

IS THERE DANGER AHEAD?

Discovery of Very Complete Laboratory in Tailor Shop on First Street Creates Suspicion That All is Not Right—Was Run by U. S. Army Man—Thorough Investigation by Authorities is Under Way.

On Wednesday morning it was learned that an unlicensed laboratory, where it was charged that material used in the manufacture of high explosives were kept, used and stored, was being maintained in the building on First street, formerly occupied by August Coast. Chief McDonnell, getting the "tip" from M. G. Dahl, of Newark, ordered Officer Gleason to make investigation. Thomas Xavier, the only occupant of the building at the time of discovery, was immediately placed under arrest. He gave the name of the man who rented the building and Chief of Police McDonnell together with Mayor Kerr went to Parlin and apprehended him. The man charged with having the materials in his possession is Herbert Kranich, formerly of Brooklyn, and now an inspector of ordnance for the United States Army at Parlin. Kranich testified that he had lived in this vicinity for the past four months and had maintained the place on First street for the past three months. Thomas Xavier was fifty-two years of age and a non-citizen of the United States having been born in Germany and never naturalized. In the year of 1880 he applied for his first papers but never secured the final citizenship decree. The warrant read that contrary to law the two men maintained and had in their possession articles that were forbidden. Both men entered a plea of "not guilty." The counsellor for the defendant, John Turnbull, introduced a motion for dismissal of the case on the ground that the complaint did not contain anything that would warrant holding the men. The motion was not granted.

Chief McDonnell was the first one on the witness stand. He told of having received word in the morning of the place being in town, and he immediately took custody of it. He search he noted several packages and bottles containing chemicals were addressed to Mr. McDonnell for the defendant, John Turnbull, introduced a motion for dismissal of the case on the ground that the complaint did not contain anything that would warrant holding the men. The motion was not granted.

Charles McDonnell, an eminent chemist from Perth Amboy. He testified that he found a fairly well equipped small laboratory. He stated that he found no explosives on the premises, in his hasty examination, but several elements that might easily be converted to such within a short time. He thought that the articles in the building would come under the act recently passed by congress forbidding the manufacture of explosives or their constituents.

The next witness called was the defendant, Kranich. Upon being questioned he declared that although the articles were under his care and supervision he did not own them, but that they were owned by a New York Company. He stated that by his experiments he was trying to develop a process for the synthetic manufacture of benzole acid. The witness gave considerable thought to each answer and sometimes evaded the question entirely. Henry Hance, the Chief Inspector of Ordnance at Parlin, was next called to the stand. He testified that for the past four months Kranich had worked under his supervision. He stated that he (Kranich) was a regular enlisted man in the ordnance department of the army, a steady worker and of good behavior.

The court then addressed Thomas Xavier asking him if he had anything to say in his defense. He replied no. Upon being questioned he admitted he had not registered as an alien enemy as required by a proclamation issued by the President. The city attorney recommended that the man be interned. In summing up the case the city solicitor recommended that both men be held to await the action of federal authorities. This was followed by a motion, on the part of the opposing counsellor, to discontinue the case on the grounds of testimony sufficient to hold them

under the act mentioned in the complaint. The motion was not sustained. Kranich was released under one thousand dollars bail, furnished by William McCutcheon, while Xavier was held in custody.

In a private interview with Dr. Mindell, he stated that it was absolutely impossible to produce benzole acid from the chemicals that were found on the premises, and in his opinion the samples of finished products shown as testimony were false. He stated, however, that with the addition of sugar to one of the acids in the place a very high explosive could be manufactured.

On Thursday U. S. Marshall Hollis-chweiller and LeRoy Hall of Perth Amboy examined the laboratory and were surprised to see such an outfit right in the center of the city. They found sulphuric and muriatic acids, sal soda, quicksilver, lead, asbestos, wire, etc.

THE MILITARY BALL.

The invitations are all out and the final arrangements have been made for the Military Ball to be held under the auspices of the local Militia Unit, next Friday evening. It is expected that several persons of prominence both politically and in military circles will be present. The ranking senior officer present will lead the grand march.

Music will be furnished by an eight-piece orchestra under the direction of Prof. Harold B. Pateman. Prof. Pateman has assembled the best musicians in this vicinity for the occasion. In one instance the best drummer in the state has been secured to play the "traps." All the music will be the latest selections.

Several novelties in the way of dancing have been arranged. There will be a moonlight dance, elimination dance, dance of lights, and other surprises. The decorations will be made up of the National Emblem as well as working in the flags of our allies. Special attention is being paid to the stage where a fitting military scene will be arranged. A retiring room for the ladies has been arranged and a smoking room for the gentlemen. Checking of cloaks will be under charge of the Boy Scouts.

BOY KILLED BY TRAIN.

Edward Ruffner, aged 11 years, son of August Ruffner, was instantly killed by the Atlantic City Express last Saturday. The boy had been along the beach gathering wood, and when near the overhead trolley bridge at Morgan the train struck him. Coroner Mason was notified, and he went and secured the body and took it to his morgue. It was several hours before the body was identified. The boy was hit in the back of the head, which was crushed in, otherwise he was not disfigured.

Funeral service was held Tuesday afternoon, the Rev. J. E. Shaw officiating. Many beautiful floral pieces were received.

ANDREW J. NORCROSS.

Andrew J. Norcross departed this life on Thursday afternoon at the home of his son-in-law, Alfred B. Mitchell, on Second street. Mr. Norcross had been complaining some time, having severe spells of hic-cough. He was 69 years of age, and is survived by a widow and two children, Frank B. Norcross and Mrs. Alfred B. Mitchell.

The funeral will be held from his late home at 2 o'clock next Monday afternoon, to which relatives and friends are invited.

DON'T FORGET THRIFT STAMPS.

Although the whole country is at present interested in the campaign to raise three billion dollars in the Third Liberty Loan, the committee in charge of the sale of War Savings Stamps does not wish the sale of these stamps to fall behind the schedule adopted by the committee. The excuse of so many of the people when they are approached to buy Liberty Bonds is that they cannot afford to subscribe so much money. It is for just such people as this that the War Savings Stamps are issued. Who in South Amboy cannot afford at least one quarter or more to invest in Government Stock? The warning to the men in the field is "give the enemy no quarter." Our warning is "lend your quarters to Uncle Sam."

The best way to invest money in Thrift Stamps is to join one of the many "Thrift Clubs" that are organized in this city. Information will be given at the local Post Office.

TO THE PUBLIC

THE LIBERTY LOAN COMMITTEE of South Amboy has arranged a Grand Public Meeting in support of the movement. Thursday evening, April 25th, 1918, is the time; Empire Theatre the place. Prominent and eloquent members of the House of Representatives:

HON. JAMES A. GALLIVAN, of Massachusetts
HON. BYRON P. HARRISON, of Mississippi
HON. WILLIAM SCHLEY HOWARD, of Georgia

will address the meeting. ADMISSION IS FREE.

The public of South Amboy and vicinity is cordially invited, and a representative and mammoth assemblage is requested. Everybody come!

JOHN A. COAN,
Chairman.

BIG LIBERTY LOAN MEETING THURSDAY AT EMPIRE THEATRE

Patriotic Parade of Uniformed Men to Precede the Meeting—Men of National Prominence to Make Addresses—Third Battalion Band will Furnish Music—Let the Whole Town Get Aflame with Enthusiasm for Liberty and Democracy.

The opening gun of the local campaign for the Third Liberty Loan will be fired next Thursday night. There will be a monster street parade by all uniformed men in the city. Invitations have been extended to the Boy Scouts, Company F, Third Battalion Band, and the Company of Coast Guards that are now stationed in this city. The parade will form at the armory of Company F on First street at seven o'clock the march beginning promptly at that time. The streets to be covered in the line of march are Broadway, Main street, Stevens avenue and Bordertown avenue. The parade will end in front of the Empire Theatre where a public mass meeting will be held.

The meeting will be addressed by men of national prominence from Washington, secured through Hon. T. J. Scully who will also be on hand. Among the speakers will be Hon. James A. Gallivan of Boston; Hon. Byron P. Hanson, of Mississippi, who is a candidate for the United States Senate; and William Schley Howard of Georgia, also a candidate for election to the senate. Those who heard the speakers secured by Mr. Scully at the last Liberty Loan Campaign know what a treat it is in store for them. The hall should be packed to its utmost capacity to greet these men, and to learn what the country has done and is doing in this great war. Parade at seven o'clock, meeting at eight and subscriptions will be received at all hours up to May 4th. Help get the "flag," and help "get the Kaiser."

Next week will mark the beginning of the real campaign for the Third Liberty Loan in this city. At a meeting of the general committee to be held in the office of the chairman to-night (Friday) the town will be divided into districts for the purpose of a house to house canvass. The local committee has adopted the scheme to raise their quota upon the recommendation of both state and national authorities. The people are urged to receive the canvassers with all possible courtesies and to answer the questions they will ask.

The committee is urging all the people to do their bit to help get the "Liberty Loan Service Flag." This flag consists of three horizontal blue bars placed in a field of red and white and will be awarded to all towns that subscribe their quota. South Amboy has over three hundred men in active service. Shall it be said that we at home failed to support them. Every day more of our boys are "going over," shall we not "come across." The subscriptions in this vicinity should be large as much of the money so collected in Liberty Bonds is spent in the munition plants in this vicinity. Nowhere in the country is larger wages paid to men, and at no time in the history of our city has the prosperity of the city been greater. Help to get the "service flag for our town."

