Two Companies Make Application to Council For Franchise to Run Ferry to Staten Island

TWO COMPANIES SEEK FRANCHISE

To Run Ferry From this City To Staten Island — Both Want Same Landing Place — Treasurer Authorized by Resolution to Write Off \$450.00 Difference.

At Tuesday night's meeting of the Common Council, ordinances were introduced granting permission to the South Amboy and Staten Island Ferry Company to operate and maintain a ferry between the City of South Amboy and some point on Staten Island. A similar ordinance was introduced giving the right to the Jersey Coast Ferry Company, Inc., of 280 Broadway, New York City. Since both ordinances contain a clause giving the exclusive right to all ferry operation from the City of South Amboy, it is understood that the company which first secures the New York franchise will be the one to operate the ferry. Both ordinances were laid over under the rules.

The ordinances give the ferry company the right to construct, operate and maintain the necessary docks, wharves, and bulkheads, slips, basins and harbor structures. The franchise is for a period of fifty years, and the terminus in this city is to be at the easterly end of Henry street at what is known as the "city dock." The company is given the right to make such alterations and changes in the structure of the dock as necessary, and during the life of the franchise shall make such repairs to the dock as are necessary. The company shall maintain a half hourly service between this city and the Tottenville shore, with permission to alter the schedule in the summer to take care of increased traffic.

The company, under terms of the ordinance, must pay all expenses incident to the passage and printing of the ordinance within ten days of the incurring of the expense.

The company is to maintain sufficient boats manned by skillful servants at all times for the needs of the ferry, and shall not refuse or delay the carriage of passengers, horses, vehicles, or goods.

Earlier in the evening, the application of the Jersey Coast Ferry Company for the franchise was submitted by W. T. Van Brunt, vice president. The communication stated that it was the intention of the company to place the ferry in operation as early in the spring as possible. They requested the use of the city dock, with the right to tear down, build up, or handle the property in any way decided by them to be for the best interests of the ferry, and to give the public the best possible service.

The following communication was received from the R. F. Carroll Company

October 25, 1921.

Mr. Andrew Kvist, Chairman of Finance Committee, South Amboy, N. J.,

Dear Sir: We beg to advise the council through you, that Article 14, Section 18 of the Municipalities Act, Chapter 152, P. L. 1917, provides a method of handling municipal finances, by which all Boards and Departments, except schools must be operated in the regular way; that is, their receipts shall be paid into the general treasury of the city, and their expenses paid by check therefrom. This law is explained more fully in a letter issued by Attorney General, Thomas F. McCran to State Commissioner of Accounts, Mr. Walter R. Davis, dated Trenton, N. J., July 17, 1919.

In quoting the above Article 14, we have in mind the irregular way your Board of Health is now administered, and wish to advise, that it would be well to conform with this Article 14, of the state laws. Also, in going over the books for

the month of October, we find that the difference in cash as at January 1st, 1920, has not been cleared up. Something ought to be done in the matter, in order that this can be taken off the books.

Also, the previous Collector's Account now shows a balance of about \$234.00 still due from him. In this matter, Mr. Coan, the Solicitor, asked us for a letter which we gave him, and we thought at the time that the matter would be cleared up, but we still find that it remains unpaid on the books.

Very truly yours,
R. F. CARROLL & COMPANY,
By R. F. Carroll.

During the course of the meeting a resolution prepared by the City Solicitor was introduced and adopted, authorizing the city treasurer to "write off" the difference existing prior to January 1, 1921, in the amount of \$450.00, the difference being declared to be "more imaginary than real."

An ordinance was introduced vacating that section of Pine avenue within the Public Service Trolley Company's "loop," and was laid over under the rules.

An ordinance authorizing City Engineer, A. T. McMichael to prepare an assessment map of the city at a cost not to exceed \$2,500, and to be paid for in three equal annual installments, was introduced and laid over under the rules.

Report of Overseer of the Poor, Thorpe, showing expenditure of \$116.90 in his department for the month of October was received and filed.

Councilman Lovely asked why the ordinance introduced at the last meeting naming Nels Kvist as janitor of the water plant was not presented for second and final reading. City Clerk Cookley stated that Councilman Kvist had directed him not to present the ordinance.

Upon motion the meeting adjourned.

TRAIN HITS AUTO TRUCK AT EAST SPOTSWOOD

Joseph Satarilo of Perth Amboy sustained a broken collar bone and internal injuries, while Max Hafner a driver for Samuel Bowne of Perth Amboy, was badly shaken up when their automobile truck was struck by a P. R. R. train at East Spotswood about 6 o'clock Monday evening.

The truck was crossing the tracks, bound for Perth Amboy, when an eastbound railroad train, also going to Perth Amboy, crashed into the rear of the machine. The truck was badly damaged, the rear wheels being torn off, and the two occupants of the machine were thrown to the ground.

Both men were picked up by the train crew and placed on the engine and rushed to the Perth Amboy City Hospital where they were treated for their injuries. Hafner was permitted to go home after receiving first aid, but Satarilo, a boy about seventeen, was kept at the hospital. It is not believed that his injuries will prove serious, however.

The road runs parallel with the railroad track for a considerable distance and then crosses the tracks and continues parallel. It was at this crossing that the accident occurred.

THANKSGIVING EVE DANCE.

The Knights of Columbus of this city have decided to keep the interest and enthusiasm of the lovers of good, wholesome pleasure at fever heat for the remainder of the dying year. To that end they are now arranging for a dance, the nature and kind to be decided at a meeting of the committee to be held Sunday afternoon, at 2 o'clock. The dance will be held on Thanksgiving Eve., November 23rd, 1921. A large committee under the energetic leadership of Nicholas J. Howley has been appointed by Grand Knight Timothy F. Duggan. The Grand Knight promises that this first event in his administration will surpass all former affairs of the local Council.

CLAIM LARSON EVADES ISSUES

DeVoe Presents Pertinent Questions at Highland Park Meeting of Women Voters and Asks Larson to State His Position—Meeting Largely Attended.

Former Assemblyman Fred W. DeVoe, who is the Democratic candidate for State Senator, charged his opponent, Morgan F. Larson, with side-stepping and evading the issues of the campaign, in his address before a large mass meeting of the women voters of Highland Park, held on Wednesday evening, November 2nd, at the High School in Highland Park. The meeting was very largely attended and very enthusiastic and the applause with which Assemblyman DeVoe was received indicated that the women of the community are solidly behind his candidacy. It was pointed out by women speakers that the women of the County owed a vote to Mr. DeVoe on his record in the Assembly where he was a strong advocate of Women Suffrage, Soldiers' Bonus, Women's Welfare Bills, Public School questions and other matters of interest to not only the women but all of the tax payers in Middlesex County as well.

In his remarks, Assemblyman DeVoe called attention to the fact that his opponent has failed to answer or meet any issue of the campaign and made a brief summary of the more important issues and called upon Mr. Larson to state his position regarding them. "I am going to repeat some questions I have asked of my opponent, Mr. Larson, on a number of occasions," said Mr. DeVoe, "and remind him that the people of Middlesex County will not stand for any pussy-footing on these issues:

1. Are you for patented pavements, and is it true, as reported, that the patented pavement trusts are behind your candidacy? (Mr. DeVoe stated that he is against patented pavements and for concrete roads).

2. Will you vote for Senator Parys bill which bars patented pavements? (Mr. DeVoe pledged himself to vote for Senator Parys' bill).

3. Will you work for the establishment of the County Tuberculosis Hospital? (Mr. DeVoe has pledged himself, in his platform, for this improvement).

4. Why have you, Mr. Larson, entirely ignored in your addresses and public statements and replies to questionnaires, any reference to the Van Ness Act? (Mr. DeVoe has issued public statements on several occasions in reference to his stand on the Van Ness Act, which statement is as follows: As long as prohibition is the law in our country, I favor its strict enforcement. If experience proves that the so-called Van Ness Act is the legislation necessary to enforce prohibition, then I say the Van Ness Act should be continued."

5. Will you pledge yourself to work for the advancement of the Public School System, including the Vocational School System? (Mr. DeVoe called attention to his record made in the Assembly where he evoked and voted for important Public School legislation).

6. Will you work for State aid for the Rural School districts? (Mr. DeVoe is pledged in favor of this matter).

7. You have advocated economy. Did you, while you were City Engineer of Perth Amboy, accept \$63.00 in fees from the City of Perth Amboy, for the supervision of a water reservoir and which fees were paid to you by the City of Perth Amboy in addition to your salary as City Engineer? I ask you

if that is the kind of economy you intend to practice if you are elected State Senator? The Tax-payers of Perth Amboy and Middlesex County are very much interested in this question.

8. You have evaded the Sunday question. Are you in favor of the commercialization of the Sabbath? (Mr. DeVoe is pledged against the commercialization of the Sabbath).

Mr. DeVoe called attention to the ladies present to his record in the Assembly during two terms as a representative from this County and asked them for their support, if they considered that he deserved promotion to the State Senate.

MIDNIGHT HOLD-UP OF TROLLEY CONDUCTOR

A Public Service trolley car bound from this city to New Brunswick, was held up by two masked bandits at 12:30 o'clock Tuesday morning near the Deep Cut bridge, and the conductor, John Swioski, was robbed of \$20 which was all the money he had.

There were no other passengers on the car at the time. The two men waited beside the track, apparently intending to board the car. As it slowed up and they swung aboard the conductor saw that they were masked.

Both men covered him with revolvers and ordered him to bring the car to a halt. He signalled the motorman to halt, and while one of the men covered the latter, the other went through Swioski's pockets. Taking the money, they jumped to the ground and disappeared into the woods.

As soon as the car reached this city, the hold-up was reported to the police, and Prosecutor Stricker's office was notified of the case. An investigation has been started and an effort is being made to locate the men.

No description of the bandits was obtained except that both wore dark clothing and caps.

Linen Shower for Hospital Success.

The Linen Shower given by the members and friends of the First Methodist Episcopal church on Sunday, October 23rd, for the South Amboy Hospital was a great success. After turning the money given into linen, the Committee was able to turn over to the hospital, twenty bed sheets, thirty-four pairs of pillow cases, and nineteen towels. The officials of the church wish to thank every one who helped in making the shower a success.

CHRISTMAS BAZAAR AT CHRIST CHURCH PARISH HOUSE

The people of Christ Church Parish will hold a Christmas Bazaar in the Parish House on December seventh to tenth inclusive. The chairman and manager is Mrs. Edward Hardy, assisted by the heads of the units of St. Martha's Guild.

A sale of moderate priced articles suitable for Christmas gifts will be offered—fancy goods, bags, covered boxes, baskets, party favors, books, snokes, food and raiment. Special effort is being made by Miss Sophie Hillmann to present an attractive line of Christmas cards, tags, and photographs. Religious cards and others suitable for Christmas greetings, have been sent from England, France, and Belgium. So wait to buy until you see her offerings.

The first floor of the Parish House is to be devoted to dancing, the music under the direction of Charles Europe's orchestra from New York City.

Don't forget these dates and plan to do your Christmas shopping with little expense—and much pleasure. Wednesday, Thursday, Friday, and Saturday, December 7th, 8th, 9th, and 10th.

Mr. and Mrs. Fred Wheeler of Parker avenue were week-end visitors to New York. Mr. Wheeler returned in time for church Sunday evening. Mrs. Wheeler is still visiting with friends in New York.

AN APPEAL TO VOTERS OF CITY

Republicans Praise Business Administration of this City — Promise Relief to Bergen Hill and Mechanicsville by Widening "Hole-in-Wall" and Bridge Over Tracks.

It is very essential that every voter of both sexes exercise their franchise at the polls of this district for the following reasons:

Our neighbors at the Mechanicsville end of our ward have been handicapped for years with the condition of the Hole-in-the-Wall, which has been their only means of access to our city, isolating them from us, a condition that should have been remedied long ago.

At the Bergen Hill section also there is need of a direct means of communication via a foot bridge for pedestrians to and from Mechanicsville.

In order to bring this to a realization we must select our neighbor, Mr. Jacob Shuey, who has served this ward and city honestly and faithfully, who with the candidates on the Republican ticket for Freeholder is pledged to bring the above conditions about: namely, a foot bridge connecting Bergen Hill and Mechanicsville and two ten-foot right and left driveways and a five foot sidewalk through the Hole-in-the-Wall.

The three Republican Councilmen, of whom Mr. Shuey is one, deserve credit for the way they have served the city and the progress they have made in spite of the tangled conditions they found our city in upon taking office. It is the best interest of the city to elect Mr. Shuey to the City Council in every issue.

January 21, 1921, gave him the advantage of being with the majority. This Republican majority fell their to the great unpaid-for monument to the former Democratic administration, namely the New Water Plant, and such a mix-up and tangled condition of affairs that affairs seemed hopeless. Mr. Shuey and his fellow-republican members had many unpleasant problems before them.

Their first move was to engage Richard Carroll to audit the city accounts, who had been opposed by the former majority and by the present Democratic minority. The result of Mr. Carroll's audit is now the history of South Amboy and showed clearly the manner in which our city had been run. Our Councilman-at-large, Mr. Charles H. Stockton, and his Republican majority started one of the first business administrations this city has known for some time and have taken the "Dead Bull" left by the former administration by the horns and are bringing order out of chaos.

Mr. Shuey, who is a practical engineer, is of great value to our city as a member of the water committee, being familiar with all its working as well as being closely in touch with all other affairs of the city. (Paid for by Republican City Committee).

SCULLY HAS SEDAN STOLEN.

A sedan auto owned by Edward Scully of this city, was stolen from Amboy avenue and Ridgeway street, Perth Amboy, Saturday night. The car bore the license number 150,281. N. J. and the authorities of the surrounding municipalities have been asked to look for the machine.

DEMOCRATS TO HAVE BIG RALLY AT AUDITORIUM

The Democrats of this city will hold a big mass meeting at the High School Auditorium this Friday evening, to which all men and women are cordially invited. Prominent speakers will be present among whom will be Assistant Prosecutor John E. Toolan, Mrs. Campbell of Middlesex Borough, who pleased the ladies last fall when she appeared here, has promised the committee that she will attend the meeting and give a brief talk.

All the candidates for State, county, and local offices will be on the platform and present their issues before the people.

It is hoped that the Auditorium will be filled this Friday evening by voters who desire to hear the political issues of the day discussed.

On Monday evening, November 7, there will be a Democratic meeting held in the Sacred Heart Hall, to which the public is invited. This will be the winding up of the campaign, and a large attendance is desired. Among the speakers will be John A. Coan and Francis Monaghan, who will present reasons why the Democratic ticket should be supported this fall. All the candidates for the various offices have promised to be present.

K. OF C. AND C. D. OF A. CHARACTER DANCE

On Monday evening last, St. Mary's Hall was surely the ideal spot for merriment, scenery and art. The Character Dance held under the auspices of the Knights of Columbus and Catholic Daughters of America was the grandest social function ever held in South Amboy. Words seem inadequate in expressing our indebtedness to the committees in charge for mastering the whole affair, and making it an overwhelming success.

The Auditorium presented a picturesque rendezvous for pleasure seekers. The orchestra maintained positions in the center of the floor, where corn stalks, autumn leaves, and Halloween trophies surrounded them. Here and there tiny alcoves were in view, where shaded lights and ghostly aspects were in evidence. The stage settings were artistic, presenting an autumnal appearance from every point. Dwyer's Orchestra was at its best and pleased the most fastidious. Grand March started at 9 o'clock, and almost 200 couples were in line with Grand Knight and Mrs. Timothy F. Duggan in the lead. It surely proved worthy of the title, "Character," for every male and female did full justice, in the character they chose to imitate. As this part of the program was finished, prizes were awarded. Miss Gertrude Mullane captured first prize for fancy costume and Dave Mugford of Perth Amboy in his impersonation of Charlie Chaplin. He proved without doubt his capability of characterization. As it would seem unjust to mention other characters lest perhaps we might omit, we can only say everybody who partook in this affair was 100 per cent. in their get up. Dainty refreshments were served. Much credit is due Miss Clara Cusick, who never fails to satisfy the "Inner Man."

