

OPENING DANCE BIG SUCCESS

Luke A. Lovely Post No. 62, American Legion, Has a Large Crowd at Their Summer Dance—Friends From Many Towns Present—Floor in Excellent Condition.

In the opening dance at the Morgan open air pavilion, Thursday evening, Luke A. Lovely Post No. 62, American Legion, scored another social success. People from South Amboy, Newark, Keyport, Perth Amboy, Sayreville, South River, New Brunswick, Matawan, Red Bank, and Elizabeth were guests of the Legion boys on this evening, and the spacious dancing floor presented a beautiful spectacle as the young people indulged in this favorite pastime to the strains of music furnished by Gardner's orchestra.

The floor was in wonderful condition, the work of resurfacing having been done by Contractor Oscar Mundy. On the back platform of the pavilion pretty Japanese lanterns covered the electric lights, and the interior of the big hall was beautifully decorated. The orchestra was stationed in the center of the floor, within a lattice-work circle that was finished in wisteria. Above the orchestra was a sunburst in variegated colors. The beams were decorated with purple and white, the Legion colors, and there were three rows of Japanese lanterns. The majority of the decorations were furnished through the courtesy of the Junior Class of the South Amboy High School, and were made under the tasteful direction of Miss Gonsler, the art director.

On the broad platform outside the pavilion were several novelty features, one of the most popular being the doll stand, where the fortunate ones won attractive Dimple dolls, dogs, and candy. Members of the Woman's Auxiliary assisted at this booth, and the Auxiliary also managed the booth where the refreshments were sold. This booth was liberally patronized, and before the evening was over practically all the soft drinks, "hot dogs," ice cream, and "smokes" had vanished.

Mrs. Anderson Wins.
One of the features of the evening was the drawing for gold pieces, held under the direction of Russell Lewis. Cute little Miss Virginia Spencer, of Morgan, drew the numbers, and the names of the winners follow:

- First Prize—\$10.00 in gold, Mrs. Caroline Anderson, 230 Feltus street.
- Second Prize—\$5.00 in gold, Miss Jennie Manhattan, 321 Cedar street.
- Third Prize—\$2.50 in gold, Miss Edna Chase, Broadway.
- Fourth Prize—\$2.50 in gold, Edward Sweeney, 48 Stone street, Newark.
- Fifth Prize—\$2.50 in gold, Mrs. Harry Macholl, 261 First street.
- Sixth Prize—\$2.00, Vincent Kozlowski, 167 Broadway.
- Seventh Prize—\$2.00, Mrs. George Harris, Laurel street.
- Eighth Prize—\$1.50, T. O'Toole, Pine avenue.
- Ninth Prize—\$1.00, H. A. Blundin, 173 Mill street, Morrisville, Pa.
- Tenth Prize—No. 3155, no name on stub.

Prizes of those who were not present will be awarded at Saturday evening's dance, or may be secured today from Harold G. Hoffman at the South Amboy Trust Company.

DAUGHTERS OF ISABELLA CELEBRATE AT BANQUET

On Tuesday evening, June 29, Court Smetta Maria, No. 382, Daughters of Isabella, held their first anniversary banquet in St. Mary's Hall, in a manner well befitting and unsurpassed by any Court in the State.

Promptly at 8 o'clock O'Brien's orchestra of Perth Amboy began the festivities by rendering a beautiful selection, which was appreciated by the Court and its guests.

Rev. Dr. Griffin offered grace. Needless to say all assembled partook of a sumptuous repast and did ample justice in satisfying the "inner man."

The hall was an aspect of beauty to taste, the stage presenting a garland of flowers, ferns and shaded lights, reminding one of a dining hall at the Ritz Carlton; its beautifully arranged tables gleaming with lustrous linen, shining silver, cut glass, bewitching bouquets and delicate china. Too much cannot be said of the decorations which were solely and uniquely arranged by Rev. Wm. Quinn, assisted by Rev. Wm. Lannary.

The Grand Regent, Mrs. Margaret Coan, as toast mistress, was at her best. Short addresses were given by Rev. Dr. Griffin, Rev. Wm. Quinn and Rev. W. Lannary. Dancing was kept up until midnight.

Saving money is the aim of all today. By buying at our store many dollars can be saved.—Eagle Tea Company.

FOR HIRE—Limousine for all occasions. Apply to William J. O'Toole, 101 South Pine avenue, or call Tel. 369. 4-10-11

NOT ENOUGH GUARDS TO PROPERLY PROTECT MORGAN

It is generally reported that there are only fourteen men to guard the big Morgan Camp, the others being laid off because the last Congress made no appropriation to protect the camp. This means only seven men on duty during the day, and seven at night. Perfectly ridiculous to suppose that these few men can properly protect a big camp. Congressman Scully was notified of the situation by telephone on Thursday, and he was surprised to learn of the slight protection given to the vast amount of material stored at the camp, and promised to at once take up the matter with the authorities at Washington with a view to better protection.

MISCELLANEOUS SHOW

On Thursday evening a number of friends tendered a surprise to Miss Clymena M. Bergen at her home, 260 Main street. While Miss Bergen was away visiting her aunt at Milltown, her father took possession of the home and beautifully decorated it in white and gold, daisies forming the principal flowers. Streamers of white and gold were looped from a central umbrella and extended across the room. From this umbrella favors were strewn to the guests. When Miss Bergen arrived home the surprise was complete. A dainty lunch was served during the evening. The gifts formed a large collection of useful articles.

BOYCE-FURMAN.

Miss Lila Margaret Furman, daughter of Mr. and Mrs. A. H. Furman of this city, was united in marriage to Professor Orville McDowell Boyce, of Hartford, N. Y., last Wednesday evening at six o'clock, at the home of the bride's parents, 106 John street, by Henry Clay Mitchell, rector of Christ church.

Miss Jesse Craig, of Florence, South Carolina, and Miss Elizabeth Wheeler, of Hagerstown, Maryland—roommates of the bride while at Mary Baldwin's Seminary—were the attendants to the bride, while Dr. C. S. Knapp of the Roosevelt Hospital of New York City, served as best man.

The bride was gowned in white satin, with iridescent trimming, wearing a veil of old point lace, held in place with pearls and lilies-of-the-valley. She carried a shower bouquet of lilies-of-the-valley, orchids, and sweet peas. The bridesmaid, Miss Jesse Craig, was attired in a gown of pink satin with pearl trimming and carried a bouquet of pink roses. Miss Elizabeth Wheeler, also a bridesmaid, wore a gown of Nile green satin with old rose velvet trimming and carried a bouquet of pink roses.

Daisies, pink roses, and ferns intermingled formed the beautiful decorations and the background in the room which the happy couple were married. Four ribbon girls were in attendance, wearing dresses of pink taffeta with white lace. They were: Misses Catherine Chevalier of Newark, Jean Smith of Asbury Park, Doris Berrien, and Elinor Furman, a sister of the bride. Miss Uella Forman, daughter of Mr. and Mrs. Leo Forman of this city, was the little flower girl, dressed in pink chiffon, who strewed flowers in the path of the bridal pair as they marched in to the music furnished by Professor Kenneth Martin of Perth Amboy.

After the catering by Day of Newark, the happy couple left for their wedding trip. They will tour New York State and will visit Lake George and Hartford, Conn., the home of the groom. Professor Boyce is a graduate of Colgate's college and is also principal of the High School of this city.

Upon their return, Professor and Mrs. Boyce will take up housekeeping in Main street, in the house formerly owned by Mr. Howard Moss but recently purchased by Mr. James S. Holton, secretary of the Board of Education.

Guests from Boston, Hartford, N. Y., Florence, South Carolina, Hagerstown Md., Newark, Asbury Park, New Brunswick, Old Bridge and this city were present. Many gifts, both useful and ornamental were received.

WATSON-GORDON.

Friends in this city have received announcements of the marriage of Miss Lillian Francis Gordon, daughter of Mr. and Mrs. Ambrose M. Gordon, of Allentown, to Harry Fountain Watson of Philadelphia.

The wedding took place at the home of the bride's parents at 4 o'clock on Saturday afternoon, June 26, only immediate friends and relatives being present. The ceremony was performed by the Rev. Dr. Barlinger.

Miss Jennie Probasco of Allentown was the bridesmaid, and Mr. George Trainer of Pittsburg, Pa., was attendant to the groom.

The bride looked lovely in a gown of white georgette, with veil caught up with orange blossoms, and carried a shower bouquet of white roses. The bridesmaid's costume was of Nile green satin, and she carried a bouquet of pink roses. After a reception and dinner, the happy couple left for a trip to various points of interest. The bride was the recipient of many gifts.

The Public Utility Commission refused to grant a raise in fares to the Jersey Central Traction Co., until such time as they improve their road bed and service.

All the world loves a winner.

ST. MARY'S CHURCH RE-OPENED FOR SERVICES LAST SUNDAY

Improved, Renovated and Resplendent with Ornamentation the Members of the Parish Again Worship Within Its Walls—Confirmation of a Large Class by Rt. Rev. Bishop Thomas J. Walsh and the Coronation of the Statue of Blessed Virgin Were the Feature Events on Opening Day—Brief History of Early Days of St. Mary's.

Yes, it is an ill wind that blows nobody good. Out of the terrible Morgan explosion which weakened its structural solidity and shattered its ornamental beauty, Saint Mary's church, after nearly a year's work by the Mueller Ecclesiastical Art Works, of Newark, has finally emerged with a reinforced structure and an enhanced beauty of ornamentation and design which is unexcelled in ecclesiastical sculpture work in this country. A church burdened with debt at the time of the explosion, Saint Mary's now stands, notwithstanding the expenditure of approximately fifty thousand dollars absolutely free of debt.

With masses at six, seven, nine and ten forty-five o'clock, the new church had its formal reopening on last Sunday morning. Closing late at night, the whole day was devoted with an exceptional beauty and impressiveness of ceremony to Him for whose abode the edifice was built.

At the early masses over a thousand men received Holy Communion. Never in the history of the church have so many men been seen at one time at the sacrament. Holy Eucharist. A veritable human stream, were little tots, the youth, the middle-aged and the old and infirm, circulated for hours around the table of Christ in a most consoling and inspiring procession.

The nine o'clock mass was featured by the administration by the Rt. Rev. Thomas J. Walsh, D. D., of sacrament of confirmation to hundreds of little boys and girls, and a considerable number of grown-ups. The ceremonies incident to the administering of this sacrament were different from any of those conducted in South Amboy before. In former years, one male and one female sponsor attended the whole class of those who were confirmed. This year each person receiving the sacrament was attended by his or her own sponsor. A procession of those awaiting the sacrament and their sponsors formed at the school building and marched in open adoration of the Lord to the church, where one at a time a sponsor brought a child to the altar and the blessing hands of the Bishop. Every child dressed in white, marching in the church to the strain of the organ, this procession was awe-inspiring beauty. Two hundred were confirmed by the Bishop at the mass.

It was at the late, mass, however that the especial importance of the day was brought out. Mass was said by three priests who were at one time boys who played in the school yards of South Amboy, and who, as Assistant Prosecutor Coan said in his address to the Bishop, had left this town and "gone forth anointed to God to preach His word and administer His consolations." At the mass Monsignor James Coan was celebrant; Father George Welsh, deacon; and Father John Luciti, subdeacon. The sight of these three priests saying mass was in itself sufficient evidence of the great work done here in Saint Mary's church in years past, and of the exemplary virtue, conduct and zeal and the high-calibered leadership of its man pastors.

At the conclusion of the mass Assistant Prosecutor John A. Coan delivered the address to the Bishop, which was impressively and solemnly presented and was an entire justification of the occasion. In a short but well chosen speech, the Rt. Rev. Bishop replied to this pledge of renewed devotion, thanking the speaker, congratulating the parish upon its unrivalled success and leaving his blessing for its continuance in the future.

Dr. Griffin was visibly deeply moved as he took the floor to say that he thanked the Bishop with all his heart for sending him to such a pious parish as Saint Mary's where

people in terms of religious fervor and of the support they gave their pastor and parish were unsurpassed. Doctor Griffin struck the most encouraging chord of the day when he announced to the congregation for the benefit of the Bishop that Saint Mary's church, thanks to the unstinting generosity of her people, stood today an edifice without a debt.

The Coronation.

In the evening the day's ceremonies were brought to a close with the solemn coronation exercises during which a wreath of flowers was placed upon a statue of the Blessed Virgin in honor of her whom it represented as the Queen of Heaven. At these exercises, religious recitations were delivered by the following young ladies of the Sodality of the Children of Mary: Miss Sara Cannon, Miss Julia Hensberger, Miss Mary Birmingham, Miss Gertrude Mullane, Miss Margaret Gleason, Miss Julia McGuire and Miss Helen Lovely. All of these recitations were nicely delivered. Miss Sara Cannon who had the honor of crowning the image of the Blessed Virgin, was exceptionally notable in her recitation, "Greetings to Mary." Delivered in an appealing manner, it was a feature of the day's ceremonies. Miss Cannon was attended by the following attendants: Miss Monica Cheeseman, Miss Margaret Cooney, Miss Mary Vail, Miss Gertrude Grimes, Miss Mary Sullivan and Miss Theresa Credico. Mrs. Stephenson was the accompanist on the organ for all of the day's ceremonies. A solo by Miss Julia Delaney, and another

ONE WAY ROUTE WORKS VERY SATISFACTORY

Last Sunday Chief of Police McDonnell introduced the one way system of travel between this city and Perth Amboy and it worked to perfection. Cars going south were sent through Raritan street, via the Sayreville road and Main street to Stevens avenue, and those going north were directed through the "hole-in-the-wall." This saved all the usual delays at the "hole." This Sunday and Monday the one way system will be put in force. The road through Stevens avenue to Mechanicsville is in wretched condition, and really time is saved by taking the little longer road up Raritan street. The one way route does away with all the congestion which usually exists at the "hole."

WHERE TO ENJOY MONDAY.

If you are looking for a place to have an afternoon of good clean pleasure, we would suggest attending the picnic of the United Societies of the Sacred Heart, on Monday, where many attractions will be offered to please old and young alike. Good music and dancing, various games and sports and refreshments will be provided, so that every minute of the afternoon and evening will prove most enjoyable. Let this picnic be your stopping place.

MRS. LUCRETIA S. SEXTON.

About one o'clock Wednesday morning, Lucretia S. Sexton, wife of Joe A. Sexton, passed away at her home on Broadway, after an extended illness.

Mrs. Sexton was born in New York City, February 2, 1855, the daughter of the late Capt. James and Kate E. Herring. When 12 years of age her parents moved to this city, where she has remained since. In 1872 she became the wife of Mr. Sexton, and had hoped to live to celebrate her golden wedding. She was of a social disposition and enjoyed the companionship of her friends. In her younger days she entertained extensively. Besides her husband she is survived by four children, Mrs. Walter Compton and Jay A. Sexton of this city; Mrs. Josephine Fisher of Sayreville, and William Sexton of Keyport; and six grandchildren. She also leaves two sisters, Mrs. Emma Southwick and Miss Eliza Herring of Bordentown.

The body laid in state until 12 o'clock noon on Friday, in order to give friends who wished an opportunity to take their last leave. Private funeral service was held at the house at 2 o'clock, the Rev. Chapman S. Lewis, of Jersey City, officiating. Many beautiful floral pieces were received from relatives and friends. Interment was made in the Sexton plot in the cemetery at Glendola N. J. James Sexton, of Asbury Park, a cousin of Mr. Sexton, had charge of funeral arrangements.

PATRIOTIC SERVICE.

There will be a Patriotic service held in the First Methodist Episcopal church on John street on Sunday evening, July fourth, at 7.30. There will be a patriotic song service also patriotic selections by the choir. The pastor, Rev. W. Abel, will speak on "True Patriotism."

An invitation is extended to all the patriotic organizations of the city, also the public.

The church with a cordial welcome to all.

WILLIAM HOWARD MALLOY.

William Howard Malloy, son of Mr. and Mrs. Pierre Malloy of Cedar street, departed this life on Saturday last after a lingering illness, at the age of 20 years. The deceased was popular among a large circle of friends who deeply regret his death. He was a member of South Amboy Council No. 426, K. of C.

The funeral was held from St. Mary's Church at 9 o'clock on Tuesday and was attended by a large number of relatives and friends. High mass of requiem was celebrated by the Rev. William Lannary, after which interment was made in the parish cemetery. The bearers were Messrs. Francis Minnick, John Kennedy, Francis Callahan, John Doyle, Vincent Troznice, Joseph Smith, Thomas McKeown, and Stanley Schultz. Many beautiful floral pieces were received as tokens of love. Mr. McCarthy was funeral director.

Taking Temperature of Streams.

Game Warden Charles Steurer has been very busy the past week taking the temperature of the water in streams, brooks and ponds throughout Middlesex and Monmouth counties. The State Fish and Game department has ordered this test so as to learn what fish are best suited to be stocked in the streams. The temperature will prevent any error in the placing of fish.

Why not join the throng and be a customer of the Eagle Tea Co. ***

WILL VIEW THE RARITAN RIVER

Raritan Terminal and Waterways Association Will Be Host on July 14, to Prominent Guests on Trip of Inspection—Mayor Gordon and Common Council Invited.

An inspection trip of the Raritan River will be made Wednesday, July 14, under the auspices of the Raritan Terminal and Waterways Association. The committee in charge consists of Chas. A. McCormick, chairman; Public Service Commissioner Lewis Nixon, Mayor Frank Dorsey, of Perth Amboy; Mayor Frank Gordon of South Amboy, and Mayor J. J. Morrison of New Brunswick.

Governor Edwards, U. S. Senators Frelinghuysen and Edge; Congressmen Scully and Radcliffe; the Mayors and councilmen of the nine municipalities affiliated with the Association; Col. J. G. Sanford, district engineer and others have been invited. There will be representatives of the different plants on the Raritan river in the party, too.

The trip will be made on one of the boats of the Middlesex Transportation Company, leaving New Brunswick at noon, and stopping at Perth Amboy. It will afford the guests an opportunity to view the immense plant of the Eastern Potash Corporation now in course of construction just below New Brunswick, as well as other plants on the river. The proposed terminal of the ship canal at Morgan will be visited.

ST. MARY'S COMMENCEMENT.

