## George Cliver Retires From Railroad Service

### Local Citizen Put On Roll Of Honor By Pennsylvania R. R.

Mr. George G. Cliver of Second street was placed on the honor roll at retirement by the Pennsylvania Railroad Company on March 1, 1929.

Mr. Cliver was born Feb. 24, 1859 on a farm located within the present Camp Dix at Wrightstown. Upon graduation from the public school, he learned to be a telegraph operator and freight and ticket agent under Mr. E. R. Kirby. His first appointment was a position as extra at Pemberton Junction on the Amboy Division. He then held positions of similar capacity between Haverdod, Grace and Baltimore, at Montauk, Mexico, between New Brunswick and Jersey City, at Clifton, Staten Island and at Perth Amboy. When the Western Union merged the Baltimore & Ohio Telegraph Co., Mr. Cliver secured a position as line foreman and helped build a six wire telegraph line from New York to Boston. When this was completed, he returned home and married Caroline S. Parker.

He again secured a position with the Amboy Division where his services have been continuous until retirement. Due to health it became necessary to secure outside work so he took up line building and repairs. In this field he attended the company school and graduated as an electrician. Following this, he built and maintained the lighting system in the local yards. Of late years Mr. Cliver was telephone inspector and signal maintenance man. Special assignments have called him into duty as instructor and inspector on the new book of rules, examiner for operators' efficiency rating, and the positive of block operators from "SA" tower here to Jamesburg.

As a local citizen, Mr. Cliver has maintained residence in South Amboy since 1890. He has been judge of the election board in the second ward for over twenty years. He was a member of the Board of Education, where he served as secretary for three years. He has also served as president of the Board of Health. He is a member of the First Baptist Church and at present on the Board of Trustees. He takes great interest in politics and is a prominent and outspoken member of the local Republican Club. His range of acquaintance is quite extensive.

## PYTHIANS PLAN SOCIAL HOUR

Good Samaritan Temple No. 5, Pythian Sisters will hold a regular meeting Monday evening, April 1st. It is hoped that all members will make an effort to be present as arrangements are being made for the temple to take part in the work of the district meeting which will be held in Perth Amboy, May 2nd. After the meeting Mrs. Clayton and her committee will have charge of the social hour. All members are urged to attend.

### NEW FEATURE ADDED

In this issue there is presented to Citizen readers for the first time an article by Bernard Macfadden, the famous Physical Culturist. If you like the new feature, won't you kindly tell us so? Then we will know whether to continue it in each week's issue if and when space available permits.

## THREE PERTH AMBOY LADS ARE RESCUED ON LOCAL SHORE FRONT BY LOCAL MEN; AFTER PERILOUS BOAT RIDE LAST NIGHT

### Borrow Small Row Boat: Lose Oarlock Overboard And Are Carried Into Bay By Wind And Tide: Rescue Tug Gets Aground Off New Dock: Small Boats Held While Men Wait On Shore For Drifting Craft

Three young boys from Perth Amboy enjoyed a wild ride in a small row boat in the Raritan Bay yesterday afternoon that ended on the shore front just below the Minnie Ditch here after dark last night. But before the boat ride ended there was a tug boat aground because of their plight, a Coast Guard cutter was speeding toward the scene and the State Troopers as well as numerous citizens from this city and Morgan were gathered along the shore front.

The boys, aged eleven, twelve and eleven respectively were Chester Macguski, 528 John street, Michael Hedanich, 392 Barclay street and John Reda, 537 West avenue, all of Perth Amboy. They escaped with nothing more serious than a wetting as they were dumped overboard when the boat grounded on the rocks. They were taken to Lookwood's Boathouse, Morgan, for emergency attention, thence to the State Troopers Station at Keyport to be dried out and given something to eat, which seemed to be all that they needed.

It seems that the three lads got out of school early and went to the shore front to play around. Someone told them there was a boat at the Raritan Yacht Club that they could have to take a ride in. They got the boat, a small light one about eight feet in length and it began to row about the bay. An oarlock started their

## K. OF C. TO OBSERVE 30TH ANNIVERSARY

The thirtieth anniversary of South Amboy Council No. 426, Knights of Columbus, will be celebrated next month in a fitting way. It is the intention of those interested in the anniversary exercises to bring to this city some of the men who presided at the time the Council was given its charter. Among those who helped organize the local council was Judge Peter F. Daly of New Brunswick.