Dancing was enjoyed until midnight. Miss Gertrude Trinley entertained delightfully in singing and toe dancing. The Knights and Daughters take this means of thanking every one who attended the party and to all who worked so strenuously to make it the glorious success it was, and the amount realized from the evening's program was beyond the expectation of all.

Mr. John Roberts and daughter, West Pawlet, Vermont, spent week with Mr. and Mrs. J. King of Main street. During the week Mr. Roberts, in company with Mr. King, took across many pages of letters everywhere.

HALLOWE'EN.

Hallowe'en was observed with more than customary attention this year. An increased number, and greater variety of entertainments were given. The older folks enjoyed themselves, and the younger and boisterous element had unrestricted liberty, so long as they kept within their legal rights. All appear to have had a good time, and the occasion passed off without that sort of fun that carries mischief too far, and brings injury and inconvenience to others. It shows that fun, if regulated with reason, may bring as much pleasure, or more, than when it runs riot, and inflicts disagreeableness and damage to others.

A WISE STEP TAKEN.

Expressions of warm approval are heard on every hand at the improved appearance of the Broadway fire house. Those comparatively inexpensive repairs have removed an eye-sore, and given the property the appearance of some one having a little interest in it. The Citizen urged such improvements long ago when it became evident that a new building was impossible. It would have been wiser to conserve our finances until conditions warranted us in taking steps towards building, rather than to have plans prepared calling for more than we are likely ever to be willing to invest for a fire house in that locality. Reasonable repairs and a couple of coats of paint will pay for themselves, while we are waiting for the time to come when bigger improvements may be justifiable.

VOICE OF THE PEOPLE

Mr. Editor:
The voters of the First ward have it within their power this year to secure for themselves and the city at large the services of an able, earnest and trustworthy representative. George R. Delaney, the Democratic nominee for Council, has given concrete evidence of his ability, zeal and business acumen. Born in South Amboy, reared here, his heart beats for South Amboy, with the warmth of nativity, and his substantial interest in his birthplace is abundantly in evidence.
Young in years, Mr. Delaney's mature judgment and quickness to welcome opportunity was manifested in his choice of a business opening in the then new field of auto-motive activity. His belief in keeping slightly ahead of the march of events was illustrated in his removal from the route to the "Hole-in-the-Wall," then the main avenue of traffic, to his present location on Stevens avenue.
A success in his own business, he will apply to the affairs of the city the same principles of economy and the same diligence and perseverance that have made for progress in his chosen field.
What South Amboy most needs now is wisdom in the administration of its government; not cheese-paring economy where to be penny-wise is to be pound foolish; not an extravagant over-improvements which owners are ill-prepared to meet, but an abject surrender to the interests; but a wise, clear-sighted eye-to-the-future management, that will conserve our resources, reduce the cost of government and give to our inhabitants greater benefits than we have hitherto enjoyed at no greater, but, if possible, at a reduced cost.
No man, no matter how able or willing he may be, whose time belongs to another, who is dependent solely on another for his maintenance, can or can be expected to give to municipal affairs the earnest and unbiased consideration which, to be successful, they must have. Self-preservation is the first law of nature, and he who does not regard to this law is not made of clay of human kind.
Delaney's position is such. Under the auspices at any time Society of M. E. Genton to City day, November 10th, to keep the from 5 to 8, price festivities. He and avoid the rush, a but him-ents. The menu: C. be un-quets, peas, celery, beef, ation mashed potatoes, sweet cheese, hot biscuit, co peach shortcake with cream.

save the public good. He believes in progress, but such progress as can be afforded; he believes in equality of taxation, in economy.
A vote for him will be a vote toward securing better government, better facilities, and a hundred cents in value for every dollar expended. George Delaney will play no favorites and the First ward in electing him, will honor not only the Councilman-elect, but the ward and the city at large.
Yours truly,
A FRIEND.

Mr. Editor:
Kindly grant me the use of your columns to urge upon the people of this city the necessity of supporting Fred W. DeVoe on election day.
Mr. DeVoe, while a member of the Assembly, worked hard for the New Jersey Ship Canal and thus proved to be a good friend to the people in this city. We have nothing closer to our hearts than the advancement of this project and should assist those who have assisted us in our effort to have this wonderful improvement become a realization.
Mr. DeVoe's record while a member of the Assembly is very good and he certainly is entitled to promotion to the upper House. No doubt his opponent has the ability to make a good Senator but not having had the experience of Mr. DeVoe it seems to me that it would be the part of wisdom in returning DeVoe so that we can secure the benefit of his two years' experience in legislative work. We know that experience is the best teacher and all other things being equal DeVoe because of his experience will make the best man to send to Trenton.
Mr. DeVoe voted and worked for the "Soldier's Bonus," Soldier's Preference Act and all other legislation in favor of the ex-service men. He introduced and supported the teachers' minimum wage bill and the increase in the payments under the Workmen's Compensation Act.
A vote for DeVoe is a vote for the Ship Canal.
Very truly yours,
LEO J. COAKLEY.

FOR SENATOR:

Fred W. DeVoe

Fred W. DeVoe, Democratic candidate for State Senator, asks promotion to the State Senate on his record made in the Assembly. His record has been favorably commented upon in editorials in the county and state newspapers.

The Perth Amboy Evening News, editorially on February 6, 1919, commented upon the record of Mr. DeVoe and his associates to the Assembly and said, "The cleanest trio than the Democratic Ticket last year and it is a credit to the Middlesex County Democrats that they were able to show such clean record." "The Perth Amboy Evening News said editorially on March 19, 1919, in reference to Senator Bridge Bill, and which Bill saved the taxpayers of Middlesex County \$150,000 a year:

"In the House, also, the bill was well cared for by the Middlesex delegation. It was given their particular attention and the way they avoided the complications that are invariably met with in the assembly when anything bordering on special legislation is to be passed, shows the ability of the Middlesex trio. Assemblyman DeVoe handled the bill on the floor like a veteran and the fact that the bill passed with but two votes in opposition, indicates the confidence that is placed in the Middlesex men by their colleagues."

The Perth Amboy Evening News said editorially on April 12, 1919, under the caption "Making a Record," as follows:

"Middlesex County certainly has more and more reason to feel proud of its delegation in the state legislature this year."

"It is with a great deal of satisfaction that we find Assemblymen DeVoe, Wight and Kirkpatrick lined up against the Siegler bill which was designed to destroy one of the best features in the Geran election law by providing for the party column on the ballots."

"It was a commendable performance and will be remembered by the voters should these men come before them again asking for their suffrage."

The Perth Amboy Evening News under the caption "Reputation to be Upheld," commenting upon the renomination of Assemblyman DeVoe and his colleagues, on August 16, 1919, said:

"It will be a great disappointment if the Democrats fail to nominate the three assemblymen who so ably represented Middlesex county in the state legislature last year. Seldom is any county represented by such a high class delegation. Middlesex has good reason to feel proud of the reputation established."

"To say that none of the three Middlesex assemblymen made good last year at Trenton is to say that the people do not want honest, capable men to represent them in the legislature."

"If the Democrats see to it that Messrs. Wight, DeVoe and Kirkpatrick are renominated, it is a pretty safe bet that the people will see that they are returned with larger majorities than when they first ran. The people took them on faith last year; this year they would know what they were voting for and there would be no hesitancy." (Mr. DeVoe was re-elected by a handsome majority.)

The Perth Amboy Evening News, on March 30, 1920, under the caption "Praise for DeVoe," said:

"At a time when legislators with a mind of their own and in thorough working order are few, it is refreshing to make note of the independence and courage of Assemblyman Fred W. DeVoe, Democrat of Middlesex, the one man in the entire House of Assembly who had the nerve and wisdom to stand out against Assemblyman Pierson's wicked party column bill and to vote against this bill that would aim a deadly blow at the Geran reform legislation of 1911."

"Even if DeVoe performs no other notable service at this session, it will be a matter of pride for his real friends to refer to him in the days to come as the one man in that aggregation of sixty Assemblymen who, when the machines were carrying all the others in that House off their feet, and when reason seemed to be dethroned for the time being, stood like a rock for what was right and against a bill that was absolutely wrong."

Do you voters of Middlesex County think that ASSEMBLYMAN DEVOE deserves promotion to the STATE SENATE?

MINUTES OF BOARD OF HEALTH

Regular monthly meeting of the Board of Health was held at City Hall, Thursday, October 27.

Those present were: Chairman Lovely, Inspector Howley Dr. J. P. Weber, Messrs. George Oliver, P. J. Monaghan, S. Hawes, and the secretary.

Minutes of previous meeting read and approved.

Report of Inspector showed one case of scarlet fever and five diphtheria since the previous meeting. (September 22), and one death from scarlet fever. In the report several nuisances were reported which were attended to. Report received and ordered filed.

As per request of the Board on previous meeting, Inspector Howley and Dr. Weber called upon Dr. Thompson of Perth Amboy Board of Health Laboratory to make arrangements for milk tests, and analyzing cultures of diphtheria and tuberculosis. Milk of several dealers was tested and tests show that good milk was handled by all.

A communication from Mr. C. L. Steuerwald to Dr. Weber was read. Mr. Steuerwald complained of a nuisance caused by neighbors by throwing refuse in back yard and keeping chickens.

The Inspector was authorized to attend to the matter immediately and have nuisance abated.

Secretary handed to Treasurer \$40.00 for plumbing permits, which were issued since the previous meeting, which shows the people of this city are connecting their properties with sanitary sewers.

Bills ordered paid:
Plumbing Inspector, Thomas Lovely \$19.00

The Nurses' organization is developing now. Miss Gallagher, a nurse, will act in conjunction with the Red Cross and the Metropolitan Life Insurance Company to help keep the city healthy and administer aid to the needy.

Report of Treasurer showed a balance in bank on October 27, of \$121.80.

Upon motion meeting adjourned.

ST. MARY'S PARISH NOTES.
Next Sunday will be the twenty-fifth Sunday after Pentecost. The church in her liturgy provides for only twenty-four Sundays after Pentecost, and where there are more than this number, she supplies by taking the Sundays after the Epiphany which are celebrated when Easter is late in the Spring. The Mass, therefore, next Sunday, with the Epistle and the Gospel, will be that of the fifth Sunday after the Epiphany.

Next Sunday the Rosary Society will receive Holy Communion, but their regular meeting will not be held until the following Sunday, when it will take the form of a Mothers' Meeting with the teachers of the school.

Next Sunday afternoon, services will be held at 3 o'clock in the cemetery, and it is hoped that all those whose dear departed are buried there will be on hand to join in the exercises offered for the happy repose of their souls. Those who have plots in the cemetery, are requested to have them as presentable as this season of the year will permit.

Thursday evening, the second weekly Eucharist, under the auspices of the women's societies, will be held in the school hall at 8:30 o'clock. This week's committee will include:

Mrs. R. Powers, Mrs. Thomas Grace, Mrs. McNeal, Mrs. K. Roberts, Mrs. D. Ginter, Miss R. Smith, Miss M. Nickerson, Miss C. Sullivan, Miss Fanny Callahan, Miss Vera McDonald, George Gundrum, Jr., Edward Noble, Timothy Dugan, Patrick Dwyer, and John Mullane.

An expression of gratitude is due last week's committee for having awakened a lively interest in these weekly entertainments by the attractive manner in which they were inaugurated.

The people of the parish were given a rare treat by the children's choir at the High Mass on All Saint's Day. It is seldom that children are heard to sing as sweetly and as artistically as our boys and girls rendered the music on Tuesday morning, and this achievement reflects great credit upon the patience and ability of those who trained them, and is evidence of the constantly increasing standard of the musical education given the pupils of our school.

It was with general regret that the parish learned of the transfer of Father Quinn to be assistant in another parish. During the four years of his curacy here he endeared himself to all the people. He was the originator of a number of activities in which he displayed his unusual ability in organization. His heroic work at the time of the explosion and during the terrible epidemic will long preserve his memory in benediction. He made a reputation for himself by the three very successful carnivals held under his management, which netted for the parish over twenty thousand dollars. We are confident that the regret in the transfer is mutual and that no people will be able to supplant in his affection, the members of St. Mary's Parish, whose praises he never tired of singing. The prayers of a grateful people follow him. A cordial invitation to frequently visit us, and the promise of a cordial welcome await his acceptance.

Our new curate is the Rev. Thomas Campbell who comes to us from St. Joseph's Church, Plainfield, where Father Quinn has gone. Father Campbell has been ordained five years. All of this time he spent in Plainfield where he has left a record of splendid achievement, and a host of admirers and friends. He is a native of New Haven, Conn., but went to New York in his boyhood. He attended St. Francis Xavier's College where he made his High School Course, going from there to Fordham University. From there he entered St. Mary's Seminary, Baltimore, where he made his Philosophical Course, and went to the University of Niagara for his Theology, from which institution he was ordained for the Diocese of Trenton, having been adopted by the late Bishop McPaul before he entered St. Mary's Seminary. The people of the parish welcome him most cordially and we are confident that, when he becomes better acquainted, he will agree with all the curates that have ever been here, that St. Mary's, South Amboy, has no peer in the diocese for devotion and loyalty to its priests.

A woman always credits another woman with having excellent judgment when they both dislike the same person.

ORDINANCE.
AN ORDINANCE OF THE CITY OF South Amboy to grant consent and permission to South Amboy and Staten Island Ferry Company: To construct, operate, and maintain a ferry between the city of South Amboy and a point in the state of New York on the Staten Island shore near Tottenville, and the point of land formerly known as Sea Breeze; to construct, operate, and maintain the necessary docks, wharves, piers, bulkheads, slips, basins, harbors and harbor structures within the limits of said city, and to provide for the regulation and control of said ferry, and to fix the charges and rates for such ferry.

Be it ordained by the Common Council of the City of South Amboy:

Section 1. That consent and permission of the Common Council of the City of South Amboy, and of the City of South Amboy, for a period of 50 years, be and the same is hereby granted and given to South Amboy and Staten Island Ferry Company, its successors, lessees, and assigns to construct, operate and maintain a FERRY between the City of South Amboy and a point in the State of New York on the Staten Island shore, near Tottenville and the point of land formerly known as Sea Breeze, and also permission and consent to construct, operate and maintain the necessary docks, wharves, piers, bulkheads, slips, basins, harbors and harbor structures within the limits of said City of South Amboy, and also consent and permission to provide for the regulation and control of said ferry, and to fix the charges and rates for said ferry.

Section 2. Said ferry shall be used for the carriage of passengers, on foot or in vehicles, and also for the carriage of vehicles, express matter or freight, and the said Company, its successors, lessees, and assigns shall have the right to carry passengers, vehicles, express and freight on the said ferry.

Section 3. Said ferry shall have its terminus in the City of South Amboy at the easterly end of Henry street at what is known as "The City Dock," and the Company shall have the right and power to make such alterations and changes in the structure of the said "Dock" as shall make said "Dock" most serviceable as a ferry terminus and most useful to the people of the city of South Amboy. Said company shall make such repairs to said City Dock as are necessary to make said dock suitable for the purpose for which it will be used, and during the life of this consent and permission said company shall continue to keep said dock in a good state of repair, and suitable for the purpose for which it is used.

Section 4. The acceptance of this franchise and permission and consent by the said company shall also give to the said company the exclusive right to all ferry operation from the City of South Amboy.

Section 5. The said company shall maintain at all times possible an hourly service between this city and the Staten Island shore, provided business warrants and conditions of weather, ice, fog, unforeseen accidents or other obstructions beyond control of said company, do not interfere therewith; and provided that in summer time such schedule shall be adopted as will, in the judgment of the Common Council and the company, properly take care of the traffic on said ferry.