St. Mary's Parish To Honor Boys at Front

On Sunday, May 12, St. Mary's Church will honor the boys from that parish who have entered the service of the United States in the great World War. The occasion will be the raising of the big service flag and the dedication of the new flag pole. The service flag will contain over one hundred stars. The Knights of Columbus has contributed the flag pole and the American flag, while the Holy Name Society will contribute the service flag.

It is planned to have a parade in the afternoon, at which time Company F and the Military Band, together with all the Boy Scouts, Knights of Columbus and Holy Name Society will march. The children of the school will also march and sing patriotic songs. Following the parade a big open air meeting will be held which will be addressed by the chaplain of the Maine, the ship which was so mysteriously sunk in our last war. It is said that he is one of the most forceful speakers of the country. In the morning the men of the parish will attend church.

Scully Will Have Good Speakers for Meeting

The following telegram was received by the chairman of the local Liberty Loan Committee from Hon. Thomas J. Scully in regard to the big mass meeting to be held next Thursday night at Empire Theatre: Washington, D. C., April 15, 1918. Mr. John A. Coan:

Your letter received. You can depend on me for three good speakers for the 25th. Advise it well as a big crowd will please the congressmen. Will give you names in a day or two. TOM.

FIRST AND SECOND DEGREE.

The first and second degrees will be given by South Amboy Council No. 426, K. of C., to a class of thirty candidates at St. Mary's Hall on Wednesday evening, April 24, at 8 o'clock. A full attendance of all members is expected.

DESTRUCTION AT MORGAN BEACH

Wind and Waves Wreck Many Bungalows—H. H. Brehme, Entomologist, Heaviest Loser—Trolley Tracks Undermined—Attempts to Carry Away Wreckage of Houses by Unprincipled Persons.

Last Sunday hundreds of people were at Morgan Beach to witness the destruction caused by wind and waves during the storm of the Friday previous. The wreckage was the worst known on the beach since it became popular as a bungalow colony.

But very few places escaped damage, and most of the shacks were so badly wrecked that they were beyond repair. Some of the buildings were turned completely around and two drifted across the meadow land to the county road. Several parties were at the beach Saturday with auto trucks and wagons and attempted to confiscate all material they could find. One truck loaded to capacity was photographed with the driver and contents, and number of the machine taken as evidence, in the court but when the driver saw what the bungalow owners on the beach were doing he became frightened and unloaded what he had in the truck. He was from Keyport.

Herman H. Brehme, entomologist, was the heaviest loser on the beach. He had a shack on the beach where he did his work, and it was badly wrecked. His entire collection of insects and biological material, worth over \$3,000, as well as books and instruments valued at over \$500, were a total loss. It took thirty years to collect some of the insects, and cannot be replaced. The record survey work of mosquito extermination in the State of New Jersey which Mr. Brehme was in charge from 1903 to 1912 were lost. Many valuable tools which are used in the entomological work were ruined. A cabinet which contained forty drawers, in which 3,000 specimens were stored, was washed against the county road. Only about twenty-five specimens will be saved out of this lot.

Owners of the buildings were at the beach Sunday surveying their losses, and some were busy, where slight damage was done, making repairs.

The tracks across the meadows of the Jersey Central Traction Company were washed out, and passengers during the several days of repair had to transfer at this point. A dangerous hole was washed in the county road at the approach to the bridge.

It is doubtful if owners of many shacks will rebuild.

SPRATFORD—BAILEY.

The parsonage of the Methodist Episcopal Church was the scene of a very pretty wedding last Saturday evening when at eight o'clock, Miss Florence Edna Bailey of Keyport became the charming bride of Mr. Arthur Chester Spratford of this city. Rev. J. E. Shaw performed the ceremony. The beautiful ring ceremony was used.

The bride was attended by Miss Eva Bailey, also of Keyport, who acted as maid of honor. Mr. Joseph Kierst of this city was best man.

The bride was becomingly attired in a white satin gown trimmed with shadow lace and wore a white chiffon picture hat, and carried a bridal bouquet. The maid of honor wore a green taffeta dress, and a brown velvet picture hat, trimmed with blue satin.

After the ceremony the young couple left this city for a short honeymoon in North Jersey. On their return they will make their home in this city.

Robert Barnes, formerly of this city, who enlisted as a private in the engineers corps, in Panama, has safely reached the other side. He was received by his sister, Adolph Steiner of Church street.

Legs of Genuine Lambs Monaghan's.

Head's Field

The entire Third Battalion of the New Jersey State Militia, with the exception of one company of infantry, has been ordered to assemble in South Amboy for a Battalion Drill and maneuvers. On account of their inability to secure railroad transportation Company A of Lakewood will not drill. However, there will be Companies B and C of Red Bank (Motor Machine Gun Companies), D of Ashbury Park, E of New Brunswick and F of South Amboy; also the headquarters and ambulance companies of Red Bank. Major Borden and Adjutant Lawrence will conduct the drill.

The men will assemble in the armory of Company F on First street and headed by the Third Battalion Military Band will march to the drill grounds near Bordertown avenue, known as Whitehead's Field. The drill will consist of the usual routine of battalion drill, and the afternoon will be concluded with an impressive "evening parade."

As this battalion is one of the best drilled and the best equipped in the state it will be a decided treat for the people of this city. This is the second drill that the Battalion has had in the open air. Two weeks ago they were assembled on George Gould's "Georgian Court" at Lakewood and the drill was witnessed by over five thousand people.

The local Militia Reserve Unit will have charge of the policing of the ground and will be distinguished by a brassard worn on their sleeve. Probably the greatest thing of interest to the people will be the two companies of machine guns. These guns are mounted on automobiles and motorcycles and are equipped the same as those in service "over there."

McCULLOUGH—LEONARD.

On Monday, April 8, Miss Veronica Claire Leonard, daughter of Mr. and Mrs. Joseph M. Leonard of Ward avenue, was united in holy wedlock to Mr. Edward Joseph McCullough of Lehigh, Pa. The ceremony took place at 8 a. m. in St. Mary's Church and was performed by Rev. Lewis A. Hayes, being followed by the celebration of nuptial mass by Rev. Father Quinn.

The bride was attended by her cousin, Miss Jeanette Gunderson, of Brooklyn, and Mr. Mark McCullough, a brother of the groom, of Summit Hill, Pa., served as bestman.

The bride looked charming, being attired in a beautiful gown of white Georgette crepe, with hat to match, and carried a bouquet of mixed roses. The bridesmaid was becomingly attired in a gown of corn color crepe de chine, with hat to match, and carried carnations.

After the ceremony the guests assembled at the home of the bride's parents, where a bountiful wedding breakfast was served and the day made merry in keeping with such occasions.

Among the guests present were Mr. and Mrs. Harry Laury of Lehigh, Pa., Mrs. Agnes Ward, Miss Margaret Mann, Mr. James Reed, Mr. Harry Mann, Miss Margaret Moraglin, Misses Mary and Catherine Leonard, Mr. and Mrs. M. Gunderson, and Miss Mary Roach, all of Brooklyn; Mr. and Mrs. B. Kane and family, Mrs. William Nehrhorn, Mr. and Mrs. J. Cosgrove and family, Mr. and Mrs. John L. Kane, Mr. and Mrs. J. Kane, Jr., and family, Mrs. Corey Winant and daughter, the Misses Bertha and Josephine Young, Mrs. Joseph Letts, all of this city; and Aloysius Leonard of Camp Dix. The happy couple left on a brief tour to Lehigh, Pa., and on their return took up their residence in this city.

On Tuesday a company of sixty-five Coast Guards came to this city to take up a permanent post on the property of the Pennsylvania Railroad Company's docks. These men are those who were called into the service of the National Army by the draft, and when it came time for them to "go over there" it was found that they had some minor physical defect.

A new and modern restaurant will soon be established on Broadway near the Central Railroad Station. This will fill a long felt need of this city. The new restaurant will occupy the building formerly used as the Palace Cafe.

ADD TWO MONTHS TO FOX HUNTING SEASON

Responding to the appeal of hunters for legislation that would increase the opportunities for killing foxes, which have proved more destructive to rabbits and game birds than any other known vermin, the New Jersey Legislature has extended the fox-hunting season by two months, making the new closing date, May 31. Any licensed hunter may pursue foxes, providing he first gets a permit, for which no charge is made, through the game warden of his county.

Another new law that meets with the approval of hunters throughout the state extends the present closed season on wood duck, which would have expired next September, for a further period of three years. These birds were nearly extinct when the protective laws were first put in effect and as a result of that legislation, they have increased rapidly. The protection of the wood duck is now practically nation-wide and by the end of the new closed season, in October, 1921, probably will be sufficiently plentiful to again permit shooting them under proper restrictions.

Remove Protection from Starlings.

