DEMPSEY'S SPARRING PARTNER IN FISTIC ENCOUNTER HERE

Colored Opponent Fails To Recognize "Bill" Tate In Argument After Accident And Receives A Right And Left Jab To The Face That Puts Him Out.

Just because he argued too loud, and was careless about his speech in the presence of women, and because his persuasive powers were all but nothing, a little fellow of dusky hue received a right and left jab to the face at the corner of Stevens avenue and Main street on Wednesday evening that damaged him up a lot.

It seems that the lad in question was sure that the other driver, who by the way really did damage him and who was also colored, was responsible for his car being all scratched up. According to the stories the little lad was credited with stepping from his car and saying "Colored Boy: It's all your fault," and adding something not particularly pleasant to the ears of the opposite sex. It was then that the fight started but it lasted only a few seconds.

Reports also have it that the little chap was a bit more battered up than was his machine. When questioned, the bigger fellow admitted he was Bill Tate, the boxer, just after leaving Jack Dempsey's camp at Atlantic City, and that he was on his way to New York City with a friend.

ITALO-AMERICANS ANNUAL DANCE

At High School Auditorium Evening of October 11th.

The committee in charge of the Italo-American Citizens Society Columbus Eve dance at the High School auditorium, are making an effort to outdo the work of committees of previous years and expect to hold one of the most successful dances ever given in this city.

Invitations to out of town guests have been issued and the people of this city have a general invitation to attend the affair. It is expected that the auditorium will be well filled on this occasion. Entertainment is to be furnished in connection with the dance. The will be presented under the chairmanship of Vincent DeBicchi.

SCHOOL OPENING

The opening of the grammar grades of the public school will be next Wednesday, September 8th. Registration of beginners may be made on the morning of this day and no beginners will be admitted after September 21st. In School No. 1, the registration will be made in Miss Mack's room and in School No. 2, in Miss Neilltopp's room.

The high school building will not be completed until Sept. 15th and at this time the high school pupils will begin their studies.

FIRST FALL MEETING OF WOMAN'S CLUB

The first fall meeting of the Woman's Club will be held in the City Hall on Thursday afternoon, September 16th. Meetings of this organization have been suspended during the summer months. This will be "Get Together Day" and Mrs. Joseph M. Tice is chairman. A call for new members will be made and a social hour will be enjoyed after the regular business session. The year book is now in the hands of the printers and will be distributed at this meeting.

TO SHOOT OFF BALANCE OF FIRE WORKS DISPLAY

The remainder of the fire works left from the Old Home Week Celebration will be fired this Saturday evening, rain or shine. Due to the heavy rain on the last night of the celebration, it was impossible to hold the large display, but arrangements have been made with the manufacturers to fire them this Saturday night.

LOCAL DRIVER HITS BOY AT SAYREVILLE

While on his way to Philadelphia last Sunday evening driving the car of W. B. Rafter, of Drexel Hill, Pa., Raymond Grace, of 235 Stevens avenue, ran over Anthony Mosewsky, an eight year old boy of Sayreville. The accident happened near Clark's corner in Sayreville and the boy is said to have run out from the sidewalk and directly in front of the car. He is now confined to St. Peter's Hospital in New Brunswick, suffering with a broken leg and minor injuries.

Miss Catherine Shannon is ill at her home on Feltus street but is reported on the way to recovery.

FRANK HACKETT MADE GRAND KNIGHT

Elected at Knights of Columbus Meeting Wednesday Night.

Frank Hackett, for the past fifteen years an active member of the local Council of the Knights of Columbus, was unanimously elected Grand Knight of the order on Wednesday evening at one of the largest meetings held in the local council for some time. The several contests that were fought out for the honor chairs were of the friendly variety and did much toward bringing to the meeting many of the members.

John Vail is the new Chancellor and the rest of the officers of the council are as follows: James O'Connor, Warden; John J. Connors, Treasurer; John D. Mullane, Secretary; John Sharo, inside guard; Dominic Tedesco, outside guard; Raymond Kress, advocate; John Sutliff, delegate to the State Convention; John P. McGuire and Joseph Smith, alternates. Edward Higgins was re-elected trustee for a term of years.

The members pledged themselves to get behind the council in the exercises that are to be conducted for the celebration of Columbus Day in this city. The plans are of lengthy calibre and will be a real treat to the public according to the announcement of the committee as made last night.

BIDS ON WORK AT UNDERPASS HERE

Elizabeth Concern Low Bidders on Mile of Concrete Roadway.

For the widening of Main street in the vicinity of the underpass at the Pennsylvania Railroad for a distance of one mile, the lowest bid received by the State Highway Commission on Monday was that of C. H. Winans Company, of Elizabeth, their figure being \$52,084. Other bids were: Michael Colpe, West New York, \$52,997; Jannarone Cont. Co., Belleville, \$53,770; Liddle & Pfeiffer, Perth Amboy, \$58,465. The contract will be awarded at a later date. This improvement is in connection with the widening of the roadway at the underpass and a new drainage system which is to be constructed there.

DATE OF OPENING OF ST. MARY'S SCHOOL

The grammar grades of St. Mary's school will open on Thursday, September 9th. This will include from the first to the sixth grades, inclusive. Registration for the high school will be made on Monday, September 13th and school opening for the seventh and eighth grades and the high school will be on Wednesday, September 15th. Work is progressing nicely on the new addition to the school, and it was at first thought that the opening would be at some later date.

TWO BITTEN BY MAD DOG

Is Sent to Trenton by Health Board for Examination.

Mrs. Alex Zulino and a neighbor of the Frog Hollow section of the city were severely bitten by a dog owned by the Zulines, after the animal had infuriated in the front of their home. It was while trying to help Mrs. Zulino that the neighbor received several bad cuts from the dogs teeth, the dog then attacking a smaller dog and killing it.

Health Inspector Nicholas J. Howley took charge of the carcass of the animal and sent it to the State department for analysis. The women were given treatment and are now under the care of a physician.

This is the second animal that has shown signs of rabies in the past few weeks here. The other dog was found to have been infected and it is believed that the same condition will be found in this instance.

BRIDGE CELEBRATION PLANS COMPLETED

Local Men on Committee to Celebrate Starting of Work.

Preparations have been completed for the celebration of the beginning of work on the two new bridges to be built by the Port of New York Authority—one from Elizabeth to Howland Hook, the other from Perth Amboy to Tottenville.

The program includes ceremonies the Howland Hook terminus and at Perth Amboy, at Tottenville, at Elizabeth, where the breaking of ground at each place will be observed by the appearance of men and women high in public life, befitting speeches and music and other features.

The Raritan Bay Division of the Committee in charge of the celebration, of which Assemblyman Thomas Hanson is chairman, and John P. McGuire and George R. Delaney of this city members, will have one more meeting before the celebration. As outlined now the committee has eight buses which will leave Perth Amboy city hall at eleven A. M. for Tottenville for the beginning of ceremonies there, and which will then go to Howland Hook, to Perth Amboy, to Elizabeth.

One of these buses will carry the Mayors and city officials of neighboring municipalities, the others for members of the committee and guests.

Any one from this city desiring to go on this trip, which will end at Elizabeth in time for the monster banquet, can make reservations free with Mr. McGuire or with any other member of the committee. As space is limited it is absolutely essential that the first reservations in will be considered first choices.

The banquet in the armory at Elizabeth will be one of the most notable events in the history of the State. Among the speakers will be the Hon. Alfred E. Smith, Governor of New York, and the Hon. A. Harry Moore, Governor of New Jersey. Guests will include members of the Senate and Assembly of New Jersey, New York legislators, members of the Port of New York Authority and other prominent guests.

The date of the celebration and banquet, September 15th, should be borne in mind, the banquet starting at 7:30 P. M.

MRS. ELIZA DILL PASSES AWAY

Was Oldest Member Of Methodist Protestant Church.

The funeral of Mrs. Eliza Dill, widow of the late Andrew J. Dill, of 162 Second street, who died on Wednesday morning, following an illness of five weeks, was held today at three o'clock from the home of her only son, David with whom she has made her home for the past two years. The Rev. Charles Reed, pastor of the Methodist Protestant church officiated at the services.

The deceased was in her 79th year and was a life long resident of this city. Until the death of her husband two years ago Mrs. Dill lived at 151 Main street. She enjoyed the distinction of being the oldest member of the Methodist Protestant church here and was a member of Sterling Temple, Ladies of the Golden Eagle and of the Pythian Sisterhood of this city. She was a Past Grand Chief of the latter organization and was also one of those who assisted in instituting the order in South Amboy.

Mrs. Dill is survived by only one son, David, and by seven grand children and three great grand children. The pall bearers all nephews of the deceased were Daniel and Cecil Newman, Elmer Bloodgood, Charles Harris and Henry and Peter William Dill. Interment was made in the family plot in Christ Church cemetery. Undertakers E. S. Mason & Son were the funeral directors.

LOCAL MAN MISSING SINCE LAST SUNDAY

Mrs. Frank Podulski, of 314 Second street, appealed to the local police last night to find some trace of her husband who has been missing since last Sunday. He is described as being 34 years of age, height 5 ft. 7 in., weight 165 pounds, wears a black suit, brown hat and black shoes. The local police are now making an effort to find some trace of the man.

Miss Margaret Ryan has returned to her home in Freehold after spending the week with Miss Margaret Nolan, of this city.

DELEGATE TO WATERWAY MEET

G. R. Delaney to Represent This City at Richmond Meeting.

George R. Delaney, of this city, will represent South Amboy at the 19th Annual Convention of the Atlantic Deeper Waterways Association to be held in Richmond, Virginia, on September 14th-17th. Mr. Delaney has received his appointment from J. Hampton Moore, president of the Association and expects to be in attendance at the convention.

Mr. Delaney has always taken an active interest in waterway affairs and is especially active in the waterfront development of South Amboy. He is also a member of the Port Raritan Commission, now busily engaged in getting the approval of the War Department on a deep channel up the Raritan River as far as New Brunswick.

PARCEL DELIVERY FOR ENTIRE CITY

Through Efforts of Postmaster Hoffman—Started Yesterday.

Through the efforts of Postmaster Frank Hoffman, parcel post delivery for the entire city was started on Wednesday. In the past only a section of the city has enjoyed the free delivery, it being necessary through lack of time to curtail the delivery, and to center it to the business section below Stevens avenue. After several requests for delivery for the entire city, the Post Office Department finally granted the request.

Carrier Joseph Morris is handling the entire city delivery with the aid of an auto truck. The news of this delivery service will be welcomed by people in the upper section of the city, who were previously forced to call at the post office for their packages.

OLD RESIDENT PASSES AWAY

Miss Margaret Brophy Lived Here For Over 70 Years.

Miss Margaret Brophy, a resident of this city for over seventy years, died on Sunday, afternoon at five thirty o'clock at the home of her niece, Mrs. Samuel Crozier, of Main street. The deceased was the daughter of the late Thomas and Catherine Brophy and a sister of the late Mrs. Kyran Finley, Mrs. Thomas Bowe, Mrs. Kyran Campion and John J. Brophy, all of this city, and Mrs. James Hogan, of Trenton, N. J.

Funeral services were held from St. Mary's church at ten o'clock Wednesday morning, when a Solemn High Mass was celebrated by the Rev. Dr. E. C. Griffin, assisted by Rev. Father Faber as deacon and Rev. Father Lannery as sub deacon.

Interment was made in St. Mary's cemetery under the direction of Mr. Thomas F. Burke, of Perth Amboy. The pall bearers were James W. Red, Patrick Kenah, John Woods, John Conlogue, Jr., Thomas Burden and Peter Coakley.

ELLEN LOUISE FULTON

Mrs. Ellen Louise Fulton, of 412 Pine avenue, died suddenly Tuesday morning at her home. Mrs. Fulton was found in an unconscious condition in the bath room of her home by her husband, Dr. J. F. Weber was summoned but death occurred shortly after the arrival of the doctor.

Mrs. Fulton was the wife of J. Frank Fulton, Jr., and the daughter of Mr. and Mrs. Edward Sprague, also of Pine avenue. The deceased was thirty-nine years of age and was born in this city. Besides her husband and parents she leaves one daughter, Margaret.

Funeral services were held from her late home at two thirty o'clock this afternoon, Rev. C. E. Kennedy, of Christ Church officiating. Interment was made in Christ Church cemetery under the direction of Undertakers E. S. Mason & Son.

ANNOUNCE MARRIAGE

Mr. and Mrs. Alois Hess announced yesterday the marriage of their daughter Irene, to Edward O'Brien, son of Mr. and Mrs. William J. O'Brien, of upper David street. The marriage took place at St. Mary's church on August 11th, and was solemnized by Dr. E. C. Griffin. Miss Margaret Hess, a sister of the bride acted as her attendant. After their honeymoon, the happy couple will make their home in this city, where they are both well known among the younger set.

A. L. Grace, of Stevens avenue, is spending some time in Canada.

WINS CUP AT ASBURY PARK BABY PARADE

Little Miss Ada Hoffman Wins The Princess Cinderella Cup.

Little Miss Ada Hoffman, with her float "The Butterfly and the Rose," captured the Princess Cinderella cup at the annual Asbury Park Baby Parade on Wednesday afternoon. The coveted cup, over thirty inches in height, was donated by the Steinbach Company and is one of the most sought for awards of the annual pageant. The Queen's prize, a pony and cart, was awarded by Queen Titania to "Charm," the Bamberger Company's float, while the Grand Prize went to Elizabeth Breyer, of Elizabeth, for two years in succession winner of this trophy.

