The dense spiky needles provide good shelter from winter weather and for safe nesting places. This is one evergreen that prefers a lime soil. It can be used as a screening hedge or as a specimen plant.

VIRGINIA CREEPER, or, American Ivy, is a good all-year-round vine. The blue, grape-like berries provide plenty of food for the birds. Its bright red foliage, in the fall, is most attractive. It likes rich, moist soil.

BAYBERRY is very adaptable to the soil of South Amboy. It grows to a height of about 5' and has a dark foliage. A number of these must be planted together in order to assure a good crop of the white, waxy fruit.

Other useful plants are Crabapple, Hawthorn, Wild Cherry, Blueberry, Blackberry, Privet Hedge, Raspberry, Mulberry and Firethorn.

If your yard is small, you may be able to have specimen plants only. If large, try some of the above mentioned plants as hedge material.

Try to plant your "food-bearers" where they can be observed from the house.

In the summer, why not try growing your own bird-food? Plant sunflowers, corn, buckwheat and millets.

We have seen an illustration of a very natural bird bath. It was made of 3 White Birch logs set in the ground, with a shallow pan on top.

Don't forget to put suet out for your friends. This can be done by plugging the holes of an old tree or post, or by tying the suet on the limbs of a tree or shrub.

## FORMER CHIEF CHARMELLO HONORED AT DINNER

Former fire chief Anthony (Tony) Charmello was feted at a dinner last Saturday, January 28, 1967, at the Jernee Mill Inn, Sayreville, N. J., under the auspices of the Protection Engine Co. Better than 500 people attended the affair.

Pictured above, seated, left to right, are: Mrs. Charmello, the honored guest's mother; Mrs. Anthony Charmello, his wife; Ex-chief Anthony Charmello; Councilman John Howley; and John D. Leonard, secretary of Protection Engine Co.

Standing, left to right, are: Councilman Frank Zebro; Mayor Richard J. Schultz; Rev. Edward Cook, fire department Chaplain; Martin Keays,

president of Protection Engine Co.; Chief Joseph Keegan; 1st Assistant Chief Chet Meinzer; 2nd Asst. Chief Joseph Halmi; and former mayor William O'Leary.

Councilman John Howley served as toastmaster and the guest speaker was former mayor William O'Leary. Presentations to the honored guest were made by Wm. McKeon, ex-captain of the Protection Engine Co.; Frank Zebro, Captain and Fire Commissioner; and Bob McGowan, executive board treasurer. Rev. James Forker, fire department Chaplain, gave the benediction. Rev. Edward Cook, fire department Chaplain, gave the invocation.

## Hoffman Hi-Lites

By: Cathye McKeon

As expected in the jam-packed Msgr. Griffin Auditorium, the Governors of H.H.S. captured the second game of the 1967 South Amboy City Series 83-74. Ray Tomaszewski's "boys" showed explosive form over the Eagles under Henry Conroy.

The victory raised Hoffman's record to 9-3 for the season with six coming in the last six tries. In the first 8 minutes, the Governors rolled up a 26-13 advantage with Curt Wood in the spotlight with 10 markers for the first canto. At the end of the second frame the score was 45-41.

Billy Clayton, our mighty senior, sank 10 goals and 5 fouls for the grand total of 25. Bob Keegan rimmed 18 while big Greg Havluach tallied 16 buckets for the winners. Frank Chonsky chipped in with a deuce, while Curt Wood carried his load for the Guvs with 22.

Hoffman conquered a clean sweep against St. Mary's as the jayvees added another win to their record, 72-67. Jerry Disbrow canned 18 while Al Jakimowich notched 15 for the young Governors.

On Friday, February 3, Hoffman plays host to Henry Hudson Regional from Atlantic Highlands. The "boys" from H.H.S.

acquired victory from Henry Hudson on January 17 leaving the score at 58-51. It is hoped that at this game on Friday, Curt Wood, our fireball junior, will sink his 1,000th basket of his high school career.

On Monday, January 30, a representative from Nancy Taylor School paid a visit to our school. At this time a contest among three of our girls took place. They were judged on poise and personality. Among the contestants were Marlene Zar, Donna Carter, and Chris Sieber. With a showing of hands of the girls of H.H.S., Donna Carter was chosen the winner.

Report cards will be distributed to the students of Hoffman High on Friday, February 3. This will be the second time of the year that report cards were given out.