Section 6. The said Company shall pay all expenses incident to the passage and printing of this ordinance within ten days of the incurring of said expense.

Section 7. The following shall be the rates and charges to be levied and collected on said ferry. War taxes as here mentioned or such other war taxes as may be levied by the proper authorities shall be paid in addition to said rates and charges:

	Rate	Tax
Automobiles, pleasure, including driver	\$6.00	.03
Auto trucks, less than 15 feet, light	\$.85	.03
Auto Trucks, less than 15 feet, loaded	1.00	.03

Passengers aboard vehicles, except driver		.08
Push Carts or Hand Trucks	.25	
Bicycle	.15	
Ambulance or Hearse	.85	.03

Vehicles not herein enumerated to be governed by the size and load.

Section 8. A table of the above rates plainly printed, written or printed shall be put up in the ferry house at such place and manner as to be plainly visible to passengers, and the Company shall not charge any greater sum for service than the rate fixed in said table, unless with consent of the Common Council.

Section 9. Said company shall have sufficient boats manned by the needs of the said ferry, and shall not refuse or delay the carriage of orderly passengers, horses, vehicles or goods unless prevented from so doing by accidents or other causes beyond control of the company.

Section 10. All orderly persons shall be carried on said ferry in the order of their arrival at the ferry except that physicians, surgeons, midwives, public officers, and such as go on public and urgent business may be carried first.

Section 11. The said company shall make, keep and maintain good safe and substantial places of

landing and wharves, and shall have separate and distinct means and ways of entrance and exit for foot passengers from that used for vehicles.

Section 12. The word "company" or "ferry company" shall at all times mean and refer to South Amboy and Staten Island Ferry Company, and City Council, or Common Council shall refer to and shall mean the City of South Amboy.

Section 12. This ordinance shall take effect on its passage and publication.

Notice.

Notice is hereby given that the foregoing ordinance was introduced and passed on its first reading at a regular meeting of the Common Council of the City of South Amboy, held in the Council Chambers, in the City Hall, on Tuesday, November 1, 1921, and that said ordinance will be taken up on second and third reading and considered for final passage at a regular meeting of the said Common Council to be held in the Council Chambers, in the City Hall, John street and Stevens avenue, South Amboy, N. ODDS AND ENDS

Miss Jean Sutherland of New York city is spending the week with Miss Mae Compton at her home on Broadway.

Senator D. C. Chase attended an important meeting of the Port Development Commission, in New York, Friday.

Mrs. A. A. Hulse is much improved and expects to leave the hospital next week.

The Social room of the First Baptist church, was transformed into a first-class barn, with all the ghosts and goblins in the immediate vicinity last Tuesday evening for the benefit of the Bible school students. Crullers and coffee were served to the guests after an evening of entertainment and games. Everything was free, and young and old enjoyed themselves to the limit. Mrs. R. E. Dill of Second street was in charge of the decorations.

Mrs. A. E. Mell has received high compliments on her presentation of "The Star Spangled Banner" in pantomime at Presbyterian church Sunday evening, on the occasion of the presence of patriotic societies.

Fred W. DeCoe, Democratic candidate for Senator, was in town on Wednesday. He was accompanied by Frank M. Deiner, secretary of County Board of Taxation.

Preston H. King has been taking in the sights at Washington, D. C., the past week. The Citizen acknowledges with thanks the receipt of a souvenir post card from him.

Rev. Jacob Smallwood, pastor of the Methodist Episcopal church at Cheesequake will hold revival services in the church all next week, beginning Monday evening, November 7.

The election ballots for this year are not as large blanks as we had last year.

Miss Alva Buckalew resumed her duties on Monday as teacher in the public schools of South River, after being confined to her home by illness several weeks.

Mr. Michael O'Neil has moved from 188 Broadway, this city, to New York.

The Junior Order United American Mechanics, and the Patriotic Order, Sons of America, with sister organizations, did themselves proud last Sunday evening by the strong turnout at the Presbyterian Church service. The expressions of appreciation were mutual, on the part of the members of the church to have these fine organizations so largely represented, and on the part of the members of the organizations for the excellent service which was fully carried out as printed in the Citizen last week. The pantomime given by the young ladies of the church, was so greatly appreciated by the Juniors, and the Sons of America that their thanks and praise were unbounded.

About 7 o'clock Monday night, a bomb was exploded near the trolley loop at Fortis street, and Pine avenue, causing a loud explosion and several flashes of fire. It was one of those set off at fireworks exhibitions, and it is supposed some person in a passing automobile set it off. The noise caused some alarm in the upper section of the city for a brief period.

Election next Tuesday. Polls open from 6 a. m. to 2 p. m. Vote early and avoid the rush.

Next Tuesday we are to be called upon as citizens of New Jersey to vote for or against a bond issue of \$14,000,000. Are we ready to say to our law makers, "go ahead, our homes, our savings are at your disposal?" In order that we may know just what the Bond Issue may mean to us, Mr. McCombe will endeavor to have a speaker explain the Bond Issue, preceding his sermon on "Shall We Disarm," at the Baptist church, Sunday evening. Come and get ready to vote with intelligence next Tuesday.

The Literature Class of the Woman's Club will meet at the home of Mrs. O. O. Barr, 237 Stevens avenue, next Wednesday, November 9th, at 3:30 p. m. Rev. H. C. Mitchell will speak on Mollere.

All members of Janthe Council, No. 6, D. of P., are requested to attend regular meeting this Saturday evening at K. of T. Hall. Business of importance to be transacted.

NEWMAN PREPARATORY SCHOOL

DEFEATS ST. MARY'S HIGH

St Marys football team journeyed to Lakewood on Tuesday and were defeated by Newman Preparatory school.

The game was well played and interesting despite the score. For Newman Preparatory School the playing of Hock stood out prominently. Hock is ranked as the star fullback of the state team, and Preparatory School circles.

For St. Mary's, Fitzmorris by his all around good work deserves credit. In fact all of St. Mary's players deserve credit for their fine spirit and courage displayed in this game, for Newman Preparatory school is ranked as one of the leading schools of the state, and they have a wealth of material to choose from. After the game supper was served to the players of St. Mary's in the dining room of Newman Preparatory School.

The line up of game:

St. Mary's	Newman
Mallick	Reed
Delaney	L. end Bowen
J. Ryan	L. tackle McHay
Abbateiello	L. guard Violet
Kress	Center Spranpel
O'Connoh	R. guard Rowland
Cox	R. tackle Fuger
Connor	R. end Lasellis
Gleason	L. back Simple
Fitzmorris	L. H. back T. Kenny
C. Ryan	R. H. back D. Kenney
	Full back

Touchdowns, Hock 2, Simple 1, D. Kenny 1, Fuger 1; goals after touchdowns, Simple 3, 3 kick goals, 33 points.

Substitutions for Newman school: Hock for D. Kenney, Bough for Violet, Guardino for Reed, D. Kenney for Tasellis.

St. Mary's—McDonnell for Gleason, Gleason for J. Ryan, Mullane for Mallick.

Referee, O'Day.

Umpire, Moran.

Head linesman, Steve Connor.

"SHALL WE DISARM"

History of the future will date from the distinguished gathering in Washington, November 11, 1921, when representatives from the most powerful nations, gather around the common table to talk over, the problems of the world. Future wars will be studied from every angle. "Shall We Disarm," is the subject of Mr. McCombe, at the Baptist church next Sunday evening. Every intelligent man and woman will want to hear this discussion. The seats are free.

MASTER EDMUND BURKE

Little Edmund Burke, son of Mr. and Mrs. A. K. Burke of Washington road, Parlin, was taken sick on Sunday with what was thought to be infantile paralysis. Dr. G. H. Gehrman attended the boy and a trained nurse from Newark was called on the case. As Health officer at Parlin, Dr. Gehrman at once issued notices requesting closing of the schools and advising parents against allowing their children to meet together in numbers until every precaution can be taken against the spread of the disease, should this case prove serious, and suggested using laxatives and asked the hearty co-operation of parents until danger is passed. Notwithstanding every attention was given, Edmund passed away at 7 o'clock Friday morning, and the sympathy of the community goes out to the bereaved parents.

A MASQUERADE PARTY.

A masquerade party was held at the home of Miss Loretta Conway, of Stockton street, on Monday evening, October 31. The house was beautifully decorated in orange and black crepe paper, and ornamented with black cats, witches, pumpkins, etc. The evening was spent in singing, dancing and playing games. Piano selections were rendered by Mr. Davern, Margaret Kerwin and Loretta Conway. Scally was favorite of the evening, and the house by his witty remarks. At ten o'clock supper was served, and in the wee' sma' hours of the morning the guests departed for their respective homes, declaring they had spent a most delightful evening. Those present wore the Misses M. Conroy, H. Shea, R. Conway, M. Munn, M. Brady, M. Geregthy, M. Nicorvo, R. Doelling, K. Cheeseman, M. Doelling, G. Murtha, M. Kerwin, E. Conway, J. Conway, H. Ryan, C. Rue, C. Conway, L. Nicorvo, and Messrs: H. Du-

four and D. Blyth, of Keyport, E. Cox, of Cliffwood, F. Davern, of Kearsburg, J. Scally, J. Nichols, W. O'Brien, N. McGonigle, J. Mullane, F. Meacham, D. Tedesco, C. Moran, E. Grimley, J. Grimley, R. NEWARK MECHANICS

AT PERTH AMBOY

The crack Junior Order United American Mechanic basketball team of Newark, the only combination to defeat the Perth Amboy Speedways this season, will oppose the Speedways in a game on the Auditorium court, Perth Amboy, to-night, Saturday, November 5.

There is particular interest in this meeting in South Amboy due to the fact that the South Amboy council of the Junior Mechanics has a representative team which may shortly be booked to play against the Speedways.

Music for dancing in connection with the game is furnished by Sam Tonghini's six piece orchestra.

Comfort and Economy

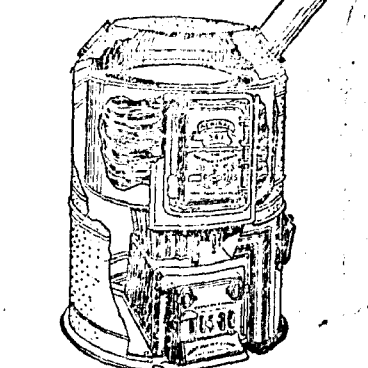

Health and comfort are in the
balance when you select a heat-
ing plant. Guide your judgment
by the uniform satisfaction of
thousands who have Square
Pot Furnaces and Boilers.

The Boynton is not the
cheapest, but it shows the low-
est cost per year. It's built to
last and to save coal without
sacrificing heat.

You can maintain an even fire
at any desired speed. Ashes
will not accumulate and clink-
ers pass out freely. If an ob-
stinate clinker causes trouble,
there's an inbuilt clinker bar
to smash it.

The square firepot is most
important and is found only in
the Boynton. Ask your dealer
to demonstrate. We will send
particulars on request.

TROOP NO. 1 DROPS

SECOND GAME OF SEASON

Troop No. 1's representative basketball team of this city lost the second game of their 1921-22 season on the High School Auditorium court on Saturday evening, October 29th, to the Independence A. C. of New Brunswick by the score of 29 to 30. The game was closely contested from start to finish. The visiting team took the lead at the start of the second half, and held it throughout the remainder of the game. The score at the close of the first half was 18-18. The pass work of both teams was good. The scout team had the ball in their possession the majority of the time but were unable to put it through the basket.

The troop's second team won their game against the Troop Number 2 team of Perth Amboy by the score of 28-70. The score:

Juniors Defeat Keansburg Easily.

The Jr. O. U. A. M. Basketball team journeyed to the Keansburg Fire House court Wednesday night, November 2nd, and handed a trimming to the Independent Five of that place, the score being 28-15.

The game was closely contested in the first half, ending 11 to 9 in the visitors' favor. In this half Bennett found the netted circle for four double timers, while Perkins scored once from the field, and once from the gratis line. For Keansburg, Uhrig was high, with two two-timers, Kinhafer and Manuel each accounted for one, and Burns made good a foul try.

In the second half the Mechanics scored 17 points to 6 for Keansburg, "Bennie" Bennett finding the hoop thrice, Perkins three times, Scow once, and "Goop" Furman almost broke his jinx getting one. In this half Anderson replaced Wilbur for the Jrs., while Bamberg took Harris' place. Morley refereed the contest.

C. D. OF A. CARD PARTY.

Owing to Character Dance held Monday last it was impossible to hold card party on that evening, however on Monday evening next we hope to see a large gathering assembled as games will begin at 8 o'clock sharp. The following committee will serve: Mrs. Margaret Kerwin, Mrs. Winifred McCarthy, Mrs. Mary Rue, Mrs. Annie Snyder, Mrs. Matilda Rush, Mrs. Elizabeth Triggs, Mrs. Jennie Heston, Mrs. Julia Rea, and Miss Irene Smith.

Thursday evening next, November 10th, will be regular meeting night for the Catholic Daughters. A full membership is desired.

HALLOWE'EN SOCIAL.

The Halloween Social given to little folk of Primary department, First Methodist Episcopal Sunday school, Saturday last was appreciated by the children. Attendance almost 100 per cent., fifty-four of the fifty-six children, members of the class present.

The Social given for the older

members of the school was also largely attended by the scholars and their friends, on Monday evening, October 31st. Refreshments were served after which Miss Abel and Miss Gomminger entertained the guests by having them play some very interesting games. Those present left, hoping the next social would be given at an early date.

AIDING EMPLOYEES TO HOLD WAR RISK INSURANCE

The New York Telephone Company is urging ex-service men among its employees to reinstate their war risk insurance where it has been allowed to lapse and is not only assisting its employees to prepare their applications for reinstatement and in taking the necessary physical examinations but is utilizing its employees' saving plan to make it easy for these men to meet the premiums on the insurance when they become due.

Under the Company's employees' savings plan deductions will be made from the employee's pay each week and at the end of each period there will be a sufficient amount available to meet the premium due.

Officials of the Company have undertaken to care for all the details of reinstatement in view of the fact that the government has extended the time for reinstatement until January 1, 1922, and because they feel that this matter of reinstatement should receive the serious consideration of every veteran who has allowed his insurance to

lapse. In its term form war risk insurance affords protection at a minimum of cost and there is also the prospect that when converted into permanent policies it will return liberal dividends.

ODDS AND ENDS

Mr. and Mrs. Richard A. Corbin, who for the past year have been residing in Phillipsburg, New Jersey, have returned to take up their residence in this city.

During the Halloween festivities the past week many were seen on the streets of our city garbed in the costume of the Klu Klux Klan. There was no riot. Maybe it can be accounted for by the absence of "Sir" William.

Mr. T. A. Clayton of Cranbury was a visitor at the home of Louis Clayton at Second street, Tuesday of this week.

Mrs. Collin Stratton of Main street, was a New York visitor Wednesday.

The Trustees of the First Baptist Church, met Thursday evening, in the lecture room of the church.

Masters Eugene Bright and Raymond Mortenson were in the Boy Scouts parade at Oyster Bay, L. I., on Saturday last.

The Republican "Flying Squadron" reached this city by automobile Wednesday night and stirred up the old town a bit. Addresses were made at various points all the candidates briefly relating their issues. Again on Thursday evening the Squadron toured the Fourth Ward and gave the voters a talk.

PRESBYTERIAN PARAGRAPHS

Sabbath morning next, Sabbath school at 10 o'clock, with Worship and Sermon immediately following at 11 o'clock. Subject: "Virtue Communicated, or Touching Jesus." The first evening service at which we shall use the motion picture machine in our worship will be at 7:30 o'clock. The theme running through the service will be the "Twenty-third Psalm. Rev. Mell will read "The Song of Our Syrian Guest," and the Pastor will speak on "The Nightingale Song," a brief, ten-minute sermon, followed immediately by the motion pictures. The service will be about the usual length, and intensely interesting.