On Wednesday evening, June twenty-third, the Commencement exercises were held in St. Mary's Hall, which was overcrowded long before they began.

After the "Opening Chorus" and a unique selection by the little tots, Graduation Honors were conferred by the Rt. Rev. Thomas J. Walsh on the following High School pupils:

- Miss Frances Elizabeth Barrett,
- Mr. John Jeremiah Cooney,
- Miss Mary Elizabeth Dugan,
- Miss Catharine Elizabeth Cereghy,
- Miss Margaret Frances Lenahan,
- Mr. Thomas Patrick McCabe,
- Miss Helen Modesta McGuire,
- Miss Anna Julia Malloy.

The graduation was followed by a very interesting address on "Education," in which the Bishop showed its great necessity nowadays.

Miss Anna Malloy, the valedictorian of the Class of 1920, won great applause by her excellent rendition of the Valedictory.

The singing reflected great credit upon Mrs. Stephenson, whose untiring efforts deserve the highest praise.

The program was as follows:

- Opening Chorus—"Meadow Song".....Girls
- Children's Rule of Life.....Little Ones
- Sunbonnet Babies and Overall Boys.....Little Ones
- Conferring of Graduating Honors Valedictory.....Miss Anna J. Malloy
- Address by Bishop Walsh
- Dance of the Moonbeams.....Girls
- Sing a Song of Sixpence.....Little Ones
- The Lilliputian Police.....Boys
- Japanese Dance.....Girls
- Song—"Happy Birds".....Girls
- Roman Dance.....High School Girls
- American Forever.....Boys
- Rose Dance.....Girls
- Pantomime—"Holy City".....Girls

"The Heirs of Rockford"

- Madame Rockford, a rich widow.....James Barrett
- George Rockford, her only son.....John Cooney
- Mrs. Riverton, her daughter Marie.....Anna Malloy
- Countess DeFoe, her daughter Lillian.....Agnes Cleary
- Mrs. Stifford, her attendant.....Helen McGuire
- Edgar Morrison, her secretary.....James Lenahan
- Mrs. Briarton, her school friend.....Margaret Mullen
- Mildred Briarton daughter to Mrs. Briarton.....Clare Mullane
- Mrs. Gray, an elocution teacher.....May Dugan
- Venus Psyche, twin darkies servants to Mrs. Riverton.....Margaret Triggs
- and Margaret Anderson
- Everett Blackstone, family lawyer.....John Delaney
- Mrs. Blackstone, his wife.....Margaret Lenahan
- Mr. Clayton, a lawyer.....Cornelius Ryan
- Glendoline Rockford, grandniece of Mrs. Rockford.....Mary McGonigle
- Olive Rockford, another grandniece.....Mary Gundrum
- Dancers.....Mary Throckmorton
- and Kathleen Cheeseman
- Ireland Forever.....Eighth Grade Pupils

SATURDAY, JULY 3, 1920.

MONMOUTH LIGHTING CO.

INCREASE RATES

The Monmouth Lighting Company has been given permission by the Public Utility Commission to increase its charge for power to the Jersey Central Traction Company from 1 1/2 cents per kilowatt hour to 2 cents.

The company submitted proof that for the year 1918 it had a deficit in the net income after taking account of interest charges of \$32,165.78 and that the corresponding deficit for the year 1919, after the new schedule of rates, granted by the board for other service, had been in effect about two and a half months, was \$10,230.46. An increase of one-half a cent per kilowatt hour on the current sold to the traction company would have resulted in no deficit at the end of 1919, said the board.

The board said it was stated that it cost the lighting company 3.63 cents per kilowatt hour to serve the traction company. While the board was inclined to question the accuracy of this, it pointed out that the lighting company proposed to charge two cents, a rate which is so much lower than the claimed cost that no objection could be taken based upon the assumption that losses have not been properly calculated, and as any inaccuracy in the calculation of losses between energy generated and energy delivered would not equal the difference between 3.63 and 2 cents.

The amount charged for the year 1919 at 1.5 cents was \$48,443, and the sum of \$64,487 would have been charged had the rate now granted been effective last year.

"In permitting this increased rate to the petitioner," said the Utility board, "it should not be construed that the board obligates itself thereby to permit an increase in the rates of fare in the proceeding now pending before it in the application of the Jersey Central Traction Company to absorb the increased cost to it. Each case must be considered separately and upon the facts and circumstances existing."

"From the evidence in the present case it is apparent that the existing rate charged by the petitioner to the traction company is insufficient and discriminatory and can only result in an undue burden upon the other customers of the petitioner."

CARE IN OPENING ICE BOX

WILL SAVE ON THE ICE BILL

If the housewives would be more particular to follow the example of the butcher in keeping the icebox closed at long intervals and as much as possible, they would have smaller ice bills. Watch the average woman and even a high priced maid clear away or get a meal and what does she do? Opens the ice box for milk, shuts it, opens it for an egg or two, shuts it, in a few minutes, perhaps opens it for meat, shuts it, etc., any number of times.

The same way with clearing food away. All this may be avoided if one stops a minute to think what must be taken out, and as many things as possible are taken at once. The same principle applies to putting away.

Each opening of the door changes the circulation or current of air inside the box; the contact with the warm air outside warms the inside and causes the ice to melt faster than needed. This is a little economy that most people do not think of.

Orientalism Can Resist Great Heat. Orientalism seem to be immune to the fierce heat of the fireroom on ocean steamers and can endure for a great length of time temperatures that would speedily prostrate white men.

RAILWAY EXPENSES

ARE UP 100 TO 300%

Locomotives Which Cost \$27,876 In 1914 Are Passing \$75,750 Mark.

The average man knows that it costs about twice as much to live now as it did a year or two ago, but few persons know just how much the costs of the railroads they travel on have mounted in the same length of time. Because of the publicity attending the launching of new demands for wage increases by railroad labor the average man knows that the payroll of the carriers has advanced and about how much it has advanced, but there are few who realize just how extensive some of the expense increases incident to railroading have become in the United States.

Locomotives which the carriers were accustomed to paying \$27,876 for in 1914 now cost \$75,750, and there is nothing to show at present that the top price has been reached. This is equivalent to an advance of 171 per cent. In 1914, according to the Railway Age, a railway had to pay interest charges amounting to only about 5 per cent. on the funds it invested in locomotives. Today it must pay as much as 7 1/2 per cent. and may have to pay more on similarly invested funds. Comparing present interest charges with those of 1914, the increase has been some 310 per cent. Continuing, the Railway Age says:

"An average box car bought in 1914 cost about \$1,000, while now it would cost about \$3,000, an increase of 200 per cent. The interest on the investment in the car in 1914 would have been about \$50 a year, while now it would be about \$225 a year, an increase of 350 per cent."

"The foregoing statistics," says the Railway Age, "illustrate the advances which have occurred in the prices of equipment and in the interest that must be paid on the investment in it. The increases in the cost of constructing track and bridges have not been so great, but they have been very large. In 1915 a 90-foot through girder bridge could be bought and installed—not including the masonry—for \$6,427. It would now cost \$15,117, an increase of 135 per cent. These figures are based upon records of the actual expenditures of a certain road. In 1915 this road paid \$12,550 per mile for merely the rail, track fastenings, ties and ballast used in the construction of a new main track. The same materials would now cost \$26,234 an increase of 110 per cent. For like classes of material used in building a mile of side track, including two main track turnouts, this road in 1915 paid \$8,620. The same materials would now cost \$16,914, an increase of 96 per cent."

"One important cause in the increase in railroad expenses is the advance in the price of all commodities and therefore in the amounts that the railroads have to pay for loss and damage to freight. A carload of apples in 1909 was worth \$900, while today it is worth \$2,300, an increase of 155 per cent. In 1909 the freight revenue on a carload of apples from Yakima, Wash., to St. Paul was \$225, while today it is \$319.50, an increase of only 25 per cent. If a railroad paid a claim for the complete loss of a carload of apples in 1909 it took the freight revenue from three and a half carloads of apples, while now it would take the freight revenue from seven carloads."

"A certain railway was recently presented a claim for \$4,511 for the loss of a carload of beef. The high value of the beef was, of course, principally due to the increases in prices within recent years. The freight earnings from the shipment were \$113.40. Therefore, if the railway has to pay the entire claim it will take the revenue from forty similar carloads of freight—an entire train load."

"There is hardly a branch of railroad operation in which unit costs have not increased 100 to 300 per cent. within the last five years."

The range that makes baking a pleasure

IN summer, the gas range is a favorite. A cool kitchen makes the work seem lighter. Gas is quick, easily regulated and economical when used for short periods.

For slower baking and cooking, many women prefer the coal range. On chilly days, its genial warmth is welcome. The entire family appreciates having hot water in liberal quantity.

Newport Combination Coal and Gas Range

gives the advantages of both ranges at the cost of one. There are many new and handy features to this up-to-date range. Your dealer will be glad to show and explain them to you.

BOYNTON FURNACE COMPANY

The Square Pot Makers

37th St., near Broadway, New York

SATURDAY, JULY 3, 1920.

M. LAMBERTSON
111 North Bordentown Ave South Amboy
1st fl.

ODDS AND ENDS

The contractors for the new water plant are having great difficulty in building the reservoir, due to the extraordinary amount of water from the springs in the part excavated. Pumps are kept running night and day to keep the place free from water so that work can be done. It is stated that the springs alone would supply half the needs of the city.

Last Sunday travel southward was directed through Raritan street, and the north bound traffic was allowed to pass through the "Hole-in-the-Wall." The travel was exceptionally heavy through this city.

During the strike on the Jersey Central Traction Company's line, the buses between Perth Amboy and this city had a harvest of dimes, and the owners were happy.

By filling in the low land on the water works property, a beautiful picnic park could be made. Trees and shrubbery could be planted, which would grow rapidly in the wet land, and in a few years it would be a great place for rest and pleasure.

Don't forget Fred Miller's clam bake on July 4. It will be held at his home on the Parlin road on July 4. A real bake that everybody can enjoy. Gray bus stops right at the door on notice to chauffeur.

A Rhode Island clam bake will be held at White Brown's, farm, Cheesequake road, on July 25. Bake served at 1.30 p. m. Those who know what a Rhode Island bake is will need no urging to attend. Tickets on sale at four dollars each.

The Past Councillors' Association, Jr. O. U. A. M., of Middlesex County, will hold their annual outing at Seidler's beach on August 11.

Joel Parker Council No. 69, Jr. O. U. A. M., of this city, will entertain the Past Councillor's Association at its next meeting which will be the 100th gathering of this association.

Elizabeth Downs, a graduate in the Commercial course of the High School, has accepted a position as bookkeeper with Miller, Bergen & Welsh, Inc., lumber merchants.

The branch of the Friends of Irish Freedom will meet on Sunday evening, at 7 o'clock in St. Mary's Hall, and a full attendance is desired. The changing of the name will be one of the matters to be considered, as the name "David O'Connell" had been adopted by another branch before the local branch was formed. As this will be Independence day, no better time could the Friends of Irish Freedom meet and further their cause for a free and independent Ireland.

England is a mighty nation. To defy her meant death. Some men in line of duty care little or nothing for death "The Man Who Dared England's Power" will be Mr. McCombe's subject Sunday evening in the Baptist Church, Second street, near Broadway. Join the people in a patriotic meeting Sunday 7.30 in Baptist church.

Units 4 and 7, of St. Martha's Guild have discontinued their Wednesday afternoon teas at the Parish House for the present.

Edward Gallagher, our genial post office clerk, has purchased a Studebaker touring car of James Briggs, and will find pleasure in traveling during his spare hours.

LITTLE FOLKS GET TO THE TABLE - JUST AS FAST AS THEY ARE ABLE

Do you remember your youthful appetite—how it used to stand on its hind legs and wonder when dinner would be ready? Well, you can again make it sit up and take notice if you purchase at this shop of good foods and politeness.

Cheap Lots in Town!

Eight lots on Lower Prospect street. Nice and level. Electric light, sewer and water. Inquire of G. LUDWIG JOHNSON 114 North Broadway

FRANKLIN TIRES

Guaranteed 6,000 Miles

If you get less than 6,000 miles out of any Franklin Casing you purchase of us, even though you get 5,999 miles, bring it back and we will give you a new tire at one half the list price. If your tire develops a defect before rendering 1,000 miles of service, tire will be replaced free of charge.

Our plan saves you one-third of your Tire expense. Ask for a circular of our money saving plan.

The Maibohm Six

"Built for the Extra Strain"

The Maibohm Light "Six" Valve-in-Head motor fulfills every possible requirement in power production—it is thoroughly dependable and economical. On the hills and in the hard day's run it shows its wonderful efficiency best. Strenuous every day service in the hands of the private owner creates a background where the performance of the Maibohm "Six" stands out in comparison with other makes.

Motorists of refinement will instantly detect a note of quality in the Maibohm Light "Six" bodies, because they are built to a high standard. The Maibohm Company has been a builder since 1888, a period of thirty years, during which it has reached an incomparable degree of success in style and finish. They have selected the highest grades of material. Their object is to give the public the greatest value for their money.

RUTGERS SUMMER SESSION.

The Rutgers Summer Session of 1920 is endeavoring to meet the present needs of the New Jersey school systems. Not only are more courses offered than usual but the effort is being made to equip teachers to command higher salaries. In the Director's statement covering summer schools and the teaching profession the following appears: "The teacher in service and the prospective teacher may rest assured that every dollar spent in professional improvement will in the next few years bring satisfactory returns." Teachers of New Jersey have in many instances been assured that every hour of professional improvement will be rewarded immediately. More teachers than usual from high schools are enrolling.

Aside from the usual courses which are offered in the summer school special emphasis is given this year to work in Continuation Schools, problems of American democracy, advanced courses in home economics, courses in science, and many courses in special methods of teaching. A well equipped Observation School with a number of expert demonstration teachers constitutes a part of the summer school.

Why They Never Arrive.

Lots and lots of people spend more time wishing they had the other fellow's luck than getting out to work for it.

Cornell Wood Board

Triple-sized, takes the place of plaster, walls, ceilings, partitions, etc. Alterations and New Work.

Your Home Need not be crowded

YOUR attic, spare room and other waste places can be quickly and economically converted into useful, profitable quarters with Cornell Wood Board walls, ceilings and partitions.

"Cornell 32"

The 32-inch width called "Cornell 32" is a Cornell feature that produces charming panels for hallways, small rooms, borders and ceilings.

Cornell's Triple-Sizing Process protects against moisture, expansion and contraction and enables the maker to guarantee that it will not crack, warp, chip or buckle, if the directions for applying are followed.

Because Cornell has a Mill-Primed surface (both sides) it saves you the cost and labor of a priming or sizing coat.

Stop in today and learn how you can quickly and cheaply add a room with "Cornell 32."

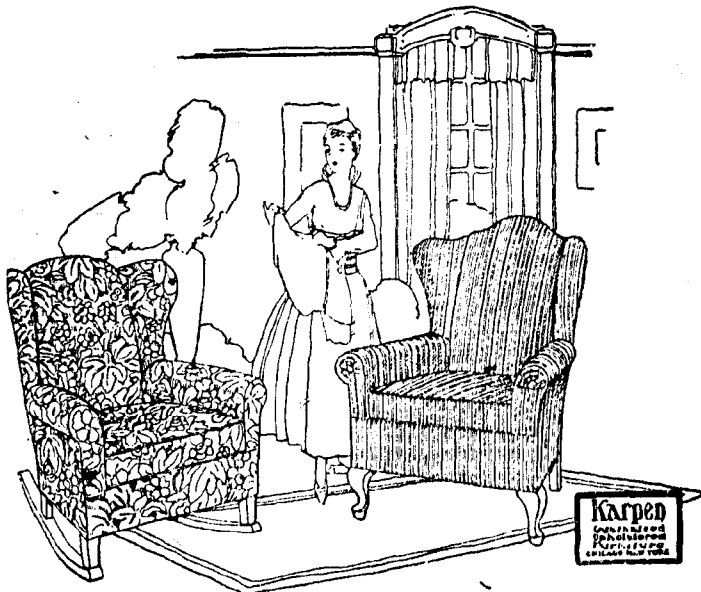

South Amboy Lumber & Supply Company

Cornell comes in 32 and 48 inch widths called "Cornell 32" and "Cornell 48"—8 different lengths, 6 to 16 feet

'QUACK' Pills Won't Stop THIS Backache

But a Western Electric WASHER and WRINGER Will

It's no longer necessary for you to waste your time and strength, yes, and clothes on an old-fashioned rub board. That's the wasteful and harmful way to wash. For it makes each day one of wear and tear on both you and your clothes. The modern, economical way to wash is to let electricity do the hard work. With the Western Electric Washer and Wringer all you have to do is put your clothes in the wooden cylinder, which, by revolving, works hot suds thru the material, cleans without scrubbing. While the clothes are washing you can be doing your other household tasks.

You don't even have to turn the wringer, it is pushed by electricity, too, and not only wrings clothes into the water or out of it, but wrings to whatever position you like. You'll find this washer will soon pay for itself, and about a month's worth of electricity will do the average wash. Come and see it, we know it will interest you.

SPECIAL TAX REQUIRED OF LIQUOR DEALERS

In reply to numerous inquiries as to special taxes for liquor dealers the law in relation to the sale of intoxicating liquor is as follows:

Special tax, as retail or wholesale liquor dealer, is required to be paid by all persons who sell or offer for sale intoxicating liquor, as defined in Article 1 of the National Prohibition Act. Under this requirement, parties, qualified to sell intoxicating liquors as such for non-beverage purposes must pay the special tax as liquor dealer; and parties, who unlawfully sell intoxicating liquor, are likewise charged with the same liability, together with the penalties incident thereto by reason of the violation of existing Prohibition Laws.

POST GRADUATE COURSE FOR CHILD HYGIENE BUREAU

During the summer the Child Hygiene Bureau of New Jersey hopes to elaborate a post graduate course of study, in joint consultation with Dr. J. J. Savitz, Principal of the State Normal School in Trenton. It is believed that such a course will be of great value not only to the child hygiene nurses but to the pupil teachers of the Normal School as well. Dr. Savitz's curriculum will include subjects which will be taught in such a way that teachers will become interested in Child Hygiene, as well as the instruction the course will offer to nurses.

Many men who can bottle their wrath are not corkers.