Hundreds of South Amboy people joined in the applause that greeted little Miss Hoffman's float as it came down the line, and Miss Lois Wilson, the moving picture actress who was the guest of honor of the Asbury Park commissioners, expressed her choice of "The Butterfly and the Rose" as the most beautiful float in the procession.

It had been first decided to enter Ada in "The Fairy Garden" in which she captured the Queen's prize in the Old Home Celebration parade, but almost at the last minute a change was made and C. M. Olson, of the Ross Stores, Perth Amboy, a close friend of Mayor Hoffman's, conceived and executed the "Butterfly and Rose" idea. Ada, dressed as a rose, with butterfly wings in the background, was standing under a proscenium arch, draped with pink and with asparagus fern and pink rambler roses used effectively throughout. On the tongue of the float was a huge butterfly, about to settle upon a large pink rose. The float was drawn by Howard and Allen Hoffman, cousins of Ada.

TWO NIGHT EVENT AT SACRED HEART PARISH

Carnival and Fair Tonight and Tomorrow Night.

Something worthwhile is in store for the crowds expected to attend the carnival and fair to be held tonight and tomorrow night by the United Societies of Sacred Heart Church. Dancing will be held both evenings in the new auditorium and the carnival will be held on the grounds opposite the rectory on Washington avenue.

Benard B. Kubuciak is chairman of the two day event and assisted by a hustling committee have completed arrangements. Spacious booths with worth while articles of every description will be found on the carnival grounds.

TO HONOR FORMER RECTOR

To Present Monsignor Strenski With Official Robes.

The members of Sacred Heart Parish will journey to Trenton Monday, where they will visit Monsignor Arthur B. Strenski, former pastor of the local church. The former flock of the newly honored priest will tender him his official robes of scarlet, emblematic of his rank in the church. The robes are the offering of the members of Sacred Heart church, who have become endeared to Monsignor Strenski during his long stay in this city.

Monsignor Strenski during his stay in this city was considered an able leader among his parishioners. He had endeared himself to the members of his parish, who learned to love him. The title of Monsignor was conferred on him shortly after his arrival at the Trenton parish. It is believed that his work in this city gained for him the distinction of being one of the ablest men of the diocese. Besides his own parishioners, Monsignor Strenski endeared himself to many of the people of this city.

CUTTING CORNERS DOES NOT PAY

That cutting corners does not always save time was proven again on Pine avenue early yesterday morning. It was shortly after midnight when a car driven by Harold L. Dix, of Westfield, ran into the car of Henry V. Prosher, of Elizabeth, the latter car being driven north at the time. Officer O'Connor made an investigation but no arrests.

Want A Good Time?

Join the folks at Matawan at Public Health Day. Many prizes. Cards in afternoon. Block dance at night.

Gertrude Ederle, "Queen of the Waves," champion swimmer of the English channel, and Pride of America, made a stop at South Amboy on Tuesday on her triumphant tour to Atlantic Highlands, where she received the rousing welcome of her home town friends in the afternoon and evening.

"Trudy," as the girl who has won the hearts and admiration of her countrymen, is fondly called, sped quickly through Elizabeth, Rahway, Woodbridge, and Perth Amboy, making her first stop at South Amboy in front of the South Amboy Trust Company, where Mayor Harold Hoffman presented her with a beautiful basket of roses and expressed the congratulations of all South Amboys upon her achievement.

Sergeant David Quinlan and Roundsman John McCormack were dispatched to the bridge to meet Miss Ederle and to escort her through the city upon motorcycles. Snappily attired in a tan suit; with a red hat that matched her bright red roadster, Miss Gertrude waved her hand at Mayor Dorsey and the Perth Amboy delegation that was waiting on the other side of the river, and sped right through Perth Amboy to keep her South Amboy appointment. Hundreds of people gathered about her automobile, and Miss Ederle appeared to greatly enjoy her little visit here. She arrived "on the dot" at 1:30 and won from Mayor Hoffman the comment that she was "the first girl he ever knew to be on time." "Gee!" replied Miss Ederle, "I had to be on time to beat the other people who are swimming the channel."

WATERFRONT PROJECT WINS NICE COMMENT

P. A. Chamber of Commerce Congratulates Its Progressive Neighbor

South Amboy's waterfront project is winning favorable comment from adjoining municipalities who recognize its value in promoting the growth of the entire district.

In its annual program of accomplishments the Perth Amboy Chamber of Commerce has had reprinted the map of the shorefront project, with this comment: "The above map showing proposed waterfront improvements along the South Amboy shore did much to influence the war department to look with favor upon the request for a deeper channel in the Raritan River from the Great Beds light to Keasbey."

"Perth Amboy is to be congratulated upon having a progressive neighbor to help out in an emergency. Despite the tremendous effort put forth by the Chamber of Commerce to secure local backing for the 30 foot channel project, it remained for South Amboy to supply the most direct evidence of the urgent need of this improvement. Let's do better next time."

HARVEST HOME SUPPER HERE

Next Thursday evening, September 9th, at the First Methodist church on John street, another of the famous Harvest Home suppers will be served by the Ladies Bible Class, under the direction of Mrs. Frank Stratton, of First street. Last year hundreds were served at this annual affair and every one was loud in praise of the wonderful menu prepared. The following menu will be served this year: roast chicken, jiblet gravy, chicken dressing, ham, mashed potatoes, sweet potatoes, lima beans and corn, lettuce and tomatoes with mayonnaise, beets, cabbage sauce, celery, cottage cheese, pie a la mode, coffee and bread.

LUNCHEON THURSDAY

Next Thursday, September 9th, at one o'clock in the afternoon, a Mazola luncheon will be served by the Ladies Aid Society of the Presbyterian Church. The luncheon will be served in the lecture room of the church. A feature of the luncheon is to be a motion picture exhibition and each person attending will be given a shopping bag containing a number of cookery items as a souvenir. A very tasty menu will be served and tickets are now on sale by any member of the Ladies Aid.

COUNCIL IN
SHORT SESSION

Routine of Business Transacted in Quick Fashion.

With every one of the members of the Common Council in attendance Tuesday evening, the session of the governing body was an unusually short one. The absence of all matters pertaining to streets, water department, etc., would indicate that the membership of the councilmanic body were inclined to mark time in such matters pending the appointment by Mayor Hoffman of the Board of Public Works.

There was disappointment evident among members of the council at Tuesday night's meeting, when a question by the president to city clerk Disbrow as to whether there was a communication from the Mayor relative to the Public Works body was answered in the negative. Councilman Downs remarked, "I thought we'd surely have some appointments tonight."

The session resulted in the city engineer being authorized to furnish the Jersey Central Power & Light Company with the grade of the street at the corner of Stevens avenue and Fourth street. The lighting company, according to Councilman Cozens have awarded contracts for the laying of a sidewalk and curb in front of their property at the site mentioned, but are unable to have the work started on account of there being no grade information available. This work will carry out the announced plans of the lighting company some months ago, when the agitation for the removal of the transformer station to some other location was at its height.

The report of the Overseer of the Poor showed a total cost for maintaining the poor and indigent in this city during the month of August to be \$203.61. The report was awarded received and filed.

A resolution introduced by Councilman Downs authorized the payment of a note for \$6524.00 for the retirement of the Ridgeway avenue temporary improvement note.

The Water Commissioner was instructed to have a fire plug on Portia street moved to the opposite side of the street. The hydrant partially blocks the entrance driveway at the Blue-a-Wee Inn and is in danger of being damaged by some chance truck or pleasure car. According to Councilman Cozens the matter has been under consideration for about a year. It was his motion that authorized the shifting of the hydrant.

Councilman Kvist mentioned a pole belonging to the telephone company on Highland street was standing directly in front of the entrance to the Thorpe property. His motion that the clerk communicate with the owners of the pole and request its removal to the property dividing line a few feet away was carried.

Councilman Kvist also brought up a matter or an old hulk having recently been beached at the foot of George street and voiced the assumption that it was in reality junked there. He asked that the city clerk endeavor to locate the owner and then have the owner remove the boat. The motion was carried although Councilman Downs remarked that in light of past experiences along the same line, if it was junked it would quite likely be a very difficult job to find anyone willing to acknowledge ownership.

The ordinance establishing a curb line for the southerly side of Portia street between Pine avenue and Broadway was taken up on second and third readings and referred to the Mayor for approval. It is since learned that several of the property owners on that street have begun to clear off their vacant lots and make preparations to have them graded and improved.

EXCHANGE CLUB HEARS ABOUT "MYSTERY CAR"

Old Home Day was given another boost at the weekly luncheon session of the National Exchange Club held as usual at Seacrott on Wednesday. Besides the little time given to the Old Home Day matter the session was largely occupied by consideration of business matters in connection with the welfare of the club.

"Jimmy" Canton gave an interesting explanation of the Studebaker "Mystery Car" which last week was the source of a considerable stir of enthusiasm in automobile circles on exhibition at the salesrooms of J. Arthur Applegate in Perth Amboy. The car is now on display at New Brunswick. Several incidents in connection with the guessing contest conducted on the mileage made by the Mystery Car were recited to the amazement of the club members. Mention was made of a Morgan resident who made five guesses as to the total miles made by the car. In not one of the guesses was the woman more than a half mile out of the way in her guess.

After a discussion of tentative plans for an outing down Lakewood way for the latter part of this month the meeting adjourned. Chief Hornblower Kurowsky was absent.

A joint meeting of the American Legion and the Auxiliary will be held next Thursday night. At this time reports of the American Legion Convention will be presented by the Legion Commander and the President of the Legion Auxiliary.

NEW HOSPITAL OPENING
NEXT SATURDAY

(Continued from Page 1)

kind of a structure, have amounted to considerably less than one thousand dollars. Yet the building is all equipped with the newest and up to date apparatus now found in hospitals. The furniture for the wards and private rooms has been secured and the greater part of it is expected to be in place by the inspection date. This furniture, too, was secured at a very low figure considering the quality, etc., and is of metal suitably enameled. The furniture, it is said, is of a type that tends to offset the usual "hospital feeling" both in the type of construction and in the decoration used on it.

The hospital grounds are not to be fixed up to any great extent at present owing to the lack of a fund for this purpose but it is the hope some day to take care of this item so as to make the hospital site one of the most attractive to be found anywhere in the state. The work when undertaken is hoped to be less expensive than at present appears likely.

The contract price for the new building is said to be slightly in excess of forty-two thousand dollars and the total investment in the hospital tract and buildings is rated at approximately one hundred thousand dollars, most of it being already paid for. The cost of the new structure was kept down by reason of a number of donations of materials received from manufacturing concerns located in this vicinity. The South Amboy Terra Cotta Co., for instance, gave without any charge the terra cotta required for the building. Mr. A. W. Christiana gave the tile used in the interior, particularly in the operating room where a special tile was made purposely for the local building, and so on.

The work of the men and women responsible for the hospital beggars description and it is therefore urged that the reader pay a visit to the institution and gain for themselves an adequate idea of this wonderful accomplishment.

CARNIVAL IS A
BIG SUCCESS

C. D. of A. Affair Last Week Was Successful.

The Catholic Daughters of America Carnival held at St. Mary's Grove over the week end was very successful. The committee in charge of the event left nothing undone toward supplying good amusement, and high class novelties for the stands. Many local persons were fortunate in winning a number of very expensive articles. Dancing was the feature each evening under the direction of Mrs. Regina McGovern of First street. The very latest and well rendered hits made a decided hit with the dancers, who kept the musicians busy each evening until a late hour.

Just how much profit was added to the treasury of the Catholic Daughters of America has not as yet been made known, but it is understood that a tidy sum has been realized.

The Catholic Daughters of America were assisted by the Knights of Columbus Council, who willingly kept things humming during the days of the carnival. Booths added to the attractiveness of the grove and the articles displayed in artistic manner sort of magnetized the huge crowds that were nightly visitors at the affair. A sectional platform bought by the committee was placed over the old platform, that has been in the grove for several years, and which was badly in need of repairs, and used for dancing. The platform may be taken up and replaced each year, at a great saving to those in charge of the annual carnivals.

MRS. FREDERICK DEIKER

Mrs. Frederick Deiker, wife of Frederick Deiker, of upper Bordentown avenue, died at her late home on Tuesday morning after a lingering illness. Mrs. Deiker was well known and beloved in the section in which she resided, and her death was a sad shock to those who knew her.

Her funeral was held from her home this afternoon at 2:30 o'clock with an unusual number of friends in attendance paying their last respects. Besides a husband, who is an engineer at the local water works, the deceased is survived by five daughters, Mrs. Henrietta Chittick, and Grace, Winifred, Helen and Mildred Deiker. Three sons also survive, they being Charles, Harry and Frederick, Jr. Two sisters also survive; Mrs. Francis Hartle, Sr., and Mrs. Louise Hartman, besides two brothers, Henry and Louis Gelek.

FIRST PRESBYTERIAN CHURCH

The Presbyterian Church will continue for one more Sunday its vacation program. Dr. Schilbrede has postponed his return until September 13th. Next Sunday morning the service will be in charge of Rev. E. A. Mell. There will be no evening service. Sunday School will not reopen until September 13th, one week later than originally intended, on account of the uncompleted state of the Sunday School room decoration. The full schedule of activities will begin on Sunday, September 13th.