The Ladies' Aid Society will meet in monthly session at the home of Mrs. William T. Hammell, 219 Second street, Wednesday afternoon, the 9th, 2:30 o'clock, for the transaction of important business, and each member is urged to be present. The Trustees meet Tuesday evening, the 8th, 8 o'clock, in the Lecture Room.

Our usual Church Night, mid-week service will be held Wednesday, 7:30 p. m., for the study of the sixth chapter of Mark's Gospel.

The Session meets with the Pastor immediately following service next Sabbath morning, the 6th.

The appreciation of the Presbyterian Church upon the visit of the Jr. O. U. A. M., P. O. S. of A., and sister organizations, leads us to say: "Come again, soon and often." The auditorium and gallery were filled with worshippers. If not identified with any other church, we welcome you to our motion-picture hours of worship, and other services.

EPISCOPAL CHURCH NOTES

The Sacrament of the Lord's Supper will be administered on Sunday morning at 10:30, following reception of new members.

The lesson to the Junior church will be given by the topic: "How to Get in Tune."

The regular session of the Sunday school will be held at the usual time, 2:30 in the afternoon. We are glad to note that the attendance and interest in the Sunday school are increasing from week to week.

The evening service will be devoted to the observance of "Not Over Sunday" at which time the subject, "Enforcement of the Eighteenth Amendment" will be considered. This service will begin at 7:30 with the usual song service.

Next week, beginning Tuesday evening, the Group meetings will be held in the Sarreville M. E. church at 7:45. Pastors Shaw and Abel will be the preachers. These meetings are held for the good of all the churches in the group, and include all the members and friends of all the churches in the invitation to attend the meetings.

ORDNANCE

AN ORDINANCE OF THE CITY of South Amboy to grant consent and permission to the Jersey Coast Ferry Company, a corporation of the State of New Jersey, to construct, operate and maintain a ferry between the City of South Amboy in the State of New Jersey and a point on Staten Island, south of Totenville, between Sea Breeze and Brown's shipyard on Amboy road, in the state of New York, to construct, operate and maintain the necessary docks, wharves, piers, bulkheads, slips, basins, harbors and harbor structures within the limits of said City of South Amboy; to provide for the regulation and control and operation of said ferry; and to fix the rates and charges for ferriage.

Section 1. That consent and permission of the Common Council of the City of South Amboy, and of the City of South Amboy, for a period of Fifty years be and the same hereby is given and granted unto The Jersey Coast Ferry Company, its successors and assigns and lessees to construct, operate and maintain a ferry between the city of South Amboy in the State of New Jersey, and a point in the State of New York on the Staten Island shore, south of Totenville, between Sea Breeze and Brown's Shipyard on Amboy road; and also consent and permission to construct, operate and maintain the necessary docks, wharves, piers, bulkheads, slips, basins, harbors, and harbor structures within the limits of the City of South Amboy; and also consent and permission to provide for the regulation, control and operation of said ferry and to fix the rates and charges for ferriage.

Section 2. That said ferry shall be used for the carriage of passengers, on foot or in vehicles, and also for the carriage of express matter and freight, and said company shall have the right to carry passengers, express and freight on said ferry.

Section 3. Said Jersey Coast Ferry Company, its successors, lessees and assigns shall have the right and authority to use the city pier, commonly called "The City Dock" located at the easterly end of Henry street, or so much of said dock as shall be necessary, required or convenient, for the purposes of said ferry, and shall have the right to tear down, rebuild, or make such repairs to said dock as are necessary to make said dock of most use and service as a terminus for said ferry, and during the life of this franchise shall keep and maintain the said "City Dock" in a good state of repair and suitable for use as a ferry terminal.

Section 4. Said ferry shall maintain and keep during slack periods a service of at least half hourly boats, and during the busy season shall adopt such time schedule as will properly and sufficiently supply the needs of the persons offering themselves for passage. Time schedules shall at all times meet the approval of the Common Council of the City of South Amboy, or such body or committee as said Council shall delegate to the power to supervise time schedules of said company.

Section 5. Said company shall pay all the expenses incident to the passage of this ordinance on presentation of a bill therefor by the City Clerk.

Section 6. Said company is hereby authorized and empowered to charge such rates for ferriage as may be agreed upon by said company and the Common Council or the agent or agents of the Common Council properly appointed.

Section 7. A table of such rates of ferriage, plainly and legibly printed, written or painted shall be exposed to public inspection at all times in the ferry houses and piers of said ferry.

Section 8. Should the said company fail, at any time, to supply sufficient boats manned by skilled servants to properly operate said ferry, and allow the said failure to continue for a period of longer than one week, this franchise shall be and become void, and the consent and permission hereby granted will be revoked.

Section 9. This franchise and all permissions and consents granted hereunder shall be void unless the said company shall begin work on said ferry within six months of the date of approval of this ordinance, and unless said company shall continue said work without interruption to completion.

Section 10. Said company shall make, keep and maintain, good, safe and substantial places of landing and wharves, and shall have a separate and distinct means and way of entrance and exit for foot passengers other than the means or way of entrance and exit used by vehicles.

Section 11. This ordinance shall take effect on its approval and publication.

Notice.

Notice is hereby given that the foregoing ordinance was introduced and passed on its first reading at a regular meeting of the Common Council of the City of South Amboy, held in the Council Chambers, in the City Hall, on Tuesday, November 1, 1921, and that said ordinance will be taken up on second and third reading and considered for final passage at a regular meeting of the said Common Council to be held in the Council Chambers, in the City Hall, John street and Stevens avenue, South Amboy, N. J., on Tuesday, November 15, 1921, at 8 o'clock p. m., at which time and place all persons affected thereby or interested therein may be present and be heard concerning the same.

Dated November 2, 1921.

A Houseful of Healthful Heat

UPSTAIRS, downstairs and in my lady's chamber,—in living room, bathroom, bedroom or kitchen,—day or night—the Homer heated home is cheerfully, healthfully warm.

The Homer is the original patented pipeless furnace, sending out a generous volume of warm air into the house through a single register.

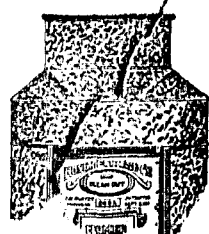

There are no cold corners in Homer heated houses. The warm air fills every nook and crevice, and drives cold air back to the basement.

No pipes, no flues, no danger, no dirt, no expense to install. Delivered and ready for use in a day. Built in sizes to fit all homes.

It Heats Less Price
It Ventilates Less Fuel
It Satisfies More Heat

Have you looked over the new 1920 Furnace Book? If not, you can have a copy any time for the asking.

COUNTY TAX BOARD SAYS OUR TAX ASSESSMENTS ARE LOW COUNCIL GETS COMMUNICATION

(Continued from Page 1.)
fore the legal date. Failure to comply with this feature of the law may result in the imposition of a fine, as provided under the law.
Respectfully yours,
FRANK M. DEINER,
Secretary.

Communication from Fire Chief Walter Smith stating that new hose of the Progressive and Mechanicsville Hose Companies had met with all the requirements in recent test, was received and filed. Requisition of the Fire Chief for new nozzles and rubber coats was received and referred to the fire committee.

Letter from C. R. Randall, assistant secretary of the Public Service Corporation, stating that the matter of depressed rail and split pole at the corner of Broadway and Church street was being given attention, was received and filed.

Communication from the Progressive Hose Company, inviting the Council to attend the opening of their home on Bordentown avenue, and to inspect their new apparatus, was read, and was filed. Councilman Kvist stated that he had visited the fire house, which had been newly decorated, and had inspected the fire apparatus, and he said that much credit should be given the members for their work. He said that the company had truly lived up to their name—Progressive. He recommended that coal be furnished and a stove installed to heat the quarters. The matter was referred to the committee on fire.

R. G. Nieltopp, Secretary of the Mechanicsville Hose Company, asked that an indicator be placed in the quarters of that company due to the fact that the alarm cannot be heard at times owing to the lack of steam pressure. Councilman Shutey stated that he believed the whistle should be changed from the Pennsylvania shops to the water plant, where there is a continuous pressure of 175 pounds carried. He said he believed that the whistle could be heard for ten miles with that pressure. Councilman Kvist's motion that the matter be referred to the committee on fire was carried.

Action of the Mechanicsville Hose Company in appointing O. F. Lockhart a member in place of J. J. O'Neil, resigned, was approved.

Ordinance authorizing the issuance of \$30,000 temporary 6% improvement bonds for the Pine avenue improvement, to mature in 1927, was adopted on third and final reading.

Ordinance appointing Nels Kvist janitor and helper at the water plant for three years at a salary of \$125 per month was introduced on the first reading and laid over under the rules. Councilman Stanton stated that he did not believe an ordinance of this kind was fair. He felt that a man should be employed on his merits, he said, and that the city should not be bound for a long period to employ a certain man. He said that he had no particular objection to this appointee, but that he questioned the wisdom of such action. The motion was carried, Councilmen Lovely and Stanton voting in opposition.

Councilman Kvist stated that a fire plug was badly needed on Foris street between Pine avenue and Feltus street, as protection against fire. His motion that the water commissioner be directed to procure and locate a plug there was carried.

Councilman Stanton spoke in favor of having the busses run down John street instead of Henry street, owing to the wideness of the former thoroughfare, and said he felt the Council should look in the matter.

Councilman Kvist called attention of the council to the fact that some immediate improvement should be made on Highland street, where the street, in some places, is above the sidewalk line. He mentioned the fact that wagons turning around in that street were likely to damage the curb and sidewalk, and he felt that the property owners who had made the improvement were entitled to some protection. He said that the sidewalk in its present condition practically forms a ditch, and that the condition should be remedied before colder weather sets in.

Councilman Kvist's motion that the Monmouth Lighting Company be requested to place a 600 candlepower light on David street in front of the new American Legion home was carried.

On motion the Council accepted the invitation of the American Legion to attend in a body the funeral of Sergeant Peter Pero, who was killed in France, on Sunday morning, meeting at the City Hall 10 o'clock.

If a man could read his own biography it would surprise him more than anybody else.

EPISCOPAL CHURCH NOTES

Sunday will be observed as "Family Day" in the First M. E. Church, at which time we are asking every family of the church with every member of the family to be present.

In the morning at 10:30 a class of 30 young folks is to be received into full membership in the church, together with a number of older persons who are to be received on confession of faith. The Sacrament of Baptism will also be administered at this time.

The Sunday school will meet at the usual time, 2:30 in the afternoon. The parents are urged to come with their children to the session of the school, and thus carry out the thought of Family Day.

At the evening service which begins at 7:30, there will be a mixed program by the Junior church and members of the Sunday school, followed by a short address by the pastor.

One of the special features of the day will be the linen shower for the South Amboy Hospital. The members and friends of the church are asked to make a donation of bed sheets and pillow cases for the hospital. These are to be brought to the church on Sunday. Those who may not have opportunity to purchase the linen may bring their donation in money which will be used by the Committee to purchase the needed articles. This is a worthy cause and should receive a hearty response.

The decorating committee will be very glad to have all who have flowers to send or bring the same to the church for decoration.

Personal Charm.

Unselfishness is one of the keys to personal charm, which means good manners. The woman who would be a successful woman, a woman of charm, must be an unselfish woman. She must be unselfish in her own interests. She must repress natural instincts to be bad-tempered when she is tired, to retort sharply when contradicted on her own particular subjects. She must listen when she wants to talk, and she must never for one moment be off her guard in the world.—Exchange.

A strenuous season makes a society bud look like the last rose of summer.

PRESBYTERIAN PARAGRAPHS

Sabbath services at this church will be as follows:

Sabbath School, 10 a. m., all departments.

Morning Worship and Sermon: "Christian Education," this being Christian Education day in the Presbyterian Church.

Evening Worship and Sermon: "The Unjust Judge."

A Fair and Supper will be held in December, date not yet determined, and each member of the church is urged to do her bit toward making this a success.

A Hallowe'en Social will be held Monday, October 31st, under the auspices of the ladies, in the basement of the church. Every one invited. A silver offering will be received from all who attend.

The World's Temperance Sunday is October 30th, and in the morning an appropriate address will be delivered.

On the evening of that day, we are to have with us the Junior Order of United American Mechanics and the Patriotic Order Sons of America, when special features will be introduced into the service, and the address will be: "A Patriotic Society."

Universal Bible Sunday is November 27th this year. We hope to make it a great day in our church.

Keep in mind our regular mid-week or Church Night service, at which we study the Gospel of Mark. An enjoyable study.

The ladies of the church will enjoy quilting and sewing at the church Wednesday afternoon, 2 o'clock, to prepare for the coming fair.

FLED FROM CHEESE BARRAGE

Commander of Brazilian Warship
Thought Some New Kind of
Bomb Was Being Used.

Probably the strangest and most curious use to which cheese was ever put occurred in a naval battle between Brazil and Uruguay in the mid-Nineteenth century, records the Intelligence.

The Uruguay ship, commanded by Captain Coe, in the midst of the battle became exhausted of shot. A lieutenant reported the facts to Coe.

"Powder all gone?" asked Coe.

"No, sir; lots of that yet."

"We had a darned hard cheese—a round Dutch one—for desert at dinner today; do you remember it?" said Coe.

"I ought to; I broke the carving knife in trying to cut it, sir."

"Are there any more aboard?"

"About two dozen. We took them from a drawer."

"Will they go in the 18-pounders?"

"By thunder, commodore, but that's the idea! I'll try 'em."

And in a few minutes the bombardment from Coe's ship reopened, and the enemy found more shot flying over their heads. At last one shot struck the mainmast, scattering the bits of cheese far and wide. Then another came. Then four or five more slipped against the sails. The enemy commander, unable to decide what was happening, and thinking that a new kind of bomb was being used on him, became terrorized and ordered his boat to back away. Little did he know that he was retreating from a barrage of Dutch cheese.

Last of Three Friends.

Chauncey M. Depew is the last of three distinguished friends, of whom General Horace Porter and Joseph H. Choate are dead, remarks the Detroit News. They were for years a link between the present generation and that of Civil war days. General Porter campaigned with Grant and was present when Lee surrendered. All three were noted orators. General Porter was regarded as having the superior mentality and his achievements as soldier, diplomat and railroad financier and builder made him most conspicuous.

Choate's oratory was closely associated with his winning personality. Depew's addresses are notable for their spontaneous humor and wit, while General Porter drafted speeches with infinite care and delivered them with impressive intensity and sincerity.

No Thought of the Morrow.
Many people take no care of their money till they come nearly to the end of it, and others do just the same with their time.—Goethe

NOTICE TO ABSENTEE ELECTORS.

NOTICE IS HEREBY GIVEN THAT any elector, who is registered for the general election and who, by reason of inability through illness or absence from the county in which he or she resides, is unable to cast his or her ballot on the day of the general election at the polling place in the election district in which he or she is registered, who desires to vote, can make application for an official ballot to the municipal clerk in any municipality in the County of Middlesex, or to the County Board of Elections of Middlesex County.

Said application must be made on the prescribed form, properly sworn to, and must be filed not later than the second Tuesday, (October 25th), preceding the day of the general election, with the Municipal Clerk or County Board of Elections.

Bathroom Distinctly American.
Some day somebody will write a history of the evolution of the bathtub. It is certainly a very ancient institution. In the ruins of the palace at Tivoli (which antedated Troy) has been found a much damaged bathtub of terra-cotta, which had a plug in the bottom, to be removed after use, in order that the water might escape through a hole in the floor. During the Middle Ages bathing does not seem to have been fashionable; and in Europe at the present time comparatively few houses, even of the better class, have bathrooms. This is true of London today, where the portable tin tub with a jug of hot water usually serves the purpose of ablution. The modern bathroom, indeed, with its porcelain tub and other luxurious equipments, owes its development to Americans.