Other new legislation affecting fish and game interests in the state include laws prohibiting the hunting of game from automobiles or by aid of headlights; permitting registrars of cities to issue hunting and fishing licenses; diverting funds received by the Fish and Game Commission into the hands of the State Treasurer but safeguarding these funds for appropriations for uses in fish and game conservation work as heretofore; permitting farmers whose crops are damaged by deer to shoot the deer out of season after obtaining a permit from the Board of Fish and Game Commissioners; removing English starlings from the list of protective birds; authorizing the purchase of additional land at the State Game Farm at Forked River at a cost not to exceed \$5,000.

BEST COAL FOR THE SHIPS.

Strict regulations governing the shipments to the Atlantic seaboard of coal intended for the bunkering of ships, will be enforced by the Fuel Administration. It is highly desirable that only the highest grade of coal team-making purposes be used in this important service, and to end that efficiency may be promoted only carefully selected coal of a kind which will give to each ship using it a greater steaming radius and higher speed from a given bulk and weight will be permitted to be shipped for this purpose.

Under regulations just issued by Fuel Administrator Garfield, no coal shall be delivered to any Atlantic or Gulf port for bunkering purposes other than that which has been specified by the Fuel Administration as permissible bunker coal. Only upon the recommendation of the United States Bureau of Mines will the present classification of bunker coal be extended. The shipment of slack or sizes of coal smaller than run of mine, to any port for bunkering purposes, or to any pool designated as a "permissible coal pool," is expressly prohibited except when special permission is granted by the Fuel Administration. Specifications governing this regulation have been sent to those interested in its operation.

If You Contemplate Taking a Trip

To Savannah, Charleston, Jacksonville or any other point down south, save yourself time and trouble and ask us to deliver to you your tickets and arrange for you the reservation of choice staterooms on all steamers. We make no extra charge for this service.

From: The Adjutant General of the Army.
To: The Commanding Generals of all National Guard, National Army and Regular Army Divisions, and all Department Commanders.

Subject: Protection of Red Cross sweaters and other knit articles from sale or other indiscriminate disposal by Enlisted Personnel.

You will cause an inventory to be taken at once, in each organization under your command, of all articles of wearing apparel issued to the organizations or individuals of such organizations by the Red Cross or other charitable societies and require the unit supply officers to take up on their returns and account for these articles as though they were Government property regularly supplied by the Quartermaster Corps.

2. You will require future donations of this character to be distributed through the Department or Division Quartermaster, who will obtain from a Division Director of the Red Cross, or the authorized agent of the society making the donation, a list of the articles he has for distribution, and distribute them to the organizations in accordance with actual needs; the unit supply officers to receipt for the articles thus received, and issue them to organizations in the same manner as Government property is issued, turning in to the camp or other quartermaster, any in excess of the immediate needs of the organizations he is to supply.

3. You will also require organization commanders to issue such articles to enlisted men of his command in accordance with actual needs, to exercise the same care in their use and preservation and to turn them in to the quartermaster for renovation at the end of the season, or when no longer required, as though they were Government property.

By order of the Secretary of War:
JOHN S. JOHNSTON,
Adjutant General.

DIVIDENDS FROM PLEASURE.

Somehow or other it is hard for some of us to realize that work is not a curse; that the man who would find real happiness can find no better place to seek it than in his work. Work is play when approached in that manner. But we have been making ourselves believe that work is unpleasant merely because it is work. We can never reach that bright place in the sunlight of success which we call the "top of the ladder" as long as we persist in adopting that attitude. Nobody ever has, and nobody ever will.—Industrial Conservation, New York.

POST CARDS IN STORES.

Explain New Wheat Ruling to Thousands of Customers—In sures Greater Feed Saving.

Grocers of the nation have accepted enthusiastically the 50-50 basis for the purchase of wheat flour and are doing their utmost to explain the new regulation to the housewife. This ruling by the U. S. Food Administration requires each purchaser of wheat flour to buy one pound of cereal substitute, one kind or assorted, for every pound of wheat flour. It was necessary to restrict the use of wheat flour in order that the allies and our fighting forces abroad might be assured of an adequate supply of wheat to meet their vital needs. This supply must come from our savings because we have already sent our normal surplus.

Wheat saving pledge cards were forwarded by the Food Administration to all retail food merchants, and these are being signed and posted in stores throughout the country. This card states: "We pledge ourselves loyally to carry out the Food Administration program. In accordance with this order we will not sell any wheat flour except where the purchaser buys an equal weight of one or more of the following, a greater use of which in the home will save wheat:

"Cornmeal, corn flour, edible corn starch, hominy, corn grits, barley flour, potato flour, sweet potato flour, soy bean flour, feterita flour and meals, rice, rice flour, oatmeal, rolled oats and buckwheat flour."

Some confusion has resulted on the part of the consumer in construing this "50-50" ruling to mean that an equal amount in value of substitutes must be purchased with wheat flour. This is a mistaken idea. The ruling states that the consumer in purchasing flour shall "buy at the same time an equal weight of other cereals."

One exception to this ruling is concerning graham flour and whole wheat flour, which may be sold at the ratio of three pounds to five pounds of wheat flour. This provision is made because approximately 25 per cent. more of the wheat berry is used in the manufacture of these flours than standard wheat flour.

Another exception is that concerning mixed flours containing less than 50 per cent. of wheat flour, which may be sold without substitutes. Retailers, however, are forbidden to sell mixed flours containing more than 50 per cent. of wheat flour to any person unless the amount of wheat flour substitutes sold is sufficient to make the total amount of substitutes, including those mixed in flours, equal to the total amount in wheat flour in the mixed flour. For instance, if any mixed flour is purchased containing 60 per cent. wheat flour and 40 per cent. substitutes it is necessary that an additional 20 per cent. of substitutes be purchased. This brings it to the basis of one pound of substitutes for each pound of wheat flour.

A special exemption may be granted upon application in the case of specially prepared infants' and invalids' food containing flour where the necessity is shown.

Some misunderstanding seems to exist on the part of consumers in assuming that with the purchase of wheat flour one must confine the additional 50 per cent. purchase to one of the substitutes. This is not the case. One may select from the entire range of substitutes a sufficient amount of each to bring the total weight of all substitutes equal to the weight of the wheat flour purchased. For instance, if a purchase of 24 pounds of wheat flour is made a range of substitutes may be selected as follows:

Cornmeal, 8 pounds; corn grits, 4 pounds; rice, 4 pounds; buckwheat, 2 pounds; corn starch, 1 pound; hominy, 2 pounds; rolled oats, 3 pounds.

These substitutes may be used in the following manner:

Cornmeal, 8 Pounds.—Corn bread, no flour; corn muffins or spoon bread, one-fourth flour or one-third rice or one-third hominy; 20 per cent. substitutes in whole bread.

Corn Starch, 1 Pound.—Thickening gravy, making custard, one-third substitute in cake.

Corn Grits, 4 Pounds.—Fried like mush, used with meal in making corn bread.

Rolls Oats, 3 Pounds.—One-fourth to one-third substitutes in bread, one-half substitute in muffins; breakfast porridge, use freely; oatmeal cookies, oatmeal soup.

Buckwheat Flour, 2 Pounds.—One-fourth substitute in bread, buckwheat cakes.

Hominy, 2 Pounds.—Boiled for dinner, baked for dinner, with cheese sauce.

Rice, 4 Pounds.—One-fourth substitute in wheat bread, one-third substitute in corn bread, boiled for dinner (a bread cut), as a breakfast food, to thicken soups, rice pudding instead of cake or pie, rice batter cakes.

Several grocers have stated that their customers who strictly observe the 11 wheatless meals each week find it necessary to buy substitutes in addition to those ordered under the 50-50 plan.

You will facilitate the installation of your telephone at your new address by notifying us as far in advance as possible.

In view of the large number of telephone removal orders we receive at this season of the year it is desirable that we obtain early notice of any intended change in location.

Beets.
An excellent supply of early greens may be had by planting beet seeds in rows 15 inches apart, 1/2 inch deep, and 1 inch apart. When the leaves are from 4 to 6 inches high, the seedlings are thinned out so that the remaining plants will be at least 4 inches apart to permit the development of desirable beets for table use. The plants which are pulled out may be transplanted, or used as spinach for greens.

Carrots.
Carrots may be planted at once in much the same manner as beets, except that the seed is sown at the rate of about 20 to the running foot of the row. When the seedlings are nicely up, they are thinned out to stand an inch apart. The surplus seedlings are thrown away. Early planted carrots are for summer and fall use, while those intended for storage are usually planted in June, sometimes where early peas have grown.

Peas.
A excellent yield of garden peas is had only when the seed is planted early (before May 1st). The rows are made 2 feet apart, 3 inches deep, and one pint of seed is sufficient for a row about 75 feet long. The seed is covered an inch deep, and as the vines grow, soil is drawn around them to develop the root system. Pigeons and other birds sometimes pull out the tiny plants, and eat the old seed. This may be prevented by laying chicken wire or brush along the row after planting. Peas are an excellent crop, because they usually yield well. When the peas are planted, a row of spinach, radishes, lettuce or onion sets for green onions, etc., may be planted between the rows so that considerable may be harvested from between the rows, before the peas require all the space. Then, when the peas have been picked, the vines may be worked into the soil to make excellent manure for late crops such as string beans, beets, cabbage, celery, spinach, etc.

Very Early Vegetables.
The very earliest products from the garden can be grown between the rows of these crops which require wide spacing and a long time to grow.