## Junior Class To Present Play Here April 12th

### 'The Family Upstairs' To Be Given In Sacred Heart Hall

The Junior Class of South Amboy High School will present "The Family Upstairs," a comedy in three acts, at the Sacred Heart Auditorium. It is a story of typical family life of today. The play tells about a mother and father and their three children, Annabelle, Louise and Willie. The father is a street car inspector who makes a small salary and can only afford to keep his family in an upstairs flat. His daughter Louise is a pretty and talented young woman who works in an office. Her mother's one anxiety is to get her married, while father's ambition is to get his son Willie to work. Annabelle, the "kid sister" of the family, has one passion, and that is getting out of doing her piano lessons. When you drop in on them Friday evening, April 12th, you will find Annabelle practicing on the tin-panny piano, Willie making a telephone date with a girl friend, father coming home in his uniform, fagged out, with his feet hurting, mother bossing Annabelle and everybody yelling for their dinner.

When dinner finally gets on the table Louise announces that a young man is going to call on her that evening and what a sensation that is to her family!

The play is very amusing and entertaining. Miss Virginia H. Deitz, faculty adviser, who put the play "Seventeen" across so well last year is coaching the Juniors this year.

The cast is as follows:  
Mr. Heller..... Fred Reese  
Mrs. Heller..... Hazel Merrill  
Louise..... Helen Fernandez  
Willie..... William Lamberson  
Annabelle..... Georgine Mack  
Charles Grant..... Stanley Steiner  
Mrs. Grant..... Mildred Deitz  
Herbert..... James White  
Miss Callahan..... Jeanette Van Cleef

## Harmony Club Easter Social Next Monday

The South Amboy Harmony Club will hold its Easter social on Monday evening, April 1st at the City Hall.

All members, both active and associate, and their friends are looking forward to an enjoyable evening.

Mrs. C. T. Mason and her assistant, Mrs. Albert Cole have a surprise in store for all when refreshments are served. Mrs. H. Bergen will be in charge of games and other entertainment. If one can judge by the last social of the club, all are assured of having a merry time.

All active members are urged to be on hand at 8:15 P. M. for rehearsal, as several concerts are planned for the very near future.

Joseph Phillips of Seton Hall College is spending his Easter vacation with his relatives on Conover street.

## City Treasurer Put Under Tenure Of Office

### Governor Larson Will Sign Bill To Place George Kress Under Tenure

With the passage of Assembly Bill No. 55, by the State Senate on Tuesday, City Treasurer George A. Kress will be placed under tenure of office. The bill had previously been passed by the Assembly and it is said will be signed by Governor Morgan F. Larson. The Senate passed the bill, which had the support of Congressman Harold G. Hoffman, by a unanimous vote. The vote in the Assembly was 39 to 3, the vote of Arnold Kalam, of Perth Amboy, being one of the three opposing it. The bill was originally introduced by Assemblyman Morrisson, of Middlesex.

The bill is as follows: "Any person now holding the position or office of treasurer of any municipality of this state, incorporated under the act entitled, 'An act relating to and providing for the government of cities of this state, containing a population of less than twelve thousand inhabitants,' approved March 24, 1897, and who has held said position or office continuously for a period of five years shall not be removed from such position or office except for a good cause after a fair and impartial trial, but such municipal treasurer, who shall have held said position continuously for a period of five years, shall hold his position or office during good behavior, and shall not be removed for political reasons, notwithstanding that the said treasurer may have been appointed for a fixed term."

For the past six years, Mr. Kress has been City Treasurer. He was originally appointed by the Democrats, and his late appointment was made by the Republicans. Time and time again he has been commended by Commissioner of Municipal Accounts Walter R. Darby for the splendid condition of the city's books.

## Past Commander Veterans Post Given Regalia

John Connors, 1st Commander Sharkey Post, Gets Glowing Verbal Tribute Too

At a special meeting of Daniel F. Sharkey Post, Veterans of Foreign Wars held at the Post rooms on Sunday afternoon, John Connors, Commander of the Post during the year just closed was presented with a Past Commander's regalia and a handsome pen and pencil set donated by the members of the Post.