Pioneers Brought Game of Quilts.
Quilts came to the American colonies with the first of the hardy pioneers from the rural regions of England, and especially those who came from the borderland of England and Scotland. Before the days of gunpowder quilts were so popular in England that the subjects of kings began to neglect the practice of archery, and King Edward III and King Richard II prohibited the playing of quilts that men and youths should put in more time on archery. A sour-tongued and bitter-penned old reformer named Ascham wrote a book in 1547, and among other things set down in his musty pages is that "Quilts be too vile for scholars." He probably meant that it was a game to be played only by common people.

Here's False Economy.
An important point in a roof is the use of a proper nail. Many builders nowadays lay a shingle roof with ordinary steel wire nails, instead of 3½ or 4d galvanized cut iron nails, writes Arthur Newton Pack in the American Forestry Magazine of Washington. The steel wire nails are much easier for the carpenter to hold in his mouth, as well as somewhat cheaper, and more readily obtained, but they rust very quickly under the influence of the wood acids. As time passes these nails thus permit the shingle to buckle and warp, and in event of fire the loosened pieces readily fly off and become a menace to neighboring property. Why use a 25-year shingle with a five-year nail?

Indian Anesthetic.
While Indians have no anesthetics, properly speaking, their constant use of "cocoa" creates insensibility. They always apply this plant to wounds, bruises and contusions for healing purposes, and, as it certainly tends to deaden pain if not to eliminate it, they unconsciously employ an anesthetic. It is extremely difficult to obtain information from Indians regarding trephining, either merely because of their dislike of white men and their dread of interference and punishment, or because they associate "magic" with the practice and therefore think it must be protected by profound secrecy.

Barometer Reading.
Generally speaking, a falling barometer indicates rain; a rising barometer, fair weather. A steady barometer foretells a continuance of the weather at the time; when low, this is generally broken or bad, and when high, fair. A sudden fall usually precedes a storm, and the violence of the winds in proportion to the barometric gradient. An unsteady barometer indicates unsettled weather, gradual changes indicate the approach of some permanent condition. However, the connection between changes of weather and the pressure of the atmosphere is by no means well understood.

Salt Not Necessary to Life.
Whether a man's taste for salt is acquired, hereditary or elemental is a matter for discussion, and for discussion that comes to no conclusion, but that all so-called civilized men and nearly all so-called uncivilized men eat salt is a fact. That man can live without the salt that is taken from mines or from the sea by evaporation seems to have been established, but to take salt from a man who has used it all his life is to give him considerable trouble. That trouble may be mental or physical and it may be both. Doctors, as usual, will not agree.

Mary Magdalene.
Mary Magdalene probably takes her name from Magdala, the city where she once lived, which was situated somewhere near Tiberius on the west shore of Galilee. By some writers Mary Magdalene is set down as the same person as Mary of Bethany, sister of Lazarus and Martha, while others claim that she and the "woman who was a sinner" are one and the same. But there is nothing in the New Testament to support their contentions. Nor is there any reason, so far as history tells us, for the now common opinion that she had been a woman of impure life.

That Word "Strike."
The first use of the word "strike," as applied to labor troubles, occurred in a London newspaper in 1705. In September of that year were numerous references to a great stoppage of labor in the coal fields, and the workers are said to have "struck out" for higher wages.—Indianapolis News.

Constantinople.—How the prompt action of Charles V. Vickrey, General Secretary of the Near East Relief, and Harold C. Jaquith, representative of that American relief organization in Constantinople, saved the lives of 18,000 orphan children and seven American relief workers in Alexandropol, Armenia, is what all the representatives of the Allied nations in Constantinople are applauding today.

For five years the Near East Relief organization had built up a work of mercy throughout the former Turkish Empire and Transcaucasia, to a point where 54,600 little children were being housed, clothed, fed, given medical attendance and taught, and over 56,000 others being supplied with food. Then suddenly, on February 5, last, there came hurried cable reports of renewed fighting in Armenia and Transcaucasia, where 75,818 of these little ones were located under the protection of the Near

East Relief. Consular representatives left the country. All foreigners piled onto ships and fled. War threatened to scatter the work and render vain the long, patient efforts of the Near East Relief to salvage a whole nation's children.

But the American men and women who had cared for these little ones were undismayed. They refused to leave under bombardment, with hostile armies sweeping through the streets where the Near East Relief's great orphanages had been established, with all supplies cut off and no communication with the outside world, or with that far American homeland whose representatives these heroic men and women are, they stuck to their posts. The last food from America had come in on November 6, 1920.

It was not until four months later that the new governments of the Transcaucasian states were established on a solid basis. But famine threatened. An appeal was made to American philanthropy: "Critical need for food products in Caucasus," the cable read. "No limit to need in Armenia. New government promises better facilities for relief activity than former government." A few days later, a further piteous plea followed: "Total orphans in Alexandropol 18,000. Supplies in Alexandropol allow half-rations, April 3rd to 30th. After May 1st, nothing."

But this splendid American relief organization had not waited. Food was already on the way. On April 22, Charles V. Vickrey, general secretary of the Near East Relief, cabled: "Expect ship first week in May; 1,000 tons rice; 1,000 tons wheat flour; 600 tons cornmeal, corn flour, hominy; 30 tons sugar; 500 tons beans; 5,000 cases corn syrup, from New York and New Orleans direct to Batum. Additional 1,000 tons wheat flour from Pacific Coast June 1st."

The seven American relief workers in charge of the 18,000 little ones in Alexandropol cabled a last appeal: "No food at any price. Four days more and we are finished." But when the first relief ship "Queen" entered the deserted harbor of Batum on May 1, there were just ten bags of flour left. The food ship had come in time. America had saved the day—and the 18,000 little orphan children, who had suffered so much and lost so much in their short, war-clouded lives, never knew that gaunt hunger in the robes of death had knocked at the door of the orphanage at Alexandropol—and that America had thrust the bony hand away.

"It is the great heart of America that made this work of salvation possible," Mr. Vickrey declared. "The money that sends the bread to these children comes from ten million homes throughout the United States. It comes from the hearts of the most generous people in the world, who cannot bear to know that half a world away, little children are facing hunger and death, without helping them to life and happiness."

Mr. Vickrey is making a nationwide appeal to the people of the United States to keep this great work going. Contributions may be sent to Cleveland H. Dodge, Treasurer, 1 Madison Avenue, New York City.

A Houseful of Healthful Heat

UPSTAIRS, downstairs and in my lady's chamber,—in living room, bathroom, bedroom or kitchen,—day or night—the Homer heated home is cheerfully, healthfully warm.

The Homer is the original patented pipeless furnace, sending out a generous volume of warm air into the house through a single register.

There are no cold corners in Homer heated houses. The warm air fills every nook and crevice, and drives cold air back to the basement.

No pipes, no flues, no danger, no dirt, no expense to install. Delivered and ready for use in a day. Built in sizes to fit all homes.

It Heats Less Price
It Ventilates Less Fuel
It Satisfies More Heat

Have you looked over the new 1920 Furnace Book? If not, you can have a copy any time for the asking.

SATURDAY, OCTOBER 22, 1921.

ST. MARY'S PARISH NOTES.

Next Sunday will be the twenty-third Sunday after Pentecost.

During the week, the October Devotions and the recitation of the Rosary will be held every morning at 8:15 and in the evening at 7:45. It is gratifying to see these devotions so well attended and to witness how enthusiastically the people join in the congregational singing.

This Sunday, the Sisters of the Orphan Asylum of Hopewell will be here to receive the donations given annually for this most worthy charity. By order of the Right Reverend Bishop, envelopes were distributed last Sunday to be used by all those who give at least one dollar to the collection. It is a very praiseworthy ambition for St. Mary's parish, to have, to be counted among the first in the Diocese in contributions towards the care of God's motherless little ones. It should be an evidence of gratitude to God for having made it possible for this parish not to have had many orphans to send to this institution. Hard times should be no excuse for diminishing the donations for the cause of these orphans. Even if it were one's last dollar, it could not be better spent and, given in the name of Christ, many more will come to take its place before it is needed.

Attention is given to the list of pupils who are on the Honor Roll for excellence in their studies during the month of September and it is hoped that this will be an incentive for parents to supervise their children's home studies.

Our total school attendance is now 740 with 602 in the grammar grades and 138 in the High School. We have two Second Grades, two Seventh Grades and two Eighth Grades and work has been begun to erect two new rooms to accommodate overcrowded classes.

The County Board of Taxation may be partially right in saying that property in this city has not been properly assessed, but when the board places lands in this city on an equal value with lands in Perth Amboy, it is making itself ridiculous. Perth Amboy values have no bearing on values in this city whatever.

Red Cross Trains 147 Blind Vets In Useful Work

Training designed to fit them for the battle of life was taken by 147 blind ex-service men at the Red Cross Institute for the Blind, near Baltimore, Md., during the fiscal year 1920-1921, according to the report of the Institute for that period.

Of this number, 10 have gone on to other institutions, in almost every case to institutions where those having sight are receiving advanced education. The blind ex-service men who have entered such institutions are provided with special text-books in Braille, reading which they were taught at the Red Cross Institute.

Twelve men have passed from the Institute to successfully carry on some occupation or business for which they were fitted by special training. A few have withdrawn from the Institute because of poor physical condition, 14 are receiving further "training on the job" and 87 are still in training.

Red Cross Plans \$6,000,000 Effort To Save Children

Medical care and clothing for thousands of children in Central and Eastern Europe are outlined as the activities of the American Red Cross in Europe for the current year, says a statement on the eve of the Annual Roll Call of the organization. These activities, supplemental to the feeding operations of the European Relief Council of which Herbert Hoover is chairman, are designed to provide the most adequate and balanced relief within the resources of private philanthropy.

Through the establishment of child welfare stations in the centers of population of those countries where adequate medical care is not now obtainable, the American Red Cross plans to provide the medical assistance needed to restore these children to a normally healthy life. The sum of \$6,000,000 has been made available for this work.

Red Cross Gives \$310,000 to Aid 'Clean-Up' Drive

An appropriation of \$310,000 for Red Cross work in connection with the "clean-up" campaign instituted by the Government to bring the claims of all disabled service men who are entitled to Federal aid before the proper government bureau for action, has been made by the American Red Cross. The Executive Committee of the American Red Cross in making the appropriation authorized the appropriation of \$35,000 of this sum to the American Legion to defray the expense of the Legion representatives assigned to the various districts of the Veterans Bureau.

The remainder of the appropriation was authorized for apportionment among the several Divisions of the Red Cross for carrying on that part of the "clean-up" work that falls directly upon the Red Cross organization.

Young America Sends Vast Relief To Needy Abroad

Various relief projects of the Junior American Red Cross in European countries resulted in helping 237,000 destitute children during the last fiscal year, according to the annual report of the American Red Cross for that period. The growth of the activities of the Juniors abroad is manifested by a comparison which shows this figure is 200,000 larger than that of the previous fiscal year.

The National Children's Fund raised by school children, members of the Junior American Red Cross, was drawn upon for \$420,557 for these projects. Receipts for the National Children's Fund during the last fiscal year totaled \$155,317.

Food, clothing and medical relief costing \$700,000 has been provided by the American Red Cross for the thousands of Russian refugees stranded last year in Constantinople and vicinity.

CHILDREN WITHDRAW

CAVEAT AGAINST WILL

The will of Joe A. Sexton, late of this city, was admitted to probate Friday morning by Judge Daly in the Orphans' Court after a caveat which had been filed against it by four children of the testator had been withdrawn by Warren R. Schenck, their counsel.

John A. Coan and Francis P. Coan testified to the execution of the original will in 1905, to which they were witnesses. John A. Coan and Miss Catherine Segrave testified to the execution of a codicil on July 11, 1921.

The first will left Mr. Sexton's first wife an annuity of \$1,800 during her lifetime and left the rest of the estate to his children. His first wife died several years ago, however. Mr. Sexton was married on July 10 of the present year to his second wife, and the next day he drew up the codicil, leaving his second wife the same annuity that he had previously left to his first wife.

No witnesses were put on by the caveators, and after the execution of the will had been testified to by Mr. Schenck withdrew the caveat. The caveators were Josephine Lockhart, Elizabeth Compton, James Sexton and William Sexton.

BIG MASQUE

The Pastime Club of Sayreville will hold a masque dance at the new Municipal Hall, that borough, on Monday evening, October 31. Prizes for the best dressed lady and homeliest dressed man. Music by Victorian Orchestra. Admission 50 cents. Halloween may be enjoyed by attending this dance.

Aim to Give First-class Service.

In a statement made by President Thomas N. McCarter, Public Service Railway Company, he said:

"While the condition imposed by the Federal Court in granting the temporary injunction in the railway fare case will result in Public Service Railway Company charging a lesser fare than that to which it thinks it is entitled, nevertheless the railway company will comply with it because it can live under it during the further progress of the litigation. It will save the railroad company from serious financial embarrassment. The Federal Court will now proceed to determine upon final hearing the question of confiscation and settle once for all the proper principles of valuation that should be applied. Meanwhile, the railway company, thus refreshed, will promptly set about the reconditioning of its property, so far as funds will be available therefor and it will be its aim to give first class service and to please its patrons therewith."

CARD OF THANKS.

We wish to thank those who visited our home during the illness and death of our beloved mother and to those who sent flowers; also wish to thank the pastor, Rev. Dr. Griffin, and Father Lannary and the good Sisters of St. Mary's Convent; also M. A. McCarthy for his excellent service rendered.

C. D. OF A. CARD PARTY.

On Monday evening last, October 17, a very large and enthusiastic crowd attended the weekly card party held in K. of C. club rooms on David street. So popular are these parties that it has become necessary to use the lower floor to accommodate the large numbers that attend. The winners for the various games played on Monday evening last were as follows:

Non Players—Mrs. Anna Sager.

Bridge—Mrs. Margaret Quain.

Euchre—Miss Mae McDonald, Mrs. Richard Powers, and Mrs. Eugene Heston.

Five Hundred—Mrs. John D. Mul-lane, Mrs. James Holton, and Mrs. Mary Ryan.

Pinochle—James McDonald, Sr., Richard McCloud.

The committee for Monday evening next, October 24, are the following ladies: Catherine Van Buren, Anna Munn, Helen McCarthy, Marie Salmon, Mrs. Margaret Wallace, Mrs. Anna Sager, Mrs. Mary Coughlin, Fabiola Burke, Nellie Downs, and Teresa Delaney.

N. J. MASONIC HOME

CORNERSTONE IS LAID

Before a gathering representing Masons of many jurisdictions, State Grand Master Ernest A. Read and officers of the Grand Lodge last week laid the cornerstone of the new \$300,000 New Jersey Masonic Home at Burlington. The imposing ceremony, concluding with the symbolic pouring of corn, wine and oil over the foundation, was held on the north lawn of the estate, now owned by the lodge at Jack-sonville and Oxmead roads.

The new building of stone and brick will be the realization of years of planning by Grand Lodge officers. The contract was recently awarded by a building committee, of which Cooper H. Pickett, of Burlington, then grand master, was chairman, and its construction is well under way.

VOICE OF THE PEOPLE.

Editor Citizen:

Dear Sir: If you can find space in your paper, I wish you would publish this letter, as I am a son of South Amboy. The ship I am on will sail soon for New York, and I wish to say "hello" to all my friends in South Amboy and I hope to be with them soon. You can find list of ships that are leaving for Atlantic coast in ship paper which I enclose. If you can find space in your paper, I thank you for same.

MANY INSPECT FIRE HOUSE.

Many people of the city took occasion on Saturday and Sunday last to inspect the remodeled house of the Progressive Fire Company, and were pleased to note the great improvement made to the building. The fire ladders were glad to meet their visitors, and show them the work accomplished by the company. Their new auto truck was admired, and showed what could be obtained by united effort without any assistance from the general funds of the city. All declared that the company lived up to their name, and wished them continued success.

CARD PARTY A GREAT SUCCESS.