MECHANICSVILLE BOY SCOUTS
BACK FROM CAMPING TRIP

The Mechanicsville Boy Scouts, under the direction of Scoutmaster Julius Speaker, have returned from their annual encampment, after an unusual pleasant time, mingled with the work of the camp. The boys are now refreshed and ready with the assistance of their Scoutmaster to carry on a splendid program of winter activities.

This year's encampment was without any serious mishap to any of the boys. On the visiting days of the camp found many of the Mechanicsville people on hand to entertain, and to supply goodies to the boys. Scarcely a day passed without some pleasantness to keep the boys in good humor, and an encampment oftener than once a year, would suit the boys much better.

In the short time the Mechanicsville troupe has been organized they have made great strides toward perfection. They have carried on a great deal of work since their organization and hope to continue. Under the personal direction of Julius Speaker, their Scoutmaster, the boys have been given lectures in scoutcraft, first aid, and other essentials toward making a boy fit to be a scout. The folks in the Mechanicsville section were glad to see the smiling faces of the boys once more about the section.

John J. Triggs of Church street, is enjoying his annual vacation.

"JACK THE PEEPER" ANNOYS
FOURTH ST. RESIDENTS

(Continued from Page 1)

This was the last seen of the "peeper."

The incident was broadcasted about that section of the city next day, and brought to light startling confessions from other neighbors who had seen a man prowling about their homes. In all probability the same person visited the home of Carl Straub, who lives a short distance from Potter street and on Fourth street, some days before. Mr. Straub formed the police of the action. He same man, and a hunt for at that time failed to reveal the whereabouts of the strange person. It is understood from an authority that other neighbors had seen the man about houses in the vicinity, but thought little of it, believing that he was a resident, or a neighbor visiting. Now the entire section of the street is up in arms and drastic action will be taken by them, if hands are laid on the "peeper."

Police Officer Maliszewski, on duty at the corner of Main street and Stevens avenue, was told of the incident on Tuesday night by members of the party who were on the hunt for the man. He searched the neighborhood, but could not find anyone answering the description of that given him by the neighbors. The man, it is said, dresses in dark clothes, wears a cap, and is rather tall. He is believed to be between thirty and forty years of age.

ODDS AND ENDS

Mr. and Mrs. Henry Seeger and children of Broadway are spending a fortnight in the Catskills, at Coxsackie, N. Y.

Mr. and Mrs. William Slover and son of Roselle are visiting at the home of Mr. and Mrs. W. E. Slover on George street.

The Misses Margaret Keenan and Mary and Irene Quigg are spending several weeks at Canana, New Hampshire.

Raymond Smith of Asbury Park motored to the home of relatives on Second street during the past week.

Mary Nolan, Margaret Mulvey and Margaret Nolna are spending the week in Asbury Park.

The Misses Maud and Helen Tice of First street spent Wednesday at Asbury Park.

Miss Marion Anderson of South River spent Tuesday with friends on Church street.

Mr. and Mrs. William J. Sullivan of Broadway entertained relatives and friends from Woodbridge and Perth Amboy at their home on Tuesday evening.

The home of John Gallagher in the Bergen Hill section of the city is undergoing a new coat of paint at the hands of Contractor Julius Speaker.

The home of Mr. and Mrs. George R. Delaney, on Fourth street is now undergoing interior improvements.

Ambrose Watts, of Second street, has resumed his duties with a Perth Amboy chemical firm, after enjoying his annual vacation. A trip to Canada was enjoyed by Mr. Watts during his vacation.

A local and very popular youth was threatened with arrest on Monday after one of the special officers of the city declared him to be very noisy. The youth declared that he had not uttered a sound. An investigation by the officer brought to light the fact that the lad was attired in a very loud jersey, and a red tie. The special officer said on leaving, "Boy, you don't have to open your mouth. That outfit is noisy enough."

The Misses Tauqua Parank, of Portia street, Hazel Breiner, of Main street, and Madie Connors of Augusta street, have resumed their duties with the E. I. DuPont Company at Parlin after enjoying their annual vacation.

William Hammell, of Second street, is giving his home a new coat of paint.

Mrs. William J. O'Toole and family, of Second street, were among those from this city who attended the P. B. A. parade in Perth Amboy on Tuesday afternoon.

Mrs. Josephine Press, of Pine avenue and son Jack were Perth Amboy visitors on Tuesday. They attended the police parade while there.

Contractor John Joseack has completed the remodeling of the house at 238 Augusta street for Mrs. Mary Ann Campion. The house is now one of the finest on that street.

An effort to complete the Sacred Heart School in time for the regular school opening on September 14 is being made by the contractor in charge at this time. The new school when finished will consist of six spacious and attractive class rooms. The entire force of workmen previously working on the new hall have been placed on the school job in order to insure its completion.

The homes of George W. Applegate and Keller Baird of Second street are being painted at the hands of William McDowell.

Mrs. Margaret Claffy and family of Hazlet, N. J., have moved to a residence on Bordentown avenue.

Commander M. Lee Stults of the American Legion Post returned on Sunday from Bridgeton, N. J., where he attended the American Legion convention at that place.

Daniel Casey, of Paterson, is enjoying a stay at the home of John Brancy, on First street.

A leak in the water main on Augusta street necessitated the attention of the Water Department on Sunday. The leak was mid-way between Stevens avenue and Pine avenue.

Mr. and Mrs. Ferdinand D. Tedesco and family of Augusta street, enjoyed a motor trip to Lakewood on Sunday.

Mr. and Mrs. William S. Dey and daughter Marjorie have returned to their home on Main street after an enjoyable vacation spent at Asbury Park.

Mr. and Mrs. John Spencer and son Edward of upper David street, spent the week end at Mauch Chunk, Pa. with friends.

Thomas Kennedy of David street, with a party of relatives and friends motored to the home of relatives at Trenton on Sunday.

The infant daughter of Mr. and Mrs. Frank Stanton, of David street, has been christened Dorothy Jean.

Charles Compton Jr., of Broadway, who has been vacationing for the past two weeks has resumed his duties with the Pennsylvania Railroad in the Yard Master's office.

The Misses P. Mable, W. et, who have

Camp in northern New York state, returned to their home on Monday evening. This trip is an annual event, with the Watts girls, who together with friends spend the month of August at a camp.

BIRTHDAY PARTY

A Birthday Party was given last Monday afternoon from two to six o'clock by Mr. and Mrs. L. Stewart, of Highland street, in honor of their daughter Doris's sixth birthday. Games were played and bountiful refreshments were served. A birthday cake with six pink candles was cut by the young hostess. The favors were pink baskets filled with candy. The dining room was decorated with pink and white crepe paper streamers suspended from the ceiling, producing a pretty effect. Doris received many beautiful gifts. Guests were present from this city and Jersey City.

"At last," sighed the statesman, "I am famous. The humorists are attributing their bum stories to me."

PARLIN NEWS

Mr. and Mrs. G. Newman of Crane street, are the happy parents of a baby boy, born to them at the Middlesex General Hospital, New Brunswick during the week.

Mrs. Otto Domke and family of South Amboy, visited with relatives on Crane street, on Tuesday evening.

Mr. and Mrs. Edward Hardy and family of South Amboy were the guests of friends on Parlin Road on Tuesday.

Edward French and Samuel Pfeffer of South Amboy visited with friends here on Monday evening.

Work is progressing on the ball field and is being watched eagerly by the multitude of baseball fans in this vicinity. When completed the diamond will be the best in this section of the state. Just who will lead the DuPont forces next season is worrying a lot of those interested in baseball.

Mrs. Louis Nehrkorn of this place was a Perth Amboy business visitor on Tuesday.

Mrs. George Glick, formerly of South Amboy, and now of this place, was pleasantly surprised on Tuesday evening, when a large number of friends visited her home to congratulate and celebrate her birthday. Games, songs, and dancing, together with story telling kept the guests in a happy frame of mind throughout the evening. During the evening the friends of Mrs. Glick, partook of a very dainty supper served by a number of friends. A number of musical offerings were presented by the party during the night. The party did not disband until a very late hour, and then reluctantly bid Mrs. Glick an Au Revoir. Besides local people, guests were present from Sayreville, South Amboy, South River and Matawan.

The infant baby of Mr. and Mrs. Stephen Nash, of Whitehead avenue, which died on Saturday, was buried from the parents home on Monday.

Harry Whitehall of Elizabeth with a party of friends motored to the home of friends on Whitehead avenue on Wednesday evening.

INSTRUCT FARMERS TO INCREASE PAY

U. S. Government Will Have Exhibits at Trenton Fair—Improved Methods.

In space reserved for the United States Department of Agriculture at the Trenton Fair exhibits will be set up to bring practical knowledge to farmers for the improvement of their stock and an increase in their earning power.

The Trenton Fair this year will be held from September 28 to October 3, and the interesting displays to visualize proper and improper methods in the operation of farms will be kept throughout that period.

Among the topics to be covered will be the following: Co-operative Marketing, Farm Woodlands, Horses for Power, Marketing Woodland Products, Milk for Health, Selecting Meats, Neglecting Campfires, Value of Pastureland, What Cow Testing Revealed, When Lightning Strikes, Contagious Abortion, Hog Cholera, Runts.

The Government agents declare that hog raisers of the United States lose \$30,000,000 annually through hog cholera. Better sanitation and preventive serum treatment, they assert, will greatly reduce this loss. Sunlight and clean surroundings are especially recommended in combating the disease.

For the co-operative marketing charts are displayed as a suggestion on the method of forming an organization and the plan for distribution of products. The use of horses as a flexible source of power for farm use is encouraged by the Department of Agriculture. The progress of forest destruction from a small abandoned fire is pictured and the statement made that the yearly damage from fire is approximately \$17,000,000.

In the cow-testing exhibit the lesson is conveyed on the results of keeping a check on the amount of milk and butterfat produced by the different cows of the herd. One dairyman learned that each of his cows averaged only 64 cents yearly above feed cost, but another nearby farm was getting a profit of \$75 from each cow. By culling out the low producers the income was raised. Sections of lightning cables, air terminals and other fittings are to be put on view. To demonstrate the value of protecting buildings from being struck an effective contrast is to be given in the remains of wrecked buildings and those that have gone through a storm untouched.

French Golden Epoch

The golden era of French literature occurred in the reign of Louis XIV, famous for the splendor of his court and his disregard for his people. Corneille, Racine, Moliere, La Fontaine and Bossuet adorned this epoch.

Powerful Illumination

The greatest lighthouse in South America is that on the island of Rincon, about twenty miles south of Bahia Blanca. It has an illumination capacity of 20,000,000 candle power and may be seen for a distance of 36 miles.

FORD ANNOUNCES IMPROVED LINE OF BODY TYPES

Bodies Are Longer, Lower and All-Steel.

Body changes and chassis refinements more pronounced than any made since the adoption of the Model T chassis were announced by the Ford Motor Company last week. There will be no advance in price, it was also stated. The first of the cars to arrive in this section were received by Dorsey Motors, Perth Amboy agency early this week.

Outstanding features of the improvements in both open and enclosed types are lower, all-steel bodies on a lower chassis, complete new design in most body types, a change from black to color in closed cars larger, lower fenders, newly designed seats and larger, more powerful brakes.

Longer lines, effected through higher radiator and redesigned cowl and bodies are apparent in all the improved Ford cars, but are especially pronounced in the open types. Wide crown fenders hung close to the wheels contribute to the general effect of lowness and smartness.

While runabout and touring car remain in black, the closed bodies are finished in harmonic color schemes, enhanced by nickel radiators. The coupe and tudor bodies are finished in deep channel green while the Fordor is rich Windsor marmoon.

Greater comfort is provided for driver and passengers in both open and closed cars by large compartments, more deeply cushioned seats and greater leg room.

Many new conveniences are also incorporated in the improved cars. In the runabout, touring car, coupe and tudor, the gasoline tank is under the cowl and filled through an ingeniously located filler cap completely hidden from sight by a cover similar in appearance to a cowl ventilator. One-piece windshield and narrowed pillars in the tudor and coupe offer the driver greatly increased visibility and improved ventilation.

Driving comfort is materially increased by lower seats, scientifically improved back rests and lowered steering wheel. Brake and clutch pedals are wider and more conveniently spaced.

Four doors are now provided on the touring car and two on the runabout permitting the driver to take his place from the left side of the car. Curtains, held secure by rods, open with the doors.

Most important in the mechanical changes are the improved brakes. The transmission brake drum and bands have been considerably increased in size which gives the foot brake softer and more positive action as well as longer life.

The rear wheel brake drums are larger and the brake of self energizing type.

Cord tires are now standard equipment on all Ford cars.

At the main offices of the company it was stated that production of the new line is under way in all assembly plants of the company throughout the country and the improved cars are being sent to dealers for showing.

WHAT SAY? LET'S GO!

COMING EVENTS

Sept. 5th: Outing to Columbia Park, Laurence Harbor A. C. Leave Laurence Harbor 5 P. M.; South Amboy 6 P. M.

Coroner's an Old Office

The word coroner is from the Latin "corona," a crown, and it implies that a coroner represents the sovereign in the performance of the duties of his office. There were coroners in 1225, but it is not known what their duties were. The office of coroner as it exists today was created by British act of parliament in 1276.

Rare Find

The famous Velasquez painting "The Laughing Cavalier," recently bought by the Huntington collection was at one time sold for \$6 in Wind peg, to Stuart Livingston. It was picked up in a second-hand shop, and as no one at the time supposed it was a genuine Velasquez, it hung in an obscure place for many years.