In making the presentation speech in behalf of the Post, County Commander Kilmurray extended a glowing tribute to Past Commander Connors for his work as the first commander of the local Post and his sterling leadership, which caused the Post during the first year of its life to become one of the leading units of the organization in the state.

During the business session, plans for a carnival to be held under the auspices of the Post were discussed and an interesting report was rendered by the committee which during the past three weeks has been occupied with the organization of a Ladies Auxiliary unit to the Post.

Wm. Dockwell, a member of Sergeant Egan Post of Perth Amboy, who was present at the meeting, offered a prize of \$5 to the member of the Auxiliary bringing the most new members into the organization before the closing of the charter.

At the election held to select delegates to represent the Post at the coming state encampment in Somerville in June, the following members were elected: Philip Purcell, Joseph Seaman and Aloysius Leonard. Alternates elected were Vincent Wargis, Philip McGuire and Edward Deitzel.

## ST. CECILIA DANCE NEXT THURSDAY EVE.

The members of St. Cecilia Club will hold a dance on Thursday evening, April 4th, in Sacred Heart Auditorium. Miss Julia Skarzynski is the chairman of the committee on arrangements for the event. Music for the dancing is to be furnished by the Harmony Five.

At a meeting of the Star Building and Loan Association held at the City Hall on March 25th, resolution was offered amending the constitution, empowering the Association to procure insurance on date of expiration at the expense of the borrower for failure to file. This resolution will be voted for and against at the meeting of April 22, 1929.

## Safety Patrol Movement Here Gets Setback

### Chief Gleason Pushing Preparations Slowly Pending Dispute Settlement

A dispute between certain school action for an extension of the School Safety Patrol movement into this city have met with an unexpected setback. The setback comes in the nature of a dispute between certain school authorities and police forces in certain municipalities in the northern part of this state.

There is no intention of abandoning the idea here but pending the settlement of the question of policy which causes the dispute referred to, the plans for having a patrol here will be prosecuted somewhat less vigorously than would otherwise have been the case. It is expected that the difficulty in question will be satisfactorily adjusted within a few days, perhaps a week.

Alcanine Chief Gleason has gone ahead with his conferences with the school heads here. Dr. E. C. Griffin, head of St. Mary's has signified his readiness to co-operate with the plans as materialized. Father Desmewski, head of Sacred Heart, has not been reached yet, the engagements of the Chief and he not affording a suitable opportunity to discuss the proposition.

In the very near future it is expected there will be a joint session of all the students to be affected and the several school heads. At this meeting it is planned for Traffic Sergeant Sieboth to give an address of explanation of the workings of the plan. He will explain the difference between the Patrol Squad members and so-called 'junior police.'

This state is one of the pioneers in developing safety patrol work and so far there are seventy five towns and cities that have organized patrol squads. Col. H. Norman Schwarzkopf, superintendent of the State police has assigned three troopers to encourage and assist the country school districts along state roads to form patrols.

The executive committee of the state association is authority for the statement that where safety patrols have been in existence for any length of time the record almost invariably shows not a single school child killed or injured while on the way to or from school where a safety patrol member was on duty.

On Monday here the need of cross-guardianship was again demonstrated when a woman driving a big sedan tried to nose through a stream of children crossing the highway. The student who was directing traffic made her stop, back up and then wait for other cars to go after the school children were safe.

## COUNCIL DOES NOT FAVOR GRANTING PERMITS FOR ANY MORE BUS LINES; MAY DENY PUBLIC SERVICE APPL'N.

### Postpone Action On New Permits For Old Bridge-Perth Amboy Line—Fare Would Be Twenty-five Cents Each Way—Council Fills Assessor Vacancy In First District By Appointing Ex-Councilman Charles Pearce

At the council meeting Tuesday night a member announced that the council would grant no more bus permits to the Public Service Co-ordinated Transport because of the treatment that the city has received at the hands of the corporation in the past. The announcement was occasioned by the reading of an application from the concern named for permit to operate ten buses between Perth Amboy and Old Bridge. The real action of the council was to refer the application to the council as a whole with the city attorney and city engineer.