Lettuce is sown thinly in rows 1/2 inch deep; if head lettuce is desired, the plants may be thinned or transplanted to stand 12 inches apart when the seedlings are as large as a 50 cent piece, otherwise nothing but leaves will develop.

Radishes grow well in early spring. The seed is placed 1/2 inch apart in rows 1/2 inch deep. The Scarlet Globe variety is the quickest to develop.

Spinach does especially well on rich soil which has had lime or wood ashes raked into the surface. The Savoy spinach is planted practically the same as radish seed.

"It is my earnest hope that every purchaser of a Liberty Bond will realize that the only genuine help he gives his government is by keeping his bond as an investment as long as it is possible for him to do so."—W. G. McAdoo, Secretary of the Treasury.

Sailors buy Liberty Bonds.
Today's thought—Liberty Bonds.

CHURCH
There was a Methodist Episcopal Church at Matawan, two memorial windows, one occupying a position in the front of the auditorium and facing upon the street. This window is an elaborate treatment of the American School of opalescent glass, and portrays a landscape, through which runs a stream bordered by one of the Holy cities.

The window was placed in memory of young Stanley Fisher, who, in 1914, gave his life in an effort to save a child who had been attacked by a shark.

The color scheme of the window is particularly agreeable, and throws a harmonious tone of color into the body of the church. At the base of the window a memorial inscription is placed upon a tablet, which reads as follows:

In loving memory of Watson Stanley Fisher, April 12, 1892-July 12, 1914. "Greater love hath no man."

This window was designed by Mr. Frederick Stymetz Lamb, and executed at the studios of the well-known ecclesiastical artists, J. & R. Lamb of New York City.

The other memorial is placed in one of the side windows, and is of an ornamental character in design, employing the rich opalescent glass. At the base of the window the following inscription occurs:

Asbury Fountain, Br., 1800-1891. "In loving memory."

This window was also executed at the studios of the Messrs. Lamb.

Many a man looks upon marriage as sort of a blotter with which he expects to blot out all his past.

NOTICE TO CONTRACTORS.

SEALED PROPOSALS WILL BE received at the office of the Board of Education of the City of South Amboy, Middlesex County, New Jersey, at School No. 3, corner of Fourth and Potter streets, South Amboy, on **WEDNESDAY, THE TWENTY-FOURTH DAY OF APRIL, 1918,** at the hour of 8 p. m., at which time and place said proposals will be publicly opened and read. The work for which the proposals are invited consists of:

(a) The erection and completion of a School house on John street, South Amboy, and the alteration of the school building on George street, South Amboy, at the rear of the site for the new school and the connection of the proposed school with the present building.

(b) Installation of a plumbing system.

(c) Installation of a heating and ventilating system.

(d) Installation of an electric system.

All work to be done in accordance with the plans and specifications therefor prepared by Lowinson & Schubert, and approved by the Board of Education.

All bids must be in duplicate and made in accordance with the form accompanying specification and must give the prices proposed both in writing and in figures. Each bid is to be accompanied by a certified check on a Bank or Trust Company of New Jersey, for 2% of the amount of the bid, which check shall be made payable to the Custodian of School Moneys of the City of South Amboy without any conditional endorsement or reservation whatsoever. The check of the successful bidder will be returned to him upon the execution and approval of the contract, and in case the successful bidder fails to execute the contract such check shall be forfeited. Checks of unsuccessful bidders will be returned upon the award of the contract.

Plans and specifications may be obtained from the Architects, Lowinson & Schubert, 366 Fifth Avenue, Manhattan, New York, or from Professor O. O. Barr, Superintendent of Schools at his office School No. 2, South Amboy, upon the payment of Five Dollars (\$5) in cash.

The Board of Education reserves the right to reject any and all bids.

Board of Education,
RICHARD M. MACK, President.
W. M. EMMONS, Secretary.

Worth Fighting For

SHALL this little girl grow up in the sort of American home we know, healthy and happy? Shall she have the advantage of living and learning in a free land, under free institutions? Shall such children develop into the Liberty-loving citizens that a free America may be proud of?

For over two hundred years Americans have fought valiantly, and died gallantly, to win for themselves and hand down to their posterity the blessings of liberty, justice, self-government and equal opportunity. This precious heritage, bought at so great a price, is now threatened.

The question which today confronts America as a nation, and you as an individual, is whether or not a free America is worth fighting for

Are American children in this and all future generations to receive unimpaired the legacy of freedom of which we are now the custodians, or shall their country be turned over bodily to the brutal, rapacious, power-mad enemy which has forced us into this war?

This question cannot be answered by word of mouth, but by deeds alone.

Let Your Answer Be Your Investment in LIBERTY BONDS!

THIS SPACE PAID FOR AND CONTRIBUTED BY H. WOLFF & CO.

SEALED BIDS AND PROPOSALS.

NOTICE IS HEREBY GIVEN that sealed bids and proposals will be received and opened at a regular meeting of the Common Council of the City of South Amboy, N. J., at City Hall, on Tuesday evening, April 23, 1918, at eight-thirty p. m., for the purchase of a Gasoline Propelled Fire Engine, of the style known as a Combination Hose Wagon & Pump and Chemical Engine, at and for a price not to exceed Nine Thousand (\$9,000.00), the Council, of course, reserving the right to reject any or all bids.

The souls of emperors and cobbler are cast in the same mold. The same reason that makes us wrangle with a neighbor causes a war between princes. —Montaigne.

Our Potato Column

Article No. 2.
THE RULE OF THE THREE W'S.
Having to Do With the Killing of the Potato Pests.

When is a bug not a bug? The answer is that a bug is not a bug when it has no snout, and no one ever found a snout on a potato "bug." Scientists tell us that the true bugs are sucking insects, but that the beetles eat with their jaws, the same as ordinary folks, and hence are leaf chewers. We non-scientists will therefore have to admit that the potato "bug" is really not a bug but a beetle, and that he will have to be treated as such.

The Way of Spraying.
These beetles, the "bugs" of our younger days, are killed by stomach

Feed Them Poison for the First Meal.

poisons—as arsenic in some one of its many forms. This is the "What" of spraying to kill the Colorado beetle.

The When of Spraying.

The "When" is early enough so that the newly hatched slugs will get poison for their first meal—this "gets" the slug before it has had time to do much damage, and also takes less poison than later. The same poison will, of course, kill grown-ups, but it takes longer and the old hard shells are eating all the time they are dying—and they die slowly.

If the potato bug were the only pest of the potato it would be a comparatively simple proposition, but as it happens it is only the forerunner of many others. The flea beetle starts in its work shortly after the bug commences, and in its trail comes the early blight. Many a promising field of potatoes is ruined then and there. Later on comes tip-burn, which does more damage than most potato farmers imagine, and then the late blight and rot. All told, there are troubles enough of one kind or another to sink a ship, with

The Old Shellbacks Eat All the Time They Are Dying, and They Die Slowly.

some to spare at that. Most of these troubles, however, can be combatted at the same time the first fight is made on the potato beetle. The "How" is to use the spray which contains the poison, and also something which kills the blights.

The Where of Spraying.
It is on the leaves, of course—above, below, on the sides, in the front and behind, all over—and it must be a spray, not a sprinkle. It must be a fine mist with plenty of pressure behind it to make it cover every part of the leaf.

A QUESTION OF HUMAN LABOR.

In 1916 three states produced in the neighborhood of 20,000,000 bushels of potatoes each, viz: New York, Pennsylvania and Maine.

New York state cultivated 320,000 acres of potatoes in producing its quota, and ended up with an acre average of about 70 bushels. Pennsylvania confined itself to 272,000 acres, and produced just about the same acre yield, so that its total production was some 3,000,000 bushels less than that of New York state. The state of Maine, on less than half the acreage of either New York or Pennsylvania—in round numbers 125,000 acres—produced an average yield of 206 bushels, so that the total production was greater than either of the other larger and more populous states.

FEEDING THE POTATO CROP.

Potatoes are enormous feeders. They have to be to make leaves enough so that they may manufacture very large quantities of starch—and in growing these leaves they use great quantities of plantfood.

Manure, if used, should be plowed under. Ordinarily, however, the manure can be used on corn to better advantage.

Fertilizer may be either applied at time of planting, or spread broadcast before planting.

When the vines are from five inches high, it is customary in second application of spreading it alongside the growing plants with the cultivator. Growers find that this gives them a large crop of potatoes.

PUBLISHED BY
THE SOUTH AMBOY PRINTING CO.
SOUTH AMBOY, N. J.
TELEPHONE 200

TERMS:—One Year: \$1 in Advance

Administrators, Executors and Guardians will please bear in mind that this journal is a legal newspaper and therefore a proper medium for the publication of their notices.

Entered in the Post Office at South Amboy as second class mail matter.

All communications or items of news received by us must be accompanied by the signature of the writer to insure publication.

SATURDAY, APRIL 30, 1918.

Will South Amboy reach its quota in the third Liberty Loan? Certainly; as this city has always on the final rush went "over the top." Express your patriotism at once; don't wait to be asked, "Will you subscribe for a Liberty Bond?" but do it yourself, and show that you really believe in Liberty and the Red, White and Blue.