## EAGLE-ECHO

by Monica Hrankowski

Alexis Pawlowski has been notified of her acceptance to Fordham University, New York.

Wednesday, February 1, senior Maryites were measured for their academic gowns in expectancy of June graduation exercises.

An assembly held last Thursday launched the annual S.M.H. magazine drive. The theme of this year's drive is CATHOLIC DECENCY IN READING. The dates of the drive are: January 26 to February 13.

A Science Club meeting was held Tuesday at which time, members were able to hear a guest speaker.

Tuesday evening, Saint Mary's played host to Saint Peter's to a standing-room-only crowd. Although the jayvee Eagle's were successful in their encounter with the junior Cardinal five, the varisty was not so successful. The scores at the final buzzers were: J.V.: 77 - 58; Varsity: 100 - 86.

## SUPT. DAVID B. KELLY TOASTMASTER AT DINNER

"Tickets for the dinner honoring William J. Flanagan, Executive Director of the New Jersey Turnpike Authority, on February 4 are sold out," reported Michael Ventola, chairman of the affair. The dinner is being held for the benefit of the New Jersey State Police Educational Foundation.

The committee met several times with the management of the Robert Treat Hotel to readjust seating arrangements. "We have gone the limit and were compelled to cut off at 1,540 seats," a member of the ticket committee said. "We could have sold hundreds of additional tickets but the hall could not safely hold another person."

"This will be the largest crowd to ever attend a function honoring one man at the Robert Treat Hotel," Ventola reported. "This is a tribute to the popularity and prestige enjoyed by Flanagan who is the operating head of the nation's busiest toll road."

The dinner will get underway at 7 p.m. on Feb. 4 with Colonel David B. Kelly, of South Amboy, superintendent of the New Jersey State Police, serving as master of ceremonies.

Heading the list of dignitaries are Governor Richard J. Hughes; Congressman Cornelius E. Gallagher, 13th District; former Mayor John V. Kenny of Jersey City; Congressman Dominick V. Daniel, (14th District); Grover C. Richman, former State's attorney general and presently general counsel for the Turnpike Authority; Authority Chairman Joseph Morecraft, Jr., and Turnpike Commissioners William A. Sternkopf, Jr., and Angus M. Harris; E. Louis Tonti, executive director of the New Jersey Highway Authority; Edward A. Scanlon, executive director of the Atlantic City Expressway.

Also Rev. John McHaie, State Police Chaplain; Rev. John Flanagan, pastor of Holy Trinity Church in Westfield and a brother of the Turnpike executive; Ventola, and the honored guest.

The New York Thruway State Police informed the committee a delegation from within their ranks will also attend the dinner. Flanagan was Sheriff of Hudson County for over eight years and he is widely known among police organizations in and out of the state.

Proceeds from the dinner will go to the State Police Educational Foundation which was initiated by Col. Kelly when he was honored at a testimonial dinner three years ago and turned over a \$5,000 purse for the establishment of an educational fund for the men of his organization. The fund received additional support last year when Attorney General Arthur Sills was honored at a similar dinner and the proceeds were given to the foundation.

The unusual new western "FISTFUL OF DOLLARS," in color, starring Clint Eastwood is the co-feature now playing with "A BIG HAND FOR THE LITTLE LADY," also in color, starring Henry Fonda, Joanne Woodward, Jason Robards, Burgess Meredith and Paul Ford at Loew's "35" Drive-In.

"FISTFUL OF DOLLARS" is about a nameless man. He makes no friends... a few enemies... a few dollars... and none of them last. He's known only by his reputation. He is, perhaps, the most dangerous man who ever lived. Clint Eastwood plays this strange man in this film which introduces as fresh and formidable a hero to The Western as James Bond did to cinematic secret agents.

"A BIG HAND FOR THE LITTLE LADY" is a comedy about a handsome couple and their young son on their way to Texas in the 1890's. The husband, a compulsive gambler, stumbles on the biggest annual poker game in the territory and it takes his wife and a surprise ending to bail him out.

## Mile Square Talk

Last week this column ran an item on the, and we quote, "the kooky sign on lower Main St., as you drive toward the city dump. What does it say? 'Calvin Coolidge Was Our 30th President.'"

Since then, we have discovered the reason for this "kooky" sign.

The advertising companies that own the billboards are making a survey to determine the power of their media.