According to the request for permit the fare to be charged for the entire run would be twenty-five cents each way. The buses would route through here on Main street, Stevens avenue and out Bordentown avenue. Fare zones would be the Perth Amboy-Sayreville dividing line; Sayreville-South Amboy dividing line; Dayton Mahogany Warehouse; Runyon and P. R. R. Crossing in East Brunswick township.

No mention was made of the fact that such a line were in operation, would be a duplication in a good many respects to the present Mahan Bus Line service, particularly coming from Perth Amboy to here. Resentment is still strong among the council members about the action of the action of the Public Service in the Perth Amboy South River line, now apparently abandoned in the face of opposition from Sayreville, as well as the taking off of trolley service in the late night hours here.

At a meeting of the Star Building and Loan Association held at the City Hall on March 25th, resolution was offered amending the constitution, empowering the Association to procure insurance on date of expiration at the expense of the borrower for failure to file. This resolution will be voted for and against at the meeting of April 22, 1929.

## MALLOY GETS PORT COM. JOB

Mayor Kvist has designated Councilman-at-Large J. Raymond Malloy as a member of the Port Raritan Commission. Mr. Malloy will succeed George R. Delaney whose term expires on March 31st. The appointment is for a full term of five years. The appointment does not require confirmation by the council but it is customary for all appointments by either the mayor or Councilman at large to receive the approval of the governing body.

## Two Are Jailed For Theft Of Local Man's Auto

### Local Youths Borrow Ford For Ride —Held Without Bail For G. Jury

Two local youths were sent to the county jail yesterday to await the action the grand jury on a charge of automobile stealing. The hearing before Police Justice Linwood Van Cleef was held Wednesday evening. No bail was fixed here. The young men were Stanley Jurewicz and Frank Cominski.

It seems that John J. Keyes, of 520 Henry st., left his Ford sedan parked near the Empire theatre here Tuesday evening. When he came out after the performance it was gone. In seeking his brother to get the use of the latter's car to hunt for his own, he earned his car had been seen in Perth Amboy and the men in it recognized.

Later in the night the Ford was located on Augusta street, this city, with the two youths first named above riding in it. Warrants were sworn out for their arrest and served by Sergeant Quinlan and Officer Reiner.

Haled before the Police Justice the explanation is said to have been that they just wanted to take a ride. Apparently they saw no harm in their act, particularly as they had intended to return the car to this city undamaged. The Police Justice evidently didn't see it that way though.

Inspectors of the State Motor Vehicle department were in this city on Wednesday checking over the local motor vehicle agency. It is said they were well pleased with the way things were being handled at the local branch.

## COUNCIL DECIDES TO R. O'LEARY AT STORM TO RETURN

### Squabble Over Fire Hose Of City Fathers: Malloy Tion To Put Ousted Co. March 26th.

### Mayor Thinks Action

## RESOLUTION VETOED BY MAYOR KVIST

Mayor Andrew Kvist has returned to the City Clerk the resolution adopted by the council to reinstate Edward O'Leary as a member of the police force, with his veto and his reasons for so doing. It is understood that among reasons for the veto is the supposition that such action as that taken by the council would be disastrous to the moral of the balance of the police department, if permitted to go into effect. Mayor Kvist advised Councilman Gallagher, introducer of the resolution, of his intention to veto the resolution at a chance meeting of the two men in New Brunswick on Wednesday. Another fact said to have influenced the Mayor's action is the withdrawal of the petition to the courts for a review of the case by the attorney for Mr. O'Leary. The veto will come before the meeting of the council on April 9th for further action.

## No More School Until April 8th

### Spring Vacation Begins Today For Public School Students

The local public schools closed yesterday afternoon for the usual spring vacation. There will be no more sessions until April 8th. There was but one session held yesterday. School was called for half past eight in the morning and continued until nearly one o'clock when the usual number of recitations were concluded, the usual study periods intervening being eliminated to shorten the days work.

During the vacation period the janitors will do a great deal of renovation work that is periodically required. Minor needed repairs are expected to be taken care of at the same time, it is understood.

## Republican Club Is Re-organized For Fresh Start

The local Republican Club was re-organized for the year's campaign at a meeting held on Wednesday night. The meeting was held in the Trust Company building and the following officers were elected:

President, W. S. Dey.  
Secretary, C. M. Bloom.  
Treasurer, T. R. Manduka.  
Acting Vice Presidents, W. P. Preston, G. C. Cliver, A. Kvist, J. Hackett, Harold Hoffman.