The first of a series of Card parties to be held under the auspices of the Woman's Hospital Auxiliary took place in City Hall last Thursday evening. This party proved to be a great success and it is to be hoped that those following will be equally successful.

The winners for the various games were as follows:

Bridge—Mrs. D. W. Reed, Mrs. John Quain, Miss Pauline Conlogue.

Pinochle—Mr. P. J. Dwyer.

Euchre—Mrs. Price, Miss McDon-ald.

What could be more appropriate than a ring of solid gold, set with the birthstone for the month?

Especially do we recommend the well known W-W-W solid gold gem-set rings. The stones are pure and flawless—emeralds, rubies, topaz, aquamarines—all the precious and semi-precious stones—and in settings of unequalled beauty and correctness.

W-W-W Rings have established a quality standard which is known throughout the United States. They are famous among jewelers as "the rings in which the stones do stay."

BOY SCOUT DOINGS

Troop No. 1.

The weekly meeting of Troop No. 1, of this city, was held at their local headquarters on Monday evening, October 17th. The meeting was called to order at 7:10 p. m. with the scoutmaster in charge. After the troop repeated the scout's oath and gave the salute to the flag the regular business session was held. The scoutmaster then made a number of announcements concerning work for the winter months. Assistant Scoutmaster Skow then announced that whenever a scout wished to address either the scoutmaster or one of his assistants he must first give the scout-sign or salute and be properly recognized. This announcement was effective on Monday evening and proved very successful. It enabled the scoutmaster to accomplish much more work and saved a number of unnecessary remarks which might have been passed had it not been in effect.

The troop then went through "Setting Up" exercises with a first-class scout in charge of each exercise. The meeting was adjourned at 8:30 p. m.

On Saturday evening, October 22nd, Troop No. 1's First Basketball Team will open their season of 1921-22 at the local High School Auditorium with the Amboy Turners, of Perth Amboy, as their opponents. The Amboy Turners have played a number of games this season and the manager is sure that they will afford good opposition to the scout quintet. The scouts will have the same players on the court this season as they had last with R. Waterman, R. Williams, C. and A. Skow, J. and E. Parker. In the past five seasons, Troop No. 1 has put a good, sportsmanlike team on the court. They have put a team which played as good a brand of basketball as any team of its rating in this part of the county. Last year they played

games, at home and away, and won eight of them. The scouts will play all comers which are in their class this season and the fans can readily be assured that they will put up stiff opposition to any team. This is certainly what the people of the city want and the troop hopes that they will be well supported this season. Owing to the increased cost of obtaining good teams, the manager has been compelled to raise the admission fee to 20c this season over 15c which was charged in past seasons.

Collars and Jabot Guimpes. Net and Organdie Combined in Neckwear Featuring the Directoire Is Winsome. Frequently net and organdie are combined in gilets or guimpes featuring the Directoire collar. The collar is of white organdie, while the vest portion is of tucked net trimmed with vertical strips of fluted white organdie bound with black kid. The collar consists of a high, straight band topped with a fluted roll of plaited organdie bound with the black kid. There is a smart cravat of white organdie, its pointed ends tipped with black, and a very narrow black kid belt.

Plattering jabot guimpes are much in evidence. All are of fine imported materials with delicate hand embroidery, usually in white, although occasionally a bit of color is introduced, but it is more often in the form of a binding than embroidery. For schoolgirls' frocks there are the plain round collars and cuffs of heavy linen, and for more dressed-up occasions narrow collars and cuffs made entirely of lace ruffles.

Simple Clothes for Girls. Taste and Good Judgment in Selection of Materials and Having Things Match Is Essential. Having small children attractively outfitted is not at all a question of having a lot of money to spend on their clothes. It is one of taste and good judgment in the selection of materials and in having things to match. Socks, hair ribbons, if ribbons are worn, should be bought to match the dress. The question of school frocks concerning mother of girls of school age, style suggestions are available.

Children's clothes are very radical style season there to either very fabric combination, recently color.

HOW NEW VEILS ARE WORN

Face Covering Floats Out and Hangs to Shoulders, Adding Gracefulness to Wearer.

How do you wear your veil? Inquires the New York Sun.

Do you pull a large meshed veil over your face so that the tip of your round-ended nose pushes through or the end of your pointed nose sticks out?

Do you pull the veil tightly across your forehead so that your eye-lashes catch in it?

Do you always have an irritating little excess of veil under the chin that you repeatedly roll and twist into a little bunch to get it out of the way?

Do you get the veil on so that it draws in some places and sags in others?

Do you have trouble because the veil slips from around your hat down over your eyes, while it remains secure around your neck and chin?

Do you lose the ends at the back from their fastening and find them floating out in the winds of heaven behind you?

Of course if you follow the mode in veils you need do none of these things, for the really smart veil nowadays floats loosely at the back and is not held in at all, unless around the throat. Some of the new veils are made with little ruffs of feather or tulle or ribbon that fastens about the throat. Above this band the veil puffs and balloons and little effort is made to keep it taut and smooth.

Some of the new veils are exceedingly attractive. They are made so that they flare in almost circular shape from the small hats with which they are worn. They float out and hang to the shoulders and add much gracefulness to their wearer.

The tight, snug veil is often considered in Europe a typically American trick. That is to say, Europeans consider the American woman a past mistress at arranging the neat face veil.

TO BEAUTIFY FALL PLUMAGE

Metallic Decorations Now Produced by New Process Which Greatly Lessens the Cost.

Metallic plumages are to be a style factor this fall, and various treatments have been employed to create a chemical that will give the required metallic surface and coloring to plumage without labor, waste and damage to the feather stock. A formula has just been perfected by a leading bronze powder manufacturer, whereby the cost and time required in processing the plumage have been cut down materially. The solution prepared for this use is combined with silver, gold, bronze, antique or other finishes. Ordinarily the minimum cost of gilding, bronzing or oxidizing a blade was 5 cents, but the new liquid has reduced this to half a cent. The time consumed in the process has been cut down to two minutes.

WOOL SHAWLS FOR WINTER

Wrap That May Be Thrown Across Shoulders Carelessly Will Keep Out Frigid Blasts.

The desire for Spanish shawls is not, it seems, just an isolated flight, for we are to have shawls for the winter, too. They are to be of wool and embroidered, and, generally speaking, they are to retain much of the grace and charm possessed by the highly colored ones of this season.

Women have found them too becoming to part with them lightly, and they are practical adjuncts to the wardrobe to be sure, for they can be effectively, if keeping out happens to be a subject

ORDINANCE.

AN ORDINANCE OF THE CITY OF South Amboy, N. J., for the issuing of Pine Avenue temporary improvement pavement and curb bonds.

Whereas, the Common Council of the City of South Amboy has heretofore by ordinances and resolutions duly adopted and published as required by law, authorized the construction of a pavement and curb on Pine Avenue in said City in conjunction with the State Highway Commission of the State of New Jersey; and whereas it now appears that the cost of the share to be provided in the first instance by the City of South Amboy for said improvement shall be the sum of Thirty Thousand Dollars; and whereas said improvement is a local improvement and the entire sum to be provided by the City as aforesaid, will, pursuant to the aforesaid ordinance, be assessed on the properties benefited thereby; and whereas, it is not advisable at this time to authorize and issue for sale long term bonds; and whereas, the said Common Council has heretofore, by proper proceedings, authorized the issue of temporary improvement bonds in the form by said proceedings then adopted and authorized; and whereas the Common Council deems it for the best interests of the City of South Amboy to finance said improvement temporarily in pursuance to and in accordance with Chapter 252 of the laws of 1916 of the State of New Jersey as supplemented and amended; and whereas a supplemental debt statement showing the total debt of the City, including temporary improvement bonds in the amount of THIRTY THOUSAND DOLLARS, to be within the limit of debt fixed by law has been duly filed as required by law; Now therefore,

Be it ordained by the Common Council of the City of South Amboy: Section 1. That there be issued and sold for the purpose of paying the cost of the improvement referred to in the preambles hereto Pine Avenue temporary improvement pavement and curb bonds in the sum of Thirty Thousand Dollars. Said bonds shall bear interest at not exceeding the rate of six per cent. per annum, payable semi-annually. Said bonds may be coupon bonds, the coupon showing the amount of the half-yearly interest, with a form of registration on the back thereof, and may be in the form of the Temporary Improvement Bond heretofore adopted by the Common Council of the City of South Amboy.

The Mayor, the City Treasurer and the City Clerk are hereby authorized to fix, within the limits above set forth, the rate of interest to be borne by said bonds, and also to fix the date, maturity, which shall not be more than six years from date, the place of payment, form and other details, to award said bonds at public or private sale as they shall deem best, and to execute the said bonds and affix the corporate seal thereto, and the City Treasurer is hereby authorized and empowered to sell and deliver the said bonds to the purchaser upon payment of the purchase price, and to apply the proceeds from said sale to the payment of the cost of the improvement for which the said bonds were issued.

Section 2. This ordinance shall take effect on its approval and publication.

Passed October 18, 1921.

ALL STARS DEFEAT Y. M. C. A.

Rip Collins All Stars showed the Y. M. C. A. Jrs. how to play ball on Monday, October 17, beating them 19 to 9. Kennedy was knocked out of the box in the seventh inning. He allowed eleven hits, walked ten men and struck out six in seven innings. Nicholson allowed three runs, three hits, and one walk. Letts was some pitcher. He could make them swing any time he wanted to. He allowed ten hits, nine runs, and struck out nine. Phillips and Lamberton were heavy hitters, each getting four hits. This makes the third victory for the "Rips All Stars."

MATTER OF DEATH IN DOUBT

Authorities Puzzled as to Whether Man's Being Pronounced Dead Makes Him Legally So.

Al F. Williams, United States district attorney for Kansas, received a letter a short time ago asking his opinion as to the status of a person upon whom a death sentence has been executed, who has been legally pronounced dead, but afterwards regains consciousness and recovers.

The case cited was that of five bandits who were convicted of highway robbery in the province of Cagayan, Philippine Islands, and sentenced to die by the old Spanish method of strangulation. After the execution the five bandits were placed on the floor of a church to await funeral rites in the morning. In the night three regained consciousness. Two of the three died "again" in a couple of days, but one recovered, although left in a deformed condition.

The questions asked are whether the bandit who lived could be strangled again, or, if he could not, would the fact that he was legally pronounced dead prevent his being tried in the courts if he committed another crime. Mr. Williams wrote an opinion to the inquiring person, declaring that he believed that an order could be obtained from the court setting aside the first execution as having never been performed and another one ordered.

His opinion was that if the bandit were not killed, finally, he could be held amenable for other crimes, although legally he was not in existence. "Of course," Mr. Williams said, "you will probably find as many lawyers and judges disagreeing with my opinion as concurring."

Old-Age Elysium.
The old man's Elysium is Rutlandshire, England, where for every 100,000 boys born 1,375 reach the age of ninety-five. The number of women who survive to this age is 997. Rutlandshire is the one county where men live longer than women.

LEHIGH WHITEWASHED

BY THE P. R. R. Y.

The P. R. R. Y. M. C. A. Baseball team closed their season last Saturday, defeating the Lehighs, of Perth Amboy, by the score of 11 to 0. The game was featured by the pitching of Stratton, who did not allow the Lehighs to score on him in 17 innings. The batting of Letts, Jacobs and McGuire, and the fast fielding of the entire team, two double plays being made by the locals.

The Y. team claims the championship of the county. Thomas has built a wonderful team. Stratton has become a wonder in pitching. Lagoda has developed into a great catcher, while the outfield, composed of Jacobs, Manaker, Crowel, and Fox, made a fine team. The infield was like a stone wall against visiting teams. Kane at short stop is a fast and heady player, McGuire on third base was like a flash in fielding, being a marvel at starting double plays. Letts, the fast reliable second baseman, played a great game, and Thomas on first was the pivot and head for the great machine, and how that infield could hit.

The MORRIS CANAL

and the question of its abandonment, which promises to be one of the most important subjects to come before the next session of the State legislature at Trenton, is a matter demanding the active interest of every citizen of New Jersey. Many problems are involved:

The Canal's Vast Water Rights; Better use of its Right of Way; The rights of the Lehigh Valley R.R.

For all who are interested in a fair settlement of this question the Lehigh Valley Railroad has prepared a small booklet containing a brief history of this century-old waterway, with a map, and outlining its position.

Two Companies Make Application to Council For Franchise to Run Ferry to Staten Island

TWO COMPANIES SEEK FRANCHISE

To Run Ferry From this City To Staten Island — Both Want Same Landing Place — Treasurer Authorized by Resolution to Write Off \$450.00 Difference.

Tuesday night's meeting of the Common Council, ordinances were introduced granting permission to the South Amboy and Staten Island Ferry Company to operate and maintain a ferry between the City of South Amboy and some point on Staten Island. A similar ordinance was introduced giving the right to the Jersey Coast Ferry Company, Inc., of 280 Broadway, New York City. Since both ordinances contain a clause giving the exclusive right to all ferry operations from the City of South Amboy, it is understood that the company which first secures the New York franchise will be the one to operate the ferry. Both ordinances were laid over under the rules.

The ordinances give the ferry company the right to construct, operate and maintain the necessary docks, wharves, and bulkheads, slips, basins and harbor structures. The franchise is for a period of fifty years, and the terms in this city is to be at the eastern end of Henry street at what is known as the "city dock." The company is given the right to make such alterations and changes in the structure of the dock as necessary, and during the life of the franchise shall make such repairs to the dock as are necessary. The company shall maintain a half hourly service between this city and the Tottenville shore, with permission to alter the schedule in the summer to take care of increased traffic.

The company, under terms of the ordinance, must pay all expenses incident to the passage and printing of the ordinance within ten days of the incurring of the expense.

The company is to maintain sufficient boats manned by skillful servants at all times for the needs of the ferry, and shall not refuse or delay the carriage of passengers, horses, vehicles, or goods. Earlier in the evening, the application of the Jersey Coast Ferry Company for the franchise was submitted by W. T. Van Brunt, vice president. The communication stated that it was the intention of the company to place the ferry in operation as early in the spring as possible. They requested the use of the city dock, with the right to tear down, build up, or handle the property in any way decided by them to be for the best interests of the ferry, and to give the public the best possible service.

The following communication was received from the R. F. Carroll Company

October 25, 1921
Mr. Andrew Kvist,
Chairman of Finance Committee,
South Amboy, N. J.,
Dear Sir:

We beg to advise the council through you, that Article 14, Section 18 of the Municipalities Act, N. J. S. 152, P. L. 1917, provides a method of handling municipalities, by which all Boards and Commissions, except schools must operate in the regular way; their receipts shall be paid to the general treasury of the municipality, their expenses paid by the municipality. This law is entirely new, and fully a letter issued by the State Treasurer, Thomas F. Duggan, dated November 17, 1919, explaining the new law. We have in mind the regular way your Board of Health has now administered, and wish to advise that it would be well to conform with this Article 14, of the state laws. Also in going over the books for

the month of October, we find that the difference in cash as at January 1st, 1920, has not been cleared up. Something ought to be done in the matter, in order that this can be taken off the books.

Also, the previous Collector's Account now shows a balance of about \$234.00 still due from him. In this matter, Mr. Coan, the Solicitor, asked us for a letter which we gave him, and we thought at the time that the matter would be cleared up, but we still find that it remains unpaid on the books.

Very truly yours,
R. F. CARROLL & COMPANY,
By R. F. Carroll.
During the course of the meeting a resolution prepared by the City Solicitor was introduced and adopted, authorizing the city treasurer to "write off" the difference existing prior to January 1, 1921, in the amount of \$450.00, the difference being declared to be "more imaginary than real."

An ordinance was introduced vacating that section of Pine avenue within the Public Service Trolley Company's "loop," and was laid over under the rules.