NOTICE OF INTENTION.

PURSUANT TO A RESOLUTION of the Common Council of the City of South Amboy, N. J., passed on June 22, 1920, notice is hereby given that it is the intention of said council to consider an ordinance for the acquiring of a strip of land on the northerly side of Bordentown avenue, and running from the westerly line of the property of the South Amboy Hospital Association to the westerly line of the City of South Amboy; and vacating of a strip of land on the northerly side of Bordentown avenue running from the easterly side of Broadway to the high-water mark in Raritan Bay. The strip of land to be acquired is to be donated by Whitehead Brothers Company to the City of South Amboy upon the vacating of the strip to be vacated.

A public hearing to permit persons affected thereby or interested therein to express their assent or dissent to the proposed ordinance will be held in the Council Chamber at the City Hall at 8 o'clock, on the sixth day of July, 1920.

PETER J. COAKLEY,
City Clerk.

G-26-2

NOTICE TO CONTRACTORS.

NOTICE IS HEREBY GIVEN that sealed bids will be received by The Board of Chosen Freeholders of Middlesex County, N. J., and the Common Council of the City of South Amboy, N. J., for the extraordinary repair of Bordentown avenue, beginning at Broadway in the City of South Amboy, and ending at Rose's Corner in the township of Sayreville with a Warrenite surface upon a concrete foundation; estimated amount of surface pavement required is 24322 square yards; of foundation 24696 square yards; and opened and read in public at County Record building, New Brunswick, N. J., on July 8th, 1920, at 2:30 p. m. (Daylight saving time).

Drawings, specifications and forms of bid, contract and bond for the proposed work are on file in the office of the County Engineer at Perth Amboy, N. J., and at the office of City Engineer, South Amboy, N. J., and may be inspected by prospective bidders during business hours. Bidders will be furnished with a copy of the specification and blue prints of the drawings by the engineer on proper notice and payment of cost of preparation. Bids must be made on the standard proposal forms in the manner designated therein and required by the specifications, must be enclosed in sealed envelopes, bearing the name and address of bidder and name of road to the outside, addressed to Board of Chosen Freeholders of Middlesex County, N. J., and the Common Council of the City of South Amboy, N. J., and must be accompanied by a certified check for One Thousand Dollars (\$1000.00) and be delivered at the place on or before the hour above named. The standard proposal form will be furnished on application.

By order of The Board of Chosen Freeholders of Middlesex County, N. J., and the Common Council of the City of South Amboy, N. J.

THOMAS J. MULVIHILL,
Clerk, Board of Chosen Freeholders.
PETER J. COAKLEY,
City Clerk.

NOTICE.

ALL PERSONS CONCERNED MAY take notice, that the Subscriber, Administrator, etc., of Patrick McKeon, deceased, has filed his final account in the Surrogate's Court for the County of Middlesex, on Friday, July 2nd, 1920, and that he is now ready for audit and settlement. He is being audited and settled by the Surrogate's Court.

FORREBES, Administrator.

Republican Clubs to Meet at Trenton.

Trenton, June 28.—The call for the annual convention of the New Jersey State League of Republican Clubs was issued at the Capitol today by Edward Cromwell Brennan of West New York, president of the League, for Saturday, July 10, in Crescent Temple, Clinton street, Trenton, at 1 P. M.

Each Republican club in the State is to send one delegate for each twenty-five members, while the correspondence clubs located in sparsely settled communities are each entitled to representation by one delegate.

The women republicans of the State will be represented by twelve women from each county in the State. They will be given equal power to act with the other delegates.

There will be two thousand delegates from all parts of the State, and two hundred and fifty prominent republicans have been invited to attend as guests of the great gathering.

Among those invited to attend are Senator Warren G. Harding, Governor Calvin Coolidge, National Chairman Will H. Hay, Mrs. Lillian F. Feickert, vice-chairman of the New Jersey state committee for women voters, Mrs. Douglas Robinson, sister of the late Theodore Roosevelt, and former Governor Leslie M. Shaw of Illinois.

Harding and Coolidge will be endorsed, the platform of the republican party duly ratified by this representative gathering for 150,000 enrolled republicans in clubs of the state, and plans for an active campaign arranged.

The speakers will be announced within a week. Everything points to even a larger gathering than that of last year.

Geran Sues for Loss of Army Truck.

United States District Attorney Elmer Geran has brought suit in the Federal Court at Trenton for \$5,000 against the Public Service Railway Company for the loss of a Mack army truck which in April, 1919, was hit by one of the company's cars at Lakewood avenue, East Orange, and demolished.

Costly To Eliminate Wires.

It is estimated that \$52,531 will be the cost of changing the wiring system in Freehold to eliminate poles and wires before the new street paving is laid. The work, according to Light Superintendent Hitchcock, will require most of the wires to be placed on poles in back yards.

Illuminating Irritation.

Ida incidentally indicates interest in fees, Irving, impressionable, infatuated, injudiciously invests. Ida's indulgence in fees inordinate, insatiable. Irving, impecunious, inaptly introduces inexpensive innovations. Ida, instantly irate, in impatient irritation, indignant, impeaches Irving's iterated infatuation, insinuating indifference, inurbanity. Ida's infantile, inelegant investigative illuminates Irving's innermost intelligence, inhibiting infatuation, intercepting intentions.—Youth's Companion.

CARD OF THANKS.

The undersigned wish to express their gratitude to the Rev. William Lannery, Sisters of Mercy, and all friends and neighbors for their kindness and many floral offerings during the bereavement of our beloved son and brother; also to Dr. Meacham and M. A. McCarthy for services rendered.

Mrs. and Mrs. P. H. ...

It would be close to a year...

VERBECK-AMMANN

Mrs. and Mrs. Eugene Forman of this city attended the wedding last Saturday evening of their niece, Miss Ruth Ammann, daughter of Mr. and Mrs. Albert Ammann of Malden, Mass., to Mr. Roland Hale Verbeck, who is dean of the Agricultural College connected with St. Lawrence University, at Canton, N. Y.

The ceremony took place in the First Universalist Church of Malden, Rev. Clarence J. Cowing, the pastor, officiating. Earl Widner presided at the organ, and Miss Beatrice Cast rendered "Because." The double ring service was used and the bride was given in marriage by her father.

Over 300 invitations were sent forth. The bride was attended by her sister, Miss Marguerite Ammann, maid of honor, and two little nieces of the groom, Misses Barbara and Burrell Shinn of Arlington Heights, were the flower girls. Edward L. Shinn of Arlington Heights, brother in law of the groom was best man. The ushers were largely classmates and fraternity brothers of the groom in Phi Sigma Kappa as follows: Edw. H. Shaw, Belmont; Howard A. Stevens, Malden; Carlos H. Tye and Wm. V. Hayden, Rockline; Roy E. Cutting, Winthrop, and Frank W. Lord, Kezar Falls, Me., brother in law of the groom.

The bride's gown was of white broadcloth taffeta and georgette, en traine, with a tulle veil caught up with orange blossoms and she carried a bouquet of sweet peas and sweet-heart roses. The maid of honor wore a gown of flame colored taffeta and silver lace trimmings, and carried a bouquet of larkspur and roses. The flower girls in white with pink sashes, carried baskets of rose petals.

A reception followed in the Parish house and the couple were assisted in receiving by the bride's parents, Calvin M. Verbeck, father of the groom, and Mrs. Edward H. Shinn, sister of the groom.

Mr. Verbeck and his bride later started on a motor trip through Maine and New Hampshire, and on their return will make their home at Canton, N. Y.

The bride is a graduate of the Garland school of homemaking, Boston, and has done special work in Boston University and also a graduate of the Boston School of Physical Education. She has been doing social service work at the Lincoln house, Boston.

Mr. Verbeck is a graduate of the Massachusetts Agricultural college and is a member of Phi. Sigma Kappa. He was formerly principal of Petersham High School and later Parsonsfield Academy, Me. He then took up post graduate work at Harvard and during the war was for some time in charge of the Malden Community gardens, under the Conservation of Food committee. He then entered the service and became a Lieutenant in the 270th Aero Squadron and was across ten months. Returning he went to St. Lawrence University upon the invitation of his pastor, Rev. Richard Eddy Sykes, who had just become the president of the University.

The bride's parents some years ago resided in this city, and Mrs. Ammann before her marriage was Miss Laura Forman.

AMERICAN LEGION NOTES.

There was not a large attendance at Tuesday night's meeting owing to the storm. Considerable business was transacted, however, and at the close of the session the entertainment committee furnished refreshments.

The outside of the Legion building is being given an attractive coat of paint, thanks to the Post's obliging landlord, Charles Timmins.

There will be a big meeting Tuesday evening, at which time consideration will be given to changing the dues of the Post, as provided for in the by-laws.

Tuesday evening members of the Auxiliary will serve refreshments. At the last session the ladies surprised the boys with home made strawberry shortcake, and it is said that they will have some other surprise this time.

Members of the Board of Trustees and all officers of the Post are requested to meet at 7.30 o'clock Tuesday evening, so that a budget may be submitted at the meeting.

It is likely that one of the features of Tuesday night's entertainment program will be a four round bout between Francis O'Leary and Francis Covell. These two boys put up a rattling good exhibition some time ago, and the members are anxious to see them go four rounds.

The ladies will hold their next regular meeting Monday, July 12th, owing to the holiday falling on July 5th. The meeting will be followed by a social hour, to which the boys are invited as guests of the ladies.

CONFIRMATION CELEBRATION.

On Sunday Master Everett Armstrong, of Augusta street was confirmed at St. Mary's church. Much happiness prevailed, as Everett's father, who is not of the Catholic faith, escorted his son from the school hall to the church where he joined his sponsor, Mr. Patrick Grimley. Mr. Armstrong was more than impressed by the ceremony. Master Everett received congratulations from many and was not forgotten by his grandmother and father who presented him with a small purse for his Christmas card. Everett expressed his gratitude by a small token to his sponsor. On Saturday Master Armstrong leaves South Amboy, for a few weeks, to visit his grandmother, Mrs. B. Cooney, of Brooklyn, before his return home to his aunt, Mrs. A. 2

PERSONAL.

Mr. and Mrs. Henry S. Martin, of Philadelphia, spent Sunday with Mr. Martin's sister, Mrs. James E. English of Second street.

Mrs. Elizabeth Schaffer and granddaughter, Mabel, of Medford, are the guests of the former's sister, Mrs. James Briggs, of Main street.

Miss Bertha Heath and Master Charles Hamilton spent Thursday at Highland Park.

Mrs. L. L. Sheppard and Mrs. H. J. Allsup spent Thursday visiting Mrs. Allsup's parents in Trenton. While there they visited Mrs. Sheppard's sister, Mrs. Edward Kopp of Princeton, who is in Mercer Hospital, Trenton, recovering from an operation.

Capt. Michael J. Ford and family, of Newark have moved to this city, and now reside on John street.

Miss Addah M. Hamilton spent fore part of the week at Port Richmond and New York City.

Dancing Saturday at Morgan Pavilion

Indications point to the success of the Saturday evening dancing plan a Morgan. Under the management of The Morgan Beach Company dances will be held each Saturday evening starting at 8 o'clock. The spacious floor is in first-class condition, and the big success scored by the American Legion Thursday evening was largely responsible for the fine floor.

Arrangements are being made to provide parking space for automobiles, and for special transportation to and from this popular point. The pavilion is beautifully decorated, and no effort will be spared to provide everything for the comfort and enjoyment of the patrons, in a refined atmosphere.

Refreshments will be sold, and there will be several novel features, the concession for which has been granted to the local post of the American Legion for this Saturday evening and for the evening of the holiday, July 5th.

Admission will be: gentlemen, fifty cents; ladies, thirty-five cents.

MERCHANTS HAVE WOKED UP.

The merchants have woked up. At a meeting of the business men of the city Thursday evening in the Mayor's office of the City Hall, initial steps were taken to recover the business that is now being taken to Perth Amboy. A strenuous educational campaign will be conducted to show the people of South Amboy just why it is to their advantage to buy from the home merchants. While there was a good turnout at the meeting no definite steps were taken owing to the fact that it was thought best to line up, if possible, all the merchants. In order to effect a stronger organization those present will interview their business associates and endeavor to enlist their aid. Another meeting will be held next Thursday evening in the City Hall.

This meeting is not a meeting of the Chamber of Commerce. It is to be a meeting of the business men of the city under the auspices of the Merchants' Committee of the Chamber of Commerce. Hundreds of dollars worth of business is carried from the city every day in the jitneys and trolley cars. What steps have been taken to stop this practice? None, of course, will be the answer. Now, Mr. Merchant, here is your opportunity. Will you line up with your more progressive business associates? Yes—then be at the meeting next Thursday evening at eight o'clock.

SHARES BEING RAPIDLY TAKEN.

With everything pointing toward the success of the new organization, The Investors' and Owners' Building and Loan Association will be opened for payments upon the first series July 12th. Already over fifteen hundred shares have been subscribed, and from the outlook the new Association will start with over two thousand shares.

Subscriptions will be received by the secretary, Michael F. Nagle, and by the treasurer Harold G. Hoffman, at The South Amboy Trust Company. The books will remain open for one month from July 12th. The new association is to be based upon the serial plan, with shares of one dollar each. The President of the I. & O. Association is J. Arthur Applegate; the vice president, Oliver W. Welsh, and Solicitor, Leo J. Coakley.

MRS. MARY KELLY.

Mrs. Mary Kelly, formerly a resident of this city, died at her home, 281 Hobart street, Perth Amboy, last Saturday night, after a lingering illness. She is survived by two daughters, Mrs. H. Avery, of Brooklyn, and Miss May Kelly of Perth Amboy. The funeral was held on Tuesday morning at 10.30 o'clock from St. Mary's Church, Perth Amboy. The body was brought to this city and interred in St. Mary's cemetery. The pall bearers were James Donovan, Robert Casey, Thomas Bohan, John Coyne, Henry Leonard, of this city; and J. Doyle of Elizabeth. M. A. McCarthy was funeral director.

LIBRARY NOTES.

The New International Year Book, for the year of 1919, has just been received at the Public Library.

This is a book of great value for all who wish to look up the history and progress of politics, literature, science of every kind, art, theology, etc., during the year. It contains a complete history of all the important events of the year. The biographies of the prominent persons who have died—Roosevelt, Carnegie, etc.—and is beautifully illustrated and embellished with maps.

We aim to please all, therefore

THE FIRST METHODIST
EPISCOPAL CHURCH NOTES

Independence Day comes again to remind us of the principles of human liberty and human equality. The principles upon which our grand and glorious nation is founded. We much cherish these principles and be willing to live for them in this time of peace as our fathers and brothers have been willing to die for them in the time of war.

Let us gather in our place of worship on this Independence Day and thank God for His watchful care over us as a nation and reconsecrate our lives to His service and to the fulfilling of the great principles of our nation.

In keeping with the day there will be a Patriotic service held in the First Methodist Episcopal church on Sunday evening at 7.30 to which the patriotic organizations of the city have been invited. There will be patriotic singing by the Choir and congregation and an appropriate sermon by the pastor.

The regular Sunday morning class meeting will be held at the usual time, 9.30, led by Mr. L. E. Tice.

At 10.30 the Sacrament of The Lord's Supper will be administered.

The Junior church will also be conducted at the same hour. All our children are invited to be present. The topic for the children's sermon will be "Our Liberty Bell."

The Sunday school will meet at 2.30 with classes for all ages. At the close of the school there will be a meeting of the Sunday school board.

The theme for the patriotic service in the evening will be "True Patriotism."

There will be a combined meeting of the Epworth League and mid-week prayer meeting held on Wednesday evening beginning at 7.45 and lasting one hour. These two meetings will be combined during the summer months. This is to be an hour of Praise, Prayer and Meditation.

The Choir will meet Friday evening at 7.30 for rehearsal.

The Sunday evening service during July and August will be just one hour long, beginning at 7.30 and closing promptly at 8.30.

You are invited to all the services in the First M. E. church. The Church with a Cordial Welcome to All.

Ethics and Epigram.
"There's nothing holier in heaven than your own little job," and "The man who fills his little niche on earth in the very best way that it can be filled, is as good as any angel in heaven," are two sayings which sound like different versions of the same epigram of Rev. Robert J. MacAlpine in his address to the Kiwanis club. Whether Pastor MacAlpine said both these things, or only one of them, he put a grand truth in a crisp form. Honest, efficient work is not only a worldly utility but a high moral function.—Buffalo Times.

PRESBYTERIAN
PARAGRAPHS

God has had a large part in guiding this country since the first "Fourth of July." We need Him today more than ever. July 4th this year falls upon Sabbath. Let us show our gratitude for the nation's independence by continued prayer and praise in the churches of South Amboy, rather than by piques and pyrotechnics. Just leave that machine in the garage for one day, and acknowledge in the worship of His house the maker of that day! The subject for our thought, (this being Communion Sabbath), will be: "Fasting and Feasting," and the evening sermon is one appropriate peculiarly to the day: "The International Christ." (Parenthetically—a word to the wise! We hope to make this one of those "unexpected" sermons).

At their meeting at 6.45 this Sabbath evening, the Young People's Society consider the subject: "Our Duty to Our Country," and the President of the society, Mr. Arthur Ingraham, will be the leader.

Ordinarily, the Ladies Aid Society meets the first Tuesday of the month, but because of the nearness of this date to the 4th of July, the ladies will meet on Thursday, the 8th of July, at the home of Mrs. George Hammell, 266 Second street, 2.30 p. m.

At our Mid-Week, or Night service, Wednesday evening, 7.30 o'clock, we begin the study of the Parables of Jesus, taking up the subject: "Rock or Sand?" or "The Wise and Foolish Builders."

Following this service, the Session will meet in regular monthly business meeting, 8.30 o'clock.

Our Treasurer is sending out Quarterly Statements and Receipts for contributions by the subscribers to our Church budget of local expenses and benevolences. If any error is found (and this is not likely) notify him at once. During July it would be helpful if all subscribers to the expenses of this church would drop into the plates their offering envelopes for the month of August, inasmuch as the expenses of this church continue during the vacation month.

Now, make plans for that Union Picnic of all the Sabbath Schools of South Amboy and our friends, which will be held on August 5th. No effort will be spared to make this the greatest picnic that South Amboyans have ever known. All together! Let's go!