**The New Lumber Company**  
The South Amboy Lumber and Supply Company is rapidly pushing along the erection of its buildings. A large force of men and teams are hauling sand to fill in the ground, and a strong force of carpenters are busy on the buildings. One building 80x20 feet is raised and the roof will soon be on. Two other buildings, one 60x20 ft. and one 52x80 ft. will soon be ready for raising. Quite a quantity of stock is already on hand and some contracts and orders have been secured.

The first orders filled were delivered on Tuesday of this week. It is expected that the railroad sidings will soon be begun. The location at present appears a little on the outside, but this may, in part, be due to our custom of finding the lumber yard on the main street. The use of the telephone eliminates distance so much now that the new location will prove convenient.

The new concern, with its ample capital, and its 14,201 square feet of floor space, will begin business in a way to be able to compete on a fair basis for a share of the patronage of the public.

**Wait-Bunting**  
Miss Anna Mary Bunting of this borough and Mr. Leonard Wait of Perth Amboy, were united in marriage at the parsonage of the Methodist Episcopal Church on Thursday evening by the Rev. F. C. Uhl. The wedding was private and after the ceremony the newly married couple took the train for New York, en route for Chicago, where they will spend a brief honeymoon. They will probably make their future home in Perth Amboy.

# It Will Pay You to Do Your Business in South

Back in 1901 it was Stillwell & Mason that started the store now conducted by E. S. Mason and Son shown herewith. Then as now furniture and undertaking were the chief items of service. For sixteen years the first named concern served South Amboy. In 1917 the business was reorganized under the present name. Just recently the establishment was renovated throughout and the fixtures and even the stock and business methods were changed.

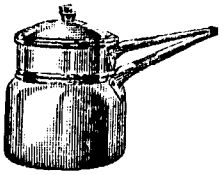

The concern was one of the first in this county to use motorized equipment in the funeral conducting. Their first outfit was a Pope-Hartford machine with a lengthened frame and a specially built (at Red Bank) body with an enclosed driver's compartment (an innovation in itself at that time), built to specifications and plans prepared by the firm members. It served for several years before the manufacturers offered a similar vehicle. Radio outfits are now a prominent feature of the institution.

## SELLING A TOWN IS LIKE SELLING ANYTHING ELSE

If you are a thinking resident of where you live, you desire that the world get sold on your town.

Before you can get sold on it yourself, and before you can sell it to others to anywhere near maximum degree, there is a certain amount of study and analysis necessary. That is, it is necessary if known ethics of good business are adhered to. Sad but true, however, this is altogether too seldom done in things civic.

The first question to be answered is, "Is there a market—a demand for it?"

The demand for good, live, wide-awake communities greatly exceeds the supply. Every day people are asking, "Where is there a good town in which to locate"—for any one of a thousand reasons. Twenty percent of your motor traffic is in the market for, or can be sold a new location. Men at the heads of large industrial concerns, people in all walks of life, in fact, everyone is looking for good towns—good communities.

Few people realize the extent to which industry and business go to find good towns. There are in Chicago alone dozens of corporations, concerns and firms who have special departments to do nothing else but find out if a community is suitable for the purpose they have in mind. With some it is for location of a branch factory, employing hundreds; others for a distributing point, requiring twelve to fifty; others for a place of residence for the representative and family who handles the company business in that area, and there are others, who looking into the future, just want to know.

And this is your opportunity IF your community is in position to take advantage of it.

The second question: "Is your community marketable—suitable for sale as is?"

To make it marketable, the bugs must be eliminated—the monkey wrenches fished out of the machinery, so that when sold, it will stay sold.

What business man is there that doesn't know what happens to any concern that places a product or service in the hands of the American public that, when sold, doesn't stay sold? Every thinking man knows that it spells disaster; but in the face of that very knowledge, they expect their town to "go over" with the same American public, without eliminating those things that are known to provoke dissatisfaction, create loss of interest, and unsell the customer.