An ordinance authorizing City Engineer, A. T. McMichael to prepare an assessment map of the city at a cost not to exceed \$2,500, and to be paid for in three equal annual installments, was introduced and laid over under the rules.

Report of Overseer of the Poor, Thorpe, showing expenditure of \$116.90 in his department for the month of October was received and filed.

Councilman Lovely asked why the ordinance introduced at the last meeting naming Nels Kvist as janitor of the water plant was not presented for second and final reading. City Clerk Cookley stated that Councilman Kvist had directed him not to present the ordinance.

Upon motion the meeting adjourned.

TRAIN HITS AUTO TRUCK

AT EAST SPOTSWOOD

Joseph Satarilo of Perth Amboy sustained a broken collar bone and internal injuries, while Max Hafner a driver for Samuel Bowne of Perth Amboy, was badly shaken up when their automobile truck was struck by a P. R. R. train at East Spotswood about 3 o'clock Monday evening.

The truck was crossing the tracks, bound for Perth Amboy, when an eastbound railroad train, also going to Perth Amboy, crashed into the rear of the machine. The truck was badly damaged, the rear wheels being torn off, and the two occupants of the machine were thrown to the ground.

Both men were picked up by the train crew and placed on the engine and rushed to the Perth Amboy City Hospital where they were treated for their injuries. Hafner was permitted to go home after receiving first aid, but Satarilo, a boy about seventeen, was kept at the hospital. It is not believed that his injuries will prove serious, however.

The road runs parallel with the railroad track for a considerable distance and then crosses the tracks and continues parallel. It was at this crossing that the accident occurred.

THANKSGIVING EVE DANCE.

The Knights of Columbus of this city have decided to keep the interest and enthusiasm of the lovers of good, wholesome pleasure and fever heat for the remainder of the dying year. To that end they are now arranging for a dance, the nature and kind to be decided at a meeting of the committee to be held Sunday afternoon, at 2 o'clock. The dance will be held on Thanksgiving Eve., November 23rd, 1921. A large committee under the energetic leadership of Nicholas J. Howley has been appointed by Grand Knight Timothy F. Duggan. The Grand Knight promises that this first event in his administration will surpass all former affairs of the local Council.

CLAIM LARSON EVADES ISSUES

DeVoe Presents Pertinent Questions at Highland Park Meeting of Women Voters and Asks Larson to State His Position—Meeting Largely Attended.

Former Assemblyman Fred W. DeVoe, who is the Democratic candidate for State Senator, charged his opponent, Morgan F. Larson, with side-stepping and evading the issues of the campaign, in his address before a large mass meeting of the women voters of Highland Park, held on Wednesday evening, November 2nd, at the High School in Highland Park. The meeting was very largely attended and very enthusiastic and the applause with which Assemblyman DeVoe was received indicated that the women of the community are solidly behind his candidacy. It was pointed out by women speakers that the women of the County owed a vote to Mr. DeVoe on his record in the Assembly where he was a strong advocate of Women Suffrage, Soldiers' Bonus, Women's Welfare Bills, Public School questions and other matters of interest to not only the women but all of the tax payers in Middlesex County as well.

In his remarks, Assemblyman DeVoe called attention to the fact that his opponent has failed to answer or meet any issue of the campaign and made a brief summary of the more important issues and called upon Mr. Larson to state his position regarding them. "I am going to repeat some questions I have asked of my opponent, Mr. Larson, on a number of occasions," said Mr. DeVoe, "and remind him that the people of Middlesex County will not stand for any pussy-footing on these issues:

1. Are you for paved pavements, and is it as reported, that the patented pavement trusts are behind your candidacy? (Mr. DeVoe stated that he is against patented pavements and for concrete roads).

2. Will you vote for Senator Parys bill which bars patented pavements? (Mr. DeVoe pledged himself to vote for Senator Parys bill).

3. Will you work for the establishment of the County Tuberculosis Hospital? (Mr. DeVoe has pledged himself, in his platform, for this improvement).

4. Why have you, Mr. Larson, entirely ignored in your addresses and public statements and replies to questionnaires, any reference to the Van Ness Act? (Mr. DeVoe has issued public statements on several occasions in reference to his stand on the Van Ness Act, which statement is as follows: As long as prohibition is the law in our Country, I favor its strict enforcement. If experience proves that the so-called Van Ness Act is the legislation necessary to enforce prohibition, then I say the Van Ness Act should be continued."

5. Will you pledge yourself to work for the advancement of the Public School System, including the Vocational School System? (Mr. DeVoe called attention to his record made in the Assembly where he worked and voted for important Public School legislation).

6. Will you work for State aid for the Rural School districts? (Mr. DeVoe is pledged in favor of this matter).

7. You have advocated economy. Why, did you, while you were City Engineer of Perth Amboy, accept \$65,000 in fees from the City of Perth Amboy, for the supervision of a water reservoir and which fees were paid to you by the City of Perth Amboy in addition to your salary as City Engineer? I ask you

if that is the kind of economy you intend to practice if you are elected State Senator? The Tax-payers of Perth Amboy and Middlesex County are very much interested in this question.

8. You have evaded the Sunday question. Are you in favor of the commercialization of the Sabbath? (Mr. DeVoe is pledged against the commercialization of the Sabbath? Mr. DeVoe called attention of the ladies present to his record in the Assembly during two terms as a representative from this County and asked them for their support, if they considered that he deserved promotion to the State Senate.

MIDNIGHT HOLD-UP

OF TROLLEY CONDUCTOR

A Public Service trolley car bound from this city to New Brunswick, was held up by two masked bandits at 12:30 o'clock Tuesday morning near the Deep Cut bridge, and the conductor, John Swioski, was robbed of \$20 which was all the money he had.

There were no other passengers on the car at the time. The two men waited beside the track, apparently, intending to board the car. As it slowed up and they swung aboard the conductor saw that they were masked.

Both men covered him with revolvers and ordered him to bring the car to a halt. He signalled the motorman to halt, and while one of the men covered, the latter, the other went through Swioski's pockets. Taking the money, they jumped to the ground and disappeared into the woods.

As soon as the car reached this city, the hold-up was reported to the police, and Prosecutor Stricker's office was notified of the case. An investigation has been started and an effort is being made to locate the men.

No description of the bandits was obtained except that both wore dark clothing and caps.

Linen Shower for Hospital Success.

The Linen Shower given by the members and friends of the First Methodist Episcopal church on Sunday, October 23rd, for the South Amboy Hospital was a great success. After turning the money given into linen, the Committee was able to turn over to the hospital, twenty bed sheets, thirty-four pairs of pillow cases, and nineteen towels. The officials of the church wish to thank every one who helped in making the shower a success.

CHRISTMAS BAZAAR AT

CHRIST CHURCH PARISH HOUSE

The people of Christ Church Parish will hold a Christmas Bazaar in the Parish House on December seventh to tenth inclusive. The chairman and manager is Mrs. Edward Hardy, assisted by the heads of the units of St. Martha's Guild.

A sale of moderate priced articles suitable for Christmas gifts will be offered—fancy goods, bags, covered boxes, baskets, party favors, books, smokes, food and raiment. Special effort is being made by Miss Sophie Hillmann to present an attractive line of Christmas cards, tags, and photographs. Religious cards and others suitable for Christmas greetings, have been sent from England, France, and Belgium. So wait to buy until you see her offerings.

The first floor of the Parish House is to be devoted to dancing, the music under the direction of Charles Europe's orchestra from New York City.

Don't forget these dates and plan to do your Christmas shopping with little expense—and much pleasure. Wednesday, Thursday, Friday, and Saturday, December 7th, 8th, 9th, and 10th.

Mr. and Mrs. Fred Wheeler of Parker avenue were week-end visitors to New York. Mr. Wheeler returned in time for church Sunday evening. Mrs. Wheeler is still visiting with friends in New York.

AN APPEAL TO VOTERS OF CITY

Republicans Praise Business Administration of this City — Promise Relief to Bergen Hill and Mechanicsville by Widening Hole-in-Wall and Bridge Over Tracks.

It is very essential that every voter of both sexes exercise their franchise at the polls of this district for the following reasons:

Our neighbors at the Mechanicsville end of our ward have been handicapped for years with the condition of the Hole-in-the-Wall, which has been their only means of access to our city, isolating them from us, a condition that should have been remedied long ago.

At the Bergen Hill section also there is need of a direct means of communication via a foot bridge for pedestrians to and from Mechanicsville.

In order to bring this to a realization we must select our neighbor, Mr. Jacob Shuey, who has served this ward and city honestly and faithfully, who with the candidates on the Republican ticket for Freeholder is pledged to bring the above conditions about: namely, a foot bridge connecting Bergen Hill and Mechanicsville and two ten-foot right and left driveways and a five foot sidewalk through the Hole-in-the-Wall.

The three Republican Councilmen, of whom Mr. Shuey is one, deserve credit for the way they have served the city and the progress they have made in spite of the tangled conditions they found our city in upon taking their seats the first of the year and it is to the best interests of our ward and city to continue the Republican majority.

You will remember that for the longest period of Mr. Shuey's term of office he was with the minority and was outvoted on every issue.

January 1st, 1921, gave him the advantage of being with the majority. This Republican majority fell heir to the great, unpaid-for monument to the former Democratic administration, namely the New Water Plant, and such a mix-up and tangled condition of affairs that affairs seemed hopeless. Mr. Shuey and his fellow-republican members had many unpleasant problems before them.

Their first move was to engage Richard Carroll to audit the city accounts, who had been opposed by the former majority and by the present Democratic minority. The result of Mr. Carroll's audit is now the history of South Amboy and showed clearly the manner in which our city had been run. Our Councilman-at-large, Mr. Charles H. Stockton, and his Republican majority started one of the first business administrations this city has known for some time and have taken the "Dead Bull" left by the former administration by the horns and are bringing order out of chaos.

Mr. Shuey, who is a practical engineer, is of great value to our city as a member of the water committee, being familiar with all its workings as well as being closely in touch with all other affairs of the city. (Paid for by Republican City Committee).

SCULLY HAS SEDAN STOLEN.

A sedan auto owned by Edward Scully, of this city, was stolen from Amboy avenue and Ridgely street, Perth Amboy, Saturday night. The car bore the license number 180,281-N. J. and the authorities of the surrounding municipalities have been asked to look for the machine.

DEMOCRATS TO HAVE BIG RALLY AT AUDITORIUM

The Democrats of this city will hold a big mass meeting at the High School Auditorium this Friday evening, to which all men and women are cordially invited. Prominent speakers will be present among whom will be Assistant Prosecutor John E. Nolan, Mrs. Campbell of Middlesex Borough, who played the ladies last fall when she appeared here, has promised to attend that she will attend the meeting and give a brief address.

All the candidates for county, and local offices will be on the platform and present their issues before the people.

It is hoped that the Auditorium will be filled this Friday evening by voters who desire to hear the political issues of the day discussed.

On Monday evening, November 7, there will be a Democratic meeting held in the Sacred Heart Hall, to which the public is invited. This will be the winding up of the campaign, and a large attendance is desired. Among the speakers will be John A. Coan and Francis Monaghan, who will present reasons why the Democratic ticket should be supported this fall. All the candidates for the various offices have promised to be present.

K. OF C. AND C. D. OF A.

CHARACTER DANCE

On Monday evening last, St. Mary's Hall was surely the ideal spot for merriment, scenery and art. The Character Dance held under the auspices of the Knights of Columbus and Catholic Daughters of America was the grandest social function ever held in South Amboy. Words seem inadequate in expressing our indebtedness to the committees in charge for mastering the whole affair, and making it an overwhelming success.

The Auditorium presented a picturesque rendezvous for pleasure seekers. The orchestra maintained positions in the center of the floor, where corn stalks, autumn leaves, and Halloween trophies surrounded them. Here and there tiny alcoves were in view, where shaded lights and ghostly aspects were in evidence. The stage settings were artistic, presenting an autumnal appearance from every point. Dwyer's Orchestra was at its best and pleased the most fastidious. Grand March started at 9 o'clock, and almost 200 couples were in line with Grand Knight and Mrs. Timothy F. Duggan in the lead. It surely proved worthy of the title, "Character," for every male and female did full justice in the character they choose to imitate. As this part of the program was finished, prizes were awarded. Miss Gertrude Mullane captured first prize for fancy costume and Dave Mugford of Perth Amboy in his impersonation of Charlie Chaplin. He proved without doubt his capability of characterization. As it would seem unjust to mention other characters lest perhaps we might omit, we can only say everybody who partook in this affair was 100 per cent. in their get up. Dainty refreshments were served. Much credit is due Miss Clara Cusick, who never fails to satisfy the "Inner Man."

Dancing was enjoyed until midnight. Miss Gertrude Tringle entertained delightfully in singing and toe dancing. The Knights and Daughters take this means of thanking every one who attended the party and to all who worked so strenuously to make it the glorious success it was, and the amount realized from the evening's program was beyond the expectation of all.

Mr. John Roberts and daughter, of West Pawlet, Vermont, spent last week with Mr. and Mrs. Preston King of Main street. During his stay here Mr. Roberts, in company with Mr. King, took occasion to visit many points of interest within a radius of sixty miles, among them being Philadelphia, Long Branch and Fort Mifflin, New York.

PARISH NOTES.

There will be the twenty-first Sunday after Pentecost. The Mass, therefore, next Sunday, with the Epistle and the Gospel, will be that of the fifth Sunday after the Epiphany.

Next Sunday the Rosary Society will receive Holy Communion. Their regular meeting will not be held until the following Sunday, when it will take the form of a Mothers' Meeting with the teachers of the school.

Next Sunday afternoon, services will be held at 3 o'clock in the cemetery, and it is hoped that all those whose dear departed are buried there will be on hand to join in the exercises offered for the happy repose of their souls. Those who have plots in the cemetery, are requested to have them as presentable as this season of the year will permit.

Thursday evening, the second weekly Eucharist under the auspices of the women's societies, will be held in the school hall at 8:30 o'clock. This week's committee will include:

Mrs. R. Powers, Mrs. Thomas Grace, Mrs. McNeal, Mrs. K. Roberts, Mrs. D. Ginter, Miss R. Smith, Miss M. Nickerson, Miss C. Sullivan, Miss Fanny Callahan, Miss Vera McDonald, George Gundrum, Jr., Edward Noble, Timothy Dugan, Patrick Dwyer, and John Mullane.

An expression of gratitude is due last week's committee for having awakened a lively interest in these weekly entertainments by the attractive manner in which they were inaugurated.

The people of the parish were given a rare treat by the children's choir at the High Mass on All Saints' Day. It is seldom that children are heard to sing as sweetly and as artistically as our boys and girls rendered the music on Tuesday morning, and this achievement reflects great credit upon the patience and ability of those who trained them, and is evidence of the constantly increasing standard of the musical education given the pupils of our school.

It was with general regret that the parish learned of the transfer of Father Quinn to be assistant in another parish. During the four years of his curacy here he endeared himself to all the people. He was the originator of a number of activities in which he displayed his unusual ability in organization. His heroic work at the time of the epidemic will long preserve his memory in benediction. He made a reputation for himself by the three very successful carnivals held under his management, which netted for the parish over twenty thousand dollars. We are confident that the regret in the transfer is mutual and that no people will be able to supplant in his affection, the members of St. Mary's Parish, whose praises he never tired of singing. The prayers of a grateful people follow him. A cordial invitation to frequently visit us, and the promise of a cordial welcome await his acceptance.

Our new curate is the Rev. Thomas Campbell who comes to us from St. Joseph's Church, Plainfield, where Father Quinn has gone. Father Campbell has been ordained five years. All of this time he spent in Plainfield where he left a record of solid achievement, and a host of admirers and friends. He is a native of New Haven, Conn., but went to New York in his boyhood. He attended St. Francis Xavier's College where he made his High School Course, going from there to Fordham University. From there he entered St. Mary's Seminary, Baltimore, where he made his philosophical course, and went to University of Niagara for his theology, from which institution he graduated, having been adopted by Bishop McPaul before he entered St. Mary's Seminary. The people of the parish welcome him most cordially and we are confident that when he becomes better acquainted he will agree with all the curates that have ever been here, that St. Mary's, South Amboy, has no peer in the diocese for devotion and loyalty to its priests.