LIGHT RAYS CURE DISEASED ANIMALS

Experts Find "Artificial Sunshine" Beneficial.

Manhattan, Kan.—"Artificial sunshine"—light from quartz mercury-vapor lamps—is being successfully employed in the treatment of injured and diseased animals at the veterinary clinic of the Kansas State Agricultural college by Dr. E. J. Frick and Dr. John Bullard.

Such good results have been obtained from the use of the ultra-violet light produced by these lamps that Doctor Frick and Doctor Bullard believe them a most valuable adjunct in the treatment of many animals' diseases and have found that in some cases the light treatment is sufficient to bring about complete recovery.

Of eight typical canine distemper cases, the veterinarians reported recently, five recovered in periods of from two to four weeks' time after a daily exposure of 20 minutes to the ultra-violet ray.

Three dogs not given the ultra-violet treatment during the same period all died. Only five days, with 20 minutes of exposure daily, were required to cure an acute case of moist eczema on a large bull terrier brought to the clinic. This rapid recovery was reported in many similar cases.

In the treatment of wounds the ultra-violet ray also was found beneficial. The two doctors cite one case, that of Moleum Burr, a courting greyhound which was brought here for treatment after having torn loose a toe in a race. The leg was bandaged too tightly and in three days all the bones of the injured foot were exposed.

After surgical treatment the wound was exposed to the ultra-violet ray and given daily treatments. The wound healed with unusual rapidity and with almost entire absence of pus formation.

In research work on animals by Dr. J. S. Hughes of the department of chemistry at the college it has been shown that ultra-violet light increases egg production and hatchability of eggs produced by poultry and prevents and cures outbreaks of weak legs and rickets in chickens.

Dream Castle Is Held by Alien Property Custodian

Pasadena, Cal.—Except for the halting footsteps of an aged caretaker, Castle Rosamond, the dream of Baroness Rosa von Zimmerman, stands silent and deserted in the quiet of the hills near here.

The baroness and her husband came to America nearly fourteen years ago. A dream which she had been harboring for a long time became a reality in 1917 with the completion of Castle Rosamond, which, with its 40 rooms and huge baronial hall, is said to have cost \$1,000,000.

Baroness von Zimmerman died April 26, 1917, and soon thereafter the United States having entered the World war, the property was seized by and still is in the hands of the alien property custodian.

Baroness von Zimmerman was born March 12, 1860, in Gnadenfels, Germany, the daughter of a wealthy brewer. She married Baron von Zimmerman, manufacturer of munitions, when a young woman. Later her father died, leaving her a vast estate and an annual income from Russian railroad securities, which became worthless when the czarist government of Russia was overthrown.

A large portion of her estate, valued at \$3,000,000, was bequeathed to three sisters then living in Germany. To an adopted daughter, little Beatrice Denton, eight, nothing was left. A legal battle followed and a short time later the court awarded her \$15,000.

To Erect Memorial on Tannenberg Battlefield

Koenigsberg.—An imposing monument to commemorate the Hindenburg victory at Tannenberg is to be erected on the battlefield. It will surround a smaller monument, dedicated to the memory of the old Hindenburg regiment, which now marks the scene of the battle.

The plan for the new monument was selected in a contest and was proposed by two brothers, Walter and Johannes Krueger. It will consist of an octagonal wall, 16 feet high and 205 feet in diameter, to encircle the present monument. Massive square towers 49 feet in height are to be placed at each of the eight corners.

A memorial hall for each regiment which took part in the battle will be provided and the ground floors of seven of the towers will be equipped as museums containing relics of the battle.

Hawaii Big as Japan Soon, Due to Quakes

Washington. — A prediction that Uncle Sam soon will receive from Mother Nature a fair-sized continent in the mid-Pacific, was added to the discussion and conjecture due to recent seismic disturbances.

Edwin Fairfax Nauty of New York, who has studied earth movements many years, declared he was convinced that the Hawaiian Islands gradually and quietly were being pushed upward, and within a generation would comprise a high and dry territory as large as Japan.

Old Diamond Rivals as Coaches

Left to right, Chief Bender, one of Connie Mack's stars in the days when he was winning pennants and world series, and Hans Lobert, of New York Giants fame, who opposed each other once more when their teams met on the baseball field. Bender is coaching the Annapolis baseball team, and Lobert is coaching the West Point team.

STATE ENTOMOLOGIST INSPECTS TREES HERE

Dr. Thomas J. Headlee, State Entomologist, of the State College at New Brunswick, was a local visitor a few days ago. While visiting here, Dr. Headlee, who enjoys a widely known reputation throughout the state as an authority on insect pest extermination, while here inspected a number of trees in this city for the local Shade Tree Commission.

In company with Mrs. B. C. Duver, at whose invitation Dr. Headlee visited this city, he made a study of several trees about the property of Dr. E. A. Meacham, at Stevens avenue and Augusta street. Recently Dr. Meacham has become anxious about the number of caterpillars and beetles on his trees and fearing the results of harm that they were about to do appealed to Mrs. Duver for assistance.

After examining the conditions described by Dr. Meacham the entomologist recommended the use of spray and chemical dust as a preventative of further damage. Suggestions and advice for combating the ravages of beetles chewing up astor patches and other flowers were also given Mrs. Duver by Dr. Headlee.

Mrs. Joseph Hubbard has returned home after visiting friends at Riverside, N. J.

Subscribed for the City

LOCAL HAPPENINGS

Allen Compton, of Bordentown avenue, has returned to this city after spending the summer at Bethel, Conn.

Mr. and Mrs. J. L. Eilenmeyer of Liverpool, Penna., and grand daughter Evelyn of Williamsport, Penna., returned to their home this week after spending two weeks at the guests of their daughter Miss Mildred Eilenmeyer of this city.

Miss Alva Compton and Miss Mildred Eilenmeyer have returned to this city after spending their vacation at Asbury Park.

The Misses May and Lillian Scharlatta, of Raritan street, have returned to their home after enjoying several weeks stay with relatives at Metuchen.

Mr. and Mrs. Wm. H. Martin of First street, have returned home from their annual vacation in the Catskill Mountains, and report ice and frost in that vicinity during their stay.

Miss Anna R. O'Connor, proprietor of "Stepping Stones," Amawalk, N. Y., was the guest of her parents, Mr. and Mrs. Edward J. O'Connor, of Broadway, on Thursday.

Mr. and Mrs. Roller Baird and daughter returned on Thursday after an extended vacation with friends at Buffalo, N. Y. Mr. Baird resumed his duties at the local Pennsylvania Railroad shops this morning.

Benjamin Strasser has just purchased a new enclosed car and on Wednesday enjoyed a motor trip to South Jersey.

Mr. and Mrs. Henry M. Leonard of Ferris street report a very pleasant time spent last week in Atlantic City. During their stay Mr. and Mrs. Leonard dined at the home of Court Stella Maris, of the Catholic Daughters of America.

Mr. and Mrs. Michael Hendricks and daughter of Raritan street were among the South Amboy visitors at Asbury Park on Wednesday to witness the baby parade.

One of the fleet of trucks of Fred Isley Jr. of this city, with Peter Thomas at the wheel, was the first truck to drive over the new Victory bridge that now spans the river between this city and Perth Amboy. Isley's trucks are engaged in the work of carting the blocks to be used to pave the bridge.

Miss Droothy Longstreet returned to Trenton the past week after two weeks spent at Asbury Park and one week spent with her grandfather, Mr. Joseph Compton of Augusta street.

Mrs. Mary Cassidy and daughter Norma, of Broadway, are enjoying the week end and holiday with friends at South River.

Mrs. Leo Thompson and children spent Thursday at Cliffwood Beach.

Mrs. William McLean of Burlington, is the guest of Mr. and Mrs. William Dill on North Boardway at this time.

Mrs. Chester Kettiling and sons have returned to their home after an extended vacation.

Miss Mae Duggan of Fifth street and Miss Ethel Lewis of Perth Amboy enjoyed the month of August in the Berkshire and Adirondack Mountain Mountains. A visit was also made to Canada.

Mrs. Edward P. Wilson of Second street was a visitor with friends at Columbus on Sunday.

Mr. and Mrs. John Sutliff Sr. of Pine avenue are spending two weeks at the Aberdeen in Atlantic City.

Miss Gertrude Hensberger of Pine avenue is visiting relatives in East Orange.

Frances Barret of Washington avenue spent the week end at Deal, N. J.

Mr. Joseph Compton, enginehouse foreman nights on the P. R. R. returned to his duties this week, after two weeks vacation spent at the Lyndhurst Hotel, Asbury Park.

Robert Weldon, who has conducted an auto painting plant in the Delaney building on Ridgeway avenue, has closed his business. Although Mr. Weldon seemed to have been doing a great deal of work, it is rumored that he has accepted an offer with an auto painting concern at Marlboro.

Richard M. Mack of Main street is enjoying his annual vacation from his duties with the Cheeseboro Manufacturing Company plant at Perth Amboy.

Miss Kathryn Gundrum has returned to her home on Henry street, after spending the past month at Ocean Grove.

The improvements to the exterior of St. Mary's school are now nearing completion. The workmen have completed the greater part of the school which presents a very beautiful appearance to the hundreds that pass daily. The contract price on the improvement is said to be \$5,000.

Mr. and Mrs. I. V. P. Selover of Second street, were Columbus visitors on Sunday.

The carnival booths used by the Catholic Daughters of America, during their recent carnival were taken down during the week and returned to the Bell Company from whom they were hired. The material not used during the nights of the carnival was also returned to the carnival company during the week.

Mr. and Mrs. Edward Fleming and children of David street motored to Marlboro on Tuesday.

Mr. and Mrs. J. E. Googan of Portia street, spent Sunday with friends at Columbus, N. J.

Miss Beatrice Sprague of Portia street recently entered the employ of the DuPont Company at Parlin.

The Misses Margaret and Marjorie Connors, of Chicago, are visiting Mr. and Mrs. David Quinlan of Henry street.

The Roselle Novelty Boys appeared as the feature of the Business Men's Week at the Empire Theatre last night. The musicians were brought to this city through the personal efforts of R. H. West. The program of pictures being presented at the Empire this week are of the best class obtainable.

Mr. and Mrs. Donald W. Reed and family are spending two weeks at Ashtabula, Ohio.

INJURED IN AUTO ACCIDENT ON BRIDGE

Mrs. Jonas Letts of George Street Sustains Injuries.

In an automobile accident on the state bridge early Monday evening, Mrs. Jonas Letts, of 323 George street, this city, sustained injuries necessitating medical attention. The car in which she was riding was struck by a truck, according to local police records.

Mrs. Letts, with her husband was going to Perth Amboy in the automobile of Joseph McCormack, of Henry street, McCormack being at the wheel of the car. It is said that the accident was witnessed by several other motorists whose names were taken for reference.

The truck was in charge of Walter Gray, of 22 Main street, Matawan, and the truck was owned by the Rollo Line, a Keyport concern of produce truckers. The accident happened near the south end of the bridge.

REGISTRATION OF PUPILS FOR THE PUBLIC SCHOOLS

Schools will open for the Fall term next Wednesday, September 9th. Beginning pupils must be registered the day before—Tuesday. Miss Mary Mack, the first year teacher in the George street school will be in her room from two to four o'clock for this purpose and Miss Mary Neilltopp will be in her room in the Fourth street school at the same time.

All beginners must have reached their fifth birthday. Evidence of age in the form of birth or baptism certificate must be presented.

Pupils who have attended other schools than the public schools here the past year and who have recently moved here, should register in the office of the Superintendent of Schools in the High School building.

HARVEST HOME RIGHT IN CITY

M. E. Church Affair to be Held September 17th.

A rare treat is in store for the people of this city on Thursday evening, September 17th, when a committee of ladies from the John street M. E. Church, under the direction of Mrs. Frank Stratton, of First street, serve a real old fashioned Harvest Home supper in the basement of the church. Elaborate preparations are being made for the occasion. Those who have tasted of the delicacies prepared by the ladies of the M. E. Church, know just what to expect at the supper.

A feature of the affair will be a special apron booth, with a variety of hand made aprons at special reasonable prices. The ladies have been preparing for this event for some time, and a general invitation has been extended to the people of the city to attend. Tables will be prepared and served early in the evening.

The following menu will be served: roast chicken with giblet gravy and chicken dressing; ham, mashed potatoes, sweet potatoes, lima beans and corn, lettuce and tomatoes with mayonnaise, beets, cabbage sauce, celery, cottage cheese, home made cake and peaches, coffee.

DEMARCO BROS. CLOSE THEIR GARAGE

Popular Local Auto Mechanics To Open New Place Next Spring.

A yearning for a long vacation with nothing at all to worry about, together with a long-considered plan of a change of location for the business, coupled with a sudden and drastic increase in rental charges brought the DeMarco Brothers garage on Bordentown avenue to a sudden close this week. With the close of business Monday night, the business was abandoned by the proprietors, Joseph DeMarco and his brother Anthony. During the last year and a half the two brothers had succeeded in building up a very extensive business in the automobile line amid a wide circle of friends in this vicinity.

According to the popular "Joe" DeMarco the long vacation is now about to become a reality and someone else can worry about providing the thirty-some tons of coal that the Bordentown avenue garage requires to keep it suitably heated during the winter months. After a rest until early Spring, it is the intention to open up for business again in a new building on Morgan road opposite the Seacroft.

For the present a temporary office will be maintained at their home address which is at 332 Elm street, Perth Amboy. All bills or claims against the business will be handled by Anthony DeMarco at the above address in Perth Amboy. Either of the brothers may be reached through this address.