The first bug in the machinery of most communities is that of "contemptuous familiarity." You walk down the street and look at hundreds of things that repel other people, but you do not see them. You go to your store or office and there are things that others abhor, but you fail to recognize them because you are so familiar with them. At the same time above you, below you, and on every side of you, there are "acres of diamonds that have never been mined." It is a matter of being "so close to the picture that you can't see the frame."

Look around you—put yourself in the position of a stranger and look for the things that would unsell you. See your community as others see it—think about it—talk to your neighbor about it and then do something to eliminate those things that repel, and "get behind and push" those things that invite.

HARRY'S

rs. Harriet Walters

It came to Mrs. Harriet Walters of Mr. William Walters, her home at Morgan, on Saturday. She was fifty-seven years old and had been ill but a short time. Funeral services were held from her late home on Monday afternoon half past two o'clock. The Rev. George H. Naylor, pastor of the Methodist Protestant Church, of this city, officiated. Interment followed in Christ Church cemetery here under the auspices of Undertakers E. S. Mason & Son. The pall bearers were all members of the family, sons in laws of the deceased. Besides her husband, the departed survived by one son, William Jr., and daughters. The latter are: Myrtle Seamon, Mrs. La Viena, Mrs. Della Lane, Mrs. Flor. Patterson, Mrs. Ida Hyde and Beatrice Walters.

## HOLD DANCE

This Monday night at the high school auditorium, the annual dance of the Patrolmen's Benevolent Association will take place, with Powers' Orchestra of this city furnishing the music. This dance has always been a big success and this year's event will prove no exception, it is believed.

The advance sale of tickets has been quite large and the local police hope to see all their friends present at the affair.

## VAUDEVILLE HERE

## NEXT SATURDAY

Beginning with Saturday night, April 6th, there will be vaudeville acts added to the program at the Empire Theatre on Broadway. Since the vaudeville programs formerly shown at the theatres in New Brunswick and other places has been discontinued, it was thought advisable to try the new plan out. With the innovation here there will be but few places in the county where vaudeville actors will have a chance to perform. The new "talking movie picture" are superseding the vaudeville actors throughout the county, and incidentally bringing a host of new faces to the silver screen.

## PARLIN CAMP FIRE NEWS

The last meeting of the Camp Talah girls was held Friday, March 22 in the DuPont Club. The meeting was devoted to earning a handcraft honor by sewing on nightgowns and underwear. The girls have added a table to their equipment and nine books were donated by Barbara Post for the girls' bookshelf. Miss McKenna donated a table runner.

The girls expect to buy some nature and gardening books to help them in their gardening this spring. The meeting was adjourned at 8 P. M. as the girls had to practice for the play to be given at the Father-Mother

## Boy Scouts Here To Celebrate 13th Anniversary

## Annual Membership Campaign Now Being Arranged For Raritan Council Territory

Arrangements for the 1929 Membership and Financial Campaign are now being made by the Executive Board of the Raritan Council, Boy Scouts of America.

Thomas A. Garretson of Perth Amboy has accepted the general chairmanship of the campaign for this year replacing the late John Pfeiffer, who had been active in this work for several years past.

The campaign will be held during the week of April 22-29 and the usual district chairmen and team organization will be appointed.

Work is now being started on the special gifts committee of which Morris Margaretten of Perth Amboy is chairman and on account of the intensive development of scouting in the various communities associated with the Raritan Council during the past few years, it is hoped that the people will be willing to support the Raritan Council in the approaching campaign for \$10,000, which in addition to the year's budget for administration, leadership training, courts of honor, there is \$2,500 put aside for camping purposes in which all scouts of the Raritan Council will participate in some way.

Scouting in South Amboy is on its usual firm foundation through the steady leadership of Scoutmaster J. Tracy Dill and his loyal assistants, Carl Skow, Arthur Skow and John Parker.

Through arrangements made by the District Scout Commissioner J. L. Housel, Troop No. 91 is now meeting regularly in the high school on Monday nights and this troop has increased its membership so that there are over 50 registered scouts in good standing. Plans are being made the 13th anniversary of Troop 91 which is the oldest troop in existence in the Raritan Council territory and an organization of which the people of South Amboy should be justly proud.

Congressman Harold G. Hoffman is serving as vice president of the Raritan Council and the additional members of the executive board are Marshall E. Magee, J. Alfred Johnson and James L. Housel.