A woman always credits another woman with having extorted judgment when they both name person.

ORDINANCE.

AN ORDINANCE OF THE CITY OF South Amboy to grant consent and permission to South Amboy and Staten Island Ferry Company, to construct, operate, and maintain a ferry between the city of South Amboy and a point in the state of New York on the Staten Island shore near Tottenville, and the point of land formerly known as Sea Breeze; to construct, operate, and maintain the necessary docks, wharves, piers, bulkheads, slips, basins, harbors and harbor structures within the limits of said city, and to provide for the regulation and control of said ferry, and to fix the charges and rates for such ferry.

Be it ordained by the Common Council of the City of South Amboy:

Section 1. That the consent and permission of the Common Council of the City of South Amboy, and of the City of South Amboy, for a period of 50 years, be and the same is hereby granted and given to South Amboy and Staten Island Ferry Company, its successors, lessees, and assigns to construct, operate and maintain a FERRY between the City of South Amboy and a point in the State of New York on the Staten Island shore, near Tottenville and the point of land formerly known as Sea Breeze, and also permission and consent to construct, operate and maintain the necessary docks, wharves, piers, bulkheads, slips, basins, harbors and harbor structures within the limits of said City of South Amboy, and also consent and permission to provide for the regulation and control of said ferry, and to fix the charges and rates for said ferry.

Section 2. Said ferry shall be used for the carriage of passengers, on foot or in vehicles, and also for the carriage of vehicles, express matter or freight, and the said Company, its successors, lessees, and assigns shall have the right to carry passengers, vehicles, express and freight on the said ferry.

Section 3. Said ferry shall have its terminus in the City of South Amboy at the easterly end of Henry street at what is known as "The City Dock," and the Company shall have the right and power to make such alterations and changes in the structure of the said "Dock" as shall make said "Dock" most serviceable as a ferry terminus and most useful to the people of the city of South Amboy. Said company shall make such repairs to said City Dock as are necessary to make said dock suitable for the purpose for which it will be used, and during the life of this consent and permission said company shall continue to keep said dock in a good state of repair, and suitable for the purpose for which it is used.

Section 4. The acceptance of this franchise and permission and consent by the said company shall also give to the said company the exclusive right to all ferry operation from the City of South Amboy.

Section 5. The said company shall maintain at all times possible an hourly service between this city and the Staten Island shore, provided business warrants and conditions of weather, ice, fog, unforeseen accidents or other obstructions beyond control of said company, do not interfere therewith; and provided that in summer time such schedule shall be adopted as will, in the judgment of the Common Council and the company, properly take care of the traffic on said ferry.

Section 6. The said Company shall pay all expenses incident to the passage and printing of this ordinance within ten days of the incurring of said expense.

Section 7. The following shall be the rates and charges to be levied and collected on said ferry. War taxes as here mentioned or such other war taxes as may be levied by the proper authorities shall be paid in addition to said rates and charges:

	Rate	Tax
Automobiles, pleasure, including driver	\$.60	\$.03
Auto trucks, less than 15 feet, light	\$.35	\$.03

Two Horse Moving Van	1.25	\$.04
Passengers aboard vehicles, except driver	.25	
Push Carts or Hand Trucks	.15	
Bicycle	.15	
Ambulance or Hearse	.85	\$.03

Vehicles not herein enumerated to be governed by the size and load.

Section 8. A table of the above rates plainly printed, written or stamped shall be put up in the ferry house at such place and manner as to be plainly visible to passengers, and the Company shall not charge any greater sum for fares than the rate fixed in said table, unless with consent of the Common Council.

Section 9. Said company shall have sufficient boats manned by the crews of the said ferry, and sufficient servants at all times for shall not refuse or delay the carriage of orderly passengers, horses, vehicles or goods unless prevented from so doing by accidents or other causes beyond control of the company.

Section 10. All orderly persons shall be carried on said ferry in the order of their arrival at the ferry house, and shall be carried free of charge, unless prevented from so doing by accidents or other causes beyond control of the company.

Section 11. The said company shall make, keep and maintain good and substantial places of

landing and wharves, and shall have separate and distinct means and ways of entrance and exit for foot passengers from that used for vehicles.

Section 12. The word "company" or "ferry company" shall at all times mean and refer to South Amboy and Staten Island Ferry Company, and City Council, or Common Council shall refer to and shall mean the City of South Amboy.

Section 12. This ordinance shall take effect on its passage and publication.

Notice.

Notice is hereby given that the foregoing ordinance was introduced and passed on its first reading at a regular meeting of the Common Council of the City of South Amboy, held in the Council Chambers, in the City Hall, on Tuesday, November 1, 1921, and that said ordinance will be taken up on second and third reading and considered for final passage at a regular meeting of the said Common Council to be held in the Council Chambers, in the City Hall, John street and Stevens avenue, South Amboy, N. J., on Tuesday, November 15, 1921, at 8 o'clock p. m., at which time and place all persons affected thereby or interested therein may be present and be heard concerning the same.

ODDS AND ENDS

Miss Jean Sutherland of New York city is spending the week with Miss Mae Compton at her home on Broadway.

Senator D. C. Chase attended an important meeting of the Port Development Commission, in New York, Friday.

Mrs. A. A. Hulse is much improved and expects to leave the hospital next week.

The Social room of the First Baptist church, was transformed into a first-class barn, with all the ghosts and goblins in the immediate vicinity last Tuesday evening for the benefit of the Bible school students. Crullers and coffee were served to the guests after an evening of entertainment and games. Everything was free, and young and old enjoyed themselves to the limit. Mrs. R. E. Dill of Second street was in charge of the decorations.

Mrs. A. E. Mell has received high compliments on her presentation of "The Star Spangled Banner" in pantomime at Presbyterian church Sunday evening, on the occasion of the presence of patriotic societies.

Fred W. DeCoe, Democratic candidate for Senator, was in town on Wednesday. He was accompanied by Frank M. Delner, secretary of County Board of Taxation.

Preston H. Kling has been taking in the sights at Washington, D. C., the past week. The Citizen acknowledges with thanks the receipt of a souvenir post card from him.

Rev. Jacob Smallwood, pastor of the Methodist Episcopal church at Chesapeake will hold revival services in the church all next week, beginning Monday evening, November 7.

The election ballots for this year are not as large blankets as we had last year.

Miss Alva Buckalew resumed her duties on Monday as teacher in the public schools of South River, after being confined to her home by illness several weeks.

Mr. Michael O'Neil has moved from 188 Broadway, this city, to New York.

The Junior Order United American Mechanics, and the Patriotic Order Sons of America, with sister organizations, did themselves proud last Sunday evening by the strong turnout at the Presbyterian Church service. The expressions of appreciation were mutual, on the part of the members of the church to have these fine organizations so largely represented, and on the part of the members of the organizations for the excellent service which was fully carried out as printed in the Citizen last week. The pantomime given by the young ladies of the church, was so greatly appreciated by the Juniors, and the Sons of America that their thanks and praise were unbounded.

About 7 o'clock Monday night, a bomb was exploded near the trolley loop at Portia street, and Pine avenue, causing a loud explosion and several flashes of fire. It was one of those set off at fireworks exhibitions, and it is supposed some person in a passing automobile set it off. The noise caused some alarm in the upper section of the city for a brief period.

Election next Tuesday. Polls open from 6 a. m. to 2 p. m. Vote early and avoid the rush.

Next Tuesday are to be called upon the citizens of New Jersey to vote against a bond of \$14,000,000. Are we ready to our law makers, our homes, our savings disposal? In order that we know just what the Bond means to us, Mr. McCombe will endeavor to have a speaker explain the Bond issue, preceding his sermon on "Shall we Disarm," at the Baptist church, Sunday evening. Come and get ready to vote with intelligence next Tuesday.

The Literature Class of the Woman's Club will meet at the home of Mrs. O. O. Barr, 237 Stevens avenue, next Wednesday, November 9th, at 3:30 p. m. Rev. H. C. Mitchell will speak on Molire.

All members of the Council, No. 6, D. of P., are requested to attend regular meeting this Saturday evening at K. of P. Hall. Business of importance to be transacted.

NEWMAN PREPARATORY SCHOOL

DEFEATS ST. MARY'S HIGH

St Marys' football team journeyed to Lakewood on Tuesday and were defeated by Newman Preparatory school.

The game was well played and interesting despite the score. For Newman Preparatory School the playing of Hock stood out prominently. Hock is ranked as the star fullback of the state team, and Preparatory School circles.

For St. Mary's, Fitzmorris by his all around pod work deserves credit. In fact all of St. Mary's players deserve credit for their fine spirit and courage displayed in this game, for Newman Preparatory school is ranked as one of the leading schools of the state, and they have a wealth of material to choose from. After the game supper was served to the players of St. Mary's in the dining room of Newman Preparatory School.

The line up of game:

St. Mary's	Newman
Mallick	Reed
Delaney	L. end
J. Ryan	L. tackle
Abbateello	L. guard
Kress	Center
O'Connor	R. guard
Cox	R. tackle
Connor	R. end
Gleason	L. back
Fitzmorris	L. H. back
O. Ryan	R. H. back
	Full back

Touchdowns, Hock 2, Seiple 1, D. Kenny 1, Fuger 1; goals after touchdowns, Seiple 3, five touchdowns, 3 kick goals, 33 points. Substitutions for Newman school: Hock for D. Kenney, Bough for Violet, Guardino for Reed, D. Kenney for Tasellis.

St. Mary's—McDonnell for Gleason, Gleason for J. Ryan, Mullane for Mallick.

Referee, O'Day. Umpire, Moran. Head linesman, Steve Connor. Time of quarters, 10 min.

"SHALL WE DISARM"

History of the future will date from the distinguished gathering in Washington, November 11, 1921, when representatives from the most powerful nations, gather around the common table to talk over, the problems of the world. Future wars will be studied from every angle. "Shall We Disarm," is the subject of Mr. McCombe, at the Baptist church next Sunday evening. Every intelligent man and woman will want to hear this discussion. The seats are free.

MASTER EDMUND BURKE

Little Edmund Burke, son of Mr. and Mrs. A. K. Burke of Washington road, Parlin, was taken sick on Sunday with what was thought to be infantile paralysis. Dr. G. H. Gehrman attended the boy and a trained nurse from Newark was called on the case. As Health officer at Parlin, Dr. Gehrman at once issued notices requesting closing of schools and advising parents against allowing their children to meet together in numbers until every precaution can be taken against the spread of the disease, should this case prove serious, and suggested using laxatives and asked the hearty co-operation of parents until danger is passed. Notwithstanding every attention was given, Edmund passed away at 7 o'clock Friday morning, and the sympathy of the community goes out to the bereaved parents.

A MASQUERADE PARTY.

A masquerade party was held at the home of Miss Loretta Conway, of Stockton street, on Monday evening, October 31. The house was beautifully decorated in orange and black crepe paper, and ornamented with black cats, witches, pumpkins, etc. The evening was spent in singing, dancing and playing games. Piano selections were rendered by Mr. Davern, Margaret Kerwin and Loretta Conway. Scally was the favorite of the evening, winning the house by his witty remarks. At ten o'clock supper was served, and in the wee' sma' hours of the morning the guests departed for their respective homes, declaring they had spent a most delightful evening. Those present were the Misses M. Conroy, H. Shea, R. Conway, M. Minn, M. Brady, M. Geregthy, M. Nicorvo, R. Dooling, K. Cheeseman, M. Dooling, G. Murtha, M. Kerwin, E. Conway, L. Conway, H. Ryan, C. Rue, C. Conway, L. Nicorvo, and Messrs. H. Du-

four and D. Blith, of Keyport, E. Cox, of Cliffwood, F. Davern, of Keansburg, J. Scally, J. Nichols, W. O'Brien, N. McGonigle, J. Mullane, F. Mescham, D. Tedesco, C. Moran, E. Grimley, J. Grimley, R. Kennedy, R. Nelson, Mrs. Underhill and daughter, Virginia, Mr. and Mrs. A. W. Kelly of Perth Amboy, Mr. and Mrs. Arthur Scully, Mr. and Mrs. Tom Freeman and family.

TROOP NO. 1 DROPS
SECOND GAME OF SEASON
Troop No. 1's representative basketball team of this city lost the second game of their 1921-22 season on the High School Auditorium court on Saturday evening, October 29th, to the Independence A. C. of New Brunswick by the score of 29 to 30. The game was closely contested from start to finish. The visiting team took the lead at the start of the second half and held it throughout the remainder of the game. The score at the close of the first half was 18-18. The pass work of both teams was good. The scout team had the ball in their possession the majority of the time but were unable to put it through the basket.

The troop's second team won their game against the Troop Number 2 team of Perth Amboy by the score of 28-70. The score:

AIDING EMPLOYEES TO HOLD WAR RISK INSURANCE
The New York Telephone Company is urging ex-service men among its employees to reinstate their war risk insurance where it has been allowed to lapse and is not only assisting its employees to prepare their applications for reinstatement and in taking the necessary physical examinations but is utilizing its employees' saving plan to make it easy for these men to meet the premiums on the insurance when they become due.

Under the Company's employees' savings plan deductions will be made from the employee's pay each week and at the end of each period there will be a sufficient amount available to meet the premium due. Officials of the Company have undertaken to care for all the details of reinstatement in view of the fact that the government has extended the time for reinstatement until January 1, 1922, and because they feel that this matter of reinstatement should receive the serious consideration of every veteran who has allowed his insurance to

ODDS
Mr. and Mrs. Rice, who for the past year residing in Phillipsburg, N. J., have returned to take residence in this city.

During the Hallowe'en festivities the past week many were seen on the streets of our city garbed in the costume of the Klu Klux Klan. There was no riot. Maybe it can be accounted for by the absence of "Sir" William.

Mr. T. A. Clayton of Cranbury was a visitor at the home of Louis Clayton, at Second street, Tuesday of this week.

Mrs. Collin Stratton of Main street, was a New York visitor Wednesday.

The Trustees of the First Baptist Church, met Thursday evening, in the lecture room of the church.

Masters Eugene Bright and Raymond Mortenson were in the Boy Scouts parade at Oyster Bay, L. I., on Saturday last.

The Republican "Flying Squadron" reached this city by automobile Wednesday night and stirred up the old town a bit. Addresses were made at various points all the candidates briefly relating their issues. Again on Thursday evening the Squadron toured the Fourth Ward and gave the voters a talk.

WHO was it that said, "You can't squeeze blood out of an orange?" He might well have said, "brisk young styles could not be pulled out of a clothes shop operated for bent-backed, gouty-footed old fellows."

This shop is conducted for young fellows. It's full of youthful BRIEGS-BUILT Clothes styles. It meets the requirements of men who are young in years and others who are young in heart and figure.

Juniors Defeat Keansburg Easily.
The Jr. O. U. A. M. Basketball team journeyed to the Keansburg Fire House court Wednesday night, November 2nd, and handed a trimming to the Independent Five of that place, the score being 28-15.

The game was closely contested in the first half, ending 11 to 9 in the visitors' favor. In this half Bennett found the netted circle for four double timers, while Perkins scored once from the field, and once from the gratis line. For Keansburg, Uhrig was high, with two two-timers, Kinhafer and Manuel each accounted for one, and Burns made good a foul try.

In the second half the Mechanics scored 17 points to 6 for Keansburg, "Bennie" Bennett finding the hoop thrice, Perkins three times, Scow once, and "Goop" Furman almost broke his jinx getting one. In this half Anderson replaced Wilbur for the Jrs., while Bamberg took Harris' place. Morley refereed the contest.