COLUMBUS DAY EVENT

Columbus Day this year may not be celebrated with a flashy display of fireworks on Stevensdale, but if the local Council of Knights of Columbus carry out their program of events as planned at the last meeting the day will be fittingly observed. Grand Knight John J. Triggs has named a hustling committee of members to care for proper entertainment for the evening of the day that bears the name of the great discoverer of America.

At the present time the plans of the committee border on the staging of a monster evening of fun and frolic at St. Mary's Hall, with the entire parish as the guests of the local council. William J. O'Toole heads the following committee, who are laboring on the program of events in conjunction with the celebration, Charles Eppinger, Raymond Kress, Frank Hackett, Joseph Triggs, Henry Leonard, Guy Bachman, John McDonnell, John P. McGuire and John O'Toole.

COMPLAIN OF BUSES USING DAVID STREET

A complaint was made by property owners on David street in regard to the buses going up and down that street recently. Accordingly instructions have been issued to bus operators that when going after or coming from the garage headquarters after oil, gas, etc., they must use the paved streets so that there will be no further cause for complaint.

FIRE CO. AUXILIARY TO HOLD CARD PARTY

One of the season's big card parties will be held on Tuesday night September 15th, when the Ladies Auxiliary of the Independence Engine and Hose Company will hold this event—the first they have attempted since organization—in the fine new headquarters of the company on Broadway.

Tickets are now being placed in distribution, and there will be a large attendance, from the present outlook. There will be a splendid array of prizes. Mrs. H. G. Hoffman, is chairman of the committee, and other members are: Mrs. C. E. Mulrain, Mrs. Josephine Macholl, Mrs. Russell Hardy, Miss Helen Keating, Miss Julia Hyson, Mrs. Charles Domzal, Mrs. Margaret Barkalow, Mrs. Loretta Whalen, Mrs. Charles Sprague, Mrs. Elizabeth English, Mrs. Augusta Mehrlander, Mrs. Bridget Houlihan, Mrs. Mathilda Rush.

CITY'S FORD TRUCK HELPS IN GARBAGE COLLECTION

The City Street Department's Ford Jiffy truck was noticed substituting for the garbage wagon in the Fourth Ward yesterday morning. Apparently it would require two or three loads of the jiffy truck to fill the old garbage wagon, yet it was noticed that the average schedule maintained by the horse drawn outfit was somewhat bettered by the Ford.

It is said that the council, for a time at least, contemplated the purchase of a Ford outfit for scraping the streets, scarifying the surface, etc. The contention is that the automobile can cover the ground in so much less time than can the horse-drawn scraper. Also that the outfit does the work more thoroughly. No mention of the scraper has been made at council meetings for a long time, however.

Please mention this paper when purchasing from our advertisers.

CANADIAN VETS SHY FROM ORGANIZATION

Haig's Visit Hoped to Re-new Interest in League.

Toronto, Ont.—What has become of Canada's army? Already less than seven years since the height of its power it is referred to as "The Vanished Legion."

In all countries, in all ages, from Caesar to Napoleon and Grant armies have lived long after wars ended, sometimes as a great national resource, sometimes as a menace political or social, whose disbandment was a problem. But the long continued influence and power of the Grand Army of the Republic, to take a modern case in point, finds no counterpart in the dominion.

Canada enlisted almost 600,000 men. Allowing for casualties and other wastage, perhaps 500,000 of these were demobilized and returned to civil life in Canada.

Probably no nation of 9,000,000 people ever faced the problem of re-instilling such a large proportion of fighting men. The task was accomplished immediately and completely—too completely in the view of some.

Fall to Grasp Opportunity.

Had the war veterans developed a common political or other ambition and a cohesion to knit themselves into a single organization they could have achieved supreme power in the land, merely by a gesture. But so far the outstanding characteristics of war veterans' associations, although they have accomplished much useful work, have been disunion and a sense of failure to grasp potential opportunity.

War veterans' associations appeared on the stage long before the close of the war. Perhaps that was the initial mistake. Early promoters rushed to get into the field first. And none of them was able to command a general following. Early rivalries have not yet disappeared. And most discouraging of all is the fact that a great proportion of the disbanded men have stood aloof from all of the competing organizations, though there is a feeling in many quarters that if there was a single association nearly every war veteran would join it.

There have been and are in existence at least twenty and perhaps more distinct veterans' organizations in Canada. There is one strong one—strong in comparison with the others—one that was strong in the hectic days of 1921, and then a large number that trail away to mere regimental societies. Most of them have done exceedingly useful work, particularly in looking after dependent members.

Haig's Visit an Appeal.
One of the reasons for Earl Haig's present visit to Canada was to appeal to Canada's veterans to join in a single organization. Specifically he wanted them to become members of the British Legion. His appeal for unity aroused much enthusiasm. But concrete results are as yet problematical. So far the incident has served chiefly to emphasize the disunion of Canada's veterans.

The chief veterans' association is the Great War Veterans' association of Canada—G. W. V. A. for short. Its headquarters claim a membership of 99,000. But a recent audit of its books revealed that its greatest paid-up membership was about 50,000 in the year 1920 and that at present it has only about 11,000 members who have paid their current dues.

Another curious fact is that a majority of veterans who are active in most of the organizations are men who are old-country born. One official explained this by saying that the majority of Canadian troops were old-country born anyway, but this statement is not proved by official figures, which show the origin of Canadian enlistments as follows:

Born in England, Scotland, Ireland and Wales.....	231,495
Born in Canada.....	317,766
Born in the United States.....	37,391
Elsewhere, about.....	13,900

Perhaps the great Canadian veterans' association will yet come into existence. Whether Earl Haig's appeal will furnish the necessary impetus is problematical. Some think that a British Legion in Canada, following Haig's suggestion, would accomplish the required unity and strength. Others think that what is wanted is a Canadian Legion with Sir Arthur Currie at its head.

King Honors Girl for Outdancing Gypsies

New York.—A little girl of Rosedale, Queens, outdanced a group of gypsy girls on their own grounds, a clearing in the midst of a heavy grove near her home, and won for herself a green and notched withe.

The withe will be planted firmly before the tent of the gypsy king, and that means, as any one familiar with gypsy customs is aware, that a strange girl has invaded the camp and bested the tribal girls.

It will stand until one of the defeated girls can better the stranger's grace.

Dogs Haul Lumber

Cordova, Alaska.—A team of five malamute dogs was used successfully last winter to haul lumber from a mill on Grant lake, west of here, to the Alaska railroad, two miles distant, for transportation to Seward and Anchorage markets. The shipment of 25,000 feet was made from the mill in loads averaging the equivalent of a ton.

Bible Stops Dagger

A Bible in her kimono, just above the heart, saved the life of a young Japanese Salvation Army girl, when a man she had refused to marry attacked her with a dagger. She fell to the ground after the thrust of the knife which was stopped by the Bible, and the man, believing her dead, killed himself with the weapon.

PUBLIC SERVICE Men and Women

The Track Greaser

The PUBLIC SERVICE Railway Track Greaser is usually one of that always growing band of PUBLIC SERVICE people of whom the organization is rightfully proud—the veterans.

Of men and women who have had twenty-five years or more continuous service in PUBLIC SERVICE companies or their predecessors, there are already more than 700 and the list is continually growing.

Each of them, president, motormen, shopmen, engineers, salesmen and trackmen alike, wear a gold button in the lapel of their coats to signify that for more than a quarter of a century they have given faithful service to their companies and the public.

A necessary, although humble member of the great army of public servants assembled by PUBLIC SERVICE is the Track Greaser.

THE PENCIL MAKES A FARM PAY BETTER

**Farm Accounting Reveals Losing
Methods and Points Way to
Bigger Profits.**

(From Banker-Farmer)

A farm cannot properly be called successful unless it pays a fair rate of interest on the investment and returns fair wages for the farmer's labor. Agriculture is considered by all odds the most important industry in the world, and yet in no other industry is the business end so neglected.

It is common to find a farmer with an investment of fifteen to twenty thousand dollars, yet does he keep books? Perhaps he may jot down a note now and then of an important deal, but this is of no value in an analysis of his business as a whole. No other industry, however small, is carried on without books of some sort.

Farming is a business and to be successful must be conducted in a businesslike way. The business man's mind should have indelibly printed upon it two questions: What profit is my business making? How can that profit be increased? To know the latter, one must find out the former; and to find out about profits requires the keeping of books.

It is not necessary for a farmer to have a course in bookkeeping. Almost every agricultural college in the country has issued a simplified farm accounting book which it sells at cost, and only a few minutes are required each day to jot down the day's happenings.

Accounts Increase Profits

Instances number a thousandfold where farmers have profited by knowing their business. Accounts kept by nineteen farmers in Illinois led them to improve the organization and operation of their farms in ways that added approximately \$650 to their average net income in 1922, the seventh year they had kept accounts.

An Iowa farmer found at the end of the first year he kept books that crops fed to livestock brought more money than when sold outright. His figures showed that his cows were poor; compared with other farms in the state, he found the number of acres cultivated per man on his farm, as well as the number of acres per horse, were below average. He rented more land and replanned his fields, so that the crop areas per man and horse were increased. He sold some of his scrubs and bought good cows. The second year his income from the farm, after paying all expenses and interest on the money invested, had been increased over \$350.

Costs Can Be Regulated

"I have discovered," says one farm bookkeeper, "that the kind of man you have on a job, as well as the particular team, often makes quite a variation in the cost of performing certain tasks. I have learned from the pages of my book that if I could have increased the yield of my wheat field by two bushels and my corn by five bushels I would have realized a substantial profit from them."

While the farmers may not be able to fix prices on their products, they do have a voice in determining the costs of production. To reduce this cost they must first know what the costs are.

The number of farmers who are keeping books on their business has increased remarkably in recent years, but the number of businesslike farmers is woefully small when listed alongside the sum total of the farmers in the country.

Inventory Is Indispensable

The basis of any system of farm accounting is the annual property list or inventory. It is the starting point of the farm records. One must take into consideration decreases or increases in the value of all property owned to gauge the progress of the business. Lacking facts as to the value of his property, no business man can form an accurate estimate of how he stands financially. Increased cash may be due to property which was sold, or increased debts may be due to improvements made. If a farmer is falling behind, the inventory will emphasize this fact. Often when a man is discouraged and thinks he is making no progress, his inventories will tell him that he is better off than he thought.

At the end of each year a financial statement is drawn off. This is the farmer's rating and no farmer with a good financial statement need fear walking into a bank and asking for a loan.

BANKERS HELP

A bank in Monrovia, Ind., tests seed corn for farmers. A basement room was fitted out last season for the purpose and 25,000 ears were tested for fifty-six farmers. One-fourth of the seed tested last year was unfit for seed. This year the percentage will run even higher. The work is done under the supervision of the high school agricultural teacher. He reports that the community will have a surplus of seed corn this year.

The banks of Conway, Ark., have offered prizes for the most marketable sweet potatoes produced on one acre of land. A first prize of \$150 is offered, along with three district prizes of \$50 each. The county agent and the banks are working out the details. The County Bankers Association will help to employ a full time county leader this year for boys' and girls' club work in Calhoun, Cherokee and Buena Vista counties, Iowa.

Straining the Language

Twentieth-century advances are putting a severe strain on the language. For instance the New York Commercial speaks of "launching" a \$10,000,000 air route.—Chicago News.

Also, Easier

It is better to be broke than never to have loved at all.—Johns Hopkins Black and Blue Jay.

Potato America's Gift

Although Ireland is popularly credited with having given the "Irish potato" to the world, this credit rightfully belongs to America. The Irish people were the first to quickly accept the potato as an article of food. This vegetable is supposed to have been brought north from Peru. It was growing in the North Atlantic coast when the earliest explorers came.

Success

Success is a business in itself. To foster and develop it, and make what people call "the most of it," is a job requiring as much skill and industry as that which created it. One interview rejected, ten dinners refused, a hundred well-meant letters unanswered can go far toward spiking your best guns.—Channing Pollock, in Hearst's International Cosmopolitan

Didn't Want to Hear Papa

Betty and Bobbie were operating the radio. Suddenly from Betty came a scream of delight. "Listen!" she cried, "I have San Francisco, and that's where mother said daddy would be today." Bobbie paled a little, but he stood his ground. "Turn that dial," he commanded firmly. "What's the matter with you? Don't you know I broke a window pane today?"

Two Last Words, Perhaps
A woman doesn't always get the last word—sometimes she's talking to another woman.—Pitt

Introducing a NEW AUTOMOBILE FUEL

NO-NOX is a new automotive fuel that increases fuel efficiency, increases power, lessens waste, eliminates fuel knocks and the poor operating conditions that such knocks indicate, and prevents all harmful effects of carbonization.

With NO-NOX in the tank of your car you may step on the accelerator without a motor knock thus accelerating quicker, handle your car in traffic better and go over the hills with greater power and ease.

For an extended period of time, extensive experiments and research work have been carried on in the Gulf Refining Company Laboratories, and test cars driven thousands of miles to develop this more efficient fuel for internal combustion engines—we know it is right—but

The only way to realize the benefits of this new fuel is to make an actual trial of it in your car. Drive to a Gulf Service Station or Gulf Dealer today, and ask the attendant for NO-NOX.

NO-NOX is guaranteed to be no more harmful to man or motor than ordinary gasoline and is priced only three cents per gallon higher than *That Good Gulf* gasoline.