In addition to being Assistant Scoutmaster of Troop 91, Carl Skow is also acting scoutmaster of Troop 101 Parlin where there are over 25 boys enrolled as registered scouts.

Troop 101 is being sponsored by a joint committee of men representing the Dupont and Hercules companies and L. L. Russell is chairman of the troop committee and also a member of the executive board of the Raritan Council. Scouting is in a very fine condition at this time and plans are being made for the extension of this great American program to a still larger number of boys in South Amboy and Sayreville.

Progressives Have Purchased Radio

Plan On Adding Pool Table To Fire House Attractions Too

The Progressive Fire Company at a meeting held Wednesday evening decided to purchase a radio for use in the recreation room in the fire house. An Atwater Kent straight electric set with dynamic speaker proved the popular choice selected from among several that were submitted for demonstration. E. S. Mason & Son, local radio and furniture dealers, are to furnish the new equipment.

These fire laddies atop the hill have also decided to put in a pool table with its accessories, provided a suitable table can be located hereabouts and a satisfactory deal arranged for the passing of ownership. The action of the fire company in putting in these two attractions is said to be an attempt to revive the old time interest among members of the organization who have not been so regular in their attendance at the fire house meetings of recent months.

Knights Attend Vesper Service

First Annual Affair Popular Here Last Sunday Night

The first of what is intended to be an annual Vesper Service under the auspices of the local council, Knights of Columbus, was held on Sunday night. The service was conducted by the council's chaplain, the Rev. Dr. E. C. Griffin, who discussed with the members the much discussed "Roman question".

The third degree members of the council met at their headquarters on David street and at 7:30 under the leadership of Grand Knight James E. Flanigan, marched to the church, where they were met by Monsignor John P. Brady Assembly, Fourth Degree, Knights of Columbus, under the leadership of Navigator George Gundrum Jr. The fourth degree members were in full uniform.

The service consisted by the recitation of the Rosary, singing of the hymns, "Come Holy Ghost" and "Immaculate Mary" sermon by the Chaplain, and benediction. Members sang three hymns during the benediction, "O, Salutaris", "Tantum Ergo" and "Soul of My Saviour".

## JUDGE PREDICTS RADIO IN COURTROOM

Radio broadcasting of murder trials will be the next innovation in court news dissemination, according to Superior Judge Georgia Bullock of California who visited the Metro-Goldwyn-Mayer studio to give Monta Bell some advice on court procedure for the filming of "The Bellamy Trial" which stars tomorrow at the Strand Theatre, Perth Amboy.

Judge Bullock, noting Bell's radio equipment in the cinema courtroom, declared that the "mike" was not at all out of place and probably would become a part of courtroom equipment in the very near future.

Leatrice Joy plays the leading role in the murder mystery filmization. The stellar cast includes George Barraud, Kenneth Thompson, Margaret Livingston, Betty Bronson and many others.

to be a "true son of his father" son of Madame Ernestine Heink, America's best low-priced singer, Ferdinand Schunk. Heink was expected to adapt himself to the vocal art. With the help of youth, he turned his back upon the expectations of the public, his relatives and friends, and joined the great parade of young modern actors. In the Fox production, "Four Sons," he characterizes a Teutonic officer. Though the role is minor, he will say that young Heink will rise to the heights in screenland as his mother did in the realm of

#### NASH SERVICE DEVELOPED BY REGIONAL DEALER CLINICS

Warren-Nash Motor Corporation, largest Nash distributor in the world, in combination with the factory, have just completed a series of territorial Service Clinics which will enable Nash Authorized Dealers to render a very superior service.

Under the guidance of Oscar A. Eschke, General Service Manager for Warren-Nash Motor Corporation, assisted by a corps of men from the Nash factory, these clinics have been held in strategic points throughout the great territory; and all Nash dealers, together with their service force, have attended. Here, they have been able, through the use of moving pictures and practical time studies by factory mechanics assisted by the latest short-cut tools to see actual service operations consumed in the minimum time to assure perfect work. Not only have these factory men brought the tools with them, but there have been special exhibits of all shop equipment which has been ordered liberally by Nash dealers.