South Amboy has had some free advertising this week over the discovery of a laboratory on First street. And the outcome has been that the authorities have learned that a citizen who has voted in this city for a number of years was not naturalized and is an alien enemy, being born in Germany. Surely, wonders will never cease. Whether this laboratory was being used for good or bad purposes, Mayor Kerr and Chief McDonnell are to be complimented on their vigorous action in the matter.

RED CROSS NOTES

Mrs. Gough would greatly appreciate having a representative from each church doing Red Cross work come to City Hall to help her out and prepare the work on either Monday or Tuesday evening of each week. The church auxiliaries are doing splendid work and in order to get the work ready promptly Mrs. Gough must have help.

Mrs. Furman, chairman of the local chapter, has received a letter from Wm. F. Brennan, Co. G, 310th Infantry, Camp Dix, expressing his appreciation for a "Comfort Kit" received from the local chapter.

When the American wounded come back home and are transferred, from the ships at Quarantine to the big new Bay Hospital at Fox Hills, Staten Island, they will experience the joy of seeing their friends almost immediately. For with commendable foresight, the women of the Richmond County Chapter of the Red Cross have fitted up an old stone dwelling close at hand for their reception. In order to let everyone know of the "Red Cross Cottage," as it is called, the address is given below: Red Cross Cottage, Bay Street next St. John's Church, Clifton, Staten Island, N. Y., Mrs. Stafford, manager.

BASEBALL

On Sunday last the Neptune A. C. crossed bats with the South River A. C. and won out by the score of 12 to 10. The lineup was as follows: Neptune A. C.—Catcher, James Duggan; pitcher, Joe French; 1st base, Sam Forgoisen; 2nd base, Bill Duggan; 3rd base, Bill Kennedy; short stop, John Walzak; left field, Jake Hockheiser; right field, Herman Hockheiser; center field, Joe Barshak; manager, Ira Safran.

South River A. C.—Catcher, Geo. Applegate; pitcher, Charles Marr; 1st base, Louis Lippman; 2nd base, James Lee; 3rd base, Joe Mentlow; short stop, Jim Rackenback; left field, Jim Searly; right field, Lette Greenhouse; center field, Orlie Eppinger; manager, James Fee.

"SKIP STOP" IN OPERATION.

So called "skip stop" operation of street cars was extended throughout the entire territory served by Public Service Railway on Monday, April 15, this method of operation having been in effect in the Essex Division since April 1. The company's action is in accordance with a recommendation of the State Fuel Administrator and is primarily a coal conservation measure, the reducing of the number of cars must be stopped and resulting in a saving of electricity, and consequently of coal. Cars on trolley poles will points where cars will stop will be made as

ALL APPLICATIONS FOR LICENSES RENEW

The adjourned meeting of the Common Council was held in the Council Chamber of the City Hall on Tuesday evening. The meeting was not called to order until nine-thirty. All members of the council were present. A communication was read from the County Committee in charge of home gardening, requesting the co-operation of the city in maintaining a salaried man to supervise the home gardens of Middlesex County. The communication stated that if South Amboy entered the league her part of the expense would be thirty-five dollars. On motion of Councilman Parisen the communication was received and filed.

The bill of James W. Rea, postmaster, for \$5.00 for stamps sold to the water department was read and ordered paid on motion offered by Councilman Parisen.

Councilman Stanton introduced a resolution ordering the renewal of general account note of five thousand dollars for a period of three months at five percent interest. The resolution was adopted on a motion offered by Councilman Parisen.

The application for liquor licenses were read by the clerk, they being thirty-four in number. There were no new applications and all old licenses requested renewals. The clerk stated that each application was accompanied by a certified check and had been approved by the city solicitor as to form. Upon a motion by Councilman Parisen the applications were received and the licenses granted.

Councilman Gordon, who came in at this point, moved that a recess of ten minutes be taken. The motion was passed but the council did not convene again until forty minutes had elapsed.

Councilman Gordon introduced a resolution, which was adopted, instructing the clerk to draw a warrant in favor of the county collector of taxes for the amount of \$3,209.37.

Councilman Gordon offered a resolution instructing the city engineer and the water committee to order the firm of Redpath & Potter to drive one test well in two different locations, one being on property owned by the Wessco Realty Company and the other on property owned by Henry Wolff, the one on the Wolff property to be driven first. Under the head of remarks Councilman Hackett said that at last the council is leading up to what should have been done. He stated that although the resolution authorizing the driving of test wells stated that the council should designate the place they had never done so. He declared that all other actions in regard to the wells had been wrong and illegal, that over five thousand dollars had been spent for nothing. He declared he would vote in favor of the present resolution but still he desired the information asked for in a resolution introduced three weeks previous. "How much have you spent for the test wells, and who got the money?" he asked. "How much did the firm of Redpath & Potter get and how much did anybody else get?" He said that the financial statement that was presented to the council at last meeting showed that the city engineer had received six hundred dollars, but his individual records showed that he had received close to three thousand dollars. That previous to October the city engineer had received \$1845.93, \$485.02 of this amount being under the head of miscellaneous. He concluded his remarks by saying that at last they were going about things in the right way and to the place where they should have went in the first place.

Councilman Gordon replied to Councilman Hackett's remarks by saying that the city engineer would submit a report of every dollar received by him from the council last year. Mr. McMichael then was given the privilege of the floor and requested to know why he was singled out, and whether the councilman did not think he earned the money. He declared that he had proof of where he spent over nine hundred dollars out of his own pocket in regard to the water wells and had received but six hundred from the city, making a loss of three hundred dollars.

Councilman Hackett then declared that all the salaries were too high; that the present engineer's predecessor received only \$492.27 for a year's work. These remarks were followed by a motion to adjourn.

BOOKS TAKEN TO CAMP DIX. Last Sunday the committee who had charge of collecting the books for the soldiers and sailors left this city and made a trip by automobile to Camp Dix for the purpose of turning over the books collected. The one in charge of the receiving station at the Camp was very much pleased with the condition of the books, they having had the pocket in the back and all ready for distribution. It is planned that whenever a soldier leaves for the other side, he will be given a book. This book must be turned in upon his arrival

in France. In this way it is hoped to stock up the libraries of France without taxing the transports or other shipping facilities to any extent. The committee desires it known that they will still receive books, as the men are leaving every day and every book taken out means another to be put in its place. Will you do your share?

BOYS PAID DAMAGE. Last week four boys were brought before Judge Birmingham on a warrant secured by Bertram LaFe, assistant director of the Third Battalion Band. The boys willfully broke into the Armory of Company F and the Band on First street and started beating the drum with a piece of plank, breaking the head of the drum. One boy, was caught in the act of beating the drum and with the stick in his hand afterwards by Newell James, who hearing the noise on the inside investigated.

The boy denied at first that he had any part in the matter but he finally admitted that he did it and gave the names of three others who were with him at the time. Before passing the sentence Judge Birmingham told the boys that it was pretty risky work to try and "put one over" on the United States government, whose property the drum was. He said that if they did not have manners, enough to behave themselves, they should have patriotism enough not to destroy property of the government which was affording them protection.

Mr. LaFe stated that he did not want to press the charge but would be satisfied if the boys paid for the damage done to the drum. This was done, the boys paying a dollar and a quarter each.

Judge Birmingham summoned the parents of the boys to appear at the trial, which was held at seven o'clock, in order to learn what the boys were doing when out of their sight.

The officers of the Band and of Company F want it understood that in the future when the boys are ordered away from the hall and they do not move they will be immediately arrested.

CARD OF THANKS.

My sincere thanks is hereby extended to the many friends for kindly assistance during the illness and at the burial of my husband; also to those who sent beautiful flowers as tokens of love, and extended words of condolence in my bereavement.

MRS. IRA B. MARTIN.

How Do Your Sacrifices Compare With These?

THE American boy who goes to war gives up the position which means so much to his future, or the little business which has just begun to show promise of success.

He severs home ties; gives up home comforts leaves behind parents, friends, wife or sweetheart.

He faces the probability of being obliged to take up life anew when he returns; of losing all the advantages which years of hard work have won for him.

He faces the possibility of coming back incapacitated for earning a living, and of being dependent upon his friends or upon charity.

He faces the possibility of never coming home at all.

Facing these things, he goes to France to fight for us who remain safely at home—and when the moment comes for him to go over the top—he GOES!

What will he think, how will he feel, if we complain because we are asked to make a few sacrifices for him—sacrifices so insignificant when compared with his?

Show him that to invest in Liberty Bonds is not a SACRIFICE but a PRIVILEGE—an appreciation of his sacrifice!

And When You Buy—Buy!

This Space Paid For and Contributed By
J. Alfred Johnson

CARD OF THANKS.

The undersigned hereby extends thanks to all friends who kindly assisted at the burial of their son; and also to those who sent flowers, and to Rev. J. E. Shaw for officiating at the funeral service.

FOR RENT—Furnished rooms, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

Man of Interest Presented in Short Paragraphs for Busy Readers.

Joseph Tice in eating a sandwich on Tuesday discovered a piece of glass in his bread.

Joseph Longton, of the National Marine League, was in town on Thursday soliciting members to the league. Efforts are being made by the league to establish a nautical school at this port, and it has the backing of municipal and state officials.

Master Robert Morgan is very ill with pneumonia.

Policeman Novak is carrying a broken wrist. In cranking his automobile the crank kicked back striking him on the wrist.