Looking Back Thirty Years

Issue of Sept. 7, 1895

The Raritan bridge discussion is creating hot blood in the Board of Freeholders. Brethren Edgar and Parsons had it hot and heavy at the last meeting of the Freeholders. Perth Amboy is up in arms for the bridge.—Editorial.

St. Mary's Parochial School opened on Tuesday last with a good attendance.

The advertising curtain at the K. of P. Opera House will be completed and shown on the evenings of the next entertainment, when Uncle Tom's Cabin will be presented.

Sing Lee, the laundryman, has come to stay, being now three years in Amboy. He is not one of the kind to open this month, and close the next taking other people's goods with him.

Mr. J. R. Skimmons while walking in the woods near Bordentown avenue on Sunday found a land turtle, on the back of which was inscribed the name of the late Rev. L. W. Johnson, and the date 1832.

It is reported that two or three of our lady wheelers will appear in bloomers.

The teachers of our public schools will begin their arduous duties next week after spending two months in restful recreation.

The eighteenth annual convention of the New Jersey State Firemen's Relief Association will be held at Central Hall, Bloomfield, N. J., at 10 A. M., on September 25.

Some persons tapped the fire alarm three taps about three o'clock on Wednesday morning, which called out some of the firemen. Had this funny man been caught it is likely he would have been tapped more than three times by the firemen, and also compelled to pay the fine of \$25, as an additional tapping of his pocket-book.

An Earthquake: The shock of an earthquake was felt in this vicinity about 6:30 o'clock on Sunday morning. Houses rocked, crockery rattled and beds shook awakening people out of their peaceful slumber. Its duration was of such length that numerous people became alarmed and it was a great relief to them when the vibration ended. The shock was felt in the States of New Jersey, New York and Pennsylvania.

Master Lester Stratton is visiting friends in Trenton.

Miss Edith Parisen is visiting Miss Bessie David at Lambertville, N. J.

Mr. and Mrs. W. H. Dey have been visiting friends in New York City.

Our Runners: Last Monday evening a number of young men were standing in front of "The Exchange" discussing the merits and demerits of our sprinters and would be sprinters. Usually when there is so much talking there is money in sight but contrary to all precedents a match race of 100 yards was managed between Jack Ansley and George Cheeseman Jr. for \$10 a side. Cheeseman beat his opponent so easily that Jack could not even say it was a close shave. Another race was arranged to take place immediately, the loser to "set up the wine" for contestants and officials. Cheeseman allowed Ansley 10 yards and again beat him easily. The officials were Stater, Wm. Bowe; Judge Capt. Conover; Stakeholder, T. J. Scully. Owing to the time and the picnic in St. Mary's Park there were not many spectators present. It is hoped that a race will be arranged between the two men so as to give the people an opportunity of witnessing it.—Spectator.

The Eclipse of the Moon: The total eclipse of the moon promised for Tuesday night came off according to the announcement of the scientists and the program marked out for it. The sky was perfectly clear and not an atom of cloud or mist interfered with the performance. The obscurations commenced at 9:48 o'clock and increased until 12:06 a. m., when the eclipse was as near total as such affairs get to be on all occasions there is a considerable amount of light steals around the earth and is refracted upon the moon rendering it dimly visible with a reddish copper colored light. The eclipse began to pass away at 1:47 a. m. and at 2:54 a. m. fair Luna was doing business at the old stand as though nothing extraordinary had occurred. Many of our citizens viewed the sight and sacrificed sleep accordingly.

Woman's Statement Will Help South Amboy

"I hated cooking because all I ate turned sour and formed gas. I drank hot water and olive oil by the gallon. Nothing helped until I took Adlerika". Unless due to deep-seated causes, Adlerika helps any case gas on the stomach in a surprisingly QUICK time. It is a wonderful remedy to use for constipation—it often works in one hour and never gripes. Peterson's Pharmacy, 132 N. Broadway. Adv.

Andy the Ashman asserts

ANDY is an authority on back-door gossip. And his profession gives him a good line on the kind of heaters folks use. "It's a funny thing," opined Andy solemnly, "what different amounts of fuel people burn winters. The Gigeys used three tons more'n the Lanes and their houses is twins. The only way I kin figger it out is that the Lanes has a Thatcher Boiler. I hear coal's goin' up considerable, this Fall."

THE special "Staggered Fire Travel" of the Thatcher Round Boiler puts the smoke and gases to work heating the house instead of allowing them to go to waste up the chimney. This method causes the direct heat to pass between and over every part of the section.

TRIGGS AGAIN HEAD OF KNIGHTS

Is Re-Elected Without Opposition as Grand Knight.

At one of the largest and most enthusiastic meetings held by the Knights of Columbus in some time, Joan J. Triggs was re-elected Grand Knight unanimously. In consideration of his very excellent record as head of the local council for the past year, the members present refused to consider opposition for the office. The meeting was held Wednesday evening in their rooms on David street.

A review of the past performances of Mr. Triggs brought to light many sterling matters that had a tendency to help the local council carry on its many items of interest. The regular monthly social meetings were inaugurated by Grand Knight Triggs and the attendance at each monthly meeting proved the worth of them. The members of the local council seem to feel that to remove Mr. Triggs from the office he now holds would curtail many plans he has set out to accomplish. He has from time to time enumerated lengthy programs of activities which he hopes to carry out this year. One of the big events is the Indoor Carnival to be held in St. Mary's Hall during November, and which he has appointed Henry Leonard as chairman.

From all accounts the Inside Carnival will be one of the largest events ever attempted by any one organization in South Amboy. A meeting of the committee with Mr. Leonard presiding was held after the election of officers with a goodly number of the committee on hand. Many novel events, heretofore not given the people of this city will be introduced by the committee in charge of the event. The carnival in all events will be held during the Thanksgiving week in November.

The officers elected last night were John J. Triggs, Grand Knight; Henry Leonard, Deputy Grand Knight; Francis P. Coan, Financial Secretary; John D. Mullane, Treasurer; Warden, Joseph Triggs; Advocate, Charles Lovely; Outside Guard, James Flanigan; Inner Guard, Joseph Geregthy; Trustee, one year, John Woods; Chancellor, John A. Coan; Delegates, John J. Triggs, John J. Connors; Alternates, John P. McGuire and Francis P. Coan.

Raymond Kress and Charles Eppinger have been placed in charge of winter indoor activities and are compiling a program of events at this time.

A first degree will be exemplified during the latter part of this month.

TAKEN TO HOSPITAL AFTER ACCIDENT

Mrs. Elizabeth Sloboda of Hillside Later Released From There.

According to a report at local police headquarters, Mrs. Elizabeth Sloboda, of Hillside, N. J., was badly hurt when she was struck by an automobile on the Pennsylvania road Sunday evening. The woman was treated at the City Hospital here after the accident and then allowed to go to her home.

The automobile which struck the woman was driven by Louis Frankel, of School street, Woodbridge, and in the car were Mr. and Mrs. Nathan Moran, also of Woodbridge. Frankel claimed the woman stepped into the path of his car and that although he swerved his car so sharply to the left that he upset it, he did not succeed in avoiding striking the woman. The right fender of the car threw the woman violently to the pavement and she sustained an injured arm, arm and body bruises. The car was but little damaged.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Charles Young, of 424 Highland street wish to announce the engagement of their daughter Josephine to Mr. Walter Christman of New York City.

Subscribe for the Citizen.

NEW INDUSTRY TO START HERE

Amboy Duco Co., Inc., To Start On Bordentown Avenue.

The Amboy Duco Company, Inc., is the name of a newly incorporated concern which will begin production in the garage building formerly occupied by the DeMarco Brothers on Bordentown avenue early next week, if not by tomorrow. The concern will conduct an automobile ducoing business of extensive scope and the prices at which the work will be handled are said to be so low as to create a sensation in the automobile field.

The DeMarco building is to be occupied only temporarily and will be vacated when the new structure on which work has already been started is completed. The new building is to occupy the site of the garage which was destroyed by fire several months ago and which stood just above the railroad bridge and it is expected to cost in the neighborhood of seven thousand dollars. The local firm of Lambertson and Reese have the contract and workmen have been busy for the past few days clearing the debris from the ground and digging a foundation trench. The building will have a tile front and will be constructed along the lines of the most modern principles in paint shop building.

The Amboy Duco Co., Inc., is incorporated for \$125,000 and the chief owners are Harry Bolte, Charles Michaels and Fred Norcross, all of Keyport. It is said that the new concern has plenty of financial backing and will be able to go into the ducoing business on a large scale production basis. Prices, it is said, will run from about \$50.00 to about \$125.00 for what is known as the satin finish job with slight increases for the gloss finish, in the whole or in part of the entire car, also depending to some extent upon the degree of gloss desired. At the prices mentioned it is said that interest is becoming very acute among the autoists, particularly among those "in the trade."

Mr. Bolte, it is recalled, enjoys a wide reputation as an expert Duco man and is said to be one of the best turned out by the DuPont Company. He was for a long time the chief expert for the Middlesex Duco concern which came to an end some months ago when the plant at South River was destroyed by fire. Mr. Norcross is a well known garageman at Keyport and Mr. Michaels has a wide acquaintance in the automobile garage business throughout the state.

MRS. WM. CUSS IN AUTO ACCIDENT

Struck by Car at Morgan Saturday Night.

Mrs. William Cuss, of Fourth street, was injured in an automobile accident at Morgan last Saturday night. Although an X-Ray showed no bones broken the woman was severely shaken up.

According to the report made to local police headquarters the automobile of James Quinlan, of John street, was proceeding along Morgan Road at a slow rate on account of the heavy traffic. Mrs. Cuss is said to have walked from between a line of parked cars and stepped directly in front of the car. She was knocked down before the car could be brought to a halt. After the accident, she was rushed to the local hospital and Dr. J. F. Weber called into attendance. Later she was removed to the Perth Amboy institution for the X-Ray and then brought back to her home. She is reported to be on the mend at this writing.

CATHOLIC DAUGHTERS OF AMERICA NOTES

Thursday evening next, September 10th will be the regular meeting night for the Catholic Daughters of America. A full report of the recent carnival will be made by the chairlady. Winter activities will be discussed and a full attendance is desired.

MISS CHEESEMAN IS CHARMING BRIDE

Weds Mr. Timothy F. Gleason Wednesday Morning.

At one of the prettiest wedding ceremonies held in recent days at St. Mary's church, Miss Anna Madeline Cheeseaman, daughter of William Cheeseaman, of 210 South Pine avenue, on Wednesday morning, became the happy bride of Mr. Timothy F. Gleason, son of Chief of Police and Mrs. Thomas Gleason, of George street. The ceremony was performed at nine o'clock by the Rev. Dr. Edward C. Griffen, pastor of St. Mary's church in the presence of 181 relatives and a goodly number of friends of both popular young people. Dr. Griffen, in his remarks to the young people, advised the proper course to pursue to insure happiness. He lauded the characters of the parents of both the contracting parties and wished them happiness.

The bride was attended by Miss Vera French, who looked charming in a dress of honey dew with a picture hat to match. She carried a bouquet of pink roses. The bride was attired in a gown of orchid georgette with a picture hat to match the material of her beautiful dress. She carried a handsome bouquet of white roses.

Immediately after the ceremony a wedding breakfast was served by Perth Amboy caterers to the huge gathering at the home of the bride, all of whom remained until the wedding party left by automobile for Elizabeth at five o'clock, from which point they embarked for Atlantic City, where they will spend several days. The house was daintily decorated in white and pink with favors at each plate.

Relatives and guests from Philadelphia, Princeton, Brooklyn, New York City, Elizabeth, New Brunswick, South River, Graycourt, N. Y., and Keyport were present at the ceremony and at the breakfast. Mrs.

Gleason at a number of showers received many beautiful and useful gifts from her many friends and admirers. The bride's gift to the groom was a solid gold monogram belt.

Mr. Cheeseaman presented his daughter with a check for \$500 and a total of \$350 in gold was received by the bride from her relatives and friends. Her brothers presented her with a handsome chest of silver. Cut glass and linens were among the plentiful gifts received by the newly weds.

Upon their return to this city the newlyweds will make their home at the residence of the bride's parents on Pine avenue. They will be at home to their friends after October first.

IN CHANCERY OF NEW JERSEY

TO JOHN E. VAN ANTWERP and JACOB H. HEDENBERG, their respective heirs, devisees and personal representatives, and their or any of their heirs, devisees, executors, administrators, grantees, assigns or successors in right, title or interest.

By virtue of an order of the Court of Chancery of New Jersey, made on the day of the date hereof, in a cause wherein Ala Media Everitt is complainant and you are defendants, you are required to appear and answer the bill of complaint on or before the 4th day of November next, or the said bill will be taken as confessed against you.

The said bill is filed to quiet the title of said Ala Media Everitt to certain lands and premises more particularly described as follows:

"ALL that tract or parcel of land and premises situate, lying and being in the City of South Amboy, in the County of Middlesex and State of New Jersey, being known as lots Nos. 1 and 2 in Block 43 on map of

South Amboy, made by John Perrine, Jr. in June 1835, located at the corner of Pine Avenue and Gordon Street in said Block No. 43 and being 50 feet front and rear and 100 feet in depth."

and you are made defendants because you claim or are claimed to have some right to, interest in or encum-

brance upon said lands, and if you claim any title to, interest in or encumbrance upon said lands and premises you are required to answer the said bill, but not otherwise.

Dated Sept. 2, 1925.