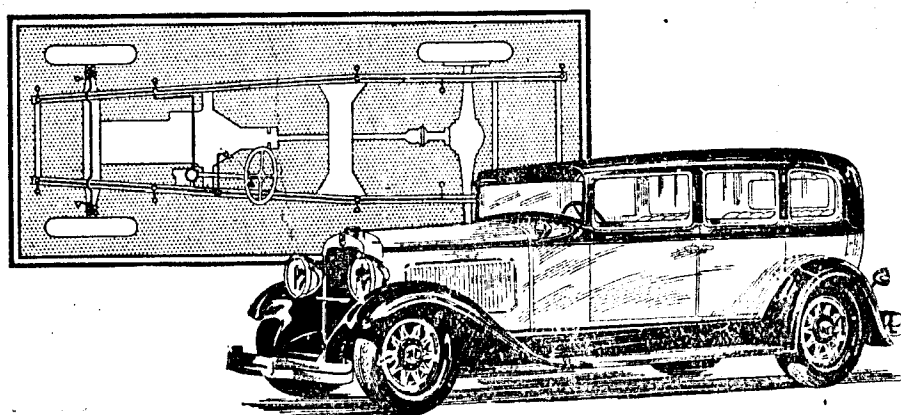

Mr. Nash realizes that today service stands paramount in the success of any automobile and each Authorized Nash Dealer operates directly under the factory policy. Mr. Charles Loichle, local dealer attended with his service force.

## World's Finest Lubricating System

### Nash-Bijur Centralized Chassis Lubrication

FINALLY, a system of centralized chassis lubrication has been perfected which operates easily . . . immediately . . . and invariably.

Nash now offers it on every Advanced and Special model of the new "400" series . . . Nash-Bijur . . . the finest device ever produced to supply chassis bearings with necessary lubrication.

You simply press a convenient pedal (a child can do it), and twenty-nine

chassis points . . . spring shackles, steering knuckles, clutch bearing and the like . . . are bathed in fresh, clean, wear-resisting oil.

Nash-Bijur centralized lubrication does away with all the bother and expense of old-fashioned chassis greasing. Press the pedal once a day, lubrication follows. Chassis squeaks are avoided, chassis wear is prevented . . . when the car you drive is the new and finer Nash "400".

#### Favor American Machetes

Machetes, heavy knives which originated in the tropics and were widely used in South America for virtually every conceivable cutting purpose, are most popular in Brazil when of American make. About 1,500 are bought monthly and hardware dealers stock sharp, clean machetes imported from the United States.

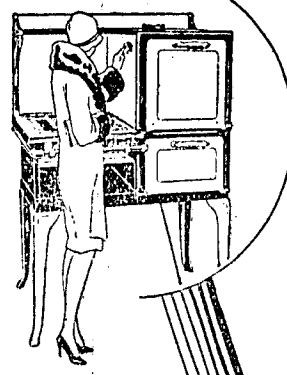

## This RARITAN Range Sells for \$38.75 Cash

with Oven Heat Regulator

One of the best values offered during this special sale of Raritan gas ranges is No. 244 B illustrated. Made of cast iron with solid porcelain door and burner handles. Has a fourteen inch high baking oven and four top burners. Fifteen enameled parts.

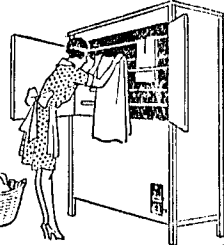

Cash price is \$38.75 delivered. Terms price \$41.10 — \$5.10 down and \$4 monthly for nine months.

We are selling the same range without the regulator for \$27.50 cash and \$29.15 on terms—\$5.15 down and \$4 monthly for six months.

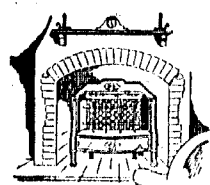

## Gas Clothes Dryer \$135 Cash Installed

Dry the washing this way. Keep it protected from strong winds and sudden storms. The dryer has ample hanging space for a large wash. Terms price \$142.50—\$5 down, 18 months to pay the balance.

## Gas Fireplace Heater Prices Begin at \$16 Cash

Many styles of heaters—all burn without smoke or odor. Lighted quickly, they give intense heat. Free connection on heaters costing \$25 or more—twenty-five feet of gas piping allowed.