The City Hall certainly has a business like appearance these days. The council recently appropriated fifty dollars for a typewriting machine, which as yet has not been secured. However, the collector has installed one for his own use together with an up-to-date adding machine.

Bids for the erection of the new school will be received at the regular meeting of the Board of Education next Wednesday evening.

All members of General Morgan Lodge No. 94, I. O. O. F., and members of Neptune Lodge No. 84, I. O. O. F., of Asbury Park, N. J., who are residing in this city, are invited to attend the funeral of the late Andrew J. Norcross, to be held at the residence of A. R. Mitchell, 326 Second street, on Monday afternoon at 2 p. m.

Mrs. D. W. Reed went to Ashtabula, Ohio, on Tuesday to visit her mother who was very ill. Her mother has since passed away, and Mr. Reed and daughter, Claire, left this city Friday to attend the burial. The sympathy of their many friends is extended to them in their bereavement.

Invitations have been mailed for the Military Ball to be held by Company F on April 26. This is expected to be the biggest social event of the year and that it will be attended by several notable military men. The decoration committee have some very unique decorations planned. The music will be furnished by an eight piece orchestra under the direction of Prof. Pateman, director of the local military band.

Work of clearing the ground and preparing for building has begun on the land recently purchased by the California Loading Company. About five hundred laborers commenced work on Monday morning. The clearing of the ground and the construction work is supervised by the men in charge of the Oliver Loading Company who recently commenced to load shells. It has been reported that these companies are branches of the Tin Can Loading Company with main offices in Newark.

The farmers in this vicinity predict a shortage of salt hay this year on account of the number of munition plants being built on the salt meadows. Practically every meadow is occupied by a plant of some description.

Discharges have been granted to the former members of Company F who have been recently called to service in the National Army. This leaves two or three vacancies in the company. Only members recruited before April 30th will be eligible to the trip to Sea Girt this summer.

Hereafter the members of Troop No. 2, Boy Scouts of America, will hold their meetings in the basement of the M. E. Church on John street. Permission was granted to the scoutmasters at the recent meeting of the Board of Trustees of the church.

After successfully passing the examination for non-commissioned officers, warrants have been issued to Corporal Peterson and Supply Sergeant Bloodgood of Company F. Another examination will be given within a short time that will be taken by all officers of the company who have not received warrants.

The local band will play at a Liberty Loan parade and mass meeting at Red Bank to-night (Friday).

On Saturday evening a party was held in honor of James Holton at the home of Miss Dorothy Dwyer on David street. Holton was enjoying a week end furlough from Camp

Dix. A very social evening was spent by all present, the time being divided between music and dancing. Holton expects to be moved within a short time.

Word has just been received in this city that George B. Coates, well known in local dramatic circles, had been married in Minneapolis. Mr. Coates was a writer as well as an actor and appeared in several local productions. At present he is serving in the United States Army as a sergeant.

Joseph M. Leonard of Ward avenue is in St. Michael's hospital, Newark, where he is suffering from an illness that is baffling the physicians. He was stricken on Wednesday of last week and has been in a state of coma since, and only at intervals does he have lucid periods.

During the past few weeks a number of the latest volumes have been placed on the shelves of the local library. Books of fiction by the most popular authors of the day, books of reference in several lines by recognized authorities in all branches, and several new books for children. Another shipment of books

is expected shortly and just as soon as they can be prepared they will be placed on the shelves for distribution.

A public hearing will be held in the City Hall on Tuesday evening on the question of paving the sidewalks of Main street. Sealed bids and proposals will also be received at this time for a new motor fire fighting apparatus.

PUBLIC HEARING.
THERE WILL BE A PUBLIC HEARING for the Property Owners of Main street on the proposed Sidewalk Improvement held in the City Hall, South Amboy, N. J., on Tuesday evening, April 23, 1918.
PETER J. COAKLEY, City Clerk.

SATURDAY, APRIL 30, 1918.

HIGH SCHOOL MENTIONINGS

"Remember Keyport" is no longer a distasteful maxim to the debating enthusiasts of the local High School. The worthy debaters of old Amboy High fully decided that matter Friday night, April 12, in the City Hall. Amboy was unanimously chosen the victor in the Inter-Scholastic Debate between Keyport and South Amboy. But this only accounts for half of the school debt to Keyport. The basketball and debating teams have evened their scores, but the baseball team has a slight debt to erase, as that team was also defeated at Keyport last year.

The remarkable and noteworthy fact in regard to the debating team, however, is that Amboy debated from the negative version against Woodbridge, and from the affirmative with Keyport, on the same topic, and was triumphant on both sides of the subject. This certainly does speak well for the ability of Amboy's debaters, and adds more honor to the school history. Many schools have won repeatedly on the same side of a topic, but very seldom has a school been victorious from both versions of a question—proving that Amboy High is "different."

Heretofore, the best record of Amboy's debaters was made by the team of '16, and to this team goes the credit of the banner in the High School auditorium. The present team, however, has equaled that record, and if favored with the opportunity, would probably better it. But it has been learned that Mr. Voorhees, practically the supporter and controller of the debating league, has enlisted his services in war relief work, and thus cannot carry on his work in the league. Therefore, the debating team has completed its career without a single defeat, and if it were to debate again, would be the first Amboy team to debate in New Brunswick.

The basketball and debating teams now stand quite high for school honors, and only the baseball team has to prove its worth in order to make this year complete with victory and triumphs, in both brain and brawn.

The local City Hall was crowded with the audience, which came from Keyport and the home town. The Keyport team and "rooters" arrived at the hall at 7.30, while the home team did not appear until about 8 p.m. As before, Mr. Barr was chairman of the debate. Mr. Krause, from Amboy, and Mr. Hand of Keyport acted as timekeepers. After securing order, Mr. Barr announced the topic under discussion, the teams, the speakers in turn, the decision, etc.

Miss Blanche Brinamen opened the debate, by presenting her most formidable arguments for the affirmative. Then followed Mr. Weigand, whose arguments for the negative was scarcely worth mentioning, judging from the standpoint of essential, composite, and important points. Miss Ida Lucas performed ably in favor of the home team, and Miss Louise Farry retaliated vaguely. Miss Marie Shaw then capably concluded the affirmative's arguments, and Mr. Edward Maurer was the last speaker. During the preparation of the rebuttal, each school's rooters cheered and sang. There was absolutely no comparison between the cheers and songs of Keyport and Amboy. The home "rooters" cheered and sang with real vim and spirit under the leadership of Miss Yearick and Harper Lewis. The students deserve distinguished credit for their loyalty, and their cheering and singing on Friday night. Then after silence was restored, Mr. Maurer feebly endeavored to refute Amboy's points, and Miss Blanche Brinamen presented the rebuttal for the local team. The votes were then collected and the decision rendered. The vote was unanimously "Affirmative."

Mr. Frank Weigand, the reputed as the competent and clever captain of the Keyport team, was indeed a disappointment to anxious Amboy followers. His arguments were not only weak, but of a particularly loose construction. In fact, nearly all of Keyport's points were of that character. And to speak of the opponents' rebuttal would be to speak of nothing whatever. Then of course in decisive contrast, there were the strong, compact points, which were used by each of Amboy's worthy debaters. Below is a definite and concise program of the event.

Program.

School Song—Young ladies from the Junior and Senior Classes.

School Cheers, Songs, etc.
Rebuttal
Instruction to Judges—

1. In rendering their decision the judges shall give equal consideration to matter, form of argument and delivery.
2. Each judge at the conclusion of the contest, without consulting any other judge, shall write on a card the word "Affirmative" or "Negative," seal it in an envelope, and deliver it to the presiding officer, who shall open the envelopes in the sight of the two leaders and announce to the audience the decision.
3. No constructive argument may be advanced in rebuttal.
4. The judges shall base their decision on the merits of the debate not on the merits of the question.

BOY SCOUT DOINGS.

The social given by Troop No. 1 on Saturday evening, April 13, was a striking success and all had a very pleasant evening. There were about seventy-five present.

On Tuesday afternoon, April 16, at 4.30 both Troop 1 and 2 were "lined up" and ready for a hike. The scoutmasters of both troops were in charge. The troops then marched to Ernsonton and camped there.

Two baseball teams were then picked and lined up as follows:

Team 1		Team 2
Waterman	P	Larsen
A. Skow	C	Kurtz
McKenna	1st B.	C. Skow
Grebbs	2nd B.	Edwards
E. Parker	S. S.	Rupp
J. Parker	3rd B.	Lenahan
Lambertson	L. F.	Senker
Morrow	C. F.	Semonett
Magee	R. F.	Reed

Team 1 was victorious 2 to 0 and Team 2 got but 2 hits in the seven inning game.

The following scouts of Troop 1 then completed their running tests of 1 mile in 11 minutes: scouts, McKenna, Magee, Morrow and Grebb.

The tracking test was then passed by scouts: McKenna, Larsen, Magee, Morrow and Lambertson.

The signalling test was then passed by Scout Grebb.

The fires were then built and a supper, "Fit for a King," in the minds of the hungry scouts cooked.

After supper six boys picked from the baseball teams were lined up for an "Antelope Race." Team 1 consisting of scouts, Waterman, A. Skow, E. Parker, Senker, Morrow, Lenahan were victorious in the two races.