Because the regular business meeting of the Young People's Society falls on Monday, the 5th of July, it will be postponed until one week later, the 12th, 8 p. m., in the Lecture Room, when a Social will also be enjoyed, and every Endeavorer is expected to make that evening a success.

LIBRARY SERVICE FOR BLIND.

The development of library service for the blind, in which the South Amboy Public Library is interested, as urged before the recent annual conference of the American Library Association by one of the only two American commissioned officers blinded in the war, Lieutenant Frank Schoble, of Philadelphia, whose optic nerves were severed by a shot that pierced his skull in the Argonne fighting in October, 1918, told the seven hundred librarians from the United States and Canada assembled at Colorado Springs that 50,000 blind in the country depend upon public libraries and the A. L. A. to help them out of darkness.

Only thirty-five per cent. of the 75,000 blind of the nation have learned to read, due largely to the excessive cost of books in raised type and the bewildering diversity of types in use, an obstacle recently removed by the adoption of a uniform, simple braille type. The 200 blinded service men returning to civil life were aided by the American Library Association, said Lieutenant Schoble, through the printing of about forty books in the uniform type, chiefly books on trades and vocations suitable for the sightless. The A. L. E. is adding all blind in the United States by promoting the publication of books in the uniform type on a non-commercial basis, thereby bringing the price of the books within reach of individuals and of libraries. Small public libraries will be able to serve the blind patrons by borrowing books from the larger libraries, as books for the blind may be sent free through the mails.

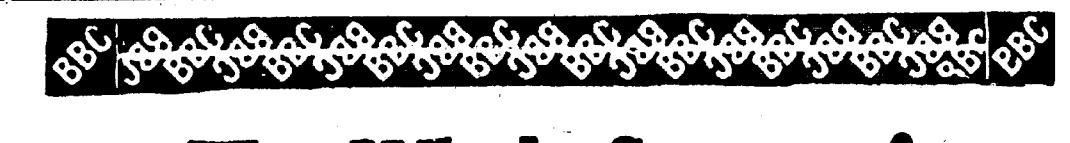

Promotion of library service for the blind is one important feature of the "Books for Everybody" movement of the American Library Association, for which a nation-wide fund of \$2,000,000 is being raised to be devoted chiefly to encouraging the establishment of public libraries for the 60,000,000 Americans without free library service.

YEARLY HONOR ROLL.

The following pupils have not been absent nor late during the year:

The Whole Secret of A Better Tire

Simply a Matter of the Maker's Policies

This you will realize—once you try a Brunswick—that a super-tire is possible only when the name certifies that the maker is following the highest standards.

For fire making is chiefly a matter of standards and policies—cost plus care. Any maker can build a good tire if he cares to pay perfection's price.

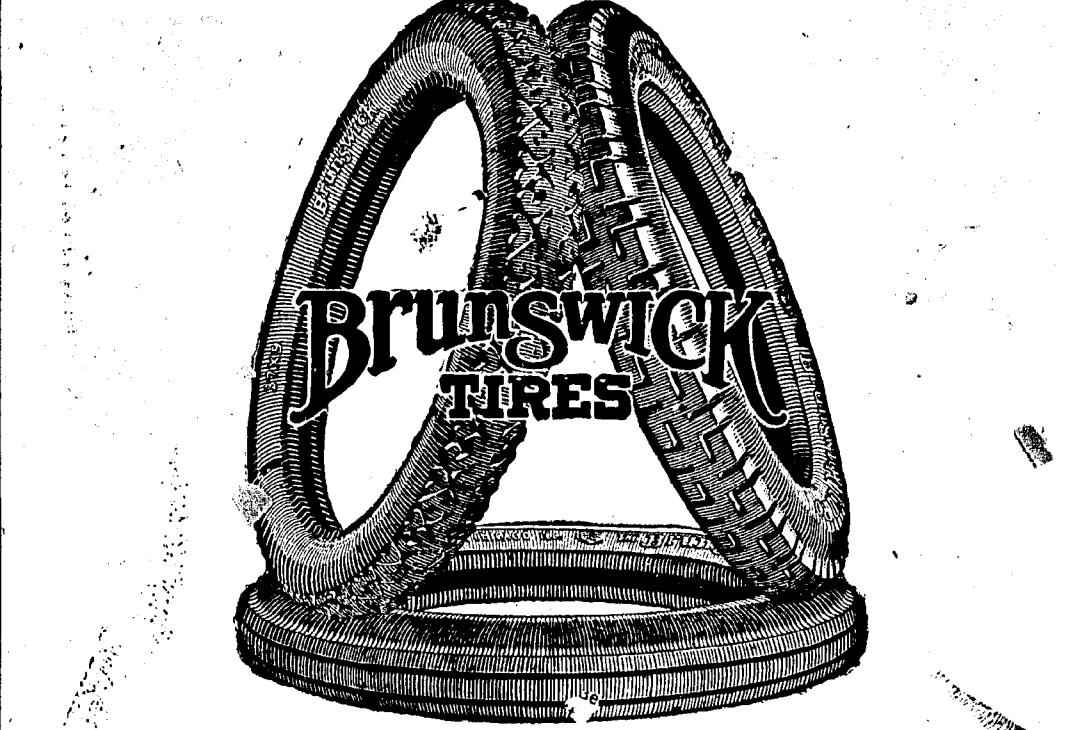

All men know Brunswick standards, for Brunswick products have been famous for 74 years.

Formulas, fabrics and standards vary vastly in cost. Reinforcements, plies and thickness are a matter of expense. And these variations affect endurance. It rests with the maker how far he wishes to go—how much he can afford to give.

For there are no secrets nor patents to hold one back.

ST. MARY'S CHURCH RE-OPENED
FOR SERVICES LAST SUNDAY

(Continued from Page One)

to South Amboy with the whole Southern coast as his Mission field. Father Madden was a very saintly and mild-mannered man, entirely too gentle for the bigoted rough oyster dredgers who hated everything Catholic, and always reserved a special kind of hatred for every Catholic priest. Father Madden moved the church from the cemetery to Stevens avenue, where he built to it an addition of 30x30 feet. He also attended the few Catholics scattered along the coast as far south as Point Pleasant, but in 1853 Father Madden was transferred by his Bishop to the more important and pleasant parish of Madison, N. J., and was succeeded by the Rev. Father Callan who took up his residence at Middletown Point, now Matawan. One of Father Callan's first works was the establishment of a Catholic School for the children of his parish. The school was opened in 1852 in the sacristy of the church, with about forty pupils in attendance, and was placed in charge of a certain Miss Kernan.

After relating the adventures of Miss Kernan, Father Leahy continues: "Just about this time the oyster industry began to flourish, especially near the Creek where the Brittons and the Simmens were the most prosperous families. One day while Father Callan was out driving a crowd of the oyster loafers pelted him with oyster shells and one shell struck the priest in the eye. Some time later the man who did this was handling hay in his own barn, when by accident a prong of the fork entered his eye, and he was ever afterwards blind in that eye."

"Father Callan remained in charge of the South Amboy church until 1854, when he was sent to Paterson, and the Rev. John A. Kelly was sent to succeed him."

"Father Kelly finding the place too small built another addition of 30x30 feet, and bought a piece of ground running back to Church street, in September 1864. Father Kelly was also very solicitous about the school, and during his time Michael Moran and Thomas Kirby, the latter of whom was the terror of the rising generation, for he ruled his youthful prodigies not by love, but by fear. And when later the Sisters of Mercy took charge of the school Mr. Kirby received the Keyport school. In 1869 there were three lay teachers, and continued so until 1885."

"On October 25th, 1873, the corner stone of the present church was laid, and Bishop Corrigan did the work, after which Rev. Edward McGiln preached. The church was opened and dedicated by Bishop Corrigan, September 17th, 1876, with Father Kelly as celebrant, Father Keegan of Brooklyn as deacon, and Father Brennan, also of Brooklyn, as sub-deacon, and Father Kileen as Master of Ceremonies (Father Miller of South Amboy, now deceased, was an altar boy at these services.)"

The new church was 135x64 feet. "Father Kelly transferred the school children in 1874 to the basement of the old church, now fitted up for a school, with two teachers. In 1880 the present rectory was built by Father Kelly. In 1899 he also moved the old rectory to the opposite corner, and used it as a Sisters' House, when the Sisters of Mercy came to take charge of the school in 1885. The cost of the new church was about \$30,000.00."

"Father Kelly died February 27th, 1891. On May 30th, 1891, Rev. John F. Brady of Lambertville took charge. He remodelled the old school building, and a dwelling was used as a primary school. May 8th, 1892, the corner stone of the new school was laid by Bishop O'Farrell. The school was dedicated, June 1903."

"In 1895 the church was improved and remodelled." The references Father Leahy makes in his book to bigotry and dissension might happily be left out, were it not for the fact that they furnish a most inspiring and consoling contrast to conditions as they exist at the present day. Whatever trace of bigotry and animosity there was in those days, time, intelligence and Christian brotherhood have wiped them out, and South Amboy stands, in point of religious toleration, a model of liberality, understanding and Christian unity.

The Present New Church. From a standpoint of artistic perfection, originality of design and ornamentation, there is no other church in the State as beautiful as Saint Mary's new interior. The superintendent of the Mueller Works in conversation with the writer during the week, stated that while he had been in all of the nations of the old world and all through the United States in his work as an ecclesiastical sculptor he had never seen Gothic ornamentation applied with such a boldness of originality in design as it has been applied in the interior of Saint Mary's Church in South Amboy.

All of the interior is done in Travertine and Caenstone. Sidewalks and ceilings are covered with a paneled surface of a creamy Travertine, a smooth stony substance. Over this panel work is a Gothic scroll work in Caenstone. This Caenstone is of a pure white color. Arches, Pillars and Columns, decorations, stations of the cross, are all done in this combination of stone and color.

The floor is of marbled, the floor of the sanctuary being of genuine Kentucky marble. New mahogany pews have been added. All of the statues of the church have been covered with this Caenstone. The whole effect is one of sublime solidity and awe-inspiring beautiful ruggedness.

A feature of the new interior is the style of the windows, which are of genuine antique glass, masterpieces of ecclesiastical art. These windows were donated by the following people:

Donors of Windows.

1. Gift of Cornelius and Ann McGonigle, in memory of their parents, Daniel and Cecelia McGonigle. James and Ellen Monaghan.

2. First section. Gift of William H. Bailey, in memory of Martin James Bailey, A. E. F., killed in action. Second Section. Gift of Thos. Lovely, in memory of Luke A. Lovely, A. E. F., killed in action. Third Section. Gift of Joseph and May Smith, in memory of Charles P. Smith, Jr., A. E. F., died in service. Fourth Section. Gift of Joseph and May Smith, in memory of George R. Smith, U. S. A. died in service. Fifth Section. Gift of Joseph and May Smith, in memory of Charles Smith, Sr.

3. Gift of Robert Segrave, in memory of his wife, Mary T. Segrave.

4. Gift of Mrs. Margaret and Thomas Burden, in memory of Richard Burden.

5. Gift of Mrs. Richard O'Connor and family, in memory of Richard O'Connor, Sr., James O'Connor, Richard O'Connor, Jr., and Stephen O'Connor.

6. First Section. Open. Second Section. Gift of Cantlon family in memory of mother, Margaret Cantlon. Third Section. Gift of Mr. and Mrs. Jas. W. Rea. Fourth Section. Gift of Mr. and Mrs. John Sutliff, Jr., in memory of Bernard and Mary Mintz. Fifth Section. Gift of Mr. and Mrs. P. F. Kenah.

7. Gift of Rev. Edward C. Griffin, D. D., in memory of Nicholas J. Griffin and Rt. Rev. James A. McFaul, D. D., LL. D., Second Bishop of Trenton; Rt. Rev. Michael J. O'Farrell, D. D., First Bishop of Trenton; Rev. John Kelly, V. G., and Rt. Rev. John F. Brady.

8. Gift of Mr. and Mrs. John J. Scully, in memory of Leo. S. Scully and Elizabeth Brennan-Greeno.

9. Gift of Mrs. Mary Coan, in memory of her husband, Patrick J. Coan.

10. Gift of William, Oliver and Mae Costello, in memory of their wife and mother.

11. First Section. Gift of Mrs. Anne Gomerley. Second Section. Gift of Albert Jerome, in memory of his wife, Eva Jerome. Third Section. Gift of Joseph Jerome, in memory of his wife, Mary Ann Murray Jerome. Fourth Section. Gift of David Quinlan, in memory of his wife, Mary Quinlan. Fifth Section. Gift of Mrs. John Hanaway, in memory of her husband, John Hanaway.

12. First Section. Gift of Mrs. Daniel Sullivan, in memory of Daniel Sullivan. Second Section. Gift of John H. Coyne, in memory of his parents, Martin and Elizabeth Coyne. Third, Fourth and Fifth Sections Open.

First Chancel Window. Gift of Sister Carmelita, in memory of her father, John Scully.

Second Chancel Window. Gift of Rev. Mother Cecilia, in memory of her father, John Scully.

Third Chancel Window. Gift of Margaret E. Scully, in memory of her father, John Scully.

Main Altar. Gift of Congressman Scully, in memory of his father, John Scully.

Side Altar. Gift of Michael Welsh, in memory of his wife.

Side Altar. Gift of Cornelius McGonigle.

Window to left of Chancel. Gift of Senator Thomas Brown, in memory of his parents.

Statues of the Cross. Donated by Mrs. James Carberry, in memory of her husband, James Carberry; and by Margaret Conologue, in memory of Bernard, Catherine and James Conologue.

The general work on the structure was done, as has been said, by the Mueller Ecclesiastical Art Works of Newark. Mr. James Wallace had the contract for finishing the woodwork. Dolan Brothers of this city did all of the electrical work, and O'Connor Brothers did most of the carpenter work. In proof of the originality of design of the new interior, it may be said that all of the molds, castings, composition of the Travertine and Caenstone was done right here in South Amboy in the basement of the church. As the church is not entirely completed even yet, the progress of this work may be seen any day by those who care to watch the work.

Dr. Griffin.

Rev. Dr. Griffin was born in Philadelphia, February 11, 1881, and studied at the College of Saint Joseph in that city and at the Seminary of Brignole-Sale, Italy. He received the Degree of Doctor of Divinity from the University of Genoa and was ordained there June 17th, 1905. Until he came to South Amboy he was at Saint Mary's Cathedral, Trenton, where he sides his duties as pastor, he had charge of the choir, and was Assistant Secretary to Bishop McFaul. With Father Quinn, and Father Lannary as two devout and indefatigable assistants, his work in South Amboy has already been marvelous. It, moreover, gives a bright augury of the benefits he has yet in store for the people of his parish and his city. He has the hearty congratulations of the city on his great work, and its sincerest wishes for continued success.

YACHT CLUB HAS

A LOBSTER FEED

At the regular meeting of the South Amboy Yacht Club, last Monday night, a general housewarming was held. There was a large attendance of members when the meeting was called to order. Business was soon transacted, and then it was learned what the refreshment committee had provided, which proved a pleasant surprise. On this committee were G. W. Crane, R. C. Stephenson and William Tyler, and they planned for a real spread. Tables were arranged, and then came the surprise when lobsters were piled on the tables in great abundance. There was also plenty of material for sandwiches, and real good liquors to quench the thirst. After the "inner man" had been fully satisfied, the members amused themselves in pool on the new table, card playing, and general sociability. A Columbia gramophone added life to the occasion by pouring out up-to-date airs.

The South Amboy Yacht Club was organized in 1887. For several years following nearly every member owned a sailing boat of some kind, and there was one Morris Height's naphtha launch, owned by Leonard Furman. Every season races were arranged, and there was some great competition and sport on the days of racing, and there was always a crowd of residents on the shore front to watch the contest.

But the risk of keeping a yacht off our shore front was so great that owners one by one began to dispose of their boats, and today there is not a sail-boat in the club. Of late years the principal sport has been more on the social line, and comprised tennis, bowling, pool, etc.

It is impossible to acquire money without making sacrifices; most men and women who marry for it sacrifice their happiness.

Opinions and visits should never be forced upon people.

J. Alfred Johnson

Broadway and Augusta St.

At This Season We
Sell the Most

Ingersolls

LAST YEAR we had that experience, and the year before, and so on back. People are out-of-doors more-at their work, giving their autos exercise and indulging in other outdoor sport.

Common sense says that a high priced delicate watch had better be at home on such occasions, and that an Ingersoll should be on active duty.

We're ready with a complete line of Ingersolls from the \$2.50 Yankee up to the 7-Jewel Reliance in a gold-filled case at \$11.50. Of course we have the Radiolites that tell time in the dark.

ODDS AND ENDS

The contractors for the new water plant are having great difficulty in building the reservoir, due to the extraordinary amount of water from the springs in the part excavated. Pumps are kept running night and day to keep the place free from water so that work can be done. It is stated that the springs alone would supply half the needs of the city.

Last Sunday travel southward was directed through Raritan street, and the north bound traffic was allowed to pass through the "Hole-in-the Wall." The travel was exceptionally heavy through this city.

During the strike on the Jers Central Traction Company's buses between Perth Amboy and this city had a harvest of dimes, and the owners were happy.

By filling in the low land on the water works property, a beautiful public park could be made. Trees and shrubbery could be planted, which would grow rapidly in the wet ground, and in a few years it would be a great place for rest and pleasure.

Don't forget Fred Miller's clam bake on July 4. It will be held at his home on the Parlin road on July 4. A real bake that everybody can enjoy. Gray bus stops right at the door on notice to chauffeur.

A Rhode Island clam bake will be held at White Brown's farm, Chesapeake road, on July 25. Bake served at 1.30 p. m. Those who know what a Rhode Island, bake is will need no urging to attend. Tickets on sale at four dollars each.

The Past Councillors' Association, Jr. O. U. A. M., of Middlesex County, will hold their annual outing at Seidler's beach on August 11.

Joel Parker Council No. 69, Jr. O. U. A. M., of this city, will entertain the Past Councillor's Association at its next meeting which will be the 100th gathering of this association.

Elizabeth Downs, a graduate in the Commercial course of the High School, has accepted a position as bookkeeper with Miller, Bergen & Welsh, Inc., lumber merchants.