They have conducted a telephone survey asking such questions as: "Who was the 30th President of the United States?" "Who was Eisenhower's Vice-President," etc.

Noting the results of these calls, the billboard companies are now "advertising" the answers to their questions. After a certain period of time, they will again call various people and ask the same questions, hoping to prove to their customers that it pays to advertise via billboards.

(Eds. Note: -- We wonder if we will hear of the results of this second polling, if it proves adverse to their theory?)

The "Minority Leader" of the City Council got negative results when he tried to sell tickets, for his party's Lincoln Day Dinner, to the Democratic members of the city governing body.

The reasons given by the young men who volunteer for the Armed Services are many and varied, but, we think that this one takes the cake: -- "I joined the Army so that I would get to stay up later than 10:00 p.m. My father always made me be in the house by 9, and in bed by 10!"

Belated birthday wishes go out to young Jeffrey Prybylowski of Hilltop Ave. who celebrated his 2nd birthday yesterday. Happy birthday, Jeff!

This week is one of special celebrations in the Sekerek household on George St. Yesterday Ed and Franc celebrated their 20th wedding anniversary; partying for them included a dinner-dance, and on February 5, their daughter Donna Marie celebrates her 9th birthday. We add our good wishes!

Belated birthday greetings go out to Franklin English who celebrated his birthday on January 24. Many happy returns!

In regards to that "Calvin Coolidge" sign, we now hear that it is advertising a tavern that will soon be opened in this area.

Ed's Note: One thing that you can be sure of, you get all the FACTS in this column. We have given you two, on the above, so take your pick!

A few months back we ran an item in this column about a "CLUTCHLESS left-footer". Now we learn that not only is he having trouble with the new-fangled automatic transmission on his car, sans clutch, but he can also be rightly called a "DIRTY left-footer". He has a planter's wart on his left foot, and the doctor told him not to wash it while it is receiving the standard 10 week treatment! (This is done, of course, by wearing a plastic bag while showering.) (Phewl)

One favorable (????) aspect of incidents that happen in our town, with the aftermath winding up in court, is the fact that practically everyone concerned with the case knows the physical layout of the scene of action.

This makes for a goodly saving in time by elimination of a lot of unnecessary and superfluous descriptions.

Talk of police raises was overheard at the desk the other night, and right in the middle of the conversation, while one policeman was stating why he thinks they should get one, another officer said, "And the tax board is meeting upstairs right now. Do you think they want one too?"

We don't know how many this will make for them, but we do know that the Ed. O'Connors, of Luke St., are having a wedding anniversary next Sunday. (Here's hoping that Ginger Rogers doesn't fall off the stage again!) Happy Anniversary Rita and Ed.

A sure sign of Spring! Elsewhere, in this issue of the CITIZEN, will be found an advertisement of the availability of the Golf Course of the Raritan Arsenal. Thanks to the Board of Chosen Freeholders, this fine golf course is open to the public; all you have to do is take advantage of its facilities.

And after listening to the court cases the other night, we found out what tavern owners do on their night off. They take their friends to other taverns! (What's that about the mailman?)

Belated birthday wishes go out to Miss Barbara Kowaleski of 367 Fifth St., South Amboy, who celebrated her 15th birthday last Monday.

Best wishes for a speedy recovery go out to Mrs. Julie Zagata of Parker St., Morgan, who is currently a patient at St. Peter's Hospital, New Brunswick. All your Junior Scouts want you to get well quick, Julie!

Belated birthday wishes go out to Mrs. Helen Palko of Grover Ave. who celebrated her birthday last week.

## Police News

James Ludlow, Madison Hotel, Perth Amboy, was found guilty of causing a disturbance in the Raritan Diner and after entering a plea of guilty, was sentenced to the County Workhouse for thirty days by Judge Everitt.

John S. Szatkowski, of 331 Catherine St. was fined \$5.00 on his plea of guilty to a charge that he had a defective muffler on his car and was making excessive noise. Patrolman Robert Kelly was the arresting officer.

## Federal Tax Facts

The Internal Revenue Service offices at 1060 Broad Street in Newark and at 808 Market Street in Camden will be open for taxpayer assistance on Saturdays from January 28 through April 15. Saturday office hours will be from 8:15 a.m. until 4:45 p.m.

Joseph M. Shotz, District Director for New Jersey, announced today that these two offices will be open to help taxpayers in the preparation of their income tax returns.