MADISON TOWNSHIP

Mr. and Mrs. Ralph Fountain of Neptune City visited Helen Campbell of Runyon on Sunday.

Mr. and Mrs. Morris Bailey and children of Milltown spent Wednesday with the latter's parents, Mr. and Mrs. Karl Kentus of Runyon.

Miss Evelyn Applegate of Cheesequake has returned to her home after a short visit at New Brunswick.

Miss Mary Vohman of Jamesburg spent Sunday at the home of Miss Helen Campbell of Runyon.

Rose, Rita, Alice and George Nyman of Cheesequake were Perth Amboy visitors Saturday evening.

Mrs. Douglas Hunt of South Amboy spent Friday visiting relatives at Runyon.

Mrs. William Campbell of Runyon spent a day recently at the home of Mrs. Daniel Campbell of South Amboy.

The funeral services of Mrs. Fred Deiker of South Amboy were held at her late home in South Amboy on Friday and burial was at the Ernston cemetery.

Cheesequake School will reopen September 8th, Daylight Saving Time will be used. This year in preference to Standard Time in foregoing years.

Miss Helen Campbell of Runyon has returned to her home after a visit at the home of Mrs. Ralph Fountain of Neptune City.

Mrs. William Culver and daughter Olive of Old Bridge spent Monday visiting Mrs. James Ellingham, of Runyon.

Mr. Gillman Brown of Jersey City spent Sunday visiting Miss Ellie Arose of Cheesequake.

Mrs. Ervin Tice of Cheesequake has been confined to her home with illness during the past week.

Last but not Least, don't forget the Annual Harvest Home at Cheesequake, Thursday evening, September 10th. The Harvest Home at this place is known for miles around, so if you have never attended, by all means do so next Thursday evening, September 10th.

REPAIR ENGINE ON WAY TO "CONEY"

Trenton Inspectors Garbed for Holiday Work on Disabled Locomotive.

"Joe" Weinman and "Lou" Callan, locomotive inspector and machinist respectively, on the Trenton Division at South Amboy, all but ruined a perfect holiday on a recent Saturday, when they put duty to the railroad above personal consideration, dropped their identity as plain passengers on New York Division train 726 bound for New York and in the immaculate holiday wardrobe of pleasure seekers, stripped the locomotive attached to the train when it became stalled between Avenel and Rahway, patching the engine up to resume its journey, all in the short space of twenty minutes.

Weinman and Callan left Amboy on the train bound for New York whence they intended to go to Coney Island. Near Avenel it came to a sudden stop and both men jumped out to see what the trouble was. When it was discovered that the main pin was broken on the left side of the locomotive 1710, attached to the train, both men threw off their coats and plunged into the work of stripping the engine, in order to make temporary repairs which would enable the train to continue into New York.

Only Detained 20 Minutes Working feverishly with no thought of the clothes they were wearing, the men had the engine stripped in twenty minutes and sufficiently repaired to resume its journey. The volunteer workers were considerably soiled with dirt. Nevertheless they boarded the train and on reaching the terminal in New York, again made temporary repairs, this time to their wardrobe. Then they went on to Coney Island.

"We didn't think much about those clothes while we were working," said Weinman, talking about the affair afterwards, "although it caused us considerable inconvenience when we tried to primp ourselves up on reaching New York. We knew enough about the railroad to realize that a passenger train stalled was little short of a sacrilege to any seasoned railroader. And we weren't going to sit quietly in a coach if we could be of any service. Fortunately it was just in line with our work and we were glad to get on the job and save what might have been a serious detention."—Pennsylvania News.

The Ladies Auxiliary to the Protection Engine Company, under the direction of Mrs. Charles Travinski, of Henry street, are now completing their plans for the monster card party to be held in the fire house on Wednesday evening. A handsome lot of prizes have been secured by Mrs. Travinski and her committee, which will be awarded during the evening to the most skilled players.

John Ryan of David street motored to the home of friends at Plainfield on Sunday evening.

On Tuesday the altar boys of St. Mary's Church, were the guests of Dr. Edward C. Griffin on an outing to Asbury Park.

Mr. and Mrs. Morris Reiner, formerly of this city, have moved into their new home at Avenel, N. J.

Mrs. Mary McDonnell of Church street, represented the local Legion Auxiliary at the Bridgeton convention. She returned to this city on Sunday afternoon.

MECHANICSVILLE

Mr. and Mrs. George Saunders and Mr. and Mrs. Frederick Kurosky motored to Point Pleasant on Tuesday, where they will spend two weeks at their summer home at that place. Both Mr. Kurosky and Mr. Saunders will spend the better part of their time fishing while on their vacation. Fred should have some good fish yields ready for the Exchange Club, upon his arrival in this city again.

Joseph Norek of lower Conover street motored with a party of friends to Sayreville on Tuesday.

Mr. and Mrs. Matthew Cronin and family are preparing to move into their newly acquired home on Wilmont street, formerly owned and occupied by Mrs. Mary Drum of that street, who is having a smaller home built for her adjoining the Cronin home.

Theodore Stolte Jr. motored with his family to the home of relatives at Old Bridge during the week.

Mr. and Mrs. Eugene Forman of Raritan street were among those from this section who attended the baby parade at Asbury Park on Wednesday.

Mr. and Mrs. James Murray of Raritan street have returned to their home after enjoying their annual vacation.

Mrs. A. Bryan of Raritan street was a Newark business visitor during the week.

Many of the property owners of this section are taking an added interest in their grounds by improving them to a great extent. With the completion of Raritan street a much needed improvement, much will be added to the appearance of this section.

A large delegation of persons from this section were in attendance at the police parade in Perth Amboy on Tuesday. The baby parade at Perth Amboy also attracted quite a few from here.

Theodore Stolte Sr. was a recent visitor in Atlantic City with friends.

Mrs. George Stolte Sr. entertained.

ed relatives from Sayreville during the week at her home on Conover street.

The home of Mr. and Mrs. Thomas Grimley on Raritan street is undergoing considerable changes at this time. A spacious addition to the front of the house and changes to the interior of the place complete the plans.

The Girl Scouts of the Mechanicsville section at a very interesting meeting held last night added considerably to their plans for the monster dance to be held in the High School Auditorium on October 3rd. The affair promises to be one of the finest ever attempted in this city and special arrangements are now being made to make this event very attractive to the lovers of the terpsichorean art. Miss Ersel Speaker of Wilmont street, is the chairlady in charge of the event.

Otto Domke, of 289 Conover street, has his car badly damaged, when another car owned and driven by Joseph Franklyn of 14 Oak street, New Brunswick, misjudged a turn in the road and ran directly into the Domke car. Mr. Domke, who was alone in his machine, was fortunately not hurt, although his car was considerably damaged by the impact. It was necessary to have his car towed to a local garage.

Once more the Hole in the Wall is a cause of annoyance. Those in charge of repairing it seem to be having a hard time trying to seal the great cement slabs, so as to prevent the water and dirt from coming down from overhead. The loom used with a mixture of tar does not seem to hold together with the heavy traffic overhead and it has become necessary to have workmen repair the seals every so often. While this work is being done it is necessary to have two watchmen station at the Hole to direct traffic one way. It will take a considerable length of time before the work is completed.

Mrs. Anna K. Stults has returned to this city after attending the Ladies Auxiliary Convention of the American Legion at Bridgeton. Mrs. Stults represented the women of Middlesex County at the convention.

HERE AND THERE IN THE FIELD OF SPORTS

By Chris Mulrain

All County Baseball Team
With the close of the baseball season nearing, the question of what ball players stand out as the best in the county has come to the fore. Not being familiar with all of the teams in the county, it is impossible to pick an all-county team, so we would like to hear from some of the fans, giving their choice of an all-county team. Shoot your suggestions along and see who picks out the best team.

Rutgers Football Schedule is Arranged
Jack Wallace's Scarlet eleven will face three new opponents this season. Lebanon Valley, St. Bonaventure and Franklin and Marshall have been dropped and in their place the Rutgers eleven will face Alfred, Maryland and Holy Cross. The balance of the schedule remains the same as last season. The game with Lafayette will be played at Easton this year. Five games will be played at home and the rest away. The season opens on September 26th with Alfred at Rutgers and closes November 21st with New York University at Rutgers.

Jersey Fighters to Seek Bouts in Europe
Bill McCartney, manager of Charlie Weinert, Philly Krug and Buck Josephs will sail shortly for Europe in the hope of securing suitable bouts for his trio of fighters. Krug, who has met the French middleweight champion, will no doubt meet him again in France, while Weinert will be sent in against the heavyweights. Josephs will go against the flyweights.

Garland and Fitzsimmons off for West Coast
Bob Fitzsimmons Jr. and his manager, Hughie Garland, left last week for California, where Young Bob has a fist engagement with Jimmy Delaney of St. Paul. Bob should have no trouble with Delaney and if successful will no doubt remain on the Coast to meet some of the heavyweights, that are springing into prominence. While Garland is away, Lew Diamond will look after Al Bain and the other stars in Garland's camp and keep them busy. Bain and Tiger Nelson or Freddy Krebs would be a good bout for Perth Amboy.

Ty Cobb Passes Twenty Year Mark with Detroit
Ty Cobb was honored by Detroit baseball fans and the owners when he passed the twenty year mark of active baseball playing for that club. The owners presented him with a check for \$10,000 as a reward for faithful service. Cobb celebrated by scoring two runs himself and driving in another with a double and a single.

Herman and Kaplan Bout Causing a Lot of Comment
The recent Kid Kapla and Babe Herman fight held at Waterbury, Conn., in which Herman clearly outpointed Kaplan in the eyes of the majority of the newspaper men present, but was robbed of the championship by a referee imported from another state for the occasion. Those connected with the fight game in this state to prevent a repetition of the Berlenbach-Marullo, and Walker-Jones bouts taking place again, but the Herman-Kaplan affair shows that even with decision bouts champions can be protected, especially when the referee is the only judge as to the winner. With several judges it is different. They all cannot be fixed especially if they are not notified before time that they are to officiate. Let us go the way we are and we will not have trouble of this kind coming up.

Ocean View A. A. Will Close Doors Soon
Now that Labor Day is fast approaching and the seashore becomes deserted, boxing will not be a paying proposition there. Messrs. McArdle and Dosereck have made a success out of boxing at Long Branch for the owners of the club. Tom and Charlie give the fans plenty of action for their money and treat the fighters square, paying better than most of the clubs. McArdle has been matchmaker for several clubs and has not as yet had a failure chalked up against him. He was matchmaker of Henderson's Bowl and cleared over \$40,000 and this year he is also handling the matchmaking of the Queensboro Club in Long Island City and is over \$50,000 to the good.

LAURENCE HARBOR ADDS ANOTHER WIN TO THEIR LIST

Tally Twice in Last Frame to Defeat Keyport Robins.

Henry Hess's contenders for country honors continued their winning streak by defeating the Keyport Robins last Sunday by the score of 9 to 8. The Harbor nine tallied four runs in the third and the Robins sent one over in the fourth. In the fifth and sixth the Harbor nine secured one run in each inning and the Robins came back with one in the fifth and four in the sixth. In the seventh the Harbor made the count seven all, and in the ninth the Robins scored one, and with two runs needed to win, the Harbor team came through and tallied twice when Letts walked and Hess doubled scoring Letts, Moran then singled scoring Hess with the winning run.

The box score:

Keyport Robins	AB.	R.	H.
Tuttle, c	5	1	1
Manuel, ss	4	2	2
Rapolla, cf	5	1	3
Carhart, rf	5	0	0
Deeks, 3b	5	1	3
K. Young, 1b	4	1	1
W. Young, cf	3	1	2
Agellakos, 2b	4	1	1
Pulombo, p	4	0	2
	39	8	15

Laurence Harbor A. C.	AB.	R.	H.
Letts, 3b	4	2	2
Bentley, 1f	5	2	3
Hess, ss	5	2	4
Moran, c	5	1	3
O'Leary, 1b	4	0	1
McCarthy, 2b	4	0	2
Singh, p	4	0	0
Freeman, cf	4	1	3
Grob, rf	4	1	2
	39	9	20

The Summary: Bases on ball, off Pulombo 4; off Singhofen 3. Struck out by Pulombo 4; by Singhofen 3. Two base hits, Rapolla, Pulombo, Letts, Hess 2.

SACRED HEARTS TRIM RAHWAY COLORED GIANTS

Rogers, French, Romer and Kane got Circuit Clouts.

The Sacred Hearts scored their easiest win of the season last Sunday at Whitehead's Field, when they defeated the Rahway Colored Giants by the score of 11 to 3. Sharo pitched for the Hearts and kept the Giants' hits pretty well scattered. The first pitcher to face the Hearts lasted three innings, when they began to get to his hooks. Rogers drove out the longest homer ever made on the field and French followed with another circuit clout. In the fourth inning after Rogers made his home run, Kane came through with one, and More was then relieved and McGaghin was sent in. He fared little better than Moore. The Giants were not match for the Hearts and

one of the smallest gatherings of the season witnessed the game.

THREE EIGHTS AND ONE TEN AT OCEAN VIEW A. A. TONIGHT

Johnny Hossie to Make Initial Appearance at Seashore.