The branch of the Friends of Irish Freedom will meet on Sunday evening, at 7 o'clock in St. Mary's Hall, and a full attendance is desired. The changing of the name will be one of the matters to be considered, as the name "David O'Connell" had been adopted by another branch before the local branch was formed. As this will be Independence day, no better time could the Friends of Irish Freedom meet and further their cause for a free and Independent Ireland.

England is a mighty nation. To defy her meant death. Some men in line of duty care little or nothing for death "The Man Who Dared England's Power" will be Mr. McCombe's subject Sunday evening in the Baptist Church, Second street, near Broadway. Join the people in a patriotic meeting Sunday 7.30 in Baptist church.

Units 4 and 7, of St. Martha's Guild have discontinued their Wednesday afternoon teas at the Parish House for the present.

Edward Gallagher, our genial post office clerk, has purchased a Studebaker touring car of James Briggs, and will find pleasure in traveling during his spare hours.

LITTLE FOLKS GET TO THE TABLE - JUST AS FAST AS THEY ARE ABLE

Do you remember your youthful appetite—how it used to stand on its hind legs and wonder when dinner would be ready? Well, you can again make it sit up and take notice if you purchase at this shop of good foods and politeness.

The Maibohm Six

"Built for the Extra Strain"

The Maibohm Light "Six" Valve-in-Head motor fulfills every possible requirement in power production—it is thoroughly dependable and economical. On the hills and in the hard day's run it shows its wonderful efficiency best. Strenuous every day service in the hands of the private owner creates a background where the performance of the Maibohm "Six" stands out in comparison with other makes.

Motorists of refinement will instantly detect a note of quality in the Maibohm Light "Six" bodies, because they are built to a high standard. The Maibohm Company has been a builder since 1888, a period of thirty years, during which it has reached an incomparable degree of success in style and finish. They have selected the highest grades of material. Their object is to give the public the greatest value for their money.

RUTGERS SUMMER SESSION.

The Rutgers Summer Session of 1920 is endeavoring to meet the present needs of the New Jersey school systems. Not only are more courses offered than usual but the effort is being made to equip teachers to command higher salaries. In the Director's statement covering summer schools and the teaching profession the following appears: "The teacher in service and the prospective teacher may rest assured that every dollar spent in professional improvement will in the next few years bring satisfactory returns." Teachers of New Jersey have in many instances been assured that every hour of professional improvement will be rewarded immediately. More teachers than usual from high schools are enrolling.

Aside from the usual courses which are offered in the summer school special emphasis is given this year to work in Continuation Schools, problems of American democracy, advanced courses in home economics, courses in science, and many courses in special methods of teaching. A well equipped Observation School with a number of expert demonstration teachers constitutes a part of the summer school.

Why They Never Arrive.

Lots and lots of people spend more time wishing they had the other fellow's luck than getting out to work for it.

Cornell Wood Board

Triple-sized, takes the place of planks. Walls, Ceilings, Partitions, Floors, Alterations and New Work.

Your Home Need not be crowded

YOUR attic, spare room and other waste places can be quickly and economically converted into useful, profitable quarters with Cornell Wood Board walls, ceilings and partitions.

"Cornell 32"

The 32-inch width called "Cornell 32" is a Cornell feature that produces charming panels for hallways, small rooms, borders and ceilings.

Cornell's Triple-Sizing Process protects against moisture, expansion and contraction and enables the maker to guarantee that it will not crack, warp, chip or buckle, if the directions for applying are followed.

Because Cornell has a Mill-Primed surface (both sides) it saves you the cost and labor of a priming or sizing coat.

Stop in today and learn how you can quickly and cheaply add a room with "Cornell 32."

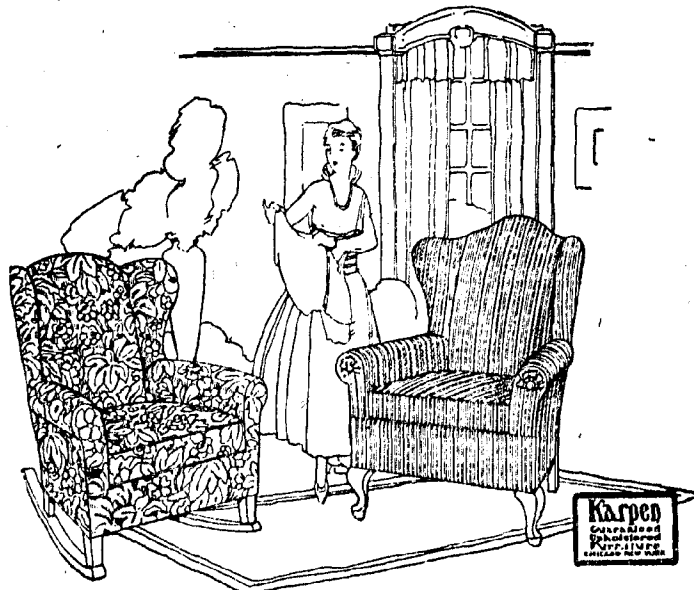

South Amboy Lumber & Supply Company

Cornell comes in 32 and 48 inch widths, called Cornell 32 and Cornell 48—8 different lengths, 6 to 16 feet

"QUACK" Pills Won't Stop THIS Backache

But a Western Electric WASHER and WRINGER Will

IT'S no longer necessary for you to waste your time and strength, yes, and clothes on an old-fashioned rub board. That's the wasteful and harmful way to wash. For it makes wash day one of wear and tear on both you and your clothes. The modern, economical way to wash is to let electricity do the hard work. With the Western Electric Washer and Wringer all you have to do is put your clothes in the wooden cylinder, which, by revolving, works just as the hand does, cleans without scrubbing. While the clothes are washing you can be doing your other household tasks.

You don't even have to turn the wringer. It is set by electricity, yes, and only wrings clothes into the wringer or out of it, but wrings to whatever position you like. You'll find this washer-wringer will save you the time and about a month's worth of electricity will do the average wash.

(Come and see it, we know it will interest you.)

SPECIAL TAX REQUIRED OF LIQUOR DEALERS

In reply to numerous inquiries as to special taxes for liquor dealers the law in relation to the sale of intoxicating liquor is as follows:

Special tax, as retail or wholesale liquor dealer, is required to be paid by all persons who sell or offer for sale intoxicating liquor, as defined in Article 1 of the National Prohibition Act. Under this requirement, parties, qualified to sell intoxicating liquors as such for non-beverage purposes must pay the special tax as liquor dealer; and parties, who unlawfully sell intoxicating liquor, are likewise charged with the same liability, together with the penalties incidental thereto by reason of the violation of existing Prohibition Laws.

PART GRADUATE COURSE FOR CHILD HYGIENE BUREAU

During the summer the Child Hygiene Bureau of New Jersey hopes to elaborate a post graduate course of study, in joint consultation with Dr. J. J. Savitz, Principal of the State Normal School in Trenton. It is believed that such a course will be of great value not only to the child hygiene nurses but to the pupil teachers of the Normal School as well. Dr. Savitz's curriculum will include subjects which will be taught in such a way that teachers will become interested in Child Hygiene, as well as the instruction the course will offer to nurses.

Many men who can bottle their wrath are not corkers.

NOTICE OF INTENTION.

PURSUANT TO A RESOLUTION of the Common Council of the City of South Amboy, N. J., passed on June 22, 1920, notice is hereby given that it is the intention of said council to consider an ordinance for the acquiring of a strip of land on the northerly side of Bordentown avenue, and running from the westerly line of the property of the South Amboy Hospital Association to the westerly line of the City of South Amboy; and vacating of a strip of land on the northerly side of Bordentown avenue running from the easterly side of Broadway to the high-water mark in Raritan Bay. The strip of land to be acquired is to be donated by Whitehead Brothers Company to the City of South Amboy upon the vacating of the strip to be vacated.

A public hearing to permit persons affected thereby or interested therein to express their assent or dissent to the proposed ordinance will be held in the Council Chamber at the City Hall at 8 o'clock, on the sixth day of July, 1920.

PETER J. COAKLEY,
City Clerk.

6-26-2

NOTICE TO CONTRACTORS.

NOTICE IS HEREBY GIVEN that sealed bids will be received by the Board of Chosen Freeholders of Middlesex County, N. J., and the Common Council of the City of South Amboy, N. J., for the extraordinary repair of Bordentown avenue, beginning at Broadway in the City of South Amboy, and ending at Rose's Corner in the township of Sayreville with a Warrenite surface upon a concrete foundation; estimated amount of surface pavement required is 24332 square yards; of foundation 24696 square yards; and opened and read in public at County Record building, New Brunswick, N. J., on July 8th, 1920, at 2:30 p. m. (Daylight saving time).

Drawings, specifications and forms of bid, contract and bond for the proposed work are on file in the office of the County Engineer at Perth Amboy, N. J., and at the office of City Engineer, South Amboy, N. J., and may be inspected by prospective bidders during business hours.

Bidders will be furnished with a copy of the specification and also prints of the drawings by the engineer on proper notice and payment of cost of preparation. Bids must be made on the standard proposal forms in the manner designated therein and required by the specifications, bearing the name and address of bidder and name of road on the outside, addressed to Board of Chosen Freeholders of Middlesex County, N. J., and the Common Council of the City of South Amboy, N. J., and must be accompanied by certified check for One Thousand Dollars (\$1000.00) and be delivered at the place on or before the hour above named. The standard proposal form will be furnished on application.

By order of The Board of Chosen Freeholders of Middlesex county, N. J., and the Common Council of the City of South Amboy, N. J.

THOMAS J. MULVIHILL,
Clerk, Board of Chosen Freeholders.
PETER J. COAKLEY,
City Clerk.

6-19-3

NOTICE.

ALL PERSONS CONCERNED MAY take notice, that the Subscriber, Administrator, etc., of Patrick McKeon, deceased, intends to exhibit his final account to the Orphan's Court for the County of Middlesex, on Friday, thirtieth day of July, 1920, at 10 A. M. in the Term of April, 1920, for settlement and allowance; the same being first audited and stated by the Surrogate.

Dated June 19, 1920.
CLIFFORD I. VOORHEES,
Administrator.

6-26-5

Republican Clubs to Meet at Trenton.

Trenton, June 28:—The call for the annual convention of the New Jersey State League of Republican Clubs was issued at the Capitol today by Edward Cromwell Brennan of West New York, president of the League, for Saturday, July 10, in Crescent Temple, Clinton street Trenton, at 1 P. M.

Each Republican club in the State is to send one delegate for each twenty-five members, while the correspondence clubs located in sparsely settled communities are each entitled to representation by one delegate.

The women republicans of the State will be represented by twelve women from each county in the State. They will be given equal power to act with the other delegates.

There will be two thousand delegates from all parts of the State, and two hundred and fifty prominent republicans have been invited to attend as guests of the great gathering.

Among those invited to attend are Senator Warren G. Harding, Governor Calvin Coolidge, National Chairman Will H. Hay, Mrs. Lillian F. Felckert, vice-chairman of the New Jersey state committee for women voters, Mrs. Douglas Robinson, sister of the late Theodore Roosevelt, and former Governor Leslie M. Shaw of Illinois.

Harding and Coolidge will be endorsed, the platform of the republican party duly ratified by this representative gathering for 150,000 enrolled republicans in clubs of the state, and plans for an active campaign arranged.

The speakers will be announced within a week. Everything points to even a larger gathering than that of last year.

German Sues for Loss of Army Truck.

United States District Attorney Elmer Geran has brought suit in the Federal Court at Trenton for \$5,000 against the Public Service Railway Company for the loss of a Mack army truck which in April, 1919, was hit by one of the company's cars at Lakewood avenue, East Orange, and demolished.

Costly To Eliminate Wires.

It is estimated that \$52,531 will be the cost of changing the wiring system in Freehold to eliminate poles and wires before the new street paving is laid. The work, according to Light Superintendent Hitchcock, will require most of the wires to be placed on poles in back yards.

Illuminating Irritation.

Ida incidentally indicates interest in fees, Irving, impressionable, infatuated, injudiciously invests. Ida's indulgence in fees inordinate, insatiable. Irving, impecunious, inaptly introduces inexpensive innovations. Ida, instantly irate, in impatient irritation, indignant, impeaches Irving's iterated infatuation, insinuating indifference, inurbant. Ida's infantile, inelegant invective illuminates Irving's innermost intelligence, inhibiting infatuation, intercepting intentions.—Youth's Companion.

CARD OF THANKS.

The undersigned wish to express their gratitude to the Rev. William Lannery, Sisters of Mercy, and all friends and neighbors for their kindness and many floral offerings during the bereavement of our beloved son and brother; also to Dr. Meacham and M. A. McCarthy for services rendered.

Mrs. and Mrs. Pierre Malloy and Family.

If you would get close to nature get a job as a farmhand.

VERBECK-AMMANN

Mrs. and Mrs. Eugene Forman of this city attended the wedding last Saturday evening of their niece, Miss Ruth Ammann, daughter of Mr. and Mrs. Albert Ammann of Malden, Mass., to Mr. Roland Hale Verbeck, who is dean of the Agricultural College connected with St. Lawrence University, at Canton, N. Y.

The ceremony took place in the First Universalist Church of Malden, Rev. Clarence J. Cowing, the pastor, officiating. Earl Wiedner presided at the organ, and Miss Beatrice Cast rendered "Because." The double ring service was used and the bride was given in marriage by her father.

Over 300 invitations were sent forth. The bride was attended by her sister, Miss Marguerite Ammann, maid of honor, and two little nieces of the groom, Misses Barbara and Burnell Shinn of Arlington Heights, were the flower girls. Edward L. Shinn of Arlington Heights, brother in law of the groom was best man. The ushers were largely classmates and fraternity brothers of the groom in Phi Sigma Kappa as follows: Edw. H. Shaw, Belmont; Howard A. Stevens, Malden; Charles H. Tye and Wm. V. Hayden, Rockline; Roy E. Cutting Winthrop, and Frank W. Lord, Kezar Falls, Me., brother in law of the groom.

The bride's gown was of white brocade tulle and georgette, en traine, with a tulle veil caught up with orange blossoms and she carried a bouquet of sweet peas and sweet-heart roses. The maid of honor wore a gown of flame colored tulle and silver lace trimmings, and carried a bouquet of larkspur and roses. The flower girls in white with pink sashes, carried baskets of rose petals.

A reception followed in the Parish house and the couple were assisted in receiving by the bride's parents, Calvin M. Verbeck, father of the groom, and Mrs. Edward H. Shinn, sister of the groom.

Mr. Verbeck and his bride later started on a motor trip through Maine and New Hampshire, and on their return will make their home at Canton, N. Y.

The bride is a graduate of the Garland school of homemaking, Boston, and has done special work in Boston University and also a graduate of the Boston School of Physical Education. She has been doing social service work at the Lincoln house, Boston.

Mr. Verbeck is a graduate of the Massachusetts Agricultural college and is a member of Phi. Sigma Kappa. He was formerly principal of Petersham High School and later Parsonsfield Academy, Me. He then took up post graduate work at Harvard and during the war was for some time in charge of the Malden Community gardens, under the Conservation of Food committee. He then entered the service and became a Lieutenant in the 270th Aero Squadron and was across ten months. Returning he went to St. Lawrence University upon the invitation of his pastor, Rev. Richard Eddy Sykes, who had just become the president of the University.

The bride's parents some years ago resided in this city, and Mrs. Ammann before her marriage was Miss Laura Forman.

AMERICAN LEGION NOTES.

There was not a large attendance at Tuesday night's meeting owing to the storm. Considerable business was transacted, however, and at the close of the session the entertainment committee furnished refreshments.

The outside of the Legion building is being given an attractive coat of paint, thanks to the Post's obliging landlord, Charles Timmins.

There will be a big meeting Tuesday evening, at which time consideration will be given to changing the dues of the Post, as provided for in the by-laws.

Tuesday evening members of the Auxiliary will serve refreshments. At the last session the ladies surprised the boys with home made strawberry shortcake, and it is said that they will have some other surprise this time.

Members of the Board of Trustees and all officers of the Post are requested to meet at 7.30 o'clock Tuesday evening, so that a budget may be submitted at the meeting.

It is likely that one of the features of Tuesday night's entertainment program will be a four round bout between Francis O'Leary and Francis Covell. These two boys put up a rattling good exhibition some time ago, and the members are anxious to see them go four rounds.

The ladies will hold their next regular meeting Monday, July 12th, owing to the holiday falling on July 5th. The meeting will be followed by a social hour, to which the boys are invited as guests of the ladies.

CONFIRMATION CELEBRATION.

On Sunday Master Everett Armstrong, of Augusta street was confirmed at St. Mary's church. Much happiness prevailed, as Everett's father, who is not of the Catholic faith, escorted his son from the school hall to the church where he joined his sponsor, Mr. Patrick Grimley. Mr. Armstrong was more than impressed by the ceremony. Master Everett received congratulations from many and was not forgotten by his grandmother and father who presented him with a small purse for his Christmas card. Everett expressed his gratitude by a small token to his sponsor. On Saturday Master Armstrong leaves South Amboy, for a few weeks, to visit his grandmother, Mrs. B. Cooney, of Brooklyn. Before his return home he may visit his aunt, Mrs. A. Zerega, of Chicago.

PERSONAL.

Mr. and Mrs. Henry S. Martin, of Philadelphia, spent Sunday with Mr. Martin's sister, Mrs. James E. English of Second street.

Mrs. Elizabeth Schaffer and granddaughter, Mabel, of Medford, are the guests of the former's sister, Mrs. James Briggs, of Main street.

Miss Bertha Heath and Master Charles Hamilton spent Thursday at Highland Park.

Mrs. L. L. Sheppard and Mrs. H. J. Allsup spent Thursday visiting Mrs. Allsup's parents in Trenton. While there they visited Mrs. Sheppard's sister, Mrs. Edward Kopp of Princeton, who is in Mercer Hospital, Trenton, recovering from an operation.

Capt. Michael J. Ford and family, of Newark have moved to this city, and now reside on John street.

Miss Addah M. Hamilton spent fore part of the week at Port Richmond and New York City.

Dancing Saturday at Morgan Pavilion

Indications point to the success of the Saturday evening dancing plan a Morgan. Under the management of The Morgan Beach Company dances will be held each Saturday evening starting at 8 o'clock. The spacious floor is in first-class condition, and the big success scored by the American Legion Thursday evening was largely responsible for the fine floor.