The two troops then assembled about the camp fire and a meeting was held. The main question discussed was whether or not Troop 1 should accept the land offered them for a garden or not. Plans were then discussed and when it was put to vote it was unanimously accepted. Other questions were discussed of minor importance and the troops then started for home arriving here at 9.05.

During the past week Raymond Graces successfully passed his Tenderfoot test and was admitted to the troop.

The next scout meeting for Troop 1 will be held in the meeting place next Tuesday evening, April 23, at 7.30. All the members of Troop 1 are urged to be present.

Every scout urged to bring his staff at the next meeting as a staff drill will take place then. Don't forget your registration fee.

A Big Job.

Little Esther stood gazing at the sky, and turning to her mother, said: "Mamma, how do you 'spose God ever got that great big sky up there without breaking it?"

Peanuts Are Hand Sorted.

Chinese peanuts are usually hand sorted by women after being sifted.

A man's second love always owns more property than his first one.

Perhaps after all, babies do understand the language women talk to them—and stay awake nights to get even.

FRIDAY

SATURDAY

UPSTATE GREETS LIBERTY COACH

Traveling From Buffalo to New York City Selling Third Loan Bonds.

NOTED WHIP HANDLES REINS.

Huge Ball Also Being Rolled Across State by Legions of Enthusiastic Bond Buyers.

For the purpose of recruiting Liberty Bond buyers in the Second Federal Reserve District two novel trips are being made across the state. One of these journeys is by a famous road coach which has served in years past for the diversion of society both in this country and in Europe and the other by a huge sphere which will be rolled onward by buyers of the new Liberty Bonds.

The "drive for Liberty" is under the direct charge of Morris E. Howlett, the noted whip, who has toiled the coach for many years—in fact, ever since it was built. Reminiscent of the old days in New York before the vogue of coaching gave way to the automobile is the fact that the coach in its journey is drawn by the four favorite coach horses of the late Alfred Gwynne Vanderbilt. A reminder, too, of the purpose of the drive, the arousing of interest in the Liberty Loan, for Mr. Vanderbilt was one of the Americans who were not dissuaded by German threats to keep off the seas and met his death in the torpedoing of the Lusitania.

The start was made at Buffalo April 6 when the city turned out in holiday mood to speed the coach on its journey. The route of the coach from Buffalo is across state to Albany and then down the Hudson valley to New York, where the trip will be the occasion of another demonstration to enlist the subscriptions of bond buyers.

The trip has been arranged to allow for stops of sufficient length in the towns and cities along the route, where the coach will be halted and used as a rostrum for speakers who will tell how the bond buyers may help to reclaim from the Hun the fair country of Belgium and France, along whose very roads the "Liberty" was once used for pleasure purposes.

The trip of the "Liberty" is under the supervision of the Liberty Coach Committee of the Third Liberty Loan Committee, of which Miss Marion Hollins is chairman and which includes in its membership Mrs. Thomas Hastings, Mrs. Winthrop Aldrich and Mrs. Arthur Isola. All are members of the Ladies' Four-in-Hand Club of New York city.

Bond Buyers Roll Ball. Traveling at probably a somewhat slower pace, but serving equally to arouse the enthusiasm and open the pocketbooks of the people in support of the Liberty Loan, the "Liberty Ball" is being rolled from one end of the state to the other by the willing hands and arms of buyers of Liberty Bonds, who alone are privileged to man the ropes that will make its progress possible. The ball is a huge sphere, seven feet in diameter, its canvas surface being appropriately painted in red, white and blue. Two guardians of commanding physique and dressed in the costume of Uncle Sam are constantly on hand to guide the ball, which rolls on a glided tire 18 inches wide.

Above the ball floats a large Liberty Loan flag. In the white field of the flag, which is surrounded by a red border, is this inscription in blue letters: "Help Push the Liberty Ball from Buffalo to New York. Every Bond You Buy is a Push Toward Winning the War. Keep the Ball Rolling." The ball must be kept rolling at a speed of almost 17 miles a day if the 453-mile stretch from Buffalo across 21 counties of the state is to be completed by May 4, when the ball is due for a grand wind-up demonstration of the Liberty Loan campaign in Madison Square in New York city.

MADE FOR AMERICA—THE LIBERTY BONDS.

BOND LIMERICK.
A pacifist once said: "Oh, pshaw! Why should we get into this waw?"
But of wealth he was fond,
So he bought a big bond,
And now nobody cares for his jaw.
—Lurana Sheldon.

Lend him a

Five Hundred Thousand American Soldiers in France

We dare not delay the VICTORY now. American lives are at stake, our own safety, the safety of the whole world. If we are not to prolong the slaughter and the suffering, if we are not to risk defeat or an inconclusive peace, we must act quickly; we must put forth our every effort now.

The army is doing its part. Five hundred thousand American soldiers are in France today. There will be more tomorrow. And more the day after. We are going to send an army large enough so that when we strike, with our Allies, we can drive the German hordes back across the Rhine—so that we can win the decisive VICTORY that will make American freedom safe, and establish a just and lasting peace.

But the whole nation must take part. Our armies in France are looking to us to furnish them in ever greater abundance, the ordnance, the munitions, the supplies that will make their VICTORY possible. We must not fail them.

The Third Liberty Loan is our share in the winning of this war. Upon it depends the safety and success of five hundred thousand American soldiers in France.

EPISTLES

The attendance upon the Sunday was a bit dis-
tasteful, we have a large
of members who think of Sun-
day as a holy day, but as a holiday

Dr. F. W. Johnson of Newark
occupy the pulpit next Sunday
morning at 8 o'clock, and will
upon the subject of Sabbath ob-
servance. Let all of our members and
friends come out to hear him.

A beautiful Honor Roll, the gift of
Mrs. Edwin Jacques, has arrived and
will be hung in the church before
next Sunday. Upon this roll will be
inscribed the names of our boys who
have enlisted, and thus each star in
our service flag will have its repre-
sentative name on the Roll of Honor.

This is a very beautiful and ap-
propriate gift which Mrs. Jacques has
presented to her church, and we
wish to assure her that it is deeply
appreciated by both pastor and mem-
bers.

As announced last week, Mr. Paul
Frather is giving a series of talks at
the Christian Endeavor meetings on
the subjects, "How we got our Bible."
The first of the series was given last
Sunday evening, and dealt principally
with manuscripts and versions. These
talks will prove both interesting and
helpful and some of our young people
can afford to miss them. Don't for-
get; next Sunday evening, at 7 o'clock.

Next Sunday April 21st, is "Camp
Dix Day" throughout the Synod of
the Presbyterian Church in New Jer-
sey.

A movement is well under way to
erect a church at Wrightstown, N. J.,
to be known as Camp Dix Presby-
terian Church. While there is a
growing demand on the part of the
civilian population of Wrightstown
for such a church, it will be primar-
ily designed to meet the religious
needs of the boys who are in the
training camp.

A suitable lot has already been
purchased by the Presbytery of
Monmouth at a cost of \$5,000 and the
estimated cost of erecting the pro-
posed building is \$25,000.

In all of the Presbyterian Churches
in New Jersey an offering will be
made next Sunday for this very im-
portant and worthy cause, and it is
held that an average of twenty-five
cents from every member of every
congregation in the Synod will make
this building possible.

Of course, many cannot be reached
to secure the necessary twenty-five
cent contribution, but many others
will want to give a dollar, or five
dollars, or larger amounts as the
Lord has prospered them.

Let every one of the members of
our church and congregation take
this matter to heart, and welcome
this opportunity of doing something
for our boys in camp.

Let us show our love and appreci-
ation for those who are sacrificing
everything for us, by giving cheer-
fully and liberally to this worthy
cause. At both morning and evening
service next Sunday an opportunity
will be given to contribute. If un-
able to attend either service, will
you not send your gift with your
name, to our financial secretary, Mr.
Leslie L. Shepherd, 263 First street.

Our boys are going over. Can we
do less than seek to leave with
them the memory of the church's in-
terest and to remind them of Him
who will be to them a constant com-
panion and friend and savior—Jesus
Christ.

A widow always pretends that she
can't try to help a man when he
tries to kiss her—but she is, just
the same.

The wise husband remembers that
his wife would rather have kind
words and some new clothes now
than silver handles on her coffin a
few years hence.

UNIGLES

Mr. Frank Stratton led the Epworth
League meeting last Sunday eve-
ning.

A noticeable increase in church at-
tendance last Sunday morning.

Several more names have been
added to the Probation Class. This
class will receive proper instructions
from the pastor.

Every Friday evening the Boy
Scouts meet in the basement of the
church. A goodly number were pres-
ent last Friday evening.

Several of our younger girls wish
to do their bit and are anxious to
organize themselves into Camp Fire
Girls. Who will help in this im-
portant movement?

While many of our ladies of the
church have been active in Red Cross
work, they have not been organized
in the name of the church. It has
been deemed best however to act as
a unit in this worthy cause, and
Miss Edna Agan has gladly consented
to act as the prime mover in or-
ganizing our ladies into a Red Cross
Society. Give her your hearty sup-
port.