Matchmakers Tom McArdle and Charlie Dosereck will give the fans four star bouts tonight at the Ocean View A. A., Long Branch. The star bout of ten rounds will show Johnny Darcy of Bayonne and Johnny Rocco of New Rochelle. Rocco is a new comer in these parts, doing most of his fighting down East and in New York. He is under the management of Billy Gibson, who was manager of Benny Leonard, and Gibson thinks that he has the successor of Leonard in Rocco. In fighting Darcy, Rocco will be watched by the promoters and sport writers to see if Gibson is justified in thinking he has such a good fighter in Rocco. Once past Darcy, Rocco can mingle with the best of the lightweights in the country. Johnny Darcy has fought over a hundred battles and has only been knocked out once, and that was by Jack Zivic in six rounds. He holds knockout victories over Wild Man Gould, Henry Mick, Sapper Cohen, Jimmy Frusetti and others. He has fought Johnny Dundee, Jack Bernstein, Pete Hartley, Joe Tiplitz and others in the front ranks of the lightweight class.

Hossie and Mankus in Semi-Final
In the semi-final of eight rounds, Johnny Hossie will make his debut at the Ocean View with Steve Mankus of Elizabeth. This will be the supreme test for Hossie and if he is able to get by Mankus as Sailor Andrews did, he can then hold his own with the best light heavyweights in the state. The remaining eight will bring together Dan Lewis of Jersey City and Dan Smith. In the opening eight, Emanuel Lema of South America will meet Teddy Watson of Jersey City.

HARBOR NINE AND SHERIDANS TO MEET AT PERTH AMBOY

Hess Brothers to Battle for Second Time in Preliminary Game.

Messrs. Brownmiller and Rogers realizing that the second clash between the Laurence Harbor team and the Sheridans scheduled for Sunday afternoon at Whitehead's Field won't keep a large number of fans from travelling across the river to witness the fourth clash of the Hearts and Perth offered the Hess Brothers a good inducement to stage their conflict prior to the main attraction. The Hess Brothers, not wishing to see Rogers or Brownmiller have a financial set back agreed to bring their teams to the Copper Works field so the fans would have an extra attraction. There is a possibility that the winners of the Harbor-Sheridan game and the winners of the Hearts-Perth game may clash. The Harbor team has been trying to secure a

game with the Hearts all season and no doubt would furnish stiffer opposition than the Rahway Colored Giants and would draw more people to see the game as the Harbor folks are strong for their baseball club.

FOOTBALL PUNTS By Pigskin

A squad of football men from the University of Pennsylvania and getting their preliminary training at Sea Bright under Coach Little, former All-American fullback from 1916 to 1919.

The New York University is training at Fort Slocum. They close the season with Rutgers at New Brunswick.

Coaches Gargan and Ward have one of the biggest squads that ever turned out at Fordham.

Coach Charlie Crowley's first call for gridiron candidates for Columbia brought out over thirty men for the varsity.

West Virginia's call brought out fifty candidates for the varsity and thirty-five for the freshman team.

The local high school team will start its training some time next week. Four of the varsity have graduated and there is a possibility of a few more not returning to school. This will no doubt weaken the team considerably.

NATIONAL TURNERS TO HOLD AMATEUR BOXING BOUTS

First of Fall and Winter Bouts to be Held Sept. 19 and 21.

The National Turners of Newark, one of the leading amateur clubs in the state will hold the first of their Fall and Winter boxing carnivals at their club house, the preliminaries being held on Saturday, Sept. 19th and the finals on Monday, Sept. 21st. Event No. 1, 108 lbs. and under; event No. 2, 115 lbs. and under; event No. 3, 125 lbs. and under; event No. 4, 135 lbs. and under; event No. 5, 145 lbs. and under; and event No. 6, 155 lbs. and under. Entries close with Fred J. Jacobi, secretary of the club on Sept. 16th.

HERMAN AND DE LUCCA IN STAR BOUT AT PERTH TUESDAY

Four Sixes and Two Fours will Mullins and Dixon in Semi-Final.

For his second boxing show to be staged next Tuesday night, Mooney Poulson will give the fans plenty of action. There will be four sixes and two four round bouts, believing that the fans who support his show are entitled to the best bouts obtainable for the money. In the final bout of six rounds, Freddy Herman of Orange, who showed here last season, will make his initial appearance this season against one of the newest knockout artists from Staten Island in the person of Tommy DeLuca. Poulson is an authority on DeLuca, having seen him perform several times. His latest victory was over Billy Ramsay of Elizabeth.

Mullins and Dixon in Semi-Windup
The semi-windup of six rounds will bring together boys that have proven that they possess the goods to rate them at top notchers in this state in their class. They are Johnny Dixon and Larry Mullins. Dixon fought two great fights with Sailor Sam and Mullins has yet to be defeated in the Perth Amboy ring. Light Heavyweights in Return Bout
Sailor Andrews of Perth Amboy will meet Eddie Matthes of Staten Island in a return bout of six rounds. Both of these battlers met before and

Eddie Matthes
Matthes was lucky to go the distance, and unless he has improved a lot since the last meeting, he may kiss the rosin. Andrews surprised the fans not long ago by more than holding his own with Steve Mankus.

Banks and Brown to Clash
The writer was asked by Poulson for the name of a suitable opponent for Ken Banks of Rahway and suggested Pete Brown, of Somerville, the boy who made Kid Karslick step fast to stop the decision. Brown should outpoint the rugged Wop from Rahway.

Two Fours to Open Show
In the four round bouts, Frankie Carmen of Perth Amboy will meet Billy White of New Brunswick. Another basketball player has heard the call of the roped arena and will make his start as a leather pusher or canvass kisser. He is Gordon Chizmadia, basketball player from Perth Amboy. He stands about six feet, two inches, and will have to meet heavyweights. He will meet Joe O'Dowd of Carteret. Gummy Snyder played basketball before putting on the gloves and if Chizmadia turns out the same way as Snyder, he will be a welcome addition to the "Cauliflower Ears."

Changing window displays frequently attracts attention from passers-by and leaves a good impression of your store.

SPORT CHATTER

By HAM and EGCS

Tiger Nelson seems to make a specialty of being knocked out more than once by the same man. On Monday night at Staten Island he was again knocked out by Freddy Krebs. This makes the second time that Krebs has done the trick. Tommy West also stopped him twice.

The Laurence Harbor and Sheridans will play their game as a preliminary game to the Hearts and Perth Amboy game.

Young Stribling is still knocking out the boys that are sent against him, but the names are new to us and mean little in the fist world.

What's to be done with the loving cup offered for the winners of the city twilight league?

Coach Jack Wallace of Rutgers was operated on for appendicitis this week and is doing nicely. He expects to take personal charge of the Scarlet squad in a week or two.

Mike McTigue may regain his title of light-heavyweight champion of the world which he lost to Paul Berlenbach as Jack Delaney is unable to go through with his bout with Paul and Mike has been secured by Tex Rickard to meet Paul. Since losing his crown, Mike has fought some great battles and may again wear the crown.

Don't forget Mooney Poulson's fights on Tuesday night. Four sixes and two fours, and maybe a scrap or two amongst the audience. Well it is going to happen—that extra game with Perth Amboy next Sunday. The Hearts and the Perth Amboy team will cross bats for the fourth time. Last week the Perth News stated that Nataro and Brownmiller were through with Rogers, but that's the "old balonga." Perhaps the series may go seven games, if business is poor.

Why doesn't the Hearts play the Polish Giants? Money question again? Some of the Hearts fattened their batting average last Sunday against the Colored Giants.

Mickey Walker and Shade meet Sept. 21st at the Yankee ball park. Harry Wills will arrive in the U. S. A. some time this week, and then that Dempsey affair may be settled? Gene Johnson and Patry Nelson put up a great battle at Elizabeth last Friday with honors pretty near even. On the same card Joe Harris and Bert Smithers fought a slashing ten round bout and were rematched for twelve rounds for tonight.

Rumors are flying thick and fast as to who will conduct Sunday baseball at DuPonts next season. Some say Rogers and others state that other local men will have a team to represent South Amboy.

Babe Ruth is to fight his suspension by Miller Huggins, and will take the case to Judge Landis. The Laurence Harbor Athletic Club will hold a straw ride to Columbia Park tomorrow night. Buses will leave the Central Railroad Station at 6 P. M.

Tommy West gave Charlie Arthurs a nice lacing Monday night at Newark.

Newark promoters are waiting for Harry Wills to come back from Europe to try and secure him for a bout at Dreamland Park. No set ups need apply.

Walker and Shade are busy sending out stories to the press, telling how they intend to beat each other. I hope they live up their word and fight.

Perth Amboy and South River will meet for the first time this season at South River on Labor Day. The Hearts will be idle on this day as part of the team will be playing with the Belmar team.

Poulson will hold his second card of bouts Tuesday evening, with four six round bouts and two fours, and perhaps there may be a few bouts not carded as in the last show.

Sampson will be down to pitch for Perth Amboy against the Hearts Sunday.

How about a Sunday game for the Hospital Fund, with the Hearts playing the best available men in the city. Ladago has tired of taking up the collection at the Hearts games and his resignation was sent in last week.

Henry Dane, the Matawan catcher, was secured to catch for the Hearts against Jamesburg. Why not let Letts do the receiving, as he caught a good game against the Landings

and should be given a little consideration for his willingness to fill in when the regular man is out of the game.

HEARTS TO MEET AMBOYS FOR THE FOURTH TIME

Game Will be Played on Copper Works Field Sunday.

The Sacred Hearts and the Perth Amboy Baseball Clubs will clash for the fourth time this season on the Copper Works Field in Perth Amboy this Sunday afternoon.

Sampson no doubt will be secured to hurl against the Perth Amboys, as he has stated his willingness to pitch against the Hearts at any time to get revenge for the defeat handed to him in the last contest which the Hearts won by coming out in the latter part of the game and winning by a one run margin. Rogers will no doubt have to use outside talent as Bucy Nesley and Lefty Lyons are on the injured list. Perhaps Pud Stinson may play against his former team mates. If this happens, there will be some terrible razzing going on.

SACRED HEART JRS. COP TWO GAMES OVER WEEK END

After a layoff of two weeks the Sacred Heart Jrs. of this city turned in two victories, the first being a forfeit game from the Levine's All Stars, who did not show up at the field at all. The second game was against the Holmdel A. C., the score of this game being 4 to 2, which indicates it being a fast and interesting one. "Archie" Zamorski was in great form in this game, allowing the visitors but 4 hits and retiring 15 of the visiting batters by the strikeout route. He was opposed by Jas. Mahor, who was nicked for a total of ten hits, and fanned eight of the Hearts. Holmdel is the representative team from Holmdel, N. J. A few Sundays ago the Matawan team defeated Holmdel by 2 to 0.

The box score:

Sacred Heart Jrs.	AB.	R.	H.
Hranksoski, 3b	4	0	0
Russala, cf	3	0	0
Witezak, ss	4	1	1
Stenewicz, 2b	4	0	2
Zamorski, p	4	2	2
Suminski, rf	4	0	0
Carp, 1b	3	0	2
Lagoda, c	4	0	1
Sharo, lf	3	1	2
	33	4	10

Holmdel A. C.	AB.	R.	H.
Mullen, 2b	4	0	0
Brady, lf	4	0	0
P. Mahor, rf	4	0	0
Kelly, ss	4	0	1
J. Mahor, p	3	0	0
Jeffrey, c	4	0	0
Warnick, 3b	2	1	1
Phillips, cf	3	0	0
Holms, 1b	3	1	2
	31	2	4

The Summary: Struck out by Zamorski 15, by Mahor 8. Base on balls, off Zamorski 3, off Mahor 2. Double plays, Kelly, Mullen to Holms; Mullen to Holms; Zamorski, Lagoda to Stenewicz.

HEARTS DOWNED BY JAMES- BURG IN FINAL SERIES GAME

The Hearts dropped their third game of the series between Jamesburg, the game being played on the Polish Giants Field at South River. The final score was 4 to 1. King Phillips of Long Branch held the Hearts at his mercy for eight innings, the length of the game. James-

burg got the jump in the first inning, when they sent one run across. The Hearts tied it up in the third with one run and Jamesburg came back with another. Both teams were held scoreless until the seventh when Parsler pulled out a home run with one man on the sacks. The game was called in the eighth inning on account of darkness.

BIG GAME FOR SACRED HEART JRS. THIS SUNDAY AFTERNOON

This coming Sunday afternoon the Sacred Heart Jrs. of this city will take on the Crosswords of Carteret. The game will be played on Whitehead's Field and play will be called at 2 o'clock. The only two games the Hearts lost in the league this season were dropped to the Crosswords, the scores being 5 to 3 and 7 to 6. A win for the Hearts this Sunday will mean the championship and a setback will mean a tie in the league. A good game is assured and a good crowd is expected out. Archie Zamorski will do the pitching in this game.

BAIN AND CARLO IN RETURN BOUT AT LAUREL A. C. NEXT TUESDAY NIGHT

For his star bout on Tuesday night at the Laurel A. C., Newark, Laddy Kusy has matched Ray Neuman of Jersey City, one of the leading heavyweights in the state and Battling Siki, Newark's newest heavyweight sensation. This colored lad has been going great and this is the first step up the ladder for Young Siki, providing he gets by Neuman.

The semi-final bout of six rounds will be a return bout between Al Bain and Joe Carlo. This will make the fourth meeting of these two battlers. Billy White of Jersey City will face Artie Martin of Brooklyn. Young Badgley will meet Young Montana. Ding Dong Dell, of Harrison and Johnny Rice will clash in a six, as will Henry Petrin of Newark, former amateur lightweight champion, who meets Young Ruggeri. Owing to Monday being Labor Day, the show is being held Tuesday night.