Arrangements are being made to provide parking space for automobiles, and for special transportation to and from this popular point. The pavilion is beautifully decorated, and no effort will be spared to provide everything for the comfort and enjoyment of the patrons, in a refined atmosphere.

Refreshments will be sold, and there will be several novel features, the concession for which has been granted to the local post of the American Legion for this Saturday evening and for the evening of the holiday, July 5th.

Admission will be: gentlemen, fifty cents; ladies, thirty-five cents.

MERCHANTS HAVE WOKED UP.

The merchants have woked up. At a meeting of the business men of the city Thursday evening in the Mayor's office of the City Hall, initial steps were taken to recover the business that is now being taken to Perth Amboy. A strenuous educational campaign will be conducted to show the people of South Amboy just why it is to their advantage to buy from the home merchants. While there was a good turnout at the meeting no definite steps were taken owing to the fact that it was thought best to line up, if possible, all the merchants. In order to effect a stronger organization those present will interview their business associates and endeavor to enlist their aid. Another meeting will be held next Thursday evening in the City Hall.

This meeting is not a meeting of the Chamber of Commerce. It is to be a meeting of the business men of the city under the auspices of the Merchants' Committee of the Chamber of Commerce. Hundreds of dollars worth of business is carried from the city every day in the jitneys and trolley cars. What steps have been taken to stop this practice? None, of course, will be the answer. Now, Mr. Merchant, here is your opportunity. Will you line up with your more progressive business associates? Yes—then be at the meeting next Thursday evening at eight o'clock.

SHARES BEING RAPIDLY TAKEN.

With everything pointing toward the success of the new organization, The Investors' and Owners' Building and Loan Association will be opened for payments upon the first series July 12th. Already over fifteen hundred shares have been subscribed, and from the outlook the new Association will start with over two thousand shares.

Subscriptions will be received by the secretary, Michael F. Nagle, and by the treasurer Harold G. Hoffman, at The South Amboy Trust Company. The books will remain open for one month from July 12th. The new association is to be based upon the serial plan, with shares of one dollar each. The President of the I. & O. Association is J. Arthur Applegate; the vice president, Oliver W. Welsh, and Solicitor, Leo J. Coakley.

MRS. MARY KELLY.

Mrs. Mary Kelly, formerly a resident of this city, died at her home, 281 Hobart street, Perth Amboy, last Saturday night, after a lingering illness. She is survived by two daughters, Mrs. H. Avery, of Brooklyn, and Miss May Kelly of Perth Amboy. The funeral was held on Tuesday morning at 10.30 o'clock from St. Mary's Church, Perth Amboy. The body was brought to this city and interred in St. Mary's cemetery. The pall bearers were James Donovan, Robert Casey, Thomas Bohan, John Coyne, Henry Leonard, of this city; and J. Doyle of Elizabeth. M. A. McCarthy was funeral director.

LIBRARY NOTES.

The New International Year Book, for the year of 1919, has just been received at the Public Library.

This is a book of great value for all who wish to look up the history and progress of politics, literature, science of every kind, art, theology, etc., during the year. It contains a complete history of all the important events of the year. The biographies of the prominent persons who have died—Roosevelt, Carnegie, etc.—and is beautifully illustrated and embellished with maps.

We aim to please all, therefore our prices are cut down to the lowest notch.—Eagle Tea Co.

OPENING DANCE BIG SUCCESS

Luke A. Lovely Post No. 62, American Legion, Has a Large Crowd at Their Summer Dance—Friends From Many Towns Present—Floor in Excellent Condition.

In the opening dance at the Morgan open air pavilion, Thursday evening, Luke A. Lovely Post No. 62, American Legion, scored another social success. People from South Amboy, Newark, Keyport, Perth Amboy, Sayreville, South River, New Brunswick, Matawan, Red Bank, and Elizabeth were guests of the Legion boys on this evening, and the beautiful spectacle as the young people indulged in this favorite pastime to the strains of music furnished by Gardner's orchestra.

The floor was in wonderful condition, the work of resurfacing having been done by Contractor Oscar Mundy. On the back platform of the pavilion pretty Japanese lanterns covered the electric lights, and the interior of the big hall was beautifully decorated. The orchestra was stationed in the center of the floor, within a lattice-work circle that was finished in wisteria. Above the orchestra was a sunburst in variegated colors. The beams were decorated with purple and white, the Legion colors, and there were three rows of Japanese lanterns. The majority of the decorations were furnished through the courtesy of the Junior Class of the South Amboy High School, and were made under the tasteful direction of Miss Conser, the art director.

On the broad platform outside the pavilion were several novelty features, one of the most popular being the doll stand, where the fortunate ones won attractive Dimple dolls, dogs, and candy. Members of the Woman's Auxiliary assisted at this booth, and the Auxiliary also managed the booth where the refreshments were sold. This booth was liberally patronized, and before the evening was over practically all the soft drinks, "hot dogs," ice cream, and "smokes" had vanished.

Mrs. Anderson Wins.
One of the features of the evening was the drawing for gold pieces, held under the direction of Russell Lewis. Cute little Miss Virginia Spiller, of Morgan, drew the numbers, and the names of the winners follow:

First Prize—\$10.00 in gold, Mrs. Caroline Anderson, 230 Pellus street.
Second Prize—\$5.00 in gold, Miss Jennie Manhattan, 321 Cedar street.
Third Prize—\$2.50 in gold, Miss Edna Chase, Broadway.
Fourth Prize—\$2.50 in gold, Edward Sweeney, 48 Stone street, Newark.
Fifth Prize—\$2.50 in gold, Mrs. Harry MacCall, 261 First street.
Sixth Prize—\$2.00, Vincent Kozlowski, 167 Broadway.
Seventh Prize—\$2.00, Mrs. George Harris, Laurel street.
Eighth Prize—\$1.50, T. O'Toole, Pine avenue.
Ninth Prize—\$1.00, H. A. Mundin, 173 Mill street, Morristown, Pa.
Tenth Prize—No. 3155, no name on stub.

Prizes of those who were not present will be awarded at Saturday evening's dance, or may be secured today from Harold G. Hoffman at the South Amboy Trust Company.

DAUGHTERS OF ISABELLA CELEBRATE AT BANQUET

On Tuesday evening, June 23, Court Santa Maria, No. 382, Daughters of Isabella, held their first anniversary banquet in St. Mary's Hall, in a manner well befitting and unsurpassed by any Court in the State.

Promptly at 8 o'clock O'Brien's orchestra of Perth Amboy began the festivities by rendering a beautiful selection, which was appreciated by the Court and its guests.

Rev. Dr. Griffin offered grace. Needless to say all assembled partook of a sumptuous repast and did ample justice in satisfying the "inner man."

The hall was an aspect of beauty and taste, the stage presenting a garland of flowers, ferns and shaded lights, reminding one of a dining hall at the Ritz Carlton; its beautifully arranged tables gleaming with lustrous linen, shining silver, cut glass, bewitching bouquets and delicate china. Too much cannot be said of the decorations which were solely and uniquely arranged by Rev. Wm. Quinn, assisted by Rev. Wm. Lannary.

The Grand Regent, Mrs. Margaret Coan, as toast mistress, was at her best. Short addresses were given by Rev. Dr. Griffin, Rev. Wm. Quinn and Rev. W. Lannary. Dancing was kept up until midnight.

Saving money is the aim of all today. By buying at our store many dollars can be saved.—Eagle Tea Company.

FOR HIRE—Limousine for all occasions. Apply to William J. O'Toole, 101 South Pine avenue, or call Tel. 369. 4-10-11

NOT ENOUGH GUARDS TO PROPERLY PROTECT MORGAN

It is generally reported that there are only fourteen men to guard the big Morgan Camp, the others being laid off because the last Congress made no appropriation to protect the camp. This means only seven men on duty during the day, and seven at night. Perfectly ridiculous to suppose that these few men can properly guard such a big camp. Congressman Scully was notified of the situation by telephone on Thursday, and he was surprised to learn of the slight protection given to the vast amount of material stored at the camp, and promised to at once take up the matter with the authorities at Washington with a view to better protection.

MISCELLANEOUS SHOWER.

On Thursday evening a number of friends tendered a surprise to Miss Clymenia M. Bergen at her home, 26a Main street. While Miss Bergen was away visiting her aunt at Milltown, friends took possession of the home and beautifully decorated it in white and gold, daisies forming the principal flowers. Streamers of white and gold were looped from a central umbrella and extended across the room. From this umbrella favors were strewn to the guests. When Miss Bergen arrived home the surprise was complete. A dainty lunch was served during the evening. The gifts formed a large collection of useful articles.

BOYCE-FURMAN.

Miss Lila Margaret Furman, daughter of Mr. and Mrs. A. H. Furman of this city, was united in marriage to Professor Orville McDowell Boyce, of Hartford, N. Y., last Wednesday evening at six o'clock, at the home of the bride's parents, 106 John street, by Henry Clay Mitchell, rector of Christ church.

Miss Jesse Craig, of Florence, South Carolina, and Miss Elizabeth Wheeler, of Hagerstown, Maryland—roommates of the bride while at Mary Baldwin's Seminary—were the attendants to the bride, while Dr. C. S. Knapp of the Roosevelt Hospital of New York City, served as best man.

The bride was gowned in white satin, with iridescent trimming, wearing a veil of old point lace, held in place with pearls and lilies-of-the-valley. She carried a shower bouquet of lilies-of-the-valley, orchids, and sweet peas. The bridesmaid, Miss Jesse Craig, was attired in a gown of pink satin with pearl trimming and carried a bouquet of pink roses. Miss Elizabeth Wheeler, also a bridesmaid, wore a gown of Nile green satin with old rose velvet trimming and carried a bouquet of pink roses.

Daisies, pink roses, and ferns intermingled formed the beautiful decorations and the background in the room which the happy couple were married. Four ribbon girls were in attendance, wearing dresses of pink taffeta with white lace. They were: Misses Catherine Chevalier of Newark, Jean Smith of Asbury Park, Doris Berrien, and Elinor Furman, a sister of the bride. Miss Uella Forman, daughter of Mr. and Mrs. Lee Forman of this city, was the little flower girl, dressed in pink chiffon, who strewed flowers in the path of the bridal pair as they marched in to the music furnished by Professor Kenneth Martin of Perth Amboy.

After the catering by Day of Newark, the happy couple left for their wedding trip. They will tour New York State and will visit Lake George and Hartford, N. Y., the home of the groom. Professor Boyce is a graduate of Colgate's college and is also principal of the High School of this city.

Upon their return, Professor and Mrs. Boyce will take up housekeeping in Main street, in the house formerly owned by Mr. Howard Moss but recently purchased by Mr. James S. Holton, secretary of the Board of Education.

Guests from Boston, Hartford, N. Y., Florence, South Carolina, Hagerstown Md., Newark, Asbury Park, New Brunswick, Old Bridge and this city were present. Many gifts, both useful and ornamental were received.

WALTON-GORDON.
Friends in this city have received announcements of the marriage of Miss Lillian Francis Gordon, daughter of Mr. and Mrs. Ambrose M. Gordon, of Allentown, to Harry Fountain Walton of Philadelphia.

The wedding took place at the home of the bride's parents at 4 o'clock on Saturday afternoon, June 26, only immediate friends and relatives being present. The ceremony was performed by the Rev. Dr. Barlinger.

Miss Jennie Probasco of Allentown was the bridesmaid, and Mr. George Trauner of Pittsburgh, Pa., was attendant to the groom.

The bride looked lovely in a gown of white georgette, with veil caught up with orange blossoms, and carried a shower bouquet of white roses. The bridesmaid's costume was of Nile green satin, and she carried a bouquet of pink roses. After a reception and dinner, the happy couple left for a trip to various points of interest. The bride was the recipient of many gifts.

The Public Utility Commission refused to grant a raise in fares to the Jersey Central Traction Co., until such time as they improve their road bed and service.

All the world loves a winner.

ST. MARY'S CHURCH RE-OPENED FOR SERVICES LAST SUNDAY

Improved, Renovated and Resplendent with Ornamentation

the Members of the Parish Again Worship Within Its Walls—Confirmation of a Large Class by Rt. Rev. Bishop Thomas J. Walsh and the Coronation of the Statue of Blessed Virgin Were the Feature Events on Opening Day —Brief History of Early Days of St. Mary's.

Yes, it is an ill wind that blows nobody good. Out of the terrible Morgan explosion which weakened its structural solidity and scattered its ornamental beauty, Saint Mary's church, after nearly a year's work by the Mueller Ecclesiastical Art Works, of Newark, has finally emerged with a reinforced structure and an enhanced beauty of ornamentation and design which is unexcelled in ecclesiastical sculptural work in this country. A church burdened with debt at the time of the explosion, Saint Mary's now stands, notwithstanding the expenditure of approximately fifty thousand dollars absolutely free of debt.

With masses at six, seven, nine and ten forty-five o'clock, the new church had its formal reopening on last Sunday morning. Closing late at night, the whole day was devoted with an exceptional beauty and impressiveness of ceremony to Him for whose abode the edifice was built.

At the early masses over a thousand men received Holy Communion. Never in the history of the church have so many men been seen at one time at the sacrament of Holy Eucharist. A veritable human stream, wee little tots, the youth, the middle-aged and the old and infirm, circulated for hours around the table of Christ in a most consoling and inspiring procession.

The nine o'clock mass was featured by the administration by the Rt. Rev. Bishop Thomas J. Walsh, D. D., of the sacrament of confirmation to hundreds of little boys and girls, and a considerable number of grown-ups. The ceremonies incident to the administering of this sacrament were different from any of those conducted in South Amboy before. In former years, one male and one female sponsor attended the whole class of those who were confirmed. This year each person receiving the sacrament was attended by his or her own sponsor. A procession of those awaiting the sacrament and their sponsors formed at the school building and marched in open adoration of the Lord to the church, where one at a time a sponsor brought a child to the altar rail and the blessing hands of the Bishop. Every child dressed in white, marching in the church to the strains of the organ, this procession was of awe-inspiring beauty. Two hundred were confirmed by the Bishop at this mass.

It was at the late, mass, however, that the especial importance of the day was brought out. Mass was said by three priests who were at one time boys who played in the schoolyards of South Amboy, and who, as Assistant Prosecutor Coan said in his address to the Bishop, had left the town and "gone forth anointed of God to preach His word and administer His consolations." At this mass Monsignor James Coan was celebrant; Father George Welsh, deacon; and Father John Lucetti, sub-deacon. The sight of these three priests saying mass was in itself sufficient evidence of the great work done here in Saint Mary's church in years past, and of the exemplary virtue, conduct and zeal and the high-calibered leadership of its many pastors.

At the conclusion of the mass Assistant Prosecutor John A. Coan delivered the address to the Bishop, which was impressively and solemnly presented and was an entire justification of the occasion. In a short, but well chosen speech, the Rt. Rev. Bishop replied to this pledge of renewed devotion, thanking the speaker, congratulating the parish upon its unrivalled success and leaving his blessing for its continuance in the future.

Dr. Griffin was visibly deeply moved as he took the floor to say that he thanked the Bishop with all his heart for sending him to such a pious parish as Saint Mary's whose

people in terms of religious fervor and of the support they gave their pastor and parish were unsurpassed. Doctor Griffin struck the most encouraging chord of the day when he announced to the congregation for the benefit of the Bishop that Saint Mary's church, thanks to the unstinting generosity of her people, stood today an edifice without a debt.

The Coronation.

In the evening the day's ceremonies were brought to a close with the solemn coronation exercises during which a wreath of flowers was placed upon a statue of the Blessed Virgin in honor of her whom it represented as the Queen of Heaven. At these exercises, religious recitations were delivered by the following young ladies of the Sodality of the Children of Mary: Miss Sara Cannon, Miss Julia Jensonberger, Miss Mary Birmingham, Miss Gertrude Mullane, Miss Margaret Gleason, Miss Julia McGuire and Miss Helen Lovely. All of these recitations were nicely delivered. Miss Sara Cannon, who had the honor of crowning the image of the Blessed Virgin, was exceptionally notable in her recitation, "Greetings to Mary." Delivered in an appealing manner, it was a feature of the day's ceremonies. Miss Cannon was attended by the following attendants: Miss Monica Cheeseman, Miss Margaret Cooney, Miss Mary Vail, Miss Gertrude Grimes, Miss Mary Sullivan and Miss Theresa Credico. Mrs. Stephenson was the accompanist on the organ for all of the day's ceremonies. A solo by Miss Julia Delaney, and another by Miss Nellie V. Cantlon were features of the program.

Historical Sketch.

The following brief historical sketch, taken almost verbatim from the Rev. Walter T. Leahy's, "The Catholic Church of the Diocese of Trenton, N. J.," holds a revived interest in the light of present circumstances. Father Leahy says: "It was about 1830 that the first Catholics seemed to have settled in and around South Amboy. They were men who had been employed in the oyster beds of that section, and the nearest Catholic Church at this time was at New Brunswick, whither they went seeking religious consolation until, in 1833, their number warranted the Rev. Father McArdle, then in charge of New Brunswick and the surrounding Missions, to occasionally visit them and hold services at the house of old Mrs. Fitzgerald.

This arrangement continued until 1839 when Father McArdle went to Bellville, N. J., and Rev. Francis Donahoe came from Newark at different intervals till 1842. In that year Father Hugh McGuire became resident pastor of New Brunswick and he attended South Amboy till 1845 when the Rev. John Rogers succeeded. About 1847 the number of Catholics increasing in this section, Father Rogers arranged for monthly services. The congregation continued to grow larger, men and women of strong faith became the pioneers of this district, and they needed all their strength and all their faith, for they dwelt in that district in which in those days lived some of the greatest blackguards and bigoted Protestants our country has produced, for, many a time, the inoffensive priest visiting his little flock was set upon and abused. Almost daily were these stalwart men and women compelled to use tongue and fist in defence of their faith and their pastor.