Recently we received a letter from
an old friend who is the newly in-
stalled pastor of an influential church
in New York. He writes in part: "At
noon the ladies of the church had a
chicken dinner hot for us on our
arrival. The pantry stocked with
everything from a barrel of potatoes
to coal in the cellar." Certainly a
warm reception. We wish him abun-
dantly of success.

Several more stars are to be added
to the Church Service Flag. Miss
Eva Peppier has been appointed to
sew on the stars. After the work is
complete a flag pole is to be
secured and the Service Flag hung
to the breeze outside of the church.

Married:—Spratford—Bailey, at the
Methodist Episcopal Parsonage, Sat-
urday evening, April 13, 1918, by
Rev. J. Edward Shaw, Miss Florence
Edna Bailey, of Keyport, to Mr.
Arthur Chester Spratford, of South
Amboy. The happy couple were at-
tended by Mr. Joseph Kierst, of
South Amboy, and Miss Eva Bailey,
of Keyport. Congratulations and
best wishes.

Baptism—At the home of their
parents, Mr. and Mrs. Richard F.
Carney, on Second street, Dorothy
Louise Carney, Richard James Carney
and Jennie Louella Carney, by their
pastor, Rev. J. Edward Shaw.

A large number of strangers are
coming into town and doubtless
many feel lonely. A new environ-
ment generally has that effect upon
folks for a time. Let us inform you
that you will be welcome at any or
all of the church services. Let us
get acquainted with you. This is a
home like church.

One hour of Service, Song, Socia-
bility constitutes the atmosphere of
any service in our church. Bring
your children to Sunday School.
Competent teachers and an ideal
christian influence.

Any who are unable to attend
divine service, and who desire the
Holy Communion; will receive im-
mediate attention if they notify the
pastor or any member of the church.

The First Quarterly Conference
has been postponed until a later
date. Notice will be given as to
date and time later on.

The Junior League will begin the
first Friday afternoon in May. Mrs.
William Slover will act as superin-
tendent. The meeting will begin on
time and close on time.

Occasionally we have the pleasure
of welcoming back to the church
one of our soldier boys. Joseph
Gominger we are pleased to welcome
frequently. He holds a responsible
position at Governor's Island, but
may be called to active service at
any time.

FINE AVE. Cor. John St. South Amboy N. J.

The Song Service has made a de-
cided hit, prior to the regular eve-
ning service. Each Sunday evening
a new hymn will be sung so that
the congregation may become better
acquainted with the many beautiful
and appropriate hymns. Come early
next Sunday and help with the sing-
ing.

How to get rid of our church debt,
though not large, is the problem be-
fore us. Already some of the Sun-
day School classes are forming
plans whereby they may be able to
assist in the cancelling of this debt.
Let us get busy.

Our Epworth League did a very
worthy act recently. They secured
from many members of the League
groceries of all kinds and filled the
larder of one worthy of consideration.
The gift was much appreciated.

A very pleasing and encouraging
report of the finances of the church
was given by the Treasurer, Mr.
Perkins, last Sunday. The people
are responding to the financial de-
mands in a very cheerful manner.

Death—August E. Ruffner of Gor-
don street. Killed last Saturday morn-
ing by Atlantic City Express. Funeral
services on Tuesday conducted by
the pastor.

Dr. Marshall will hold first Quar-
terly Conference at 3.30 o'clock next
Sunday afternoon.

Next Sunday evening there will be
admission into church membership.

Square Bottom Round Top

That's the shape of the
fire pot in Square Pot
Boilers. This exclusive
construction is a big step
in advance of all other
designs of boilers. Radi-
ating surface is increased,
heat is in direct and close
contact with water-con-
taining sections, and grate
bars are all of same length.
This allows quick clear-
ance and prevents clog-
ging. Square Pot Boilers
steam quickly and re-
quire less attention than
other kinds.

They are made of highest
quality materials by expert
workmen and designed on
scientifically correct, practi-
cally proven heating prin-
ciples. Consult your dealer or
write direct to us. No mat-
ter what your requirements
are, there's a Square Pot
Boiler or Furnace to fill them.

PUBLIC HEARING

PURSUANT TO A RESOLUTION OF
the Common Council of the City of
South Amboy, County of Middlesex
and State of New Jersey, Notice is
hereby given that a public hearing
will be held on Tuesday, April 23,
1918, on an amendment to an ordi-
nance relating to the use of sewers,
and at which time objections will be
heard. Said ordinance reads as fol-
lows:

AN ORDINANCE TO AMEND AN
ordinance entitled, "An ordinance of
the City of South Amboy relating
to the use of sewers in the streets
in said city." Approved, June 29,
1910.

Be it ordained by the Common
Council of the City of South Amboy,
that Section Four of the ordinance
aforesaid be amended to read as fol-
lows: Every permit shall be signed
by a member of the committee on
sewers and shall be issued by the
Street Commissioner upon payment to
the collector of taxes of the amount
set by the sewer committee, which
amount shall not exceed the actual
costs of the connection, it being the
intention of this section to have the
applicant pay the costs of the con-
nection from the sewer to the curb
line only. It shall be the duty of
the Street Commissioner to keep a
record of the permits issued as aforesaid.

The Common Council may for
cause revoke a permit on return of
the payment as aforesaid, or an
equitable part thereof, and a permit
may at the discretion of the Council
embrace special provisions as to the
method of construction, mode of use
and similar details.
This ordinance shall take effect
immediately.

PERSONAL

Miss Marjorie Kerr, of Newark, spent Sunday with her parents at their home on Main street.

Mr. and Mrs. John L. Applegate of First street entertained guests from out of town on Saturday and Sunday.

Sergeant Holmes Cliver spent the week-end with his parents, Mr. and Mrs. George Cliver, in this city. Cliver was granted a four day furlough. This, he claims, is a sure sign of his sailing for "overseas."

Milton Davis of Trenton spent Saturday evening and Sunday with his parents in this city.

Walter H. Haynes, of Church street, has been confined to his home during the past week with a slight attack of lumbago.

Frank Disbrow of Prospect street was a visitor to Trenton on Sunday.

Mrs. Bertram Selover and son, of Trenton, spent Sunday with Mr. and Mrs. Henry Selover.

Mr. Marshall Magee and daughter, Mildred, spent Sunday with friends at Columbus, N. J.

Mr. and Mrs. Symmes Ingraham moved by van Monday to their new home in Elizabeth.

Mrs. Joseph Robinson and son, Joseph, sister of Edward Christensen from Wharton, N. J., are visiting Mr. and Mrs. John Lund and relatives in this city.

Mr. Henry Bell, of Second street, left town Sunday for Halifax, Pa., to attend the funeral of his brother-in-law. He will remain for a week or so.

Mr. and Mrs. George Delaney of Fourth street are rejoicing over the arrival of a young daughter.

Mr. and Mrs. M. J. Carroll of John street enjoyed Wednesday in New York City.

John J. O'Connor, who was sent to Camp Dix some months ago, has been promoted to Sergeant. The Citizen extends congratulations.

Mr. and Mrs. John Lund have received word that Edward Christensen has arrived safe over seas.

CLUB NOTES

The annual reception of the Woman's Club on Wednesday night was a very enjoyable affair. Mrs. Edith Parker accompanied by Mrs. Parlsen sang a number of beautiful songs. Mrs. Ince of Sayreville, accompanied by Miss Elizabeth Dayton, played delightfully on the violin, and Mr. Harbour the speaker of the evening kept his audience laughing the greater part of the evening.

The President, Mrs. F. M. Littlell was presented by the Club with a beautiful bouquet of flowers in recognition of her year's of faithful service. Delicious home-made cake and fruit punch were served and a social hour greatly enjoyed.

At the election of officers held on Thursday the following were elected for the coming year:

President—Mrs. O. O. Barr.
1st Vice-President—Mrs. H. J. Berrien.

2nd Vice-President—Miss Bertha Delbert.

Correspondence Sec.—Miss Agan.

Recording Secretary—Mrs. Wm. Hayes.

Press Correspondent—Mrs. J. D. Van Pelt.

Directors—Mrs. Perrine, Mrs. Euler, Mrs. Miller, Mrs. Gordon.

The Woman's Club acknowledges with appreciation, \$5.00 sent by "A Friend" to be used as a prize for the child having the best garden this summer.

Mrs. Barr, Mrs. Perkins and Mrs. Parker were elected delegates to the annual federation to be held on the 16th, 17th and 18th at Newark, with Mrs. Van Pelt, Mrs. Dey and Mrs. Gundrum as alternates.

P. R. R. Y. M. C. A. NOTES.

The P. R. R. Co. have run a spur into the upper Star Field and have started filling in same in readiness for the ball field.

The tennis courts are now in good condition since the rain of last week and this is good weather to play in.

The Armed Guard of the U. S. Coast Guard some 65 strong are now quartered on the company's property and will remain for guard duty until the end of the war. All membership privileges will be given these men and every effort made to help them and entertain them while they are here. The regular membership can do their share in this and we hope that they will do all they can to make these guardians of our homes welcome.

There are but four more games left to play in the Church League and as soon as the schedule is through and the 1st and 2nd teams determined the two cups will be engraved with the names of the team and a social arranged for the presentation of same.

FOR HIRE—Closed, comfortable Limousine for all occasions. Apply to V. J. Abbatiello, 116 South Stevens avenue. Tel. 262.