Telephone assistants will also be on duty on these Saturdays to answer questions on the preparation of income tax returns.

The phone number for telephone assistance in Newark is 645-3900 and in Camden it is 966-7333. These are the same numbers used for income tax assistance during the regular work week.

Director Shotz said that the Newark and Camden offices will also schedule Saturday appointments during this period for those who find it difficult to come in during the week for an examination of their returns or to pay bills.

These Saturday hours are a part of the IRS program to improve its services to the public.

## Garden News

### PROTECT PLANTS

Do you have house plants sitting close to windows in your home? If you do, you should move them to a warmer location during severe cold spells.

The leaves of any plant that touches the window pane will be damaged. And most of all, the least hardy types can be damaged by drafts that often occur near a window. Quite often the air around the window near the pane will be chilled to such a degree that it will harm the plants, even if the room temperature is comfortable.

If you don't have room in some other part of the house to put your plants, place newspaper against the glass pane at night before going to bed, this will help protect the plants when the temperature drops.

### FEED THE BIRDS

Are you interested in bird watching? A lot of people are becoming interested in this quiet form of recreation, and if the birds are attracted and observed in your yard, it enables you to enjoy your garden during the colder months of the year.

To attract the birds to your garden, set out a few feeders that are designed so the seed will stay dry in wet weather. Then fill it with a mixture of large and small seeds. The large seed will call in the colorful cardinals and grosbeaks, while the small seed will attract birds such as the sparrows. Suitable mixtures are available in grocery and hardware stores, farm stores and garden centers.

Birds need suet in addition to seed. To supply this need, use a container made of one quarter-inch mesh screen. Then hang this suet-filled container out of reach of cats.

Place the feeders near

shrubby or small trees. It will encourage the birds to flit freely back and forth. If you like to watch them in action, you need plant materials such as this near the house.

### TUBEROUS BEGONIAS

If you're a gardener, and you're looking for a plant that gives lots of color in a shady nook or on a porch, you'll want to try planting the tuberous begonia.

The flowers come in many colors and are large and bright. The average flowers are two inches across. Some of them look like roses or camellias, and may be ruffled or plain-edged.

Now is the time to buy those tubers and get them planted. However, since they don't grow well in cold weather, they'll have to be planted indoors until they're started.

Start tuberous begonias in flats or in damp peat moss. Then when they've sprouted, plant them in individual pots. Make sure they get lots of light but not much direct sunshine.

As soon as danger from frost has passed, the begonia plants can be set outdoors, where they'll bloom from June until the first fall frost.

### BROADLEAF EVERGREENS

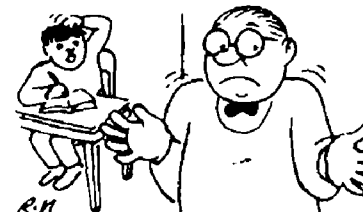

What's wrong with my broadleaf evergreens? During the winter months this is a very common question. The question arises when the leaves on such plants as rhododendron curl inward when the temperature falls below freezing.

This condition is normal. It's the plant's way of conserving moisture during the cold months. If you have noticed it on plants around your home, don't worry.

When the warmer weather returns, these curled leaves will expand and resume their normal shape and angle on the stem.

## "Hemispheric Wools" Suit Man of All Seasons

NEW YORK (CIN) The timely entry of new "wool mark" collections in menswear rushes a fresh wave of decidedly contemporary, masculine styles to the front for men-on-the-move, and reserves more avant garde tailoring for young men-on-the-Mad-kick.

"Hemispheric Wools" encompass the latest fabrics and styling in suits, sport ensembles and outerwear geared for positive action in pursuit of career, recreation and travel anywhere in the world.

Fabrics combining pure wool's natural, imitable porosity with innovations in construction, weightless wearability and colorful surface interest in weave spotlight a trend toward hemispheric-hopping resort-suits in new superline worsteds, crisp Cheviot sportcoatings, and woven cloths with a knit-look.

Jackets have a fresh, supple freedom of styling for unencumbered comfort in town or country. Paired with slacks of a contrasting color, the newest sport jackets reflect a good "mixed suit" look. Dark shades are subtly enlivened by irregular weaves and colors twisted in for a tweedy effect.

Dimensional pattern, interest centers around

top rankers' wool mark. Fabrics with madras plants worked in deep color ranges, glen checks in cognac brown and white with a superimposed plaid of chitred or bright navy, and linear maneuvers achieved by stripes in an endless variety of colors and widths.