Finally, in 1851, after much planning to build a church by the Catholics and much counter planning to destroy it by some of the wild self-styled natives, Father Rogers bought a lot on Main street from Malachi Good, on December 3rd, 1851, but it had to be gotten in a secret way. It was Eliza Fitzpatrick who took title October 1850, and then transferred it to Malachi Good who, in December 1851, transferred the same to Rt. Rev. John Hughes of New York. Upon part of this lot Father Rogers caused to be erected in the following year, 1852, a small frame building 18x30 feet which was used for services during several years. When the little chapel was completed Bishop Hughes sent the Rev. Michael A. Madden, curate of St. Peter's Church, Barclay street, New York,

(Continued on Page Four.)

ONE WAY ROUTE WORKS VERY SATISFACTORY

Last Sunday Chief of Police McDonnell introduced the one way system of travel between this city and Perth Amboy and it worked to perfection. Cars going south were sent through Raritan street, via the Sayreville road and Main street to Stevens avenue, and those going north were directed through the "hole-in-the-wall." This saved all the usual delays at the "hole." This Sunday and Monday the one way system will be put in force. The road through Stevens avenue to Mechanicsville is in wretched condition, and really time is saved by taking the little longer road up Raritan street. The one way route does away with all the congestion which usually exists at the "hole."

The Chamber of Commerce some weeks ago suggested this arrangement and a trial has proven its advantages.

WHERE TO ENJOY MONDAY.

If you are looking for a place to have an afternoon of good clean pleasure, we would suggest attending the picnic of the United Societies of the Sacred Heart Parish on Monday, where many attractions will be offered to please old and young alike. Good music and dancing, various games and sports and refreshments will be provided, so that every minute of the afternoon and evening will prove most enjoyable. Let this picnic be your stopping place.

MRS. LUCRETIA S. SEXTON.

About one o'clock Wednesday morning, Lucretia S. Sexton, wife of Joe A. Sexton, passed away at her home on Broadway, after an extended illness.

Mrs. Sexton was born in New York City, February 2, 1855, the daughter of the late Capt. James and Kate E. Herring. When 12 years of age her parents moved to this city, where she has remained since. In 1872 she became the wife of Mr. Sexton, and had hoped to live to celebrate her golden wedding. She was of a social disposition and enjoyed the companionship of her friends. In her younger days she entertained extensively. Besides her husband she is survived by four children, Mrs. Walter Compton and Jay A. Sexton of this city; Mrs. Josephine Fisher of Sayreville, and William Sexton of Keyport; and six grandchildren. She also leaves two sisters, Mrs. Emma Southwick and Miss Eliza Herring of Bordentown. The body laid in state until 12 o'clock noon on Friday, in order to give friends who wished an opportunity to take their last leave. Private funeral service was held at the house at 2 o'clock, the Rev. Chapman S. Lewis, of Jersey City, officiating. Many beautiful floral pieces were received from relatives and friends. Interment was made in the Sexton plot in the cemetery at Glendola N. J. James Sexton, of Asbury Park, a cousin of Mr. Sexton, had charge of funeral arrangements.

PATRIOTIC SERVICE.

There will be a Patriotic service held in the First Methodist Episcopal church on Joh. street on Sunday evening, July fourth, at 7.30. There will be a patriotic song service also patriotic selections by the choir. The pastor, Geo. W. Abel, will speak on "True Patriotism."

An invitation is extended to all the patriotic organizations of the city, also the public.

The church with a cordial welcome to all.

WILLIAM HOWARD MALLOY.

William Howard Malloy, son of Mr. and Mrs. Pierre Malloy of Cedar street, departed this life on Saturday last after a lingering illness, at the age of 20 years. The deceased was popular among a large circle of friends who deeply regret his death. He was a member of South Amboy Council No. 426, K. of C.

The funeral was held from St. Mary's Church at 9 o'clock on Tuesday and was attended by a large number of relatives and friends. High mass of requiem was celebrated by the Rev. William Lannary, after which interment was made in the parish cemetery. The bearers were Messrs. Francis Minnick, John Kennedy, Francis Callahan, John Doyle, Vincent Troznice, Joseph Smith, Thomas McKeown, and Stanley Shultz. Many beautiful floral pieces were received as tokens of love. M. A. McCarthy was funeral director.

Taking Temperature of Streams.

Game Warden Charles Steuerwald has been very busy the past week taking the temperature of the water in streams, brooks and ponds throughout Middlesex and Monmouth counties. The State Fish and Game Department has ordered this test so as to learn what fish are best suited to the stocking of the streams. The temperature will prevent any error in the placing of fish.

Why not join the throng and be a customer of the Eagle Tea Co. ***

WILL VIEW THE RARITAN RIVER

Raritan Terminal and Waterways

Association Will Be Host on July 14, to Prominent Guests on Trip of Inspection — Mayor Gordon and Common Council Invited.

An inspection trip of the Raritan River will be made Wednesday, July 14, under the auspices of the Raritan Terminal and Waterways Association. The committee in charge consists of Chas. A. McCormick, chairman; Public Service Commissioner Lewis Nixon, Mayor Frank Dorsey, of Perth Amboy; Mayor Frank Gordon of South Amboy, and Mayor J. J. Morrison of New Brunswick.

Governor Edwards, U. S. Senators Frelinghuysen and Edge; Congressmen Scully and Radcliffe; the Mayors and councilmen of the nine municipalities affiliated with the Association; Col. J. G. Sanford, district engineer and others have been invited. There will be representatives of the different plants on the Raritan river in the party, too.

The trip will be made on one of the boats of the Middlesex Transportation Company, leaving New Brunswick at noon, and stopping at Perth Amboy. It will afford the guests an opportunity to view the immense plant of the Eastern Potash Corporation now in course of construction just below New Brunswick, as well as other plants on the river. The proposed terminal of the ship canal at Morgan will be visited.

ST. MARY'S COMMENCEMENT.

On Wednesday evening, June twenty-third, the Commencement exercises were held in St. Mary's Hall, which was overcrowded long before they began.

After the "Opening Chorus" and a unique selection by the little tots, Graduation Honors were conferred by the Rt. Rev. Thomas J. Walsh on the following High School pupils:

Miss Frances Elizabeth Barrett, Mr. John Jeremiah Cooney, Miss Mary Elizabeth Duggan, Miss Catharine Elizabeth Geregthy, Miss Margaret Frances Lenahan, Mr. Thomas Patrick McCabe, Miss Helen Modesta McGuire, Miss Anna Julia Malloy.

The graduation was followed by a very interesting address on "Education," in which the Bishop showed its great necessity nowadays.

Miss Anna Malloy, the valedictorian of the Class of 1920, won great applause by her excellent rendition of the Valedictory.

The singing reflected great credit upon Mrs. Stephenson, whose untiring efforts deserve the highest praise.

The program was as follows:

Opening Chorus—"Meadow Song".... Girls
Children's Rule of Life.....Little Ones
Sunbonnet Babies and Overall Boys.....Little Ones
Conferring of Graduating Honors Valedictory.....Miss Anna J. Malloy
Address by Bishop Walsh

MONMOUTH LIGHTING CO.
INCREASE RATES

The Monmouth Lighting Company has been given permission by the Public Utility Commission to increase its charge for power to the Jersey Central Traction Company from 1 1/2 cents per kilowatt hour to 2 cents.

The company submitted proof that for the year 1918 it had a deficit in the net income after taking account of interest charges of \$32,165.78 and that the corresponding deficit for the year 1919, after the new schedule of rates, granted by the board for other service, had been in effect about two and a half months, was \$10,230.46. An increase of one-half a cent per kilowatt hour on the current sold to the traction company would have resulted in no deficit at the end of 1919, said the board.

The board said it was stated that it cost the lighting company 3.68 cents per kilowatt hour to serve the traction company. While the board was inclined to question the accuracy of this, it pointed out that the lighting company proposed to charge two cents, a rate which is so much lower than the claimed cost that no objection could be taken based upon the assumption that losses have not been properly calculated, and as any inaccuracy in the calculation of losses between energy generated and energy delivered would not equal the difference between 3.68 and 2 cents.

The amount charged for the year 1919 at 1.5 cents was \$48,443, and the sum of \$64,487 would have been charged had the rate now granted been effective last year.

"In permitting this increased rate to the petitioner," said the Utility board, "it should not be construed that the board obligates itself thereby to permit an increase in the rates of fare in the proceeding now pending before it in the application of the Jersey Central Traction Company to absorb the increased cost to it. Each case must be considered separately and upon the facts and circumstances existing."

"From the evidence in the present case it is apparent that the existing rate charged by the petitioner to the traction company is insufficient and discriminatory and can only result in an undue burden upon the other customers of the petitioner."

CARE IN OPENING ICE BOX
WILL SAVE ON THE ICE BILL

If the housewives would be more particular to follow the example of the butcher in keeping the icebox closed at long intervals and as much as possible, they would have smaller ice bills. Watch the average woman and even a high priced maid clear away or get a meal and what does she do? Opens the ice box for milk, shuts it, opens it for an egg or two, shuts it, in a few minutes, perhaps opens it for meat, shuts it, etc., any number of times.

The same way with clearing food away. All this may be avoided if one stops a minute to think what must be taken out, and as many things as possible are taken at once. The same principle applies to putting away.

Each opening of the door changes the circulation or current of air inside the box; the contact with the warm air outside warms the inside and causes the ice to melt faster than needed. This is a little economy that most people do not think of.

Oriental Can Resist Great Heat.
Orientals seem to be immune to the fierce heat of the fireroom on ocean steamers and can endure for a great length of time temperatures that would speedily prostrate white men.

FOREIGN BONDS

We have on hand a large number of the following bonds for sale:

GERMANY	ENGLAND	CZECHO-SLOVAKIA
ITALY	HUNGARY	POLAND

Rates and further information concerning the above mentioned bonds may be obtained at our Banking Office.

Money forwarded and Steamship Tickets to and from all parts of the world.

The range that makes baking a pleasure

IN summer, the gas range is a favorite. A cool kitchen makes the work seem lighter. Gas is quick, easily regulated and economical when used for short periods.

For slower baking and cooking, many women prefer the coal range. On chilly days, its genial warmth is welcome. The entire family appreciates having hot water in liberal quantity.

Newport Combination Coal and Gas Range

gives the advantages of both ranges at the cost of one. There are many new and handy features to this up-to-date range. Your dealer will be glad to show and explain them to you.

BOYNTON FURNACE COMPANY

RAILWAY EXPENSES
ARE UP 100 TO 300%

Locomotives Which Cost \$27,876 in 1914 Are Passing \$75,750 Mark.

The average man knows that it costs about twice as much to live now as it did a year or two ago, but few persons know just how much the costs of the railroads they travel on have mounted in the same length of time. Because of the publicity attending the launching of new demands for wage increases by railroad labor the average man knows that the payroll of the carriers has advanced and about how much it has advanced, but there are few who realize just how extensive some of the expense increases incident to railroading have become in the United States.

Locomotives which the carriers were accustomed to paying \$27,876 for in 1914 now cost \$75,750, and there is nothing to show at present that the top price has been reached. This is equivalent to an advance of 171 per cent. In 1914, according to the Railway Age, a railway had to pay interest charges amounting to only about 5 per cent. on the funds it invested in locomotives. Today it must pay as much as 7 1/2 per cent. and may have to pay more on similarly invested funds. Comparing present interest charges with those of 1914, the increase has been some 310 per cent. Continuing, the Railway Age says:

"An average box car bought in 1914 cost about \$1,000, while now it would cost about \$3,000, an increase of 200 per cent. The interest on the investment in the car in 1914 would have been about \$50 a year, while now it would be about \$225 a year, an increase of 350 per cent."

"The foregoing statistics," says the Railway Age, "illustrate the advances which have occurred in the prices of equipment and in the interest that must be paid on the investment in it. The increases in the cost of constructing track and bridges have not been so great, but they have been very large. In 1915 a 50-foot through girder bridge could be bought and installed—not including the masonry—for \$6,427. It would now cost \$15,117, an increase of 135 per cent. These figures are based upon records of the actual expenditures of a certain road. In 1915 this road paid \$12,550 per mile for merely the rail, track fastenings, ties and ballast used in the construction of a new main track. The same materials would now cost \$20,234 an increase of 110 per cent. For like classes of material used in building a mile of side track, including two main track turnouts, this road in 1915 paid \$8,620. The same materials would now cost \$16,914, an increase of 96 per cent."

"One important cause in the increase in railroad expenses is the advance in the price of all commodities and therefore in the amounts that the railroads have to pay for loss and damage to freight. A carload of apples in 1909 was worth \$900, while today it is worth \$2,300, an increase of 155 per cent. In 1909 the freight revenue on a carload of apples from Yakima, Wash., to St. Paul was \$225, while today it is \$319.50, an increase of only 25 per cent. If a railroad paid a claim for the complete loss of a carload of apples in 1909 it took the freight revenue from three and a half carloads of apples, while now it would take the freight revenue from seven carloads."

"A certain railway was recently presented a claim for \$4,511 for the loss of a carload of beef. The high value of the beef was, of course, principally due to the increases in prices within recent years. The freight earnings from the shipment were \$113.40. Therefore, if the railway has to pay the entire claim it will take the revenue from forty similar carloads of freight—an entire trainload."

"There is hardly a branch of railroad operation in which unit costs have not increased 100 to 300 per cent. within the last five years."

SATURDAY, JUNE 26, 1926.

THE FIRST METHODIST EPISCOPAL CHURCH NOTES

The Anniversary services came to a close on Sunday evening when the Rev. J. D. Bills preached to a large congregation. Dr. Bills was at his best and gave a very helpful and inspiring discourse on the "Glory of the Cross." The music was also splendid at this service.

Notwithstanding the stormy weather during the week the services were fairly well attended. Every service was a good one.

The service on Thursday evening was a delightful one, when five of the former pastors of the church were present and spoke. This was a service of reminiscences and was quite humorous. Rev. Mr. Abbott who was pastor when the church was on Broadway related some experiences of that time. Rev. Mr. Edwards who was pastor while the present church was built also had some interesting things to tell. The pastors told of their experiences while here.

After the addresses of the evening the pastors and people had a little social time together.

A card was read from Rev. Zelley who could not be present because of sickness. The congregation joined in singing a hymn which had been written by Dr. Zelley. A letter of sympathy was ordered to be sent to him by the pastor, from the congregation assembled.

The congregation on Friday evening enjoyed singing the patriotic songs as they were thrown on the screen, also the social time which followed.

One of the special features of the Anniversary Sunday was the birthday offering made by the people to the church. Nearly seventy-five dollars were given in this offering, which will more than cover the expenses of the Anniversary. Thanks to all who had a part in it.

The services on Sunday will be as follows:

Class meeting led by Mr. L. E. Tice at 9.30.

Preaching and Junior Church 10.30.

Sunday School 2.30.

Song service and preaching 7.30.

The topic for the Juniors will be: "The Builder Who Cheated Himself."

The subject of the morning sermon will be "True Worship." The subject in the evening will be: "A Foolish Man."

Wednesday evening 7.45, Prayer Meeting and Epworth League combined.

Thursday evening, July first, regular monthly meeting of the official board at 8 o'clock.

Friday evening Choir rehearsal 7.45.

The Church with a Cordial Welcome to all.

PRESBYTERIAN PARAGRAPHS

Humility and Arrogance! We surely enjoyed our consideration of this subject last Sabbath. To such an extent that we have again decided to treat of it from a little different angle; and this is our subject: "Humility—Who Shall Be the Great?" For questions of priority are truly vexed questions wherever men are gathered together. How did Jesus answer this question? His answer is final!

And what a Friend He could be—no, what a Friend He is! But friendship involves something more than receiving benefits of that relationship. Are you "A Friend of Christ?" He said: "You are my friend if you do what I command you." Can you measure up? There you have his condition!

Our Communion service approaches—the morning of July 4th; and, therefore, next Wednesday evening will be our quarterly Pre-Communion service, and we will discuss the question: "Why Use Bread and Wine?" If you should be asked that question, could you answer it authoritatively? Do you know what Jesus used at The Last Supper?

Tuesday evening, the 29th, at 8 o'clock, the Joint Executive Committee, (Elders and Trustees), meet in the Lecture Room of the church for matters of important consideration. Every officer of this church is expected to be there or send word why he must be absent. Take notice, officers!

We expect the new Directories of the Church soon, and same will be distributed to every family as soon as we receive them.

Copies of the outline of the pastor's sermon for Children's Day to the young people, on "Culloden Flowers," were printed, and distributed at the morning service in both Sabbath School and Church, last Sabbath. We hope that from time to time we may be able to do this as occasion warrants.

This Sabbath evening the young people have asked the pastor to be the leader of their Y. P. S. C. E. service at 6.45 o'clock. The subject is: "Living Up to Our Responsibilities." Matthew 25:14-30.

Peculiar "Cradles."

An infant in Guinea is usually buried in sand up to its waist whenever the mother is busy, and this is the only cradle it ever knows. The little Lapp, on the other hand, fares most luxuriously in its mother's shoe. These Lapp shoes are big affairs of skin stuffed with soft moss and can be hung on a leg or tree branch safely out of the way. The Chinese baby is tied to the back of an older child, who goes about as play quite ignoring its burden.

Maledy of Doubt.

There are plenty of people who think that to doubt everything shows common sense and shrewdness, whereas it may indicate only a narrow-mindedness. But there is an uneasy doubting of one's self which, if not resisted, may become almost a disease. Often, though perfectly sure that we did lock the door, or deliver an injunction, or put a memorandum in our pocket, we nourish the doubt all day, or turn out our pocket on our way to work. One symptom of this maledy is the hurried, worried search for a missing article in every place save where it usually is, and the astonishment at finding it there.

CORINNE GRIFFITH

It was particularly appropriate that Albert E. Smith, president of Vitagraph, should have selected Corinne Griffith for the leading role of Clyde Fitch's "The Climbers," for she has been steadily climbing ever since she left her home in the south to become a film player. Now she has reached the top rung of film success. In addition to her imposing personal appearance and histrionic talent, Miss Griffith has the happy faculty of wearing beautiful and unusual gowns with grace and has had a splendid athletic training. Some of her most recent features have been "A Girl at Bay," "The Tower of Jewels," "Human Collateral" and "Deadline at Eleven."

A Face to Face Talk!

This Man Realizes What a Gas Range Means to His Wife

If you realized the comfort a Cabinet Gas Range means to a woman, how it saves her time and work; preserves her health; keeps her kitchen looking neat and tidy; removes the doubt from cooking and makes the preparation of meals a pleasure, you would not let YOUR wife be without a range another day.

You would either buy one yourself or have your wife stop in at our showroom and select one to suit her. Our prices include installation. 5% discount for cash.

If you prefer, phone or write, and our representative will call and explain all about ranges and water heaters, gas irons, ironing machines, laundry stoves, clothes dryer and other labor saving devices.

"QUACK" Pills Won't Stop THIS Backache

But a
Western Electric
WASHER
and
WRINGER
Will

It's no longer necessary for you to waste your time and strength, pin, and clothes on an old-fashioned rubber board. That's the wasteful and painful way to wash. For it makes wash day one of wear and tear on both you and your clothes. The solution, convenient way to wash is to let electricity do the hard work. With the Western Electric Washer and Wringer all you have to do is run your clothes in the automatic cylinder, which, by revolving, scrubs and wrings them thoroughly, cleans, rinses, and wrings them dry. With the clothes wringer you can be doing your other household work.

You don't even have to turn the wringer, it's built to do the work for you. It's the only machine that does the work for you. It's the only machine that does the work for you. It's the only machine that does the work for you.

Don't be tied to a Furnace

A Boynton Square Pot Furnace only needs a few moments of your time each day. Fuel is completely consumed without waste—free from gas and with little ash. It is remarkably clean and economical of fuel.

The square firepot is found only in the Boynton and it is the feature that saves money. When ashes and clinkers line the edge of your fire, there is a loss, for the heat from the center must work its way through to the radiating surface.

The Boynton Square Pot has almost perpendicular sides, corrugated surface and square corners. Ashes drop perfectly around the outside, with little assistance from the extra long grate bars. A good fire and perfect draft make temperature regulation simple.

Ask your dealer—or shall we mail you details?

The South Amboy Terra Cotta Co. has openings for a few steady men who will apply themselves to learn Trades. Good pay while learning. Yard labor is also wanted. Apply at factory or to Mr. M. F. Nagle, 210 John Street.

ODDS AND ENDS

Mrs. Theo. E. Armstrong, of Augusta street, has rented a garage at the foot of Borden town avenue, for the months of July and August, to be utilized as bathing quarters for her family.

There will be a special meeting of the Woman's Auxiliary to the American Legion at the rooms Monday evening, 8 o'clock, to make preparations for the Summer Dance next Thursday. The next regular meeting will be held July 12th.

A big class will be initiated at meeting of Joel Parker Council No. 69, Jr. O. U. A. M., this Friday evening. Meeting opens at 7 o'clock. The State Council officers will be present, and refreshments will be served.

The commencement exercises of St. Mary's School were held Wednesday evening in the school hall. There was a large attendance of parents and friends of the scholars who enjoyed the excellent program rendered.

Sunday will be a great day for St. Mary's parish, when the doors of the beautifully improved and renovated church will again be thrown open for services. Rev. Bishop Walsh will be present, and a large class will be confirmed at the 9 o'clock service.

On Thursday afternoon a card party was held at the home of Mrs. John Conover, Stevens avenue. The prize was \$10.00, given by the hostess to be donated to the South Amboy Hospital. It was won by Mrs. John J. Scully, who presented it to the Woman's Auxiliary of the hospital.

A room for minor operations will be added to the South Amboy Hospital.

Edward Simonson, an employee of the Public Service Gas Company, when reading meter in a house recently fell down stairs and broke his knee cap.

Edward J. Peterson of Perth Amboy has announced himself as an aspirant for nomination as member of the General Assembly on the Republican ticket.

Francis De Sales Segrave of this city graduated from St. Peter's High School, Jersey City, on Friday, June 18, with high honors.

The greatest obstruction to the extension of Stockton street seems to be that the property needed is exalted and special court action would have to be taken in order to receive a proper title.

Charles Chapman of Second street was placed on the retired list of the Pennsylvania railroad on June 1, after 47 years of continuous service. He was employed in the machine shops of the company, and now retires with an excellent record of having served his employers faithfully and honestly all these many years. Mr. Chapman is still in good health and able to do many years of labor, but the rules are when the age of seventy years is reached the employee must retire.

LITTLE FOLKS GET TO THE TABLE - JUST AS FAST AS THEY ARE ABLE

Do you remember your youthful appetite—how it used to stand on its hind legs and wonder when dinner would be ready? Well, you can again make it sit up and take notice if you purchase at this shop of good foods and politeness.

Watch for Mr. Happy Party

BOARD OF EDUCATION

HOLDS BRIEF MEETING

The regular meeting of the Board of Education was held Tuesday night at the office of the superintendent of schools with the following present: Messrs. R. M. Mack, W. J. Woodward, R. V. Rue, Secretary James S. Holton, Superintendent of Schools O. O. Barr, and Principal J. H. Dawson. The meeting was held on Tuesday night, on account of Wednesday night, the regular meeting night, being given over to the graduating exercises.

As no communications were in the hands of the secretary, the bills and claims were next taken up. The following bills were ordered paid by motion of Mr. Rue:

Anton Orgelfinger	6 56
S. A. Curtis	3 84
J. William Urnstrom	11 00
M. Applegate	9 75
Henrietta S. Pearce	9 75
O. O. Barr	6 66
John McAuillie	60 00
Public Service Gas Co.	2 76
George R. Delaney	2 70
M. Kaufman	52 27
Montalvo	5 05
N. Y. Telephone Co.	13 15
Three "B" Supply Co.	3 80
Monmouth Light Co.	23 77
C. I. Bergen	3 20

In the absence of Mr. F. P. Coan, chairman of the teacher's committee, Mr. Barr recommended Mr. Elmer S. Brown of Reading, Pa., to the position of Manual Training Instructor for the next year, at the salary of \$1,600. Recommendation was also made for the transfer of Miss Josephine James, now teaching the fourth year, to teacher of the special class, at an increased salary of \$20 per month. Mr. Barr stated that he has had some difficulty in securing a teacher for the special class, and that if the board confirmed the recommendation it would mean that Miss James would have to take extra school work at Rutgers during the summer months, to prepare for this line of work. Mr. Barr also recommended that Miss Marion Oliver be appointed to fill in the vacancy in the fourth year caused by the transfer of Miss James, the salary question to be left in the hands of the teachers' committee. All the recommendations were confirmed by motion of Mr. Woodward.

Mr. Barr stated that the supplies for the next year had arrived, the embargo having been lifted for one day and as a result the supplies were fortunately slipped through. Mr. Barr reported that he had turned over to the secretary \$77.49; \$6.45 received from special class for canning chairs; \$8.41 for fines on books and supplies; and the balance \$64.63 from the Domestic Science class.

On motion of Mr. Rue, Mr. Barr was elected to go to the Summer Convention to be held in Ocean City, July 12th to 17th, and the secretary instructed to draw check for \$30.00 to cover expenses.

The United Societies of the Sacred Heart Parish will hold a picnic on the school grounds on July 5. Everybody invited and a good time assured. Don't forget it.

A Rhode Island Clambake will be held at White Brown's farm, Cheesapeake road, on Sunday, July 25. Bake served at 1.30 p. m.

A woman's idea of a hideous gown is one that is out of style.

M. LAMBERTSON
350 Borden town Ave South Amboy

The H. C. of L.

has forced people to be more thoughtful in their purchases than ever before.

They have been able to make their income go farther by paying more for their clothing, getting better quality and wearing it longer.

How, then, can this same principle be applied to shoes?

First, by buying shoes for a purpose—shoes for business and shoes for dress. It is false economy to have only one pair, no matter how good they are, because one pair of shoes, worn day after day, will not give you maximum service.

Don't buy light-weight shoes and expect them to do the work of heavier ones.

Don't expect fine dress shoes to stand the wear and tear of every day. Have a pair for ordinary wear and one for dress. You preserve their appearance as well as insuring service.

We have always specialized in the better grades of Men's and Boys' Footwear that we know are right in style, price or quality. Any shoes bought from us must "make good" or we will.

Shoes. Furnishings. Made to order Clothing.

SATURDAY, JUNE 26, 1920.

CHAMBER OF COMMERCE TO TAKE UP LABOR PRINCIPLES

South Amboy business men, as represented in the Chamber of Commerce, will record their views soon on twelve important labor principles drawn up by a special committee of the Chamber of Commerce of the United States.

The declaration of principles constitutes the thirty-first referendum vote taken by the National Chamber. More than 1,300 trade and commercial organizations, members of the national body, are entitled to vote. The local organization has received from the National Chamber also a referendum pamphlet carrying the recommendations of another committee that measures should be taken to prevent public utilities employees from striking.

The National Chamber's policies are determined as a result of these referenda, which are laid before the government departments and before Congress as representing the consensus view of business interests throughout the country on vital questions.

The first referendum was prepared by the Washington headquarters of the National Chamber after study by a special committee which was appointed after the close of the President's First Industrial Conference to consider the principles presented by the employer's group in the conference. The committee states its belief in the following principles:

I. Any person possesses the right to engage in any lawful business or occupation, and to enter, individually or collectively into any lawful contract, either as employer or employee. These rights are subject to limitation only through a valid exercise of public authority.

II. The right of open shop operation, that is, the right of employer and employee to enter into and determine the conditions of employment relations with each other, is an essential part of the individual right of contract possessed by each of the parties.

III. All men possess the equal right to associate voluntarily for the accomplishment of lawful purposes by lawful means. The association of men, whether employers, employees or others, for collective action or dealing, confers no authority over, and must not deny right of those who do not desire to act or deal with them.

IV. The public welfare, the protection of the individual and employment relations require that associations or combinations of employers or employees, or both, must equally be subject to the authority of the State and legally responsible to others and that of their agents.

V. To develop with due regard for the health, safety and well-being of the individual, the required output of industry is the common social obligation of all engaged therein.

The restriction of productive effort or of output by either employer or employee for the purpose of creating an artificial scarcity of the product or of labor is an injury to society.

VI. The wage of labor must come out of the product of industry and must be earned and measured by its contribution thereto. In order that the worker, in his own and the general interest, may develop his full productive capacity, and may thereby earn at least a wage sufficient to sustain him upon a proper standard of living, it is the duty of management to cooperate with him to secure continuous employment suited to his abilities, to furnish incentive and opportunity for improvement, to provide proper safeguards for his health and safety and to encourage him in all practicable and reasonable ways to increase the value of his productive effort.

VII. The number of hours in the work day or week in which the maximum output, consistent with the health and well-being of the individual, can be maintained in a given industry should be ascertained by careful study and should never be exceeded except in case of emergency, and one day of rest in seven, or its equivalent, should be provided. The reduction in working hours below such economic limit, in order to secure greater leisure for the individual, should be made only with full understanding and acceptance of the fact that it involves a commensurate loss in the earning power of the workers, a limitation and a shortage of the output of the industry and an increase in the cost of the product, with all the necessary effect of these things upon the interests of the community and the nation.

VIII. Adequate means, satisfactory both to the employer and his employees and voluntarily agreed to by them, should be provided for the discussion and adjustment of employment relations and the just and prompt settlement of all disputes that arise in the course of industrial operation.

IX. When, in the establishment or adjustment of employment relations, the employer and his employees do not deal individually but by mutual consent such dealing is conducted by either party through representatives it is proper for the other party to ask that these representatives shall not be chosen or controlled by, or in such dealing in any degree represented, any outside groups or interest in the questions at issue.

X. The greatest measure of reward and well-being for both employers and employees and the full social value of their service must be sought in the successful conduct and full development of the particular industrial establishment in which they are associated. Intelligent and practical cooperation based upon a mutual recognition of this community of interest, constitutes the true basis of sound industrial relations.

XI. The State is sovereign and cannot tolerate a divided allegiance on the part of its servants. While the right of government employees—national, state, or municipal—to be heard and to secure consideration and just treatment must be amply safeguarded, the community welfare demands that no combination to prevent or impair the operation of the government, or of any government function, shall be permitted.

XII. In public service activities, the public interest and well-being must be the paramount and controlling consideration. The power of regulation and protection exercised by the State over the corporation should properly extend to the employees in so far as may be necessary to insure the adequate, continuous and unimpaired operation of public utility service.

The second referendum submitted consists of two recommendations drafted by the Chamber's Committee on Public Utilities. These recommendations are that:

"Strikes by employees of all public service corporations, performing public service essential to the lives, health, well-being and comfort of the people should be explicitly prohibited by law.

"Suitable tribunals should be created by law to adjudicate differences between employees of public service corporations and their employers, and the decisions of such tribunals should be final and binding upon both parties."

The subject came before the Chamber from the Merchants Association of New York, and the presidents of the principal business organizations of New York City.

Tin Miners Have Privileges.
The men who work in the Cornish tin mines are a class by themselves, and all their differences are adjusted by the stannary courts, as they are called from the Latin word stannum, meaning tin. These curious courts have existed in their present form since the middle of the thirteenth century, and in a simpler form, much earlier; and the miners claim to be free from all other jurisdiction, "except in matters affecting the land, life or limb."

Religious Discrimination.
In Hungary, for Roman Catholics, the man must be fourteen years old and the woman twelve, before they may marry; for Protestants, the man must be eighteen and the woman fifteen.

WILL AGAIN HONOR MAGELLAN

Quadracentennial of His Famous Voyage Likely to Be Appropriately Observed in 1921.

March, 1921, will be a good time to visit the Philippines, for it will then be an even 400 years since Fernando de Magallanes, as he was named in his native Portuguese, although better known, as English usage afterward changed it, by the name of Ferdinand Magellan, first visited the islands, discovering and taking possession of them for the crown of Spain. And plans are now under consideration to celebrate that anniversary in a way to outdo any celebration ever held in the Orient. One will hear, no doubt, a great deal about Magellan in the next 12 months, and the first navigator of the Pacific will reappear in newspaper columns and magazine articles; nor is it unlikely that his counterfeit presentment will rediscover the Philippines in a proper pageant. The celebration, indeed, comes at an appropriate time, for the Pacific ocean is only just assuming reality in the thoughts of the great majority of Americans, and it provides historic background against which the modern islands can display their products, their development, and their opportunities for the investment of American capital. Like Columbus, Magellan was not seeking new lands for Spain. He set out to find a passage from the Atlantic to the ocean that Balboa had seen some years earlier on the other side of the continent, and having passed through the straits of Magellan, he believed that he was steering for the Moluccas, or Spice Islands. And so, incidentally, he found the Philippines.

COMES OF ANCIENT FAMILY

Danish Minister to Iceland Traces Origin to First White Man Born in America.

Information has been received from Copenhagen that the Danish consul-general in London, J. E. Boeghild, has been appointed Danish minister to Iceland. Mr. Boeghild is widely known in America, having been Danish consul in San Francisco and Chicago, consul-general in New York and commercial adviser to the Danish legation in Washington.

Mr. Boeghild seems especially fitted for this post, as he has Icelandic blood in his veins. On the maternal side he is descended from the Tullius family of Iceland, which traces its origin back to Thorfinn Karlsefni, one of the famous Norsemen who discovered America nearly one thousand years ago.

Karlsefni, of whom a statue was recently erected in Philadelphia, was the first white man to settle in America, spending two years in "Vineland," where his wife, Gudrid, gave birth to a boy, who was called Snorri. From Snorri descended a numerous and distinguished lineage, among whom is numbered the Tullius family, and the now minister to Iceland can thus lay claim of being descended from the first white man born in America.—Detroit News.

Cook With Oil on Warship.

The Hood, the monster mystery battleship, launched from the Clyde the other day, is fitted out with a large oil-fuel cooking galley. For several years past the use of oil fuel has been common in the British navy for propulsion purposes, but its employment for cooking is quite an innovation. The galley referred to is capable of cooking for 1,200 men. The heat is obtained by means of special burners, which consume the oil under pressure, compressed air being used to atomize the fuel. The result is a white flame of extraordinary heat and cleanliness, which leaves no residue whatever and is easily controlled. There is an entire absence of smell—a usual disadvantage in cooking by means of oil—and there is no chance of the food being contaminated.

The Earth's Crust.

The most important scientific investigation of the past year in any country has probably been the attempt to measure the earth's crust. We know very little about the shell on which we live. Scientists have been studying the problem in Hawaii, Tuscany and Salvador, where the opportunities for investigation are especially favorable. Many data new to science have been collected concerning the shell, its composition and probable age. Still other tests have been made in New South Wales, where a great reservoir concentrates an immense weight of water on a limited area, and instruments have been devised to measure the movement of the earth's crust under this weight. New light has thus been thrown on the action of volcanoes.

Hardest Tool-Steel Yet Discovered.

When a tool becomes dull, time is required to sharpen it, and time in a machine shop is expensive. A tool that will cut hard materials and still keep its edge saves both time and money. Eleven years ago Professor J. O. Arnold, of Sheffield, England, invented the alloy of steel in which the metal vanadium was introduced to provide a cutting power greater than that of other steels. As a result very rapid production became possible. He has now produced a steel of even greater cutting power in which the alloy molybdenum replaces the tungsten present in all vanadium-alloy steels, forming six per cent of the steel instead of the eighteen per cent of tungsten. It eclipses the cutting power of all its rivals.—Popular Mechanics Magazine.

SPEED

With the present wages you can't afford to have your workmen idle.

There will be no lost time on your job if the materials are ordered from us.

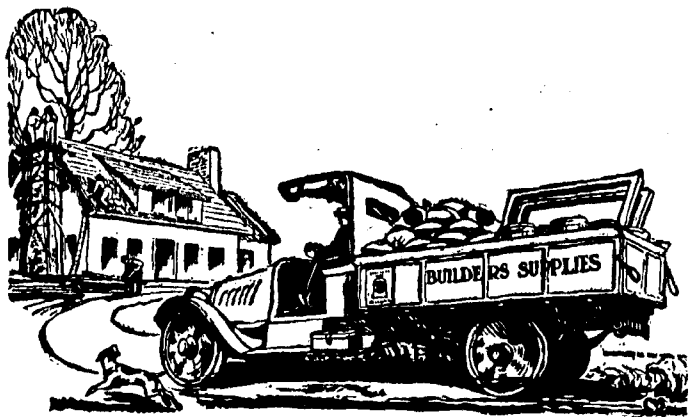

Why?

Because "Speed and Satisfaction" is the basis of our service. We're in business to deliver the goods and you can depend on the same close attention and courteous treatment at all times. The size of your order does not regulate our Service.