Suit lines are deftly carved, with trends projected toward a new sportswear influenced in color and styling. Trimmed jacket lengths emphasize close, natural shoulder lines and higher-placed waist definition. Meticulous custom-tailored looks are exercised in vented sleeves and bias cut detailing of lapels and pockets. Double-breasted styling and deeply sliced side vents have gained a firm hold on men's fashion in coat, suit and sport jacket designs.

The "wool mark" quality label awarded to fabrics tested and approved by the Wool Bureau as "the world's best... pure virgin wool" is an insignia of leadership earned on many of the latest fashions for men only.

"Hemispheric Wools" designed of newly styled hopsacking, heathered Shetland, Cheviot, melton, flannel, gabardine, a variety of twill weaves and superline worsteds reflect an actively masculine spirit and impeccable good taste for men of all seasons, all pursuits.

## SERVICE SLANTS

Seaman Recruit John W. McEvoy, 19, USNR, son of Mr. and Mrs. John W. McEvoy of 9 Rutgers Road, and John C. Stoddard, 18, USNR, son of Mr. and Mrs. Raymond E. Stoddard of 4 Joyce Place, Parlin, have completed their two weeks of annual active duty for training at the Naval Training Center, Great Lakes, Ill., and have returned to their local Naval Reserve unit.

Naval Reservists receive intensive training in subjects such as naval history and organization, customs and courtesies, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sentry duty. A vigorous physical fitness program rounds out the training.

Returning to their local unit, they will be provided with modern educational and technical facilities, and training under regular Navy officers and petty officers to enable them to become proficient in one of the many Navy technical fields.

Machinist's Mate Second Class Robert W. Saunders, USN, son of Mr. and Mrs. Robert E. Saunders of 30 Liberty St., South Amboy, is serving aboard the fleet oiler USS Tolovana, a unit of the Pacific Fleet Service Force, celebrating its 25th anniversary this month.

Formed in February 1942, the Pacific Fleet Service Force presently utilizes 117 ships of 21 different types and 13 overseas shore bases in the Western Pacific.

It provides food, fuel, ammunition and other vital supplies to naval forces afloat in the Pacific and ashore in Vietnam. Salvage assistance and ship repairs are also furnished by the Service Force.

The operating area of the 45,000 man force spans over half the earth's surface, and has its headquarters in Pearl Harbor, Hawaii.

## Sportsmen's Calendar Issued

A New Jersey sportsmen's calendar for late winter and early spring was issued this week by the Division of Fish and Game in the State Department of Conservation and Economic Development.

Conservation Commissioner Robert A. Roe reminded sportsmen that a variety of hunting and fishing opportunities are open in the State during this period. "While preparing for the opening of trout season on April 8, they should not overlook the sport that is available during the preceding weeks," he declared.

Anglers and hunters should consult current compendiums of New Jersey Fish and Game Laws for detailed regulations. Dates are as follows:

### OPEN NOW

Hunting for quail, grouse, squirrel and fox. Hunting on commercial preserves, as licensed. Hunting on some semi-wild preserves (area qualified for extended season by release of extra birds). Hunting for raccoons. Trapping of muskrat, mink, raccoon. Salt water fishing for all species except striped bass. Ice fishing for all species. Fresh (unfrozen) water fishing for all species (excluding Round Valley Reservoir, Spruce Run Reservoir & Creek, and trout in Delaware River).

### FEB. 4

Quail, grouse and squirrel hunting closes 1/2 hour after sunset (fox remains open).

### FEB. 19

Tip-up ice fishing season closes at midnight (single lines permitted as long as ice is present).

### FEB. 28

Extended semi-wild preserve season closes 1/2 hour after sunset (commercial preserves remain open).

### MARCH 1

Striped bass fishing re-opens.

### MARCH 5

Trout fishing and angling in most trout-stocked waters closes at midnight (unstocked waters and exceptions listed in Compendium remain open for other species).

### MARCH 11

Woodchuck hunting opens at sunrise (rifle allowed under special permit, except as restricted).

### MARCH 12

Raccoon hunting closes 1 hour before sunrise.

### MARCH 15

Commercial preserve hunting closes 1/2 hour after sunset. Trapping closes - no traps may remain set after midnight.

### MARCH 31

Fox hunting closes 1/2 hour after sunset in area
